

The Almighty Dragon General Chapter 7297 - 7300

The Almighty Dragon General Chapter 7297-James gave a slight nod.

"It's your turn next." Thea took a few steps backward.

When Waitara Path's soul spirit was thrown his way, James gave his all and executed a spinning kick.

Boom!

A bloody hole was drilled through the soul spirit's chest instantly. The soul spirit then flew toward Marius.

However, the force of James' kick was so strong that even Marius was sent hundreds of light-years away when the soul spirit crashed into him.

"Shit! This isn't how you kick a ball!" Marius shouted frantically.

The others looked bewildered by what had just happened.

"James, did you really understand the rules?" Thea shot a glare at him. "You can't use that much force. We'd all just fly away with the ball!" Like a mischievous kid caught being naughty, James lowered his head and nodded.

A brief moment later, Marius returned to where the others were, along with the soul spirit.

"Master, you can't kick it that hard. It's going to make the receiver fly away for sure!" Then, Marius kicked the soul spirit in Yiulia's direction.

With James keeping his force at an optimal level, the group managed to pass the soul spirit around without dropping him.

While they were enjoying their 'ball' game, Waitara Path's soul spirit's Primordial Spirit, who had arrived at the Thirty-Third Heaven, was having a hard time.

Without warning, he started vomiting blood.

Yehria, who he had just found, was flustered by the sudden change in the Primordial Spirit's condition.

"Darn it!" Waitara Path's soul spirit's Primordial Spirit lifted his gaze and said menacingly, "They are hurting my actual body." Yehria frowned. "Waitara Path, are you..." Before she could finish, the Primordial Spirit coughed up another mouthful of blood and dropped to the floor. He groaned and writhed in pain.

Yehria was rather taken aback by the sight before her.

She had no idea why Waitara Path's Soremsia, who seemed completely fine earlier, was suddenly in a worrying state.

If she could not get help from Waitara Path, Yehria would not be able to execute her plans for revenge.

Moreover, Waitara Path would not be able to keep the promises he made to her just now in this state.

Yehria immediately raised her hand and channeled the Tai Chi Aura to Waitara Path's soul spirit's Primordial Spirit.

However, the Primordial Spirit suddenly let out a sharp, agonized cry.

"Waitara Path!" Yehria shouted anxiously.

Meanwhil the Primordial Spirit , transformed into a ball of light and broke Through the Tai Chi Aurao arouhd him. The light shot up into the sky the next instant.

"Waitara Path!" Yehria called after him. However, the Primordial Spirit had disappeared from sight.

The frown on Yehria's forehead grew deeper. "Could it be that James Caden has managed to overcome his inner demon?

"No. That's impossible. There's no way he's overcome his inner demon." She lifted a shiny Path Cauldron resting her palm. "I won't let this opportunity given by waitara path for me to rise to the top go to waste.

"Just you wait, James. I'll get my revenge and give you hell." Yehria transformed into a mass of black and white gases, which entered the Path Cauldron next.

Then, the cauldron flew upward, heading for the highest point in Zymurgy right away.

The Almighty Dragon General Chapter 7298-Inside the Gate of Anonymous, Thea and the others were still engrossed in passing Waitara Path's soul spirit around like a ball.

Marius even assumed his actual appearance and dribbled the soul spirit's body with his horns flashily.

Just then, a beam of light shot through the air and entered the soul spirit's body.

Marius had just tossed the soul spirit into the air with his horn when the latter's eyes flew open.

An immense amount of Waltraud Power radiated from the soul spirit's body.

"Febby, watch out!" Thea shouted a warning as soon as she detected the danger.

Waitara Path's soul spirit had transformed into a beam of sword light and came down onto Marius.

Whoosh!

In a flash, Marius' gigantic form was severed in half by the sword light. His body exploded, and the force sent blood and flesh shooting in different directions.

"Febby!" Thea screamed as she rushed over to where he was.

Yiulia and Hankin quickly followed behind her.

"How dare you scums try to hurt my body!" Waitara Path's soul spirit's furious roar reverberated through the space.

Simultaneously, the sword light expanded across the sky and came down upon Thea and the others this time.

"James, do it!" Thea called out just in time.

James could sense the presence of an extremely powerful aura. Upon hearing Thea's words, he transformed into a reddish-gold sword light and shot up.

Boom! Boom!

The sword light conjured by the soul spirit was instantly destroyed. The impact generated a wave of air current, sweeping Thea and the others away.

Thea swiftly performed the Three Treasures Integration and put up a formation around her Yiulia, and Hankin. Her quick response prevented them from being killed by the powerful air current.

However, her Three Treasures Formation soon gave way and shattered under the pressure.

Thea, Yiulia, and Hankin were hurled away. They fell to the ground with different levels of injuries on their bodies.

On the other hand, the demonized James had arrived before the soul spirit. He fixed the soul spirit with an intense gaze.

The soul spirit's brows twitched. "Aren't you suffering from the effects of demonization? How did you get here?" "They say you're very strong." James' eyes blazed with the desire to fight. "I want to fight you." The soul spirit was momentarily , stunned Then, he quickly shook his head. "I'm not strong. They are just bluffing. You and I are actually friends!"

"Let me kick you a few more times, then." James looked at him.

The soul spirit tightened his fists. "James, have you forgotten about your past?" James started losing his patience. "My wife told me to hit you." He shot toward the soul spirit next, leaving a trail of light behind him.

"Ack!" The soul spirit yelped and swiftly steeled himself to fight.

For a moment, sword lights flashed and explosions of Waltraud Power went off The collision of variopi powers shook the whole space and destroyed almost everything inside the Gate of Anonymous.

Within the sealed space, Taiyi and Yasmina opened their eyes as they sensed something.

The Almighty Dragon General Chapter 7299-"That's a brilliant idea from the Yin governor," Yasmina mused. "This way, James won't have to suffer the repercussions of breaking the soul contract." Taiyi snorted. "You're just jealous of her." Yasmina glared daggers at her. "Taiyi, all you do is bicker with me! Have you come up with any ways to help James remove his inner demon?" Taiyi remained silent.

"You haven't." Yasmina pointed at her. "All you can do now is mock me." Strangely, Taiyi did not try to retort. Instead, she slowly narrowed her eyes.

Yasmina's eyes widened. "...Huh? Did she really make it back here?" Taiyi met her eyes. "Open the gate." Yasmina raised her hand and conjured a gate of light.

A few seconds later, a person stumbled through the gate and dropped heavily onto the floor.

A mass of black and white gases emerged from Taiyi's body, traveled toward the person, and moved them to where Taiyi and Yasmina were.

The two of them were shocked to see the devastating, bloodied state the person was in.

It took Yasmina a while to come to her senses. She cast a beam of sacred light and channeled steady amounts of vital energy over to the person right away.

Meanwhile, Taiyi cast the black and white gases to surround the person's body.

"Don't channel your powers to her too quickly.

"She managed to survive passing through the Xyrisia Gate twice. Yet, she might not be able to endure this in her current condition." Yasmina stopped channeling her powers and sighed softly. "One could potentially die when they use the Xyrisia Gate. Yet, Lesia did it bravely just to help James." Taiyi closed her eyes.

Even though she did not say anything, Taiyi hoped deep down that Lesia's sacrifice would bring new hope in helping James overcome the current crisis.

"What's the point in US getting , jealous yasmina continued. "Lopk at the yin governor, who puts her complete faith in James, and lesia, who's fiercely loyal to James.

"James has these people around , him because he has compassion in away he's embodied the initial purpose of the Waitara Path creating the Historial beings' Taiyi opened her eyes and looked at Yasmina. "Do you have compassion in you?" Yasmina was momentarily stunned. "You don't." Taiyi shook her head. "It's something only the Historial beings have. You won't, and you can't understand it." Yasmina let out a deep sigh. "Taiyi, you still resent me for not stepping up back then. In the end, you were appointed to your current position. "However, you know that I don't like to get involved in the politics and conflicts. I prefer..." "You think you're the only person who doesn't like that?" Taiyi interrupted.

"Those wl^choose to follow James don't like the politics and conflict either including me. otherwise would I have chosen to take james' side?"

Yasmina was at a loss for what to say upon hearing those remarks.

Just then, Lesia opened her eyes.

"Is my master alright?" Those were the very first words that came out of Lesia's mouth even while she was still enveloped by the mass of gases and in the sacred light.

Both Taiyi and Yasmina were rendered speechless by her question.

Lesia quickly sat up and asked anxiously, "Is he..." "He's fighting the Waitara Path's soul spirit at the moment," Yasmina said. "Are you Frona Dhimer, the Caeloros God, or Lesia?" Lesia did not answer her question. Instead, she said, "I need to see Master now.

The real tribulation is about to happen soon.

The Almighty Dragon General Chapter 7300-Taiyi furrowed her brows. "He's inside the Anonymous Space. We can't get in either." "She's right," Yasmina sighed. "Besides, is

there anything more urgent than the issue with James' inner demon?" Lesia took a deep breath. "My master needs to overcome his inner demon to prevent the Leere Tribulation and help the Haleth Realm return under the Paths' governance.

"However, everything will be for naught if the Haleth Realm ceases to exist before that." Taiyi's and Yasmina's eyes widened.

The Haleth Realm would cease to exist?

They would think it was a joke if they had heard this from another divine being.

Yet, Lesia was the Soremsia belonging to the leader of the Nine Caeloros Gods.

Moreover, she had just made a trip to the Xanadu Realm.

There was just no way Lesia would joke about this matter.

Yasmina asked, "What is going on?" Lesia sighed and produced a tower in the center of her palm.

Black and white smoke emerged from the tower and gradually formed Frona's figure in the air.

As soon as they saw Frona's face, Taiyi and Yasmina hurriedly got on their knees.

"Greetings to the Caeloros Supreme!" "Greetings to the Caeloros Supreme!" Frona looked down at them and said in a steely voice, "The two of you are Xanadu Divine Beings dispatched to the Haleth Realm.

"Yet, you two just watched Waitara turn the Haleth Realm into a place like this?

Do you even know what you've done wrong?" Taiyi and Yasmina bowed their heads deeply since those accusations were not wrong. They waited silently for Frona to announce their punishment.

"We'll talk about this some other time," Eroha sighed. "I can't show myself in the Haleth Realm. so i need you to do something for me right now."

"We will heed your command, Caeloros Supreme!" Yasmina and Taiyi immediately straightened their backs.

Frona remained silent as two glowing talismans emerged from the tower and floated side by side in mid-air.

After that, an axe radiating the Nothingness Aura materialized before Taiyi and Yasmina.

The two of them seemed rather confused.

Frona instructed, "The two of you need to work together to lift the axe and cut between those two talismans." Yasmina leaped to her feet. "Caeloros Supreme, I can do that! There's no need for her... Ack!" As soon as Yasmina grabbed the handle, the axe floating in the air fell to the floor instantly. Yasmina dropped to one knee as she was overwhelmed by the axe's enormous weight.

"You're all talk. We'll see if you'll keep boasting about your abilities after this," Taiyi snorted.

Then, she stepped forward and mustered all her strength to lift the axe. Slowly, the two of them raised the axe in the air.

Boom!

As the axe swung downward, its blade made a crack between the two talismans.

Reddish-gold light shone brightly X, through the crack, which appeared to be growing gradually larger as an immense amount of Anonymous Gas flowed out of the crack "It's open!" Taiyi exclaimed.

Meanwhile, Yasmina swiftly shot into the space between the crack, taking with her the injured Lesia, the tower, and Frona.

"What a bootlicker!" Taiyi rolled her eyes.

Then, she hurried after them.

Soon enough, the crack between the talismans closed up and disappeared entirely
