

The Almighty Dragon General

The Almighty Dragon General Chapter 7286-At that moment, the fury and malevolence emanating from James dissipated significantly, and he gradually became calm. He shuddered when Wesley's hand touched his forehead.

"Sir Wesley!" "You are unyielding, unique, and possess a chivalrous heart. Why do you pursue the Path?" Wesley spoke earnestly, "You may be exhausted, but can the affairs of the Greater Realms be dismissed so easily?"

"One's words and actions shape karma. Karma determines calamity. Calamity determines success and failure. Success and failure determine fortune and misfortune. The myriad beings of Haleth Realm are not possessions, nor are they slaves. Their destiny cannot be solely dictated by fate or constrained by laws and Daoism.

"This is the decree of the Law of Paths and should be the standard for Haleth

Realm. Your comprehension of Daoism surpasses grand ambitions and even the Law of Paths itself. It should shine eternally at the pinnacle of the firmament." Hearing Wesley's heartfelt words, James slowly closed his eyes. The red-gold light around him calmed, and much of his killing intent faded.

Seeing this, the other main self of James suddenly burst into loud laughter.

"Wesley Shepherd, you've spoken so many useless words. In the end, aren't you just tricking me into becoming a compliant subject under the Law of Paths?"

"In your words, forsaking your Path is heresy and demonic. Now that I've abandoned the Path and embraced the demonic path, what of it?" Wesley was momentarily stunned upon hearing this. He had almost forgotten that another James' main self had not been influenced by the Quintar Mantra. If this continued, the recently calmed James would revert to his violent and malevolent state, possibly becoming even more dangerous.

Wesley was anxious but did not dare to act rashly. Instead, he immediately communicated with Taiyi. "Hand over the Yin governor." The severely injured Taiyi was taken aback and replied, "She hasn't awakened yet..." "James has a way," Wesley interrupted. "Hurry, Taiyi, or the situation will spiral out of control." Hearing Wesley's urgency, Taiyi took a deep breath and waved her hand. The unconscious Thea, wrapped in a black-and-white gas, was immediately sent before the other James.

Seeing Thea, the initially murderous James' main self froze.

"Darling!" Calling out softly, James' main self reached out, shattering the black-and-white light around Thea with a vast red-gold light. In a flash, he caught Thea and struck

her with his palm.

Witnessing this, the gods in the distant void, including the Divine Marius, widened their eyes in shock.

“He’s not going to kill the Yin governor, is he?” “Impossible, the Yin governor is the woman he loves most.” “The Yin governor is his wife. He wouldn’t kill her.” “No, he can’t...” As they exclaimed, the other James, struck Thea’s forehead. In the next instant terrifying jet-black light shot out from Thea’s body. slowly, she opened her eyes in a daze.

Gazing at James’ face, she gave a beautiful yet sorrowful smile. “I finally waited for your return.” James nodded. “I’m back. From now on, no one can separate us.

The Almighty Dragon General Chapter 7287-At this moment, Thea gently reached out and cradled James’ face.

She had already received the transmission from Wesley, so she knew everything even though she lay unconscious.

Not only did she know that James had fallen into a demonic path, but she also understood what his current state meant for the entire Haleth Realm.

“Do you fear being deceived by the whole world? Or do you fear that I might deceive you?” Thea asked softly.

James was taken aback, then shook his head.

“You wouldn’t.”

Thea once again revealed a trace of a poignant smile.

“If I were to deceive you one day, it would only be for your own good. It’s out of absolute necessity.”

James nodded solemnly.

“In sorrow and in joy, weddings need not be tearful. I wish to be with you forever and never to part!”

Thea slowly recited these words.

Then, she suddenly transformed into a streak of light and immediately merged with James’ main self.

“Darling!” James exclaimed.

The next moment, Thea's voice echoed from the void.

"Taiyi, Emperor Tapia, seal him for the future of Haleth Realm! I'll remain with my husband even under seal. I believe we can eradicate this Inner Demon!"

Upon hearing this, Emperor Tapia and Taiyi exchanged a glance in astonishment.

The next moment, Wesley swiftly merged with James' pacified main self.

"Count me in!"

Yianni roared, pushing himself to the limit as he transformed into a jet-black pillar of light, swiftly rushing towards the merged form of James with Wesley.

Witnessing this scene, the Divine Marius, Emperor Zdravko, Harper, Morgott, and Emperor Yevgen transformed into light and swiftly joined the fray.

They were all determined to live and die together with James, regardless of how long the seal lasted or what the future held.

As they watched several beams of light swiftly merge with the two main selves of James, Emperor Cosimeon alone remained in the void, feeling somewhat at a loss.

He had no personal connection with James and had only taken refuge due to the existence of Frona Soremsia.

Now, faced with the uncertainty of being sealed, he hesitated to take such risks.

However, it was precisely due to the concerted efforts of these gods and powerhouses that the merging of the two main selves of James briefly brought a moment of calm.

Seizing this opportunity, Taiyi shouted, "Emperor Tapia, you seal the nearest one. I'll seal the other with my own life."

As she spoke, she quickly transformed into a vast and boundless black-and white gas, swiftly engulfing and completely swallowing James merged with Wesley and the others.

Then, rapidly forming a vortex, she gradually initiated the sealing process.

On the other side, Emperor Tapia also immediately encompassed countless vast universes, initiating a widespread sealing of Thea and the others merged with James' main self.

Under the powerful force of the sealing, the two main selves of James gradually converged on surrounded by countless layered and rotating universes, forming an

immensely vast black hole within. In an instant, lightning flashed and thunder roared in the current void.

The gray clouds and the black-and-white gas complements each other with countless holy and black and-white rays of light madly rampaging, completely sealing the vast and immense black hole. As a result, the entire Forty Ninth Heaven, centered around Goyo Daonus Realm, was completely sealed, and several collapsed Daonus Realms around it were sealed into one entity. Shortly thereafter, a violent and fierce barrage suddenly erupted within the vast and boundless Sealed Realm. Countless blooming red and golden rays of light filled the area, horrifying to such an extent that it shook the entire Greater Realms. At the other end of the void, a Primordial Spirit suddenly flashed into view. He suddenly laughed heartily while looking at the Forty-Ninth Heaven sealed on a large scale.

“James Caden, you are still too young after all. Thinking that with just passion and ambition that cannot be realized you can defy fate and overturn the path. It’s simply foolish to the extreme.”

Being sealed might be for the best. Since the Chosen One no longer has a use, the future might still favor Heloria Tai Chi.”

Leaving behind these words, the phantom Primordial Spirit instantly transformed into a beam of light and headed straight towards the lower realm of Zymurgy

The Almighty Dragon General Chapter 7288-Before the Xyrisia Gate in the Jawdat Region, a stunning figure appeared with great difficulty, her body stained with blood.

She suddenly halted when confronting the frantic whirl of a million Bohnwer Light gas ahead.

She knew well that rushing in heedlessly held a high chance of her vanishing completely, as if she had never existed in this world.

It was a gamble as dangerous as a moth to flame, a choice between life and death.

This figure was Lesia, the one who found herself faced with a momentous decision after James fell into a demonic path.

“For you, Master, I fear nothing.”

Swallowing hard, Lesia clenched her fists as she stared at the swirling Xyrisia Gate ahead.

However, a grumbling voice came from behind just as she prepared to charge forward.

“Quintus, is Quentyn’s planned route reliable? Can the Jawdat Region directly reach the Wuia Palace? We’ve traversed nearly all the Path Sects, so why are we still stuck here?”

At these words, Lesia immediately darted behind a stone statue beside the Xyrisia Gate.

Peering cautiously, she saw Emperor Qadeer striding angrily with hands behind his back.

Following closely behind was Quintus, looking like an obedient servant.

“Emperor, please don’t rush,” Quintus hurriedly said.

“Perhaps we took a wrong turn somewhere, which is why we’ve been circling here.”

“To hell with circling!”

Emperor Qadeer turned around and scolded irritably.

“How much time do we have left...oh!”

Mid-sentence, he abruptly turned to where Lesia was hiding.

“Whoever’s hiding there, come out!”

Unable to conceal herself any longer, Lesia appeared instantly.

Emperor Qadeer’s eyes lit up at the sight of Lesia’s extraordinary beauty.

“A female divine being!”

Quintus exclaimed excitedly.

“I didn’t expect to see such a beautiful divine being here. This is a pleasant surprise, hahaha!”

Smack! A sudden, sharp slap echoed as Emperor Qadeer struck Quintus across the face, leaving him dazed.

“you should show some respect,”

Emperor Qadeer scolded sternly.

“Do you not recognize who this is? How dare you speak so impudently?”

Rubbing his cheek, Quintus faltered.

“E-Emperor, this is...”

“Did you forget which temple of the Nothingness God we just left?”

Emperor Qadeer spoke slowly, staring at Lesia as if she were prey.

Quintus realized.

“The leader of the Nine Caeloros Gods, Frona Dhimer!”

“Yes, it’s her. Why is she here? And why does she appear so disheveled?” Emperor Qadeer chuckled softly.

Then, he appraised Lesia before bowing respectfully.

“I am Emperor Qadeer, a minor ac[^] of Haleth Realm. It’s nice to see you, Frona. Quintus was startled at first, then quickly followed suit and bowed as well. Observing their demeanor, Lesia’s eyes darted around. She then shouted towards the Xyrisia Gate behind her. “Wait there, let me ask some questions first.”

He pointed at Lesia in shock.

The Almighty Dragon General Chapter 7289-As these words were spoken, Emperor Qadeer and Quintus bowed respectfully.

The mention of the possibility that the supreme god might emerge from within the Xyrisia Gate caused their hearts to skip a beat.

If that were the case, it could be a life-and-death calamity.

Fortunately, they had refrained from any disrespect earlier.

Perhaps they could turn this crisis into an opportunity.

They had been intimidated by Lesia’s bluff.

Lesia herself flashed with a golden-purple light that immediately masked her bloody appearance.

Then, she appraised Emperor Qadeer and Quintus.

“You are Xanthakos Qadeer, one of the five disciples under Waitara Path,

ranked among the Path Emperor?"At this, Emperor Qadeer smiled faintly and straightened up."

Yes, Nothingness God.We meant no offense, we only wished..."

Lesia interrupted Emperor Qadeer, asking calmly,"

Did you only wish to find the Wuia Palace, seize the Path Designation Bead, and claim dominion over Haleth Realm?"

At her words, Emperor Qadeer and Quintus were instantly flustered.

Almost instinctively, they knelt down, bowing and apologizing.

This was a stark contrast to their previous demeanor.

Observing them, Lesia narrowed her eyes into slits.

She believed that encountering these two here and using the identity of the Nothingness God to intimidate them might buy her master more time.

With this in mind, Lesia said firmly, "

There is nothing wrong with desiring dominion over Haleth Realm."

Emperor Qadeer and Quintus were momentarily stunned.

"You may stand up."

Lesia gestured, and a scroll emitting shimmering light appeared in her hand.

Emperor Qadeer and Quintus quickly expressed their gratitude once they stood.

Then, they noticed a scroll flying towards them.

"Jawdat Region is a manifestation of the Daoism of the Nine Caeloros Gods of Nothingness," Lesia said slowly.

"Originally intended to derive the Waitara Path, it now represents an opportunity since you have intruded.

"Follow the directions on this scroll, and you will soon leave here and reach the Bridge of Life and Death.

After crossing the Sea of Fate and traversing the Forest of Morality, you will reach the City of Good and Evil.

“From there, head east into the Mist of Karma, pass through the Road of Yin and Yang, and you will find Wuia Palace.”

After Lesia’s explanation, Emperor Qadeer and Quintus grimaced, their faces full of embarrassment.

After a while, Quintus asked with bitterness, “How long will it take US to reach the palace?”

“It’s hard to say.”

Lesia shook her head.

“But if you follow the scroll’s route, at least there will be no deviation, probably just over a hundred thousand entrapochs.”

Keep in mind, you must proceed on foot all the way.

You can’t rely on Supernatural Powers or your cultivation base.

Otherwise, even if you reach Wuia Palace, you won’t be able to open the Gate of Nothingness.”

Emperor Qadeer and Quintus gasped in shock.

They were about to ask more questions, but Lesia had already begun walking towards the Xyrisia Gate. After a moment of confusion, they hurriedly stood up, still looking bewildered as they unfolded then !

bewildered as they unfolded them stroll and began to read it. At this moment, Lesia had reached the front.

of the Xyrisia Gate. She asked, “Are you waiting for them to come out and kill you?” Hearing this, Emperor Qadeer and Quintus were terrified and hastily fled into the nearest temple. With their disappearance, Lesia finally breathed a sigh of relief.

“Perhaps this is the last thing I can do for you in Haleth Realm, Master.” She raised her head and was determined.

Then, she closed her eyes tightly and plunged into the gate. In an instant, the atmosphere inside the Xyrisia Gate began to violently spin and glow intensely, as if under a furious assault it became exceedingly turbulent, causing the entire Jawdat Region to tremble violently. Meanwhile, Lesia disappeared completely within the vast spectacle. Her fate was unknown. –

The Almighty Dragon General Chapter 7290-At the Summit of Leere, a vast expanse of black-and-white gas pervaded the air.

At this highest peak, a stunning goddess clad in a snow-white robe sat serenely with crossed legs.

Her long hair flowed elegantly, her lips were ruby-red, her features delicate and captivating, untouched by any makeup or embellishment.

She appeared as if crafted by nature itself in its purest form.

Her beauty was breathtaking, almost forbidding any impure thoughts, while her demeanor outshone even the most divine goddesses.

She was Frona Dhimer, the leader of the Nine Caeloros Gods.

At this moment, she had long seen everything in Haleth Realm.

Yet, she remained as calm and unmoved as a lifelike sculpture.

Suddenly, a beam of light pierced through the gloomy void, instantly materializing into a middle-aged handsome man in a red robe with crimson hair.

He stared at the tranquil Frona with a slight furrow of his brow.

“You may disregard James, but do you also neglect your Soremsia?”

His tone was furious and devoid of any respect.

Frona kept her eyes closed, unmoved as ever, seemingly indifferent to everything around her.

Bang! Suddenly, the man kicked the light cauldron in front of Frona, his face full of uncontrollable anger.

“If I had known this would be your attitude, I would have let your Soremsia perish within the Xyrisia Gate.

Then you would have completely lost your Solm Primordial Spirit.

You might as well surrender your position as the leader of the Nine Caeloros Gods.

“Haleth Realm is in chaos. Now our hopes rest on James, who has been manipulated by the treacherous Waitara Path. If Xanadu Realm descends into chaos again, none of us will survive. Let the Five Shadowborns destroy us!”

With that, he turned away in anger, hands clasped behind his back, his face flushed with fury.

At that moment, Frona slowly opened her eyes.

In the next instant, seven beams of light shot from the void around her.

They instantly manifested as four men and three women.

Each exuded an unparalleled aura, surrounding Frona on three sides.

Sensing the tense atmosphere, the man who had previously erupted in anger frowned deeply.

A gray-haired elder turned to Frona, squinting slightly.

“Caeloros Supreme, the situation in Haleth Realm has completely spun out of control with James falling into a demonic path. The Leere Tribulation is inevitable, which also signifies the failure of our tenth Leere Daoism.”

Another elderly woman with purple hair raised her head.

“I’ve said it before. Haleth Realm has already been corrupted by Waitara Path. It should be completely destroyed, and a new Haleth Realm should be created to withstand the Leere Tribulation. However, no one listened.”

Now, after all the worry and trouble, we’ve placed our hopes on a Historial being created by the Waitara Path.

This will only make things worse.

“You must understand, once the Leere Tribulation erupts, not only will the entire Haleth Realm face destruction, even Xanadu Realm will be met with an unparalleled disaster that we cannot escape from.” Another man in green robes sneered coldly, “

Someone must take responsibility for this matter.

Otherwise, how can Xanadu Realm maintain any rules? How can we command respect?”

His words silenced all the Nothingness Gods present.

After a while, the middle-aged man in red robes from earlier abruptly turned around.

“Yefrenes, what do you mean by this? Are you trying to force a change in leadership?”

At this, the purple-haired old woman known as Yefrenes snorted coldly.

“Xristian, where did you see US trying to force a change in leadership?”

“The final decision of the tenth Leere Daoism was made collectively,” Xristian said icily.

“The Caeloros Supreme is acting according to that decision Now all of you are coming after her with such momentum ishf that attempting to force a change in leadership?”

Yefrenes retorted, “You...” “You’re pushing for a change in leadership too early,” Xristian interjected.

Amidst the sidelong glances of the other Nothingness Gods heswiftly moved to the side of Frona .

“In Haleth Realm, James has imprisoned the soul spirit of the Waitara Path, despite falling into the demonic path This will significantly delay the return of the Waitara beings.” with this time, and the abilities of Taiyi and Emperor Tapia, along with the assistance of the Yin governor, coupled with James’ determination and perseverance, he might just overcome his Inner Demon before the Leere Tribulation erupts.”
