

The Almighty Dragon General Chapter 7311 -

The Almighty Dragon General Chapter 7311-The Waitara Path's soul spirit came to a realization. He squinted and guessed, "No, it can't be. I took calculated moves. Did you three also plot against me?" Thea burst into laughter at his suspicion.

"Tell me! What else are you hiding?" The Waitara Path's soul spirit became anxious at her reaction.

Thea snorted, "I might tell you if you beat me up a little." "You!" The Waitara Path's soul spirit fumed.

Thea cast him a glance, then stood up to examine the temple.

After a while, she suddenly sniffed the air curiously.

"What are you doing?" the Waitara Path's soul spirit questioned angrily.

Thea looked around and said, "There's a very fishy smell here. Has she been revived?"

The Waitara Path's soul spirit was momentarily stunned by the question. He recovered and snorted, "You're asking about Yehria, right?" Thea ignored him and walked around, knocking and kicking the temple's walls.

The Waitara Path's soul spirit laughed, "It seems that you've figured it out. Since you're aware that your mortal enemy is here, then be obedient. Perhaps I'll consider letting you suffer less." Thea circled a colossal pillar, then sneered, "James has already beaten that fish back to her original form. Even if you two have allied, how much of a wave could you really stir up?" The Waitara Path's soul spirit clenched his fists and gritted his teeth. "Don't be too arrogant, Yin governor. If you're not useful, I'll make you my cultivation partner. You shouldn't question it." Thea remained indifferent to his threats. She leaped into the air and approached the chair at the temple's highest point, then sat down. "This is a nice chair, but it smells like fish.

"What were you thinking? You're a commander without troops, and you teamed up with that stinky fish, who is in a similar situation as you."

"You..." the waitara Path's soul spirit paused, realizing from Thea's bizarre behavior that he had been fooled when he captured her to escape the Gate of Anonymous.

It was Frona's scheme to make him leave so she could help James remove his Inner Demons and integrate his Five Spirits.

After concluding, the Waitara Path's soul spirit laughed angrily and mocked, "It seems your husband doesn't care about your safety." Thea snorted, "You're too dumb to try to sow discord between US." The Waitara Path's soul spirit laughed eegrily, "Haha! You

also i became a pawn to Frona. SheJ knew my target was you but allowed me to take you. Now she can have James to herself.”

Thea did not even cast him a glance. She propped her face with one hand and leaned into it, then closed her eyes to sleep.

The Waitara Path’s soul spirit was livid. He taunted, “You’ve sacrificed so much for James, but he’d rather have another woman. You’re quite generous.” Despite his attempts to antagonize Thea, she remained nonchalant.

Unable to get the reaction he wanted, there waitara Path’s soul spirit was on the verge of going berserk just as he was about to make a move against her, a champing voice came from the behind him “Don’t be fooled. I know how to deal with this bitch. Don’t worry. I’ll make her wish she was dead. Her pained wails will be melodies in my ears.” The Waitara Path’s soul spirit turned his head and saw a beautiful woman in a purple robe approaching him.

He frowned and questioned, “Yehria? What happened...” “Am I not beautiful?” Yehria flicked her long hair and threw a seductive glance at the Waitara Path’s soul spirit.

The Waitara Path’s soul spirit was stunned.

Yehria passed by the Waitara Path’s soul spirit, her tempting fragrance filling the air. She glared at Thea and said, “We meet again, bitch. How have you been?”

The Almighty Dragon General Chapter 7312-Thea leaned back in the chair leisurely, opened her eyes, and looked at Yehria.

The next moment, she shut her eyes again, completely uninterested.

Yehria laughed sarcastically, “Aren’t you supposed to be really capable? What happened to Hokuwn, your Three Treasures, and Silver’s inheritance? Isn’t your husband able to dominate the Greater Realms? Why did he abandon you again?

“What a pitiful woman. Not only were you split into two halves, but you have to keep sacrificing for that man. Yet, you still wish for a happy ending with him.

Haha!”

Yehria pointed at Thea and jeered, “What a joke! You’re a fool, blinded by love and willing to do anything for a man.” With that said, Yehria laughed out loud complacently.

The Waitara Path’s soul spirit also joined in, laughing until he began to cough up blood again. Eventually, he had to sit cross-legged to heal his wounds.

Yehria put her hands behind her back and stared at Thea triumphantly.

“The Waitara Path is gracious and allows your rude behaviors. However, you’re in the Tai Chi Grand Temple that I had newly built. This is my territory, and I won’t tolerate your arrogance.

“Get down here and kowtow to me eight hundred and ten thousand times. I might even consider making it easier for you. I’m sure you’re aware of my cruelty. I’ll ensure that you regret even being born into this world.” Yehria ended her threats with near shouts. After being defeated by James, she felt humiliated, and revenge had been on her mind ever since.

Now that the opportunity had presented itself, she was not going to let it slip away. Since it was impossible to beat James, she wanted to take out her anger on his wife.

Seeing Thea still leaning in the chair, showing no reaction to her threats, Yehria’s pretty face instantly turned cold. She raised her hand and thrust forward.

Boom!

An explosion erupted where Thea had been sitting, and a shock wave permeated the hall. The furniture and decorations were instantly blown away, and even the roof over them was destroyed.

To Yehria’s surprise, Thea remained in the same position, looking like a sleeping beauty.

Yehria clenched her fists and roared, “Damn it! Do you really think you’re invulnerable, bitch?” She flipped her palms, summoned Waltraud Power, and transformed them into Sword Lights, darting toward Thea.

The Sword Lights pierced through the void with terrifying momentum. As they approached, they were suddenly deflected by a purple-gold barrier.

Enraged, Yehria waved her hand again and pushed her palms forward once more. Potent Waltraud Power rushed forward, targeting Thea.

Unexpectedly, Thea moved, and afterimages formed behind her. She passed through the Sword Lights and neutralized the Waltraud power instantly. The next moment she had already appeared before Yehria.

Yehria’s pupils trembled at the turn of events. “You...” Snap! Thea slapped Yehria consecutively and raged, “You fucking bitch!” After slapping Yehria a few thousand times, Thea struck her and sent her flying into the distance.

Yehria slammed into a transparent formation wall and then fell to the ground with a loud thud. The impact caused her to cough up several mouthfuls of blood.

She clutched her chest and panted. "You..." Before she could finish speaking, Thea appeared in front of her and stomped on her.

Yehria's head was forced into the ground, and her mouth filled with mud.

Thea looked at her condemningly and snorted you smell like a fish, yet want to, seduce the Waitara Path? You're a withered flower with rotten charm. It's calm and peaceful for now, but you're a fool to think you're somebody."

"Yin governor, you...mmm!!" Yehria tried to refute, but Thea stomped on her again. Her head smashed into the ground, and her teeth broke from the impact. The next moment, her mouth filled with blood. Thea condemned, "Who are you to put on such a show in front of me? You have a lot to say but don't have the strength to back up your arrogance." Yehria was furious but could not break free. She hammered the ground with her hands, venting her anger.

The Almighty Dragon General Chapter 7313-Thea snickered, "Better keep your mouth shut next time if you're that weak. Do you think you'll be able to make a comeback just because you're allied with the Waitara Path's soul spirit?"

"Did you forget that it's just his soul spirit? It's not his main body, not even his Soremsia." Yehria continued to pound the ground angrily. At that moment, the Waitara Path's soul spirit opened his eyes and said, "Aren't you going too far, Yin governor?" Thea met his gaze and asked coldly, "Does it distress you to see her in pain? If you have the guts, then come save your damsel." The Waitara Path's soul spirit stuttered, "You..." Thea ridiculed, "You're scared. Before you can find my other half, you'll have to

serve me well. One slip-up and I'll reincarnate again. Your Soremsia will have to wait even longer to make a return.

"Even if you were to activate the Leere Tribulation, James would trounce you.

It'll be a win for US." Her words struck a nerve within the Waitara Path's soul spirit. His lips twitched angrily, but he could do nothing.

Thea said sarcastically, "You're just as foolish as this fish under my feet. You thought your plan would proceed smoothly by capturing me. However, though I'm useful to you, I'm also not one you can control so easily." After speaking, Thea kicked Yehria, sending her slamming into the formation around the temple.

Yehria's body bounced off the formation but was instantly met with another kick from Thea.

Thea kicked Yehria tens of thousands of times like a soccer ball, turning her into a bloody mess.

The Waitara Path's soul spirit trembled furiously at the sight but did not dare to intervene. He knew Thea was not bluffing, and he indeed had a big problem at hand.

He could not push Thea too hard, or else she might self-destruct. On the other hand, he could not afford to let her escape, otherwise, his whole plan would be in vain.

To a certain extent, he had to comply with Thea until he could find her other half.

As long as she did not escape or fight back, he had to compromise a little.

As for Yehria, he could not save her. It was her foolishness and arrogance that led to her suffering. Though she had already recovered her strength while within the Wuia Tower, she was only at the Soma Daeclon Rank. However, she challenged someone who had the Hokuwn, Three Treasures, and Silver's inheritance. Moreover, she was at the Daeclon Mahayana Rank.

She overestimated herself and picked a fight with the wrong person as a result, she had to endure humiliation and get beaten up like a soccer ball. It was her own fault. Bang!

Yehria groaned as Thea caught her after bouncing off the formation.

"How does it feel, almighty Tai Chi? Is my cruelty comparable to yours?" The bloody Yehria trembled and shook her head repeatedly.

Thea taunted, "Don't shake your head. Our game has just begun. I have some other things I'd like to try on you. We have a lot of time to play."

Yehria shook her head frantically and shouted, "Save me! Please save me..." Before she could finish, Thea raised her hand and dragged Yehria aside. The Waitara Path's soul spirit had attempted to rescue her but missed.

The Waitara Path's soul spirit shouted tremblingly, "Don't overdo it, Yin governor..." Thea interrupted, "Unfortunately, this is who I am. What I said just now wasn't just for this bitch, but it was also a warning for you."

"I will take extreme measures if you make me angry. If that happens, you'll be in big trouble." The Waitara Path's soul spirit pointed at Thea and growled, "You...you!" Thea spat at him, "Shut up and go fetch me some wine. I'm thirsty." The Waitara Path's soul spirit was so angry that he was fuming. His finger trembled at her threats, and he immediately flew away.

"You're just a soul spirit. I can take care of you with ease," Thea gloated, then summoned a dazzling lotus and sat down.

Her circumstances did not resemble that of a prisoner. Rather, she was like the master of the Waitara Path and Yehria.

At that moment, Thea was thankful to James for the many adventures The experiences allowed her to grow stronger quickly, whereas otherwise, she would have suffered a lot of humiliation and torment

The Almighty Dragon General Chapter 7314-James searched the vast expanse of the Anonymous Space but found nothing except a scepter that emitted a black-and-white glow. As his Cultivation Heart stabilized, vast information about how the Health Realm was formed and its different aspects poured into his mind.

James was shocked but also delighted to find instructions on how to open the tower and enter the Wuia Palace. Following the information, he raised his hand and wrote the word "path" in the void. It emitted a purple-gold light and evolved into a light gate, absorbing the surrounding Anonymous Gas.

"That's my space!" James exclaimed. He stored away the scepter and rushed into the gate with the Wuia Demon-Slayer Sword. After passing through the blinding light, he appeared on the other side of the gate.

Yiulia and Hankin, who were guarding the tower, opened their eyes

simultaneously, their faces lighting up with joy.

"Did you succeed in expelling your Inner Demons?" "You look different from before, Mortal Emperor!" James did not respond to their questions. Instead, he set his eyes on the tower on the ground. Under Yiulia and Hankin's stunned gazes, he picked up the tower.

"She's the leader of the Nine Nothingness Gods, capable of coming and going without a trace. Perhaps she doesn't want to get involved in the Haleth Realm's mess and has already returned to the Void World." Listening to James, Yiulia and Hankin looked at each other, puzzled.

"Seeking Daoism, preaching scriptures, and expounding on the true essence of cultivation requires one to be firm without suspicion or jealousy, steadfast in the Cultivation Heart. By doing so, one can integrate the Five Spirits and gain transcendent power," James murmured, and sacred lights burst out from his body.

Yiulia and Hankin knelt involuntarily at the sight that moment, James was more than just a Xyloria god. he was a Transcendent Supematul His aura had surpassed the Five Primal Evolutions and Five Rath Emperors.

Taiyi and Yasmina, who were also severely injured, immediately descended to meet him. Sensing James Brent aura, they were in disbelief. He exuded a sacred air that seemed capable of dominating everything, stirring up fear in their hearts.

Upon meeting James' gaze, they fell to their knees.

James immediately frowned and asked, puzzled, "What are you two doing?"

Taiyi and Yasmina looked at each other, hesitant to speak.

"Please stand," James urged, hurrying to assist them to their feet.

However, they refused his help and rose on their own.

James was baffled by their strange behavior. Their eyes were filled with awe and fear, as if they were gazing at a demon capable of claiming their lives instantly.

"You..." James stepped forward, but they retreated quickly in fear. They lowered their heads, displaying both respect and fear.

James frowned and asked anxiously, "What's wrong? Why are you so afraid of me? Did I do something while I was corrupted by my Inner Demons?" "You..."

"You're even more terrifying now than when you were corrupted," Yasmina murmured, but Taiyi tugged at her, preventing her from saying more.

The Almighty Dragon General Chapter 7315-James looked at them in confusion, completely unaware that Frona, the leader of the Nine Caeloros Gods of Nothingness, had become his Cultivation Heart.

He was now the master of all Daoism.

He turned around and reached out to grab the void, instantly causing the space within the Gate of Anonymous to tremble violently.

In the next moment, countless fragments gathered in the void and formed a huge beast with tentacles.

Yulia exclaimed, "The Divine Marius! He has been resurrected!" Hankin laughed, "I told you he wouldn't really perish. We're within the Mortal Emperor's space. No matter who the Waitara Path kills, the Mortal Emperor can bring them back to life."

Taiyi and Yasmina were not surprised and continued to show respect toward James.

After the beast was pieced together, a light beam shot toward the ground and materialized into Marius.

“Thanks for resurrecting me, Master,” Marius expressed his gratitude and knelt before James.

“Why is everyone kneeling? Did the Waitara Path’s soul spirit feed you all something that forces you to show reverence?” James showed his frustration.

Sensing James’ anger, everyone knelt once again in fear.

James waved his hand and said displeasedly, “Whatever. Let’s go look for Morgott and Yianni.” After speaking, James made the Gate of Anonymous disappear. The next moment, they appeared within the Sealed Space.

Morgott and Yianni were sitting in front of a bonfire, roasting a divine beast when they sensed James’ presence. Frightened, they rushed into a hole in the ground. Before they could flee, James’ purple-gold light enveloped them.

Morgott’s whole body trembled, and he pleaded, “I was wrong, James! I won’t ever provoke you again! I don’t want to be beaten up!” Yianni shouted anxiously, “I’m your master, James! You understand respect, right? Though you’re stronger now, once a teacher always...ahh!” He was stalled when James suddenly appeared before them. Faced with James, Morgott and Yianni’s widened eyes were full of fear with two loud thuds, they knelt to him “I was wrong! I shouldn’t have provoked you. I was a fool!” “I was just kidding! You’re my master! I acknowledge it!” James was furious at their behavior.

He reached out and dragged them closer, then growled, “What the hell is wrong why is everyone treating me like this? Have I turned into a demon? You’re my master, and you’re my friend! That will never change! Content belong&Jo en.swnovels.net “You’re all doing this to shame me and get revenge because I got corrupted by my Inner Demons, right?” James pushed Morgott and Yianni away. Then, he exploded, “If it’s for revenge and to punish me, don’t do it this way, please. You can take turns beating me up. I’ll take it Looking at James, who was close to going berserk, Yianni and Morgott frowned in disbelief at his words.

“Ja...Your Holiness, nobody would dare to beat you up with your current strength.”

“Yeah, I’m not worthy of being your master now. You have the aura of a Caeloros God of Nothingness.” ‘The aura of a Caeloros God of Nothingness?’

What’s going on?’ James, who was fuming, suddenly froze in shock.
