

The Almighty Dragon General

The Almighty Dragon General Chapter 6796-Thea!" Suddenly, James shouted painfully. He reached out his hand, wanting to grab the scene. Unfortunately, the scene disappeared.

"Your Inner Demon is still in you. Can you concentrate?" Wesley's voice sounded again. "Even though you're powerful and can fight against five powerhouses in the Soma Daeclon Rank, they have the person you cherish the most as a hostage. How can you give it your all?"

Facing Wesley's words, James clenched his fists. With red eyes, he raised his head. "So?"

"It's a trap!" Wesley shouted, "Zymurgy chose the five Chosen Ones. Do you want to be the first one to die?"

"But I must save my wife!" James stubbornly roared.

"Not only can't you save your wife, but you will also die. You will fulfill them.

Won't it be a useless sacrifice?" Wesley reasoned with James." Besides, she's the Light Heavenly Path. She isn't your real wife."

James was shocked. He suddenly fell silent.

At this time, outside the void, a coquettish voice sounded. "Master, don't believe his nonsense. It's a lie. It's an illusion created by him."

Then, Adina turned into a ray of amethyst-gold light and appeared next to James.

James glanced at her and realized she was covered in wounds. He frowned.

"Where's Clayton?"

"I have defeated him, so he's embarrassed to see you. He ran away." Adina shook her body. A ray of amethyst-gold light flashed across her body, and the injuries on her body were healed.

Then, she looked at the amethyst-gold cloud in the void. “Master, don’t believe him. Yehria and Wesley are both from Zymurgy. They’re our enemy.

“Besides, I know where’s the Light Heavenly Path’s real location. He can’t fool us.”

James frowned when he heard her.

Meanwhile, Wesley sighed helplessly at this time.

“James, I’ve understood everything. You have obtained Emperor Yarden’s inheritance. You have the power to control the entire Great Historial Land.”

“That’s right!” James nodded. “Whatever tricks you have up your sleeves, you can use them all together.”

“Alright.” Wesley said helplessly, “You already have the strength to stir trouble in Zymurgy. As a clone, I can’t stop you.

“If you want to determine whether we’re enemies or friends, wait until you’ve stirred up trouble in the Thirtieth Heaven. Then, come to see me in the Fortieth Heaven!

“But I want to remind you that the only people who can harm you are the people closest to you. The people closest to you will give you a fatal blow. You should watch out.”

Then, the amethyst-gold cloud in the void rotated before disappearing.

Upon seeing that, Adina couldn’t help but snort. “The so-called Law of Paths might look fair, but in reality, it’s sanctimonious.”

After that, she looked at James and said, “Master, is Clayton your friend?”

James grunted in response.

“I see.” Adina said in a low voice, “It wasn’t true that he wanted to fight against me. He wanted to send a piece of information.”

James immediately turned around and looked at her. “What information did he send you?”

Adina said, "Just now. Before Clayton left, he told me to tell you that the real Light Heavenly Path and Abelard are in the Kronosia Realm. Four powerhouses in the Yitro Daeclon Rank are watching over them."

"The Kronosia Realm?" James frowned. He asked, "Where is that?"

"I heard my teacher mentioned it before!" Adina took a deep breath. "It was where the previous Tai Chi had a human appearance for the first time and where he first opened his eyes."

Upon hearing that, James had a meaningful expression. "How far is it from the Thirty-Third Heaven?"

"It's in the Thirty-Third Heaven." Adina stared at James. "It's on the left side of Tai Chi Grand Temple."

When James heard that, with both hands behind his back, he took two steps forward. It was as if he was in deep thought.

Adina looked at him and became nervous, but she didn't show it.

At this time, Xaiden, Xolani and Yzert became noisy.

"James, please let US go. We're willing to leave Tai Chi Sect."

"Yeah. Please let US go. You can even get rid of our cultivation and let US reincarnate."

"It's too painful. I hope I can be free."

As he listened to them, James turned around. He was irritated. "Why are you guys so noisy? Go back to the Yuraeceon Genesis Bell. I'm not in the mood to care about you guys."

When the three Grand Patriarchs exchanged glances, their eyes widened.

They turned into a ray of light and entered the Yuraeceon Genesis Bell.

It was only then that Adina said, "Master, what should we do?"

"You knew about the information first." James said, "What's your opinion?"

“That depends on how much the Light Heavenly Path and Abelard weigh in your heart.” Adina sighed. “If they aren’t important, you shouldn’t go to the Thirty-Third Heaven for now.

“Although Wesley used the illusion to fool you, some of his words are true.

There are five powerhouses in the Yitro Daeclon Rank in the Thirty-Third Heaven.”

Upon hearing that, James gazed at Adina deeply. “Are you scared?”

“No.” Adina quickly shook her head. “I mean...”

James waved his hand and withdrew the Yuraeceon Genesis Bell. Then, he looked at the void. “The Light Heavenly Path and my wife are equally important.

Since we have reached the Thirtieth Heaven, it will be a pity not to go to the Thirty-Third Heaven.”

Adina raised her eyebrows. “Do you plan to go?”

James burst into laughter. “I have my own plans.”

Then, with a wave of his hand, he disappeared along with Adina.

The Almighty Dragon General Chapter 6797-At the top of a mountain in the Thirty-Third Heaven, as a ray of amethyst-red light with malevolent energy struck, a young and handsome living being in a black robe appeared.

Looking at the huge temple in the void floating on the black-and-white gas, he slowly narrowed his eyes.

“I have searched everywhere below the Thirty-Third Heaven of Zymurgy. Why do I always end up here?

“I don’t get it. What did my friend do to Yehria? Why does she despise him so much? Did he get her pregnant and leave her? Hahahaha!”

At this moment, as a ray of amethyst-gold light flashed on his body, Herodias appeared.

“Hey, stop gloating. Since we have found the location of the Light Heavenly Path, we must save her.”

Taken aback, Morgott looked at Herodias as if he was looking at a monster. “Are you crazy? Many powerhouses in the Xurxo Daeclon Rank and the Yitro Daeclon Rank are there. There are even five powerhouses in the Soma Daeclon Rank. Aren’t you seeking death by going there?”

“Are you scared?” Herodias mocked, “You keep saying you want to help James find the Light Heavenly Path. You’re embarrassing. No wonder James doesn’t acknowledge you.”

Then, Herodias sighed. “You’re selfish and a coward. You won’t have any friends in this life.

“You’re a lonely person. No one likes or cherishes you. In the end, you will become the most hated and pitiful living being in Zymurgy.”

Upon hearing that, Morgott became furious. “You’re evil!”

After that, he grabbed Herodias by the collar. Swinging his fist, he shouted, “Do you know who’s in control right now? How dare you humiliate and mock me? Do you wish to die?”

However, Herodias stared at him. She wasn’t terrified. It was as if she was looking at a clown.

In that instant, Morgott froze. Then, he pushed Herodias away.

“No, I’ve promised Truett not to touch you. You shouldn’t go too far either. I have a bottom line.”

Seeing how furious Morgott was, Herodias clicked her tongue. “Your bottom line is being greedy to live and afraid to die. You aren’t loyal.”

“No.” Morgott roared angrily again, “If all my strength has recovered, even if just half of it, the bunch of trash in Tai Chi Temple is nothing.

“But now, I only have the Level Eight Demonic Body. If I don’t have a vector, it’s difficult for me to kill a powerhouse in the Soma Daeclon Rank. How can I save someone?”

Then, he thought of something. "That's right. I said I'll help James find the Light Heavenly Path. I didn't say I would take action.

"He has obtained Emperor Yarden's inheritance. He should be powerful now.

Can't I just tell him this piece of information?"

"Idiot," said Herodias rudely.

Confused, Morgott raised his head and glared at her. "What do you mean? Are you doubting my intelligence?"

"You? Intelligent?" Herodias snorted and said, "Putting aside James meditating in seclusion in the Forbidden Bloodshade of the Great Historial Land, even if he has come out of seclusion, how will you inform him? Are you going to take a trip to the Great Historial Land?"

"If the Light Heavenly Path is killed during this time, what's the point of you sending this piece of information?"

Upon hearing that, Morgott slapped his forehead. He understood it now.

The Almighty Dragon General Chapter 6798-Then, Morgott asked restlessly, "What should we do then?"

"The Light Heavenly Path is also James' wife." Herodias looked at Tai Chi Temple in the black-and-white gas. "If you truly want to help James, I can put aside my grudges against you temporarily and help you."

"You?" Morgott appeared before Herodias. "Although you're the daughter of Tirta, you're only in the Ninth Xaeclon Rank..."

"Your intelligence is so low that it's unbelievable." Herodias scolded, "No wonder you can only be sealed even though you're powerful."

Morgott was at a loss for words.

"Because I'm the daughter of Tirta, I know more than half of the supreme beings

in Zymurgy.” Herodias turned around and said, “If I lure them out, you can take the opportunity to enter Tai Chi Temple and rescue the Light Heavenly Path.”

When Morgott heard that, his eyes lit up. “Do you think the five powerhouses in the Soma Daeclon Rank are so easy to fool? It’s hard to take away the Light Heavenly Path under their guard.”

“We can only fight then.” Herodias rolled her eyes at Morgott. “Don’t forget.

Although you only have the Level Eight Demonic Body, you’re still a spirit. You can take over the Light Heavenly Path’s body temporarily. In this way, you can fight against the five powerhouses in the Soma Daeclon Rank.”

“Even if you can’t defeat them all, with your speed, you can escape.” After listening to Herodias’ words, Morgott rested his chin on his hand and fell into deep thought. His head continued to lower.

Then, he remembered something. Instantly, he jumped and exclaimed, “But the Light Heavenly Path is a woman. If I take over her body, my prestige-“

“Forget your prestige. You’re a laughingstock now,” Herodias said, “If you truly want to be friends with James, you should endure the humiliation.’¹ Glancing at Herodias, Morgott felt helpless.

James was too important to him. Not only were they friends, but he was his hope for revenge. With that alone, he could do anything for James.

Then, Morgott asked, “I can take away the Light Heavenly Path, but how will you escape?”

“I’m the daughter of Tirta.” Enunciating each word, Herodias said, “In the Thirty Third Heaven, I can use the Tirta Power. The power will also increase. It won’t be a problem to deal with the powerhouses in the Xurxo Daeclon Rank. Besides, they are old acquaintances. They will kill you, but they won’t do anything to me.”

Upon hearing that, Morgott raised his head and took a deep breath. “You aren’t acquainted with James. Why are you risking your life to help him?”

“What do you know?” Herodias snorted and said, “With James’ friendship and kindness toward my family, even if I have to go through dangers for him, I

won't hesitate." Then, she looked at Morgott. "Why am I saying all this to a heartless person like you? Are you doing it or not?"

Morgott nodded. "I'm doing it, but I have a condition."

"What is it?" Herodias asked impatiently.

"You can't say I'm heartless again." Morgott roared. "I can go through dangers for my friend too."

Herodias was taken aback. Then, she gazed deeply at Morgott. "Hide yourself."

Don't let them discover you. otherwise, you will be annihilated.' Then, stepping on a black-and-white cloud, she headed toward Tai Chi Temple.

At the same time, Morgott turned into a ray of amethyst-red light and disappeared.

The Almighty Dragon General Chapter 6799-"Yehria, come out!"

When Herodias reached the void before Tai Chi Temple, she raised her hand and overturned the gate before the temple.

In the next second, in Tai Chi Temple, dozens of rays of amethyst-gold light flew out. They turned into living beings in the void.

They were mostly in the Ninth Xaeclon Rank. Among them, there was a middle-aged man. He was a powerhouse in the Xurxo Daeclon Rank.

With one hand behind his back, he looked at Herodias with contempt." Who are you? How dare you behave atrociously before Tai Chi Temple? Kneel right now and apologize. Otherwise, you will be annihilated."

Herodias snorted. She raised her hand. Tirta Power headed straight to the man.

Following a loud sound, the middle-aged man in the lead was blown away in the void.

"You..." the middle-aged man roared angrily, "Kill her!"

In the next second, the dozens of powerhouses in the Ninth Xaeclon Rank behind him moved simultaneously.

Before they could make a move, Herodias extended her arms. Tirta Power shot out and instantly turned into Sword Lights that filled the sky.

Following a few sounds, the powerhouses in the Ninth Xaeclon Rank exploded in the void. They didn't even have the chance to fight back.

The middle-aged man was enraged. "How dare you kill people before Tai Chi Temple? You're seeking death."

When he was about to make a move, a shout sounded from Tai Chi Temple.

"Stop!"

In the next second, five rays of amethyst-gold light flashed. They blocked the middle-aged man and turned into five living beings in black-and-white robes.

They stood in a horizontal line.

Looking at the five powerhouses who appeared, Herodias narrowed her eyes.

"Hey, my old friends!"

At this time, an elder bowed at Herodias. "Greetings, Lady Herodias. I'm Xanthakos Qadeer of Surya Temple."

Following his actions, the rest of the four powerhouses also bowed.

"Greetings, Lady Herodias. I'm Claude Avery of Ananda Temple."

"Greetings, Lady Herodias. I'm Joshua Sloan of Shivam Temple."

"Greetings, Lady Herodias. I'm Beatrice Sanchez of Yamuna Temple."

"Greetings, Lady Herodias. I'm Zeux Yanez of Yunara Temple."

Seeing how polite they were, Herodias burst into laughter.

"The Tirta Sect has been fallen for a long time. I don't deserve such treatment."

Then, the five supreme beings were stunned. They lowered their heads awkwardly.

They were all from the Tirta Sect. Because Tirta sacrificed herself to seal Morgott to protect Zymurgy, the Tirta Sect was gone.

No matter what, Tirta did a favor for Zymurgy. Besides, they were all from the Tirta Sect. Facing Herodias, they still needed to pretend to be respectful.

Seeing how awkward the scene was, Herodias said in her heart that Morgott should take this chance to enter Tai Chi Temple and save the Light Heavenly Path.

Then, to buy more time for Morgott, Herodias looked at the five supreme beings.

The Almighty Dragon General Chapter 6800-“But since you guys are around, you guys can be witnesses,” said Herodias.

The five supreme beings were taken aback. They exchanged glances.

Enunciating each word, Herodias said, “Yehria stole a treasure from the Tirta Sect, the Tirta Pearl. Hand it over now. I need it to open the Xyrisia Gate.”

Upon hearing the mention of the Xyrisia Gate, the five supreme beings who were initially calm were shocked.

At this time, Xanthakos widened his eyes and asked, “Lady Herodias, do you mean the Xyrisia Gate that can help one reach the Daeclon Mahayana Rank?” Herodias snorted. Suddenly, her body flashed. She descended to the ground.

Upon seeing that, the five supreme beings followed after her. It was as if they were afraid of missing a piece of information about the Xyrisia Gate.

At this moment, in the void where they were moments ago, a ray of amethyst red light flashed. Ignoring the formation of Tai Chi Temple, it headed straight in.

Simultaneously, in Tai Chi Temple, the powerhouses in the Yitro Daeclon Rank that were left behind were looking at the woman on the jade bed greedily. Their gazes were lewd.

“What a beautiful body. And it’s her original form. If I can carry out Dual Cultivation with her, it’s worth to die.”

“What are you thinking about? She’s the treasure the supreme beings use to refine the Great Historial Elixir. Who dares to touch her?”

“The Light Heavenly Path is considered half the Yin governor, right? The Xyrisia’s materialization of energy is indeed different. She’s a lot prettier than the living beings.”

“What a pity. Forty-nine is so lucky. If we had such luck-” Before he could finish speaking, a ray of amethyst-red light entered the place. In the blink of an eye, he froze.

Then, wherever the amethyst-red light passed, the living beings would freeze.

There was no exception.

In the next second, an uncanny ray of amethyst-red light landed. It turned into Morgott.

“Haha. How dare you guys think of touching my friend’s woman? You guys aren’t worthy. You guys are seeking death.”

Then, Morgott appeared before the jade bed. As he looked at Light Thea lying on the jade bed, his face twitched.

“You can just turn into a woman. Why must you be so pretty? Don’t you know you will attract many unwanted men in this way? You will be troublesome to my friend.”

Then, he raised his hand. A ray of amethyst-red light engulfed Light Thea. When he was about to leave, a beautiful living being entered the place.

“Who are you? How dare you barge in here?” the living being shouted before throwing a sword at Morgott’s spirit.

“How unlucky. It’s another beautiful woman.” Morgott grabbed the amethyst-gold Sword Energy. “I hate beautiful women.”

Then, he crushed the amethyst-gold Sword Energy in his hand. He made a gesture, and an amethyst-red halo with malevolent energy flew out of his hand.

In the next second, he grabbed Light Thea and turned into a ray of amethyst – red light. He went out of the temple. “Someone has taken away the Light Heavenly Path.”

Then, the amethyst-red halo that was created by Morgott exploded. It turned into countless amethyst-red Sword Energies. With muffled sounds, they killed all the living beings in the temple.

With a loud explosion, the temple shook. Following the spread of the amethyst red power, it collapsed.
