

The Almighty Dragon General Chapter 7217

The Almighty Dragon General Chapter 7217-“Are you trying to disobey me?”

Dorvus trembled in anger. When he looked down, he was stunned.

The Marauder Army of the One Hundred Thousand Warriors that was initially surrounding James stopped at this moment. They were staring at Dorvus angrily. Their eyes were red.

“What’s going on?” Dorvus blurted out. ‘The Marauder Token is with me. How is this possible?’

“Dorvus Holiness, this fake token you gave me seems to work well!” With a smile, James waved the Marauder Token. Groups after groups of Marauder Warriors shot up to the sky.

“James...” Dorvus was frightened. Even the gods of the Four Seasons were immediately by the Marauder Army. While defending in a panic, they cursed.

Upon seeing that, Xalvador was stunned. “How did you do it?”

James smiled without saying anything.

At this time, in the siege of the Marauder Army in the void, accompanied by the crazy attack of the Marauder Army, the gods of the Four Seasons who were unable to endure it were severely injured one after another and fell to the temple ruins.

Their faces were pale. They spat out blood and were covered in blood.

However, when they got up, they knelt before James in fear. They bowed at him and began to beg for mercy.

“Is that all you can do?” With her hands behind her back, Harper said, “When the four of you humiliated US, you did all kinds of things to US. You were extremely arrogant.”

Upon hearing that, James asked, “Are there such grudges?”

“Not only that.” Harper turned around and looked at James. “Their hands are tainted with our blood.”

‘That’s easy then.” James said, ‘Til leave them to you.”

After that, James used an Anonymous Gas to suppress the cultivation of the gods of the Four Seasons and pulled them toward Harper.

Harper chuckled. “James, this is such an expensive gift. Should I repay you with my body?”

James was at a loss for words.

At this moment, in the siege of the Marauder Army in the void, Dorvus fell to the ground with a loud crash, making a dent in the temple ruins.

When the Marauder Army was about to head toward Dorvus, James used the Marauder token to stop them.

One of the Marauder Warriors didn’t listen to the order. He immediately went toward Dorvus.

“What happened?” Xalvador exclaimed.

James smiled. “Don’t worry. It’ll end soon.”

In the next second, loud sounds sounded from the dent. A figure with Demonic Energy and flashing with strange lights got out of the dent quickly. He was holding a bloody and disfigured living being. The living being was dripping with blood.

It was Dorvus who was beaten up. He was unrecognizable now and no longer arrogant.

Upon seeing that, Dorvus’ expression changed, i-It’s Morgott...”

Then, the Alcide beings and living beings that came from all directions acted as if they were facing a great enemy. They were terrified.

Under everyone’s gaze, Morgott raised his hand in the void and detached Dorvus’ right arm from the latter’s body.

Instantly, Dorvus cried out loudly.

On the other hand, Morgott swallowed the arm that was covered in blood.

Then, he detached Dorvus' left arm before pulling off his legs. In the end, he cut open the latter's stomach and took out his organs. As if eating a whole lamb, he ate Dorvus bites after bites.

Upon seeing that, everyone at the scene was shocked. Fear penetrated them.

Xanthakos' confidant and representative, Dorvus, was eaten just like that.

Such a scene happened before their eyes. It was shocking. It was more terrifying than annihilating them and not letting them reincarnate.

A while later, Morgott held Dorvus' soul and said, "Harper, this is for you. You can forget about the grudges and improve your cultivation!"

The Almighty Dragon General Chapter 7218-Upon hearing that, Lesia and Yianni who were among the Marauder Army exchanged glances. They were speechless.

Meanwhile, James who was sitting in the main seat facepalmed and looked defeated.

At first, Harper was taken aback. Then, she immediately cursed at Morgott.

"How dare you ask me to eat such a disgusting thing? Are you insane?"

"If you want to sleep with me, you should've looked for a more elegant excuse or gift. No wonder you're single."

Morgott was bewildered.

James could no longer hold back his laughter.

At this time, among the Marauder Army, Lesia and Yianni revealed themselves.

woman at all. No wonder you're single." Yianni also burst into laughter and said, "Your love confession is really unusual!"

"What are you talking about?" Morgott appeared before James. "If Harper doesn't want it, I'll give it to Thea. She can devour it too." Upon hearing that, James couldn't help but roll his eyes.

At this moment, Xalvador who was in shock said, “Now that the matter here has been resolved, does that mean...”

James waved his hand and interrupted him. He looked at Lesia, Morgott and Yianni. “You three can go back.”

Upon hearing that, Lesia, Morgott and Yianni exchanged glances. They were elated.

“Finally. I had such a hard time holding myself back.” Morgott smiled and said, “I can now go all out. It’s time to show my strength.”

“What do you mean you can go all out?” James got up and patted him on the shoulder. “The war has been ceased. Your task has been completed.”

Then, while Morgott was confused, James turned to look at Marius and Hankin.

“You two, please guard this area. We have to meet our allies.”

After that, he flew over to Marius with the secondary Marauder token.

“You and Xalvador will control the Marauder Army of One Hundred Thousand Warriors, including the Alcide beings and living beings here.

When in doubt, you three can make the decision.”

Marius took the secondary Marauder Token while still in shock.

Hankin wanted to say something but couldn’t bring himself to.

At this time, Xalvador asked, “If we disagree, who should we listen to?”

“Will you disagree?” James narrowed his eyes. “How about I let Morgott help you?” Upon hearing that, Xalvador was terrified. He quickly waved his hands and shook his head. He stepped down immediately.

Suddenly, James’ voice sounded from the void.

“Divine beings, I don’t care if you’re from the Wyrmscale Source, Alcide beings, or living beings, you must now listen to the orders.

“Your commander is me, James, but you will be controlled by Marius, Xalvador and Hankin for the time being.

“If you disobey, discriminate, create internal strife, betray or cause a commotion, you will be killed!”

James’ voice could be heard in the entire southern part of Goyo Daonus Realm.

Thus, countless divine beings in the void knelt on the ground and acknowledged James’ words.

They responded orderly. To them, James was already their new ruler.

After instructing Marius, Xalvador and Hankin, James left the area with Yianni, Harper, Lesia and Morgott.

On the other hand, Marius, Xalvador and Hankin had heavy expressions on their faces.

James wasn’t clear with his words. They didn’t know what to do next.

The Almighty Dragon General Chapter 7219-In the Goyoan Temple of the Goyo Daonus Realm, Goyo paced back and forth on the jade platform with his hands behind his back.

Beside him were his trusted confidants, Pierrette, Fausto, Yavrin and Yvelle.

Below the jade platform were several path kings and war saints.

Only a few were left from the Nine Path Kings and Seven War Saints. The Goyo’s faction was severely damaged.

Nonetheless, at this moment, Goyo remained silent. The divine beings present could only look at him. Even though they wanted to know the answer to ceasing the war, they didn’t dare to offend him.

A while later, Goyo turned around and asked, “Yavrin, are they still not here?” Yavrin was taken aback before shaking his head.

He was one of the divine beings who knew the situation. He understood what the Goyo’s faction was going through and what it would face.

Suddenly, Fausto stood forward and shouted, "Why do we need to respect the living beings? Who does he think he is? How dare..."

Before he could finish speaking, Pierrette pulled him.

With a cold expression, Goyo slowly turned around.

When Fausto saw his sharp gaze, his face twitched. "We..." Goyo raised his hand and slapped Fausto. He shouted, "Chop his head off now!"

At that, Pierrette and Yavrin were terrified. They quickly knelt on the ground.

Pierrette said, "Fausto is impatient and speaks without thinking. Please spare him once."

Yavrin quickly said, "Fausto has always had this temple. You shouldn't..."

"Why are you two still begging for mercy for him?" Furiously, Goyo shouted, "Do you know that the Goyo's faction might have bloodshed because of his words?

It might even cease to exist."

Upon hearing that, Pierrette and Yavrin were stunned.

Then, Fausto got up from the ground. With blood at the edges of his mouth, he glared at Goyo.

"With your prestige, we don't need to negotiate anything with the living beings.

We don't need to respect him as the Chosen One.

"Anyway, the forces in Forty-Ninth Heaven are now at odds with each other. At worst, we can form our own team and go to Mouth Pathstein. When Waitara returns, it will be their doomsday..."

Before he could finish speaking, the Sword Light Goyo shot out pierced through his body. His Golden Body was destroyed.

Upon seeing that, not only were Pierrette and Yavrin who were kneeling on the ground shocked, but the path kings and war saints below were stunned too.

Fausto looked at the bloody wound on his body in disbelief before turning to look at Goyo.

Goyo appeared before him. There was reluctance and pain on his face.

Then, he whispered, "Fausto, you're too childish. Your words will cause US trouble. Don't blame me for being ruthless. You should go and reincarnate.

"Don't worry. We will rise again one day. You will be able to see it. But now, your blood must be used to make the Goyo's faction bear the humiliation and await Waitara."

Then, without waiting for Fausto to respond, Goyo pushed out his palm again. At once, Fausto exploded. There was blood and flesh everywhere.

"Fausto!" Yavrin shouted painfully.

Pierrette also cried.

The path kings and war saints below were terrified because of this scene. They knew that Goyo liked Fausto the most among the three disciples.

The Almighty Dragon General Chapter 7220-But now, Fausto was killed by Goyo because of a few words. What was going on? Couldn't they mention the group of living beings?

The sky was filled with blood. Goyo clenched his fists. He turned around, and his expression changed.

"Remember this. Treat the living beings better. Especially James, the ruler of the Wyrmscale Source. You must listen to him.

"You have to understand that not only is he the ruler of the Wyrmscale Source, but he is also the Chosen One. He can control the fate of all divine beings."

At that, the divine beings present took a sharp breath. They were in disbelief.

Goyo who had a high status said such a thing in front of everyone. It meant that all the Alcide beings needed to give way to the living beings. They couldn't act

high and above anymore. They would no longer have prestige.

Seeing that everyone was silent, Goyo sighed while trembling.

“In the past, I thought that we could give way to the living beings with dignity.

But now, we must protect James and wipe out Xanthakos. We need to help him become the Supreme Path.”

The entire scene was in an uproar.

One of the path kings with red hair stood forward. “Does that mean that we need to surrender ourselves to the living beings?”

His words immediately aroused the resonance of the other path kings and war saints. Everyone came forward and spoke up.

“If you want US to surrender ourselves to the living beings, it’s better for you to kill us.”

“We have suppressed the living beings for a long time. Now, we are going to be controlled by them. Who do they think they are?”

“I would rather die than ally with the living beings.”

“What happened to you? The war of the Forty-Ninth Heaven hasn’t ended. Are we going to admit defeat now?”

“We won’t surrender ourselves to the living beings. At most, we can just risk our lives. Although we might not have a chance to reincarnate, we won’t surrender ourselves to anyone.”

Upon hearing that, Goyo slowly closed his eyes.

These Alcide beings were extremely idiotic. Perhaps they had been high and above for so long that they could no longer see the situation.

In all worlds, including the Haleth Realm, no matter the Alcide beings or the living beings, one needed to be strong to have an opinion.

In the past, the Alcide beings’ strength surpassed the living beings. It was natural for the latter to accept their fates of being controlled by the Alcide beings.

Now, following Xanthakos' betrayal, the living beings he represented were enough to go against the Alcide beings.

Aside from that, there was James who was unfathomable. He could crush all worlds and the entire Haleth Realm easily. The Alcide beings couldn't continue ruling the worlds.

Unless Waitara's Soremsia could return timely, everything would be in vain.

Now, the only way was to bear the humiliation and ask for a truce.

With James' temperament, if he saw that Goyo helped him wipe out Xanthakos' faction and helped him obtain the Supreme Path, the Alcide beings would be able to live with dignity.

If they could wait for Waitara's Soremsia to return and the Leere Tribulation to initiate, the situation would change.

It was Goyo's plan. It was his last effort to save the Alcide beings.

Nevertheless, it was clear that it was difficult to convince the powerhouses and divine beings.

They were too stubborn and idiotic. In the end, they would lose everything.

The path kings and war saints were still cursing at James and the living beings.

They even wanted to kill them and die with them.

After staying silent for a while, Goyo shouted, "Shut up!"

His roar made the path kings and war saints who were noisy silent.

"Let them speak." At this time, a gentle voice sounded from outside the temple.

"Let me, a living being, hear the opinions of the Alcide beings."

When Goyo heard that, his expression changed.

On the other hand, the path kings and war saints who were furious turned behind. They were astonished.
