“Chapter 2511: 530: the proposal is a success, all the big shots send their blessings! 4”

“Surrounded by beautiful women, Xiao Baibai was naturally very happy, and very cooperative with the two of them to shoot a video.”

At the same time.

Noisy streets all over China.

The big screen was full of the same words —

Chinese scientific research group’s wish: Wish Miss Ye and Mr. Cen grow old together.

Oil painting industry’s wish: Wish Miss Ye and Mr. Cen grow old together.

Calligraphy: Wish Miss Ye and Mr. Cen a long life together.

Medical: ...

The same words are displayed on the most luxurious electronic screens on the streets of every country in the world.

International Scientific Research: Wish Miss Ye and Mr. Cen a long life together.

There is also a line of English below:

“Wish, Miss, Ye, and, Cen, a long, life, together. ”

Putting Chinese at the front and English at the back is really very attentive.

This also showed the status of ye Zhuo and Cen Shaoqing in the international medical community.

The international medical community wishes: ...

The NR Alliance wishes: ...

The Hacker Alliance wishes: ...

This proposal shocked ye Zhuo and the whole world.

“Old Mrs. Cen was sitting on the sofa and watching a small video when she suddenly stood up and cried out, “Oh my God! Oh My God! Oh My God! Am I Blind?” ”

“Zhou Xiang was putting on a face mask in the room when she heard Old Mrs. Cen’s voice. She couldn’t even put on a face mask anymore. She leaned on the railing on the second floor and looked at Old Mrs. Cen downstairs. She asked, “Mom, What’s Wrong?” ”

“Zhou Xiang’s voice pulled old Mrs. Cen back to reality. “Xiang Xiang, come down quickly! Come Down and take a look!” ”

“What’s Wrong?”Zhou Xiang immediately walked down.

“Old Madam Cen handed the phone to Zhou Xiang. “Xiang Xiang, tell me quickly. My eyes aren’t blind. I’m not daydreaming!” ”

Zhou Xiang looked at the contents of the phone and was stunned.

This...

This is real?

“At the same time, Zhou Xiang’s phone rang.”

Zhou Xiang picked up the phone. It was a video from CEN Yuying.

“Zhou Xiang picked up the video. “Big Girl, What’s Wrong?” ”

“In the video call, Cen Yuying said a little excitedly, “Mom, have you seen the news?” ”

““I, I just saw it!” ”

“CEN yuying said excitedly, “Fifth lass is doing well! Looks like mom, you’re going to be a nurse...” ”

Cen Yuying did not finish her sentence before the call ended.

A call came in.

It was CEN yueying calling.

“Zhou Xiang picked up the call. “Hello, Third Lass.” ”

“Cen Yueying’s voice was equally excited. “Mommy, Mommy! Did fifth lass propose?” ”

““Yes, I just saw the news too!” ”

""Mom, Congratulations!" "

"Before the call ended, the door was pushed open, followed by the sound of footsteps. "

"Cen Yueya ran over, out of breath. "Mom! Grandma!" "

"Yueya?"Zhou Xiang looked at Cen Yueya.

"Because they had been running all the way here, Cen Yueya's face was very red. She panted and said, "Mom, Grandma, is, is it..." "

"Old Mrs. Cen continued, "Second girl! I know why you're here! Are you here to congratulate me on having a great-grandson soon?" "

""Yes, yes, yes!"Cen Yueya immediately nodded and finished her sentence in one breath. "Grandma, fifth girl has done a great job this time!" "

And it was done very beautifully!

Old Mrs. Cen nodded and smiled. "I agree with what you said!"

"She did not expect Cen Shaoqing to look so nonchalant. He even said that he was not in a hurry to propose. Now that he had really managed it, he was more ostentatious than anyone else. "

As expected of her great grandson.

"After saying this, old Mrs. Cen fell into deep thought. "

"CEN Yueya continued, "Grandma, what are you thinking about?" "

“Old Mrs. Cen said, “I’m thinking of a name for my future Great-grandson!” ”

“Cen Yueya narrowed her eyes. “Oh, Grandma, You Value Boys over girls! What if they give birth to a girl?” ”

““So what if it’s a girl? I Can’t wait to be a little girl! Giving birth to a girl is like burning!”Old Mrs. Cen said, “Can’t a girl be my great-grandson?” ”

Chapter 2512: 531: pregnant

“In Old Mrs. Cen’s heart, no matter if it was a boy or a girl, they were all her great-grandchildren. ”

“As long as it was ye Zao’s, she would like it. ”

“Ye Zao was so outstanding, so his genes must be very strong. When the time came, the child born would definitely be as outstanding as her, becoming a person who was useful to society and the country. ”

“Cen Yueya smiled and said, “Then have you thought of a name yet?” ”

“Old Mrs. Cen said, “I haven’t thought of one yet. After all, he is my great-grandson. Of course, we have to be careful when choosing a name.” ”

“What is the seniority of the child of Zao Zao and the Fifth Girl?”Cen Yueya asked.

“Old Mrs. Cen Thought for a moment and said, “It’s from the virtuous generation.” ”

“Cen Yueya smiled and said, “Then, if it’s a girl, let’s call her CEN defei.” ”

“Hearing this, Old Mrs. Cen slapped Cen Yueya on the head without saying a word. ”

“What nonsense are you spouting!”

“Cen Yueya raised her head aggrievedly. “What’s wrong, Grandma!” ”

Wasn’t calling her defei a pretty name?

“She had brought in the seniority, and it was even pretty. ”

“Your third great-aunt’s name is Cen Defei!”Old Mrs. Cen said.

The Cen family’s old master was an only child.

“Although this third great aunt was born in a side family and was not as good as the orthodox Cen family, she was also an influential person of the generation. However, she was now old and lived in seclusion. It was very difficult for the younger generation to meet her. ”

It was very normal for CEN Yueya not to remember this third great aunt.

“Cen Yueya said somewhat strangely, “Why don’t I remember that I have a third great aunt called Cen Defei?” ”

“”MHM.”Old Mrs. Cen nodded and looked out of the window. She smiled and said, “Speaking of which, I haven’t seen your third great aunt for a long time. It’s normal that you don’t remember.” ”

Many years passed in a flash.

Some things seemed to have just happened yesterday.

“Will the old lady come to the Fifth Lass’ Wedding?” Cen Yueya asked.

“Old Mrs. Cen Shook Her head and said uncertainly, “She’s used to being idle these years and doesn’t care much about the matters of the younger generation. When the time comes, she’ll definitely be notified.” ”

But whether she would come or not was unknown.

Cen Yueya Thought for a moment. “I seem to have some impression of this third aunt. Does she especially like kunqu?”

““Yes.” Old Mrs. Cen nodded and continued, “Not only does your third aunt like kunqu, she sings very well too. Back then, she almost became an kunqu artist.” ”

“When third great aunt was young, she had once crazily pursued an kunqu artist.”

She was brave enough to face her innermost feelings.

“If she liked it, she would pursue it.”

“If she didn’t like it, it would definitely not be ambiguous.”

“When she learned that the artist had a fiancée, she cut off all contact with the artist without saying a word.”

“After that, although she still liked kunqu opera very much, she never looked for an artist again.”

Her feelings seemed to come and go quickly.

“Cen Yueya smiled and said, “I really want to see third aunt again.” ”

“”Try to invite her over when the time comes,”said old Mrs. Cen. ”

“CEN Yueya continued, “Oh right, fifth girl’s proposal was successful this time. Does that mean that the two of them can hold a wedding soon?” ”

“Ye Zhuo had already graduated, and both of their careers were stable now. It was a good choice to get married at this time. ”

“Old Mrs. Cen shook her head. “I’m not sure either. When the fifth girl comes back, I’ll ask him again.” ”

“Of course, she had to discuss this matter with Lin Jincheng and ye Shu before choosing an auspicious day. ”

Cen Yueya took out her phone. “I’ll call and ask when they’ll be back.”

“Wait a moment.”She had just taken out her phone when old Mrs. Cen stopped her.

Cen Yueya looked at Old Mrs. Cen. “What’s wrong with Grandma?”

Old Mrs. Cen looked at Cen Yueya. “Why Are You So Annoying? The couple is on a sweet vacation. Why are you calling them now?”

“Cen Yueya smiled and said, “That’s true. Then I’ll call them tomorrow.” ”

“Zhou Xiang continued, “Mom, shouldn’t we prepare some things for the wedding now?” ”

“Although Zhou Xiang had four daughters, the things she had to prepare for marrying a daughter-in-law and marrying a daughter-in-law were different. ”

There were many things that she didn't need to worry about when she married a daughter.

“However, it was different when she married a daughter-in-law. ”

“She had to take care of all aspects when she married a daughter-in-law, and she couldn't leave anyone with anything to talk about. ”

“At the same time, she had to give the in-laws enough decorations. ”

“”Yes, we have to prepare.”Old Mrs. Cen nodded. “I'll draw up a list later. You just have to follow the instructions above.” ”

There were many things to prepare for a wedding.

“Old Mrs. Cen wanted to give ye Zao a prosperous wedding, so of course, she had to prepare many days in advance. ”

Chapter 2513: 531: pregnant 2

“Okay.”Zhou Xiang nodded.

“CEN Yueya said, “Then I'll go back and discuss it with big sister and the others.” ”

Cen Shaoqing was their only younger brother.

“Since Cen Shaoqing was getting married, they naturally couldn’t just sit around and watch the ceremony. ”

Cen Shaoqing would never have thought that his family would have already made the next step after he successfully proposed.

“Mom!”

“At this moment, the sound of footsteps came from outside the door. ”

“It’s the third girl’s voice!”Zhou Xiang stood up from the sofa.

“The door was pushed open from outside. Besides CEN yueying, Cen Yuying was also there. ”

“Cen Yuying saw Cen Yueya and said with a smile, “I told you that the second girl would definitely come, but the third girl didn’t believe it!” ”

“CEN Yueya said, “Big Sister, third girl, why are you here too?” ”

““Didn’t you see the news of the fifth girl’s proposal?”Cen yueying smiled and said, “But to confirm it, eldest sister and I can’t believe that this is true!” ”

“Along the way, watching Cen Shaoqing from deciding not to marry for life to successfully proposing, it felt very surreal. ”

“Old Mrs. Cen looked at the three sisters chatting and laughing, and her expression suddenly looked a little lonely. ”

She sighed lightly.

“Grandma?”Cen yueying noticed that something was wrong with old Mrs. Cen.

Cen Yuying patted CEN yueying and used her eyes to signal her not to ask any more questions.

“Looking at Old Mrs. Cen’s appearance, she knew that she was thinking of Cen Yuyan. ”

“Ever since Cen Yuyan went abroad, she had completely lost all contact with her. ”

“Although she had done many things wrong, she was, after all, someone old Mrs. Cen had watched grow up. At this moment, it was unavoidable for her to be hurt by the scene. ”

“After all, humans were not plants. ”

“Cen Yueying reacted instantly and said, “Grandma, I recently found a very delicious barbecue restaurant. When Zhuozhuo and the fifth girl come back, let’s go eat together, okay?” ”

“Okay.” Old Madam Cen nodded.

The three sisters stayed at home for a long time before returning.

“On the way, Cen Yueya sighed. “I wonder how fourth brother is doing recently? Big Sister, third girl, have any of you contacted fourth brother?” ”

Cen Yuying shook her head. “No.”

“CEN yueying said, “Fourth is the same. She left for such a long time.” ”

“”She made a mistake. It’s normal that she doesn’t have the face to come back,” Cen Yuying continued. “If I were her, I wouldn’t have the face to come back either.” ”

Cen Yuyan had indeed gone overboard back then.

"If it wasn't for Ye Zhuo, she would have been deceived even more miserably. "

"CEN yueying sighed. "If she truly repents, it's not that she can't Be Forgiven." "

Killing someone was just nodding her head.

"After so much time had passed, Cen Yuyan should also know that she was wrong. "

""But what if she doesn't change?"CEN yueying continued, "Fourth brother has been stubborn since he was young. Maybe he still hates us even now." "

"Cen Yueying didn't say anything, and Cen Yuying didn't say anything either. "

Because no one was sure if Cen Yuyan had clearly realized her mistake.

"CEN yuying said again, "If she had the heart, she would have come back no matter what if it was someone else who saw the news of young master's proposal." "

"If Cen Yuyan didn't have the heart, she would pretend that she had never said these words. "

"Cen Yuying nodded. "Second Lass is right. If she had the heart, she would definitely take this opportunity to come back." "

"No matter what, it was the Cen family that raised Cen Yuyan. "

"If there was no Zhou Xiang, no old lady cen, there would not be CEN Yuyan in this world. "

"But when Cen Yuyan was confused, Zhou Xiang was more heartbroken than any mother in this world. "

“As a mother, Zhou Xiang had done her duty. ”

“As the three sisters spoke, they walked forward. ”

Their words were completely swallowed by the night.

The Cen family.

“Zhou Xiang obviously thought of Cen Yuyan as well. She sighed and said, “I wonder how Fourth Lass is doing now?” ”

Old Madam Cen looked at Zhou Xiang. “Do you miss that ingrate?”

“Yes.”Zhou Xiang did not deny it and nodded.

“Old Mrs. Cen snorted lightly and said with a false heart, “Why would I miss her? Even if she dies outside, I won’t miss her!” ”

“After saying this, old Mrs. Cen turned around and walked upstairs. ”

Zhou Xiang looked at Old Mrs. Cen’s voice and shook her head helplessly.

“She knew that the old lady was not saying what she meant, but she did not expose it. ”

On the other side.

Nanhai.

Song Shiyu stood in front of the floor-to-ceiling window. There was an indescribable expression in his eyes as he looked down at the night sky below his feet.

He stood on the highest layer of the Nanhai.

Chapter 2514: 531: pregnant 3

128 floors.

“Standing here, one could almost see the entire night sky of the South China Sea.”

Pa..

“At this moment, the phone slid from his hand to the ground.”

“The screen was lit, and one could vaguely see the content on the screen.”

It was the Weibo trending page.

The top ten trending pages were basically all contracted by ye Zhuo and Cen Shaoqing.

News of their marriage had spread all over the world.

“Boss.”

“At that moment, his assistant walked in from outside the door and greeted song Shiyu respectfully.”

Song Shiyu calmly picked up the phone on the ground and looked up at his assistant. “What’s Wrong?”

"The assistant continued, "Doctor Liu is here." "

Song Shiyu then remembered that today was his day for a routine check-up.

"Let him in," he said softly. "

His indifferent voice sounded no different from usual.

"Okay." The assistant nodded and turned to walk out of the door.

"Soon, doctor Liu came up with the medical kit. "

"Boss song."

Song Shiyu turned slightly. "Doctor Liu."

"Doctor Liu continued, "How has boss song been feeling recently? Is there any discomfort?" "

"I've been doing quite well recently," song Shiyu replied. "

Doctor Liu did not quite believe song Shiyu's words. He put down the medical kit and checked song Shiyu's pulse.

"A moment later, he looked at song Shiyu in surprise. His eyes were filled with disbelief. "

It had only been a few days!

Song Shiyu had actually recovered a lot!

""Boss song, you haven't touched those things in the past few days?" "

Song Shiyu nodded. "Yes."

"After saying that, he continued, "You're right. A person should not only be responsible for others, but also be responsible for himself." "

"As a doctor, Doctor Liu was very gratified that song Shiyu had such an awareness. He smiled and said, "Boss song, if you can keep it up, you won't be far from recovery." "

""Yes, I'll keep it up,"song Shiyu said. "

"After saying that, song Shiyu continued, "Make your preparations. I'm preparing to return to Yun Jing Tomorrow." "

"Okay."Doctor Liu nodded.

"After leaving song Shiyu's place, doctor Liu whispered to the butler, "Boss song, have you encountered any good news recently?" "

"The Butler was stunned. "Why do you say that, doctor Liu?" "

"Doctor Liu continued, "Boss song has changed so much. Have you not noticed it at all?" "

"The butler said, "Third Master's schedule has indeed been much more stable recently. He has also taken his medicine on time. However, he has been at home recently and has not seen anyone." "

"Doctor Liu asked doubtfully, "Really?" "

The Butler shook his head.

“Doctor Liu touched his chin and said, “That’s strange. I thought boss song had encountered something happy.” ”

“After that, doctor Liu continued, “Has boss song always been alone?” ”

“Yes.”The butler nodded.

Doctor Liu narrowed his eyes. “How can he be alone? hasn’t he thought of finding someone?”

“The Butler shook his head. “Third master has a cold personality. When the old lady was still alive, he could still talk about him. Now that the old lady is gone, he probably doesn’t want to have a family anymore.” ”

Saying that he was cold was just a euphemism.

Song Shiyu’s personality was very strange. He was temperamental. There had been people who sent women to him before.

Yan Huan was fat and thin.

But song Shiyu had never looked these people in the eye.

“Gradually, no one sent people to Song Shiyu’s side. ”

“Did he suffer a blow?”Doctor Liu was a little curious. “Or did he suffer emotional trauma before?”

A heart ailment needed a heart medicine.

Doctor Liu was a doctor. The first thing he thought of was how to solve song Shi’s problem.

"I'm not too sure about that either." The Butler shook his head. "But third master should not have suffered emotional trauma before."

How could a girl who was not in a relationship get hurt?

"The butler continued, "Maybe it's his nature." "

"Doctor Liu did not quite agree with this statement. He continued, "No one is born like this. This kind of situation is mostly formed after birth." "

The Butler did not say anything.

"Doctor Liu continued, "Actually, I can tell that boss song is a good person." "

"At least, he did not do any bad things. "

"The butler sighed softly. "Unfortunately, in this world, good people often do not get good karma." "

"Although the Butler did not say much, doctor Liu could read many things from his eyes. "

Some words could only be understood without words.

"In the past, Song Shiyu did not fight for anything. He only wanted to live a good life, but the people around him did not let him go. "

That was why he became what he was today.

Chapter 2515: 531: pregnant 4

Cold-blooded.

Ruthless.

""Then, did boss song like any girls before?"Doctor Liu asked again. "

""No."The Butler shook his head and continued, "But there are many who like third master. Chen Siyan is a good example." "

"At the mention of Chen Siyan, Doctor Liu was silent for a moment. He swallowed all the words that he had not finished. "

The two of them were silent the entire way.

"The Butler walked doctor Liu to the door before he stopped. "Doctor Liu, be careful on the road." "

""Thank you."Doctor Liu continued, "If anything happens to boss song, you can let me know at any time." "

"Okay."The butler nodded.

"After watching doctor Liu's car disappear into the night, the butler retracted his gaze and walked back.
"

In the car.

Doctor Liu received a phone call.

""Hello, Brother. Have you asked around? What kind of girl does boss song like?" "

Doctor Liu held the phone with one hand. "Don't even dream about it. Boss song is not someone you can dream of."

""Brother, why are you such a hypocrite? !"The voice on the phone sounded a little angry, "I'm your biological sister! I don't understand the principle of having the upper hand! If you, as a brother, don't help me, who else can help me?" "

"Doctor Liu continued, "Do you know Chen Siyan?" "

"Doctor Liu suddenly changed the topic, causing the person on the other end of the phone to be stunned. He continued, "Is it that female entrepreneur who committed suicide a while ago?" "

"Yes."

"What about her?"The person on the other end asked.

"Doctor Liu said, "She committed suicide because of boss song." "

"What?"

"Doctor Liu continued, "So, don't think about those impossible things. Chen Siyan is better than you in every aspect, but she still can't catch Boss Song's eye. As for you, it's even more impossible!" "

"How do you know I can't do it if you don't try?"

"Doctor Liu said helplessly, "You can't even get in touch with boss song. How do you want to try?" "

"The other side was stunned for a moment and then said, "Brother, help me!" "

""I think you're Daydreaming!" After saying that, doctor Liu directly hung up his sister's call and threw the phone in the passenger seat. "

Three days later.

Ye Zao returned to Beijing.

"He hadn't seen his parents for nearly a month and a half. The Moment Ye Zao reached home, he gave ye Shu and Lin Jincheng a big hug. "

"Mom and Dad."

"You're back." Ye Shu patted ye Zao's back. "What do you want to Eat Tonight?"

Ye Zao gave a long list of dishes in one breath.

"Bai Jingshu brought a large plate of fruit. "Zao must be hungry since he just got off the plane, right? Quickly come and give me some fruit as a cushion." "

""Thank you, sister-in-law." Ye Zhuo walked over and started eating the fruits. "

"At this moment, ye Zhuo suddenly felt that something was wrong with Bai Jingshu. "

"Chinese medicine was most particular about looking, smelling, and asking questions. "

""Sister-in-law, have you been having trouble sleeping recently?" Ye Zhuo asked. "

Bai Jingshu pressed on the Sun. "A little."

""Let me take a look at you."Ye Zhuo reached out and placed his hand on Bai Jingshu's wrist, starting to listen to her pulse. "

"A moment later, her expression changed. She turned to look at Bai Jingshu and said, "Sister-in-law, I have news for you." "

"What News?"Bai Jingshu asked.

Ye Zao helped Bai Jingshu up. "Sit down first."

Bai Jingshu immediately sat up straight.

"Ye Zao then looked at Ye Shu and Lin Jincheng. "Dad, Mom, come over here for a moment!" "

"What's Wrong?"Ye Shu asked.

"Where's My Brother?"Ye Zhuo continued to ask.

"Bai Jingshu replied, "Your brother is at the company and has been quite busy recently. He often arrives home at midnight." "

Ye Zhuo nodded slightly.

"While they were talking, Ye Shu and Lin Jincheng had already sat down. "

""Zhuo Zhuo, do you have anything to say?" "

"Ye Zhuo said mysteriously, "A piece of good news and a piece of bad news. Which one do you want to hear?" "

“Let’s hear the bad news first!” Lin Jincheng said.

“Ye Shu nodded, and Bai Jingshu nodded as well. ”

“Ye Zao looked at Bai Jingshu. “The good news is that sister-in-law, you won’t be able to live alone with my brother anymore.” ”

“What about the Good News?” Bai Jingshu was stunned for a moment before asking.

“Ye Zao smiled and said, “The good news is that I’m going to be an aunt.” ”

An aunt?

“Ye Shu instantly reacted. “Zao Zao, are you saying that Jingshu is pregnant?” ”

Bai Jingshu also looked at ye Zao in surprise.

Ye Zao nodded slightly. “Yes.”

Chapter 2516: 532: Special Patient 1

“Upon receiving ye Zao’s affirmative answer, Bai Jingshu was instantly stunned. She simply could not believe that this was real! ”

She was pregnant?

How was that possible!

“Although she had always wanted to have a child, she did not have any signs of pregnancy at all. ”

“”Zao Zao, did you make a mistake?” Bai Jingshu looked at ye Zao and continued, “Recently, other than my poor sleep, everything else is normal.” ”

She ate well and drank well.

Her appetite was even better than before.

“Under normal circumstances, her appetite should have deteriorated after pregnancy. ”

“Although she had never been pregnant, she had watched television before. ”

“On television, whenever the female lead got pregnant, she would definitely throw up and suffer from all sorts of loss of appetite and listlessness. ”

“However, Bai Jingshu did not have any of these symptoms. ”

“Not only did her appetite not deteriorate, it was even better than before. ”

“Ye Zao smiled and said, “Don’t worry, there won’t be any mistakes. According to the pulse, it should be five weeks.” ”

“”Five weeks?” Ye Shu continued, “Five weeks means a month?” ”

“Yes.” Ye Zao nodded slightly.

“Bai Jingshu was still in disbelief. She looked up at ye Zao and asked, “Zao Zao, am I really pregnant?” ”

“Really.”

“Then why didn’t I throw up?” Bai Jingshu asked.

“Ye Zao smiled and said, “Everyone’s pregnancy reaction is different. Sister-in-law, don’t be misled by those TV dramas.” ”

“Really?” Bai Jingshu asked.

“Of course it’s true.” Ye Zao stood up. “Sister-in-law, let’s go to the hospital now. You still have to undergo a comprehensive check-up.” ”

“Go, go, Go!” Ye Shu continued, “I’ll contact Ah Ze to come back now!” ”

“I’ll contact him!” Lin Jincheng said.

Lin Jincheng had not said a single word since just now.

He was going to be a grandfather!

“Bai Jingshu raised her head to look at Lin Jincheng. “Dad, it’s better not to contact ah ze. He’s been very busy these few days. This isn’t a big deal. I’ll just go to the hospital. There’s no other use for him to come back.” ”

“That’s not a big deal!” Ye Shu said, “Ah Ze is the child’s father!” He should be the first to know about this news. No matter how important it is, it’s not as important as his wife and child! Jincheng, quickly contact ah ze. I’ll arrange for the chauffeur. Let’s go to the hospital immediately!” ”

“Bai Jingshu was stunned. “Mom, are we still going to the hospital now?” ”

It was already past seven in the evening!

Ye Shu nodded. "Yes!"

Bai Jingshu felt that everyone was being a little too grand.

Wasn't it just a pregnancy?

"Ye Zhuo saw through Bai Jingshu's thoughts and smiled. "Sister-in-law, just listen to Mom and Dad! If you don't go to the hospital tonight, they'll probably have a hard time sleeping." "

"Okay." Bai Jingshu nodded and subconsciously placed her left hand on her abdomen.

Was there really a baby already here?

Why was everything so surreal?

"Bai Jingshu turned to look at ye Zao. "Zao Zao, am... am I really pregnant?" "

"Ye Zao chuckled. "Sister-in-law, do you still not believe in my medical skills?" "

""It's not that I don't believe in you, but I just find it unbelievable." Bai Jingshu held ye Zao's hand and continued, "Zao Zao, do you know how much your brother and I hope to have a child?" "

"They had been married for some time and did not have any contraception. However, they had never been able to get pregnant. Although no one urged them, Bai Jingshu was still anxious. "

"Now that the child had suddenly arrived, it made Bai Jingshu feel very surreal. "

She felt as if she was dreaming.

“Ye Zao smiled. “Sister-in-law, I’ve said before that we can’t force our children’s fate, and we can’t be anxious either. When the day comes, it will naturally come.” ”

Bai Jingshu nodded. “You’re right.”

It wasn’t just a matter of time.

“On the other side, Ye Shu had already arranged for a car. ”

Lin Jincheng also contacted Lin Ze.

“Ye Shu asked, “When will ah ze be back?” ”

“”He said he’ll be home soon,”Lin Jincheng replied. ”

“Ye Shu thought for a moment and then said, “Call Ah Ze and tell him to go straight to the hospital. It’s closer to the hospital. Let’s go straight to the hospital now.” ”

“Okay.”Lin Jincheng nodded and contacted Lin ze again.

“Ye Shu came to the living room. “Jingshu, zhuoluo, let’s Go First! I asked your father to contact Ah Ze and tell him to go to the hospital first!” ”

Ye Zhuoluo helped Bai Jingshu get up from the sofa.

The few of them walked out of the door together.

The nanny van had already stopped outside the door.

The hospital was about thirty minutes away from the Lin family manor.

“Ye Shu was anxious, but she did not dare to let the driver drive too fast. She turned to look at Ye Zao.
“Zao Zao, Tell Jingshu if there are any taboos during pregnancy.” ”

Chapter 2517: 532: Special Patient 2

“Although she had been pregnant before, Ye Zao was still a professional. ”

Things were different now.

“In the past, when she was pregnant, there were many things that she could not eat. Now that the transportation and logistics were developed, she could just tell her what she wanted to eat. ”

Being pregnant was not a small matter. She had to be very careful.

“Ye Zao said, “I can’t remember even if I tell her now. I’ll draft a list and send it to sister-in-law later.” ”

““That’s even better,”ye Shu said. ”

“Bai Jingshu sat beside ye Zao, still feeling very surreal. ”

“Thirty minutes later, the car stopped at the entrance of the hospital. ”

“They had just stopped when Lin ze jogged up to them. “Dad, Mom!” ”

“Ah Ze.”Ye Shu got out of the car. “When did you get here?”

“Just now.” Lin Ze turned to look at the backseat. “Where’s Jingshu?”

“She’s sitting at the back with burning.”

“At this moment, Ye Zao helped Bai Jingshu out of the car.”

“Lin Ze immediately walked to ye Zao’s side and asked, “Burning...” ”

“Before he could finish his sentence, Ye Zao smiled and said, “Brother, don’t worry. Sister-in-law is really pregnant and her pulse is very strong. The little guy is very healthy!” ”

“”Okay.” Lin Ze was very excited. “Thank you, burning.” ”

Ye Zao chuckled. “Why are you thanking me? The person you should be thanking the most is sister-in-law.”

“Lin Ze looked at BAI Jingshu and said, “Jingshu, thank you.” ”

“Bai Jingshu said a little embarrassedly, “Alright, Alright. Let’s go in quickly.” ”

The few of them walked into the hospital.

“Ye Zao knew the director of the hospital. When he learned that ye Zao was coming, the director personally stood at the entrance of the main hall to welcome him.”

“”Miss Ye!” Upon seeing ye Zhuo’s voice, the Dean immediately came forward to welcome him.”

Ye Zhuo nodded slightly. “Dean Han.”

“Dean Han continued, “This is Vice Dean Liu, and this is chief Wang.” ”

""Hello, Miss Ye. I'm Liu Kai."Vice Dean Liu walked forward and shook hands with Ye Zhuo. "

"Vice Dean Liu."

"Chief Wang walked forward. "Miss Ye, I'm Wang Fei." "

"Chief Wang."

"Ye Zhuo continued, "Let me introduce you three. This is my parents, this is my brother, and this is my sister-in-law! Father, mother, brother, sister-in-law, Chief Han, vice president Liu, chief Wang." "

""Mr. Lin, Mrs. Lin."After the few of them introduced themselves, chief Han continued, "Mr. and Mrs. Lin, please come in." "

The group of people walked into the hospital.

The examination went very smoothly because there was no need to line up. The examination was done in less than half an hour.

"Next, they just had to wait for the results. "

"Director Han looked at ye Zhuo and continued, "Miss Ye, can I have a word with you?" "

"Sure."Ye Zhuo nodded slightly.

"Director Han made a 'please' gesture, and Ye Zhuo walked forward. "

He arrived at the office.

Director Han first got his assistant to pour a cup of tea for ye Zao before he got to the main topic.

“”Miss Ye, actually...”director Han considered the words in his heart before he continued, “I have something that I would like to ask for your help with.” ”

“Ye Zao took a sip of tea and said, “Please speak.” ”

“Director Han continued, “Recently, a very strange patient came to our hospital. His fever has not subsided and his entire body is weak. There are also signs of convulsions. We have performed a full-body examination, but we have not found the cause of the illness. We have checked a lot of information, but we have not found the same case. “We have already reported this situation to the higher-ups, but there has been no reply so far. “So, can you please take a look?” ”

Director Han had been looking for ye Zao for a long time!

But he was only a small director. He didn’t have the right to contact ye Zao.

“If he wanted to contact ye Zao, he had to report it to the higher-ups and then go through the approval process before he could meet ye Zao once. ”

“Therefore, when director Han received ye Zao’s call, he was very excited. ”

“At this moment, director Han was looking at Ye Zao with anticipation. ”

Ye Zao was not only a doctor.

She was also Dr. YC.

“Therefore, even if ye Zao declined, the director could understand very well. ”

“However, the director still hoped that ye Zao would agree. ”

“Because at the moment, the patient’s various indicators were declining, and he was about to die. ”

“”Show me the patient’s medical record,”ye Zhuo said. ”

“”Okay!”Hearing Ye Zhuo’s agreement, director Han’s eyes lit up and he handed the prepared medical record to Ye Zhuo. ”

“Ye Zhuo took the medical record and flipped through two pages. He frowned slightly and said, “The patient was transferred here on the 26th?” ”

Director Han nodded. “Yes.”

“Because the patient’s symptoms were too strange, no hospital dared to accept him. They had been transferred here and there until now before they officially accepted treatment. ”

“But because the correct cause of the illness had not been found, the situation was not under control. ”

Chapter 2518: 532: Special Patient 3

“Bring me to take a look.”Ye Zhuo stood up from his chair.

Director Han was stunned.

Did Ye Zhuo agree to this?

“At that moment, director Han did not dare to delay any further. He immediately stood up and said, “Miss Ye, come with me.” ”

Ye Zhuo followed director Han's footsteps.

"Because he had been informed in advance, the attending physician had waited in the corridor of the ward in advance."

"Director Han took the initiative to introduce, "Miss Ye, this is the patient's attending physician, Wu Wenqiang. Doctor Wu, this is Miss Ye!" "

The name "Miss Ye" had long resounded throughout the entire medical world.

"Wu Wenqiang admired ye Zhuo very much. He had seen ye Zhuo on television once before, but he did not expect to see him in person today."

"Hello, Miss Ye. I'm Wu Wenqiang." Doctor Wu extended his hand to Ye Zhuo."

Ye Zao shook his hand. "Doctor Wu."

"Doctor Wu continued, "The patient's ward is right in front. Please follow me." "

"Okay." Ye Zao nodded slightly and followed Doctor Wu's footsteps.

"The patient had not been diagnosed with the specific cause of the illness, so he could only stay in a separate ward."

"Before entering the ward, Doctor Wu gave ye Zao a medical mask."

Ye Zao took it and put it on.

Doctor Wu knocked on the door.

A weak reply came from inside.

“Come in.”

Doctor Wu pushed the door open and entered.

“As soon as he entered, he saw a 15-16-year-old little girl lying on the bed. ”

“Her facial features were very delicate, like a beautiful Barbie doll in the window. ”

Especially her eyes.

“While she was very beautiful, she also exuded a weak aura. ”

“Doctor Wu bent down and looked into the little girl’s eyes. “Weiwei, this is Miracle Doctor Ye. You’ll definitely be fine with her around.” ”

“Weiwei.”Ye Zao bent down slightly and greeted the little girl.

The little girl looked at Ye Zao. “Are you the Miracle Doctor Ye who cured cancer?”

Ye Zao was wearing a mask.

“The expression on his face could not be seen clearly. His pair of beautiful eyes seemed to be filled with stars, causing the little girl to be slightly dazed for a moment. ”

Her family had always thought that she was very beautiful.

Only after seeing ye Zao today did they know what it meant to be out of the world.

This was what was truly beautiful!

Even a mask could not hide her temperament and beauty.

""I am."Ye Zao nodded slightly and continued, "Vivi, stretch out your hand. I will take your pulse." "

Take your pulse?

Vivi was stunned for a moment.

"She felt that this term was a little strange, as if she had only heard of it in ancient costume dramas. "

"Seeing that Vivi did not respond for a long time, doctor Wu reminded her in a low voice, "Vivi, show me your hand quickly." "

"OH."Vivi immediately stretched out her hand.

Ye Zao put his hand on her wrist and focused on listening to her pulse.

"She narrowed her eyes slightly, and her long and thick eyelashes cast a shallow shadow on her lower eyelids. "

"A moment later, ye Zao let go of Vivi's hand. "

"Vivi asked, "Miracle Doctor Ye, am I not going to die?" "

"After saying that, Vivi continued, "They all say that my illness is worse than cancer. I know, I'm definitely going to die!" "

“Vivi had been sick for a long time, and she had long seen through life and death.”

“In fact, sometimes, rather than living in pain, it was better to die quickly.”

Ye Zao looked back slightly. “You won’t die.”

Weiwei did not take ye Zao’s words to heart

“But beside her, doctor Wu was ecstatic.”

He knew that ye Zao was not comforting Weiwei. She had really found the cause of the illness!

“Otherwise, ye Zao would never have said such things.”

“Weiwei smiled and said, “It doesn’t matter! People will die anyway.” ”

“Ye Zhuo did not respond. He turned to look at doctor Wu and said, “Give me a pen and paper.” ”

Doctor Wu immediately took out the notebook from his pocket and handed it to Ye Zhuo along with the black pen.

Ye Zhuo reached out to take it and then wrote something on the notebook.

“About three minutes later, he returned the notebook to Doctor Wu. “Go and check according to the items on it. After the check, send me the report.” ”

Doctor Wu took the notebook and a look of surprise flashed across his eyes.

It was a very pleasing word.

“After a moment, doctor Wu nodded. “Yes, Miss Ye.” ”

Ye Zhuo turned to look at Weiwei. “Are you avoiding food again?”

“Yes.” Weiwei nodded.

“Ye Zhuo smiled and said, “From now on, you don’t have to avoid food anymore.” ”

“Hearing this, Weiwei widened her eyes and said excitedly, “Really?” ”

““Of course it’s true,” ye Zao said. ”

“Weiwei then asked, “Then can I drink milk tea and eat spicy hot soup?” ”

Milk Tea?

Spicy hot soup?

The eating habits of young people nowadays were too unhealthy!

Doctor Wu frowned slightly.

“They were still in the hospital, yet they were already thinking of eating these things! ”

Ye Zao smiled and nodded. “You can eat them in moderation.”

Chapter 2519: 532: Special Patient 4

""That's great. Thank you, Miracle Doctor Ye!"Vivi was very excited. "

"In an instant, even her spirit had improved a lot. "

"Ye Zhuo continued, "Rest well tonight. Don't stay up late. Remember to cooperate with the examination tomorrow." "

"Okay."Vivi nodded.

Ye Zhuo turned to look at Doctor Wu. "Let's go."

"Okay."Doctor Wu followed ye Zao's footsteps.

"When they arrived outside the ward, doctor Wu continued, "Miss Ye, in Weiwei's case, is there really no need to refrain from eating?" "

""There's no need,"ye Zao said. "

"Doctor Wu continued to ask, "Miss Ye, have you already diagnosed the cause of Weiwei's illness?" "

"We'll wait for the results of the examination tomorrow."

Doctor Wu was stunned.

"Before the cause of the illness was confirmed, ye Zao dared to make Weiwei eat such nonsense? "

“Although he was very puzzled, Doctor Wu did not say it out loud.”

“Ye Zao was, after all, Ye Zao.”

“With her curing cancer and creating a miracle in the history of medicine, it could prove her ability.”

“Since she said so, there was definitely no problem.”

“Ye Zao continued, “When the results are out, send me your wechat.” ”

“Okay.” Doctor Wu nodded.

“At this moment, ye Zao seemed to have realized something and continued, “Let’s add each other on wechat.” ”

Doctor Wu was about to remind ye Zao and the others that they did not add each other on wechat when ye Zao spoke up.

“Doctor Wu immediately opened wechat and scanned through it, adding ye Zao as a friend.”

“Ye Zhuo continued, “Doctor Wu, you can go back to your work first. If you have any questions, look for me on wechat.” ”

“Okay.” Doctor Wu nodded.

“After ye Zhuo left, doctor Wu quickly went to the director’s office.”

“The director asked, “How is it? Have you found out about Miss Ye?” ”

""Not yet, but I see that miss ye seems to be very confident. She even gave me a list."After saying that, doctor Wu handed the list to the director. "

Director Han took it and looked at it carefully.

"After a while, he put down the list and said, "Follow Miss Ye's instructions." "

"Although these tests might not be useful, ye Zao must have his own reasons for arranging them. "

"Okay."Doctor Wu nodded.

"Soon, ye Zao arrived at the waiting area. "

Bai Jingshu's test report was already out.

Lin Ze accompanied Bai Jingshu inside to talk to the Doctor while Lin Jincheng and ye Shu waited outside.

"Ye Zao walked over. "Dad, Mom, how is it?" "

"Ye Shu said, "I don't know yet! Your brother and sister-in-law are inside talking to the Doctor!" "

Ye Zao nodded slightly.

""Zao Zao, Jingshu is definitely pregnant, right?"Ye Shu asked somewhat uncertainly. "

""Really!"Ye Zao smiled. "Mom, don't you believe in my medical skills?" "

Ye Shu looked anxiously into the room. "Why aren't they out yet?"

""They should be out soon. Don't worry,"ye Zao said. "

"As soon as he said this, Lin Ze and Bai Jingshu walked out. "

"Ye Shu immediately went up to them. "Ah Ze, Jingshu, how are you?" "

Lin Ze nodded. "Burning is right. Jingshu is indeed five weeks pregnant."

"That's Great!"Ye Shu was very excited.

"When she looked at the person in question again, Bai Jingshu actually didn't get excited anymore. She smiled and said, "Mom, the Doctor said that my fetus looks very good. I want to go back soon and tell my grandfather about this good news." "

""You should go back and see the old man,"ye Shu said. "When do you plan to go back?" "

"Bai Jingshu said, "If Ah Ze has time, I want to go back as soon as possible." "

The only wish of the old man now was to see her give birth to a child.

"Lin Ze said, "I'm not busy recently. How about going back the day after tomorrow?" "

Chapter 2520: 533: Get the wedding done! 1

Bai Jingshu nodded. "Sure."

“Bai Jingshu was a writer and had a lot of free time. As long as Lin Ze made the arrangements, she would have no problems.”

“Lin Ze continued, “Then we’ll go back the day after tomorrow.” ”

“Okay.”

“Ye Shu smiled and said, “Then I’ll go back and make some preparations. I’ll let you guys bring some specialty products back.” ”

“The S galaxy was too far away from Earth. Bai Jingshu would only go back once in a very long time,”

“therefore, every time she went back, Ye Shu had to prepare a lot of things for Bai Jingshu to bring back.”

“Perhaps the things were not too precious, but courtesy was important.”

“Bai Jingshu turned to look at ye Shu and said, “Mom, you don’t have to be so polite. Every time we go back, you have to prepare a bunch of things.” ”

““There’s no pile!”Ye Shu smiled and said, “We’re all family. It’s our duty to prepare something for the old man.” ”

“Bai Jingshu held ye Shu’s arm, her eyes filled with happiness.”

She felt that she was very lucky to have met such a good mother-in-law like ye Shu.

The group walked out of the hospital entrance.

The driver also drove the car over at this time.

“Ye Zhuo suddenly received a message and said, “Dad, Mom, brother, sister-in-law, you guys go back first. I still have something to do.” ”

“Why don’t we wait for you for a while?”Ye Shu said.

“Ye Zhuo smiled and said, “It might not be a matter of a short while. You guys go back first.” ”

Lin Jincheng was a little worried. “Why don’t I accompany you?”

“”No need, Dad. I can do it alone.”Ye Zhuo continued, “I’ll get Cen Shaoqing to pick me up later.” ”

“Lin Jincheng was initially worried, but when he heard Cen Shaoqing’s name, he was relieved. He smiled and said, “Okay, then come back soon.” ”

“Okay.”Ye Zhuo nodded slightly.

“Seeing the nanny van disappear into the night, Ye Zhuo turned around and walked into the hospital. ”

“Just as he stepped in, doctor Liu ran out. ”

He was sweating because he ran too fast.

“”Doctor Liu, what happened?”Ye Zao asked. ”

“Doctor Liu continued, “Weiwei suddenly fainted!” ”

“”Fainted?”Ye Zao frowned slightly. Obviously, he did not expect Weiwei to suddenly faint. ”

“Yes.” Doctor Liu nodded.

“Ye Zao continued, “Let’s go and take a look first.” ”

The two of them walked towards the inpatient department.

“Soon, they arrived at Wei Wei’s ward. ”

Doctor Liu pushed open the door.

“A voice suddenly came from inside. “Doctor Liu, why are you here again?” ”

“Doctor Liu looked up and saw Wei Wei sitting on the bed, eating while looking at him. ”

The air was still filled with the spicy and hot fragrance.

“Doctor Liu said in surprise, “Wei Wei, didn’t you just, didn’t you just faint?” ”

“Weiwei smiled and said, “I’m fine.” ”

“Ye Zhuo walked to Weiwei’s side and said, “Let me take a look.” ”

“Okay.” Weiwei nodded and reached her hand out in front of ye Zhuo.

Ye Zhuo focused on listening to her pulse.

“A moment later, she continued, “It’s not a big problem.” ”

Doctor Liu stood at the side and scratched his head. “But she clearly fainted just now.”

“Wei Wei looked at Ye Zhuo. “Miracle Doctor Ye, can I continue eating my spicy Hotpot?” ”

“Yes.”Ye Zhuo nodded slightly.

“”Thank you, Miracle Doctor Ye.”Compared to the others who didn’t let her eat this or that, Ye Zhuo was simply an angel. ”

“Ye Zhuo continued, “If you feel any discomfort, remember to tell doctor Liu immediately.” ”

“She paused and continued, “Then, in order to cooperate with tomorrow’s examination, don’t eat after nine o’clock tomorrow morning.” ”

“Okay.”Weiwei nodded.

Ye Zhuo turned to look at Doctor Liu. “Let’s go.”

Doctor Liu followed ye Zhuo’s footsteps.

“Even when he walked out of the ward, he still felt very strange. “Weiwei clearly fainted just now!” ”

“Ye Zhuo did not answer him directly. Instead, he asked, “Is Weiwei accompanied by her family members?” ”

“”No.”Doctor Liu was more familiar with Weiwei’s situation. He continued, “Other than the day she was admitted to the hospital, her family members never showed up.” ”

“What about the usual payment?”Ye Zhuo asked.

“Doctor Liu continued, “Speaking of which, it’s the little girl who has done her best. Don’t look at her age. In fact, she’s a little famous manga artist. Every month, she receives tens of thousands of dollars in royalties. Her medical fees are all directly deducted from the royalties.” ”

“I see.”Ye Zhuo nodded slightly.

“After saying that, ye Zhuo added, “Pay more attention to her condition tonight.” ”

“Okay.”
