

The Almighty Dragon General Chapter 7371

The Almighty Dragon General Chapter 7371-As a flash of light erupted, Yefrenes' unwilling roar echoed from within the formation.

"No! Impossible! How can a mere Historial being from the Haleth Realm break my universe bondage and wound my Caeloros Body?"

As her voice fell, a dazzling burst of colorful light flashed, and Yefrenes was violently expelled from the formation.

She was exposed, her flawless beauty and ethereal allure still apparent despite her bleeding lips and pale face.

Yefrenes coughed up blood and raised her head in defiance. She glared at James' main self of Path, which lay slumped against the formation's wall.

"You aren't capable of this. It couldn't be you. I was defeated by someone else.

It must be Frona! That wretched bitch used you to distract me, then launched a fatal attack on my Caeloros Body!

"That must be it. Only she knows my vital point! She's such a despicable, shameless, and vicious hypocrite!

"She deliberately crossed the Xyrisia Gate, making us believe her strength was weakened to lure us into the Haleth Realm. Then, she allied with you and led us into her trap.

"What a cunning plan, Frona. Someone as vile and treacherous as you is unworthy of being the Caeloros Supreme and the Destiny Sect's leader!"

Watching her outburst, James' main self suddenly laughed confidently as if he were the victor ruthlessly mocking the vanquished.

Yefrenes roared, "Do you think you've really won? Even if Frona shattered my Caeloros Body, I still have the strength to kill you." Suddenly, she stood up and waved her hand. A Sword Light filled with potent Nothingness Aura appeared in her hand.

With a fierce expression, she approached James' main self of Path.

"You're unable to get up now and are useless. Do you think Frona would care about your life?"

"She simply used you to prevent me from returning to the Xanadu Realm. Now that her goal has been achieved, you're just a discarded pawn."

Yefrenes approached James' main self of Path, holding her sharp sword like a madwoman. She laughed ferociously, "Your formation is an excellent cage for yourself. Taiyi and Yasmina might be able to save you, but you've sent them away and lost. your only hope of survival, Save "I want you to remember that being a slave for another never ends well."

After a moment of shock, Yefrenes' expression darkened. "You still Want to resis! \"

Yefrenes raised her hand and aimed at James' head. However, before it could land, it was stopped by a mysterious force.

"Are you done with the performance?"

A powerful and majestic voice came from,behina her.

Startled, Yefrenes felt a shiver down her spine. "Is that... James Dep But isn't he right before me brink of death?"

Just as she attempted to attack again, the sword in her hand wash swiftly swept away by an overwhelming force.

The Almighty Dragon General Chapter 7372-"Kids shouldn't play with sharp objects. You might hurt yourselves if you don't handle them properly," a teasing voice came from behind Yefrenes.

Startled, Yefrenes turned around abruptly and was immediately terrified. She stumbled back, falling on James' main self of Path.

Her eyes were wide with disbelief, her beautiful cheeks twitching in fear as if she had seen a ghost. "James? How..."

"Get off me! You couldn't defeat me and now want to kill me by sitting on me?"

James' main self of Path protested.

Yefrenes quickly stood up and turned around, seeing James' main self of Path still slumped on the ground, gasping for breath. She exclaimed in disbelief,

"There are two of you? How is this possible?" From their auras and demeanor, they were not clones or Primordial Spirits but actual physical entities. 'Could James be a pair of twins, or had he already cultivated another main self?' In great surprise, she looked at the sitting James behind her and then at the standing James. The latter was intact, full of strength, and looking at her with an evil glint.

The standing James rubbed his chin and teased, "Impressive, you're almost on par with Frona. I could toy with you for thousands of years."

“Hey, second me! Since you’re badly injured, how about you take her Caeloros Body?”

James’ main self of Path retorted, “Outrageous. I’m your second half, born from the righteous path. I’m not evil like you.”

“That’s precisely why you should take her Caeloros Body. How could you be my self of Path if you’ve never taken a woman before?”

James’ main self of Path said anxiously, “Stop teasing me. I was born righteous!

You can do whatever you want, but I will rule the Haleth Realm. I can’t be tainted by evil.”

“But I have a wife and won’t ever touch another woman. I’m loyal to her. It’s a different case for you since you’re...”

James’ main self of Path interrupted, “I’m also considered your second half!

Since Thea’s your wife, she’s also mine. Why do you think I wouldn’t be loyal too?”
Listening to the two argue, Yefrenes, caught in the middle, was furious.

“You...you cultivated another main self? You’re simply...”

James’ main self of Path interrupted, “Shut up, foolish woman. As a Caeloros God of Nothingness, you’re too indecent How could you wander around the Haleth Realm naked? Shouldn’t you at least cover up a little bit?”

“Who are you trying to seduce? My other half is a virgin, but I’m already a father.

I have a lot of experience, and I’m immune to temptation!”

Startled, Yefrenes lowered her head and checked her body. Realizing she was still naked, she quickly tried to f.net pwith clothes. However, cover up James flicked his finger, and his Hadufen Light burnt the attire that was about to form.

Yefrenes fumed, “You...you shameless...”

James sneered, “I’ve already seen everything worth seeing, so what’s the point hiding now? Besides, you’re about to cultivate with your partner. It would save time to undress.”

Yefrenes attempted to punch James, but he deflected her attack sending her back into the arms of his main self of Path.

James’ main self of Path shouted frustratedly, “What are you doing?”

James urged impatiently, "Have fun with her, then consumue her body it'll be good far both of us, especially you."

The Almighty Dragon General Chapter 7373-Without waiting for his main self of Path to speak or for Yefrenes to resist, James enveloped them both in Hadufen Energy.

Soon, his main self cursed from within. "You're playing dirty! What is that weird smell?"

James laughed, "Since you both are inexperienced, I needed to help a little.

Have fun!"

As he finished speaking, Yefrenes' horrified screams resounded.

"What are you doing? Don't come near me! Go away...ahh!!!"

Then, there was silence.

James emerged from the formation and saw the two Path Protectors hovering above the Historial Palace, still channeling Waltraud Power with great dedication.

The four glowing cauldrons in the corners of the formation, rotating and circling, instantly caught his attention.

James bowed, clasped his hands, and said, "Thank you."

Zbynek and Lilibeth stopped infusing Waltraud Power and looked up. Seeing James, they were overjoyed. "Did you succeed, James?"

"Amazing! As expected from the Chosen One, you're truly exceptional!"

James smiled nonchalantly at their praises. He knew that after his main self of Path devoured the Caeloros Body, his strength would improve significantly. After that, he would be more confident dealing with the other two Caeloros Gods of Nothingness, Xanthakos, and the Waitara Path's soul spirit.

At that moment, an amethyst-gold light rushed over from the distant void, transforming into Yiulia. She instantly fell in front of James.

Her body was covered in blood, evidently seriously injured, and her strength was greatly diminished.

"James, hurry! You need to save Taiyi and Yasmina. They're trapped by the Caeloros God of Firmament, Quintinus!"

Momentarily startled by the news, James hurriedly helped Yiulia to her feet.

“Weren’t you all supposed to be cultivating in the first twenty halls? How did you encounter Quintinus?”

Yiulia explained weakly, “We

encountered the Waitara Path’s soul spirit and Yehria. After engaging in an intense battle with them we had to retreat to the Yaretzi Mountains.

However, before we could catch our breath, Quintinus found and attacked us.”

James frowned and used his Hadufen Energy to heal her injuries.

Before James left, Lilibeth called out urgently, “James! Your priority should be to enter the Historial Palace and comprehend the Forty-Nine Daoisms!

You shouldn’t be distracted by trivial matters” zByheK added, “She’s right.

matters.” &Byhek added, “She’s right.

Once you comprehend the Forty-Nine Daoisms, none of the Haleth Realm’s divine beings will be able to harm you. You’ll reign supreme, so there’s no need to...” James interrupted and said calmly, “You might be right.

However, I will never use my comrades as sacrifices to buy more time for myself.

“How can I study the Forty-Nine

Daoisms at ease while they fight for their lives? Even if I were to truly gain enlightenment, it goes against my principles. It’s not the Daoism that I desire, nor what the Haleth Realm needs.”

After speaking, James quickly dispersed his formation and stored away the four cauldrons. The next moment, he transformed into a Sword Light and rushed to the Yaretzi Mountains.

The Almighty Dragon General Chapter 7374-n the Yaretzi Mountains, situated at the western boundary of the Wuia Palace, lay the western barrier that protected the entire palace. The area was shrouded in clouds and mist, creating a vast and majestic landscape.

Encircled by mountains within and connected to the sea of stars beyond, the universe extended and gradually blended into the boundless void.

At this moment, atop a dome in the Yaretzi Mountains, hysterical curses, roars, and screams resonated, mingled with wild laughter, creating a scene of tragic chaos.

Marius and Yianni were beaten beyond recognition and imprisoned by a black Nothingness Aura. They were constantly struck by lightning and various forces.

They endured the excruciating pain, cursing furiously in a direction.

Meanwhile, Mordecai and Dillon suffered heavy injuries, their bodies covered in blood, but they still stood up defiantly. They were struck down but climbed up once again with difficulty.

In the void, Taiyi and Yasmina were trapped within a slowly rotating formation.

Their naked bodies were struck by lightning, leaving terrifying injuries on them as if struck by whips. They trembled, and their faces twisted from the pain.

Harper had it the worst out of the group. She was stripped naked and placed in a jar. Terrifying divine flames rose from the bottom, causing her to screech in pain. Smoke rose as her body burned-a cruel sight to behold.

In stark contrast to their miserable state, a man laughed happily as he constantly shot fireballs into the jar, causing the flames to burn more vigorously.

As the divine flames intensified, Harper's screams grew more distressed. The pain tormented her soul.

Taiyi roared, "Come at us instead, Quintinus! What kind of god are you? How are you so cruel?" Yasmina cursed, "You're a devil. No, you're so vile that even devils would recoil in disgust at the mere thought of you."

Quintinus slowly turned to her with a menacing smile. "Don't worry. After I'm done with her, I'll absorb her. Then, it'll be your turn.

"But, to be honest, though you two Alcide beings are near perfect, these Historial beings are slightly better. You lack emotions and desires, it's a bit boring playing with you two. Historial beings are so much more entertaining and are valuable cultivation partners."

Quintinus waved his hand, and a spectral hand emerged to caress Harper's beautiful face.

"Look at her pained and pitiful expression. I doubt any man could resist such temptation.

"Moreover, she has an Enchantment Body! A top-grade cultivation Pol.ne?

resource! Since she has fallen into my hands, how could I waste the opportunity? Haha!"

His arrogant provocation was met with a furious outburst from Marius and Yianni. Even Taiyi and Yasmina cussed out of anger.

Quintinus laughed, "Scream to your heart's content. That's all you can do right now anyway, i feel sorry for that bastard James. He has such great resources right beside him, but he left them be. Now, I'll be reaping the benefits. Haha!"

His laughter was full of sarcasm, complacency, and arrogance. It was as if he could control the fate of everyone present.

"You're scum, Quintinus!" Dillon roared and struggled to his feet Then, he quickly turned into a light beam and rushed at Quintinus.

Then, he immediately turned into a black dragon and rushed toward Quintinus.

Mordecai wiped the blood from his lips and roared, "How dare yoy m humiliate my disciple? The worst case is that we go down together!

Die, you scum!"
