

Almighty D 1951

Chapter 1951: 400: Karma! A green hat (8pm)1

Xu Yao is so considerate.

“If it were anyone else, they wouldn’t be as considerate as Xu Yao. ”

“After all, Xu Yao was just injured. ”

A wounded woman needs comfort the most.

Especially from her boyfriend.

“The more considerate Xu Yao was, the more he ziteng felt guilty. ”

He was not a good boyfriend.

A good boyfriend would never let his girlfriend suffer such injustice.

““Yaoyao, I’m sorry.” ”

“Xu Yao smiled and said, “Ziteng, what are you talking about! Don’t talk like that. I’ve already said that I don’t blame anyone for this! Alright, Hurry up and go to work! Don’t Be Late!” ”

Xu Yao considerately stuffed the briefcase into he ziteng’s hands.

He ziteng took the briefcase and kissed Xu Yao on the forehead. “Then I’ll be leaving first.”

“Okay.” Xu Yao nodded. “Drive slowly on the road. I’ll wait for you at home.”

“Okay.”

“After watching he ziteng get into the car, Xu Yao returned to the apartment.”

“Just then, her phone vibrated.”

Xu Yao looked at the text message and narrowed her eyes.

“[Yaoyao, I know that you had no choice back then. Since God wants us to reunite, it means that he wants to give us a chance, a chance to fall in love again.]”

“After so many years, Xu Yao heard the excitement in her heart again.”

He still loved her.

“After so many years, he still remembered her.”

Xu Yao couldn’t tell what she felt in her heart.

She was very excited.

She was also very happy.

This feeling of being remembered until now was really blissful.

The person who sent the text message wasn’t anyone else.

It was Xu Yao's first love.

The school Belle from high school.

"When they met again, the two of them acted very calm, as if they had never known each other."

She didn't expect that he still loved her.

What was even more unexpected to Xu Yao was that he would take the initiative to send her a message first.

"Just as Xu Yao was in a daze, another text message came in."

"[Yaoyao, I really love you. Come and meet me. Do you still remember that hug we agreed on?]"

The kids in high school were all rather childish.

"Back then, when Xu Yao broke up with him, they had agreed that if they ever met again in their lifetime, they would give each other a hug."

"If he hadn't brought this up on his own initiative, Xu Yao would have long forgotten about it."

"She didn't expect that after so many years, he would still remember it."

"When she thought of that promise again, Xu Yao's face turned red."

She was looking forward to meeting him this time.

“After a long while, she replied with a ‘okay’.”

“At three in the afternoon, Xu Yao arrived at the cafe on the road on time.”

“When she arrived, the waiter immediately came out and said with a smile, “Miss Xu, right? Mr. Mi is already waiting for you inside.””

Xu Yao nodded and followed the waiter’s footsteps.

“First Love was sitting in the VIP room. When she saw Xu Yao, she immediately stood up. “Yaoyao.””

““Mi Chen,” Xu Yao said.”

“Mi Chen was wearing a pair of gold-rimmed glasses. She looked gentle and elegant. After all, she was the school’s Scarecrow. Her looks wouldn’t be too bad. Otherwise, Xu Yao wouldn’t have remembered her until today.”

“If he ziteng was here, he would definitely be able to tell that this Mi Chen was the he family’s family doctor.”

The person who helped Xu Yao bandage her wound yesterday was Mi Chen.

“Mi Chen looked at Xu Yao with an affectionate expression. She pulled out a chair for Xu Yao and said slowly, “Yaoyao, I thought you wouldn’t come to see me.””

““Since I promised you, I won’t eat salt,” Xu Yao said.”

“Mi Chen continued, “I brought your favorite milk tea from high school.””

“Thank you.” Xu Yao reached out to take it.

“It was different in front of he ziteng. In front of Mi Chen, Xu Yao didn’t need to pretend. After all, they were lovers.”

“Mi chen smiled and said, “Yaoyao, when did you become so estranged from me?” ”

“Xu Yao stuck the straw in and took a sip of the milk tea. Then she said, “Mi Chen, I think you saw it yesterday. I have a boyfriend now.” ”

They could no longer go back to the past.

“So What?”Mi Chen looked at Xu Yao with a faint smile. “I know you don’t really like he ziteng.”

Xu Yao didn’t see any love in he ziteng’s eyes.

“Only that stupid pig, he ziteng, would be deceived.”

Xu Yao smiled. “I will marry he ziteng and become Mrs. He.”

“”I don’t mind.”Mi Chen clasped her hands together. “Yaoyao, you should know how much I love you. I Don’t care who you marry. I just want you to give me a little bit of your love. Just a little bit.” ”

Xu Yao was stunned. Her heart was racing.

Mi Chen said he didn’t mind.

Did he mean that he was willing to be together with he ziteng and have her?

“Bang, Bang, Bang — ”

Xu Yao's heart beat faster and faster.

"Mi Chen continued, "Yaoyao, the He family is very complicated. It Won't be easy for you to marry into them. However, as long as you want to, I will help you!" "

"Really?" Xu Yao asked.

"Yes." Mi Chen nodded. "Yaoyao, do you want to be pregnant with He Ziteng's Child?" "

Xu Yao was stunned. She just looked at Mi Chen and didn't say anything for a long time.

"Mi Chen took out a bottle of pills. "Eat it. After you eat it, you can successfully be pregnant with he ziteng's child." "

"Why should I believe you?" Xu Yao asked.

"Because I love you. Because I can do anything for you." Mi Chen looked at Xu Yao. "Yaoyao, in this world, no one loves you more than me!" "

Xu Yao didn't take the pills from Mi Chen.

What if it was poisonous?

Some people would destroy what they couldn't get.

What if Mi Chen wanted to destroy her?

She couldn't take such a risk.

“Mi Chen seemed to have read Xu Yao’s mind. She poured two pills from the bottle and swallowed them. “Yaoyao, Can You Trust Me Now?” ”

Xu Yao took the bottle from Mi Chen. “These pills can really help me get pregnant.”

“Mi Chen nodded. “Yaoyao, I won’t lie to anyone. No matter what, you can trust me unconditionally.” ”

Xu Yao glanced at Mi Chen.

She was a little excited and had a sense of superiority.

“The feeling of being liked and remembered by others was pretty good. This meant that she had her own personality and charm. If it was someone else, Mi Chen would have given her everything! ”

She was even willing to have her with he ziteng.

“Mi Chen looked at Xu Yao. “Yaoyao, so now you’re willing to trust me?” ”

“Xu Yao nodded and continued, “Where did you go after you graduated from high school?” ”

““I studied medicine,”Mi Chen replied. ”

“After so many years of separation, it was inevitable that sparks would fly when they reunited. ”

“Soon, the two of them sat on a chair. ”

“Mi Chen held Xu Yao in her arms and greedily breathed in her scent. “Yaoyao, have I missed you all these years?” ”

Xu Yao leaned against his chest. “Haven’t you had any other girlfriends?”

“No.” Mi Chen shook her head. “I’ve been waiting for you.”

Xu Yao smiled. “How do I know if you’re lying to me?”

“Yaoyao, do you think I’ll lie to You?” The next second, Mi Chen kissed Xu Yao. ”

Xu Yao was immersed in the kiss.

“The two of them were inseparable. Just as Mi Chen was about to make her next move, Xu Yao consciously stopped him. “Not yet.” ”

Although she really wanted to.

She was not pregnant with he ziteng’s child yet.

“According to the He family’s parents’ personality, they would definitely take a paternity test after the child was born. ”

“If they found out that the child wasn’t he ziteng’s, then all her efforts would have been for naught. ”

“Xu Yao didn’t notice that when she said this, a trace of haze flashed across Mi Chen’s eyes. It lasted for a moment before she smiled and said, “Okay.” ”

It had already been two hours since they left the coffee shop.

Xu Yao returned to He Ziteng’s apartment.

“Although she had already gone back, her heart still couldn’t calm down for a long time. ”

“She and Mi Chen were in love for the first time, and they were truly in love. Therefore, she really liked the feeling of being together.”

It would be great if she and Mi Chen could meet openly.

Unfortunately.

She couldn't have it both ways.

She and Mi Chen were destined to be in the dark.

Xu Yao patted her face to stop herself from thinking too much and letting others see the clues. The most important thing for her now was to coax he ziteng.

“Since he ziteng made breakfast for her, she would make dinner for him. He ziteng must be very touched that she could still cook for him even though she was injured.”

“At nine o'clock in the evening, he ziteng came back on time. When he saw the table full of food, he asked in surprise, “Yaoyao, did you cook all this?” ”

Xu Yao nodded. “Sit down and eat! It will be cold soon!”

“He ziteng continued, “In the future, just let the servants do these things. You Don't have to do it yourself. You're still injured!” ”

“Xu Yao smiled and said, “What's this little injury? It'll be a joke if people know!” ”

He ziteng walked over and hugged Xu Yao.

“In a corner that he ziteng could not see, Xu Yao curved her lips slightly.”

“That night, Xu Yao ate a pill that Mi Chen gave her.”

“It was a very ordinary pill. It didn’t have much of a taste, and she didn’t know if it would be that magical.”

“In the afternoon, he ziteng suddenly brought someone back.”

“When she saw who it was, Xu Yao was shocked.”

“He ziteng introduced, “Yaoyao, you should still remember him, right? He’s our family doctor, Doctor Mi Chen. I’ll get him to examine your wound.” ”

Chapter 1952: 401: three years! (9th Watch!)1

Xu Yao was stunned.

She thought he ziteng had discovered something.

“Hearing this, she heaved a sigh of relief.”

She knew it. What could a fool like he ziteng discover?

“Xu Yao looked up at Mi Chen and pretended not to know her. She smiled and said, “Hello, Mr. Mi.” ”

“Miss Xu.”Mi Chen also acted very naturally.

“He ziteng looked at Mi Chen and continued, “Doctor Mi, let my girlfriend take a look first.” ”

“Okay.”Mi Chen nodded.

Xu Yao reached out her hand.

The feeling of flirting under he ziteng’s nose was very exciting.

“Although they had been flirting in secret, they didn’t show it on the surface. ”

“After the examination, he ziteng said nervously, “Doctor mi, is my girlfriend okay?” ”

“Mi Chen adjusted her glasses and continued, “Her wound is showing signs of worsening. It is recommended that she be washed with medicine once a day.” ”

“”Is it that serious?”Hearing this, he ziteng became even more nervous. ”

Mi Chen nodded. “Because Miss Xu’s wound is really too deep.”

“He ziteng’s heart ached. He looked at Xu Yao. “It must have hurt a lot back then, right?” ”

“Xu Yao smiled and said, “It didn’t hurt at all.” ”

“Seeing Xu Yao like this, he ziteng felt even more upset. He decided to go back tonight and sit down with his parents to have a good talk. ”

He absolutely could not let Xu Yao suffer this grievance.

“He ziteng continued, “Then I’ll have to trouble doctor Xu to come every day!” ”

“Okay.” Mi Chen nodded.

“After a while, the treacherous minister packed up the medical kit and continued, “Mr. He and Miss Xu, I Won’t disturb the two of you. I’ll come back tomorrow afternoon.” ”

““Okay.” He Ziteng said, “Thank you for your hard work, doctor Mi.” ”

““This is what I should do,” mi Chen said. ”

“After Mi Chen left, he Ziteng grabbed Xu Yao’s hand. “Yaoyao, how can there be such a silly girl like you in the World?” ”

“How dare you call me silly!” Xu Yao frowned and pretended to be unhappy.

““You are silly to begin with.” If it were any other scheming girl, she would definitely make use of the injury to make a big deal out of it. However, Xu Yao did not say a word and silently endured all of this. She was even worried that after this incident.., would it affect his relationship with his mother. ”

“After saying that, he Ziteng continued, “Yaoyao, I have to go home in a while. You Sleep First Tonight.” ”

““Alright.” Xu Yao nodded. Then, as if she had thought of something, she grabbed he Ziteng’s sleeve and continued, “Ziteng, don’t tell me you want to go back and Quarrel with uncle and Auntie?” ”

“He Ziteng smiled and said, “Don’t worry, I don’t.” ”

Xu Yao nodded. “Then you go. It’s okay if you don’t come back tonight. Spend more time with uncle and aunt.”

“Okay.” He Ziteng kissed Xu Yao and then left the apartment.

He ziteng returned to the He family.

“Father he saw him and said in a low voice, “You Little Brat, you still know to come back! Do you know that you have been so angry with your mother these days? Quickly go and apologize to your mother!” ”

“Ever since he ziteng left, Ouyang Xunfang had been extremely angry. ”

“Even father he had been very careful these past few days, afraid that he might accidentally provoke her. ”

“He ziteng looked at his father, then, he said, “Other than asking me to apologize to her, what else can you do? ! “Ever since I can remember, you have always listened to my mother! “My mother told you to go north, but you didn’t dare to go west. My mother told you to sit down, but you didn’t dare to Stand Up! “Dad, you’re a man. Can’t you live with a little dignity?” ”

“If his father had lived with a little dignity, he wouldn’t have ended up like this. ”

He wouldn’t have dared to force him like this without his mother!

This was all his father’s fault.

Father he was stunned. “What nonsense are you talking about! You Little Brat! Your mother really wants the best for you. How can you say that! Have you ever thought about how sad your mother would be if she heard what you said?”

“”Then did you see me? Have you thought about how sad and sad I am?”He ziteng looked at father he, then he said, “Father, you and my mother are truly in love. I think you should understand my current situation. I really like Yaoyao. Please help us!” ”

Father he was in a difficult position when he heard this.

“He understood he ziteng’s current mood, but according to the analysis of all the signs, Xu Yao was indeed not suitable for he ziteng.”

“Father he sighed and continued, “Ziteng, you’re really not suitable for Xu Yao. be good and be obedient. Don’t Make Your Mother Unhappy!” ”

Not Suitable?

How was he not suitable for Xu Yao?

“He ziteng looked at father he and continued, “Father, I didn’t come back today to quarrel with you. To tell you the truth, Xu Yao and I have already cohabited! Perhaps she’s already pregnant with our child!” ”

What?

Cohabited!

And pregnant!

“Hearing this, father he’s face turned pale. “What did you say? Pregnant?” ”

“He ziteng continued, “She’s not pregnant yet, but according to the current situation, she’ll get pregnant sooner or later. Dad, you’re a man too. I think you know the meaning of this sentence, right?” ”

“He was a normal man, while Xu Yao was a normal woman. wasn’t it normal for them to be pregnant?”

“Father he frowned. “Nonsense! Ziteng, you’re too much of a troublemaker! How can you live with someone so casually! Who allowed you to live with her!” ”

Father he never expected things to develop like this.

Mother he was right. Xu Yao was too scheming. She could actually trick he ziteng into living with her!

“If such a girl really married into the He family, the trouble would still be waiting to happen!”

“The more father he thought about it, the angrier he got.”

“He ziteng said, “Dad, I’m already an adult. I know what I’m doing. Do I have to report to your mother who I’m living with?” ”

“Father he frowned. “I don’t care about that. You can explain it to your mother yourself. As long as you get past your mother, I don’t Care!” ”

“Where’s My Mother?”He ziteng asked.

“”In the study,”father he replied. ”

He ziteng came to the study and knocked on the door.

“Soon, his mother’s voice came from the study. “Come in.” ”

He ziteng pushed the door open and entered.

Mother he was practicing calligraphy to calm her heart.

He ziteng took the initiative to speak. “Mother.”

“Compared to a few days ago, mother he was much calmer. She looked at he ziteng from the corner of her eyes. “You still know to come back?” ”

“I came back to tell you that I have to be with Yaoyao.” He Ziteng paused and continued, “Also, Yaoyao’s hand was injured because of you. So, I hope you can apologize to her!”

“He Ziteng continued, “Mother, I can assure you that Yaoyao is a very good girl. In the future, she will be an excellent daughter-in-law. I hope you can accept her!”

“What if I don’t accept her?” Mother he asked back.

“He Ziteng said, “I’m just informing you.”

“Mother he’s anger came from her heart, but she still held it in. She looked at He Ziteng and said coldly, “He Ziteng, let me tell you now. I Don’t care how you play outside or How Crazy You Are! But if you want to marry that kind of woman into your family, it’s impossible!”

Play was play.

The position of the He family’s mistress was definitely not something Xu Yao could sit on.

“Hearing this, He Ziteng was very angry. “Mom, do you have to make this trip? I don’t understand why you keep targeting Yaoyao!”

Mother he did not speak anymore. She put down the brush and massaged her temples.

“Seeing this, father he immediately ran over. “Xunfang, are you alright? is your head hurting again?”

“After saying that, he turned to look at He Ziteng. “Ziteng! Quickly apologize to your mother!”

“He Ziteng said stubbornly, “I’m not in the wrong.”

“If he was right, why should he apologize?”

He was just defending his love.

“Clearly, his mother was making trouble without reason! ”

“Mother he pinched her temples and continued, “Forget it, forget it.” ”

“”I’ll go get you a glass of water,”father he said. ”

Mother he nodded.

Mother he looked at He ziteng. “You really want to be with her?”

“It’s more real than real gold!”He ziteng nodded firmly.

“”Okay, I agree to this,”mother he said. ”

“Hearing this, he ziteng said in surprise, “Really? Mom, you agree!”He did not expect his mother to suddenly let go! The surprise came too quickly! ”

“His mother continued, “But I have a condition.” ”

“”Please say it,”he ziteng said. ”

“As long as he could be with Xu Yao, he would agree to any condition. ”

“”Three years.”His mother’s tone was a little slow. “First, date Xu Yao for three years. If after three years, you still love her as firmly as you do now, I will fulfill your wish!” ”

“The itch of three years, the pain of seven years.”

“Many couples could not last three years, let alone Xu Yao who was acting for he ziteng.”

She did not believe that Xu Yao could act for three years!

He ziteng was stunned again!

Three years?

“He wanted to marry Xu Yao immediately, but his mother made him wait for three years!”

He ziteng could not accept this.

““Didn’t you say that you two are in true love?” Mother he looked up at he ziteng and continued, “Since it’s true love, you can’t even wait for three years?” ”

Chapter 1953: 402: the secret of Cen’s father’s disappearance (10th watch)1

“If he couldn’t even wait for three years, how could it be considered true love?”

“After a moment, he ziteng looked up at his mother. “Alright, three years it is.” ”

He would let his mother know that he and Xu Yao were not just playing around.

They were truly in love.

Not to mention three years.

“Even if it was thirty years, he could still afford to wait!”

“Mother he nodded. “Alright, you’re ambitious. Let’s talk about this in three years. I hope your Xu Yao won’t disappoint you.” ”

The conversation between the mother and Son in the study room was heard by the servants outside.

The servants immediately sent a text message to inform Mi Chen.

“After Mi Chen heard the news, she asked Xu Yao out. ”

“When she heard this, Xu Yao frowned. “This old B * Tch actually wants me to wait for three years!” ”

Three years!

How could that be possible!

No one could guarantee what would happen three years later.

Who knew if he ziteng would change his mind halfway through?

“Mi Chen glanced at her and continued, “So, you have to get pregnant immediately. Have you felt anything recently?” ”

““Not yet.” Xu Yao shook her head and said worriedly, “Mi Chen, do you think there’s something wrong with me?” ”

“She had been with he ziteng for a long time and had taken the medicine. Furthermore, she was still ovulating every time. Why couldn’t she get pregnant?”

This was too strange!

Xu Yao was very worried.

“Mi Chen said, “Don’t worry. Your body is fine. You Can’t rush things like this. You might get pregnant one day.” ”

“Mi Chen was a doctor. When she heard that she was fine, Xu Yao heaved a sigh of relief. ”

She was really afraid that she wouldn’t be able to get pregnant.

“”Mi Chen, thank you.”Xu Yao looked at Mi Chen. ”

“Mi chen smiled and said, “I should be the one thanking you. Thank you for giving me the chance to love you again and protect you.” ”

Xu Yao smiled.

“After spending more than half an hour with Mi Chen, Xu Yao returned to the apartment. ”

“Not long after she returned, he ziteng returned. ”

“His mother had finally agreed to let him be with Xu Yao, so he ziteng was in a good mood. He smiled and said, “Yaoyao, I’m Back! I have good news for You!” ”

“What Good News?”Xu Yao walked out from the side.

“He ziteng picked Xu Yao up and said excitedly, “Yaoyao, my mother has agreed to be with us.” ”

“Really?” Xu Yao asked in surprise.

“Of course it’s true!” He ziteng nodded and continued, “But my mother has a condition.” ”

“Hearing that, a dark light flashed in Xu Yao’s eyes. ”

Damn old B * Tch!

“What condition?” Xu Yao asked with a smile.

“He ziteng continued, “She wants us to talk for three years first. Yaoyao, you’ll wait for me for three years, right?” ”

“Xu Yao nodded. “Yes, I will wait for you.” ”

“After saying that, Xu Yao asked, “What if you change your mind Midway and fall in love with someone else?” ”

“That won’t happen, Yaoyao. My feelings for you can be seen by the heavens and the moon. I will never change my mind! Please believe me!” After saying that., he ziteng raised three fingers and continued, “Yaoyao, I can swear to the heavens. If I go against them, the heavens will strike me with lightning!” ”

Xu Yao laughed and covered he ziteng’s mouth. “Who asked you to swear? I believe in You.”

“Yaoyao, thank you.” He ziteng hugged Xu Yao emotionally. ”

“Just now, you said that I was stupid. You are clearly the fool.” Xu Yao reached out and pinched he ziteng’s nose. “You even have to thank me! You are the biggest fool in the world!” ”

He ziteng hugged Xu Yao tightly.

God was so good to him that he gave him such a considerate girlfriend.

He ziteng felt that he must have saved the Milky Way galaxy in his previous life.

“In the days that followed, Mi Chen would use the excuse of applying medicine to Xu Yao almost every afternoon to have sex with her for about an hour.”

Xu Yao enjoyed such a time very much.

Mi Chen was her first love. Only when she was with Mi Chen did she truly feel the joy of love.

He ziteng was also very handsome.

“However, compared to Mi Chen, he was still far away.”

“Xu Yao sat on Mi Chen’s body and hugged his neck. “Mi Chen, I really want to spend the rest of my life with you.””

Unfortunately.

“Apart from love, Mi Chen couldn’t give her anything else she wanted.”

“Mi Chen hugged her tightly as a vicious glint flashed across her eyes. “Yaoyao, don’t worry. There will be such a day.””

Xu Yao didn’t take those words to heart.

Creak.

“At that moment, the sound of the door opening was heard in the air.”

Following that was the sound of footsteps.

He ziteng had returned?

Why would he ziteng return at this time?

Xu Yao immediately stood up from Mi Chen’s body and tidied up her clothes with her head lowered.

She looked at Mi Chen and calmly tidied up her medical kit.

“Ten seconds later, he ziteng walked in and saw Xu Yao and Mi Chen sitting on the sofa.”

“Xu Yao asked in surprise, “Ziteng, why did you come back at this time?” ”

““I came back to get a document.”He ziteng also felt strange since he was the one who asked Mi Chen to come over. He continued, “Doctor Mi, is Yaoyao’s wound better?” ”

“Mi Chen nodded and smiled. “Don’t worry, Mr. He. Miss Xu’s wound is much better. It Won’t take long for her to recover!” ”

“Really?”He ziteng said happily.

“Yes.”Mi Chen nodded. “But you still need to be careful these few days. Don’t touch water.”

“Okay.”He ziteng nodded.

“After taking the documents, he ziteng continued, “Yaoyao, I’ll be leaving first. Goodbye, Doctor Mi.” ”

“”Take care, Mr. He.”Mi Chen stood up. ”

“Xu Yao walked he ziteng out of the door and straightened his tie for him. She smiled and said, “Come back early tonight. I’ll wait for you at home for dinner.” ”

“He ziteng lowered his head and kissed Xu Yao. Then he said, “Baby, I may not be able to eat at home tonight.” ”

Xu Yao was stunned. “Why? I wanted to prepare your favorite curry chicken for you!”

“”I know you’re virtuous,”he ziteng continued, “Your Hand is injured, so don’t do too much hard work. I have an important party tonight, so you should go to bed early after dinner.” ”

“Xu Yao was a very good girl. No matter how late it was, she would wait for him to come back and eat together. ”

“In the past, he ziteng did not have the habit of eating at home. ”

“Ever since he got together with Xu Yao, he had formed the habit of going home for dinner. ”

“”Okay.”Xu Yao nodded and continued, “You can’t be mesmerized by the beautiful ladies outside!” ”

“”Don’t worry. No matter how beautiful the beautiful ladies outside are, they are not as beautiful as you.”He ziteng pinched Xu Yao’s face. ”

“The warm scene outside fell into the eyes of Mi Chen, who was standing in front of the French window.
”

Mi Chen narrowed her eyes.

A dark light flashed in her eyes.

Xu Yao belonged to him alone. No one could take her away from him!

No one!

“A few minutes later, Xu Yao came back from outside.”

“Just as she pushed the door open, she was hugged by Mi Chen.”

“Xu Yao smiled and said, “Aren’t you afraid of the surveillance cameras?” ”

“Mi Chen said, “Don’t worry, I’ve modified the surveillance cameras.” ”

“Mi Chen buried her head in Xu Yao’s shoulder and said, “Yaoyao, I want to stay for dinner tonight.” ”

““No,” Xu Yao refused directly.”

“Why not?” Mi Chen asked.

“Xu Yao continued, “Aren’t you afraid that he ziteng will find out?” ”

“I heard everything.” Mi Chen passionately kissed Xu Yao’s neck. “He’s coming back very late tonight.”

“Hearing this, Xu Yao raised her head in surprise. “You can hear him from so far away?” ”

“Mi Chen continued, “I can read lips.” ”

“You’re really amazing!” Xu Yao said.

Mi Chen hugged Xu Yao. “When will you be able to conceive a child with the surname he?”

Xu Yao sighed. “I also want to conceive as soon as possible.”

“I will,” mi Chen said. ”

Time passed very quickly.

“In the blink of an eye, the lantern festival had passed. ”

Ye Zhuo returned to his busy work.

“Apart from going to school occasionally to do experiments, she also had to go to Mars to live permanently. ”

“The project on Mars had already been completed by 50% . Currently, it was officially the most crucial fitting. When Ye Zhuo was busy, he would usually not be seen for ten days to half a month. He could not be reached by phone or cell phone. ”

Cen Shaoqing was also very busy during this period of time.

“Master Five.”The assistant walked into the office.

“Speak.”Cen Shaoqing held the Buddha bead in his hand and spoke concisely.

“The assistant continued, “Master Five, this is a picture of the area where Mr. Cen was in trouble before the accident.” ”

Cen Shaoqing stretched out his hand to take the picture and fell into deep thought.

He now suspected that the matter of his father was inextricably linked to planet E-TY889.

Because the ship in question was huge.

It was impossible for it to disappear without a trace.

“Unless, it was man-made.”

“Ever since his father’s accident, Cen Shaoqing had never given up on searching for the ship in question. Even now, the search team was still working, but they could not find anything.”

Ye Zhuo’s experiments on Mars were also related to going to Planet E-TY889.

“After all, Planet E-TY889 had companions who would fight with her and advance and retreat with her.”

So...

She had to think of a way to go back.

““Miss Ye.” Just then, Tang Mi’s voice sounded from outside the door.”

Ye Zhuo put down the document in his hand and looked back slightly. “Come in.”

Chapter 1954: 403: Ye Zao! Supreme Leader (11th watch)1

“The next second, the door was pushed open. ”

“Miss Ye.”

“Tang Mi.”Ye Zao looked up. “Did Something Happen?”

“Tang Mi’s expression didn’t look too good. “Miss Ye, there are surveillance cameras monitoring us in the sky above Mars.” ”

“Don’t worry.”Ye Zao’s expression softened. “The entire base has turned on the shielding mode. They can’t see anything.”

“From the outside, Mars was still the same Mars. ”

“Although the resources ye Zao had at present were limited, her ability was still there. ”

She had many ways to shield everything.

“Tang mi continued, “I understand all these principles, but the others...” ”

“At this point, Tang mi paused. ”

“Ever since the surveillance cameras appeared in the sky above Mars, some people on the base couldn’t sit still anymore! ”

They were all clamoring to return to Earth.

“How many people are going back so far?”Ye Zhuo saw through Tang Mi’s unfinished words with a glance.

As expected of Miss Ye!

She could even guess this.

“Tang Mi was full of admiration for ye Zhuo and continued, “There are a total of 13 people.” ”

““They are all high-ranking officials,”Tang Mi added. ”

“Ye Zhuo frowned slightly. “The people below aren’t in chaos yet! They are in chaos first! They want to go back, right?” ”

“Yes.”Tang mi nodded.

““Send them back.”Ye Zhuo continued, “Let them think it over carefully. After they go back this time, it will be impossible for them to come back in the future! “Then, tell those companions who stayed behind that I, Ye Zhuo, will stay on Mars with them and advance and retreat together!” ”

“Upon hearing this, Tang Mi was extremely excited. She nodded and said, “Okay!” ”

“Ever since the monitor appeared in the sky above Mars, Tang Mi had been extremely nervous. ”

“At this moment, she was not nervous at all. ”

What was so scary about the monitor!

What was so scary about aliens?

“As long as ye Zhuo was around, all these problems were not a problem. ”

Tang mi immediately went over to pass on ye Zhuo's words to everyone.

"After hearing these words, everyone was also very excited."

Those higher-ups who were clamoring to go back did not go back either. They all expressed that they wanted to advance and retreat together with ye Zao!

"Ye Zao was the highest leader. If she was not afraid, what were they afraid of?"

On the other side.

He ziteng's apartment.

"More than a month had passed, and Xu Yao's hand had already recovered to its original state."

"She originally wanted to move out of He Ziteng's apartment, but was stopped by HE ziteng."

Xu Yao played along and stayed in the apartment.

"However, he ziteng was very busy during this period of time and often couldn't go home to rest."

He would come back occasionally and leave after a few days.

"Because of this, he ziteng felt very guilty. He looked at Xu Yao and said, "Yaoyao, if I'm not home in the future, you can call doctor mi to accompany you." "

"Xu Yao was a little speechless and said, "I'm not familiar with him. Besides, it's just a man and a woman. Do you think it's okay?" "

“Xu Yao looked calm on the surface, but she was a little flustered in her heart.”

Why did he ziteng bring up Mi Chen all of a sudden?

Could it be...

He had discovered something?

“He ziteng put his arm around Xu Yao’s shoulder and continued, “It’s okay. Doctor Mi is not the kind of person you think he is. He saved my mother before. Besides, didn’t he come every day to apply medicine on you?” ”

“Judging from his tone, he did not seem to have noticed anything.”

“Xu Yao heaved a sigh of relief and continued, “It has only been a short while since he applied the medicine. I’ve only spoken to him less than ten sentences.” ”

“He ziteng smiled and said, “Dr. Mi is a very good person. You can try to get along with him.”It was not the past anymore. Girls who had boyfriends could not even make friends with other men.”

He ziteng did not want Xu Yao to be closed off from society after they became boyfriend and girlfriend.

““No need.”Xu Yao hugged he ziteng’s arm. In her heart, she scolded he ziteng for being an idiot. However, she smiled and said, “No need. I have you.” ”

He ziteng patted Xu Yao’s hand.

“In order for Xu Yao to have more friends, he ziteng invited Mi Chen to his house that night.”

“At the dinner table, Mi Chen poured he ziteng a lot of wine.”

“Not long after, he ziteng was drunk and fell asleep on the table.”

Mi Chen and Xu Yao looked at each other and saw the meaning in each other’s eyes.

“Xu Yao patted he ziteng on the shoulder. “Ziteng, ziteng!” ”

He Ziteng didn’t have any reaction.

“Mr. He.”Mi Chen also patted he ziteng.

He ziteng still didn’t react.

“”Miss Xu, I’m going to the washroom.”As she spoke, Mi Chen used her foot to kick Xu Yao.”

Xu Yao understood and smiled. “You go ahead.”

Mi Chen stood up from her chair and walked towards the washroom.

“A moment later, Xu Yao stood up as well.”

“Just as she reached the door of the washroom, someone grabbed her wrist and pulled her into the washroom. The next second, she was kissed.”

Xu Yao pushed Mi Chen away. “Are you crazy? What if he ziteng suddenly wakes up?”

“Mi Chen smiled. “Don’t worry, he won’t wake up for the time being.” ”

“Xu Yao narrowed her eyes and instantly understood. She continued, “You drugged his wine?” ”

“Yes.” Mi Chen nodded.

Xu Yao was very surprised.

She had been on the table from head to toe and did not notice mi Chen’s abnormality at all.

How did Mi Chen Do It?

“Mi Chen seemed to have noticed Xu Yao’s confusion and continued, “When I was toasting him.” ”

Xu Yao gulped. She once again felt that Mi Chen was very powerful!

The two of them hung out in the bathroom for a while before leaving.

He ziteng still maintained the same appearance as the two of them left and lay on the table.

“Seeing that he ziteng had not woken up, Xu Yao became more daring. He ziteng actually dared to make out with Mi Chen in front of him. ”

“By the time he ziteng woke up, it was already the morning of the next day. ”

He ziteng pressed his temples and felt extremely uncomfortable.

“At that moment, Xu Yao came over with a bowl of hangover soup. “You don’t feel good when you have a hangover, do you? I told you not to drink so much. You must drink so much! Come, drink the hangover soup!” ”

“He ziteng took the hangover soup and drank it all in one go. He felt much better and continued, “Was Mi Chen Drunk Last Night?” ”

“Xu Yao said, “I don’t know how much better Dr. Mi’s alcohol tolerance is than yours! How could he be drunk?” ”

There was nothing unusual on her face. It was as if the person who was intimate with Mi Chen in front of he ziteng was not her.

“He ziteng had always trusted Xu Yao. Naturally, he would not suspect anything between her and Mi Chen. ”

“In his opinion, anyone in this world would betray him except Xu Yao. ”

“In this world, no one loved Xu Yao more than him. ”

“Similarly, no one loved him more than Xu Yao! ”

“After saying that, Xu Yao continued, “Don’t drink so much next time. Do you know how much you drank last night? Not only did you vomit all over me, you even spouted nonsense! You made a fool out of Doctor Mi!” ”

“Vomit all over you?”He ziteng asked.

Xu Yao nodded. “What do you think!”

“He ziteng continued, “I’m sorry, Yaoyao. I don’t even remember. If I had been sober, I definitely wouldn’t have vomited on you!” ”

“Xu Yao smiled and said, “Alright, Alright. I was just saying. Why are you apologizing! I just wanted to say that drinking is harmful to the body and drinking is enjoyable. Try not to drink too much.” ”

“Okay.” He ziteng nodded.

“Seeing he ziteng like this, Xu Yao was relieved. She originally thought that he ziteng would have discovered something last night. After all, she and Mi Chen had quite a good time in the end.”

“Now it seemed that he ziteng, this idiot, didn’t discover anything at all!”

“After all, he couldn’t even remember whether he vomited or not.”

On the other side.

At the Xu Residence.

“In the dining room, father he and mother he were eating at the dining table.”

“In Norda’s dining room, there were only the He family’s parents. It looked a little deserted.”

“Thinking that he ziteng hadn’t returned home for almost a month, father he said, “Xunfang, isn’t your decision a little too hasty?””

“What decision?” Mother he raised her head.

“Father he continued, “It’s about ziteng and Xu Yao.””

“How is it hasty?” Mother he asked back.

“Father he said, “I feel that you shouldn’t have agreed to ziteng from the start and let him talk to Xu Yao for three years. What if after three years, they are still the same as they are now? What would you do?””

He couldn't really promise he ziteng and Xu Yao to get married!

"Mother he took a bite of celery. "Time will tell. Their relationship will definitely not last for three years. I know Ziteng's character too well. If we forcefully break them up, it will backfire." "

It was precisely because she knew he ziteng that mother he made this decision.

Father he frowned. "What if they survive for three years?"

"Then let them get married!" Mother he said.

"Father he said incredulously, "Are you serious?" "

"Mother he smiled and said, "Do you think I'm Joking?" "

Three years was neither long nor short.

"Father he drank a mouthful of soup and said, "Alright, I'll listen to you." "

Chapter 1955: 404: Pregnant! Future father-to-be (12th watch)1

Father he had always been the one who focused on the outside but not the inside.

Everything at home was managed by mother he.

"Mother he glanced at him and continued, "Don't worry, with the weak feelings between them, they definitely won't last three years. One year, at most one year, they will end up breaking up." "

Father he heaved a sigh of relief when he saw how confident his wife was.

“Ever since she came to He Chaonan’s apartment to drink, Mi Chen had been coming to the apartment more and more frequently.”

“However, he ziteng didn’t suspect anything.”

“Instead, he thanked Mi Chen for taking the time to accompany Xu Yao.”

“Mi chen smiled and said, “We’re all friends. You’re welcome.” ”

Another month passed.

“That morning, Xu Yao suddenly felt uncomfortable.”

“Her head was heavy and her legs were light. Her chest was still very stuffy. Because she felt too uncomfortable, Xu Yao did not wake up.”

“Today, he ziteng was resting. He woke up very early and specially made Xu Yao’s favorite stewed dumplings.”

““Yaoyao, quickly get up, brush your teeth, wash your face, and eat. I made your favorite stewed dumplings this morning,”he ziteng said as he walked into the room.”

“Xu Yao said, “I can’t eat. I want to sleep a little longer.” ”

“Hearing this, he ziteng walked over nervously and reached out to touch Xu Yao’s forehead. “Are you feeling unwell?” ”

“I’m not feeling unwell. I just want to sleep for a while longer,” Xu Yao continued. ”

“He ziteng said, “Then I’ll make some food and bring it over for you. You have to eat something in the morning. Otherwise, it’s not good for your body. Let’s eat before we sleep, okay?” ”

“Okay,” Xu Yao replied in a daze. ”

He Ziteng went back to make breakfast.

“Soon, the braised dumplings were ready. He ziteng brought the dumplings to the kitchen. “Yaoyao, get up and eat.” ”

“Hearing he ziteng’s voice, Xu Yao was a little irritated. She even wanted to scold him. ”

But she still held it in.

“Xu Yao lifted the blanket and started to get up. But when she smelled the smell of the braised dumplings in the air, her stomach churned. That feeling was very uncomfortable, as if she would vomit at any time. ”

Xu Yao immediately ran to the bathroom and vomited all the food in her stomach.

“Seeing this, he ziteng said nervously, “Yaoyao, Yaoyao, what’s wrong? Why are you throwing up?” ”

“Xu Yao’s face was very pale. She covered her chest and said, “I’m fine.” ”

“You’re already throwing up so badly, and you still say you’re fine!” He ziteng continued, “I’ll call doctor Mi to come over and take a look.” ”

“It’s just a small problem,” Xu Yao continued, “You don’t have to call Doctor Mi. I’m really fine. I’ll probably be fine after eating something.” ”

“He ziteng supported Xu Yao as the two of them walked into the bedroom. They smelled the smell of the oil-braised dumplings again, and Xu Yao’s stomach churned again. She ran back into the bathroom and started throwing up.”

“He ziteng patted Xu Yao’s back and was extremely anxious. “Yaoyao, did you eat something bad?” ”

Xu Yao shook her head.

She had been eating very normally these few days and had not eaten anything special.

“As she vomited, Xu Yao felt that something was not right.”

Could it be that she was pregnant?

“Thinking of this, Xu Yao was ecstatic.”

That’s right.

She definitely was pregnant!

“He ziteng continued, “No, I have to call Mi Chen immediately and ask him to come over.” ”

“This time, Xu Yao did not stop him.”

“About an hour later, Mi Chen arrived.”

““Ziteng, what did you say about Xu Yao’s condition?” ”

“He ziteng said, “She vomited terribly. This morning, she vomited several times! Mi Chen, show her if she ate something bad!” ”

“He ziteng had never experienced such a thing, so naturally, he would not think about being pregnant. ”

“What he was worried about now wasn’t that Xu Yao had eaten something wrong, but whether Xu Yao was sick! ”

“Mi Chen took out her stethoscope and looked at Xu Yao’s tongue. Finally, she put down the stethoscope. Before she could say anything, he ziteng couldn’t wait to ask, “Mi Chen, is Yaoyao Alright?” ”

“Mi chen smiled and said, “Ziteng, Congratulations.” ”

Congratulations?

For what?

He ziteng was stunned.

Xu Yao narrowed her eyes. It looked like she was really pregnant!

This was great!

He ziteng looked at Mi Chen. “What are you congratulating me for?”

“Mi chen smiled and said, “You might be going to be a father.” ”

A father!

“At that moment, he ziteng thought he was hearing things.”

“W-what did you say?” After a long while, he ziteng found his voice again.”

“Mi Chen continued, “Congratulations on becoming a father, but I’m not sure if Xu Yao is pregnant. I suggest you go to the hospital for a detailed check-up.” ”

“Really? I’m really going to be a father!” He ziteng stood up from his chair happily.

“Yes.” Mi Chen nodded.

He ziteng was ecstatic. He reached out and grabbed Xu Yao’s shoulder. “Yaoyao. Yaoyao! I’m going to be a father! You’re going to be a mother!”

He was so happy!

“After having a child, his mother would definitely agree to his marriage with Xu Yao. ”

“After all, his parents had long wanted to have a grandchild. ”

“Xu Yao was much calmer than he ziteng. She continued, “Didn’t Big Brother Mi say it just now? He’s not sure if he’s really pregnant either. Everything will only be confirmed after he goes to the hospital for a check-up.” ”

Mi Chen nodded. “Xu Yao is right.”

“He ziteng held Xu Yao’s hand and said, “We’ll go do the test right now!” ”

He couldn’t wait to confirm this good news.

Xu Yao nodded.

“He ziteng looked at Mi Chen. “Mi Chen, help yourself. I’ll take Yaoyao to the hospital first.” ”

“You’ll drive there?”Mi Chen asked.

He ziteng nodded.

“Mi chen smiled and said, “Why don’t I Drive You There? You’re so excited right now. It’s not suitable for you to drive.” ”

“”That’s fine too.”He ziteng handed the keys to mi Chen and said, “Thank you for your hard work, Mi Chen.” ”

“”It’s my pleasure,”mi Chen said. ”

Mi Chen’s driving skills were pretty good. They soon arrived at the city hospital.

Mi Chen sat in the car. “I won’t get out. I’ll wait for you guys in the car.”

He ziteng nodded. “Okay.”

Mi Chen looked at he ziteng and Xu Yao’s disappearing figures in front of her and narrowed her eyes.

He ziteng.

He could disappear from this world very soon.

He ziteng brought Xu Yao to the gynecology department to register and then queued up for an examination.

“After a long while, he finally received the report form.”

“He ziteng could not understand the report form either. He turned to Xu Yao and said, “Yaoyao, you rest here for a while. I’ll go and ask the Doctor.” ”

“Xu Yao smiled and said, “I’ll go with you.” ”

“That’s fine too.”He ziteng nodded.

“Very soon, they arrived at the Doctor’s office. He ziteng could not wait to ask, “Doctor, may I ask if my girlfriend is pregnant?” ”

“The Doctor took the report, looked at it, and nodded. “Congratulations, your girlfriend is indeed pregnant! After all, she’s already six weeks pregnant! Remember not to exercise intensely for the first three months, and then...” ”

The Doctor gave some instructions.

“Hearing this, he ziteng was very excited. He picked Xu Yao up on the spot and cheered. ”

“Seeing this, the doctor quickly said, “Quick, quick, quick! Stop! Didn’t I just tell you not to exercise too intensely?” ”

“He ziteng immediately put Xu Yao down. “I’m too excited! Yaoyao, are you alright? Are you feeling unwell?” ”

““I’m fine.”Xu Yao smiled and said, “Don’t worry, I’m not that delicate.” ”

“When he heard that Xu Yao was fine, he ziteng heaved a sigh of relief. ”

“Ever since he came out of the hospital, the smile on he ziteng’s face had not disappeared. ”

“After getting into the car, he ziteng did not wait for Mi Chen to ask. He said, “Brother! Brother! I’m going to be a father! I’m really going to be a father!” ”

“Mi chen smiled and said, “Congratulations.” ”

““Same to you.”He ziteng continued, “I have to quickly tell my parents the good news!” ”

““Wait a minute,”Xu Yao suddenly said. ”

“What’s Wrong?”He ziteng asked.

“Xu Yao continued, “Don’t tell uncle and Auntie for the time being.” ”

“He ziteng asked in puzzlement, “Why?” ”

“Xu Yao continued, “I’m only one month pregnant. Under normal circumstances, pregnant women would only announce this news three months later.” ”

“Because the first three pregnancies were unstable, it was very easy for the fetus to slip. For the conservative period, it would be announced three months later. ”

“Hearing this, he ziteng nodded. “Alright, I’ll listen to you.” ”

“Mi Chen’s eyes were filled with a sinister light. Unfortunately, he ziteng, who was sitting in the back seat, could not see it at all. ”

“He ziteng had always loved Xu Yao. When he found out that Xu Yao was pregnant, he held her in his hands and refused to let her do anything. ”

He hired five servants at once to take care of Xu Yao's daily life.

"Originally, there was only one servant responsible for cleaning in he ziteng's small apartment. "

It was a pity that Xu Yao did not let him tell the good news to others for the time being.

"In the blink of an eye, another fifteen days passed. "

"In order to take good care of Xu Yao, he ziteng specifically asked for leave to accompany her during this period of time. "

"To He ziteng, nothing was more important than accompanying Xu Yao. "

"With he ziteng's company, Xu Yao was very troubled. "

"Previously, when he ziteng was busy, she could see Mi Chen at least once a day. Now, she hadn't seen Mi Chen for three days! "

No.

She had to think of a way to see Mi Chen.

"At this moment, Mi Chen sent a wechat message to give Xu Yao some advice. "

Xu Yao curved her lips slightly and walked in front of He ziteng. "Ziteng."

"What's Wrong?" He ziteng turned around.

“Xu Yao continued, “I want you to drink the Ji Rui milk tea that you bought for me personally.” ”

Chapter 1956: 405: He Ziteng had a car accident! (13th watch)1

“No matter what, he ziteng would always give Xu Yao whatever she wanted. ”

“Moreover, Xu Yao was now pregnant with his child. ”

“When he ziteng heard Xu Yao say that she wanted to drink ji rui milk tea, he ziteng immediately nodded and said, “Okay, I’ll buy it for you right away.” ”

“Seeing this, Xu Yao said again, “Why don’t We Forget It? Ji Rui milk tea is so far away from our house, I Won’t drink it.” ”

“How can you not drink it? I’ll go buy it for you right away.”He Ziteng took the car keys and went to buy milk tea for Xu Yao.

“Seeing that he ziteng had left the house, Xu Yao sent the servant away and sent a message to Mi Chen. ”

“After Mi Chen received Xu Yao’s message, she immediately went to he ziteng’s apartment. ”

“Over here, because he was in a hurry to buy milk tea for Xu Yao, he ziteng drove very quickly. ”

“After all, Xu Yao was pregnant. ”

Pregnant women were different from ordinary people.

“If a pregnant woman wanted to eat something, she had to eat it immediately. ”

He Ziteng drove from 90 to 210.

“At this moment, a red car suddenly passed by from the opposite side of the road. ”

“He ziteng frowned slightly and immediately slowed down the brakes. At this moment, he realized that the brakes had failed! ”

What should he do?

What should he do now!

“Cold Sweat broke out on he ziteng’s face. Seeing that he was about to crash into the red car, he ziteng immediately turned the steering wheel. ”

Bang!

The car crashed into the green belt at the side.

The four wheels were facing the sky.

Fresh blood spread from the ground.

...

“On the other side, Xu Yao was sitting in Mi Chen’s arms, whispering to him. ”

“After a while, Xu Yao continued, “Alright, get ready to leave. It’s almost time. He ziteng will be back soon.” ”

“Back?” Hearing this, Mi Chen curled her lips. “I’m afraid he ziteng will never come back!” ”

“Xu Yao was stunned. She stood up and asked, “What do you mean?” ”

“Mi Chen looked at her watch. “According to the time, the car has already been destroyed.” ”

That’s right.

All of this was a trap set by Mi Chen.

“From the last time Mi Chen helped he ziteng drive them to the hospital, he had tampered with He ziteng’s car. ”

“Once he ziteng’s speed exceeded 210 km/h, the brakes would fail. ”

“Xu Yao was in a hurry to drink milk tea. Furthermore, there wasn’t much traffic on the way to Ji Rui milk tea, so he ziteng would definitely be speeding. ”

“In that case, there would definitely be a car accident! ”

The car would be destroyed and people would die!

“Hearing this, Xu Yao’s face turned pale. “Mi Chen, what did you do to He Ziteng?” ”

“Mi Chen said, “I just wanted him to disappear from this world.” ”

“Are you crazy!” Xu Yao said angrily, “Who told you to do this? Who told you to touch he ziteng!” ”

“Everything she did was for the sake of marrying he ziteng. If he ziteng died, who would she marry?”

This meant that all her previous efforts would be in vain.

No.

Xu Yao was unwilling.

“I’m not crazy.” Mi Chen looked at Xu Yao and said, “Yaoyao, I’m doing this for your own good!”

“For my own good? For my own good, why did you kill he ziteng?!” Xu Yao continued, “If anything happens to he ziteng, I’m not done with you!”

“Mi Chen placed her hands on Xu Yao’s shoulders and said, “Yaoyao, calm down and listen to me slowly.”

“Speak.” She wanted to see what Mi Chen could say.

“Mi Chen looked at Xu Yao and analyzed, “He ziteng is the only son of the He family. Now that you have his child, if anything happens to he ziteng, the child in your stomach will be the only heir of the He family...”

“When she heard this, Xu Yao’s eyes instantly lit up.”

Yes.

Mi Chen was right.

“She was pregnant with he ziteng’s child. In the future, she would be the living ancestor of the He family. What was she afraid of?”

“Mi Chen continued, “Yaoyao, once he ziteng dies, not only can you openly become a member of the He family, but you can also be with me without any worries. Isn’t this the best of both worlds?” ”

“Xu Yao’s lips curled up slightly. She continued, “Are you sure that he ziteng will definitely die?” ”

It had to be said that Mi Chen’s plan was very thorough.

He had considered every aspect.

““Even if he doesn’t die, he’s still a cripple,” mi Chen said. ”

“Really?” Xu Yao asked.

Mi Chen smiled at Xu Yao. “When have I ever lied to You?”

“After saying that, Mi Chen put her arm around Xu Yao’s shoulder. “Yaoyao, now we just have to wait for the news of he ziteng’s death.” ”

“Okay.” Xu Yao nodded and the corners of her mouth curled up.

“An hour later, Xu Yao received a call from the hospital. ”

“At that moment, she was sitting in Mi Chen’s arms. ”

“After answering the call, mi chen asked, “How is it?” ”

“The panic and confusion on Xu Yao’s face disappeared. She smiled and said, “As you expected, he ziteng is currently being treated in the ICU. His condition is very bad.” ”

Mi Chen also smiled.

“Half an hour later, Xu Yao rushed to the hospital.”

The He family’s parents were waiting anxiously at the entrance of the emergency room.

“Father he was fine. Looking at mother he’s eyes, it was obvious that she had just cried.”

“Xu Yao secretly curled her lips, but she looked very anxious. Her eyes were red. “Uncle, Auntie, I’m Sorry I’m late. Ziteng, is Ziteng Okay?” ”

“”B * Tch!”Mother he couldn’t help but slap Xu Yao’s face. “It’s all because of you! It’s all because I wanted to buy milk tea for you that Ziteng got into a car accident! If anything happens to Ziteng today, I’m not done with you!” ”

“She had warned he ziteng long ago that Xu Yao wasn’t a good woman, but he ziteng just wouldn’t listen!”

“Xu Yao was hit so hard that her head tilted, and blood dripped from the corner of her mouth. She cried and apologized, “Auntie, I’m sorry. It’s all my fault. I didn’t do it on purpose!” ”

“Mother he wanted to reach out and slap Xu Yao again, but father he stopped her. “It’s already happened. It’s useless even if you beat her to death!” ”

“If she was really beaten to death, she would still have to go to jail.”

“At this moment, the door of the emergency room was opened and the Doctor walked out.”

The He family’s parents and Xu Yao immediately surrounded him.

“”Doctor, is my son Alright?” ”

“The Doctor took off his mask and shook his head regretfully, “Although the operation has been successful so far, the patient’s injuries are too serious. I’m afraid that he won’t be able to survive tonight! Even if a miracle can happen and he can survive tonight, he will only be a vegetable in the future.” ”

How could this be?

How could this be?

“At this moment, tears fell like rain from his mother’s eyes. ”

“He ziteng was only 29 years old this year, and his life had just begun... ”

“Hearing this, Xu Yao’s vision went black, and she fainted immediately. ”

“Madam! Are You Alright!”The nurse beside her immediately helped Xu Yao up.

“However, Xu Yao was still unconscious. ”

The doctor gave Xu Yao a checkup.

“A moment later, she walked out from inside. “Are you the family members of that Madam Just Now?” ”

“Mother he was about to say no when the doctor continued, “That Madam is already more than two months pregnant. Because she had just suffered a shock, her fetal qi is a little unstable. Do you want to give her a prenatal injection?” ”

What?

Xu Yao was pregnant?

Mother he and father he were both stunned.

“Father he was the first to react. He walked up to the doctor and asked, “What did you say? She’s pregnant?” ”

““Yes.”The doctor nodded. “Also, what’s with the wound on the pregnant woman’s face? Are you the family members of the pregnant woman?” ”

“Father he immediately said, “I am. I Am. She is my son’s girlfriend!” ”

The Doctor took out the document. “Then you can sign here.”

Father he took the document and lowered his head to sign it.

“He ziteng’s life and death were unknown. The Doctor said that even if he was lucky enough to survive, he would only be a vegetable. The child in Xu Yao’s stomach was the only blood that he ziteng had left. ”

“No matter what, he could not let the child in Xu Yao’s stomach be harmed. ”

“Mother he stood rooted to the ground, not knowing how to react. ”

The girl she hated the most was pregnant with her son’s child.

“Unfortunately, her son was unconscious at this time. ”

“After signing the papers, father he looked at mother he. “Xunfang, now that Ziteng is like this, we must protect the child in Xu Yao’s stomach.” ”

“What if this child is not Ziteng’s?” Mother he asked.

“Father he said, “It should be Ziteng’s. After all, they have already cohabited. Moreover, ziteng also said last time that Xu Yao might get pregnant one day!” ”

“Speaking up to this point, father he paused and continued, “Isn’t there that bone spur test now? Xu Yao wouldn’t dare lie to us!” ”

“Hearing this, mother he nodded. ”

“Father he continued, “Well, the Doctor said that pregnant women should eat less and eat more. I’ll go buy some food first. You wait here.” ”

“Okay.” Mother he nodded. Her face was full of despair.

Why.

Why did fate treat her like this?

“Soon, father he bought some food back. ”

It was also at this time that Xu Yao woke up.

“Father he brought food into the ward. “Child, you’re awake.” ”

“Xu Yao sneered in her heart. This old thing was indeed hypocritical. When he heard the news of her pregnancy, his face immediately changed. ”

It was simply disgusting.

“Xu Yao’s face was full of tears as she continued, “Where’s ziteng? I’ve Let Ziteng Down. I’ve let him down!” ”

“”Child, do you know that you’re Pregnant?” ”

“Pregnant?”Xu Yao looked at Father Xu as if she didn’t know anything.

Chapter 1957: 406: Contact Miss Ye immediately! (14th watch)1

“Seeing her like this, father he said in surprise, “You still don’t Know?” ”

“I don’t know.”Xu Yao shook her head in confusion. “Am I really pregnant?”

No one could tell that she was acting right now.

“Acting had to be done properly. Of course, she couldn’t let the He family’s parents know that she was pregnant. ”

“Otherwise, she would have fainted for nothing. ”

“Father he nodded. “Yes, you’re pregnant.” ”

Xu Yao’s eyes turned red instantly. She clutched her stomach and laughed as she cried. “I’m pregnant. I’m pregnant with Ziteng’s Child!”

“After saying that, she lifted the blanket on her body. “I’m going to tell Ziteng. Ziteng will definitely be very happy.” ”

“Father he stood behind Xu Yao and held her arm. “Child, calm down now. Ziteng is still in danger. None of us can enter.” ”

He ziteng had to go through today’s critical period before he could leave the ICU.

“But the doctor also said that even if he ziteng passed the critical period, he would only be a cripple in the future. ”

Father he felt like the sky was falling!

“Fortunately, at the most critical moment, the examination revealed that Xu Yao was pregnant. ”

A child represented hope.

Xu Yao’s pregnancy could at least let him see the light and brightness.

“Xu Yao cried, “I have to go and see him. I have to tell him that we have a child. Uncle, please don’t hold me back.” ”

“Father he sighed and tears streamed down his face, “Child, you’re pregnant now. The doctor just said that your fetus is unstable. At this time, your emotions can’t be too volatile. Something has happened to ziteng. You have to protect yourself.” ”

“Xu Yao’s emotions burst at this moment and she sat on the ground, “It’s all because of me. If I didn’t want to drink milk tea, Ziteng wouldn’t have been in trouble! Uncle, hit me! Don’t worry. If anything happens to Ziteng, I definitely won’t live in vain! Whether it’s hell or hell, I’ll be with him!” ”

“Hearing this, father he was shocked. ”

“If anything happened to Xu Yao, then they wouldn’t be able to see any hope! ”

No.

Xu Yao couldn't be in trouble!

"Father he immediately said, "Child, child, you can't think like this. You're not alone right now. You're still pregnant with Ziteng's child. No matter what, you have to protect yourself!" "

"Hearing this, Xu Yao's lowered eyes were full of sarcasm. "

Father he was also disgusted.

"When she was dating he ziteng, father he kept calling her miss xu. What about now? "

"When he found out that she was pregnant, not only did he affectionately call her child, he even asked her to protect him! "

Mi Chen was still the best.

"If it wasn't for Mi Chen, she definitely wouldn't have thought of this move. "

"Xu Yao buried her pride in the bottom of her heart and cried, "I don't want to live anymore. I really don't want to live anymore! Ziteng, ziteng, you mustn't let anything happen to you!" "

"At this moment, the sound of footsteps came from outside the door. "

Xu Yao looked up and saw that it was mother he.

"Other than sadness, there was only disgust on mother he's face. "

She didn't like Xu Yao.

She didn't like her from the first time they met!

"Later on, it proved that her sixth sense wasn't wrong. "

Xu Yao was a disaster.

"If it wasn't for Xu Yao, he ziteng would definitely not be in trouble. "

"Old he, don't stop her! I want to see if she is really willing to accompany Ziteng!" Mother he's voice was very cold. "

How could she be willing to die for a hypocritical woman like Xu Yao!

She was just pretending.

Father he looked at mother he. "Xunfang!"

"Let Her Go!" Mother he said.

Father he had to let Xu Yao go.

Xu Yao narrowed her eyes.

"Ouyang Xunfang, this old woman, was really difficult to deal with. "

"It seemed that if she didn't use some bitter tactics, she really wouldn't be able to hide it. "

"Xu Yao raised her head and with a leap, she went over and directly hit the wall. "

Bang!

A bloody mark was left on the wall on the spot.

“Child!” Father he was shocked.

Mother he was also stunned.

She didn’t expect Xu Yao to really hit the wall.

She had thought that Xu Yao was just putting on an act.

Mother he gulped and took a few steps back.

“Father he immediately walked over and helped Xu Yao up. “Child, child, Are You Alright?” ”

“Xu Yao’s eyes were tightly shut, and the wound on her forehead looked very scary. ”

Father he turned to look at mother he. “Xunfang! Quickly call the Doctor!”

Mother he reacted at this moment and immediately ran outside to call the doctor.

“The doctor arrived very quickly. After he had done the first aid, he turned to look at the two of them, “You family members are too irresponsible. The pregnant woman’s emotions are already unstable, yet you still dare to provoke her! Do you know how dangerous this is? !” ”

“Father he kept apologizing. “Doctor, we know we’re wrong. Um, is the child alright? !” ”

“You’re her father, right?” “Since you’re so concerned about her child, you should be more concerned about her!” “The child’s condition is very bad right now. We need to stay in the hospital to save the Child!” “Also, the pregnant woman’s mood is very bad right now. She can’t be agitated anymore. When that happens, not to mention the child, we won’t even be able to save the adults!” “As family members, be careful!” ”

“Yes, yes, yes, doctor, we understand!” Father he kept wiping the cold sweat off his head. ”

“No one noticed that Xu Yao, who was on the hospital bed, had a faint smile on her face. ”

Idiots.

They were all idiots.

“After the Doctor left, father he looked at mother he. “Xunfang, did you hear what the Doctor said just now?” ”

Mother he did not say anything. She just looked out of the window.

“Father he sighed and continued, “I know you’re feeling bad. Actually, I’m the same as you. I’m also feeling bad. But now that things have already happened, no matter how bad I feel, it’s useless!” ”

“Speaking up to this point, father he paused, then he continued, “No matter whether Xu Yao is acting or not, no matter what her character is, she’s still carrying the child of Ziteng in her stomach. If... .. If.. ... If anything happens to ziteng, this child will be our last hope! Therefore, xunfang, for Ziteng’s sake, I beg of you, I beg of you, please stop targeting Xu Yao, okay? Let Xu Yao give birth to the child safely!” ”

“At such a time, father he had to support the family. ”

“If he was like mother he and treated Xu Yao as a sinner of the He family, then the family would really be finished! ”

At least there was still a child left.

“After a long while, mother he nodded and compromised, “Alright.” ”

“Under such circumstances, other than agreeing, what else could she say? ”

He ziteng was already in such a state!

“Even if he killed Xu Yao, it wouldn’t be of any help. ”

“Moreover, the current Xu Yao was still the child’s mother. ”

Father he was right. The child in Xu Yao’s stomach was their last hope.

“No matter what, they had to protect this child until he was safely born. ”

“Seeing that mother he finally nodded, father he smiled and said, “Xunfang, it’s good that you can think things through. Xu Yao’s emotions are very unstable right now. I was thinking of contacting her parents and asking them to take care of her.” ”

“With he zi freed up so much time, they simply did not have the energy and extra time to take care of Xu Yao. ”

“Secondly, mother he had a very deep opinion of Xu Yao. If anything were to happen again, the He family would not be able to see any hope. ”

Mother he continued to nod. “It’s up to you.”

She hated Xu Yao. It was best not to see her.

Father he nodded. "Then it's decided!"

The two of them walked out of Xu Yao's ward and arrived at the entrance of the ICU.

"Through a glass window, they could clearly see he ziteng lying on the operating table. His body was filled with tubes from the instruments, and he was lifeless."

"Seeing this scene, mother he's mood, which had finally calmed down, became extremely sad again. "Ziteng! My child!" "

"If it was possible, she was willing to lie on the operating bed in his place."

The greatest pain in the world was nothing more than sending someone else to die.

Father he held mother he with both hands and did not say anything. He just looked at he ziteng inside and cried silently.

"At that moment, mother he seemed to have suddenly remembered something. She turned to father he and continued, "Look for Miss Ye! Miss ye will definitely be able to save Ziteng!" "

"Miss Ye?" Father he frowned slightly.

"Mother he continued, "Miss ye is fifth master's fiancée. Ziteng once said that Miss Ye's medical skills are very brilliant. She can heal the bones of dead people. If we contact Miss Ye, she will definitely have a way to save Ziteng!" "

The husband and wife immediately contacted ye Zao.

But they did not contact ye Zao himself.

Ye Zao was conducting an experiment on Mars.

“Now that the official experiment was at the most critical moment, even Lin Jincheng and ye Shu could not contact her. ”

She could only wait.

“Hearing this, mother he immediately asked, “May I know how long we have to wait?” ”

Ye Zao was he Ziteng’s last hope!

She had to hold on tightly.

“The assistant said, “I’m not too sure about the exact time. It might be half a month, or it might be three days.” ”

“Hearing this, mother he’s face was full of disappointment. ”

“He ziteng had suffered a very serious injury from the crash, and the injury could not be delayed. Even if he ziteng could survive tonight, would he still be able to wait fifteen days? ”

“He ziteng was usually quite popular in the base and did not have much of an official’s airs. When he found out that something had happened to him, the assistant was also very anxious. He continued, “Mrs. He, don’t worry. Once we contact Miss Ye, we will immediately inform you!” ”

“Chapter 1958: 407: Meteoric Rise, incomparably excited (15th Watch!)1”

““Okay, then thank you, Young Lady. Remember to inform me,” mother he said. ”

“I will, don't worry.” The assistant continued, “Oh right, Mrs. He, my name is Shen Jie. You Can Just Call Me Little Shen! Worker he is so good, he will definitely be fine. Don't Worry!” ”

“Hearing the assistant's comforting voice, mother he felt a little better. “Xiao Shen, thank you.” ”

“Mrs. He, you're too kind.” ”

“After hanging up, father he immediately asked, “How was it? What did Miss Ye Say?” ”

Mother he shook her head.

“What happened?” Father he asked.

“Mother he continued, “Miss Ye is doing experiments on Mars. I Can't contact her for the time being.” ”

“Hearing that, father he fell back into the chair behind him with a defeated look on his face. ”

“How could this be?”

Was the heavens trying to destroy the he family?

...

On the other side.

“When the Xu family's parents received the call, they were ecstatic. ”

Pregnant!

Xu Yao was actually pregnant.

They had always dreamed of getting Xu Yao pregnant. Who would have thought that happiness would come so suddenly.

“Old Xu, pinch me. Let’s see if I’m Dreaming!” Mother Xu looked at Father Xu. ”

Father Xu reached out and pinched mother Xu’s arm.

Hiss!

It hurt!

Mother Xu immediately pulled her arm back and looked at father Xu with a smile. “It hurts! Old Xu! It’s Not a dream! It’s really not a dream! Our Yaoyao is pregnant!”

Father Xu was also very happy. He hugged mother Xu and cheered. “That’s great! Yaoyao is pregnant!”

“If Xu Yao successfully got pregnant with he ziteng’s child, it meant that she had stepped into the he family’s door. ”

“In the future, the Xu family would also prosper. ”

“Thinking of this, the couple was very excited. ”

“Father Xu calmed himself down. He looked at mother Xu and said, “Let’s quickly pack up and go to the hospital. Didn’t they say that Yaoyao is in the hospital taking care of the baby and that Xu Yao will be taken care of?” ”

“At such a critical moment, they couldn’t let Xu Yao get away with anything. ”

“Mother Xu nodded. “Yes, yes, yes. Let’s hurry to the hospital! Oh, wait a moment. I’ll go to the kitchen to make some chicken soup to nourish yaoyao!” ”

““I’ll go to the kitchen. You Go pack up the things,”father Xu said. ”

“That works too.”

The two of them split up. One went to the kitchen while the other went upstairs to the bedroom.

“Before long, everything was ready and they arrived at the hospital. ”

Xu Yao was lying on the hospital bed. Her face was pale and her expression was sorrowful. There was even a bandage wrapped around her forehead.

“The He family only said on the phone that they would come to take care of Xu Yao, but they did not say that Xu Yao was injured. Seeing Xu Yao like this, the couple’s expression changed and they immediately walked to Xu Yao’s side, “Yaoyao, are you alright? What happened to your head? And your face! Who Hit You? Was it he ziteng?” ”

Xu Yao was pregnant and was pregnant with the He family’s bloodline. How could he ziteng hit her!

“When he ziteng was mentioned, Xu Yao instantly burst into tears. ”

“Seeing that she was crying so hard, the Xu family’s parents became even more nervous. “Yaoyao, what happened? Did He Ziteng Bully You? Does he know that you’re Pregnant?” ”

What happened to He Ziteng Now?

Could it be that he didn’t want to have a child anymore? !

“Xu Yao cried as she said, “Ziteng, ziteng, he, he got into a car accident! Father and mother, it’s all my fault. I shouldn’t have been so pretentious and wanted to drink milk tea... .. It’s all my fault... .. If I didn’t drink milk tea, Ziteng wouldn’t have gotten into an accident!” ”

“Hearing this, the Xu parents finally understood the ins and outs of the matter. ”

So something had happened to he ziteng!

He ziteng’s life and death were currently unknown. The only thing in Xu Yao’s stomach was the he family’s only bloodline.

“This way, Xu Yao would become the living ancestor of the Xu family. ”

Mother Xu looked at Father Xu. “Go Stand Guard outside the door. I want to say a few words to Yaoyao.”

“Okay.”Father Xu went outside and closed the door.

“In the blink of an eye, only mother Xu and Xu Yao were left in the ward. ”

“Mother Xu looked at Xu Yao. “Okay, Don’t Cry Anymore!” ”

Xu Yao picked up a tissue to wipe her tears.

“Mother Xu continued, “Now that he ziteng is free, tell me, what do you think?” ”

“Xu Yao looked up at her mother and smiled. “Of course, give birth to the child and inherit the he family’s property!” ”

“Once he ziteng died, the child in her stomach would be the only heir. ”

“Other than giving the he family’s assets to the mother and son, who else could they give it to?”

“Mother Xu nodded and continued, “However, we are still lacking something. Let me ask you, were the injuries on your head and face caused by the he family?” ”

“Yes.” Xu Yao reached out and touched her face. “It’s all because of that old B * Tch Ouyang Xunfang!”

Mother Xu narrowed her eyes and waved at Xu Yao.

Xu Yao immediately leaned over.

“Mother Xu whispered in Xu Yao’s ear and then said, “What do you think?” ”

“”Okay.” Xu Yao nodded. “Mom, we’ll do as you say.” ”

It had to be said that the older the wiser.

It was hard not to admire mother Xu’s strategy.

“After a while, mother Xu walked over and opened the door. She said in a low voice, “Has anyone come?” ”

“No.” Father Xu shook his head.

Mother Xu looked at him. “Come with me for a moment.”

Father Xu followed his footsteps.

“Soon, the two of them appeared in he ziteng’s office. ”

“”Hello, we are he ziteng’s girlfriend’s parents. How is He Ziteng Now?” ”

“The attending physician shook his head. “He ziteng’s current condition is very bad. His body’s various indicators have been declining. It’s very likely that he won’t be able to survive tonight. Even if he can survive tonight, he will only be a vegetable in the future!” ”

“Vegetable?”Mother Xu looked at the attending doctor in surprise. “Are you kidding me?”

“”As a doctor, I also hope for a miracle.”Unfortunately, the matter was already settled. ”

“Mother Xu continued, “Then isn’t a vegetable a cripple?” ”

The doctor didn’t say anything.

“In fact, mother Xu was right. A vegetable was a cripple. ”

“”No! How can my daughter marry a useless person!”Mother Xu looked at Father Xu. “Let’s Go! Let’s Get Yaoyao out of this as soon as possible! She’s only two months old now, so it’s good for her to have an abortion. If it takes too long, it won’t be good for her to have an abortion!” ”

Father Xu followed mother Xu’s footsteps.

The two of them walked out of the door.

“Seeing that the situation didn’t seem right, the attending doctor immediately picked up the phone and contacted the he family’s parents. ”

“He ziteng had created such a huge incident. If Xu Yao aborted the child in her belly again, then the he family’s parents’spiritual support would completely collapse! ”

“Hearing this, the He family’s parents did not dare to delay and immediately rushed to Xu Yao’s ward. ”

“As soon as they arrived at the ward, they saw the Xu family’s parents dragging Xu Yao out. ”

“”The Doctor has already said that even if he ziteng survives, he will only become a vegetable in the future! You wretched girl, are you stupid? Hurry up and follow us to complete the procedures. We absolutely can not have this child!” ”

Xu Yao knelt on the ground and begged bitterly:

“”Mother, I beg you, please let me keep this child! Something has happened to ziteng. This child is the only blood that he has left! I want to give birth to him and raise him well!” ”

“Xu Yao’s mother said angrily, “Xu Yao, I think you’re Crazy! You’re an unmarried girl. You’re giving birth to someone else’s child. You’re Shameless. Your father and I are Shameless! “Get up, get up quickly! “Come with me for an abortion. I’m telling you, I’m doing this for your own good. I don’t want you to regret it in the future!” ”

“”Mom, I won’t regret it. I really won’t regret it! I want to give birth to this child for Ziteng! Mom, I’m begging you. Dad, Dad, can you help me persuade Mom?”At the end of her sentence, Xu Yao turned her head to look at her father. ”

The three of them cooperated very well. It was impossible to tell who was acting.

They were born to be actors!

“Father Xu sighed and said earnestly, “Yaoyao, your mom is really doing this for your own good! Do you know how difficult it is to be a single mother? You are still young. After all, your mom has been through it before! Just listen to your mom. Don’t be so stubborn!” ”

“Seeing this scene, the he family’s parents immediately walked in, “Mr. and Mrs. Xu, don’t worry. As long as Xu Yao gives birth to the child, we will not mistreat her!”! “If she is willing, we can hold a

wedding for her and Ziteng. If she is not willing, we can take her as our goddaughter. In the future, she will be our biological daughter!" "

"When she saw the He family's parents walking over, Xu Yao immediately stood behind the He family's parents. "Uncle and aunt!" "

"At this moment, Mother He couldn't care less. She firmly protected Xu Yao behind her. "Don't worry. As long as your uncle and I are here, no one can force you!" "

"Xu Yao nodded, and a glint flashed in her eyes. "

Mother's trick of hiding the truth was really effective.

"Mother He had originally been wary of her. Now, all she had left for her was gratitude! "

Mother Xu placed her hands on her hips and looked at Xu Yao. "Xu Yao! I'm going to ask you one last time. Are you going to have an abortion or not?"

"Xu Yao shook her head as she cried. "Mom, I really can't do this. Please forgive me!" "

Chapter 1959: 408: kick her out! -LRB-16th watch)1

Xu Yao cried like a pear blossom in the rain.

"Mother Xu was aggressive, "I'm your mother! Can I still hurt you? Xu Yao, do you know what happens to a single girl who gives birth to a child out of wedlock? Have you ever thought about whether you want to be responsible for your child in the future! How are you going to explain this to your child when she grows up?" "

“Actually, mother Xu’s words were meant for the he family’s parents to hear. ”

It was a double act!

“They played the good cop, Xu Yao played the bad cop. ”

“Between the two of them, Xu Yao became a good girl who could give up everything for love. ”

It was not easy being a single mother.

Xu Yao was able to bear such great pressure and keep the child. This was enough to prove that she was a good girl.

“”Mom, I understand everything you’re saying. Ziteng is currently lying in the ICU. His life and death are unknown. If I were to abort the child at this time, how sad would ziteng be? How Sad Would Ziteng’s parents be! “I don’t want to have an abortion, I really don’t! “Mom, I’m begging you, please don’t force me!” ”

“Mother Xu pointed at Xu Yao and said, “Then do you know that your behavior is very selfish! It’s not responsible for yourself, and it’s also not responsible for the child! “If you give birth to a child out of wedlock, no man will dare to have you in the future! “The child will have no father in the future, and he will be bullied when he enters society!” ”

“”Mother Xu Yao, don’t worry.”Mother he walked out at this time and looked at mother Xu. “In the future, Xu Yao will be the daughter-in-law of the He family. As long as the two of us are around, no one can bully Xu Yao!” ”

“Father he glanced at mother he, his eyes filled with shock. ”

He didn’t expect mother he to say such words.

“After all, mother he only had hatred for Xu Yao. ”

It was likely that Xu Yao had influenced mother he.

“The life and death of the boyfriend was unknown. Under normal circumstances, if it was someone else, they would definitely abort the child.”

“Once a woman gave birth, she would change from a young girl to a woman.”

“In the future, if she married someone, she would only be able to get married twice.”

“Now, girls like Xu Yao were really rare!”

Perhaps they had really misunderstood Xu Yao in the past.

“Hearing these words, Xu Yao’s lowered eyes were filled with pride.”

She had thought that this old B * Tch Ouyang Xunfang was very powerful!

So it turned out that she was just so-so. She couldn’t even see through such tricks.

The child of an old fool was a little fool.

That fool he ziteng probably still didn’t understand why he had become like this.

“Mother Xu looked at mother he, “What you said sounded better than what you sang. Don’t think that I don’t know what you’re thinking! You’re just pretending because our Yaoyao is pregnant! When nothing happened to your he ziteng, I didn’t see you treat our Yaoyao so well!” ”

“Mother Xu said angrily, “You want to trick my daughter into giving birth to the child! I’m telling you, there’s no way! There’s not even a window! I Can’t let my daughter’s life be ruined by your he family!” ”

“Mom!” Xu Yao cried out sorrowfully.

“From her expression, no clues could be seen. ”

“Mother Xu said, “I’m going to ask you one last time. Are you coming back with us or not?” ”

““Mom, Please Don’t Force Me!” Xu Yao cried out. ”

““Xu Yao, you’re not coming back with us, right?” Mother Xu asked. ”

Xu Yao didn’t say anything. The expression on her face was very painful.

“Mother Xu continued, “Xu Yao, listen well! If you don’t go back with your father and me today, we won’t have a daughter like you in the future!” ”

“After saying that, mother Xu pulled father Xu and turned around to leave. ”

“Mom!” Xu Yao cried out.

Father Xu and mother Xu left without any mercy.

“The He family’s parents pulled Xu Yao. “Child, don’t be sad. You still have us in the future!” ”

Xu Yao hugged mother he. “Auntie!”

Mother he was also feeling quite uncomfortable.

“As a parent, she could understand how the Xu family’s parents were feeling. ”

“Even if he ziteng was fine, he could only be a vegetable.”

Xu Yao could not be a vegetable for the rest of her life.

“If Xu Yao gave birth to the child, not only would it affect her reputation, it would also implicate her.”

“To the current Xu Yao, the child was just a small burden.”

“As a parent, when they saw Xu Yao like this, they would definitely reach out and give her a hand.”

“Mother he patted Xu Yao’s back, “Yaoyao, don’t be sad and don’t hate your parents. They don’t have any ill intentions. They are doing this for your own good. After you give birth to the child, go and apologize to them. I think they will definitely forgive you.” ”

“Xu Yao’s lips curled up slightly, and a dark light flashed in her eyes. “Yes, thank you, Auntie.” ”

Mother he sighed. “I should be the one thanking you. Thank you for being willing to keep this poor child. It was Auntie who let you down previously.”

“She shouldn’t have been angry at Xu Yao, and she shouldn’t have let Xu Yao hit the wall.”

It was her fault.

On the other side.

“After Xu family’s parents walked out of the hospital, their expressions immediately changed.”

“Mother Xu smiled and looked at Father Xu. “How was it? My acting was pretty good, right?” ”

Father Xu gave her a thumbs up. "Amazing! Very amazing! I almost took it seriously!"

It had to be said that mother Xu's move was simply too amazing!

"Not only did it dispel the he family's parents' doubts about Xu Yao, it also allowed Xu Yao to keep the child and become a rare and good girl."

No wonder people said that one should marry a good wife.

"For the first time, father Xu felt that it was not wrong to marry mother Xu back then."

"If it was anyone else, would they have thought of such a method?"

It was impossible!

"Thinking of the scene just now, the smile on mother Xu's lips became even wider. She continued, "Did you hear what Ouyang Xunfang said just now? She said that our Yaoyao will be the he family's daughter-in-law in the future!" "

"Father Xu nodded and continued, "From now on, the He family will be our world!" "

"But we can't be happy too early," mother Xu continued, "We have to wait for Yaoyao to give birth to the child safely. By the way, do you think that he ziteng is really hopeless? What if he suddenly comes back to life?" "

What if he ziteng suddenly comes back to life? Wouldn't all of this be in vain!

The current situation was that he ziteng dying directly or becoming a vegetable would be more beneficial to Xu Yao!

Therefore.

He ziteng must not get better.

“He won’t! Don’t Worry!” Father Xu said, “I’ve asked. He ziteng’s chief surgeon is the best doctor in China. He has several years of overseas study experience. He said that he ziteng is hopeless. Then he ziteng must be hopeless!” ”

“Hearing this, mother Xu heaved a sigh of relief and said with a smile, “That’s Good! Speaking of which, our Yaoyao is also lucky. Don’t you think that if our Yaoyao didn’t get pregnant this time, she would have been kicked out by the He Family?” ”

“In this way, Xu Yao’s efforts were in vain. ”

“Father Xu nodded and said with great agreement, “I also think that our Yaoyao is lucky! Even God is helping her!” ”

“After learning that he ziteng was in trouble, the CEN base’s employees all came over to see he ziteng. ”

The He family’s parents’ eyes were red as they told everyone about he ziteng’s current situation and introduced Xu Yao.

“What Xu Yao needed the most right now was status. After all, she was pregnant with he ziteng’s child. ”

“When they heard that Xu Yao was pregnant with He Ziteng’s child and was determined not to have an abortion, everyone was full of admiration for Xu Yao. ”

“If it was anyone else, they probably wouldn’t be able to do what Xu Yao did. ”

“Sister-in-law, don’t worry. Brother Ziteng is such a good person. He will definitely be fine!” ”

“Sister-in-law, you have to be strong. You still have us in the future!” ”

“Xu Yao’s eyes were red as she said, “Thank you, everyone. I will definitely be strong and face life. No matter what Ziteng will become in the future, I will always be by Ziteng’s side and raise the child to become an adult!” ”

“After listening to these words, everyone was even more impressed with Xu Yao. ”

“”Sister-in-law, a good person will be rewarded. You and worker he are both so good. Worker he will definitely get better!” ”

“”Okay.”Xu Yao nodded and continued, “Thank you for coming to see ziteng. I thank you on his behalf.” ”

“”Sister-in-law, you’re too polite. He Gong has always been so good to us. It’s only right that we come to see him now.” ”

“Cen Jiang did not go to Mars. He called father he to the side and asked, “Uncle, have you looked for Miss Ye?” ”

“Although he ziteng’s injuries were very serious, ye Zhuo should have a solution. ”

“Father he nodded. “I have, but Miss Ye is doing an experiment now. Assistant Xiao Shen said that we can’t contact her now, so we can only wait for the experiment to end.” ”

“Cen Jiang frowned slightly and continued, “Uncle, don’t worry. Don’t worry. We’ll talk about everything after Miss Ye finishes her experiment.” ”

“Father he looked at Cen Jiang, his eyes rekindled with hope. “Team leader Cen, is Miss Ye’s medical skills really that good?” ”

“Yes.”Cen Jiang nodded.

“Cen Jiang was a very steady person. Hearing him say that, father he inexplicably gained a lot of confidence!”

“Father he continued, “I hope Ziteng can survive tonight and wait for Miss Ye’s return safely.” ”

“Cen Jiang said, “He will definitely make it. I believe in ziteng.” ”

Father he nodded.

“Time passed by minute by minute. Very quickly, it was already eight o’clock in the evening.”

“That night, the He family’s parents were all standing guard at the entrance of the ICU Ward, afraid that something would happen to he ziteng.”

Xu Yao also pretended to be standing guard at the entrance.

“Mother Xu stood up and said, “Yaoyao, go back and rest first. Your uncle and I will be fine here.” ”

“Xu Yao shook her head. “No, I want to watch Ziteng Myself.” ”

Chapter 1960: 409: Uninvited Guest (17th Watch!)¹

“Actually, Xu Yao was also a little worried. What if he ziteng really made it through?”

“But when she thought of the Doctor’s words, she felt relieved again.”

So what if he really made it through!

“If he really made it through, he ziteng would only be a cripple. ”

“Thinking of this, Xu Yao heaved a sigh of relief. ”

“He’s mother continued, “Yaoyao, you’re still pregnant. Even if you don’t think about yourself, you have to think about the child in your belly. The first three months are the most critical period. Go back and rest! Don’t let your uncle and I worry about you!” ”

“Hearing this, Xu Yao said hesitantly, “But...” ”

“No buts. Go back and rest. Pregnant women are more lethargic than ordinary people. It’s not good to endure this.”Mother he held Xu Yao’s arm. “I’ll send you back.”

“Helpless, Xu Yao could only agree. She continued, “Auntie, if anything happens, you must tell me immediately!” ”

“Okay.”Mother he nodded with reddened eyes.

“After sending Xu Yao to the ward, mother he returned to the ICU entrance. ”

“Seeing her come over, father he turned around and asked, “Have you sent Yaoyao Back?” ”

“Yes.”Mother he nodded. “I hope that Ziteng can survive tonight safely.”

“Father he held mother he’s hand tightly, “It’s okay. Ziteng will definitely be fine. Have you forgotten? The year you gave birth to ziteng, there was a master who came to our house to seek refuge. He said that there was a great calamity in our Ziteng’s life. As long as we can survive this calamity, we will be rich and successful in the future. We will be able to live a peaceful and smooth life!” ”

“Yes.”Mother he nodded.

“In the following period of time, the husband and wife comforted each other until the doctor went to work the next morning. ”

“”Doctor, doctor! My son was fine last night. Does that mean that he’s fine and can come out of the ICU?” ”

“The attending doctor nodded. “But don’t be too happy. Although the patient is temporarily out of danger, it doesn’t mean that he’s fine!” ”

The rest was self-evident.

“In fact, sometimes, it was better to die than to be in a vegetative state. ”

“Father he smiled. “It’s fine, it’s fine. As long as I’m alive, it’s fine.”If he was alive, he could at least see a little light and brightness. ”

“The doctor looked at father he and said, “You’re right. As long as I’m alive, I can see Hope.” ”

“After coming out of the Doctor’s office, father he rushed to Xu Yao’s ward. ”

“Xunfang! Yaoyao!”

“Seeing father he like this, Xu Yao narrowed her eyes. He ziteng was definitely dead. ”

“Otherwise, father he wouldn’t be so flustered. ”

“Mother he immediately stood up and asked, “What did the Doctor Say? Is Ziteng Okay?” ”

Father he hurriedly nodded. “He’s fine! The Doctor said that Ziteng is temporarily out of danger!”

“That’s good.”Mother he cried tears of joy.

Out of danger?

How could this be?

How could he ziteng be out of danger!

“Xu Yao suppressed the thoughts in her heart and looked at father he. She continued, “Uncle, when will that Ziteng wake up?” ”

“Hearing this, father he was stunned. He did not know how to speak. ”

“Seeing this, Xu Yao had an idea. The stone in her heart also fell to the ground. ”

““Uncle, hurry up and say it!”Xu Yao urged anxiously. ”

“Father he sighed. This kind of thing could not be hidden from Xu Yao. He continued, “Although Ziteng’s life is no longer in danger, he won’t wake up for the time being. The Doctor said that he will become a vegetable in the future...” ”

Xu Yao’s eyes reddened again.

“Seeing this, mother he immediately added, “Yaoyao, don’t worry. Ziteng will be fine! Miss Ye will definitely have a way to cure Ziteng!” ”

“Hearing this, father he immediately nodded in agreement. “Yes, yes, yes. Yaoyao, don’t worry. Previously, a fortune teller had read Ziteng’s fortune. He said that as long as ziteng survives this calamity, he will be safe and sound for the rest of his life.” ”

“At this moment, Ye Zhuo, whom they had never met before, became the spiritual sustenance of the He family’s parents.”

They believed that ye Zhuo would definitely be able to cure he ziteng.

Miss Ye?

Who Was Miss Ye?

“Xu Yao knitted her brows without leaving a trace and reached out to hold mother he’s hand. “Auntie, can miss ye really cure Ziteng?” ”

“Yes! Definitely!”Mother he nodded firmly.

“Xu Yao continued, “Then let’s invite Miss ye over now!” ”

Mother he shook her head. “Not now. We still have to wait!”

““Why?”Xu Yao said, “Ziteng is like this now. The earlier he is treated, the more hope he has! We have to invite Miss ye over quickly. We can’t delay any longer!” ”

“Mother he sighed. “Your uncle and I also want to invite Miss ye over as soon as possible, but Miss Ye is too busy. She’s not free now.” ”

“How can this be!”Xu Yao was very anxious.

“Mother he continued, “Yaoyao, don’t be anxious. Ziteng will definitely be able to hold on until Miss Ye arrives.” ”

“Okay.”Xu Yao nodded. “I believe in him.”

“In the afternoon, he ziteng was transferred to the normal ward.”

The normal ward allowed family members to accompany him.

“The He family’s parents held onto he ziteng’s hand tightly. “Ziteng, can you hear us? Ziteng, you have to be strong! You have to be strong, understand?” ”

“Although he ziteng was unconscious and could not open his eyes, he did not even have the strength to move his fingers, but his consciousness was very clear. ”

“He knew that he had been in a car accident, and he knew that he might become a vegetable in the future. ”

“When he heard his parents’ voices, he desperately wanted to respond, but he could not say a word. ”

“He could only answer his parents in his heart. ‘Dad, Mom, don’t worry, I will be strong. No matter what, I will never give up on myself!’ ”

“At this moment, a voice sounded in the air again. ”

““Ziteng, I have good news for you. We have a baby. I’m pregnant. You’re going to be a father! Open your eyes and take a look at me, okay?” ”

It was Xu Yao’s voice.

“He ziteng tried hard to open his eyes, but he couldn’t. ”

“In a moment, he ziteng felt that something was wrong. ”

Didn't he already know that Xu Yao was pregnant?

But he didn't think too much about it.

"Xu Yao continued, "Ziteng, don't worry. No matter what, the baby and I will never give up on you. We will wait for you to wake up!" "

He ziteng was extremely touched.

He knew that he didn't choose the wrong person.

Xu Yao was worthy of his love.

"After saying that, Xu Yao said again, "Ziteng, I'm sorry. I'm the one who let you down. If I didn't want to drink milk tea, you wouldn't have gotten into a car accident..." "

Xu Yao's tone was filled with self-blame.

She was the one who let he ziteng down.

"Hearing Xu Yao's self-blame and hearing her sobbing voice, he ziteng's heart ached. "

He didn't blame Xu Yao.

He had never blamed Xu Yao.

"If he had to blame someone, he should blame himself. "

He shouldn't have driven so fast.

This matter had nothing to do with Xu Yao.

“He wanted to comfort Xu Yao, but he couldn’t say a word.”

This feeling was very uncomfortable.

“He wasn’t really going to lie on the bed forever, was he?”

“At this moment, another voice suddenly sounded in the air, “Yaoyao, don’t cry. It’s not good for the baby if you keep crying like this. I don’t want you to do this. This is Ziteng’s life! You Didn’t know that something would happen to ziteng!” ”

It was his mother’s voice.

He Ziteng was extremely shocked when he heard this voice.

“From his mother’s tone, it was obvious that she had completely accepted Xu Yao.”

That’s great!

That’s great!

He ziteng had never expected that he would be able to see his mother and Xu Yao coexist peacefully in his lifetime. They were like mother and daughter.

It seemed that his injuries were not in vain!

“Thinking of this, he ziteng was a little happy.”

“Xu Yao said, “It’s my fault, it’s all my fault! Auntie, don’t Make Excuses for me. This is all my fault, why do I have to drink milk tea!” ”

“Mother he hugged Xu Yao, “Yaoyao, don’t be like this. Your uncle and I don’t blame you. Don’t take all the responsibility on yourself. The Doctor said that you can’t have too many emotional fluctuations now. It’s not good for the baby. Even if it’s for the baby, you have to be happy.” ”

Xu Yao nodded and tried her best to smile.

“In the blink of an eye, another three days passed. ”

“Although it was only three days, the injury on Xu Yao’s head had recovered a lot. ”

“In the afternoon, she walked back from the hospital garden and saw an uninvited guest in the ward. ”

Mi Chen!

Why is Mi Chen Here?

Xu Yao was very surprised.

Could it be...

The He family’s parents had discovered something?

“Xu Yao stopped in her tracks and stood behind the door, eavesdropping on the conversation in the room. ”

“Father he said, “Doctor Mi, you were the doctor that ziteng trusted the most in the past. In the future, I’ll have to trouble you to run to the hospital more often!” ”

“Mi Chen had very deep attainments in medicine. She had even saved mother he’s life previously. The He family’s parents trusted him very much, so they had invited him over to assist he ziteng’s attending physician.”

““Old Mister He, what are you talking about? I’m a doctor. It’s my responsibility to seek medical advice. This is what I should do.”Mi Chen was still as gentle and refined as ever.”

He and Xu Yao were the same kind of people.

They were good at disguising themselves and eating people without spitting out their bones.

“Father he continued, “In your opinion, does Ziteng still have a chance to wake up?” ”
