

The Almighty Dragon General

The Almighty Dragon General Chapter 7396-As Morgott, Taiyi, Yasmina, and Quintus attacked Xanthakos, the Vital Energy in the formation filled the air, creating a dazzling light. The energy waves spread endlessly, continuously hitting the walls of the formation.

The power of the four powerhouses' attacks was enough to destroy the entire Haleth Realm. Even though Xanthakos was powerful and wrapped in countless runes, he kept spitting out blood due to the continuous onslaught.

"We must injure him severely before the runes disappear," Taiyi told the other divine beings.

In the next second, the four powerhouses circled the violent Xanthakos, each taking a corner. They activated their strongest Supernatural Powers and attacked.

Four terrifying forces approached Xanthakos. Engulfed by countless runes, he raised his head and roared angrily, restrained but defiant.

"If it weren't for this darn talisman, I would have killed all of you."

Despite the immense pain, Xanthakos cursed arrogantly, twisting and turning like an angry, trapped beast.

The four powerhouses didn't waste time arguing. Since he was restrained, they increased their Vital Energies and tried their best to control the situation.

They could only control the situation and buy some time. They knew very well that they couldn't kill Xanthakos even if they worked together.

The gap between their strengths was too great. If not for the runes drawn by the Nothingness Neon Pen trapping Xanthakos, they might not even be able to get close to him. So, both sides tried their best to exhaust the other's Supernatural Powers.

Whoever endured until the end would be the winner.

A while later, a dazzling amethyst light appeared in the formation, transforming into a beautiful figure at the edge of the battle.

Seeing the scene, she was stunned.

"Yiulia, help me," Xanthakos noticed her first and shouted. "If you get rid of the runes on my body, I can kill them."

Taiyi quickly spoke up.

“Emperor Yiulia, we have gone through life and death together, Whether it’s for James or the Haleth Realm, you should be on our side.”

“Nonsense Xanthakos roared angrily. “Yiulia, don’t forget that /et have the people you care about the most. If I die, you will never see them again.”

“Emperor Yiulia, Xanthakos is despicable and shameless,” Quintus shouted. “How can you believe his words?”

Hearing both parties trying to convince her, Yiulia became anxious, her face twitching.

She was searching for James but couldn’t find him.

She had no idea how to make a decision. There was no leader to guide her.

On one side were her friends, with whom 3 & had gone through life at On the other, Xanthakoand had the people most important to her.

Yiulia didn’t want to betray her friends and James, but she didn’t want to lose her people either. She was in a tough spot.

“Yiulia, you’ve already betrayed James once,” Xanthakos roared angrily. “Do you think he will spare you?”

“If you hesitate any longer, I will use my Primordial Spirit to kill the people important to you.”

Hearing this, Yiulia’s body trembled. She quickly waved her hands. “N-No...”

The Almighty Dragon General Chapter 7397-“Kill them,” Xanthakos shouted through gritted teeth.

“To trap me, they have used all of their strength.

They can’t fight back.

If you stab them from behind, they will...” “No, I don’t want to do that,” Yiulia shook her head painfully.

“ They’re my friends!” Xanthakos was enraged.

“Don’t forget your identity.

I’ll count to three.

If you disobey me, I will..." "N-No," Yiulia screamed.

"I-I'll do it." She soared into the sky, and a divine sword appeared in the void.

"Emperor Yiulia," Yasmina shouted, "are you really going to listen to him?" "What an idiot," Morgott snorted.

"You're an Alcide being.

You don't have parents or children.

Aside from James, you have no one to care for.

How could you be controlled by him?" "Emperor Yiulia, you should think it through," Quintus said anxiously.

"We are all Emperor Caden's supporters.

Killing us is equivalent to killing Emperor Caden.

Do you really want to see..." "I don't want to see that," Yiulia sobbed.

"But I don't have a choice.

I must save them.

They have suffered too much because of me.

Without them, I wouldn't be who I am today." Yiulia cried in the void.

"I'm sorry.

I really don't have a choice.

You can blame me for being heartless and shameless." Then, she turned into a Sword Light and stabbed Quintus in the back.

Quintus shuddered and spat out a mouthful of blood.

The black-and -white Vital Energy stopped shooting toward Xanthakos.

"Quintus!" Morgott roared furiously.

Taiyi and Yasmina were stunned.

Before they could speak, Xanthakos started to spin rapidly, and once one of the powers restraining him was gone, terrifying black-and-white light erupted from his body.

After five loud sounds, the four powerhouses and Yiulia were all blown away by the black-and-white light spread by Xanthakos.

Xanthakos soared into the sky, and the runes around him shattered under the impact of the black-and-white light.

He laughed like a madman, waving a few black-and-white Sword Lights in the void and sweeping them across the area.

The four powerhouses, who had landed on the ground after being m blown away were stabbed by several divine swords with black- and -white light.

Taiyi, Yasmina, and Quintus were all in despair.

They thought they could hold on until James devoured Yefrenes, but they didn't expect Yiulia's appearance to be the biggest variable.

"It's time to end this," Xanthakos laughed.

Since you want to die with James, you can familiarize yourself with hell first before welcomingok ning him." He waved his hands, and several huge palms struck.

"N-No," Yiulia cried, rushing toward Taiyi and Yasmina.

At that moment, Morgott grabbed Quintus and headed toward the gray clouds in the void.

"You can't escape," shouted Xanthakos.

He shot out a Sword Light and rushed toward Morgott.

The Almighty Dragon General Chapter 7398-With a swoosh, Morgott and Quintus, who were about to head into the gray clouds, were attacked but couldn't dodge in time.

However, the Sword Light went between Morgott's legs.

Blood splattered.

"How dare you try to take my life? I'll take yours!" Morgott cursed, throwing Quintus into the gray clouds and charging toward Xanthakos with his spear.

In an instant, Morgott slashed the air, causing the formation to tremble fiercely.

Amethyst-red Demonic Energy formed several afterimages in the void.

The sound of the wind shook even a divine being's soul.

'Just you?' Xanthakos pushed out his palm.

The Nothingness Dead Energy gathered, forming several huge palms that headed toward Morgott.

Morgott pushed the Tyrant Spear forward, shattering the illusionary palms that Xanthakos had summoned.

With a sound, Morgott pierced Xanthakos' palm, causing blood to splatter.

Shouting in pain, Xanthakos was in disbelief.

"Are you going to die?" Morgott roared again and stabbed Xanthakos' chest.

In Xanthakos' painful cries, the Nothingness Dead Energy exploded once more.

"Taiyi, Yasmina, get out of here now.

I'm furious.

I don't want to hurt you!" Morgott took the opportunity to maneuver the Tyrant Spear, attacking Xanthakos, who was writhing in pain.

At this moment, Taiyi and Yasmina, both severely injured, soared into the sky.

The black-and-white energy surged within their bodies.

They didn't run away.

They watched the fight between Morgott and Xanthakos, They had promised James to hold back Xanthakos until he fully devoured Yefrenes.

"Taiyi, do you still remember the Movement of Energy?" Yasmina wiped the blood from the corners of her mouth.

"Of course!" Taiyi stared at the scene before her.

"Are you willing to use it now?" "If you are, I am!" Yasmina shouted.

"We were assigned to protect the Haleth Realm.

We might not have the ability to cleanse it and promote the Supreme Path, but we shouldn't run away at its critical moment, right? "Besides, I like James.

I think it's best to leave the Haleth Realm to him!" Hearing this, Taiyi turned to look at Yasmina, shocked.

"Aare you doing it or not?" Yasmina asked irritably.

"If you don't answer me now, I won't use it anymore." Taiyi ignored her.

She extended her arms, and an energy ball dazzling with Xaria Light appeared in her hands.

Yasmina's expression turned cold.

'Where's your sincerity? You should use the Taiyi Pearl!' "T'ye given the pearl to James," Taiyi answered calmly.

Yasmina didn't ask any more questions.

Instead, she waved her hand, and a terrifying black and white sealing power engulfed Yiulia, who was stunned.

Following the flash of light, Yiulia was petrified before she could react.

Seeing that, Taiyi smiled.

So, there are times when you're kind." "She shouldn't be killed by me,"

Yasmina Sich sighed.

"Because she's James' tribulation!"

The Almighty Dragon General Chapter 7399-Then, as the formation trembled, Morgott was blown away by a terrifying power.

Taiyi and Yasmina were stunned.

They stepped forward and used their Innate Energy to catch Morgott, stabilizing him.

At this moment, Morgott spat out blood, his hair a mess, entangled with Nothingness Dead Energy.

"Damn.

He's a monster.

He can't be killed." Taiyi frowned.

"It's not that he can't be killed, but he must have cultivated some kind of unparalleled Supernatural Power." Yasmina added, "It's the Triple Nothingness Martial Technique.

It means he has three bodies and three lives." Hearing that, Morgott was astonished.

"Does that mean he still has two lives?" "I'm afraid he's more violent now," Taiyi nodded.

"There's nothing to be afraid of," Morgott snorted and shouted, " I'm going to take his life again..." "Morgott!" Yasmina stopped him.

"Leave it to us.

I think James is at acritical moment of devouring Yefrenes.

He needs protection right now." "That's right," Taiyi agreed.

"It's time for us to fulfill our responsibility as Xanadu divine beings to protect the Haleth Realm." Without waiting for Morgott to respond, Taiyi and Yasmina took out two dazzling Path Cauldrons.

As they chanted a curse, the light spread, forming countless amethyst Path Characters that merged into a huge amethyst – gold Path Character.

Each stroke of this Path Character contained powerful Innate Energy and countless Forbidden Boundaries.

Sensing the might of the Path Character, Morgott's expression changed.

"What are you doing?" In the next second, Xanthakos appeared with the gray Vital Energy in the void ahead.

"Morgott, I need to thank you.

If it weren't for you, I wouldn't have known the secret of the Triple Nothingness Martial Technique.

"Look at my power and Vital Energy now.

Aren't they more powerful than before? "Now, it's time for you to die with James.

After dealing with you, I will break his formation and make him kneel before me!" Xanthakos reached out his hand, and two terrifying gray Vital Energies shot out.

With a loud boom, the gray Vital Energies hit the Path Character Taiyi and Yasmina created but were blocked.

Xanthakos frowned.

“How dare you resist!” He then turned into a Sword Light and charged toward the Path Character.

At this instant, Taiyi and Yasmina exchanged glances.

They turned into balls of black-and-white energy and headed into the Path Character.

As Xanthakos’ Sword Light hit the Path Character, Holy Light spread, engulfing the entire formation.

Xanthakos, now a Sword Light, screamed in fear.

Engulfed by the Holy Light, he was forced to revert to his main self) m DO twisting and turning as if receiving Divine Retribution.

In the Holy Light, Taiyi’s and Yasmina’s voices could be heard.

‘Xurraeus Light; Nine Holy Leeres; World-Creation Power, Unparalleled Haleth Realm.”
“Complete Supreme C Path; Silence of Nothingness, Two Xanadu Divine Beings; Movement of Energy.” In the next second, countless amethyst – gold Path Characters from the expanding Holy Light headed toward the pained Xanthakos, gradually sealing him.

“No!” Xanthakos roared in pain.

“I have the Triple Nothingness Martial Technique.

I can shake the world.

Nothing can seal me.

Nothing ... ” He tried to break free, but the endless Path CharactersC o m thwarted his efforts.

He could only watch himself being sealed.

Outside the Path Character, Morgott watched uneasily.

He had no idea Taiyi and Yasmina were so strong.

When they used their full strength, even Morgott was afraid of them.

The Almighty Dragon General Chapter 7400-At that moment, Taiyi's voice echoed from the Path Character.

"Morgott, please tell James that Yasmina and I have done our best to protect the Haleth Realm.

He needs to handle the Leere Tribulation alone." A dazzling scroll flew toward Morgott from within the huge Path Character.

After opening it, Morgott raised his head.

"Taiyi, Yasmina, you..." Before he could finish speaking, the Path Characters accelerated the sealing process within the huge Path Character.

As Xanthakos could only move his head, the huge Path Character dissolved, its strokes heading toward him.

Instantly, Xanthakos, who was screaming in fear with his eyes wide open, was devoured by the Path Characters.

He was then trapped in the rapidly surging ball of black-and-white energy.

"Taiyi, Yasmina!" Morgott screamed, but he couldn't do anything.

The ball of black-and-white energy signified that Taiyi and Yasmina had sacrificed themselves, using their lives to seal Xanthakos.

For now, Xanthakos was no longer a threat, but Taiyi and Yasmina could never return.

Taking a deep breath, Morgott sighed in the void.

"I thought the divine beings derived from the Forty-Nine Daoisms were all hypocrites.

I didn't expect them to be so unyielding." Morgott bowed to the ball of black-and white energy thrice before raising the scroll in his hand.

He looked up at the gray clouds above the formation.

"James, I have great taste.

So many divine beings are willing to die for you.

You're undoubtedly a great friend." In the next second, Morgott turned into an amethyst-red Sword Light and entered the gray clouds.

At the same time, at the top of the gray clouds, in a black-white- amethyst-gold halo, James' main self of Path and Anonymous main self sat opposite one another, their eyes closed, surrounded by a faint black-white-amethyst- gold light.

It looked holy.

In the center of both main selves, a ball of gray energy the size of a fist gradually shrank as the two main selves devoured its power.

It was an uncanny scene.

Awhile later, James' Anonymous main self opened his eyes.

'I'll leave the rest to you.' The main self of Path opened his eyes and m rolledthem at the Anonymous main self.

"Do you think I actually did something with her?" The Anonymous main self laughed.

Then, the main self of Path pushed the ball of energy in front of him to the Anonymous main self.

The Anonymous main self was taken aback but then accepted the ball of energy and consumed it.

"Next, we need to merge together," the main self of Path said sternly.

But I feel something different.

Shaking his body, the Anonymouism main self asked, Why don't I feel it ?"

'It means that she's on my side," the main self of Path said seriously.

'I can't sense the existence of the Light Heavenly Rath.'" Upon hearing that, the Anonymous main self frowned.
