

The Almighty Dragon General Chapter 7331

The Almighty Dragon General Chapter 7331-Suddenly, aloud sound echoed as the Demon-Slayer Sword struck a cyclone, spreading toward Dillon.

It was as if it had hit a solid rock and could no longer move forward.

Seeing this, James clenched his fists.

Since its merging, the Demon-Slayer Sword had always been unbeatable and formidable, killing all divine beings with a single slash.

But now, facing Dillon, it was completely blocked.

This indicated that his strength far surpassed that of Taiyi and Tapia.

“Not bad,” Dillon smiled and said.

“You managed to obtain the Demon-Slayer Sword, but from what I know, it was already taken by Goyo, who is Waitara’s disciple.

Could it be that you caused Goyo’s fall too?”

James ignored his words and pushed his palm forward.

Another black-white-amethyst-gold light headed straight to the Wuia Demon Slayer Sword.

In an instant, with the buzzing sound of the sword, the Wuia Demon-Slayer Sword seemed to gain new power and struck at lightning speed again.

With the sound of an explosion, the cyclone was shattered instantly.

However, the Demon-Slayer Sword was blocked again as it neared Dillon.

“You are indeed very strong,” Dillon suddenly said.

“But if you want to defeat me, it’ll take a lot of effort.”

Then, he waved his hands.

A blue light shot out and pulled the Demon-Slayer Sword toward him.

James caught the sword and slashed again.

Another loud sound followed as a powerful Sword Light struck at Dillon.

Dillon soared into the sky, dodging the attack.

His original position was shattered by the Sword Light.

Then, Dillon turned into countless illusionary afterimages, approaching James.

Instead of retreating, James charged forward with the Demon- Slayer Sword.

Instantly, countless afterimages flashed in the cave.

Countless Sword Lights and palms crossed paths, initiating a fierce battle.

James relied on the speed and strength of the Limitless Body and Ultimate Serenity to suppress Dillon.

He attacked fiercely without defending himself.

On the other hand, under James' constant attacks, Dillon dodged critical blows and faced the less dangerous ones head-on.

He used his strange skills to circle James and launch sneak attacks, attacking him roguishly.

When James attacked, Dillon would dodge.

When James paused, Dillon would seize the opportunity for a sneak attack.

Despite James' terrifying power, he couldn't fully unleash it, as if he were fighting the air.

If it weren't for James' Limitless Body, which was invulnerable to all calamities, Terrastride Step, Dawnblaze Form, and Chaos Yin- Yang Eyes, Dillon's sneak attacks would have killed him.

Facing such rogue tactics, James was frustrated.

All his previous opponents were stronger and underestimated him to fight with ease.

However, it was the first time he encountered attacks like Dillon's.

"Get out of here!"

James roared angrily.

A black-white-amethyst – gold Sword Light spread, causing sand and rocks to move in the cave.

The ground and mountains shook, but they didn't collapse.

After the dust settled, James looked around but couldn't find Dillon.

He couldn't even sense his aura.

It was extremely quiet.

The way Dillon attacked and hid was uncanny.

He was shameless.

It was unknown how Waitara caught him, as he was very cunning.

A while later, James had an idea.

"Dillon, come out. I won't attack you anymore let's have a chat

The Almighty Dragon General Chapter 7332-As soon as James said that, Dillon's voice sounded from behind.

"Let's not fight anymore. We don't have any grudges against each other, so why did you attack me? I'm exhausted. Let's stop."

James turned around and pushed out his palm.

There was a loud sound.

Dillon, who had just appeared, was engulfed by the palm.

However, the explosion James anticipated didn't happen.

On the contrary, after the wave dissipated, Dillon stood in the same position, unscathed.

James' eyes narrowed.

"You lied."

Dillon pointed at James, disappointed.

"You claim to be righteous, but you're shameless."

“You deceive people and then beat them up. Don’t you think you’re n Before he could finish his words, he spat out a mouthful of blood. At this moment, James pushed out another palm and then withdrew it. He felt embarrassed. He realized it a bit too late and felt embarrassed. A while later, his face twitched.

“I’m sorry. I didn’t expect you to be so obedient. Since we aren’t going to continue fighting, let’s have a chat.”

“The Limitless Body and Ultimate Serenity are really powerful.”

Dillon wiped away the blood at the edges of his mouth.

“It seems you don’t have any opponents in the Haleth Realm.”

Clutching his chest, Dillon, who was originally surrounded by light, finally revealed his true appearance.

He was extremely handsome but had white hair.

From his appearance, he looked like a young man, yet he possessed such terrifying strength.

There was blood oozing from the edges of his mouth, but Dillon wasn’t angry at all.

He kept waving his hands.

He looked funny.

Under James’ gaze, Dillon slowly sat down.

He clasped his hands together.

At once, his body exuded blue light.

Then, several energy balls exuding blue light appeared before James.

Among the energy balls, there were Yianni, Harper, Marius, Hankin, Taiyi, and even Tapia.

“I’ve given you back your friends.”

Dillon sighed and said, “You can’t attack me anymore. We have no grudges against each other. Since we have met, we can have a chat.”

James looked at the divine beings and powerhouses sitting in the blue energy balls.

His heart dropped.

“Did you hypnotize them?”

“No,” Dillon denied.

“It’s a Daoism I created.They’re just comprehending the Paths.”

James was at a loss for words.

“What’s with your expression?”

Dillon became angry.

“Do you think you’re the only ones who have Paths? Do you think we don’t have Paths?”

Upon hearing Dillon’s words, James shrugged.

He didn’t sense that the divine beings and powerhouses were in danger, so he lowered his guard.

After amoment of pondering, Dillon sighed.

“You’re from the outside.There should be a lot of delicious food.Especially wine.Do you have any? I won’t take it for free.I’ll give you something in exchange.”

James didn’t expect him to suggest such a condition.

Thus, he didn’t refuse.

With a raise of his hand, two jars of Chaos Absinthe appeared before Dillon.

Dillon quickly removed the lid of the jar.

He quickly drank it as if he had been starving for a long time.

A while later, he smacked his lips as he enjoyed the aftertaste.

“It’s a great wine.It has been a long time since I had such great wine.”

Then, he continued to pour the wine into his mouth.

James stared at him.

He didn’t become furious.

He didn't say anything either.

He thought that if he could meet one of the divine beings of the unorthodox factions, Dillon must know about Waitara and what happened in Wuia Palace.

After all, Dillon had been imprisoned here for so many years and used to be Waitara's enemy.

He was an existence that Waitara couldn't kill.

With his strength, even though he was fought roguely, he wasn't injured at all.

So, there was no way he could be defeated.

If Dillon hadn't taken the initiative to show up, he wouldn't have been found, let alone gotten injured.

It showed that he was extremely powerful.

After Dillon finished the jar of Chaos Absinthe, he raised his head.

"It's a really great wine."

"By the way, what did I say just now? I'll give you something in return."

Then, he waved his hand and a stick exuding black-and-white light appeared.

Upon seeing that, James couldn't help but frown.

The stick was simple yet elegant.

It looked normal, but it exuded black-and-white light.

"Please take it. It's the Historial pestle the entire haleth realm is controlled by it it's one of the nine Treasures of Nothingness."

Historial Pestle? When James heard that, he reached out and grabbed the pestle.

Then, he examined it.

Nevertheless, he couldn't see anything strange about it.

As he was holding it, he could feel the vital energy in his body startying to surge It was as if a mysterious power was in his body.

Then, the black-and-white light that exuded from the pestle enveloped James.

The pestle turned into two, and then the number increased endlessly.

The pestles rotated around James quickly.

James was taken aback.

He could feel the Limitless Body being refined.

So, he sat on the ground and closed his eyes.

At this time, Dillon opened another jar of Chaos Absinthe.

He glanced at James and grinned.

“Isn’t it just a broken stick? Why are you playing trips with it i don’t understand your orthodox factions.All of you are insane.”

Then, he picked up the jar of Chaos Absinthe and poured the wine into his mouth.

Awhile later, he sniffed the jar.

“It smells fishy.Is there grilled fish to eat?”

Then, Dillon put down the jar and looked around expectantly.

“Grilled fish and fine wine are a perfect combination.Hurry up and come in.”

After that, he got up.

His eyes glowed red as if he were insane.

“I can’t wait any longer.I’ll catch you myself!”

Then, he held the jar of Chaos Absinthe and rushed out.

The Almighty Dragon General Chapter 7333-In Wuia Palace, at the edge of the frontal twenty halls, Xanthakos clenched his fists in the ball of Nothingness Dead Energy at the top of the pavilion.

He looked at the buildings in front of him angrily.

As he ran for his life, he crossed the frontal twenty halls.

Despite his efforts, he was still hit by various formations, restrictions, and Daoisms.

Consequently, he was covered in bruises.

More importantly, he realized that Waitara was an insidious man.

He had modified everything in Wuia Palace before escaping.

Even Xanthakos, who was once most familiar with the place, couldn't distinguish the directions.

As Xanthakos didn't know if he would die, he was naturally more cautious.

After checking the place with his Zen, he reached out his hands.

As two amethyst-gold lights flashed by, Xanthakos grabbed two beautiful figures by their hair.

"I'll give you another chance. Contact James immediately,"

Xanthakos said through gritted teeth.

"Otherwise, I'll imprison you here and hand you over to the three Caeloros Gods who will be here soon."

With their hair being tugged, the two beautiful figures exchanged glances.

They seemed to have accepted death and wouldn't give in.

"You don't know what's good for you!"

Xanthakos roared angrily.

Terrifying Nothingness Dead Energy exuded from his body, destroying the clothes of the two beautiful figures.

Instantly, the two beautiful figures were completely naked, causing Xanthakos to laugh like a pervert.

Suddenly, while Xanthakos was laughing, he was slapped twice.

His face immediately darkened.

"You're a bastard!"

"You're shameless!"

Upon hearing that, Xanthakos was so angry that his body trembled.

He saw the two beautiful figures use Vital Energy to wrap themselves.

“Do you think you can survive by doing this?”

Xanthakos chuckled.

“Among the Caeloros Gods of Nothingness, one likes female bodies. And the woman needs to be a rare beauty.”

“In his free time, he entertains himself with Dual Cultivation. When it comes to making elixirs and treasures, he uses the women as raw materials too.”

Then, Xanthakos grabbed the hair of the two beautiful women and smirked.

“Do you know how to make raw materials? The women’s bodies are put in a small container. Then, the Thousand Souls Curse is activated to make the souls and bodies suffer, forcing them out of the container. However, the skin remains in the container.”

When the two women heard that, they trembled.

“The skin of a female body can be used to make armor and zafus.”

Xanthakos continued, “As for the physical body that has been skinned, it is thrown into the alchemy furnace. Meanwhile, the soul is locked in the Thought Prison for eternity, tortured and never to be reincarnated...” “Xanthakos, you’re a bastard.”

One of the beautiful women could no longer stand it.

She finally shouted furiously, “You deserve to die. James will kill you.”

Upon hearing that, Xanthakos laughed again.

“Light Heavenly Path, you’re indeed different from the Yin governor she always addresses James as her husband. She thinks she’s all that.

Visit Novelebook.com to read the latest chapter of this novel “You’re a part of the Yin governor, but why aren’t you as fearless as she is in front of James? Light Thea was taken aback.

She fell silent.

“I understand now,” Xanthakos smiled and said you aren’t his wife after all, so “No, I am,”

Light Thea retorted angrily.

“You’re the ruthless and unjust one. You even do it to your wife and son...”

“shut up!”

Xanthakos grabbed Light Thea by the neck. ‘If you say another word, I will..

The Almighty Dragon General Chapter 7334-“Xanthakos, you’re just a loner,” the other beautiful woman spoke up.

“Not only have you lost your status in the Forty-Ninth Heaven, but you’ve also lost countless believers and disciples. Now, you’ve lost the support of the three Caeloros Gods of Nothingness. You’re nothing.

“How dare you fight against my master now? You aren’t worthy.”

Upon hearing that, Xanthakos became furious. He grabbed the woman’s hair with his other hand and lifted her.

“Let go of her!”

Light Thea became anxious.

“Yukha, do you really think you can be fearless because we have history?”

Xanthakos shouted angrily, “Do you really think I won’t kill you?”

“If you dare to kill her, I will kill myself immediately.”

Light Thea shouted, “By then, not only will you face the pursuit of the three Caeloros Gods, but you will also face James’ revenge. You won’t have a place in the Haleth Realm!”

Xanthakos, who had murderous intentions, was stunned.

It was obvious that Light Thea’s threat was effective.

She had captured his weakness.

The current situation was beyond Xanthakos’ control.

It had deviated from his plan.

Quintus’ betrayal had caused him to offend the three Caeloros Gods.

If Light Thea killed herself, Xanthakos could no longer threaten James.

He would be doomed.

Upon thinking of that, he gritted his teeth and threw Yukha away.

He was shocked when Yukha disappeared the moment she was thrown.

“What’s going on?”

Xanthakos panicked.

He immediately activated the Nothingness Dead Energy.

However, Yukha didn’t react.

Subconsciously, he strangled Light Thea’s neck.

He looked around the area with vigilance.

“I don’t want a bird.I want a grilled fish.”

Suddenly, an eerie and terrifying voice sounded from the void.

It made one’s hair stand on end.

Nervously, Xanthakos retreated while holding Light Thea.

“Who’s there? Show yourself!”

Then, an eerie laughter sounded from the void.

“You have quite the temper. it seems that you should be grilled for me to eat!

Upon hearing that, Xanthakos looked around even more nervously.

He pushed out his palm.

The Nothingness Dead Energy turned into countless palms, filling the void.

However, he was shocked that the palms didn’t explode.

Instead, they were all devoured by the blue gas in the void and disappeared.

When Xanthakos saw that, his heart skipped a beat.

Could it be that there was a powerful divine being hidden in wuia palace besides waitara
“Come on!”

At this time, a large hand with blue light suddenly shot out of the blue gas in the void and quickly slammed on Xanthakos.

Xanthakos was so shocked that his face turned pale.

He raised his hand, and the Nothingness Dead Energy turned into a pillar.

He forcefully held up the hand.

The Almighty Dragon General Chapter 7335-“It’s the Nothingness Dead Energy. You’re quite capable,” a strange laughter sounded.

“Let’s see if you can handle this.”

Countless stars flew out of the ball of blue gas, attacking Xanthakos relentlessly.

Seeing the terrifying scene, Xanthakos pulled out a tower that expanded to block the endless stars.

Despite several explosions, the tower he sacrificed cracked under the constant impact and finally exploded.

In the next moment, countless stars shone brightly and headed straight for Xanthakos.

“She’s James’ wife. Kill her if you dare!”

Xanthakos’ eyes widened in horror as he shouted.

Subconsciously, he used Light Thea as a shield.

However, when the nearest star was about to hit Xanthakos, it stopped.

The countless stars behind it formed a long line, colliding with each other in a spectacular sight.

“Don’t worry about me. Just kill Xanthakos,”

Light Thea suddenly shouted.

“If he manages to merge the treasures of Nothingness, his strength will increase, and it will be troublesome in the future.”

Hearing this, Xanthakos held Light Thea and turned into the Nothingness Dead Energy to escape before being attacked.

The countless stars quickly retreated into the ball of blue gas in the void.

“What a terrifying aura. Is what he said true? Have the Caeloros Gods of Nothingness really arrived in the Haleth Realm?”

In the frontal twenty halls, a terrifying illusionary afterimage appeared, punching and shattering the pillar created by Xanthakos using the Nothingness Dead Energy.

The huge palm in the void struck but was destroyed by the afterimage with one finger.

Upon seeing this, the ball of blue gas in the void exclaimed, “It really is a Caeloros God of Nothingness. What rotten luck!”

The ball of blue gas then dispersed and fled the area.

Just when the afterimage was about to chase after the ball of blue gas, he was stopped by a woman’s voice.

“Quintinus, don’t go after him.”

The afterimage materialized into a handsome, young being, one of the Nine Caeloros Gods of Nothingness, Quintinus Qrandell.

Yefrenes, Amos, and Quintus appeared one after another.

Staring at the dispersing ball of blue gas, Quintinus narrowed his eyes.

“In the Haleth Realm, aside from Waitara, there’s another divine being with such strange movements. How odd.”

“It’s nothing surprising,” Yefrenes said in a low voice.

“When the Forty-Nine Daoisms derived Waitara, we were all disrupted by waitara causing two evil Beings to be derived. One of them was Dillon Zacharias. The divine being who ran away just now was Dillon.”

Quintus widened his eyes and exclaimed, “So his existence is as terrifying as Waitara’s...”

Quintinus glared at Quintus before turning to Yefrenes.

“Why don’t I know this?”

“I don’t know about it either,”

Amos looked at Yefrenes.

The Almighty Dragon General Chapter 7336-Here's the passage with the apostrophes and double apostrophes changed to curly ones: "Back then, only Frona and I knew about this," Yefrenes said.

"Our Daoisms are different.

I created Mordecai Preston, while she created Dillon Zacharias.

"But they don't belong to the orthodox.They happened to balance Waitara, so we kept them."

Yefrenes took a deep breath.

"It's unexpected that Waitara locked them here."

After hearing Yefrenes' explanation, Amos frowned.

"Since Dillon is here, James and Xanthakos must have been controlled by him, right?"

"I don't know about James."

Amon stared at the void where the ball of blue gas disappeared.

"I only know that Xanthakos isn't being controlled.Otherwise, his Nothingness Dead Energy would have been devoured long ago.Why bother leaving behind a pillar?"

"What do we do next?"

Quintinus looked at Yefrenes.

"We can't stay here for too long.Otherwise, the effect of the Immutable Pill will fade.By then, we can't return to the Xanadu Realm.It will be tragic..."

"Quintinus!"

Amos' expression darkened.

"How could you say everything in front of outsiders?"

Quintinus was taken aback.It was then that he looked at Quintus and realized he had exposed the most deadly secret in just one sentence.

When he was about to kill them all, Yefrenes waved his hand.

A dazzling black-and-white light engulfed Quintus, erasing the latter's memories.

Quintus' face twitched.

"This is..."

"Don't say a word. Just do as we say," Yefrenes interrupted.

"You'll receive benefits and fortunes."

Upon hearing that, Quintus quickly thanked him.

"No matter where James and Xanthakos are now, they have to go to the main dojo in Wuia Palace,"

Yefrenes said, enunciating each word.

"Rather than being led by them, we should go there and wait for them."

When Amos and Quintinus heard that, they exchanged glances before nodding.

"That's right."

Quintus immediately widened his eyes.

"The main dojo in Wuia Palace has the Path Designation Bead that they want as well as the forty-nine cauldrons..."

Suddenly, there was a loud sound.

Quintus was punched by Quintinus and fell into the void.

He was confused.

"It's best if you don't speak so much,"

Quintinus said arrogantly.

"If I don't get my way, I might accidentally kill you."

Quintus trembled and nodded hurriedly as he got up.

At this time, Yefrenes pointed forward.

A ray of black-and-white light shot out, forming a bridge across the sky.

“Let’s go.”

After saying that, Yefrenes stepped onto the bridge.

Immediately, Quintus followed him, as though Yefrenes had become his lifeline.

Meanwhile, Quintinus glanced at Amos and said softly, “Since you’re so capable why didn’t you build a bridge to connect the Xanadu and Haleth Realms? In this way, we wouldn’t need to cross the Xyrisia Gate.”

Amos stroked his beard and smiled.

“Even Frona doesn’t have this capabilityYou’ll make her angry with this remark.”

With a snort, Quintinus said, “If I can get the Caeloros Supreme scepter this time i’ll put this aside.But if I can’t, she will be doomed.”

As Amos watched Quintinus walk past him, he smiled strangely and followed him.
