Chapter 1891: 382:5th master? Poor relative? 4

Inviolable.

“Ye Zhuo sighed and said, “What a pity! I was planning to catch two of them and bring them back.” ”

“Just feel the scene of hitting a robe and ladling fish.”Cen Shaoqing held ye Zhuo’s hand. “The important thing is to participate.”

“Okay.”Ye Zhuo nodded slightly.

“Since they had come to the grassland, they had to respect the local customs. They could not break the traditional rules just because of her alone. ”

Li Shuyi came to the Li family again.

““Little uncle, little aunt.” ”

“Fang yinyue smiled and said, “Shuyi, you must have something to tell us, right?” ”

“Li Shuyi nodded. “Not only something, but also a happy occasion.” ”

“What happy occasion?”Li Sanzhu asked curiously.

“Li Shuyi smiled and said, “It’s about sister Yueyue’s happy occasion.” ”

“Speaking of this, Fang yinyue roughly knew why Li Shuyi came.”

“Li Yueyue was only in her third year, so Fang yinyue didn’t want Li Yueyue to leave her so early. He continued, “Shuyi, are you trying to introduce Yueyue to someone?” ”

Li Shuyi was stunned. She didn’t expect Fang yinyue to see through her thoughts. She smiled and nodded. “Yes.”

“Fang yinyue looked at Li Shuyi and continued, “It’s a good thing to introduce Yueyue to someone. However, Yueyue is still young. Most importantly, she hasn’t graduated yet. Your uncle and I want her to stay with us for two more years.” ”

Parents didn’t want their children to leave them too early.

“This was especially true for girls. Once they got married, they would return home to their parents, and the number of times they would return home would gradually decrease.”

Li Shuyi felt that Fang yinyue was a little hypocritical.

“She clearly wanted to introduce someone with a good family background to Li Yueyue, but she wanted to make it seem like she couldn’t bear to part with Li Yueyue.”

Just wait and see.

“After she revealed John’s family background, Fang yinyue would definitely nod and agree impatiently.”

“After all, John was from the Jones family.”

The Jones family was an unattainable noble family. What right did a mere li family have to compete with the Jones Family?

To be able to marry into the Jones family was a blessing that the Li family had cultivated for countless lifetimes.

“Li Shuyi maintained her smile and continued, “Little aunt, I know what you mean. You haven’t listened to me.” ”

““Speak,” Fang yinyue said. ”

“Li Shuyi continued, “The man is my cousin. “You should know about my mother’s background. My mother was born in the Jones family and is one of the top noble surnames in C Nation. “Once the matter between yueyue and my cousin John is settled, she will be my cousin-in-law and the future mistress of our family.” ”

“At this point, Li Shuyi paused, then, she said, “Little aunt, don’t worry. My cousin is very handsome. I guarantee that he will not mistreat yueyue. If Yueyue is not my cousin, I really can’t bear to introduce her to my cousin.” ”

“There was no change in Fang yinyue’s expression. She continued, “Shuyi, I know what you mean, but you may not understand what I mean.” ”

“Although Li Shuyi had taken the name of a Chinese, she did not have a deep understanding of Chinese culture. Fang yinyue’s words stunned her. She thought that Fang yinyue would be grateful for her words. ”

“She did not expect Fang yinyue to not be grateful. Instead, he put on a fake smile. ”

““Young aunt, I don’t understand what you mean,” Li Shuyi stood up and said. ”

“Fang yinyue said, “Shuyi, I’ve already made it very clear just now. I don’t want to let Yueyue get married so early.” ”

Don’t want to let Yueyue get married so early?

Li Shuyi waited for a moment and looked at Fang yinyue in disbelief. Fang yinyue didn't know what she was talking about!

“Young aunt, my cousin is the legitimate heir of the Jones family. He's not some random person.” Li Shuyi continued, “As Yueyue's cousin, I definitely won't harm Yueyue. It's said that the good water shouldn't flow to outsiders. Otherwise, I definitely won't introduce Yueyue to my cousin.”

She thought that Fang yinyue definitely didn't fully understand the meaning of her words.

That was the Jones family!

A statement and status that many Chinese people dreamed of.

“Now, this big pie fell on Li Yueyue's body, but Fang yinyue was unmoved.”

This was somewhat unexpected.

“No matter what, Fang yinyue shouldn't have this expression.”

“Fang yinyue smiled at Li Shuyi, then, she said, “Shuyi, I know you're doing this for Yueyue's good. But your uncle and I really don't want Yueyue to get married so early. Moreover, we don't want her to get married too far away. Let alone overseas, even if she crosses provinces, your uncle and I can't stand it.”

Chapter 1892: 382:5th master? Poor relative? 5

“As a parent, none of them could accept their daughter marrying far away.”

“Not to mention the Jones family, even if the other party was a prince of C Nation, Fang yinyue would refuse without hesitation.”

Didn't want Li Yueyue to marry too far away?

What did Fang yinyue mean?

Deliberately taking advantage of Qiao?

“But thinking of her cousin's request, Li Shuyi still held her temper and said, “Little aunt, the traffic is so convenient now. Whenever you want to see Yueyue, just fly a plane over to see her!” ”

“Li Sanzhu, who had been silent all this time, opened his mouth at this time, “Shuyi, do you have anything else?” ”

““What's the matter, uncle?”Li Shuyi looked at Li Sanzhu. ”

“Li Sanzhu continued, “If you have nothing else to do, go back and rest early.” ”

“Li Shuyi did not understand the Chinese euphemism. She only thought that Li Sanzhu was simply asking her to go back and rest. She continued, “Little uncle, what do you think about Yueyue's matter? Should we arrange for both your parents to meet, or...” ”

““What your aunt means is what I mean.”Li sanzhu frowned and said, “I'm the same as her. We don't really want Yueyue to get married far away. Moreover, Yueyue is still young. We don't want her to get married too early.” ”

Li Shuyi's expression was a little ugly.

“After all her calculations, she did not expect Li Sanzhu and Fang yinyue to have such a reaction! ”

It was a little disgusting!

They really thought that Li Yueyue was something.

“If it was in the past, how would John have taken a fancy to Li Yueyue?”

“But now, they were under the same roof and had no choice but to lower their heads.”

They were faking it.

They were definitely faking it.

Being able to marry into the Jones family was simply a blessing that Li Yueyue had cultivated in her past life. How could Li Sanzhu and Fang yinyue bear to reject it?

The reason why they reacted like this was nothing more than to raise their status again.

They really thought that she didn't understand their little tricks.

“Li Shuyi put on a fake smile and continued, “Little uncle, little aunt, then I Won't disturb you.” ”

“En.”Li Sanzhu nodded.

“Fang yinyue looked at Li Shuyi's departing figure and snorted coldly, “Look, this is your good niece! What's This!” ”

Li Sanzhu's face was also a little embarrassed.

He did not expect his second brother's family to have such thoughts.

“In the business world, everyone knew that the Jones family had long fallen into disarray. Ever since the new king took over, the Jones family’s power had started to crumble bit by bit. ”

The current Jones family was just a facade.

The reason why the Jones family looked for Li Yueyue and wanted to form a marriage alliance with the Li family was simply to borrow the power of the Li family.

“Obviously, the Jones family was daydreaming. It was as if Li Yueyue wanted to throw herself at the Jones family. No one knew where Li Shuyi’s face came from. ”

“Li Sanzhu was very angry, but Li Shuyi was his niece after all. There were some things that could not be directly triggered! ”

“After calming down for a moment, Li Sanzhu turned to look at Fang yinyue, “Yinyue, don’t worry. I will definitely be on the same side as you! I will never let our Yueyue marry into C Nation!” ”

“I don’t even want to talk about your second brother and second sister-in-law!” Fang yinyue was speechless. “Is this what an uncle and aunt should do? It’s really disgusting! Do you know how disgusting it is? They really treat our family as fools! They’re the smartest people in the world!”

“At this moment, Li Sanzhu could only smile apologetically. After all, it was his second brother and second sister-in-law who were at fault. He was not in the right to do this. ”

“On the other side, Li Shuyi ran into Cen Shaoqing and ye Zhuo who had just returned from their trip. ”

Li Shuyi did not say anything. She walked around the two of them and walked over.

Trash’s best friend was also trash!

They were all trash!

“People like Cen Shaoqing and ye Zhuo were obviously the poor relatives that her mother, Linda, had described.”

Such people were the most disgusting.

“At this moment, a slender figure walked over from the side. “Shuyi.” ”

Li Shuyi smiled and looked at the person. “Ai Ru.”

Ai Ru was a Korean woman who had the same face as the Chinese.

“She was mature and elegant. Her plain yellow dress was even more elegant. Ai Ru looked at Li Shuyi and said, “Shuyi, who was that just now? He looks familiar.” ”

“Li Shuyi frowned and asked, “Who are you talking about?” ”

“The man and the woman just now.”

““I don’t know either. He’s my aunt’s poor relative,”Li Shuyi said.” ”

“Ai Ru didn’t care about the word ‘poor relative’. She smiled and said, “It’s not easy for your uncle and aunt.” ”

Chapter 1893: 383: Face slapping comes so quickly! 1

“After Li Sanzhu and Fang Yueyin made their investments and became rich, many poor relatives would come knocking on their doors every year. Not to mention Li Shuyi, even ai Ru was used to it.”

“After a pause, Ai ru continued, “But from the looks of it, they don’t seem to be poor relatives.” ”

Ai Ru only took a glance from afar and did not see the faces of Cen Shaoqing and Ye Zhuo.

“Although she could not see their faces clearly, she could tell from their temperament that they were not the kind of shameless and poor relatives. Ai Ru even felt that they were somewhat familiar. ”

A very familiar feeling.

“Li Shuyi said, “What else can they be if they are not poor relatives? Just my little uncle and aunt’s family, what good relatives can they have?” ”

“The Li family was born as a very ordinary commoner. Looking up, the three generations of their ancestors were all poor people. If it were not for Li Erzhu going to C country and Li Sanzhu getting lucky and becoming rich overnight, the Li family might have been just a poor family now. ”

How could a poor family have rich and noble relatives?

“What about your youngest aunt?” Ai Ru asked.

“Li Shuyi snorted and continued, “Her most powerful relative is a head nurse.” ”

Ai Ru laughed out loud. She finally understood why Li Shuyi looked down on Li Sanzhu and Fang Yueyin’s family.

“Li Shuyi was born rich and noble. Her mother’s relatives were all royalty and aristocrats. She grew up with a silver spoon in her mouth, so it was normal for her to have such thoughts. ”

“As the two of them talked, they walked forward. Ai Ru continued, “By the way, did you tell your uncle and aunt about that?” ”

““Yes,” Li Shuyi said. ”

“How did they react?” Ai Ru asked.

“Speaking of this, Li Shuyi was a little angry, she snorted coldly and said, “What reaction? How else could they react? They deliberately took advantage of Qiao! It was as if they had wronged Li Yueyue! For someone like Li Yueyue to be able to marry my cousin, who knows how many lifetimes she had cultivated her fortune. But they are so good, so disgusting!” ”

“If it weren’t for the fact that Li Yueyue still had some beauty and the Li family still had some money, how could such a good thing happen to Li Yueyue? ”

It was simply a daydream.

“Ai Ru patted her shoulder and said with a smile, “Why bother with that kind of person! Go back and ask Auntie. She will definitely have a way.” ”

“Okay.” Li Shuyi nodded.

“When the two of them went back, Linda was already waiting on the sofa. ”

““You’re back?” Hearing the footsteps, Linda asked without raising her head. ”

“Yes.” Li Shuyi nodded.

“Linda continued, “How is it?” ”

“Li Shuyi walked to Linda’s side and sat down, telling Linda what happened. ”

“Unexpectedly, after Linda heard it, she was not angry at all. Instead, there was a smile on her face.”

“Seeing this, Li Shuyi said, “Mom, aren’t you angry at all?” ”

““What’s there to be angry about?”Linda put the phone on the table and turned to look at Li Shuyi, then said, “Didn’t your uncle not want Yueyue to get married so early? Then let’s do as he wishes.” ”

“Ah! What about cousin?”Li Shuyi was very anxious.

“Linda curled the corners of her lips. “Don’t worry, your uncle won’t be able to sit still. In less than three days, he will definitely come to look for us.” ”

What kind of place was the Jones Family?

“A lean camel was bigger than a horse. Even if the Jones family was down and out now, it was still more noble than the Li family.”

What was the Li Family?

“In front of their Jones family, the Li family was not even considered as mud on the ground.”

Li Yueyue was lucky to be able to marry into the Jones family.

“Are you serious?”Li Shuyi looked at Linda.

Linda nodded. “I’ve been with your father for so many years. I know the nature of Chinese people the best.”

Hypocrisy.

“Li Sanzhu and Fang Yueyin were typical examples. When they learned that Li Yueyue could marry into the Jones family, they were obviously very happy, but they pretended to be unhappy and dissatisfied.”

The purpose of their actions was to make them beg again so that Li Sanzhu and Fang Yueyin could take the opportunity to extort a sky-high betrothal gift.

“Not only were they hypocritical, but they were also disgusting.”

“Li Shuyi said with some worry, “What if they don’t Come?” ”

““Don’t worry, they won’t not come,”Linda said.”

“With Li Sanzhu and Fang Yueyin, who were greedy for money, how could they not come?”

Could they just miss out on this marriage.

“After all, as long as Li Yueyue married John, she would be a member of the Jones family in the future. No one would be able to stand shoulder to shoulder with her.”

“Seeing her mother like this, Li Shuyi did not say anything else.”

Chapter 1894: 383: Face slapping comes so fast! 2

“Chinese people were greedy by nature. Logically speaking, Li Sanzhu and Fang Yueyin would not miss out on this good marriage.”

On the other side.

“Not long after ye Zhuo and Cen Shaoqing returned from enjoying the snowy scenery, Li Yueyue came to ye Zhuo’s room and knocked on the door.”

““Da Zhuozhuo, are you there?” ”

“Ye Zhuo put down the mouse in his hand and raised his eyes slightly. “I’m inside. Yueyue, come in.” ”

“Li Yueyue pushed the door open and entered. She placed the fruit plate in her hand beside ye Zao. “Da Zao Zao, did you go out to play with master five today?” ”

Ye Zao nodded slightly. “We went out for a walk.”

“When are you guys going back?”Li Yueyue continued to ask.

““On the 25th of December,”ye Zao answered. ”

“On the 25th of December?”Li Yueyue asked.

“Yes.”

“Li Yueyue continued, “Why don’t you guys go back later. “The 28th of December is the new year on our grassland. There will be a lot of activities on that day. It’s rare for you guys to come to the grassland. You guys can go back after the 29th of December. “On the 27th of December, we can go shopping at the bazaar. At that time, many vagrants will come here to set up stalls.” ”

“It sounded quite interesting, but ye Zhuo had already discussed with CEN Shaoqing about going back on the 25th. “How about this? I’ll discuss it with Cen Shaoqing later.” ”

““Okay.”Li yueyue nodded and continued, “By the way, this is a Garbo fruit. I heard from my mom that it’s very rare. Try It.” ”

“The Garbo fruit was the same size as a grape, and its color was the same as a grape. It was purplish-red and looked somewhat tempting.”

“Ye Zhuo picked up a cabernet fruit and gently chewed it open. The juice flowed in all directions, making it sweet and delicious.”

“How does it taste?” Li Yueyue asked.

“It’s Delicious.” Ye Zhuo nodded.

“Li Yueyue smiled and said, “I knew you would like it. That’s all for now. I Won’t disturb you while you’re working.” ”

“It’s okay. I’m not busy now.” Ye Zhuo smiled. “Let’s sit down and talk.”

“Okay.” Li Yueyue nodded and chatted with ye Zao.

“Half an hour later, ye Zao sent Li Yueyue out.”

“Li Yueyue came downstairs. Fang yinyue was watching TV. When she saw her coming down, she immediately stood up and said, “Yueyue.” ”

“What’s Wrong?” Li Yueyue asked.

“Fang yinyue continued, “Do you like Jia Bao Guo, Miss Ye?” ”

“Jia Bao Guo was not a fruit of this season. In order to get some fresh Jia Bao Guo, Fang yinyue had also put in some effort.”

“I like to eat it very much.” Li Yueyue nodded.

“Hearing that, Fang yinyue smiled and said, “That’s great. There are still some in the preservation cabinet. Remember to send them up later.” ”

“There’s more?” Li Yueyue looked at Fang yinyue with a face full of question marks. “Didn’t you say that there were no more?”

“Just now, she had only eaten two more, but Fang yinyue didn’t let her eat any more. She said that the food was precious, so she bought a few. Because Jia Bao fruit wasn’t easy to grow, the yield was low, and now it was out of season, so the price was very expensive, they were all sold according to the number of grains.”

“The price of just one grain was raised to a three-digit price. Those with good quality were even raised to a four-digit price, and this didn’t include the transportation costs.”

“Fang yinyue said, “I’m just afraid that if miss ye likes to eat, our family won’t have any more.” ”

“The children on the prairie were very hospitable. Even if they did not eat, they had to leave it for the guests to eat.”

“Moreover, Ye Zhuo’s status was noble, so she could not be wronged when it came to eating.”

“After saying this, Fang yinyue said again, “Did you send it to Lord Fifth?” ”

“Li Yueyue said, “Lord Fifth is a man after all. It’s not suitable for a girl like me to go. I’ll get the housekeeper to send it.” ”

“That’s fine.” It didn’t matter who sent him off. What was important was that he couldn’t neglect the honored guest.

“After Li Yueyue left, Ye Zhuo turned on his computer and busied himself for about an hour. Then, he came to the door of Cen Shaoqing’s room.”

He knocked on the door with his fingers.

“A moment later, a deep and magnetic voice came from inside. “Come in.” ”

Ye Zhuo pushed the door open and entered.

“As soon as he entered, he saw Cen Shaoqing holding a Buddhist bead in one hand and a cell phone in the other. He stood in front of the French window and looked out at the vast expanse of whiteness as if he was talking to someone. There was a sense of oppression in the air. ”

“Adults should pay the price for what they have done. No one can say anything about this. Be careful on the road.”

“Ye Zao walked to the side and sat down. When he saw that Cen Shaoqing’s table had a plate of Jia Bao fruits, he picked one up and tasted it. ”

“About a minute later, Cen Shaoqing hung up the phone and walked to ye Zao’s side. He lowered his voice and asked, “What instructions do you have, leader?” ”

“His voice had always been pleasant to listen to and was full of magnetism. At this moment, his deliberately lowered voice was even more pleasant to the ear. ”

Chapter 1895: 383: that’s how fast face slapping comes! 3

It was especially pleasant to hear.

“Ye Zhuo looked up at him and said in a clear and shallow tone, “I want to discuss something with you.” ”

Cen Shaoqing lowered his eyes slightly and the corners of his mouth curled up. "Just inform the leader directly if there's anything."

"Ye Zhuo did not want to quibble with him, he smiled and said, "Yueyue just came over to look for me. She said that on the grasslands, it's always the 28th of the twelfth lunar month before the New Year. She suggested that we stay and wait until the 29th of the new year before leaving. Is there any problem on your side? "If there is no problem, I want to stay on the grassland and wait until the New Year." "

"No problem," Cen Shaoqing said. "Leader, you can decide on such a small matter." "

"Really?" Ye Zhuo raised his eyebrows slightly.

"Really, there is no problem," Cen Shaoqing said. "The new year on the grassland should be very lively." He was not a person who liked to join in the fun. People who liked Buddhism liked peace and quiet. Ever since he was with Ye Zhuo., he had forgotten how to write the word peace and quiet. "

This kind of experience was very wonderful.

He had experienced all the things that he thought he would never experience before.

"Although his face hurt a little, he was really satisfied. "

"Ye Zao nodded slightly. "Yes, Yueyue said the same thing. So it's settled then?" "

"Yes."

"Ye Zao continued, "I'll Call My mom and tell them." "

Cen Shaoqing nodded slightly. "I'll let Grandma Know later."

Time passed by a little too quickly.

“In the blink of an eye, two days had passed.”

“During these two days, Li Sanzhu and Fang Yueyin had not made a single move. This made Li Shuyi a little anxious. She walked to her mother’s bedroom and said, “Mom, didn’t you say that they would definitely come to look for you within three days?” ”

“Linda was busy putting on her face mask. When she heard this, she looked at Li Shuyi and said, “I said three days. How many days is it now? Why are you in such a hurry?” ”

“But it’s already been two days.”Linda frowned. “What if they don’t Come?”

““They won’t not come.”Linda narrowed her eyes. “Tomorrow, they will definitely come tomorrow.” ”

She understood the nature of the Chinese people too well.

They were extremely greedy.

Many people had gone to great lengths to obtain the nationality of C Nation. How could Li Sanzhu and Fang Yueyin let go of this opportunity for nothing?

This was a great thing that could reach the sky in one step.

““Mom, are you sure that they will really come tomorrow?”Li Shuyi asked in disbelief. ”

“Yes.”Linda nodded with great confidence.

“Li Sanzhu and Fang Yueyin were real bumpkins. They were born in humble circumstances. Now that an opportunity to change their fates was right in front of them, how could these two let it go? ”

“After saying that, Linda looked at Li Shuyi and said unhurriedly, “How many times have I told you to be calm when you encounter things? Don’t be like your father, like a country bumpkin from the countryside! You don’t have the slightest bit of knowledge!” ”

“Although Linda liked Li Erzhu very much, it was true that she did not like Li Erzhu from the bottom of her heart.”

But who asked her to love Li Erzhu?

True love could surpass all obstacles.

Regardless of height or status.

Li Shuyi nodded. “Got it.”

Her mother was right. Perhaps this was a trap set up by Li Erzhu and Fang Yueyin.

They must not fall for it!

“After a while, Linda turned to look at Li Shuyi and continued, “Right, if they come to see me tomorrow, you can say that I’m not here.” ”

“Why?”Li Shuyi did not understand Linda’s intention.

“Linda smiled and continued, “Don’t they like to keep people in suspense? Then let them keep it up!” ”

“She had to make Li Sanzhu and Fang Yueyin, this disgusting couple, behave! ”

“Otherwise, she wouldn’t have come from the Jones family! ”

“Thinking of this, the corners of Linda’s lips curled up.”

“Li Shuyi instantly understood her mother’s intentions and continued, “Alright, I got it.” ”

Linda nodded.

“Li Shuyi continued, “Mom, I’ll go out first.” ”

“Go Out.” Linda waved her hand.

Li Shuyi went outside.

“Ai Ru walked over and asked, “How is it?” ”

““Don’t worry, My mom knows what she’s doing.” Li Shuyi said, “My mom said that they will definitely come looking for me personally tomorrow! However, my mom will definitely not agree so easily.” ”

“Ai Ru said, “That’s good.” ”

“At this moment, a servant came over and said, “Miss. .” ”

“What’s the matter?” Li Shuyi asked.

“The servant continued, “Third mistress is here. She said that she has something to ask Madam.” ”

Third Mistress?

Fang Yueyin!

“Hearing this, Li Shuyi’s eyes lit up. A moment ago, she had been worried that Fang Yueyin would not come and beg them. She had not expected that Fang Yueyin would come so quickly. ”

Chapter 1896: 383: Face slapping comes so quickly! 4

“Thinking of Linda’s earlier instructions, Li Shuyi continued, “Where is she now?” ”

““She’s in the living room downstairs,”the servant replied. ”

“Linda said, “I’ll be right down.” ”

“With that, Linda walked downstairs. ”

“Fang Yueyin stood there and when he saw Li Shuyi, he smiled and said, “Shuyi, where is your mother? I have something to discuss with your mother.” ”

“Li Shuyi said, “I’m sorry, Aunt. My mother is not at home due to some matters.” ”

““Not at home?”Fang Yueyin said with some disappointment, “Then where did she go?” ”

““I’m not too sure about that either,”Li Shuyi said with a smile. “It’s the same if you tell me anything.” ”

“Fang Yueyin said, “I can’t explain this to you. You still have to tell your mother. is your mother coming back tonight? Why Don’t I Come Back Tonight?” ”

““Alright, you can come back tonight. I Can’t guarantee whether my mother will be home or not,”Li Shuyi said. ”

“Okay.” Fang Yueyin nodded and turned to leave.

“After Fang Yueyin left, Li Shuyi immediately ran upstairs and told Linda about this.”

“Hearing this, Linda’s lips curled into a smile. “What did I say?” How could Li Sanzhu and Fang Yueyin let such a good thing go! !”

“Li Shuyi said, “You’re really amazing! Oh right, my aunt said that she would come over again tonight. Do you want to see her tonight?””

“Linda smiled and said, “Since she’s so sincere, I’ll see her tonight.””

““Okay.” Li Shuyi nodded. “If she comes again tonight, I Won’t stop her.””

“At night, Fang yinyue arrived as expected.”

“Li Shuyi looked at fang yinyue and said, “Little aunt, please wait a moment. I’ll go look for my mom.””

“Okay.” Fang yinyue nodded.

Li Shuyi went upstairs to look for Linda.

“Linda didn’t go downstairs immediately. Instead, she deliberately waited for about twenty minutes.”

“She thought that Fang yinyue would be angry. Unexpectedly, when she went downstairs, not only did Fang yinyue not get angry, he even greeted her with a smile.”

“Thinking about it, it was normal. After all, Fang yinyue was the one who had asked her to do it!”

“Sister-in-law, I’m sorry. I just received a call. It took you such a long time.” Linda walked over. ”

“It’s nothing.” Fang yinyue smiled and said, “I don’t have anything to do either.” ”

“Linda continued, “Why didn’t I Make Tea For You? Where’s the Butler? Quickly go and make tea for third mistress.” ”

“Fang yueyin smiled and said, “We’re all family. It doesn’t matter whether we have tea or not. I came here today because I have something to discuss with you.” ”

Something to discuss?

It was obvious without even thinking. It must be because of the matter between Li Yueyue and John.

It was just that she did not know how Fang Yueyin would say it.

“If it was her, she definitely would not know how to say it. ”

“Linda said, “What is it, sister-in-law? Speak.” ”

Fang Yueyin looked at Linda and prepared his lines in his heart.

“Seeing Fang yinyue like this, Linda was even more pleased. When Fang yinyue rejected Li Shuyi, why didn’t she think of this now? ”

Just wait.

She would definitely embarrass Fang yinyue later and let Fang yinyue know how amazing she was.

“After a moment, Fang yinyue continued, “Second sister-in-law, I heard that mom is coming back?” ”

Mother?

Old Lady Li?

“Linda was stunned. She had thought that Fang yinyue would definitely mention Li Yueyue, but she didn’t expect Fang yinyue to actually mention Old Lady Li. ”

“Linda frowned without leaving a trace, then she said, “I think so. You know mother. She has always looked down on us daughters-in-law. If there’s anything, she would discuss it with your second brother. As for her, I’m not too sure either. Oh right, sister-in-law, didn’t you say that you have something to discuss with me? Just say it directly.” ”

“In this world, the most difficult relationship was always that of a mother-in-law and daughter-in-law. ”

“Fang yinyue said, “That’s what I want to talk about. I heard that mom will be staying in the country to retire in the future.” ”

What?

Fang yinyue actually came today for the matter of Old Lady Li’s retirement!

Then what about Li Yueyue’s matter?

“Linda maintained the smile on her face and continued, “It should be like this. I’m not too sure about the specific situation. Sister-in-law, since you’re here today, don’t you have anything else to discuss with me?” ”

“After saying this, Linda paused and said, “We’re all family. Don’t feel embarrassed. Just say what you have to say.” ”

“Fang yinyue said, “That’s all. But since sister-in-law doesn’t know, I won’t ask anymore. I’ll get Sanzhu to contact country c.” ”

She didn’t want to bother with the old lady’s matters anymore.

Chapter 1897: 383: that’s how fast face slapping comes! 5

“After saying that, Fang yinyue stood up from the sofa. “Sister-in-law, that’s all for now. I Won’t Disturb Your Rest.” ”

“Looking at Fang yinyue’s departing figure, Linda was a little stunned. She couldn’t even figure out what was going on! ”

Why did Fang yinyue go back!

“If Fang yinyue went back, then what about John and Li Yueyue? ”

“But now, she didn’t say a word. ”

Could it be that Fang yinyue and Li Sanzhu really didn’t want Li Yueyue to marry over?

No.

That was impossible!

“Linda pinched her fingers, feeling complicated. ”

She didn’t know why things had turned out this way.

This result was beyond her expectations.

“At this moment, Li Shuyi walked over from behind and said excitedly, “Mom, has the matter between cousin John and Li Yueyue been settled?” ”

“Hearing this, Linda’s expression didn’t look too good. ”

“Seeing this, Li Shuyi said, “Mom, what happened?” ”

“Linda said, “She didn’t come to talk about this just now.” ”

“Then why did she come?”Li Shuyi asked.

Linda’s heart was in a mess. “She came for your grandmother. Didn’t she make a fuss about going back to the country to retire?”

“Ah?”Li Shuyi’s face was also full of surprise.

“After saying that, Li Shuyi continued, “Mom, do you think she did it on Purpose?” ”

“If it was a few hours ago, Linda would have thought that Fang yinyue did it on purpose. ”

“But now, it seemed that Fang yinyue and the others didn’t do it on purpose. ”

They really didn’t seem to agree to Li Yueyue marrying into the Jones family.

The Jones family was one of the top ten old aristocrats in C nation. Why would they disagree?

Linda frowned. She had wanted to use Li Yueyue to change the fate of the Jones family. She did not expect such a thing to happen now.

On the other side.

“Tomorrow was the 28th of December. Li Yueyue gave ye Zao a bag. “Da Zao Zao, Guess What’s Inside?” ”

“Ye Zao looked at the bag and said, “Is it delicious?” ”

“In the past few days, Li Yueyue had always liked to give her all kinds of delicious food. ”

“That’s not right.” Li Yueyue shook her head.

“Dessert?” Ye Zhuo continued to ask.

“Li Yueyue smiled and said, “I already said it’s not delicious.” ”

“Other than the food and dessert, Ye Zhuo couldn’t think of anything else. He smiled and said, “Why don’t you just tell me directly?” ”

““It’s clothes.” Li Yueyue opened the bundle and took out a red dress. “Da Zhuozhuo, look. This is the national characteristic of our prairie for the New Year.” ”

Ye Zao took the dress. “It’s so beautiful! Do you all wear this for the New Year?”

“The red pair of silk fabrics, the cuffs and necklines were embroidered with retro patterns. ”

It was very beautiful.

““Yes.” Li Yueyue nodded, then, she said, “The children of our prairie will wear this to participate in the sacrificial activities. Oh right, we have a bonfire at night. We will sing and dance around the bonfire. Unmarried boys will also sing to attract the attention of girls.” ”

“Can we also participate in the sacrificial ceremony?” Ye Zhuo asked.

“Li Yueyue said, “As long as you wear this set of clothes, you can participate. There is also one piece that belongs to Master Five. You sent it over to him. “Oh right, you have to wear it with boots. We don’t have any boots at home for the time being. Get the servant to send it over to you in a while. “Ye Zhuo, you have 36 feet, right?” ”

“Ye Zhonghua nodded slightly. “It’s 36 feet.” Although ye Zhonghua was tall and 173 feet tall, her feet were not big at all. ”

““Okay.” Li Yueyue continued, “I still have things to do and have to go back first. Zhonghua, hurry up and send the clothes over to master five. While there’s still time, hurry up and try out the size of the clothes to see if they fit.” ”

“Okay.”

Ye Zhuozhuo sent the clothes over to Cen Shaoqing.

“In the blink of an eye, the next day arrived. ”

The 28th day of the twelfth lunar month.

The New Year on the prairie.

“Early in the morning, Ye Zhuozhuo was woken up by the crackling sound of firecrackers. ”

“The moment ye Zhuozhuo opened his eyes, he saw the video message that Li Yueyue had sent him. “Happy New Year, Zhuozhuo! I’ll wait for you downstairs!” ”

Ye Zao replied to her message and went to the changing room to change his clothes.

“This was a red one-piece dress that was very famous. It was a waist-pinching style. In addition, Ye Zao was tall and slim. His slim waist was almost as big as a fist. Coupled with a pair of black boots, he looked tall and thin. It was extremely eye-catching. ”

Ye Zao whistled at the mirror. He was very satisfied with the clothes on his body. They were much better looking than she had imagined.

Chapter 1898: 383: it's Cen Wuye! 1

“After changing his clothes, Ye Zhuo opened the door and saw Cen Shaoqing walking out of the room. ”

Cen Shaoqing also changed into the unique clothing of the grassland.

He was very different from his usual plain and long clothes.

“He was dressed in black silk with embroidered edges. A wide belt was tied around his waist, outlining his perfect figure. A small machete hung from the belt. ”

“He was originally very tall, and at this moment, his long legs appeared even more straight and long. ”

Noble and elegant.

“Black was a very mysterious color. When it was worn on Cen Shaoqing's body, it appeared even more noble and elegant. It was cold and exuded a domineering aura unique to a prairie man. ”

“It had always been clothes that suited people, but when it came to him, it became a human shirt.”

She looked at him and was stunned.

He looked at her and was also stunned.

“Their eyes met, and in the blink of an eye, they could see the look of surprise in each other’s eyes.”

“”Not bad.”In a moment, ye Zhuo withdrew his gaze and walked to his side. He turned around twice and said, “It looks quite like it.” ”

“Cen Shaoqing curled his lips slightly. “Thank you for your praise, leader.” ”

“Ye Zhuo said, “I praised you, but you don’t even know how to praise me?” ”

“Is there a need to praise the most beautiful woman in the world?”Cen Shaoqing raised his eyebrows and asked.

Cen Shaoqing was a little regretful that he had agreed to let ye Zao stay on the Prairie for the New Year. She was too outstanding. He just wanted to find a pocket and hide her so that no one would see her.

“”Young Man, you have a future.”Ye Zao patted Cen Shaoqing’s shoulder. “Let’s go. Yueyue is already waiting for us in the restaurant.” ”

“Okay.”Cen Shaoqing nodded slightly and followed ye Zhuo’s footsteps.

“Li Yueyue was in the restaurant. When she saw Cen Shaoqing and ye Zhuo coming over, she smiled and said, “Big Zouzhuo, you guys are here! Come and eat. The ceremony will begin in a while.” ”

“”Okay.”Ye Zhuo said, “By the way, what do you want to eat in the morning?” ”

“Li Yueyue said, “According to the rules of our grassland, we have to eat glutinous rice balls this morning. It means that we will be together all year round. However, this is an old idea. “My mom is afraid that you guys won’t be able to get used to our tangyuan, so she even prepared porridge and fried dough sticks.” ”

“Ye Zhuo smiled and said, “I really like eating tangyuan. What About You, Cen Shaoqing?” ”

“As long as it was sweet, Ye Zhuo would like to eat it. Tangyuan was no exception. ”

“”I’m fine with it,”Cen Shaoqing said. ”

“Ye Zhuo said, “Then let’s both eat tangyuan.” ”

Cen Shaoqing nodded slightly. “Okay.”

The servant brought the tangyuan over.

“Unlike the Beijing tangyuan, the tangyuan on the grassland was very big. There were only two of them in a bowl. ”

“It was round and very cute. Ye Zao loved eating tangyuan stuffed with sugar and sesame. When he took a bite, he was stunned. ”

This tangyuan was not stuffed with sugar and sesame!

“It was fine if it was not stuffed with sesame, but it was actually spicy beef flavor! ”

“This was the first time ye Zao had eaten tangyuan with this flavor, and he wasn’t used to it. ”

“In her opinion, tangyuan should be sweet. Spicy tangyuan was really hard to eat. ”

“With the thought that he couldn’t waste it, ye Zao ate up the entire tangyuan. Then, he silently handed the remaining tangyuan to Cen Shaoqing. “Here, have these.” ”

“You’re not eating?”Cen Shaoqing asked.

“I’m not used to eating spicy beef,”ye Zao said. ”

“Cen Shaoqing took the bowl. “Alright, then give it to me.” ”

“Ever since he was with Cen Shaoqing, everything that ye Zao didn’t eat had been taken care of by Cen Shaoqing. ”

The interaction between the two made Li Yueyue look envious. “Big Zao Zao.”

“Oh?”Ye Zao looked back at her.

“Li Yueyue continued, “I also want to find a boyfriend who can take care of all the things I don’t eat.” ”

“Ye Zhuo smiled and said, “Go ahead.” ”

“I can’t find one...”

“Li Yueyue was not interested in finding a boyfriend before. After a long time, she finally became interested and found a scumbag like Ouyang Nai. ”

“As a result, Li Yueyue now had a shadow over the matter of finding a boyfriend! ”

What if she met someone unkind and met another person like Ouyang Nai?

“Don’t be discouraged.” Ye Zhuo patted Li Yueyue’s shoulder. “You’re just not fated yet. When Fate Comes, you won’t be able to stop it.” ”

“Really.” Li Yueyue raised her head and looked at Ye Zhuo.

“Ye Zhuo nodded slightly. “By the way, are you completely done chatting with Lin Weiwei Now?” ”

“I’m not chatting anymore,” Li Yueyue said. ”

Lin Weiwei was too straightforward. Li Yueyue couldn’t hold it in anymore.

Ye Zao nodded again.

“Zao Zao, you won’t be angry, right?” Li Yueyue looked at ye Zao. ”

“Why would I be angry?” Ye Zao felt a little puzzled.

“Li Yueyue said, “Isn’t Lin Weiwei your good friend?” ”

Chapter 1899: 383: it’s actually Fifth Master Cen! 2

“Ye Zao smiled and said, “You can’t force matters of the heart. What’s there to be angry about? Yueyue, what are you thinking about!” ”

“It’s good that you’re not angry.”

...

“After eating, they went out. It was exactly 8 o’clock in the morning.”

“Although it was morning, the sound of firecrackers outside was incessant. The air was filled with the smell of gunpowder and the thick smell of the new year.”

Both Yun capital and the capital prohibited the setting off of fireworks. Ye Zao had never experienced such a new year before.

“Li Yueyue walked in front as a tour guide. “Da Zao Zao Zao, I’ll take you guys to participate in the heaven worship ceremony first. Then, we’ll have a bonfire dance at night.” ”

““Okay, sure.”Ye Zao nodded and followed behind Li Yueyue.”

“This year was the new year on the prairie. The weather was very good. The sky was clear and the sun was shining brightly. Usually, the temperature on the prairie was around-10-20 degrees Celsius, but today, the temperature had actually reached above zero.”

“The adults and children were all wearing the national costumes, and their faces were beaming with joy.”

“Soon, they arrived at an open-air square.”

There were three ancient-style buildings built on the square.

“When everyone saw Li Yueyue coming over, they greeted her warmly, “Yueyue is here.” ”

There were even people who invited Li Yueyue to their home for New Year’s Eve dinner.

“Ye Zao smiled and said, “Yueyue, you’re so popular.” ”

“Li Yueyue said, “Do you know why?” ”

“Why?”Ye Zao asked.

“Li Yueyue lowered her voice and said, “Because those three ancestral halls were funded by my father.” ”

“Li Sanzhu had done a lot of good things for the grassland, so everyone was especially warm to the Li clan. ”

“I see.”Ye Zao nodded slightly.

The ceremony of worshipping the heavens was very complicated. Those who participated in the ceremony had to kneel three times and kowtow nine times.

“If the high priest in front did not get up, no one else could. ”

“The scene was very solemn. Other than the sound of firecrackers and burning paper money, there was no other sound. ”

“The Li clan had more than a hundred people. When all of them knelt down, it was an exceptionally spectacular sight! ”

Ye Zhuo and Cen Shaoqing were spectators. They only needed to stand by the side and watch the ceremony. There was no need for them to participate.

These two were dragons and phoenixes among men. They immediately attracted the attention of many people.

“Who is that? How come I’ve never seen him before?”

“I’ve never seen him before either! I heard that he’s a relative of the Yueyue family.”

“He’s too good-looking. Does that young lady have a boyfriend?”

“Look at what you’re asking. They’re obviously a couple!”

“What if they’re brother and sister? How can you be so sure that they’re a couple?”

“That’s impossible. Brother and sister don’t look at each other like that.”

“Family and love were two different things, so their gazes were naturally different. ”

The crowd was discussing animatedly.

The commotion quickly attracted Li Shuyi’s attention.

“Although Li Shuyi was also a member of the Li clan, she wasn’t willing to participate in the heaven worship ceremony with her clansmen. ”

“After all, she had one-fifth of C Nation’s bloodline. ”

She was different from those people.

“No wonder China could not develop. What era was it now, and they were still engaging in such feudal superstitions. It was really pitiful and pathetic. ”

Li Shuyi curled the corners of her lips. She looked up and saw a side profile that was stunning.

“The man looked sideways at the girl beside him. The bridge of his nose was tall, and his pair of phoenix-shaped eyes were slightly raised. They were deep and bottomless. He wore black clothing that reached to his ankles, and an invisible powerful aura erupted from him. ”

Who Was This?

“Li Shuyi was stunned for a moment, and then she realized that he might be a poor relative of Li Yueyue’s family. ”

What a pity!

A poor relative who could not make a name for himself actually looked so exquisite and had an aura.

“Li Shuyi had seen many handsome men in the country and abroad, but so far, she had not seen anyone who could surpass this man in front of her! ”

Handsome was handsome.

“Unfortunately, he was too poor. ”

“Li Shuyi didn’t want to learn from her mother, Linda. She didn’t want to help the poor with precision. ”

“Her man either wore a military uniform to protect his home and country on the frontier battlefield, or he wore a suit in his office to strategize! ”

“Thinking of this, Li Shuyi withdrew her gaze and no longer looked over there. ”

“”Shuyi.” At this moment, Ai Ru walked over. ”

“Ai Ru.” Li Shuyi looked back.

Ai Ru walked over and held Li Shuyi's arm. "It's so lively here today." It was also Ai Ru's first time celebrating the new year on the prairie.

"En." Li Shuyi nodded. "Today is the most lively day of the year."

"There was almost no free time on the prairie. All year round, she was busy herding sheep and cattle. Other than this season, she basically didn't come back at all."

"With a glance, Ai ru seemed to have seen something. Her gaze changed, and her eyes were filled with disbelief."

Chapter 1900: 383: it's actually Cen Fifth Master! 3

"Seeing her like this, Li Shuyi asked curiously, "Ai Ru, what's Wrong?" "

"Ai Ru narrowed her eyes, unable to react in time. "I, that..." "

She had seen wrongly.

She must have seen wrongly.

Why would Cen Shaoqing appear here?

"Ai Ru wiped her eyes, but the words in front of her did not change."

The man dressed in black was really Cen Shaoqing.

Ai Ru was a little agitated. She gulped and pointed at Cen Shaoqing. "Who's that?"

"You mean that?" Li Shuyi followed ai Ru's line of sight. "The one dressed in Black?"

"Yes." Ai Ru nodded.

"Li Shuyi said nonchalantly, "A poor relative of Li Yueyue's family." "

Poor relative?

Cen Shaoqing?

CEN fifth master!

"Are you sure that's your uncle's poor relative?" Ai Ru asked.

"Yes." Li Shuyi nodded. "I saw him at his house before."

"However, she did not look closely and did not know that Cen Shaoqing and ye Zhuo were so handsome and beautiful. "

Ai Ru's expression was a little complicated. "Do you know who he is?"

"He's a relative of Li Yueyue's family," Li Shuyi repeated. "

"What poor relative!" Ai Ru continued, "He's fifth master Cen." "

"Who's fifth Master Cen?" Li Shuyi asked.

“Ai Ru continued, “He’s from the capital...” ”

“Before ai Ru could finish her sentence, Li Shuyi came to her senses and continued, “Are you talking about fifth master Cen, the number one family in China?” ”

“If one were to talk about fifth master Cen, other than that master, Li Shuyi could not think of anyone else in China. ”

“That’s right.” Ai Ru nodded.

“Hearing that, Li Shuyi laughed out loud. “How is that possible!” ”

That was clearly a poor relative who came to the Li family to fight. How could it be fifth master Cen!

Impossible!

How could the Li family know fifth master Cen.

Who Was Fifth Master Cen?

“He was a man who stood at the top of the pyramid. Even though Li Shuyi grew up abroad, she knew Fifth Master Cen’s name. ”

Even the Jones family couldn’t match up to Fifth Master Cen.

“How could a small Li family, a small Li Yueyue, match up to Fifth Master Cen. ”

“Li Shuyi continued, “Ai Ru, you must have mistaken him for someone else! He can’t be fifth Master Cen!” ”

“I’m sure I didn’t mistake him for someone else,” ai ru continued, “I went to school with him when I was studying abroad in Xijing.” ”

“At that time, Cen Shaoqing was aloof and unapproachable. He was also a vegetarian and held a Buddhist pearl all day long. During his turbulent adolescence, he was unique and made many girls restless. Unfortunately, the vegetarian Cen Shaoqing had never been tempted. ”

“Really?” Li Shuyi asked.

“Yes.” Ai Ru nodded.

“Li Shuyi still couldn’t believe it. Li Sanzhu was an entrepreneur in a nice way, but in a bad way, he was a sheep farmer. How could he know someone like CEN fifth master? ”

Impossible!

Absolutely impossible!

“Ai ru, how many years have you studied abroad? Are you sure you didn’t recognize the wrong person?” ”

“Ai Ru was sure that she was right. Although eight or nine years had passed, Cen Shaoqing’s appearance had not changed. Moreover, Ai Ru noticed that he was holding a string of Buddhist beads in his hand. ”

“Ai Ru continued, “Wait a moment, I’ll go and Say Hello.” ”

“I’ll go with you.” Li Shuyi followed Ai Ru’s footsteps.

The two of them walked to Cen Shaoqing together.

“Master Five?” Ai Ru asked carefully.

“Cen Shaoqing frowned slightly. When he looked back, he saw Ai Ru.”

She looked very unfamiliar.

“Ai Ru continued, “Master Five, don’t you remember me? We studied together in Xijing. I’m Ai Ru. I’m the third Ai Ru sitting in the second row to your left.” Ai Ru had studied quite well in class back then, she had even won the honor of being the school Belle. It was a memory of the youth of a generation of boys. It was impossible for CEN Shaoqing not to remember her.”

“Thinking of this, Ai Ru stood up straight. She maintained a sweet smile on her face and looked at Cen Shaoqing with the best posture.”

She did not expect to see Cen Shaoqing in such a place.

“Since they met again, it meant that they were fated.”

There was a saying in the Buddhist scriptures.

“She looked back 500 times in her past life, only to meet him again in this life. She had been classmates with Cen Shaoqing for half a year, and now they met again. What a great fate this was.”

“Maybe Cen Shaoqing had a crush on her in her past life and could not get up from kneeling in front of the Buddha. Otherwise, how could she meet Cen Shaoqing again.”

“She had never dared to think about this in the past, but it was different now.”

Cen Shaoqing was standing in front of her.
