

The Almighty Dragon General Chapter 6922

The Almighty Dragon General Chapter 6922-“Ah, it seems I overestimated you.” James shook his head with some regret. “I thought the unorthodox factions might possess some Supernatural Power, but it seems-“

Quince interjected, “You...”

“But hey, not bad,” James joked. “You managed to break through my Spiritual Providence and escape successfully from my Three Treasures Formation. With just those two feats, your strength is enough to dominate most of the Soma Daeclon Rank powerhouses in Zymurgy. The unorthodox factions indeed have some talents. Since you want a straightforward battle, I’ll accompany you to the end.”

James dispelled the rotating Three Treasures and the massive sacred lotus he

sat on. The next moment, a dazzling rainbow holy light flashed with a casual wave of his hand, and a divine sword enveloped in myriad colors appeared in his hand.

Quince stared in shock as James held the divine sword and slowly descended.

Suddenly, a fear rose in his heart that pierced his soul. Ranking in the top ten among the seventy-two unorthodox factions and rarely encountering opponents, he felt fear while facing a mere cultivator. It was a feeling even he could not believe.

“Come on! I’ll give you a chance,” James said slowly. “Come at me together with all of your hidden allies.”

Hearing this, Quince’s clenched sword made a cracking sound.

“You audacious fellow, you actually...”

James waved the Jozo Sword in his hand before he could finish his sentence. In an instant, the sky changed color, and the earth trembled violently. A terrifying rainbow Sword Light burst forth and pierced through the void.

Quince looked up in horror as the Sword Light tore through the sky, piercing the bodies of the powerhouses from unorthodox factions hidden within the Forty Seventh Heaven, causing them to explode in mid-air. Cries echoed throughout the Forty-Seventh Heaven, blood and flesh scattered, and the falling rain of blood and countless pieces of flesh turned this place into a purgatory.

After a long time, Quince, still in shock, turned his trembling body towards James. “W-What kind of monster are you?”

James said lightly, "I gave you a chance, but you were too noisy. My patience is limited."

"No, impossible..." Quince's huge head shook like a wobbling planet. "The thirty six unorthodox sects and the seventy-two unorthodox factions cultivate the Invincible Vajra Body. There isn't even a weapon in Zymurgy that can easily harm US."

With bloodshot eyes, he stared at James. "W-Which sword do you have in your hand?"

James slowly raised the Jozo Sword in his hand and smiled faintly. "Oh, I forgot to introduce it. This is called the Wuia Demon-Slayer Sword."

"Impossible!" Quince roared. "It's impossible to kill so many powerhouses at once, even with the Wuia Demon-Slayer Sword."

"I forgot to mention." James shrugged innocently. "I'm using the Jozo Sword of the Wuia Demon-Slayer Sword."

'You... Jozo Sword...' Quince seemed to have stumbled upon a soulshaking secret. "How is it possible that the Wuia Demon-Slayer Sword actually contains another sword within it?" "Enough." James impatiently interrupted, 'You're just a figurehead now. I can give you a choice. Either chat with me, have a drink and discuss the affairs of your unorthodox factions and sects, or I'll kill you now.'

Facing James' threat, Quince trembled and retreated several steps with his clanking sword. "You want to force me to reveal our secrets? You wish!"

'You're truly a simple-minded, brawny fellow.' James shook his head helplessly.

"Then I'll grant your wish. Die." As he spoke, a sudden burst of rainbow light shot down from above just as the Jozo Sword in his hand was about to move.

The Almighty Dragon General Chapter 6923-James furrowed his brow and asked, "What do you mean, Ms. Silver?" At the words, Quince's cheeks twitched with a face full of shock and horror. He was about to speak when Silver's ethereal voice echoed in the void. "Those from the unorthodox factions and sects are elusive cultivators. They can easily change their forms and conceal their auras. It's not easy to catch a hint of them, let alone one of the seventy-two unorthodox factions. It would be a pity to kill him! There are ways to uncover their secrets."

As the words fell, several thick and sturdy flashes of rainbow lightning suddenly descended within the myriad-colored light in the void and engulfed Quince.

With Quince's screams echoing, James showed a bewildered expression." I thought the Primal Spirits couldn't intervene. What's this supposed to be?"

With a flash of the myriad-colored divine light, the rainbow lightning and Quince were all dragged into the Taishi Grand Temple.

Then, the ethereal voice of Silver echoed in the void once again. 'The Primal Spirits indeed cannot intervene in the struggles of living beings, but the Forty Seven Heaven is my domain. I have the right to intervene if someone acts wild in my territory!"

Hearing this, James could not help but shrug. 'The gods favor strength. With strength, whatever one says holds weight. It's just a matter of timing and execution.' Thinking it over, James said, "Ms. Silver, I'll leave him to you for now. I'm off to find that woman to have some fun with. She's the mastermind behind releasing those unorthodox factions and sects. I bet she's hiding even more secrets."

As soon as his words fell, James turned into a Sword Light and shot into the air.

Meanwhile, in a corner of the Forty-Seventh Heaven. Morgott carried the terrified Yehria on his back and dashed frantically through the void. He complained, "I told you not to mess with James, but you wouldn't listen. You even said it was his doomsday. Now it's our doomsday, and it's right in front of US."

"Impossible! He couldn't be that powerful." Yehria's face went pale. "How could he obliterate so many powerhouses with just one sword? They're the cream of the crop among the unorthodox factions and sects, capable of dominating all the temples below the Forty Heaven as soon as they appear.

"How did James manage it? Could it be that he's reached the Daeclon Mahayana Rank?"

"I'm not sure, but you're definitely going crazy!" Morgott scolded irritably. "Even you are no match for James. The group of unorthodox factions and sects you invited are nothing but trash."

"Who are you calling trash?" Yehria grabbed Morgott's ear and bit down fiercely.

Morgott screamed, then plummeted heavily from the void with Yehria.

"You bitch!" Morgott rubbed his ear and stood up. He shouted, "You dare to bite me. Are you a shark or a crocodile?"

"Don't mention this to me again," Yehria angrily exclaimed. "I'm telling you something serious. Why do you always argue with me?"

Morgott was furious. "I trusted you completely, and yet you betrayed James. You kept saying we were on the same side, but you never shared any secrets with me. Wasn't that just leading me to my death?"

Yehria grew even angrier. "You're the one sending yourself to death. You didn't know where to hide when you saw James. Now you're telling me these. Do you have any conscience? Do you know that my plan was foolproof? As long as James comes out of the Taishi Grand Temple, you can hold him off. With Quince and those unorthodox faction powerhouses, we can totally take him down.

However, you've harmed Quince and forced us to run for our lives because of your cowardice. It's all because of you."

Morgott's eyes widened in astonishment as he listened to Yehria's angry roar.

After a while, his cheeks twitched and he asked, "So you're telling me, I'm wrong to have saved you?"

The Almighty Dragon General Chapter 6924-if it weren't for my brilliant martial prowess, foresight, and wisdom, you'd be back with James and tortured by him," Morgott said and fiercely pointed at Yehria.

"I've always obeyed your orders ever since I escaped from the Great Historial Land. What about the promises you made? What about becoming dual cultivation partners? I haven't even seen your action!

"I'm done. I'm not doing it anymore." Morgott immediately spread his hands and took a few steps back. "I'm going back to apologize to James.

With our relationship, it won't have any problems."

"Are you willing to be his slave?" Yehria's voice trembled as she shouted, "

Morgott, you're the Demon. You once caused chaos in Zymurgy by

yourself. You even killed the Xyloria Tai Chi and the Xyloria Law of Paths.

Where's your majesty, ambition, and pride?"

"That's still better than being a lapdog with you and needing to hide everywhere," Morgott retorted. "Yehria Yrjo, you're just a damn liar. You're full of lies and schemes. I don't trust you anymore!"

"You..." Yehria was suddenly interrupted by a burst of dry applause before she could finish her words.

Both Yehria and Morgott were startled. They turned their heads towards the applause, only to see a handsome young man in a black robe, holding a wine jar and smiling at them.

"James Caden, you came so fast?" Yehria was frightened, screaming and transforming into a black-and-white gas, soaring into the sky. Meanwhile, Morgott's cheeks twitched, his face full of astonishment.

"Don't leave, I haven't tasted the fish yet!" James lazily shouted.

The next moment, two colorful lights suddenly flew out of his body and soared into the sky. Accompanied by an earth-shattering battle sound in the void, the two colorful lights landed again, along with the black-and-white gas.

With a clang, Yehria was immediately thrown in front of James, her hair disheveled and blood dripping from her mouth. She looked miserable. The two colorful lights manifested into Hemera and Fennec, who stood aside.

Gulping down a mouthful of Chaos Absinthe, James glanced sideways at Yehria. "Although you're a dead fish, you're still a Tai Chi, one of the three most beautiful women in the Greater Realms. Can't you have a bit of dignity and integrity? How disgraceful to meet someone without dressing up and with disheveled hair."

Yehria slowly raised her head and glared at James with hatred. "Kill me if you have the guts." "I don't want to die." Morgott hurriedly came to James' side. He nodded and bowed, showering James with compliments, catching him off guard.

Looking at the shameless Morgott, James asked impatiently, "Have you fully integrated your spirit?"

"Not yet." Morgott shook his head hastily. "There's still my spirit in the Taishi Grand Temple. That's my most important thing..."

"You probably wouldn't be like this if I had let you merge with the soul consciousness," James said with a smile. "Your ambition to dominate the Greater Realms could be reignited."

Morgott was stunned for a moment, then hurriedly waved his hand. "No, how could I rule the Greater Realms with you around?"

"Shut up!" James glared at him, then reached out and grabbed Yehria in front of him. "Hand over your soul for me to search it. Otherwise, I'll make you and Quince have a wedding night, giving birth to a litter of ugly monsters with tails swimming around."

The Almighty Dragon General Chapter 6925-n the face of James' seemingly smiling eyes, Yehria felt as if she would soon face punishment. She knew that James was despicable, perverted, and ruthless. He must be capable of such insane acts. She had fallen into his hands.

She would only end up losing if she confronted him head-on.

Understanding this, Yehria said with her voice dripping with malice, "Do you have the ability to search my soul if I summon it?"

"I'll give it a try!" James raised an eyebrow.

Yehria gritted her teeth, then turned to look at Morgott standing beside James.

"I'm your dual-cultivation partner, aren't you going to..."

"Don't lie to me, I haven't even sensed your aura," Morgott said with a hint of grievance. "You better behave, so I can plead with James for you."

At these words, Yehria nodded with a face full of indignation. She thought to herself that men truly could not be relied upon. Suddenly, six Soul Energy Balls emerged above her head, leaving James baffled.

"This..." Morgott's eyes widened. "How do you have so many souls..."

James waved his hand to interrupt Morgott. Then, he chuckled, "Herais Tai Chi, Yin-Yang Tai Chi, Sappho Tai Chi, each one has a soul. Where's yours?"

Yehria was taken aback but did not retort. Instead, she conjured up another massive Soul Energy Ball above her head.

"Wow!" Morgott's eyes gleamed. "It's actually possible to play it this way."

James became suspicious and wary in the face of Yehria's calm demeanor.

Logically, with Yehria's cunning and treacherous nature, she would not easily reveal all her secrets with just a few threats. She dared to present Soul Energy Balls despite knowing James possessed the Chaos Yin -Yang Eyes. There was obviously something fishy about it.

James activated his Chaos Yin-Yang Eyes and scanned all the information within Yehria's seven souls to confirm this. Unfortunately, there was nothing of value besides some basic information about the unorthodox factions and sects.

This confirmed James' suspicions.

"Are we done?" Yehria stared arrogantly at James. "Do you want to take them back and examine them closely?"

"James, she's mocking you." Morgott chimed in.

"Morgott!" Yehria flared up. "You scoundrel, you're just as despicable as James Caden. You're even worse."

"Though I enjoy killing, I don't enjoy deceiving." Morgott shrugged. "Especially when he's my brother."

"You useless coward!" Yehria exploded in anger. "So, you've been..."

Before she could finish, James lifted his hand, and with a flick of his fingers, Innate Energy immediately lifted her into the void. In the next moment, with another gesture from James, Yehria's robe shattered and left her naked.

Witnessing this scene, Morgott's eyes lit up, drool dripping from his wide-open mouth. "Wow, it's simply art!"

Meanwhile, James remained with his eyes closed, seemingly unaffected.

"James Caden, you shameless scoundrel!" Seeing herself stripped naked, Yehria shouted in shame and fury. "You're insane, you deserve to die, you..."

Before she could finish her tirade, James emitted the Quell Divine Light to envelope her entire body. Then, he opened his eyes to activate his Chaos Yin Yang Eyes. The black pupils immediately turned blood red, and two blood-red beams shot straight toward Yehria. In the next moment, James thoroughly scanned Yehria's internal organs and every part of her body amidst her embarrassed and furious curses.
