“Chapter 1571: 238: After learning the truth, the entire Internet was furious. What happened to Zhang Qingqing! 4”

“Only then did Zhang Qingqing realize that the official Weibo post of the LIN Group had been posted. After opening the video, Zhang Qingqing could hardly believe her eyes.”

It wasn't real.

This wasn't real!

Why would there be a camera in the room of the clubhouse?

Who Put the camera there?

PA —

Zhang Qingqing smashed her phone!

The phone fell to the ground and the screen shattered.

“At this moment, father Zhang rushed in from the outside and looked at Zhang Qingqing. He was so angry that his facial features were twisted. “I'll ask you one last time. Whose is the bastard in your stomach?””

He never dreamed that Zhang Qingqing was the one who had orchestrated all of this.

“He originally thought that although Zhang Qingqing had been kept as a mistress, at least her stomach was real.”

Zhang Qingqing sat on the ground and cried.

“I’m asking you a question!”

“”Her father, her father, calm down. What if there’s a misunderstanding?”Mother Zhang walked over from behind.”

“”It’s all because you spoiled her!”Father Zhang directly shook off mother Zhang’s hand. “A loving mother is a wastrel. If it wasn’t for you, how would she have become like this today?””

Mother Zhang pursed her lips and didn’t say anything.

“I’m asking you a question!”Father Zhang couldn’t take it anymore and grabbed Zhang Qingqing’s hair.

“Zhang Qingqing cried until her eyes were swollen, but she still insisted, “It’s Lin Ze’s! The child is Lin Ze’s! It’s Lin Ze’s!””

The child in her stomach was the heir of the Lin Family!

Lin Ze had already promised to marry her.

An illusion.

All of this was an illusion.

It wasn’t real!

“B * Stard!” Father Zhang slapped Zhang Qingqing. “What time is it now! You’re Still Dreaming!”

Father Zhang was both angry and angry.

This daughter had completely disgraced him!

How could he treat his relatives and friends with dignity in the future?

“Zhang Qingqing was stunned by the slap, but she was still muttering, “It’s Lin Ze’s! It’s Lin Ze’s!””

“She was the future young mistress of the Lin family, and the child in her belly was the only descendant of the Lin family. In the future, she would inherit the Lin family’s assets.”

Father Zhang was so angry that his entire body was trembling. “What a disgrace!”

“At this moment, Zhang Lei ran in from outside in a panic. “Dad! Dad!””

“What’s Wrong?” Father Zhang looked at Zhang Lei.

“Zhang lei continued, “Outside! There’s a bunch of reporters outside! They said they want to interview us! And some people brought rotten eggs over! What should we do!””

Zhang Lei was extremely glad that he did not appear with his parents when they appeared on camera.

“If he had appeared with them, he would have become the one that everyone despised.”

“Just a short while after his parents appeared on camera, many of his classmates had called him to check if Zhang Qingqing was his sister!”

It was fine for those who did not know his parents or Zhang Qingqing. Those who were familiar with their family environment did not know how to laugh at them behind their backs.

“Zhang Lei was glad that he had a sister like Zhang Qingqing a day ago, but now he hated her.”

It was too embarrassing!

“With the development of the Internet, everyone in the country knew about Zhang Qingqing’s scandal. Even his parents were implicated!”

“If Zhang Qingqing didn’t call him suddenly, he would have married his girlfriend by now.”

What about now?

“Not only was he not married, it would be difficult for him to find a girlfriend of the same social status in the future.”

It was all Zhang Qingqing’s fault!

“As a young man of the times, Zhang Lei knew how influential online public opinion was.”

The Internet could make or break a person!

The current Zhang family had been destroyed by Zhang Qingqing!

“Zhang Lei looked at his parents and said, “Dad, Mom, let’s leave quickly!””

They had to leave the capital before the heat was fully released.

“As he said that, Zhang Lei pulled his parents up.”

“Mother Zhang said, “If we leave, what about your sister?””

“As a mother, mother Zhang still felt sorry for Zhang Qingqing.”

“Zhang lei frowned and said, “It’s already so late, and you still have the mood to care about her? Let me tell you, the best way now is to sever ties with her!””

“Father Zhang said, “Lei lei is right, sever ties! Just treat it as I’ve never had such an embarrassing daughter!””

Mother Zhang could not bear it.

“No matter what, Zhang Qingqing was born in her womb for ten months.”

“No matter what Zhang Qingqing did wrong, she was still her daughter.”

““If you want to leave, you can leave! I’m not leaving!”Mother Zhang hugged Zhang Qingqing and cried, “If I leave at this time, then my Qingqing will not be able to live!””

Zhang Qingqing was now in the most need of company.

“Chapter 1572: 238: After learning the truth, the entire Internet was furious. What happened to Zhang Qingqing! 5”

“What suffering? As her mother, she had to bear it together with Zhang Qingqing! ”

“Mom! Let’s Go!”Zhang Lei wanted to pull his mother back.

“However, mother Zhang did not agree to go with him. ”

“Father Zhang frowned and said, “Let’s Go First!” ”

“Even if those people outside were angry, they would not make things difficult for the two women. ”

“Zhang Qingqing looked as if she had been provoked. Her expression was dull as she stared at the floor and kept repeating, “It’s Lin Ze’s! It’s Lin Ze’s! My child is the heir of the Lin Family! He’s the heir of the Lin Family!” ”

“Looking at Zhang Qingqing like this, mother Zhang’s heart ached. She hugged her tightly, “Qingqing, Oh Qingqing, my poor child! Those people outside are trying to drive us to our deaths!” ”

“No matter what mother Zhang said, Zhang Qingqing kept repeating these words. ”

On Weibo.

“Public opinion had been fermenting, and now it had reached a climax. ”

Zhang Qingqing’s comments on Weibo had directly exceeded a million.

“As far as the eye could see, there was a sea of abuse. ”

The next day.

The hotel staff sent the mother and daughter a lawyer’s letter from the Lin Corporation.

“When she saw the lawyer’s letter, mother Zhang’s heart turned cold. She thought that the LIN Corporation was just saying that. She didn’t expect that they would really send a lawyer’s letter. ”

“In fact, there was a reason why the legal department of the LIN Corporation did this. ”

This was to make an example out of others.

“If the Lin Corporation didn’t do anything this time, there would be a next time. ”

“Although father Zhang had left with Zhang Lei, there was still a lawyer’s letter. ”

The impact of this incident was not small.

“A false police report was made to frame someone for rape, followed by slander... ”

“After the trial, Zhang Qingqing was sentenced to five years in prison. ”

Zhang Qingqing’s parents were sentenced to three years.

“Due to her pregnancy, Zhang Qingqing was released on bail pending trial. ”

“When the results of the court were announced, the internet was filled with cheers. ”

[retribution for evil.]

“[how could he be released on bail pending trial? If not for the surveillance video, Lin Ze’s life would have been ruined by Zhang Qingqing!] ”

“[release on bail pending trial is because Zhang Qingqing is pregnant. Adults are guilty, but the child in her womb is innocent! But don’t worry, after she gives birth to the child and passes the lactation period, she will still go to jail!] ”

“This is so satisfying! I want to buy some meat to celebrate!”

“One more upstairs.”

“Not only did this matter not have any impact on the LIN Group, but it also increased the exposure of the LIN Group. ”

“For a week in a row, the shares of the LIN Group rose by the daily limit! ”

At the Lin Family Manor.

“In order to celebrate the end of this matter, Lin Jincheng personally cooked and invited old Mrs. Cen, Zhou Xiang, and Cen Shaoqing as guests. ”

“Old Mrs. Cen sat at the dining table and said with a smile, “I didn’t expect Jincheng to have such craftsmanship.” ”

“After saying that, she turned to look at Cen Shaoqing. “Learn more from your father-in-law! Don’t just recite sutras all day. Go to the kitchen more often when you have time.” ”

“Although Cen Shaoqing had learned a lot, he still liked to recite sutras and Buddha. ”

Cen Shaoqing twirled the Buddha beads. “Nod.”

Lin Qingxuan and Xia Xiaoman arrived late with an Lizi.

“When they saw Lin Ze, Lin Qingxuan and Xia Xiaoman felt very guilty. ”

“The couple stood in front of Lin Ze and said shamefully, “Ah Ze, I’m really sorry. If it weren’t for our Lizi, you wouldn’t have been almost schemed against.” ”

“Fourth uncle, fourth aunt, you’re exaggerating! This matter is also my own fault.” Lin Ze stood up. “I was too careless.” ”

An Lizi was still a little embarrassed to look at Lin Ze.

This matter was indeed her fault!

“Old Madam Lin sat beside Old Madam Cen. Seeing that Lin Qingxuan and an Lizi’s attitude towards admitting their mistakes was pretty good, her anger subsided quite a bit. She continued to speak, “Lizi isn’t young anymore. Remember to be more mindful in the future. She should know what to do and what not to do!” ”

“An Lizi immediately said, “Yes. Grandma, I understand.” ”

“Old Mrs. Lin looked at an Lizi and continued, “Alright, sit down and eat! The food will be cold soon!” ”

An Lizi sat beside ye Zao and everyone began to eat.

Time passed quickly.

“In the blink of an eye, it was the spring festival. ”

On the third day of the first lunar month.

“Lin Jincheng, Ye Shu, brought Lin Ze and Yazhuo back to Yun Jing. ”

“On the fourth day of the first lunar month, the family went to Lin Shasha’s house with gifts to pay New Year’s greetings. ”

“Zhou Yuelian and Lin Jinshui, with the help of Ye Shu, had also opened a restaurant. ”

“The days were getting more and more prosperous, and they had already changed into a high-end apartment. ”

“It had four rooms and one living room, and they lived very comfortably. ”

“Chapter 1573: 238: After learning the truth, the whole internet was furious. What happened to Zhang Qingqing! 6”

Lin Shasha had been preparing for revision. She had already applied for the college entrance exam in June this year.

“After not seeing her for a year, Lin Shasha felt like a different person. ”

“She had cut off her long hair and changed her style. If it wasn’t for ye Zhuo video chatting with her, she wouldn’t dare to admit it. ”

“Sister Sha Sha!”

“Zha Zhuo!”

“The moment they met, the two sisters hugged each other. ”

“Zhou Yuelian teased from the side, “Look at these two sisters. Their relationship is even better than their biological sisters!” ”

Ye Shu nodded. “That’s right.”

“Lin Jinshui was an honest person. She walked over and said, “Yuelian, you accompany the girls and chat. I’ll go buy groceries.” ”

““You go ahead.”Zhou Yuelian nodded. “You know what to buy, right?” ”

“I know.”Lin Jinshui nodded.

Zhou Yuelian turned to look at Ye Shu. “That husband of yours is really amazing. He just sits there looking at his phone and doesn’t say a word.”

“Ye Shu smiled and said, “He’s such a person. He doesn’t like to talk.” ”

“No matter where Lin Jincheng was, he didn’t like to talk. He just held his phone and could sit there for a day. ”

“Zhou Yuelian continued, “Right, are you guys planning to have another three children?” ”

“Yuelian! What are you talking about? ! How Old Am I? !”Ye Shu’s face was slightly red.

““Ever since the second child policy was introduced, it’s very common for women to give birth at an advanced age! We already have one in our neighborhood. He’s 48 years old and he’s pregnant! Ah Shu, I’m not joking with you!”Zhou Yuelian’s expression was very serious. ”

“Ye Shu shook his head, “We didn’t think of having three children. Two children are enough!” ”

In the room.

Lin Shasha was a little worried. She was worried that she wouldn’t be able to get into the ideal university.

“Ye Zao comforted her. “Sister Shasha, you have to be calm, just like in your usual exams. As long as you perform normally, with your current level, you will definitely be able to get into N University!” ”

Lin Shasha looked at ye Zao. “Really?”

“Of course it’s true!”Ye Zao nodded slightly.

“Just then, ye Zao’s phone rang. ”

Ye Zao looked at it and immediately cut it off.

“Lin Sha smiled and said, “Your family member?” ”

Ye Zao nodded slightly.

“Lin Sha teased, “You’ve only been here for less than half an hour, how many messages has he sent you? He’s really nervous about you!” ”

This kind of feeling made Lin Sha very envious.

“Ye Zao smiled and said, “When you get into university, you can find one too!” ”

Lin Shasha shook her head. “I haven’t thought about those things for the time being.”

People who had been hurt before would not be able to accept a relationship that easily.

They stayed on the first day of the New Year.

The family of four returned from Yun Capital.

On the seventh day of the New Year.

“Ye Zhuo received a call from Bai Shu. “Zhuo Zhuo, did you forget to promise aunt?” ”

Ye Zhuo was stunned for a moment before he remembered that she had promised the old lady that she would definitely visit her with Cen Shaoqing on the first day of the New Year.

“Bai Shu continued, “You promised aunt that the new year would definitely follow Shaoqing to visit aunt! Shaoqing will be coming to Aunt’s house tomorrow. Are You Coming?” ”

“Ye Zhuo then remembered and said with a smile, “Yes, how can I not come! Aunt, don’t worry. I will definitely come and visit you with Cen Shaoqing Tomorrow.” ”

“”Okay, okay, okay.” Bai Shu said happily, “Oh, Zhuozhuo, then I will wait for you at home!” ”

“”Okay.” Ye Zhuo continued, “Don’t worry, I’ll definitely come.” ”

“On the other side, Ye Zhuo had just hung up on Bai Shu when he received a call from CEN Shaoqing. ”

“Ye Zhuo smiled and said, “I just received a call from aunt. What time is the Flight Tomorrow Morning?” ”

“Cen Shaoqing’s voice came from the other end of the phone, “The flight is tomorrow morning at nine o’clock. I’ll be waiting for you at your door at half past six.” ”

“Chapter 1574: 238: I’ve been fed a belly full of dog food, showing off my love in public”

"It was the end of the year, and the road to the airport was very congested."

"In addition, there was a boarding pass to the airport, so they had to leave more than two hours in advance. The flight was at nine o'clock, so it was really not early to leave at six-thirty."

""Okay."Ye Zhuo continued, "Why don't you come earlier and have breakfast at my place?""

"Sure."Cen Shaoqing's tone was low. "Then I'll be there at six."

"CEN Shaoqing continued, "Are you at home now?""

"I'm at home."Ye Zhuo nodded slightly.

""Grandma asked me to come and pick you up for dinner."CEN Shaoqing continued, "Coincidentally, someone came to pay a new year visit today. I'm missing one person in mahjong. Do you want to come?""

""Sure, come over,"ye Zhuo said."

"CEN Shaoqing continued, "Then I'll be there in ten minutes.""

""Okay, I'll hang up first.""

"After hanging up the phone, ye Zao went to the fitting room and changed into a set of clothes."

"He was wearing a light yellow woolen coat with a white base coat. He was wearing a pair of black martin boots on his feet. His waist-length hair was evenly draped over the back of his head, and he wore a yellow beret on his head, the color of the hat and the woolen coat complemented each other perfectly."

“Yellow was a very picky color of skin. If one’s skin was slightly darker, it would be suppressed by this bright color.”

“However, when this color was worn on ye Zao’s body, not only did it not appear dark at all, it contrasted with his already fair skin, which was now even fairer.”

He walked with an imposing aura!

“Ye Zao stood in front of the mirror, slightly curved his lips, and immediately whistled.”

“”TSK, why do I Look So Good!””

“Coincidentally, little white walked in from outside. “What should I do if I look so good?””

“As he finished speaking, little white blocked in front of ye Zao. “Da Zao Zao, don’t look at yourself in the mirror in the future.””

“Why?”Ye Zao had a puzzled look on his face.

“Little White continued, “I read a novel last night. The female lead in it was too beautiful, so when she looked at herself in the mirror, she was so beautiful! What if you were also so beautiful?””

Ye Zao:” ... ”

“Ten minutes later, ye Zao came downstairs.”

Ye Shu was chatting with Xia Xiaoman.

Ye Zao walked over and greeted her. “Fourth aunt.”

“Xia Xiaoman looked up at Ye Zao. “Zao, are you going out?””

“”Yes.”Ye Zao nodded slightly and continued, “By the way, Mom, I’m going to South City Tomorrow.””

Ye Shu was stunned. “What are you going to south city for?”

“Ye Zhuo continued, “I’m going with Cen Shaoqing to his aunt’s house to pay new year’s greetings.””

“”Alright.”Ye Shu nodded. “You go ahead. By the way, how many days are you going to be gone? On the tenth day, your first uncle, second uncle, and third uncle will be here!””

“Ye Zhuo said, “Don’t worry. I’ll definitely be back before the tenth day.””

Ye Shu nodded.

“Xia Xiaoman asked curiously, “South city is more than 2,000 kilometers away from the capital, right?””

“”Yes, but it’s also fast by plane. It’ll only take four hours,”ye Zao said.”

“Xia Xiaoman continued, “I’ve passed by the South city several times on business trips, but I haven’t stopped to take a look. The weather there is different from ours. It’s minus 20 degrees Celsius over here, and they’re still wearing short sleeves over there!””

“The south city belonged to the southern city, and it was summer all year round.”

“Ye Shu raised her head to look at ye Zao and continued, “Zao Zao, how many aunts does Shaoqing have in total?””

“”I think there are two,”ye Zao said. “One is Grandma Cen’s cousin, and the other is his biological sister.””

Ye Shu nodded.

“At this moment, ye Zao’s phone rang.”

“Ye Zao took out his phone and looked at it. “Fourth aunt, Mom, I’m leaving First!””

“Go ahead.”Ye Shu nodded.

Ye Zhuo walked out of the door.

“When he walked out of the door, he saw Cen Shaoqing’s car parked there.”

Cen Shaoqing was leaning against the car door.

“He was still wearing a retro long robe with a long black coat draped over it. The buttons were unbuttoned, and the sunlight shone from behind him, refracting the golden light in the snowy ground. The young master was like Jade, as if he was sparring, as if he was pondering.”

“His posture was casual, but he exuded an aura that could not be ignored.”

“Seeing ye Zhuo walk over, Cen Shaoqing got out of the car, walked to the front passenger seat, and opened the car door.”

“Are you cold?”

“”It’s okay.”Ye Zhuo continued, “Who from your family is coming to pay a new year’s visit today?””

“A distant relative.”Cen Shaoqing’s thin lips opened slightly

"It was said that no one asked about the poor in the busy city, and the rich had distant relatives in the deep mountains. This sentence was not wrong at all. Every year, the CEN family would have many distant relatives come to pay new year's greetings. Some relatives even had five costumes, and even old lady CEN could not remember."

"OH." Ye Zhuo nodded slightly, leaned into the car, and lowered his eyes to fasten his seatbelt."

"Chapter 1575: 238: fed a belly full of dog food, showing affection in public"

"Soon after, Cen Shaoqing also sat in the driver's seat. "

"The speed of the car was neither fast nor slow. Ten minutes later, the car steadily stopped in front of the Cen family manor. "

"Immediately, a servant came up to greet him. "Fifth Master." "

Cen Shaoqing handed the car keys to him. "Park in the garage."

"Okay." The servant nodded.

Cen Shaoqing held ye Zao's hand and put it into the pocket of his coat.

The two of them walked into the manor together.

"Hearing footsteps, old Mrs. Cen smiled and looked up. "They're here! They're here!" "

"Sitting opposite Old Mrs. Cen was a middle-aged woman. She smiled and said, "Aunt, I've long heard that Shaoqing's fiancée is the same as the one in the painting. This time, I'm finally going to see her in person!" "

“This person was old Mrs. Cen’s distant niece, called Chen Lanfang. She would come to the Cen family to pay New Year’s greetings every year. Unfortunately, she did not see ye Zhuo at the Cen family last year.”

““An ordinary person. My granddaughter-in-law is an ordinary person.”Old Mrs. Cen said in a very low-key manner, “I’m not from the Appearance Association. As long as the two children can see eye to eye, that’s enough.” ”

“Hearing this, Chen Lanfang frowned. What old Mrs. Cen meant was that ye Zao was not as good-looking as the rumors said? ”

“At this moment, the footsteps outside the door were getting closer and closer. ”

““Grandma, we’re Back!”Cen Shaoqing’s voice sounded in the air. ”

“Old Mrs. Cen stood up and said with a smile, “There was no traffic jam on the road, right?” ”

“There was no traffic jam.”

“Old Mrs. Cen held ye Zao’s hand and continued, “Zao Zao, this is your cousin Lan Fang. Lan Fang, this is Shao Qing’s girlfriend, Zao Zao.” ”

Chen Lan Fang was stunned.

“This, this was the ordinary person that old Mrs. Cen had mentioned. ”

“When she heard Old Mrs. Cen say that ye Zao was an ordinary person, Chen Lan Fang thought that ye Zao’s looks were ordinary and not as good-looking as the rumors said. She did not expect that ye Zao’s looks were even better than the rumors said. ”

How was this an ordinary person.

“If this was an ordinary person, what would she be?”

Scum?

Three kinds of people!

“Ye Zao greeted politely, “Cousin Lanfang.” ”

““Oh my goodness!” Chen Lanfang was so excited that she even blurted out her hometown words, “This is not an ordinary person! This is simply a fairy from the nine heavens! My Great-grandmother, your granddaughter-in-law is too beautiful, right?” ”

“Old Lady Cen’s face was full of smiles, but she still said modestly, “Ordinary people, ordinary people, it’s not that exaggerated.” ”

“Cen Shaoqing slightly lowered his eyes and whispered in ye Zao’s ear, “Grandma is simply a Versailles competition.” ”

““Tsk,” ye Zao teased, “You, a monk, still know Versailles literature.” ”

““That’s right, I don’t only know Versailles literature, I know a lot of it.” ”

“You’re bragging.”

“The two whispered to each other. In the eyes of outsiders, it was a beautiful and vivid scene. ”

“Chen Lanfang turned to look at Old Mrs. Cen and continued, “Aunt, I’ve finally seen it today! Even our village’s Flower Shiyu isn’t as beautiful as searing! You’re too modest!” ”

“Old Mrs. Cen waved her hands repeatedly. “Not modest, not at all modest. Look at searing searing searing, it’s just two eyes and a nose! It’s so ordinary that it can’t be any more ordinary!” She had only recently learned Versailles literature, she just wanted to show it off. Versailles literature was indeed useful. ”

“Chen Lanfang:” ...” she felt that her aunt was showing off, but she had no evidence. ”

“At this moment, the Butler rushed in. “Old Lady! Old Lady!” ”

“What’s Wrong?” Old Mrs. Cen asked.

“The butler continued, “The security department called. They said that there’s a relative outside who claims to be from his hometown to wish you a happy new year. Do you want to let her in?” ”

“” Let me see the video,” old Mrs. Cen said. ”

“Okay.” The housekeeper took out her tablet and connected to the security department’s video.

A white-haired old man appeared on the screen. He was holding a five-or six-year-old child.

It was already the 21st century. The child’s clothes were still covered with patches. There were two snot-nosed girls hanging from his nose. His little face was red from the cold.

“Old Mrs. Cen looked at him for a long time, but she still couldn’t tell who he was. ”

“At this moment, the old man smiled and spoke, “Haifeng’s mother! I’m xiue, Ma Xiue! Isn’t that niece of mine married to the son of the eldest uncle, the daughter-in-law of Haifeng’s uncle’s second aunt’s family? ! I’m San Ma Zi’s mother!” ”

“Although it was a little far-fetched, and they didn’t even have the same relationship, old Mrs. Cen still remembered immediately. She smiled and said, “Oh, OH, oh! It’s You! San Ma Zi’s mother! Come in, come in!” ”

“Chapter 1576: 238: fed a belly full of dog food, showing off their love in public”

“After saying that, old Mrs. Cen turned to look at the butler and said, “Go quickly! Go and bring his third aunt into the house!” ”

“Okay! I’ll go now!”The butler nodded.

“Wait!”Old Mrs. Cen stopped the butler.

“The Butler turned to look at old Mrs. Cen, “Do you have any other instructions?” ”

“Old Mrs. Cen put on her coat and said, “His third aunt hasn’t come for a long time. I’ll go with you to pick them up!” ”

Old Mrs. Cen went out with the housekeeper.

“They were two kilometers away from the entrance of the manor, so they had to take a car. ”

“It was cold. If it weren’t for the fact that the person who came was of the same generation as Old Mrs. Cen and they had a friendship when they were young, old Mrs. Cen wouldn’t have been willing to go out personally to pick them up. ”

“Soon, the car stopped at the entrance of the manor. ”

Old Madam Cen pushed the door open and got out of the car. She walked to third aunt’s side and held her hands. “His third aunt! We haven’t seen each other for decades!”

“Third Aunt’s eyes were red as she sobbed, “Yes, yes!” ”

“Before she came, third aunt had been very nervous. The Cen family was no longer the CEN family of the past. ”

And she was just a poor old lady with a burden. She was afraid that the Cen family would ignore her.

She did not expect that Old Lady Cen would personally come to pick her up.

“Old Lady Cen continued, “This capital is colder than our old home! Quickly get in the car! Oh right, who is this child?” ”

“The third aunt said, “This is Shuanzi’s child! His name is tianshun. Tianshun, quickly call him ancestor!” ”

“Zhou Tianshun hid behind the third aunt and held the corner of the third aunt’s clothes tightly. His eyes were full of restraint and fear, and he did not dare to call anyone. ”

“Seeing that Zhou Tianshun did not call anyone, the third aunt said angrily, “You child! Quickly call someone!” ”

“Only then did Zhou Tianshun speak slowly,” ... Zu, Zu zu, Hello.” ”

“Old Granny Cen smiled and touched Zhou Tianshun’s small face, “Good, good, good! is this Sanma Zi’s grandson?” ”

Zhou Tianshun hid behind in fear.

“Yes.”The third aunt nodded.

“Old Mrs. Cen continued, “Quickly get in the car. This is not a place to talk. Let’s talk at home.” ”

The third aunt got in the car as well.

Zhou Tianshun immediately picked up the snakeskin bag and got in the car with her.

He was too small to carry a big snakeskin bag.

“Seeing this, the housekeeper quickly took the snakeskin bag and carried Zhou Tianshun into the car. ”

“Looking at the scenery on the road, the third aunt’s eyes were filled with amazement. ”

“Having lived for more than half her life, she had never seen such a scene. ”

“While she was amazed, the third aunt was also a little nervous. She tightly held Zhou Tianshun’s hand. Although she had long known that the CEN family was now a wealthy family, she did not expect the CEN family to be this rich. ”

“Old Mrs. Cen took the initiative to open the conversation. “Third aunt, is the child’s grandparents still well?” ”

“Hearing this, the third aunt sighed. “No, one has liver cancer and the other has leukemia. They left a long time ago!” ”

Old Mrs. Cen was stunned.

“After saying that, the third aunt continued, “Tianshun is not lucky. The shuanzi couple left less than two years ago, and the days are slowly getting better. However, the child’s parents, my poor grandson and granddaughter-in-law, actually got into a car accident and left!” ”

“Hearing this, Old Mrs. Cen could not believe it. “How, how could this be?” ”

The third aunt gave a wry smile. "Perhaps this is fate!"

"Old Mrs. Cen continued, "So now it's just you and the child?" "

"Yes." The third aunt nodded. "When the child's parents left, he was only three years old. Now that I think about it, I don't know how I survived that period." Now, she really could not endure it any longer, only then did the third aunt think about coming to the Cen family. "

Old Mrs. Cen couldn't help but sigh. She also felt a little uncomfortable in her heart.

"At the third aunt's age, when she was officially enjoying her life, she was suffering a lot. "

"Old Mrs. Cen continued, "The child's parents left in a car accident. Didn't the perpetrator pay some money?" Looking at the third aunt and the child's clothes, it didn't seem like they were well-off. "

"The third aunt shook her head. "No, the perpetrator ran away." "

"Did you call the police? What did the police say?" Old Mrs. Cen continued to ask.

"The third aunt said, "We called the police." But because it happened in the middle of the night and there were no cameras on the rural roads, the police couldn't find anything. What a pity for the child's parents! The forensic doctor said that if they had called 120 on the spot, the couple wouldn't have died. It was winter at the time of the accident, the temperature outside was minus 10 degrees Celsius. The car accident that happened at 9 pm was only discovered at 9 am. It took more than 10 hours. By the time 120 arrived, they were already frozen stiff! "

"Chapter 1577: 238: being fed a belly full of dog food, showing off their love in public"

"Old Mrs. Cen sighed and held third aunt's hand. "Now that things have happened, don't think too much. Relax and take good care of the child! There is hope if there is a child!" "

“Third aunt wiped her eyes. “If not for this child, I would have gone with my grandson and granddaughter-in-law long ago!””

“Not only did old Mrs. Cen feel uncomfortable listening to these words, but even the housekeeper felt very uncomfortable.”

Perhaps this was a case of a house falling through the night.

“Happy families were all similar, and unhappy families had their own misfortunes.”

“Soon, the car arrived at the door.”

The housekeeper got out of the car and opened the door.

““Old Lady, please slow down.””

“After helping Old Mrs. Cen out of the car, old Mrs. Cen reached out to help the third aunt. “His third aunt, please slow down.””

The housekeeper went to carry Zhou Tianshun.

The five-year-old Zhou Tianshun was very thin and looked like he was malnourished. He did not carry much weight in his hands and was light as a feather. He was more than ten kilograms lighter than a child his age.

“Third aunt was helped out of the car by Old Mrs. Cen. She looked up at the magnificent Cen Manor that looked like a palace and widened her eyes. “Haifeng’s mother, this is where you live?””

“Yes.” Old Mrs. Cen nodded.

"The third aunt said in surprise, "Oh my God! This is even more luxurious than the Imperial Palace! Even the courtyard of our village chief's house is not as good as this!""

The Cen family was so luxurious that the third aunt felt that the new year gift she brought was not presentable. She was even embarrassed to take it out.

"Fortunately, the housekeeper did not bring it over after carrying the snake skin bag into the car."

"Old Mrs. Cen smiled and said, "If you like it, you can bring Little Tian Shun to play at home for a few more days! I like children the most, and you can also accompany me to chat! I'm here, and there's not even anyone to chat with!""

"Third aunt smiled and said, "There's still a lot of work waiting for me at home! We'll go back the day after tomorrow.""

"Old Mrs. Cen continued, "There's no rush, there's no rush. I'll have the housekeeper arrange for a driver to send you back! It's not easy for you to come to the capital, how can you go back so quickly!""

"The two old ladies spoke as they walked, and soon they were inside the house."

"Old Lady Cen took the initiative to introduce, "His third aunt, let me introduce you. This is Haifeng's youngest son, Shaoqing. "This is Shaoqing's wife, Zhuoluo. This is my maternal niece! "Shaoqing, Zhuoluo, this is third aunt. However, according to seniority, you have to call her third grandmother! Well, Lan Fang, you have to call her third grandmother too. Oh right, this is your third grandmother's great-grandson, Tian Shun, Zhou Tian Shun!""

"Cen Shao Qing and ye Zhuo greeted them politely, "Hello, third grandmother.""

"Chen Lan Fang also greeted them, "Third grandmother.""

"Third aunt looked at them one by one. When she saw Cen Shao Qing., she sighed and said, "This child is really handsome! He follows his father! He follows his father, and his wife is also handsome. They are really a pair from the heavens, a pair from the earth! Hai Feng's mother, you're really blessed!""

""Hey, what blessing?"Old Mrs. Cen then instructed the servants to make tea. "Also, boil a cup of fresh milk for Little Tianshun! Bring some snacks for the children.""

""Yes, Old Mrs. Cen.""

"Third aunt said embarrassedly, "Haifeng's mother, you are too polite! We are not thirsty, and TIANSHUN does not eat.""

""Drinking a cup of water is considered polite?"Old Mrs. Cen smiled and said, "Look at what you are saying!""

"The third aunt sized up the decorations in the house. The Cen family's hall was really too luxurious. The carpet was soft and soft to step on. The floor was not paved, and the light shone on people. For a moment, the third aunt was very reserved, she did not know where to put her hands and feet."

"Old Mrs. Cen pulled the third aunt to sit down together and said with a smile, "His third aunt, when you come to my place, it's like coming to your own home. Don't be afraid to let go. Quickly sit down.""

"Third aunt hurriedly stood up. "I'm dirty, so I don't want to sit down!""

"Old Mrs. Cen said with a straight face, "Look at you, Old Lady. You're deliberately saying these shabby words to me! Where are you dirty? Quickly sit down! Let us sisters have a good chat!""

"Even though third aunt's clothes were a little shabby, her clothes were really not dirty, including Little Tianshun's. Although his nose was a little runny, his clothes were still clean."

"Very soon, the servants came over with boiled milk and snacks."

"Little Tianshun was very reserved. Although he was a little greedy, he did not dare to eat it since zu zu did not say anything."

“Old Granny Cen said, “Eat, child! These are the things that children like to eat.””

“Chapter 1578: 238: fed with a belly full of dog food, showing affection in public”

Little Tian Shun looked at the third aunt.

“Old Mrs. Cen smiled and said, “This child still needs you to speak! Don’t make things difficult for the child, let him eat quickly!” ”

“The third aunt then said, “Hurry up and thank the ancestor.” ”

“Little Tian Shun looked up at Old Mrs. Cen. “Thank, thank the ancestor.” ”

“Good child.” Old Madam Cen smiled and patted Little Tianshun’s head.

“Little Tianshun first picked up a small bear biscuit and ate it slowly. After finishing it, he picked up a piece of chocolate.”

“It was a little bitter. As a child who had never eaten chocolate before, the taste was not very good. However, Little Tianshun still swallowed the chocolate.”

“After eating the chocolate, Little Tianshun held the Milk Cup and drank a mouthful of milk.”

“The taste of fresh milk was extremely mellow. Due to the addition of honey, it was still somewhat sweet. So this was the taste of milk. Xiao Tianshun happily narrowed his eyes and temporarily forgot about the awkwardness and uneasiness.”

“Looking at Xiao Tianshun, Old Lady Cen’s heart ached.”

This child really suffered.

“At such a young age, he had no father and no mother. ”

“After drinking a glass of fresh milk, Xiao Tianshun sat there obediently and did not move. ”

“Although he was only five years old, the children of poor families were in charge. When he came here, the ancestor had instructed him to be a good child with rules. ”

“Soon, Xiao Tianshun’s gaze was attracted by the figure of Peggy the pig on the television. A smile bloomed on his face. ”

“As a Chinese medicine practitioner, Ye Zhuo was keenly aware that there was something wrong with Xiao Tianshun. He held Xiao Tianshun’s hand and turned to look at the third aunt. “Third grandmother, does Xiao Tianshun have a runny nose whenever he gets cold?” ”

“The third aunt thought that ye Zhuo felt that the child was too dirty, so she quickly walked over to wipe the child’s nose. As she wiped, she said, “Yes, this child has been like this since he was young. I’ve also taken him to the village’s Hospital to have a look, but it’s just not good!” ”

“Ye Zao continued, “I think Little Tian Shun’s symptoms are a little like seasonal rhinitis. Although rhinitis is not a big problem, we still have to treat it as soon as possible. Otherwise, if this continues, the small problem will become a big problem!” ”

“Hearing this, Old Madam Cen quickly nodded and echoed, “Third aunt, Zao Zao is a doctor. You have to listen to her words!” ”

“Hearing this, the third aunt immediately said, “Then what should we do? Do you want to take the medicine or do the surgery?” ”

““Wait a moment, I’ll write a prescription for you. You just have to follow the prescription and give Little Tian the medicine.” ”

Cen Shaoqing had the habit of bringing a pen with him. He immediately handed a pen to Ye Zhuozhuo.

Ye Zhuozhuo took the pen and wrote the prescription on the paper.

"The housekeeper took the prescription and said to old Mrs. Cen, "Old Mrs. Cen, I'll go and get the medicine now." "

"Go and come back quickly." Old Mrs. Cen nodded.

"The third aunt immediately stood up. "Haifeng's mother, Shaoqing's wife, how, how can I thank you!" "

"Old Mrs. Cen patted the third aunt's hand. "We're all on the same side, there's no need to thank me." "

"At this moment, the housekeeper came in with a snakeskin bag. "Third old Mrs. Cen, you brought this here, right?" "

"Third aunt stood up a little awkwardly. "Yes, I brought it here! There are some home-grown vegetables inside..." third aunt couldn't continue, her face was boiling hot, and she felt that the things she brought were not presentable. "

"Old Mrs. Cen smiled as she walked to the housekeeper's side and took the snakeskin bag, "The home-grown vegetables are good. I'd better take this bite! Right now, all the vegetables in the city have been wrapped up by pesticides. Vegetables don't have the smell of vegetables, and radishes don't have the smell of radishes. Organic vegetables like ours, grown at home, can not be bought even if you have money!" "

"As she said this, old Mrs. Cen opened the snakeskin bag and said, "Third aunt, you even brought chicken for our family!" The chicken had been cleaned. "

"Hearing Old Mrs. Cen's words, the third aunt felt much less uneasy. She walked over and said, "Well, as long as you don't mind it!" "

""We are more than happy! How Can We Mind It!"Old Mrs. Cen said with a smile, "This kind of chicken is called walking chicken in the city. The stew is delicious. You Can't buy it even if you have money." "

"Ye Zao walked over with a smile, "Then I will drink two more bowls of soup tonight! Ah, there are potatoes too! I like spicy and sour shredded potatoes the most!" "

"Old Mrs. Cen said with a smile, "Ask the kitchen to burn all these dishes tonight." "

Third aunt looked at Old Mrs. Cen and then looked at Ye Zao. Her eyes were a little red. It would be a lie to say that she was not touched.

"Ever since their son and daughter-in-law and grandson's daughter-in-law had been in trouble one after another, the people who were on good terms with their family in the past had all changed their faces. They were afraid that their great-grandfather and grandson would touch them. This time, when they came to the Cen family., the third aunt was also very anxious. Who would have thought that the CEN family was still so kind and humane! "

"Chapter 1579: 238: fed a belly full of dog food, showing affection in public"

""Haifeng's mother, thank you, thank you for not rejecting us."The third aunt held Granny Cen's hand tightly, her voice close to choking."

"Granny Cen smiled and patted the third aunt's shoulder, "His third aunt, life has its ups and downs. It will be fine once we get over this hurdle! Didn't spongebob say that today's unhappiness will end here? Tomorrow will still be shining brightly, baby!"At the end of her speech, old Mrs. Cen even imitated spongebob's voice. It was vivid and lifelike."

The third aunt broke into a smile. "You! You're still the same as when you were young!"

"This is called not aging at all!"Old Mrs. Cen said.

“In the evening, Ye Zhuo stayed at the Cen residence for dinner.”

“After dinner, Old Mrs. Cen personally brought the third aunt and Xiaotian to the guest room. Considering that the old lady didn’t know how to use the bathroom and other electrical appliances in the guest room,. Old Mrs. Cen then taught her step by step, “Her third aunt. This is the bathroom. It’s where you take a bath and wash your face. This is the toilet...””

““If you need anything, just pick up this microphone and press this button. It’s the button that has a small person drawn on it. Just tell them and they will bring it up.””

““Okay, sorry to trouble you guys!”The third aunt was very embarrassed.”

““It’s okay, it’s okay. We’re all on the same side.”Old Mrs. Cen continued, “By the way, these are the pajamas I prepared for you guys, as well as a change of clothes! “I still say the same thing. Since You’ve come to my place, you and Little Tianshun should treat this place as your own home. If you guys are so polite to me, I will definitely be angry! “Don’t say thank you either. With our relationship, saying thank you would be too distant!””

The third aunt swallowed her ‘thank you’and held onto Old Lady Cen’s words tightly. She remained silent and did not say anything.

“After chatting with the third aunt for a while, Old Lady Cen came downstairs.”

Ye Zhuo and Cen Shaoqing were sitting on the sofa watching television.

Old Lady Cen walked over and sighed. “Your third grandmother is really too pitiful! She has taken up all the hardships of life by herself.”

Ye Zhuo frowned slightly. “What’s wrong with third grandmother?”

Old Mrs. Cen then explained what had happened to third aunt.

"Hearing this, Ye Zhuo sighed. "Then let's treat third grandmother better! It's not easy for the old lady, and Little Tianshun is still so young. If we can help more, we can help more!"

"Old Mrs. Cen nodded. "Yezi, you're thinking the same thing as me! We're really not a family. We don't enter the same house!"

"After saying that, old Mrs. Cen continued, "By the way, Shaoqing, are you going to your little aunt's house tomorrow?"

The little aunt's name was baizhi. She was old Mrs. Cen's biological sister and was not far from Bai Shu's place.

Cen Shaoqing nodded. "Yes."

"Old Mrs. Cen continued, "Help me pass a message to her. Tell her to take good care of herself. After the guests leave, I'll go to south city to see her."

Cen Shaoqing raised his eyebrows in surprise. He did not think that this was what old Mrs. Cen had said.

"Old Mrs. Cen had some conflicts with Baizhi in the early years. The two of them had not been in contact for more than ten years. However, both of them had strange temperaments. If you don't talk to me, I Won't talk to you."

"Old Mrs. Cen sighed. "After meeting your third grandmother today, I've realized that this life is nothing! "I don't need to compete with anyone. No one knows who will arrive first tomorrow or by accident. I'm your aunt's elder sister. All these years, it's all my fault. As an elder sister, I should give in to my younger sister! "This sister only has one life. How can there be an afterlife? "We're all so old. Who knows when we'll leave one day!"

"Thinking back on this life, it felt like a dream."

Some things seemed to have just happened yesterday.

“Cen Shaoqing smiled and said, “I’m relieved that you can think this through.””

Old Mrs. Cen nodded. “Take care of your safety on the road tomorrow. Have you arranged everything for the chauffeur over there?”

“Yes.” Cen Shaoqing nodded slightly.

...

“In the blink of an eye, it was the next morning.”

Cen Shaoqing arrived at the Lin family manor on time at six o’clock and had breakfast with the Lin family.

“Looking at the pile of vegetables in front of Cen Shaoqing, Ye Shu could not help but say, “Shaoqing, how can you eat vegetables all the time! Come, have some Bacon and ham!””

“”Thank you, Auntie.” Cen Shaoqing thanked her politely.”

Ye Zhuo casually placed the egg yolk that he had taken a bite into Cen Shaoqing’s bowl. Cen Shaoqing did not mind and picked it up to eat.

“Lin Ze, who had been fed a stomach full of dog food:” ...”when Cen Shaoqing was not around, ye Zhuo’s egg yolks were all taken by him! Although he did not like to eat egg yolks, now that the egg yolk had entered cen Shaoqing’s stomach, Lin Ze felt a little uncomfortable.”

He still could not figure out how an old man like Cen Shaoqing had managed to seduce such a beautiful girl like him?

“As he thought about it, Lin Ze recalled the time when he was three years old and was pressed into the swimming pool by Cen Shaoqing.”

Did Cen Shaoqing really not know how to be violent?

What if ye Zao could not beat him?

“Cen Shaoqing felt a headache when he felt the loving gaze of his future brother-in-law. Once again, he regretted that he did not place his brother-in-law on the altar that year.”

“As a proud son of heaven, this was the first time Cen Shaoqing felt like he was trapped in a cocoon...”

“Fortunately, Breakfast ended very quickly. At half past six, the two of them left the Lin family manor on time.”

“At eight o’clock, they arrived at the airport.”

“After a five-hour flight, the plane arrived at South city.”

“As soon as they got off the plane, Ye Zao felt the heat of south city and took off his coat.”

Cen Shaoqing took the coat and put it in his arms. He held ye Zao’s hand with his other hand. “Let’s go this way.”

“Okay.”Ye Zao nodded slightly and followed Cen Shaoqing’s footsteps.

The driver was waiting at the airport.

“Master Five.”

“Seeing Cen Shaoqing with a female companion, the driver was stunned. He had never seen master five with a female companion in the past. Why did he have a female companion this year? And she was so beautiful! Could she be a girlfriend?”

“Cen Shaoqing nodded slightly, handed the suitcase to the driver, and opened the car door for ye Zhuo.”

The driver was even more surprised.

Amazing.

Really Amazing.

Who Was this little girl?

Why did he see a hint of fawning on master five?

He really did not expect that there was actually someone in this world that master five needed to fawn over.

“The driver got into the car with a nervous and curious mood, so he was fed dog food for the entire journey.”

“Soon, the car arrived at Bai Shu’s house.”

Bai Shu looked at the time and greeted the juniors at home. “Shaoqing is coming with his girlfriend in a while! You guys better be careful! Did you hear that? Don’t be rude.”

“”Got it, Grandma.””

“Just as Bai Shu finished her instructions, the housekeeper brought Cen Shaoqing and ye Zao in. “Old Madam, fifth master and Miss Ye have arrived.””

Bai Shu smiled and went up to greet them. “Zao Zao.”

“At the same time, an unbelievable voice sounded in the air. “Ye Zao? !””

“Chapter 1580: 239: it’s actually her, making things difficult in public. What is there that she doesn’t know? (there’s something else to say.)¹”

Ye Zao raised his eyes slightly and saw a face that was not unfamiliar.

The expression on the other party’s face was somewhat complicated.

“Shock, doubt, disbelief, and even more disbelief. ”

Ye Zao!

How could she see ye Zao Here!

What was this place?

What qualifications does ye Zao have to come here?

Who Is She?

Zeng Rou couldn’t believe her eyes.

An illusion.

It must be an illusion.

This is the Zhao family of the south city.

What kind of family is the Zhao family?

The number one family in the south city.

“The Zhao family’s old lady’s surname is Bai, and her name is Bai Shu.”

Bai Shu and Bai Tang are cousins.

Who Is Bai Tang!

That is the CEN fifth master’s grandmother of the Cen family of the capital city.

How could the Zhao family and the CEN fifth master be ordinary families?

Even Zeng Rou was related to the Zhao family because of her cousin.

“Zeng Rou’s cousin, Zeng Qiuwen, became the mistress of Bai Shu’s third son, Zhao Jiadong. Not long ago, Zhao Jiadong divorced his first wife and married the pregnant Zeng Qiuwen. In order to climb up the Zhao family tree, Zeng Qiuwen’s parents, zeng Qiuwen then brought her cousin, Zeng Rou, to the Zhao family for the New Year.”

“In fact, Zeng Qiuwen had her own plans.”

“She was a mother who valued her child. If it were not for the child in her belly, she would not have been able to marry Zhao Jiadong successfully. She could not stand firmly in the Zhao family just by

relying on the child in her belly. She had to have an ally in the Zhao family. What a pity.., the people in the Zhao family all pretended to be high and mighty. They didn't take a fancy to a woman who was a mistress. Although they didn't say anything on the surface, they were secretly ostracizing her and mocking her. "

"Coincidentally, at this time, uncle and aunt came looking for her, so Zeng Qiuwen went with the flow and helped Zeng Rou. "

"Zeng Rou's own circumstances were not bad. She was studying in a university and had a pretty face. There was no trace of a knife being used on her face. As long as she worked hard, she would definitely be able to marry into the Zhao family. When that time came.., she also had someone in the Zhao family who could sit together and discuss things. "

"Ye Zao smiled faintly and said in a clear and shallow tone, "Long time no see." "

"It was a very soft sentence, but it was loud and clear. "

Only when ye Zao opened his mouth did Zeng Rou dare to believe that it was true.

It was really ye Zao!

Oh My God.

"At this moment, Zeng Rou's eyes widened as if she had seen something terrible. "

"Seeing this, Bai Shu turned to look at ye Zao and said with a smile, "Zao Zao, do you know Zeng Rou?" "

"Ye Zao nodded slightly. "Not only do we know each other, we were good friends before." "

Wasn't the original owner 'good friends' with Zeng Rou before?

“However, the original owner treated Zeng Rou as a good friend, but Zeng Rou and Lin Wuyue treated the original owner as a fool and played the original owner like a fool. ”

“Hearing this, Bai Shu smiled and said, “That’s great! I was worried that you would be unfamiliar when you came here! Zeng Rou, come over quickly!” ”

“For some reason, when Zeng Rou heard the words ‘good friend’, she shivered. ”

What did ye Zao Mean

Was she still the same ye Zao from before?

“She clearly still had that face, but the feeling she gave off was very different from before. ”

“Thinking about the few thousand yuan that ye Zhuo had cheated her of, Zeng Rou gnashed her teeth in hatred. ”

“She, Zeng Rou, had never suffered a loss in her life. She had always been the one who cheated others. When had others ever cheated her? ”

Ye Zhuo was the first person to cheat her of money.

Even though it was only a few thousand yuan.

“It was not very harmful, but it was extremely insulting! ”

“Seeing that Zeng Rou was still standing where she was, Bai Shu smiled and said, “Zeng Rou, what’s wrong with you? Come over quickly!” ”

Only then did Zeng Rou react. She walked forward and smiled. “Long time no see!”

“Bai Shu then introduced the family members to Ye Zao. “Zao Zao, this is your eldest uncle’s son’s youngest son, Zhao Ah Niu. This is Ah Niu’s sister, Zhao duo duo Duo! This is your eldest aunt’s youngest daughter, Yuan Fei.” ”

“”Hello, cousin-in-law. You can call me ah Niu.” ”

“”Cousin-in-law, I’m duo Duo. You can just call me duo duo.” ”

“”Cousin-in-law, I’m Yuan Fei. You can call me Feifei.” ”

“These three people were all a few years older than ye Zao, but Cen Shaoqing was older than them. They could only call her cousin-in-law. Just like when Cen Shaoqing came to the Lin family, he had to follow behind ye Zao and call everyone brother whenever he saw them. ”

“Yuan Fei looked at ye Zao and said with a smile, “I’ve long heard from Grandma that cousin-in-law is very beautiful. Now that I’ve met her, cousin-in-law is indeed more beautiful than a fairy! I’ve learned a lot!” ”

“Thank you.”Ye Zao looked at Yuan Fei. “You’re also very beautiful.”

“Yuan Fei was very happy to be praised as beautiful by beautiful people. She covered her face with her hand and said, “Really?” ”

“Of course it’s true!”Ye Zao nodded slightly.
