

The Almighty Dragon General Chapter 6972

The Almighty Dragon General Chapter 6972-Looking at the Jozo Sword James pulled out, Marcus and Mical widened their eyes. Then, they backed away in fear.

"Is that the Wuia Demon-Slayer Sword?"

"It doesn't look like it. It doesn't seem like the Sword Light of the Wuia Demon-Slayer Sword. It seems more terrifying."

Upon hearing the conversation between the two, James smiled.

"This is the Wuia Demon-Slayer Sword's father!"

The two were at a loss for words.

"Don't scare them." standing to the side, Thea reminded, "Be careful when you enter the formation later. After all..."

"I won't enter the formation alone." James said devilishly, "We have shields now."

Thea was taken aback. Before she could say anything, James raised his hand and grabbed Yehria.

"James, you didn't expect yourself to have such a day, right?"

"The Wuinfinite Formation is the most powerful formation in the worlds. No matter what cultivation rank you're in, even if you have the Three Treasures Integration and Five Spirits Integration, you can't escape."

"Be stuck here forever. Every entrapoch, a Wuia Demon-Slayer Tribulation will happen in the Wuinfinite Formation. The living beings in the formation can't escape the tribulation. The tribulation will become stronger after each time. At the same time, one's cultivation will decrease every time because of the suppression of the tribulation. One's cultivation rank will drop quickly."

"By then, the Five Path Emperors don't even need to take action. A mere living being can kill you even though you're the first person to have the Three Treasures Integration."

Once Yehria appeared, she gloated and ridiculed James. She was ecstatic.

However, as she was laughing, she realized that the situation was odd. She was getting ignored.

A while later, she became confused and then awkward before becoming angry.

She realized that James, Thea, Lesia, Hemera, Fennec, Marcus and Mical were staring at her like she was an idiot.

At that moment, Yehria felt so awkward that she wanted to bury herself.

“Are you done?” James asked with his head tilted.

With her hands behind her back, Thea smiled. “You grow quickly!”

“You’re funny.” Lesia covered her mouth and chuckled. “Aren’t you going to show your initial form?”

Marcus sighed and shook his head. “Yehria, you’re such a tragedy.”

“How despicable.” Mical snorted and said, ‘You’re like your father.’

Hearing them mocking her, Yehria who was initially awkward used her shamelessness to get rid of her awkwardness. She instantly became furious and fought back. “Idiots, do you think you will have a good future by following James? Your doomsday is here. Next...”

Before she could finish speaking, a whip wrapped around her. She couldn’t move. Looking over, she realized that the Jozo Sword in James’ hand had turned into a whip. “W-What are you doing?”

James smiled. ‘Your father is letting out the poison with a group of supreme beings in the sky. I think you should experience your father’s love now.’

Then, Yehria looked up at the tribulation outside the Energy Wall. She seemed to have understood something. At once, her face turned pale. “James, how dare-” Before she could finish speaking, James shook the whip in his hands. A powerful Innate Energy pushed her toward the Defensive Energy Wall.

The Almighty Dragon General Chapter 6973-Yehria shrieked. Her desire to live made her grab the edge of the Defensive Energy Wall. She was hung there. Her long legs and body curled up. Her screams were endless.

Upon seeing that, Thea burst into laughter. She didn’t expect her husband to know how to do things. Yehria was the arrogant Tai Chi.

“Do you think her blood and flesh will splatter everywhere if I throw her out?”

James asked.

"I don't think so," Marcus quickly said, "She's the ruler of all worlds. Tai Chi can't be annihilated."

"I don't think it'll happen either." In a low voice, Mical said, "Qadeer is her father."

She said it herself. No father would hurt his daughter."

At this time, Lesia walked over while laughing.

"I don't care if she will die. Once we send her into Qadeer's tribulation, we will have a chance to fight back."

"Good idea." Thea snapped her finger at Lesia. "When we get rid of Qadeer's hypocrisy and make him angry, we can find a loophole."

James agreed with them. At once, he pushed out his palm. Following a loud sound, he hit Yehria, who was grabbing the Defensive Energy Wall into the tribulation.

In an instant, lightning, light, flame, rain, Sword Light, strong wind and meteor devoured Yehria. She started cursing at the others in the terrifying tribulation, "James, you deserve to die. You're evil... Qadeer, are you going to kill me too?"

Don't you feel guilt?"

Hearing Yehria's curses, James and the others frowned.

At the same time, at the highest point of the void in the Fortieth Heaven, Qadeer seemed to have sensed something. Instantly, he withdrew his Tribulation Supernatural Power. With his face flushed, he shouted, "Everyone, stop!"

When Zdravko and Stavros heard that, they stopped using their Tribulation Supernatural Power. They looked at Qadeer.

With a serious expression, Qadeer said, "Something isn't right. Although our tribulation strikes everyone, it doesn't seem effective."

Upon hearing that, Zdravko and Stavros were stunned. At this moment, their Zen didn't want to enter the Wuinfinite Formation. After all, it was extremely dangerous.

In the next second, Qadeer waved his hand. Two dazzling oil lamps appeared.

One was Yin and the other was Yang.

The Yang Lamp had red flames. It didn't seem to be going out. On the other hand, the Yin Lamp had blue flames. It burned stronger than the Yang Lamp.

“As expected.” Qadeer said coldly, “James has the support of outside forces. He has entered the Daeclon Mahayana Rank successfully.

Meanwhile, the Yin governor got James’ help in the Wuinfinite Formation and had the Three Treasures Integration successfully.”

At that, Zdravko and Stavros couldn’t help but shudder.

As James was the first person to have the Three Treasures Integration, they didn’t choose to fight against him head-on. Instead, they used the Wuinfinite Formation to trap him.

Now, not only did James have the Three Treasures Integration, but he had also entered the Daeclon Mahayana Rank. His strength had surpassed Morgott who once brought a terrifying tribulation to Zymurgy.

More importantly, the Yin governor had the Three Treasures Integration and reached the Daeclon Mahayana Rank too.

Thus, they had to face two powerhouses stronger than Morgott. How could the Fortieth Heaven withstand such pressure?

“We need to change our plan.” Qadeer suddenly said, “It doesn’t benefit US if this continues.”

“Let’s ask Lord Goyo.” Shocked, Zdravko said, “Both of their strength has surpassed Morgott. It’s a tribulation the Fortieth Heaven never experienced before.”

The Almighty Dragon General Chapter 6975-At the same time, the three disciples under Qadeer stood forward.

After glancing at Qadeer, Stavros looked at Zdravko.

“Emperor Zdravko, take care. Help me look after the disciples.” Once he got a confirmation from Zdravko, he turned to leave. At this instant, Qadeer had a strange smile on his face.

On the other hand, Zdravko’s face was pale. She looked sad.

Although they were the Five Path Emperors, there were rankings among them.

For example, Zdravko and Stavros were the weakest among the Five Path Emperors. They could only rely on Qadeer who was more powerful to gain more benefits.

Of course, they had to repay him. They didn’t need to repay him with benefits.

Instead, they might need to repay him with their lives.

On the other end, in the Wuinfinite Formation, as the tribulation stopped, James waved the Jozo Sword immediately and headed to the top of the Wuinfinite Formation.

After fighting against the 81 Path Characters at the top countless times, James still couldn't break through the top of the Wuinfinite Formation. In the end, he returned to Thea's lotus.

'The Wuinfinite Formation isn't created by Waitara.' Thea sighed and said,

Instead, it was formed together with the Nine Caeloros Gods of Nothingness' Daoism when Waitara was born. It was urn-shaped. To break through, you need to either get the Wuia Rune or ask the Nine Caeloros Gods of Nothingness to change the Daoism."

Upon hearing that, James frowned and looked at Lesia.

"Why are you looking at me?" Lesia asked, "Can I break through it?"

"Maybe." James straightened his back. Enunciating each word, he said, "At least, you know how to make the Wuia Rune."

At that, Marcus, Mical and Thea were shocked as they looked at Lesia.

What was Lesia's identity? Was there another status to her aside from being James' second body? Otherwise, why would James have such high hopes for her?

Facing everyone's gazes, Lesia closed her eyes and sat on the ground.

In the next second, a strange and transparent energy exuded from her body, freezing everyone present.

Then, she asked helplessly, "Master, do you know about my identity?"

James was taken aback. Seeing that Thea, Mical and Marcus were frozen, he said helplessly, initially, I didn't want to uncover it, but now..."

'You've seen my main self,' Lesia interrupted James.

'Yeah.' James nodded. "Frona, one of the Nine Caeloros Gods of Nothingness.

I've also seen Emperor Yarden."

"Got it." Lesia sighed. "It's Silver who can go through the tangible and intangible."

James looked at Lesia and asked, "Can you help me?"
