The Almighty Dragon General Chapter 7451-Here is the proofread version of the text with improved flow and readability:

In the Thirty-Third Heaven, before a brand new black-and-white palace, Thea, Yaretzi, and Youcef appeared after three lights flickered.

“What are we doing here?” Youcef asked.

Yaretzi also looked at Thea.

“This is the new palace built by Yehria,” Thea said calmly. “At the same time, it’s where Waitara Path’s soul spirit used to hide. There should be many surprises inside.” Then, she went up the stairs and pushed out her palm. A burst of Hongrome Aura spread over the black-and-white light cluster. The palace’s formation instantly broke.

With a creak, the gate of the palace opened. Suddenly, countless light swords shot out from inside.

Thea didn’t dodge. She reached out and clenched her fists. Immediately, the light swords shattered.

“She’s still using that sinister tactic.”

After that, Thea resolutely entered the palace.

Upon seeing that, Youcef said, “She walked straight in. Isn’t she afraid there will be more traps and...”

“She has the Consummation Hongrome Body,” Yaretzi sighed. “It’s different from James’ Limitless Body. She isn’t vulnerable to all tribulations. She’s also shapeless and shadowless. Even the light of the Supreme Path can’t locate her, let alone a mere trap.”

Upon hearing that, Youcef looked envious. “Mom, I...”

“You can’t cultivate it.” As though Yaretzi knew what her son was thinking, she smiled and said, “The Hongrome Body and Limitless Body are one of a kind.

Without the providence to become a Holiness, one can’t cultivate them.”

Then, she comforted him, “Youcef, with your qualifications, you can only be a Sacred Spirit. You can’t force it.”

Youcef took a deep breath before nodding heavily.

As long as he had his mother by his side, the Supreme Path, fortune, and others didn't matter.

His only regret was...

He couldn't bring himself to speak.

"Mom, do you think he's still alive?"

Yaretzi trembled, then closed her eyes.

Youcef stared at the gate that was wide open. "Why can't he learn James? He should prioritize wife.

He should live and die with get wife.

"If we were almost there, I would have been willing to dismiss my status as a divine being. I don't care if I will be a mortal who can only live for 100 years."

Upon hearing Youcef's words, Yaretzi took a deep breath.

She knew that James and the Yin governor were the only married couple who acted in this manner. They were one of a kind.

Xanthakos couldn't be like James, and she couldn't be like the Yin governor.

Because of the Sever Tribulation, they were irreconcilable.

So, Yaretzi couldn't answer Youcef's question about whether Xanthakos was alive. If Xanthakos were still alive, she wouldn't have been able to revive.

It was due to their ill-fates before parting forever. So, Yougef could never have the kind of life he wanted.

At this time, in the palace, an explosion sounded. The entire palace collapsed and became ruins.

Then, Thea slowly walked out of the ruins with a baby in her arms The baby was surrounded by black-and-white gas.

Upon seeing that, Yaretzi and Youcef quickly went up to her.

"Where did you get this?" Youcef asked, astonished.

On the other hand, Yaretzi stared at the baby Thea was holding. "You actually found it."
