

The Almighty Dragon General Chapter 7322

The Almighty Dragon General Chapter 7322-James asked, "Am I wrong?" Taiyi and Yasmina exchanged uneasy glances before bowing in response.

James, with his hands behind his back, said slowly, "The twelve Olympus Domes behind the Wuia Palace are the dojos of these twelve gods, correct?" Seeing Taiyi, Yasmina, and Hankin lower their heads in embarrassment, James smiled.

"There is nothing to be ashamed of.

You had different beliefs but were too weak.

You only had two choices, either to fight to the death or compromise.

"Fighting against the Waitara Path would only lead to being devoured by him.

Though it's a noble act, it is ultimately futile." James sighed and said, "I would have done the same if I were in your position.

When you're not strong enough, you have to temporarily endure the humiliation.

However, it's important never to forget your original intention.

"So, you need not feel ashamed.

Face your past with dignity." The three gods raised their heads and looked at James with gratitude.

They expected him to mock them like the Waitara Path, make them feel guilty, and then manipulate them to his will.

James' empathetic approach made them feel very warm.

Taiyi, Yasmina, and Hankin knelt and kowtowed to James.

James frowned and asked, "What are you doing? You're my seniors! Why do you keep kneeling? It'll make me look bad if I don't kneel as well." They straightened their backs and exchanged glances with each other, their eyes filled with tears of joy as they stood up.

"As you get older, your perspective narrows." "We've grown used to being treated badly, and it's overwhelming to be treated with kindness." Taiyi, who had been silent, looked at James with concern.

“It seems nobody has visited here yet.

Should we discuss our next plan?” As she spoke, she waved her hand and a black and white soundproof formation enveloped the group.

The other powerhouses joined in the discussion.

“It seems Xanthakos and his companions have yet to arrive.” “I’ve checked with my Zen.

The Wuia Palace’s protective formation is still intact and hasn’t been broken I also monitored the surroundings.

There is nobody within hundreds of thousands of light years xanthakos and his companion might have lost their way.

We gave them plenty of time, but they haven’t arrived.” “Tt’s been so long.

Xanthakos should have arrived long ago.

The Almighty Dragon General Chapter 7323-After listening to their chatter, James raised a peculiar smile.

“ Nope.

You’ re all wrong.

They have been here for a long time, but they are waiting for US to make a move.” The powerhouses were stunned by the revelation.

Taiyi said solemnly, “I agree.

Xanthakos is extremely smart and cunning.

He has hidden his ambitions for countless years.

He will never act without full confidence.” Yiulia frowned and remarked, “But we have searched all around and detected no one else.” Yasmina squinted and said, “There is only one logical explanation.

His strength must already be far beyond ours, hence why we cannot sense him.” Everyone wore solemn expressions after the possibility was mentioned.

Apart from James, they were extraordinary powerhouses capable of dominating the Greater Realms with ease.

Xanthakos' strength would have to increase significantly to surpass them by such a margin.

Taiyi stared at James and said, "If the other party is really here, then the choice is ours.

Should we eliminate them before entering the Wuia Palace, or..." James smiled at Taiyi and asked, "Eliminate them? Can you even locate them?" Taiyi was stunned.

James shrugged and said, "I cannot find them, but I can sense their presence." Everyone stared at James as if he were a terrifying monster.

"Since we cannot plan anything, we might as well go along with it.

We have to be qualified pawns and lead the way.

Who knows? Perhaps we will come across some great things." After speaking, James waved his hand and summoned a Sword Light to break the soundproof formation.

Then, it darted toward the Wuia Palace ahead of them.

Boom! With a loud explosion, James' Sword Light struck a barrier and burst out with dazzling purple and gold light.

The light gradually spread and surrounded the Wuia Palace.

Simultaneously, potent Waltraud Power emerged and swept toward them.

James immediately spread his arms, and the vast black, white, purple, and gold light formed a barrier.

Boom! Boom! Boom! The Waltraud Power struck the barrier, resulting in loud explosions.

Immediately afterward, more than twenty phantom figures emerged from the Waltraud Formation and struck James' barrier.

Yiulia exclaimed, "Careful, James!"

That is the twenty one wuia Guardians.

Each of them possesses great strength.

They are stronger than those with, A Holiness statuses cut the crap Let's go for it," Yianni interrupted and took the lead.

Harper, Taiyi, Yasmina, Hankin, and Marius followed after him.

Yiulia leaped into the air and summoned a blue Sword Light.

It broke through the barrier and pierced one of the guardians' bodies.

James' comrades instantly engaged in battle with the other twenty guardians Their confrontation caused the Wuia Palace to shake.

The Almighty Dragon General Chapter 7324-Whilst the battle unfolded, James hovered in the void like a bystander.

He was not accustomed to the situation, as he usually handled everything himself.

Watching the battle from the sidelines was a rare experience for him.

His comrades were all elites from the Greater Realms.

It would be unreasonable not to let them showcase their abilities.

James reluctantly pulled out a jar of Chaos Absinthe and took swigs, feeling somewhat bored as he observed the battlefield.

The 21 Wuia Guardians were powerful but could not match James' comrades in terms of individual strength.

However, their coordinated attacks and formations made it challenging for them to gain the upper hand.

Boom! Taiyi struck the nearest guardian with her palm, causing a loud explosion.

The shock waves permeated and hit another guardian, slamming him into the formation and creating an opening.

Yasmina, Marius, and Hankin quickly followed up, taking out several guardians in quick succession.

Soon, the formation was destroyed.

The rest was fairly easy for them.

Under Yianni and the other powerhouses' fierce attacks, the 21 Wuia Guardians were defeated in a very short time.

The formation around the Wuia Palace was also torn apart by their combined efforts, and potent Waltraud Power instantly seeped out from within.

“Go in!” Yasmina shouted, then led the group into the formation.

“They’re not bad.” James finished the last sip of his Chaos Absinthe, then tossed the wine jar aside.

He immediately transformed into a Sword Light and followed after them.

Moments after James’ group passed through the formation, two gray lights flashed in the space they had occupied moments before and materialized into two mysterious men.

One of them had black hair and wore a golden robe, emitting a noble aura.

Meanwhile, the other was an elderly man with gray hair, who appeared to be a servant.

The man in the golden robe mused, “What a surprise.

Not only did he integrate the Five Spirits, but he also cultivated a Limitless Body.

Moreover, he even subdued Taiyi and Yasmina.

I underestimated you, James.” The elderly man beside him frowned and said, “We were too late.” The man in the golden robe laughed, “Are we? It’s never too late.

I’ve waited for millions of entrapochs.

Waiting a little longer isn’t that big of a deal the elderly man sighed and said but we planned to sneak in unnoticed and intercept them.

Even Taiyi and Yasmina caused such a huge commotion when trying to enter the formation.

Wouldn’t we alert them if we were to try to enter now?” Xanthakos looked at the elderly man and sneered why does it seem like you’re more anxious than me, Quintus?” Quintus sighed, raised his head, and said, “I’m just concerned for you.

After all, it’s related to our eternal hegemony.” Xanthakos’ gaze turned ominous.

Quintus lowered his head and stepped back like a lowly slave.

The memory of Quentyn’s tragedy was still fresh in his mind.

He knew it was not wise to provoke Xanthakos now.

After a while, Xanthakos laughed, “There’s no need to rush.

There are eighty-one halls within the Wuia Palace.

Each of them is filled with numerous restrictions and attacks.

How can a bunch of weaklings like them break through so easily?

The Almighty Dragon General Chapter 7325-“Plus, it does not matter if they discover US.

We have the person James cares about the most as a hostage,” Xanthakos said with a sinister smile.

Quintus smiled awkwardly and nodded.

Xanthakos turned around with his hands behind his back and gazed into the void.

“I am more worried about them.

They should be here by now.” Quintus asked tentatively, “Who are you referring to? You have been mentioning them for a while.” Xanthakos narrowed his eyes slightly, smiling without saying a word.

Shortly after, three black and white lights shot toward them at high speed, materializing into two men and one woman.

The moment he saw the trio, Xanthakos was stunned.

He hurriedly knelt, kowtowing in fear.

“Your Holiness.” Startled by the trio’s overwhelming presence, Quintus also knelt warily.

These two men and one woman were none other than Yefrenes Goveia, Quintinus Qrandell, and Amos Xiereb, three of the Caeloros Gods of Nothingness.

Unlike Frona, they had traveled through the Xyrisia Gate by sacrificing billions of living beings from the Haleth Realm that were imprisoned in the Xanthakos’ space.

Since they traveled with their main bodies, they retained at least 50% of their strength.

Naturally, they had not gone through such risks for Xanthakos’ sake, but for their own motives.

After a moment of silence, Yefrenes looked at the Wuia Palace and asked, “Did they go in?” Xanthakos replied excitedly, “They did! As expected from Caeloros Gods of Nothingness, you three are exceptionally wise and calculated everything perfectly.

I admire you three so much.” Yefrenes turned and rolled her eyes at Xanthakos’ sycophantic praise.

Quintinus, standing beside her, sneered, “If your strength were half as good as your flattery, you would not be so humiliated by James.” Amos twisted his beard and laughed at the remarks.

Xanthakos clenched his fists but was too afraid to express his anger.

Yefrenes said slowly, “With Frona’s help, James has integrated his Five Spirits, cultivated a Limitless Body, and achieved Ultimate Serenity.

There is likely nobody in the Haleth Realm that is a match against him.”

“although we do not get along with frona i must admit she has better judgment of people than US.” After speaking, she glared at Xanthakos condescendingly.

Quintinus and Amos exchanged glances and sneered, clearly looking down on Xanthakos.

Xanthakos was furious, but could only bow his head and swallow his rage in front of the three Caeloros Gods of Nothingness.

Quintus, seeing an opportunity, suddenly straightened up and Shouted your holiness we saw taiyi yasminar Yiulia, Hankin, and Marius accompanying James into the Wuia Palace Additionally, Harper and Yianni, who once rebelled against the Waitara Path, were among them as soon as these words left his mouth, Yefrenes, Quintinus, and Amos’ expressions darkened, and they all glared at the kneeling Xanthakos.

Terrified, Xanthakos raised his head and hurriedly explained, “I...

I was just about to mention this...” “You bastard.

You are trying to use US as pawns?” Quintinus interrupted, his voice dripping with murderous intent.
