“Chapter 661: 151: Feng Qianhua’s true colors, revealing the truth! 5”

“Ye Zhuo walked around the three rooms. “Cen Shaoqing, why don’t you stay in my uncle’s room tonight?” After all, this person came to Yun Jing for her, so ye Zhuo couldn’t force him to stay in a hotel. ”

“Okay.” Cen Shaoqing didn’t expect to have an unexpected surprise. He hid the joy in his eyes and put the prayer beads on the table. “Then I’ll go and clean the bed.”

Ye Zhuo nodded. “The bedsheets and blankets are all in the cupboard. My mother washed them before she left.”

“Okay.”

“At this moment, ye Zhuo suddenly remembered to call his parents and Lin Ze. ”

Ye Zhuo first called Lin Ze.

Lin Ze quickly picked up.

“Brother.”

““Zhuozhuo, you’re already here?” ”

““Yes.” Ye Zhuo continued, “Oh right, Cen Shaoqing came with me.” ”

Lin Ze had a bad impression of Cen Shaoqing to begin with. Ye Zao did not wish for any misunderstandings to occur this time.

“Really?” Lin Ze frowned slightly.

“Of course it’s true. You’re my brother. How could I Lie to You?”

“After hanging up the phone, afraid that Lin Ze would not believe her, Ye Zao stood at the door of the room and took a photo of Cen Shaoqing folding the quilt and sent it to Lin Ze’s wechat. ”

Lin Ze looked at the photo that ye Zao sent him.

He felt a little upset.

He had just gotten to know his sister. How could he let the Old Fox swindle her away?

What was worse was that ye Zao was so protective of Cen Shaoqing.

Lin Ze was very angry when he found out that Cen Shaoqing did not go to cloud capital with Ye Zao.

“Now that Cen Shaoqing had gone back with Ye Zao, Lin Ze was even angrier. ”

In the cloud capital.

“After making the bed, Ye Zao ordered takeout. After dinner, he brought Cen Shaoqing to Lin Shasha’s house. ”

Cen Shaoqing bought some other gifts and brought them with him.

“Half an hour later, the two of them appeared at the door of Lin Shasha’s house. ”

Cen Shaoqing was carrying bags of various items. Ye Zao knocked on the door with his fingers.

“Soon, the door opened.”

The person who opened the door was Zhou Yuelian.

“When she saw Ye Zhuo, Zhou Yuelian thought that she was hallucinating. “Zhuozhuo! ?” ”

Ye Zhuo smiled faintly. “Aunt Lian.”

“Only then did Zhou Yuelian realize that she was not hallucinating. She continued to ask, “Zhuozhuo, when did you come back?” ”

“Ye Zhuo smiled and said, “I arrived home around one in the afternoon.” ”

“Zhou Yuelian immediately asked, “Then did your parents, your uncle, and your brother Come Back?” Although Zhou Yuelian was in cloud capital, Ye Shu had already informed Zhou Yuelian about this matter through wechat. ”

Ye Zhuo shook his head. “They’re still in the capital. They haven’t come back with me for the time being.”

““OH.” Zhou Yuelian nodded and her gaze fell on Cen Shaoqing. “Zhuozhuo, this is?” ”

Cen Shaoqing was obviously not an ordinary person. could he be ye Zhuo’s relative in the Lin Family?

Zhou Yuelian had some doubts in her heart.

“After all, she had never seen Cen Shaoqing before.”

“Ye Zao smiled and introduced him to Zhou Yuelian. “Aunt Lian, this is my boyfriend, Cen Shaoqing.” He then looked at Cen Shaoqing. “This is the aunt Lian I told you about.” ”

“” Aunt Lian, you can just call me little CEN.” Cen Shaoqing’s thin lips parted slightly as he greeted Zhou Yuelian. ”

“Zhou Yuelian did not expect ye Zao to already have a boyfriend. Her eyes were filled with surprise. “Zao Zao, is this the boyfriend you found in the capital?” ”

“Ye Zao continued, “I’ve known him since we were in the cloud capital.” ”

“Zhou Yuelian finally reacted and continued, “Zao Zao, Little Cen, come in quickly!” ”

The two followed Zhou Yuelian into the house.

Cen Shaoqing placed the gifts he brought on the coffee table.

“Zhou yuelian scolded, “Zao Zao! You can remember Aunt Lian and come to visit her. Aunt Lian is already very happy! How can you waste money to bring gifts here!” ”

“Ye Zha smiled and said, “Some of these are special products that my mother specially bought for you in the capital.” After saying that, Ye Zha continued, “Oh right, where are uncle Lin and sister Sha Sha?” ”

“Zhou Yulian said as she brewed tea, “Sha Sha’s father has gone back to his hometown these two days. Sha Sha has gone to the tutoring class and will be back in an hour.” ”

“OH.” Ye Zha nodded slightly.

“Zhou Yuelian brought the tea over. “Zao Zao, Little Cen, have some tea.” ”

“Cen Shaoqing immediately took the Teacup with both hands. “Thank you, Aunt Lian.” ”

“You’re welcome.”

Zhou Yuelian pulled ye Zao and asked him a lot of questions about ye Shu and the Lin family.

Cen Shaoqing sat at the side and listened to the process.

“An hour later, Lin Sha returned. ”

“Lin Sha was very excited to see ye Zao and hugged her. “Zao Zao, why didn’t you tell me you were coming back?” ”

“Chapter 662: 151: Feng Qianhua’s true colors, revealing the truth! 6”

“Ye Zhuo smiled and said, “Isn’t this to give you a surprise? Oh right, let me introduce you to my boyfriend, Cen Shaoqing.” ”

“The last time she went to the capital, Lin Sha had thought that there was definitely a chance between the two of them. She did not expect them to be together. ”

It was simply the speed of light!

“Lin Sha looked at Cen Shaoqing with a smile on the corner of her mouth. “Hello, brother-in-law!” ”

““Sister Shasha.” Although Lin Shasha was younger than Cen Shaoqing, Cen Shaoqing could only follow behind ye Zao and call her sister. ”

“Zhou Yuelian stood up and said, “Shasha, stay at home with Zao Zao and Cen. I’ll go out and buy some food.” ”

“Okay.” Lin Shasha nodded. “You go now.”

“Zhou Yuelian bought a lot of food. In addition to chicken, duck, fish, and meat, she also bought a lot of seafood.”

The whole meal was a feast for the guests and the host.

“At around nine o’clock in the evening, Ye Zhuo and Cen Shaoqing went back together.”

“Although it was not the first time they were living under the same roof, Cen Shaoqing was still a little excited.”

“The next day, Ye Zhuo began to deal with Xu Lanyue’s matter.”

“Xu Lanyue had already retired. Apart from dancing in the square, she took care of her grandson every day. Her life was very comfortable.”

Ye Zhuo did not hide Xu Lanyue’s matter from Cen Shaoqing.

“Hearing this, Cen Shaoqing frowned slightly. “Leave this person to me to handle.” ”

“Ye Zhuo shook his head slightly. “I know you can definitely handle it, but I prefer to handle it myself.” ”

“”Alright, then I’ll accompany you.” ”

“Okay.”

“When Ye Zhuo and Cen Shaoqing arrived at Xu Lanyue’s house, Xu Lanyue was just about to go out and play mahjong.”

“When she saw ye Zhuo and Cen Shaoqing, Xu Lanyue frowned and asked, “Who are you looking for?” ”

Ye Zhuo smiled faintly. “I’m Looking for you.”

“Xu lanyue continued, “Do I know you?” ”

“Ye Zhuo’s red lips parted slightly. “It’s fine if you don’t know me. It’s fine as long as I know you. I’m Ye Zhuo, the Ye Zhuo who was swapped by you and your niece back then.” ”

“Hearing that, Xu Lanyue’s face turned pale instantly.”

The past that had already been hidden deep in her heart surged into her heart again.

“But she still tried her best to calm her emotions. “What, what are you talking about? I don’t understand?”The child that she swapped back then, Feng Qianhua had fed her the drug piperazine to control mental illness before the swap.”

“Logically speaking, that child should be an idiot now.”

How could she be so smart?

No!

She must have made a mistake!

“”It’s okay if you don’t understand. I can explain it to you slowly. One by one, I’ll help you recall it one by one.”Ye Zhuo continued, “The health-preserving soup that Feng Qianhua sends my grandmother every day is also the prescription you provided, right?” ”

“Also, your sister Xu Lanying didn’t die at all. It was you who abused your power to give her a death certificate.” ”

Xu Lanyue’s forehead was already covered in cold sweat. “I don’t know what you’re talking about!”

Xu Lanyue didn’t expect that the truth would come out one day.

“She also didn’t expect that not only was ye Zhuo not stupid, he even came to her! ”

Now.

She could only pretend that she didn’t understand.

“Nineteen years had passed. Even if ye Zao wanted to investigate, he could not find any evidence. ”

Ye Zao smiled slightly. “So you’re saying that you don’t admit that you did these things?”

“No! I didn’t do anything! You’re the one who slandered me!”

Ye Zao was not angry. He took out a stack of documents from his backpack and threw them on the coffee table. “These are the proof of your son’s embezzlement of public funds. What do you think your son will do if I hand these over to the police?”

“Before he came to look for Xu Lanyue, Ye Zhuo had already investigated everything. ”

Embezzlement?

Xu Lanyue’s eyes were filled with disbelief.

Her son had been very obedient since he was young. His grades were excellent and he had even entered a good university. How could he have embezzled public funds?

No!

He wouldn't!

"You! You're lying!"

"Ye Zhuo continued, "If you're lying, just come back and ask your son. I'll leave these things with you first. This is my phone number. Call me when you've thought it through! I'll only wait for you for three days." "

Xu Lanyue grabbed the documents on the coffee table and wanted to tear them up.

The corners of Ye Zhuo's mouth curled up slightly. "I have a lot of copies of these."

Xu Lanyue's hand suddenly stopped.

Ye Zhuo ignored Xu Lanyue and turned to look at Cen Shaoqing. "Let's go."

"Okay."Cen Shaoqing nodded slightly.

The two of them walked out of the door together.

"For the next three days, Ye Zhuo and Cen Shaoqing went sightseeing in Yun Jing. "

"Three nights later, Ye Zhuo received a call from Xu Lanyue. "

“On the other end of the phone, Xu Lanyue was already on the verge of collapse. “What exactly are you trying to do?” ”

“Ye Zhuo’s expression remained the same. “If you want to save your son, then do as I say.” ”

“Ten minutes later, Ye Zhuo hung up the phone. ”

Cen Shaoqing came over with a piece of cut fruit. “I just bought a pineapple today. Try it and see if it’s sweet.”

“Ye Zhuo tried a piece. “It’s alright. By the way, Let’s go back the day after tomorrow.” ”

“So Soon?” Cen Shaoqing had not fully enjoyed the two of them for the past few days.

“Ye Zhuo smiled and looked at Cen Shaoqing. “We’ve already been here for five days. The day after tomorrow will be the sixth day.” If Xu Lanyue could not leave until the day after tomorrow, Ye Zhuo wanted to go back tomorrow morning. ”

“You’ve been here for so many days?” Cen Shaoqing’s hand that was holding the Buddhist beads paused.

Ye Zhuo nodded slightly. “What do you think?”

...

“On the third day, Ye Zhuo and Cen Shaoqing boarded the plane back to the capital. ”

Feng Qianhua still came over every day to deliver soup to Old Lady Lin.

“Old Lady Lin was very touched. She held Feng Qianhua’s hand and said, “Qianhua, you’re still so filial! It’s been 19 years. I’ve let both of you down!” After so many years, she had not been able to give the mother and daughter an official title. ”

“Not only did she not give them an official title, but she even allowed ye Zhuo to steal Feng Qianxian’s boyfriend.”

“Every time she thought of this, Old Mrs. Lin felt extremely guilty.”

“Feng Qianhua smiled and said, “It’s only right to show filial respect to you! You mustn’t feel any psychological pressure.” ”

“Old Mrs. Lin grabbed Feng Qianhua’s hand. “Qianhua, don’t worry. I’ll definitely get Ye Zhuo to return Shaoqing to Qianxian.” ”

“Feng Qianhua smiled bitterly. “Xianxian’s personality is like mine. Once she has decided on something, she won’t change her mind...” ”

Feng Qianhua had waited for Lin Jin city for nineteen years. She could not let Feng Xianxian follow Feng Qianhua’s old path.

“Hearing this, Old Madam Lin’s heart skipped a beat. She turned to look at Aunt Zhang. “Aunt Zhang, I heard that Ye Zhuo has returned. Go and get her for me!” ”

“There’s no need to call her over. I’m here.” A clear voice came from the outside.

Old Mrs. Lin looked up and saw that it was ye Zao.

“Ye Zao wasn’t the only one who had come. Ye Shu, Lin Jincheng, and Lin Ze had also come.”

“There were four people in the family, and not a single one was missing.”

“Old Mrs. Lin frowned slightly, “It’s good that you guys are here! I just happen to have something to say to you guys! Hurry up and let ye Zao break up with Shaoqing! As an older sister, can’t she give way to

her younger sister? She clearly knew that Xianxian liked Shaoqing, yet she still had to get involved! She's not shy, even as a grandmother, I'm embarrassed for her!" "

""Grandmother, we'll talk about the unimportant things later. I have a guest who wants to see you. I hope that after you meet this guest, you can treat Aunt Feng like your own daughter." Ye Zhuo looked up at Feng Qianhua and Aunt Zhang. "Speaking of which, this guest has some history with you two." "

"Chapter 663: 152: the truth has been dug out layer by layer. The secret of the health-preserving soup, Old Lady Lin was filled with regret! 1"

"Hearing this, Aunt Zhang and Feng Qianhua looked at each other."

They could see the confusion in each other's eyes.

What did ye Zao Mean by this sentence?

"Actually, Lin Jincheng and ye Shu were also a little confused. They did not know what ye Zao was up to."

"Ye Zao brought them over, saying that he had something to announce."

Ye Zao didn't want to reveal the details of what it was.

"Now, he said that a guest was coming..."

"Looking at ye Zao's face, Feng Qianhua was a little flustered for some reason, but she still managed to hide the fluster in her eyes. She smiled and looked up. "I wonder who the guest you want us to meet is?""

“To be precise, it’s a relative who is related to you by blood, Auntie Feng.” Ye Zao smiled slightly and turned to look at the maid beside him. “Xiao Lan, go and invite the guest in.”

“Okay.”

Xiao Lan turned around and walked out of the door.

Relative?

Feng Qianhua’s heart became even more flustered.

She did not know what Ye Zao was trying to do.

“Not long after, she brought in a white-haired, slightly plump woman who was over 60 years old.”

When she saw this person.

Aunt Zhang’s face instantly turned pale. The word ‘sister’ was stuck in her throat and she could not pronounce it no matter how hard she tried.

“This was her biological sister, Xu Lanyue.”

How did Ye Zhuo find Xu Lanyue?

Why did Ye Zhuo bring Xu Lanyue Here?

Could it be...

That she knew everything?

“Feng Qianhua had not seen Xu Lanyue for many years. When she suddenly saw Xu Lanyue, she was a little stunned. All the memories that had been sealed in her mind surfaced in front of her eyes.”

Her legs felt weak.

“Old Lady Lin frowned. She did not know Xu Lanyue. She turned to look at Feng Qianhua. “Qianhua, is this your relative?” Old Lady Lin had seen all the relatives of the Feng family before.”

But this was the first time Old Lady Lin had seen this person.

Xu Lanyue did not look like she had come from a rich family.

When did the Feng family have such a poor relative?

“Feng Qianhua took two steps back, her face slightly pale. “I don’t know her, Aunt Lin. Maybe Zhuozhuo made a mistake!””

“Ye Zhuoqian curled her lips slightly. “Aunt Feng, this person is your biological aunt. Don’t tell me you don’t even recognize your own biological aunt?””

“”What biological aunt! Zhuozhuo, stop messing around!” Feng Qianhua looked up at Ye Zhuoqian and tried her best to suppress the fear in her voice. “I don’t understand what you’re saying!””

Although ye Zao didn’t say anything at the moment.

But Feng Qianhua had a feeling that ye Zao seemed to know something.

What did she know?

“Ye Zao raised his eyes slightly and a mocking look flashed in his eyes. “Oh, I forgot! Auntie Feng, you don’t even recognize your own mother, so what’s aunt?””

Biological Mother?

The color on Feng Qianhua’s face suddenly disappeared.

Could it be... Ye Zao knew everything?

“Aunt Zhang took a step forward and stood in front of Feng Qianhua, “Eldest miss, there are a lot of swindlers with ulterior motives these days, especially poor relatives who come knocking on your door. Don’t be deceived by some people!”! “Miss Qianhua has always been very filial to old madam Feng. If people who don’t know what you said heard this, they would really think that Miss Qianhua is a person without filial piety!”! “Misfortunes come from words. Miss, what do you mean by making up Miss Qianhua in front of old Madam Feng?””

“After all, Aunt Zhang had been through a lot, so her face did not show the slightest bit of surprise. She turned to look at Old Madam Lin and continued:”

““Old Madam, Miss Qianhua is not related to you by blood. If she can be so filial to you, how can she not be filial to old Madam Feng? You must not be deceived by others and form any grudges against Miss Qianhua!””

“Speaking up to this point, Aunt Zhang glanced at Xu Lanyue.”

Xu Lanyue was Aunt Zhang’s biological sister.

Aunt Zhang believed that her biological sister would not betray her.

“However, Aunt Zhang did not catch the evasive look in Aunt Zhang’s eyes.”

“Old Madam Lin already felt sorry for Feng Qianhua. Now that she heard ye Zhuo make up Feng Qianhua like this, she naturally could not bear it. “Insulting the elders with empty words! Ye Zhuo, do you still have any manners?””

“After saying that, old Mrs. Lin looked at Lin Jincheng and ye Shu angrily. “How did you two Educate Your Daughter?””

“”Mom,” Lin Jincheng stood up and said, “Zao Zao is my daughter. I know her better than you! She has never been a child who causes trouble for no reason! Please listen to her first. She must have her own reasons for saying that.””

Old Madam Lin frowned tightly.

“Aunt Zhang hurriedly said, “Old Madam! Miss Qianhua is really not that kind of person! Although the eldest miss is your biological granddaughter, Miss Qianhua has been filial to you for so many years. Are you going to just watch as Miss Qianhua is humiliated?””

“Chapter 664: 152: the truth has been revealed layer by layer. The secret of the health-preserving soup, Old Lady Lin was filled with regret! 2”

“Ye Zhuo suddenly called Xu Lanyue over and said a bunch of strange words. Although Aunt Zhang did not know what ye Zhuo’s ultimate goal was, she knew that she could not let ye Zhuo continue speaking.”

She had to stop ye Zhuo immediately!

“Ye Zhuo turned to look at Aunt Zhang, the corners of his mouth curling into a faint smile. “You keep calling her Miss Qianhua. Does this mean that you are not prepared to acknowledge your own biological daughter?” ”

Aunt Zhang's expression changed when she heard this. "What biological daughter? What nonsense are you talking about?"

Feng Qianhua's heart skipped a beat. She took a step back and tried her best to look as if there was nothing wrong with her.

The smile on Ye Zhuo's face did not diminish as he spoke slowly.

"Aunt Zhang, oh no! I should call you aunt Xu. Your real name is Xu Lanying, and you're Xu Lanyue's biological sister." "

"Forty years ago, you used some means to get to know Old Master Feng, and you secretly had a child with old master Feng. Ten months later, you gave birth to Feng Qianhua. "You wanted to use a daughter to get to the top, but Old Madam Feng is not a vegetarian. She would rather accept an illegitimate daughter than divorce old master Feng. She also found someone to suppress you. Under all kinds of pressure, you had no choice but to fake your death to avoid the rumors. You changed your name to Zhang Lan and lived under the sun again." "

"Nineteen years later, Feng Qianhua reached the marriageable age. For the sake of your biological daughter being able to marry into the Lin family, you came to the Lin family under the name of Zhang Lan to be a helper. Step by step, you gained my grandmother's trust. In the end, you became my grandmother's personal helper. You said all the good things about Feng Qianhua in front of my grandmother, and you successfully made my grandmother accept Feng Qianhua "

"Unfortunately, things didn't go my way! "Not long after, my father met my mother and had me and my brother. When Feng Qianhua learned of this, she was both angry and jealous! "So, the two of you colluded in secret. On the night my mother gave birth, you used your sister Xu Lanyue's position as an obstetrician to successfully swap Mu Yourong and me! In order to prevent things from changing, you even fed me, who had just been born, a psychoactive drug called piperazine. Once I took this drug, it would cause a neurological disorder! Because of this, I was cursed as an idiot for nineteen years "

"After you swapped Mu Yourong and me, you deliberately labeled my mother as a fickle woman in front of my father! You also deliberately guided her in front of my grandmother. Fraternal twins can have different fathers!" "

“Speaking up to this point, Ye Zhuo turned to look at Feng Qianhua and continued: ”

“”Oh right, there’s also my father’s car accident. Why did my father get into a car accident on the way to Yunjing? “This was also your doing. You tampered with the brakes, and the brakes failed, causing my father to crash into the car in front of him. Not only did the car accident cause my father to lose a leg, but it also caused my father to lie in bed for ten years.” ”

“Actually, when she investigated the car accident that happened in Lin Jin city, Ye Zhuo was also very surprised. ”

She did not expect that the car accident in Lin Jin city was also Feng Qianhua’s doing.

Hearing this.

Ye Shu’s emotions immediately broke down and she burst into tears.

She did not expect that it was Feng Qianhua who did not wait for Lin Jin city to give birth.

“She also did not expect that Feng Qianhua not only swapped ye Zao and Mu Yourong, but also poisoned the newborn ye Zao. ”

Ye Shu had never understood why ye Zao had such a big change. Now she finally understood.

It turned out that she had been fed medicine since she was young.

“Feng Qianhua! You are so heartless! Why do you treat US Like This!”

Lin Jincheng was also stunned. He clenched his fists tightly and his entire body was trembling. The way he looked at Feng Qianhua was filled with extreme hatred.

It was his fault!

It was all his fault!

“If he had sensed Feng Qianhua’s wolf-like ambition earlier, the family of four would not have suffered so much. They would not have let ye Shu and ye Zhuo suffer nineteen years of grievances.”

Lin Jincheng blamed himself endlessly.

“”Shut up! You Shut Up! I don’t know what you’re talking about!”Feng Qianhua grabbed old madam Lin’s arm tightly, she said in a panic, “Aunt Lin, don’t believe them! They’re talking nonsense! I didn’t do this at all!” ”

“Old Madam Lin also did not believe that Feng Qianhua was such a person. Feng Qianhua had given her nineteen years of health-preserving soup, so she would not be deceived by ye Zhuo’s one-sided words.”

She was not a fool!

“Moreover, she had known madam Feng for so many years, but she had never heard that Feng Qianhua was the illegitimate daughter of Old Feng.”

“Chapter 665: 152: the truth has been dug out layer by layer. The secret of the health-preserving soup, Old Lady Lin was filled with regret! 3”

“If all these were true, there would definitely be rumors spread, but she had never heard any rumors at all.”

What Mrs Zhang was Feng Qianhua’s biological mother.

It was simply nonsense!

“Qianhua! I believe you.” After saying that, Old Lady Lin looked at Ye Zhuo again. “Shut up! Do you really think that I will believe your one-sided words?” ”

“Hearing that, Feng Qianhua heaved a sigh of relief. ”

As long as Old Lady Lin believed her.

So what if ye Zao knew everything?

Did Ye Zao have any evidence to prove all of this?

“Although Xu Lanyue was standing right here, Feng Qianhua did not believe that her biological aunt would betray her. ”

“After all, she had treated Xu Lanyue quite well all these years. ”

“At this moment, Xu Lanyue, who had not spoken all this while, took a step forward, “Old Madam, my name is Xu Lanyue. I’m sister-in-law Xu Lanyue, and I’m also Feng Qianhua’s aunt. “Back then, I was the one who used my authority to issue my sister’s death certificate to her. “I can testify for Miss Ye. Everything Miss Ye said is true! “Because I’ve participated in all of these things before, I’m willing to pay the price for everything I’ve Done!” ”

Things had already come to this.

“Although she had let down her sister and niece, she only wanted to protect her son. ”

“She was already over sixty years old, and it was fine for her to go to jail. ”

But her son was still young.

She could not drag her son into jail.

“Feng Qianhua did not expect Xu Lanyue to suddenly switch sides, and her eyes widened. “You’re talking nonsense! I don’t have an aunt at all! My mother is old Madam Feng! Who Do you think you are!” ”

“Aunt Zhang added, “There are no sentient beings! You’re simply making things out of nothing! Old Madam, please don’t believe these people’s Nonsense!”After saying that, Aunt Zhang turned to look at Ye Zhuo. ”

“”Eldest miss, I know that you’ve always been very jealous of Miss Qianhua and her daughter! I hate that old madam likes Xianxian and doesn’t like you, her biological granddaughter! But you can’t make up such unrealistic words to frame them just because you’re jealous of them! “You should find the problem from your own perspective. Why does the Old Lady Prefer Xianxian to you? !” ”

“In just a few sentences, aunt Zhang threw all the blame on ye Zao. ”

How Old was ye Zao?

Nineteen years old!

A nineteen-year-old little girl still wanted to fight with her!

It was simply a fantasy!

“She had been by Old Lady Lin’s side for so long, and no one knew her better than she did. ”

Old Lady Lin would never believe ye Zao just because of a few words from ye Zao.

“Not only would she not believe her, but she would also make Old Lady Lin hate her even more. ”

What ye Zao did was no different from shooting himself in the foot.

Ye Zao took out a paternity test from his bag unhurriedly. "Then how do you explain this paternity test? It clearly states that Feng Qianhua is your biological daughter!"

Paternity Test?

Ye Zao actually did a paternity test!

When did she do it?

Aunt Zhang's expression immediately changed.

"Bring it over for me to take a look!" Old Mrs. Lin frowned.

Ye Zao handed the paternity test to Old Mrs. Lin.

Old Mrs. Lin's hands trembled as she received the paternity test that ye Zao handed over.

Yes.

That's right.

"On the paternity test report, it clearly stated that Feng Qianhua and aunt Zhang were biological mother and daughter."

How could this be?

Old Mrs. Lin frowned tightly.

Could it be that things were really as ye Zao Said?

“The car accident in Lin Jin city, including the subsequent events, were all done by Feng Qianhua herself?”

“Fake! Your paternity test is fake!” Feng Qianhua stared at ye Zao tightly, “Technology is so advanced nowadays, I can have as many paternity test results like this as I want! Old Mrs. Lin, you must not be deceived by her! This paternity test result is fake!”

Feng Qianhua was really a little flustered.

She thought that she could fool old madam Lin about this matter.

“Ye Zhuoqian curled her lips slightly. “If you doubt that this paternity test is fake, we can go to the hospital now to redo the test. Under the emergency situation, the report can be issued in three hours. Do you dare to go?”

“I’m not going! Why should I go?” Feng Qianhua looked at Old Madam Lin, “Aunt Lin, don’t believe her! I didn’t do these things, I really didn’t! Aunt Zhang has nothing to do with me! She’s not my biological mother! My biological mother is old Madam Feng!”

“It’s not that you’re not going, you’re just too guilty to go.” Ye Zhuo continued, “Because you and aunt Zhang are biological mother and daughter!”

“Aunt Lin! Believe me!”

“Chapter 666: 152: the truth has been dug out layer by layer. The secret of the health-preserving soup, Old Lady Lin was filled with regret! 4”

“Old Lady Lin held the appraisal report in her hands, her eyes unable to reveal any expression.”

“If what ye Zao said was true, then what kind of person had she raised by her side all these years?”

But Feng Qianhua’s consistent delivery of health-preserving soup to her for more than ten years was not fake either.

“If Feng Qianhua was really that vicious, would she still give her the health soup?”

“At this moment, ye Zao’s voice sounded again. “Actually, Feng Qianhua did more than that. Grandma, do you still remember the health soup that you drink every afternoon?””

Health Soup?

Old Lady Lin suddenly raised her head to look at Ye Zao.

Could there be a problem with the health soup?

“At this moment, Feng Qianhua was completely flustered. “B * Tch! Shut Up! Shut up for me!”She had never expected that ye Zao would even know about the matter of the nourishing soup!”

Little B * Tch!

How did this little B * Tch do it?

What should she do now?

“TSK.”Ye Zao raised his eyebrows slightly. “You’re angry from embarrassment?”

“Aunt Zhang looked at ye Zao, her eyes emitting a cold and sinister light.”

She couldn't let ye Zao say these things out loud.

She couldn't!

"If these things were exposed, then Feng Qianhua would be finished."

"No matter what, she had to protect Feng Qianhua and her daughter."

She couldn't let Feng Qianhua and her daughter be threatened.

"Aunt Zhang clenched her hands into fists, grabbed a vase on the table, and ran in the direction of Ye Zao. From the way she looked, it was obvious that she wanted to perish together with him."

She was almost 60 years old.

Ye Zao was only 19 years old this year.

"On the road to the Netherworld, she would not lose out if she could take ye Zao with her."

As long as ye Zao left.

All of this could be confirmed with death!

"All of this happened too quickly, and almost no one could react in time."

Just as ye Zao was about to counterattack.

"A figure rushed over quickly, blocked in front of ye Zao, and raised his leg to kick aunt Zhang."

Bang —

Aunt Zhang smashed the vase onto the ground because of the penetration force.

The fragments scattered all over the ground.

“By the time everyone reacted, Aunt Zhang had already been stepped on by Lin Ze.”

Ye Zao was a little surprised.

She did not expect that this brother’s skills were so good.

“Are you okay?” Lin Ze looked at ye Zao.

“I’m fine.” Ye Zao shook his head slightly.

Lin Jincheng reacted at this moment and immediately called for the security guards to restrain Aunt Zhang.

Aunt Zhang did not expect Lin Ze to suddenly appear.

She originally wanted to perish together with ye Zao!

“Although she was already controlled by the security guards, she was still unwilling to give up and struggled desperately, “Let go of me! All of you, let go of me! Old Madam, you must not believe the nonsense of this little slut! Miss Qianhua is a very filial and good child!””

Lin Jincheng instructed the bodyguards to gag Aunt Zhang.

“After the gag, the air instantly returned to silence.”

Old Madam Lin stood up and looked at Ye Zhuo. "What's wrong with the health soup? Go On!"

"Ye Zhuo continued, "You'll have to ask Feng Qianhua about this. You've always treated her like your own daughter. Ask her what she put in your health soup? "Why do you rely on the health-preserving soup every day? If You Don't drink it, you'll cough non-stop and even cough up blood!""

"Qianhua?" Old Lady Lin turned to look at Feng Qianhua with a terrifyingly cold gaze.

Ye Zhuo's words made her think of many things.

"Over the years, her body had been deteriorating day by day. Every day when it reached eleven o'clock, she would subconsciously think of Feng Qianhua's health-preserving soup."

"Moreover, that kind of desire was emitted from her bones."

"As long as she did not drink it for a day, the bones in her body would be as if there were tens of millions of ants gnawing on them."

"In the past, Old Madam Lin had never felt that there was anything wrong with these heads."

"But now that she thought about it, it was simply terrifying!"

This was clearly the state when her drug addiction kicked in.

Could it be.

There was something wrong with this health-preserving soup?

Old Lady Lin's gaze changed again and again.

Feng Qianhua shook her head with reddened eyes. "Aunt Lin! I didn't! I didn't put anything in! Please believe me! I really didn't!"

She had always been very cautious about these things.

How did ye Zao Find Out?

What exactly was going on?

It didn't matter.

"Even if ye Zao found out, it didn't matter."

"To be on the safe side, for so many years, she had personally brewed medicine for Old Lady Lin and never put her hands on others."

Even the dregs of the medicine were sent far away.

Ye Zao would definitely not be able to obtain any evidence.

She could not panic.

The current her could not panic.

Feng Qianhua tried her best to calm herself down.

"Ye Zao then took out another set of test results, "These things are not things that you can deny just because you want to! This is the test results of the health preserving soup. According to the test results, there are a total of 23 medicinal ingredients in the health preserving soup. Three of them are addictive

poisons. If you take them for a long time, not only will you become dependent on them, but it will also cause damage to your body. Grandma, you have been drinking it for more than ten years. Your body's organs must be starting to fail by now.””

Chapter 667: 152: the truth has been dug out layer by layer. Old Lady Lin regrets the secret of the health-preserving soup! 5

“At this point, Ye Zhuo turned to look at old lady cen and continued, “When you woke up in the morning, did you feel weak all over? Your appetite became worse and worse, and your desire for the so-called health-preserving soup grew stronger and stronger?” ”

Old Lady Lin's heart skipped a beat.

Because ye Zhuo was right.

Her current situation was almost exactly the same as what ye Zhuo had said.

“Seeing old madam Lin like this, Ye Zhuo understood. “Looks like I was right.” ”

Feng Qianhua could no longer control the fear in her heart. She cried and knelt down to old madam Lin. “Aunt Lin! Don't believe her! She's talking nonsense! None of this is true! I definitely didn't drug you! No!”

“Old Mrs. Lin just looked at Feng Qianhua, her whole body trembling. ”

That gaze was as if it was the first time she had met her.

“From the beginning to the end, she trusted Feng Qianhua very much. She never doubted that Feng Qianhua would make a move in the health soup. ”

“Could it be that all these years, she had raised an ingrate by her side? ”

An ingrate!

Was Feng Qianhua really an ingrate?

Old Madam Lin’s heart was in a mess.

She could not believe the truth.

This was not true!

“”Why Are You Crying Without You?”Ye Zhuo continued, “Grandma, if you don’t believe me, you can go to the hospital for a full body check-up. I believe that the Doctor will definitely give you a standard answer. Why Don’t we go now? “Now that the medical technology is so advanced, I believe that the results will be out very soon.” ”

Go to the hospital? How could she go to the hospital?

“Old Lady Lin had been drinking health-preserving soup for so many years, and her body had accumulated a lot of toxins. There was no way she could escape the sophisticated medical equipment. ”

“Feng Qianhua stood in front of Old Lady Lin, “You can’t go to the hospital! Aunt Lin, you have to believe me. I really didn’t drug you! Aunt Lin, I have always treated you like a mother. How could I do that to you? You have to believe me!” ”

“She has guarded Lin Jincheng for so many years, and made so many efforts, she can not let these efforts all fall apart! ”

I can’t!

“Xu Lanyue looked at Feng Qianhua, “Qian Hua!”She said in a stifled voice! Now that things have come to this, witnesses and evidence are all there, you tell Old Mrs. Lin it, the prescription of the health soup is provided to you, there is no addictive poison you and I are very clear! I only regret not stopping you and your mother back then... “... “..”

“But there are some things that even if you regret it, there is no medicine for regret. ”

“At this point, Xu Lanyue burst into tears. “If I had stopped you and your mother back then, things wouldn’t have come to this! I’ve Let Old Lady Lin Down, I’ve let everyone down...” ”

“”Nonsense! You’re talking nonsense!”Feng Qianhua cried. “I don’t even know you! All of you want to frame me! All of you are talking nonsense! Aunt Lin, I beg you, don’t believe them!” ”

Feng Qianhua even wanted to kill Xu Lanyue now.

She didn’t understand why Xu Lanyue would suddenly switch sides.

Ye Zao!

It must be ye Zao!

Feng Qianhua looked up at Ye Zao. “It’s You! It must be you! You B * Tch! You must have said something in front of her! You’re slandering me! B * Tch! Why Don’t you go to Hell!”

“Feng Qianhua then turned to look at Old Madam Lin. “Aunt Lin, you have to believe me. You have to believe me! I didn’t do these things. It’s Ye Shu and ye Zao, these two B * tches, who are slandering me!” ”

Old Madam Lin’s face was devoid of any color.

“In such a situation, if she was still unable to see through the situation, she would be too stupid. ”

“However, she could not understand why Feng Qianhua would treat her like this! ”

“Thinking of what she had done all these years, old madam Lin broke out in a cold sweat. ”

“In order to protect Feng Qianhua and her daughter, she had hurt so many people, but Feng Qianhua treated her like this! ”

Nineteen years!

A whole nineteen years.

“She treated Feng Qianhua so well, but Feng Qianhua almost destroyed her family. ”

“”B * Tch! Only you are the real B * Tch Here!”Old Lady Lin raised her hand, she slapped Feng Qianhua hard, she said angrily, “I treated you so well, and I even tried to set you up with Jin city. I treated Xianxian like my own granddaughter! Why did you hurt me like this? Where is your conscience? has your conscience been eaten by a dog?” ”

Old Mrs. Lin did not show any mercy with her slap. She used all her strength to hit Feng Qianhua’s face so hard that blood dripped from the corner of her mouth.

Feng Qianhua covered her face and looked at Old Mrs. Lin in disbelief.

“Chapter 668: 152: the truth has been pushed aside, the secret of the health soup, Old Lady Lin regrets it! 6”

She did not think that Old Lady Lin would suddenly attack her.

After so many years.

Old Lady Lin did not even say a harsh word to her.

But this time.

Old Lady Lin actually gave her a slap.

Could it be that she was really going to lose Old Lady Lin's trust in her?

Would everything that she had spent nineteen years on collapse overnight?

This slap was simply exhilarating.

One did not need to think to know how much Old Lady Lin regretted her previous actions.

“Ye Zhuo raised his eyebrows slightly, he continued, “Because she wants you to become dependent on her, so that you can not leave her. She wants you to become a marionette in her hands. She wants to use your trust in her to successfully marry into the Lin family! Then, she wants to use your relationship with Granny Cen to marry Feng Xianxian into the Cen family. When that happens, the mother and daughter will be able to control the entire capital.” ”

It was only at this moment.

Old Madam Lin finally came to her senses. Just how muddle-headed was she.

Regret!

She really regretted it!

She regretted inviting a wolf into the house.

She regretted even more that she had treated a wolf as her own daughter-in-law for so many years.

Old Mrs. Lin slapped Feng Qianhua's face again. "B * Tch! You're a B * Tch!"

"After the slap, Old Mrs. Lin could not hold on any longer and fell backward. "

"Fortunately, there were servants supporting her from behind. "

How could Feng Qianhua not regret it?

All she regretted now was that she did not directly kill that little b * Tch ye Zao back then! She should not have fed ye Zao piperazine. She should have fed ye Zao poison directly!

If ye Zao died!

How could such a thing happen again?

"If time was reversed, she would have poisoned ye Zao without hesitation. "

Ye Zao would never have the chance to speak!

"At this moment, Lin Jincheng stood up and said, "Mom, Feng Qianhua, Aunt Zhang, and Xu Lanying have done all kinds of bad things. Our family of four, including you, are all victims. Now that the witnesses and evidence are all here, let's call the police." "

"If it wasn't for the fact that he had to pay with his life, Lin Jincheng would have even wanted to kill someone! "

But he couldn't do anything about it.

“He had a wife, a son, and a daughter now. He couldn’t dirty his hands because of Feng Qianhua.”

The law would always be in place.

He believed that the law would punish Feng Qianhua severely.

“Call the police! Yes, call the police!” Old Mrs. Lin subconsciously wanted to call Aunt Zhang, but she immediately changed her words. “Xiao Lan! Call the police! Call the police!”

Call the police?

“Hearing this, Feng Qianhua panicked.”

No!

She couldn’t go to jail.

She still wanted to marry Lin Jincheng!

She still wanted to become the mistress of the Lin family.

“Feng Qianhua hugged old Mrs. Lin’s thigh tightly and cried, “Aunt Lin, I’m sorry. I know I was wrong. Please forgive me! I’m willing to be your slave to repay you! I beg you, please forgive me this time!””

“Get lost! B * Tch! Get lost!” Old Mrs. Lin kicked Feng Qianhua away. “You’re a beast worse than a pig or a dog! You Don’t have the right to call me Aunt Lin!”

“Old Mrs. Lin had been confused for thirty years. Now that the clouds had cleared and the Sun had come out, she would no longer believe Feng Qianhua’s flowery words!”

Feng Qianhua was kicked to the ground like a deflated rubber ball. She looked at the grayish-white patch like a dead tree.

Was her life really over just like that?

She couldn't accept it!

She really couldn't accept it!

"Soon, police sirens sounded outside the door."

"Feng Qianhua wanted to escape, but there was nowhere for her to run now."

A group of police officers came in one after another.

"Just like that, they controlled Feng Qianhua, Aunt Zhang, and Xu Lanyue. Three cold handcuffs were handcuffed to their hands."

"Feng Qianhua never expected that one day, she would become a prisoner."

This was a great humiliation for her!

It was worse than death.

"As the victims, Old Madam Lin and Lin Jincheng's family of four also brought the evidence to the police station."

It was not until an hour later that the five of them walked out of the police station.

“Facing Lin Jincheng’s family of four, old madam Lin felt both guilty and regretful. “Jincheng, Ah Shu, and Zao Zao, I, I have let you guys down. For the sake of an ingrate, I actually treated you guys like that earlier...” ”

Epecially ye Shu and Ye Zhongruo.

Old Lady Lin had never treated ye Shu and ye Zhongruo as daughter-in-law and granddaughter-in-law before.

“In her heart, only Feng Qianhua and Feng Xianxian were her granddaughter. ”

She was regretting it now!

“Old Lady Lin grabbed ye Shu’s hand. “Ah Shu, zhongruo, can you all forgive me?” ”

“Ye Shu just looked at Old Lady Lin, her expression unclear. ”

Nineteen years.

“Because of Old Lady Lin, she and her own daughter had suffered for so many years. ”

Some hardships and some injuries could not be erased by time.

“Moreover, after returning to the Lin family, Old Lady Lin had done so many heart-chilling things. ”

“At this moment, facing Old Lady Lin, she simply could not say the word ‘forgive’. ”

Nor could she forgive.

“Seeing ye Shu like this, Old Lady Lin looked at ye Zao again. “Zao Zao, are you... are you willing to forgive Grandma...” ”

Ye Zao’s eyes remained the same. “Let me ask you a question.”

“You ask.” Old Lady Lin nodded.

“Ye Zao continued, “If I did not bring out so much strong evidence today and only told you what Feng Qianhua had done all these years, would you believe me?” ”

When she said this.

Old Madam Lin was stunned.

Because she didn’t know either.

Although she didn’t want to admit it.

She still didn’t believe the answer in her heart.

“After all, Feng Qianhua had been with her for so long. ”

She had never known that she had raised a wolf.

“I...”

“Ye Zhuo smiled slightly. “Alright, I think I should know your answer.” ”

“At that moment, Old Mrs. Lin felt as if she had lost something important. ”

“Old Mrs. Lin opened her mouth, ready to say something.”

“Ye Zhuo continued, “You’ve drunk Feng Qianhua’s health-preserving soup for 19 years. It’s better for you to go to the hospital for a check-up.” ”

“Lin Jincheng turned to look at the driver. “Xiao Li, take old Mrs. Lin to the hospital. We’ll take a taxi back.” ”

Lin Jincheng had no intention of accompanying Old Lady Lin to the hospital.

“Although Old Lady Lin had also been deceived by Feng Qianhua, Lin Jincheng could not sympathize with her at all.”

There was nothing to sympathize with people who had suffered the consequences of their own actions.

“Hearing this, Old Lady Lin’s eyes turned even redder. She turned to look at Xiao Li and tried her best to suppress the sadness in her heart. “Xiao Li, let’s go.” ”

Xiao Li nodded and opened the backseat door for Old Mrs. Lin.

...

It was already afternoon when Feng Xianxian learned that Feng Qianhua was in prison.

“The police station temporarily prevented her from seeing Feng Qianhua. She did not know what had happened, so she could only go to the Lin family to look for old Mrs. Lin.”

The Feng family did not have much power in the capital.

So Feng Xianxian could only go to look for old Mrs. Lin.

“Old Lady Lin treated Feng Qianhua so well, she would definitely not sit by and do nothing.”

“After learning that Old Lady Lin was in the hospital, Feng Xianxian rushed to the hospital.”

“When she arrived, Old Lady Lin was lying on the hospital bed. Her face was pale and her mental state looked a little bad. Feng Xianxian immediately pounced over and asked with concern, “Grandma, What’s Wrong? What’s wrong with you?” ”

Chapter 669: 153: Feng Qianxian committed suicide and made a wedding dress for someone else! 1

Old Mrs. Lin had just undergone a full-body check-up.

“The doctor told her that her body had been severely corroded by the poison and there was too much residual poison. In the following days, she could only rely on drinking Chinese medicine to detoxify her body. It would be best if she could detoxify the poison, but if she could not.., then her life could be threatened at any time.”

This was all caused by Feng Qianhua!

“If it wasn’t for Feng Qianhua, she wouldn’t have become like this!”

It was all Feng Qianhua!

“When she saw Feng Qianxian, Old Lady Lin was even more furious.”

She treated Feng Qianxian like her own granddaughter.

“She even forced ye Zhuo to break up with Cen Shaoqing for her, but what about Feng Qianxian?”

How did Feng Qianxian treat her?

Feng Qianqian had actually drugged her together with Feng Qianhua.

“Seeing that Old Lady Lin did not speak for a long time, Feng Qianqian asked curiously, “Grandma, Why aren’t you saying anything? Did Something Happen?””

“It was also at this moment that Old Lady Lin reacted. Looking at Feng Qianqian’s face, she was almost unable to contain her anger. She gave Feng Qianqian a slap on the back, “Who’s your grandma? Who are you calling Grandma? You Heartless Little Bitch! Ingrate! Get lost! Get lost!””

Everything happened too quickly. Feng Qianqian did not even have time to react.

A red palm print appeared on her left cheek instantly. Her face was burning with pain and her ears were buzzing.

Hit Her?

Old Mrs. Lin actually hit her!

Why would old Mrs. Lin hit her?

Feng Qianhua had been arrested by the police.

And now Old Lady Lin was treating her like this.

Could it be that this matter had something to do with it?

Or was Feng Qianhua's actions exposed?

"Thinking of this, Feng Xianxian's eyes twitched."

It wouldn't happen.

It wouldn't happen!

"Feng Qianhua had always been very cautious. Besides, some things had already been going on for nineteen years. How could Old Lady Lin find out?"

There must be a mistake!

"Feng Qianqian covered her face and tried to calm herself down. She looked at Old Lady Lin and tears rolled down her cheeks. "Grandma, what did I do wrong? Are you going to treat me like this?""

"Old Lady Lin glared at Feng Qianqian fiercely. "Shut up, you little slut! Who's your grandma!""

Little Slut?

"Not only did Old Lady Lin hit her, she even called her a little slut."

Feng Xianxian had grown up in Old Lady Lin's hands since she was young. When had Old Lady Lin ever hit and scolded her like that?

Could it be that Feng Qianhua's deeds had really been exposed?

"Grandma, what happened to you? Why did you suddenly become like this? When I found out that you were sick and hospitalized, I didn't even attend class and ran over to see you... "...". "Why did you do this

to me?" Feng Xianxian said with a grievance, "Grandma, I have always thought that you are a kind, fair and just person! "What exactly happened? Can you please tell me?""

"Looking at the child who grew up by her side, Old Mrs. Lin couldn't put on any expression."

"Before ye Zao was found, the Lin family had only given birth to sons and no daughters."

"Therefore, after Feng Qianhua gave birth to Feng Xianxian, Old Mrs. Lin was very happy and treated Feng Xianxian more closely than her own grandson."

Feng Xianxian was always a part of the things that she prepared for Lin Ze.

"From babbling to learning to walk, and now to becoming a slim little girl, Old Mrs. Lin had always been involved in Feng Xianxian's growth."

She never thought that one day she would stand against Feng Xianxian!

This blow was also very big for Old Mrs. Lin.

She regretted not recognizing people clearly.

"If she had known the true colors of Feng Qianhua and her mother, things would definitely not have developed to this state."

"Old Mrs. Lin looked at Feng Xianxian and said, "You can go. Don't come looking for me again! I don't want to See You Again!""

"Grandma!" Feng Xianxian immediately knelt down to old Mrs. Lin. "Please tell me what happened, okay? I beg you!"

"Go and ask your mother what she did!" Old Lady Lin turned her head.

“Grandma!” Feng Xianxian said in a hoarse voice, “Although you slapped me, I Don’t blame you. I know that something must have happened! I don’t beg you to forgive me, I Only Beg You to tell me the truth!”

Old Lady Lin looked up at the bodyguard outside the door. “Get her out of Here!”

“Yes, Old Lady.”

Feng Xianxian was dragged out of the door by the bodyguard.

“Feng Xianxian sat on the ground, her eyes dark.”

No Way!

She couldn’t admit defeat so easily.

“She had to pull herself together, clarify the matter, and then beg Old Lady Lin to forgive her.”

Chapter 670: 153: Feng Xianxian committed suicide and married someone else! 2

“Feng Xianxian had fawned over Old Lady Lin for so many years, and no one knew her better than she did.”

At this moment.

“Feng Qianhua suddenly thought of someone. She quickly stood up from the ground, took out her cell phone, found a contact in her address book, and made a call.”

“An hour later, Feng Xianxian appeared at the police station and saw Feng Qianhua, who was being detained. ”

“Although it had only been a few hours, Feng Qianhua seemed to have aged more than ten years. ”

“Mom!”

“Seeing Feng Qianhua like this, Feng Xianxian’s heart tightened. ”

“The Feng Qianhua in her eyes had always been bright and beautiful, high and mighty. When had she ever been so down and out? ”

““Xianxian, I’m sorry...” seeing Feng Xianxian, Feng Qianhua’s face was full of tears. ”

She thought that she could give Feng Xianxian a bright future.

She didn’t expect that she would drag Feng Xianxian down in the end.

“Feng Xianxian asked with red eyes, “Mom, what happened?” ”

Feng Qianhua looked at the wound on Feng Xianxian’s face. “Did that old woman hit you?”

“Yes.” Feng Xianxian nodded.

“Hearing that, Feng Qianhua felt even more guilty. “Xianxian, I’m sorry. It’s all Mom’s fault for dragging you down...” ”

“If she had been a little more ruthless back then, she would not have left so many problems behind. ”

Feng Qianhua felt both regret and guilt at the same time.

She felt very uncomfortable.

“Feng Qianxian narrowed her eyes. “Mother, now is not the time to be sad. We don’t have much time left. Tell me first, what’s going on! have those things been discovered?” ”

She had to know the reason before she could think of a way to solve it.

Feng Qianhua nodded and told her what happened.

Feng Qianqian frowned deeply when she heard that.

She thought that the Lin family had found out that Feng Qianhua had swapped out ye Zao nineteen years ago. She did not expect that the truth about Lin Jin city’s car accident and the secret of the health soup had been discovered!

It seemed that the matter was indeed a little tricky.

“Seeing that visiting hours were about to end, Feng Qianqian continued, “Mom, take good care of yourself inside. Don’t worry about me. I’ll think of a way to come and see you again when I have time!” ”

“Feng Qianhua nodded and said in a raspy voice, “Qianqian, you have to take good care of yourself on your own. If the Feng family bullies you, you have to bear with it and calm down for a while.” ”

The person Feng Qianhua was most worried about was Feng Xianxian.

She was afraid that the Feng family would make things difficult for Feng Xianxian if something happened to her.

“Feng Xianxian was beautiful and had excellent grades. In their eyes, she was a very good tool for marriage.”

“Moreover, Feng Xianxian and old madam Feng were not related by blood. In order to achieve her goal, old madam Feng would do almost anything.”

“After saying that, Feng Qianhua continued, “Xianxian, if it’s possible, think of a way to sever ties with the Feng family and leave the Feng family forever.” ”

“Now, she had completely fallen out with old madam Lin.”

“Feng Xianxian had no backing. If she continued to stay in the Feng family, only death awaited her.”

Leaving the Feng family was the best choice.

“Feng Xianxian raised her head to look at Feng Qianhua. “Mom, I know what to do! Don’t worry, I will take good care of myself.” ”

“Since things had come to this point, retreating would not solve any problems.”

The best way to solve the problem was to face it head-on.

“As long as she did not lower her head, no one could make her lower her head!”

Feng Qianqian clenched her fists.

“After leaving the police station, Feng Qianqian did not return to the Feng family. Instead, she went to the hospital.”

The Lin family’s bodyguards stood in front of the ward and did not allow Feng Qianqian to enter.

“Feng Qianqian knelt on the ground and knelt in front of old lady Lin’s ward. “Grandma, I beg you to meet me!” ”

“Get lost!”

Old Lady Lin’s voice came from inside.

“Feng Xianxian continued, “I beg you to meet me and let me explain things clearly. When the time comes, if you ask me to get lost again, I will definitely not say another word! If you don’t agree with me, I will never be able to get up from my knees!” ”

Old Lady Lin did not say another word.

Feng Xianxian did not get up either.

...

On the other side.

At the Lin family manor.

“After settling the matter from nineteen years ago, the dark clouds hanging over the Lin family disappeared. ”

Lin Jincheng rolled up his sleeves. “I’m happy today. I’ll Cook Tonight! What do you three want to eat? I’ll Cook.”

“You Can Cook?”Ye Zhuo raised his eyebrows slightly.

Lin Ze hugged brother Meow and looked up at Lin Jincheng.

“After living with Lin Jincheng for so many years, he had never known that Lin Jincheng could cook.”
