

The Almighty Dragon General Chapter 7321

The Almighty Dragon General Chapter 7321-Within the tower, Taiyi, Yasmina, Yiulia, Hankin, Marius, Harper, Yianni, and other powerful figures stood at the end of a light bridge, surrounded by smoke and dust. They were hesitant to venture deeper without James.

Now that James had the Caeloros Aura, he had become their greatest dependency.

A purple-gold light flashed, and James appeared nearby. The group of powerhouses, who had been waiting anxiously, quickly gathered around him.

Harper questioned, "Where's Morgott?"

Equally curious, Yianni echoed, "Yeah. Why didn't he come along?" Hankin said emotionally, "Morgott is the most loyal to the Mortal Emperor. He wouldn't retreat at a crucial moment like this, right?" James raised his head and replied, "I shut him out."

Everyone was stunned by the response and immediately suspected that James no longer trusted Morgott and was wary of him.

Before they could ponder further, James stepped onto the light bridge and disappeared into the colorful clouds.

The group exchanged glances and hurriedly followed after him.

With the help of the Caeloros Supreme Scepter, they easily crossed the light bridge and Destiny Forest.

Several entrapochs later, they finally stood safely before a massive, towering palace without encountering any danger along the way.

The dazzling palace was surrounded by countless universes and radiated an overwhelming sense of oppression.

Harper gasped in awe, "Wow! Is that the legendary Wuia Palace?" Hankin remarked, "It's so extravagant. The Forty-Ninth Heaven's temples suddenly seem so dull in comparison." Marius asked, "Is this where the Waitara Path was cultivated?" Taiyi interjected, "No. This is just the Wuia Palace's Outer Court." "Outer Court? If it's already this grand, then the main hall must be even more outrageous!" "The Wuia Palace is the collective name for eighty-one halls. The first twenty halls are categorized as the Outer Court and used to be overseen by Emperor Cosimeon. It's where disciples worshipped.

"The twenty halls in the middle are, called the heart Court, which Emperor Stavros supervised. It's the low ranking disciples' activity space."

twenty halls the best, right?”

Everyone focused their attention on Yiulia. Yiulia nodded and elaborated, “I was in charge of them, and it was for regular-ranking disciples.” James inquired, “Xanthakos is in charge of the twenty halls on the east and west, right? Meanwhile the main hall, which Lord Goyo guarded over was where the Waitara path cultivated.”.

Taiyi and Yasmina looked at James in shock.
