The Almighty Dragon General Chapter 7066

The Almighty Dragon General Chapter 7065-Upon hearing the conversation, Xanthakos quickly stashed away the shining scroll, and his face contorted with rage. “What are you bickering about?”

Silence fell outside.

Meanwhile, Youcef ignored the commotion and continued to stare at his father.

Suddenly, Thea’s arrogant voice came from outside, “Xanthakos! Is this how your sect treats guests? Then shall I just pack up and leave?”

Hearing this, Xanthakos became anxious. With the wave of his hand, he opened a door in the protective formation.

Thea walked in gracefully.

Xanthakos was an experienced senior who had gone through a lot in the past.

However, upon seeing Thea, his face flashed with helplessness. He stood up

and quickly greeted her as if welcoming a distinguished guest. “I apologize for not welcoming you sooner. I hope-“

Thea interrupted, “I won’t forgive you. You’re clearly being disrespectful, and don’t take the Wyrmscale Source seriously.”

Xanthakos was infuriated by her words. Ever since Thea had entered the Qadeer Palace, she had caused nothing but trouble. There had not been a moment of peace with her. She was constantly roaming around and taking whatever caught her eye. If anyone were to disagree, she would simply snatch it. In the case where she could have what she wanted, she would rather destroy the items.

On top of that, she would bully and torment the sect’s disciples. In just a few years, she had already injured no fewer than 10,000 disciples. Apart from Xanthakos, nobody was a match against her.

Despite providing her with the best food and a comfortable place to cultivate, she refused to stop causing trouble. She was stomping all over them.

However, Xanthakos had no choice but to tolerate her behavior for the sake of the bigger picture. It was not time to turn against her yet. Not only was she the Yin governor, but she was also the young lady of the Wyrmscale Source. Most importantly, James cared deeply for her.

To gain the support of James and the Wyrmscale Source, he could not afford to offend her. In his grand scheme, the Yin governor was his biggest bargaining chip to negotiate with James.

Thus, although Xanthakos was furious, he could only smile. “Could we stop with these huge fusses, Yin governor? The Qadeer Palace is a core place of the Forty-Ninth Heaven. If we’re always-“

Thea interrupted, “I’m not being unreasonable! I told them I wanted to visit the Wuia Palace, but they wouldn’t let me!”

“The Wuia Palace?” Xanthakos could not believe his ears. “Why do you want to go there?”

Thea said in frustration, “Don’t we want to prevent the Waitara Path from returning? I want to head there and see if there are any treasures I could seize, then I’ll burn the place down to vent my anger!”

Xanthakos was dumbfounded by her explanation.

After watching their exchange, Youcef suddenly waved his hand and said, “If you’re really bold enough to do so, I’ll come with you.”

Xanthakos turned his head sharply, glaring at Youcef with a murderous look in his eyes. “Do you want to die?”

The Almighty Dragon General Chapter 7067-Thea asked indignantly, “Who are you trying to scare? Why won’t you let US go to the Wuia Palace? I’m starting to question your sincerity to work with me.”

Emperor Xanthakos’ expression shifted dramatically. He said hurriedly, “The Wuia Palace is unlike Xanthakos Temple. It’s riddled with countless formations and is heavily guarded by powerful figures. It’s the supreme symbol of the Greater Realms.

“If you go there and cause trouble, it won’t just be a matter of escaping. You’ll completely alert the enemy, and the Waitara Path’s followers will come after you, especially Lord Goyo.”

Xanthakos moved closer to Thea and whispered, “If you get into trouble, should my sect save you or not? If we don’t, the Divine Marius and James won’t forgive

US. However, we’re not ready for a confrontation as it will ruin our grand plans.”

Thea narrowed her eyes slightly, remaining silent. She understood that the ‘grand plan’ Xanthakos referred to was not about preventing the return of the Waitara Path but rather competing with Lord Goyo over control of the Forty Ninth Heaven. The Wuia Grand Event was a mere disguise to recruit powerhouses for the decisive battle.”

Xanthakos pleaded, “You’re safest here. Moreover, the conference is about to begin. We can’t afford disruptions now.

“As for your desire to visit Wuia Palace, once the event concludes, I’ll personally accompany you. I won’t break my promise.”

Thea cast him a glance before turning her attention to Youcef. “Is this your son, renowned as the most gifted genius across the Greater Realms? I’d like to challenge him.”

Xanthakos looked at Youcef in surprise. “I...”

“I accept your challenge,” Youcef interrupted, staring at Thea.

“Youcef!” Xanthakos’s face darkened with anger. “You have more important matters-“

“It can wait,” Youcef replied, immediately launching a punch at Thea.

Dodging to the side, Thea prepared to counterattack, but Youcef transformed into a Sword Light, passing by her and heading into the void. Thea smiled and followed after him.

“Wait!” Xanthakos attempted to stop them, but it was too late.

Frustrated, he punched a nearby lion statue. Then, he sat cross-legged, sending dozens of his Primordial Spirits to catch up. He knew Youcef had just emerged from Gate of Mystery and was well aware of James’ current situation. If he shared this information with the Yin governor it would jeopardize his strategy.

However, his Primordial Spirits could not locate them.

Xanthakos exclaimed in disbelief, “How is this possible? There are only a few places in the Forty-Ninth Heaven that my Primordial Spirits can’t reach. Could it be...”

While he pondered, one of his Primordial Spirits tracked the battle between Thea and Youcef. He was immediately relieved by the sight. However, within a formation, Thea and Youcef had actually secretly met up.

Youcef urged, “Let’s make this quick. Our Primordial Spirits won’t be able to deceive him for long. I just came out from the Gate of Mystery. I met James in there.”

Thea asked worriedly, “How is he?”

Youcef confirmed, “He’s doing well. His strength has reached its peak. He even gained control of the Marauder Army, the Twelve God-Kings, Eighteen Emperors, and two Holiness that my father had sent.”

Thea looked at him thoughtfully.

Youcef stated at Thea and said, “I must advise you, Yin governor. Even though you can make decisions for the Wyrmscale Source, you shouldn’t work with my father.”

The Almighty Dragon General Chapter 7068-Thea asked curiously, "So you made an excuse and took a risk just to tell me this?"

Youcef nodded and replied, "Yes. I wanted you to know that if my father threatens you with James, you don't have to worry about it. James has already taken control of the Gate of Mystery. He can leave whenever he wants." After hearing his words, Thea immediately formed a plan. She looked at him and said, "I'm starting to doubt whether you're really Xanthakos' biological son."

Youcef took a deep breath and said calmly, "He has been blinded by power and is already too far gone. Since I can't stop him, I can only try my best to try at least to save his life."

Thea's vigilant glare gradually eased. Then, she remarked, "You're different from your father. My husband was right about you."

Youcef turned around with his hands behind his back and said, "There is no time to lose. Use this opportunity to leave. If my father discovers that James isn't trapped within the Gate of Mystery, he'll definitely capture you and use you to threaten James."

"I know how much you weigh in James' heart. If anyone dares to touch you, James will not stop until he has revenge. What's more terrifying is he actually has the strength to wipe out an entire sect."

"I'm not just doing this to save my father but also the Qadeer Sect and myself."

Thea looked at him and said smilingly, "But if I leave, you'll be blamed for it."

Youcef replied calmly, "I've long been deemed a rebellious son in his heart."

Getting scolded one more time isn't a big deal. I hope you remember this act and throw in a few good words in front of James to sway him to spare my father and the Qadeer Sect."

Thea squinted at his words.

Youcef gestured and said, "Go ahead."

However, Thea did not move an inch.

Youcef said anxiously, "Time is of the essence! If you don't leave now, my father will read James' message. By then..."

Thea interrupted him, "I trust you. However, I won't leave. Now that I know James is safe, I can make arrangements for him using my identity as the Wyrmscale Source's young lady."

"As for your kind gesture, I've noted it and will definitely repay you in the future."

While speaking, she waved her hand, and a dazzling, multi-colored light was released. Her Primordial Spirit in the void was immediately defeated under the assault of Youcef's Primordial Spirit.

Thea spat out a mouthful of blood, then quickly merged with her defeated Primordial Spirit.

Youcef looked at her in disbelief. The next moment, he quickly fused with his Primordial Spirit.

After the match concluded, the two returned to the Qadeer Palace.

Xanthakos, who had been closely monitoring the battle, finally felt relieved when he saw them appear before him again.

'Thanks for going easy on me.' Youcef bowed to Thea.

"You reckless and rebellious son. How could you harm my guest!" Xanthakos suddenly became enraged. "Go to the Punishment Hall immediately, endure three thousand divine whips, and be imprisoned for ten epochs."

Youcef did not argue. He looked meaningfully at Thea, then turned and left.

Only then did Xanthakos hurriedly approach Thea. "I apologize. My son is obsessed with cultivation. It's thanks to your mercy that he wasn't injured. If you had cast your Three Treasures, he definitely wouldn't be a match against you."

Thea smiled at Xanthakos' flattery and said, "I think your sanctuary is a pretty suitable place to cultivate. Can I borrow it to recuperate?"

Xanthakos was slightly startled but responded smilingly, "Sure! I wouldn't hesitate to demolish this place if you asked."

Ignoring Xanthakos, Thea floated onto the cushion Xanthakos had just vacated.

Then, she sat cross-legged and slowly closed her eyes.

Watching the lotuses blooming behind Thea, Xanthakos parted his lips to speak.

However, after a brief hesitation, he swallowed his words and turned to leave.

The Almighty Dragon General Chapter 7069-Inside the Gate of Mystery, the Historial Helmnor Formation composed of the 100,000 Marauder Warrior continued to torment the Twelve God-Kings and Eighteen Emperors, causing them to fall into illusions.

Meanwhile, inside the Nothingness Formation, Hankin explained the Forty- Nine Heavens and the Xanthakos Sect to James and his companions, making them fully aware of the structure of the Forty-Ninth Heaven and Xanthakos' intention.

After finishing the last jar of Chaos Absinthe, Hankin looked at James and said, "Xanthakos has summoned powerhouses from all over under the pretense of the Wuia Integration Gathering for two main purposes.

"Firstly, he aims to force everyone to choose sides. Those who follow him will prosper, and those who oppose him will perish. This will result in a brutal and

bloody purge of many supreme beings.

"Many are more devoted to Waitara Path than to Xanthakos. Hence, Xanthakos believes eliminating the Waitara Path believers opposing him will weaken the power of Lord Goyo."

Hankin took a deep breath and continued, 'The second purpose hinges on the success of the first. After purging loyal followers of the Waitara Path, he can lead his faction to capture the Wuia Palace and seize the Path Designation Bead.

"With that, he will have complete control over the Forty-Ninth Heaven and the Path Designation Bead. Even if he doesn't ascend to the position of the Supreme Path, he can still become regent. When the position of the Supreme Path is vacant, he can dominate all in the Greater Realms.

Hankin looked at James and said, "If he succeeds, then the Greater realms ' living beings will still fall under his reign despite being protected by Spiritual Providence. As the Chosen One, you will be his next target, for his regency will never be secure as long as you exist."

Hankin asked, "Now that you understand the stakes, what are your plans?" Hearing this, Lesia, Yianni, and Morgott turned their attention to James.

Suddenly, Morgott shouted, "Why are you hesitating, James? With your current strength, even Xanthakos might not match you. Just go kill that old bastard, seize the position of the Supreme Path, and solve this once and for all."

Yianni interjected, "I agree with seizing the position of the Supreme Path, but I have a different opinion on when to act against Xanthakos."

Morgott immediately glared at Yianni and said, "A junior should just listen. Why are you so opinionated..."

Lesia interrupted, "Let him finish."

Yianni took a deep breath, stood up, and said, "If Hankin is correct, our time to act should be after Xanthakos achieves his first goal and moves on to his second."

He looked at Hankin and said, "Senior, according to what you've shared, I assume if Xanthakos succeeded in purging loyal followers, seizing control over the Wuia Palace Wuji wouldn't be easy. Xanthakos will have to face full resistance from Lord Goyo, right?"

Hankin nodded and answered, "Of course. It's precisely because Lord Goyo showed up that Xanthakos is being impatient."

Yianni looked at James and said, "My suggestion is to strike when Xanthakos' faction attacks the Wuia Palace. Lord Goyo's faction will definitely intervene, and our chance will be when both sides are weakened." Lesia commented, it's a good strategy. But we're isolated in the Gate of Mystery.

How will we get accurate information?

"If we leave right now, it will alarm Xanthakos and might cause him to change his strategy. Perhaps he might even ally with Lord Goyo to eliminate US first."

The Almighty Dragon General Chapter 7070-Morgott retorted, "Why go through so much trouble? Just send US out of here first, James. With our strength, we can help you seize the Wuia Palace and Path Designation Bead. By then, you can leave the Gate of Mystery and immediately ascend to the position of the Supreme Path." James remained silent.

Hankin interjected immediately. "That's not a good idea. Although the three of you are incredibly powerful, you cannot defeat Xanthakos, not to mention the even more powerful Goyo."

"Among all the Greater Realms, only you, James, or Taiyi himself are a match for Xanthakos and Goyo."

Morgott said, frustrated, "This won't work, that won't work. What are we

supposed to do? Are we just going to let Xanthakos take the crown while we helplessly wait for it to happen?"

“Kaelisar,” Lesia rolled her eyes and chided Morgott, “Master hasn’t even given his opinion yet. Why are you so anxious?”

Morgott sighed and, along with the others, looked to James for his decision.

James shattered the empty wine jar on the table and slowly sat up. “I’ve listened to your suggestions, but you’ve all forgotten what Xanthakos and Goyo are fighting for.” Morgott, Yianni, and Hankin were taken aback.

Lesia’s eyes widened in realization. She asked, “What you mean is, no matter how they fight, we should just go to the Wuia Palace and secure the Path Designation Bead? As long as we get to them first, their efforts will be in vain, right?”

Yianni and Hankin quickly grasped the point.

However, Morgott was still confused and rolled his eyes out of frustration. He loved fighting, but strategies were not his strong point.

James slowly stood up with a smile and waved his hand. “No, we only want the Path Designation Bead. The Wuia Palace will draw too much attention, and I’d like to avoid that.

“Our real opponents aren’t Xanthakos or Goyo, nor the supreme beings vying for power in the Forty-Ninth Heaven, but the Waitara Path’s Soremsia who is lurking in the shadows.”

Lesia and the others gasped in realization.

James saw through it all. Whether Xanthakos or Goyo were fighting for control or battling over the Wuia Palace and Path Designation Bead, they would eventually have to face the return of the Waitara Path.

If the looming catastrophe were not resolved, anyone who ascended to the Supreme Path and took control over the Greater Realms would merely have a fleeting moment of power.

Lesia stared at James and asked, “So what do we do?” James turned to Yianni and said, “Master, I heard from Zemra and Chuba that you were imprisoned in the Gate of Mystery. Now that I’ve found you, do you know where Harper is?”

Everyone looked at Yianni in anticipation.

Yianni stared at James and asked, “Do you plan to save her?”

James said firmly, “We’re about to face an intense battle and need more strong allies. While there’s still time, we must save her.”
