

The Almighty Dragon General Chapter 7452

The Almighty Dragon General Chapter 7452-Thea said calmly, "He wants to play Lights Off with me, but he doesn't know I want to do the opposite."

"I-Is this Waitara's Soremsia?" Youcef asked, widening his eyes.

"Silly child," Yaretzi said. "It's Waitara Path's soul spirit's reincarnated soul boy."

She then pointed at the baby's forehead. "Do you see that red mole? That's the Historial Soul..."

"No!" she suddenly frowned. "This Historial Soul isn't complete. It's only half. Is there another reincarnated soul boy?"

"The Waitara Path's soul spirit is deceitful. It separated the Yin and Yang," Thea said seriously. "There's still a reincarnated soul girl. She's still being conceived in a mother's body somewhere. If she is born, she will be more powerful than this baby."

When Youcef heard that, his expression grew serious. "We need to find her as soon as possible."

"Our efforts will be in vain if we don't have a trace," Yaretzi looked at Thea.

"Make this baby cry. I can use his voice to find the girl."

"That's right," Youcef said excitedly, looking at Yaretzi. "You're the Voice Master..."

"This baby won't cry," Thea said, enunciating each word. "Waitara Path's soul spirit predicted this."

Then, she waved her hand, and a Path Treasure that looked like a geomantic compass appeared in her hand. The needle was dazzling and pointed in the southwest direction.

"You have the Leere Soul-Detection Compass," exclaimed Yaretzi.

"This counts as a huge surprise!" Thea said in a low voice. "With it, we can find the reincarnated soul girl's rough location."

"With these two babies and the Leere Soul-Detection Compass, we can find Waitara's Soremsia's rough location."

Upon hearing that, Yaretzi and Youcef exchanged glances before nodding excitedly.

"If it's true, we can break the Leere Tribulation," Youcef said.

“Not only that,” Yaretzi frowned.

Leere Tribulation might not e happen. This is the best one for the Haleth Realm.”

If they could do it, she could make it up to James.

After all, she killed Waitara Path’s soul spirit out of impulse. It was a grave mistake. She didn’t know how to face James.

Now, she could rely on the Consummation Hongrome Body to avoid him, but she couldn’t avoid him forever.

Upon thinking of that, she caressed the Leere Soul-Detection Compass in her hand.

“Everything depends on you now. I hope you can give my husband a surprise.”

Then, a male voice sounded from the void behind them.

“It might not be a surprise. It might be stepping into a trap instead.”

Upon hearing that, Thea, Yaretzi, and Youcef turned their heads. They saw a beam of sacred radiation descend from the void. It turned into James and Yianni.

When Thea saw James, her expression changed Like a child who had made a mistake, she turned around diffidently. Shel.net couldn’t bring herself to face him.” It’s the Supreme Path Radiance. The new Supreme Path has appeared!”

Yaretzi stared at James before taking a few steps back. She pulled You cef content is on to knee !. The cont.

“I, Yaretzi Yolande, and my son, Youcef Maevik, greet Path Holiness!”

Youcef, who was pulled to kneel on the ground, raised his head, dumbfounded.

“James... You’re James...”

“Youcef, don’t be rude,” Yaretzi said, pressing Youcef’s head down.

The Almighty Dragon General Chapter 7453-James looked at Yaretzi and Youcef kneeling before him. He quickly stepped forward and helped them up.

“We know each other. There’s no need to be so polite.”

“Did you really comprehend the Forty-Nine Daoisms and aim for the Supreme Path before becoming the Lord of the Haleth Realm?” Youcef asked excitedly.

Then, he laughed. "Congratulations. The Haleth Realm is fortunate to have you!"

Youcef was about to give James a hug when he was stopped by Yaretzi.

"Youcef, how can you be so rude? Don't you have any respect..."

However, she didn't expect James to extend his arms first and give Youcef a hug.

Seeing that, Yaretzi was stunned.

A while later, James let go of Youcef and patted him on the shoulder.

"Your strength didn't really improve. When can you defeat me?"

Hearing that, Youcef scratched his head, a little embarrassed.

"You're already the Lord of the Haleth Realm. No matter how much I improve, I won't be your match."

"You aren't like the Youcef I know." James shook his head.

Youcef didn't refute. Instead, he pulled Yaretzi over and introduced her excitedly.

"James, this is my mother..."

Before he could finish speaking, James bowed to Yaretzi.

"Greetings, Ms. Yaretzi. I've heard of you before."

Yaretzi was stunned. Flattered, she waved her hands. "Path Holiness, this isn't right. I..."

"Aren't you tired of talking in this manner? James interrupted Yaretzi. He waved his hand and removed the sacred radiance of the Supreme Path from his body, becoming a normal divine being.

Seeing that, Yaretzi felt awkward. On the other hand, Youcef burst into laughter.

"It's more comfortable, isn't it?" Yianni asked with a smile.

"Ms. Yaretzi, you can have a chat first. I will have something to discuss with my wife." Then, James walked to Thea.

The closer James got, the more nervous Thea felt. She was diffident.

She had the urge to run away.

“Go ahead. Try to run away again,” said James.

Thea paused the action of running away, but she still had her back m facing James She didn't know what to do.

She wanted to see her husband, but she didn't dare. She didn't know how to face him ?.

It wasn't only because she killed Waitara Path's soul spirit and made the Leere Tribulation stronger. There was something more important.

The Almighty Dragon General Chapter 7454-“Not bad. I wondered why I couldn't sense you under the sacred radiance of the Supreme Path.” With his arms behind his back, James walked around Thea. “It turns out you've cultivated the Hongrome Body and reached Consummation.

“Thea, you're insane. You've gone too far. Are you planning to sell me off and gain a large sum of money that's difficult to count?”

“No,” Thea responded diffidently.

Then, she faced James' sharp gaze and hurriedly lowered her head again, like a child caught making a mistake.

“You're a mother of several children. Why are you still so naive?” James looked at Thea. “Now that Waitara Path's soul spirit is dead because of you, you and

Frona are still thinking of pushing me higher.” Thea pouted and glanced up at James, unable to say anything.

“Since you started to cultivate, who have you been afraid of?” James stared at Thea. “You're bold and reckless. You're always scheming and making arrangements for me. Why did you change after going to Frona?

“Why did you do everything she told you to do? You even risked your life to make me become the Supreme Path.”

“No!” Thea mumbled, “You refused to improve yourself and only wanted happiness, but you hold the hopes of all divine beings in the Haleth Realm!

“If you acted according to your wishes, they wouldn't curse you, but I would become the root of troubles. I would become the evil person who destroyed the hope of the Haleth Realm.”

Upon hearing that, James laughed out of anger.

“I didn't know you've been hiding such thoughts. You're...”

"I'm right." Suddenly, Thea seemed confident. "You know about the history. You should know how many women have taken the blame for their men in the past.

"When the Xharia Dynasty perished, didn't everyone blame Xanthia Murray for the disaster? When the Sana Dynasty fell, didn't everyone blame Jayla Day for bringing disaster to the people? When Western Zachya perished, didn't everyone blame Sara Boyle for not smiling? When Weblary fell, everyone blamed Xhakia for being too beautiful. Even when the Tubros Dynasty declined, everyone blamed Yhalia Yartzi for being stunning.

"Do you think it's easy for women to live in this world? Not only do we suffer from menstruation, but we also need to give birth to children. We need to help our husbands educate the children. If a woman is beautiful, every gesture she makes is treated as seduction. People might even say that she brings disaster because of her beauty."

Then, Thea got closer to James. "Now, we aren't mortals anymore. All worlds have been spreading that you're doing everything you can to seek your wife, but you don't care about being the Chosen One.

"Now that the Leere Tribulation is approaching, the Haleth Realm has many affairs. If I didn't encourage you to step forward, do you think I'd be qualified to be a wife? Am I qualified to be your wife?"

James was taken aback by that. He couldn't find a reason to rebut.

"Yes, Caeloros Supreme and I did trick you." Thea circled James. "When you were affected by your Inner Demon, we made a plan. If I could risk my life and take away net Waitara Path's soul spirit, you could put down everything and go to Wuia Temple. You could comprehend the Forty-Nine Daoisms and Become the Supreme Path of the Haleth Realm.

"Privately, this matter is a white lie I made up for you. Publicly, it's my responsibility as your wife.

"Even now, I don't regret anything I've done. Even if you want to divorce me, I won't argue with you."

Upon hearing that, James was stunned. Then, he laughed.

"If you're so righteous, why are you hiding from me?"

Thea, who had been confident, didn't know what to say.

"You're making a fool of yourself and taking it for granted." Bitterly, James smiled and said, "Do you think you can find Waitara Path's Soremsia with this geomantic compass?"

If it were that easy, Frona would have done it long ago. Why would she have you do it instead?

More importantly, do you think Waitara can't think of what you thought of?" James stared at Thea.

He might be waiting for you to bring the two soul spirit babies and this geomantic compass to find him.

Upon hearing that, Thea raised her head. She was stunned.

The Almighty Dragon General Chapter 7455-Was it a trap?

And was it specifically arranged by Waitara?

Thea thought about it. The appearance of the Leere Soul-Detection Compass was enough to cause a life-and-death battle in the Xanadu Realm, let alone the Haleth Realm.

Based on Waitara's character and greed, even if he reincarnated, he would hide such a treasure or store it in a place he believed was the safest. How could it be found so easily? It was on purpose. Upon thinking that, Thea shuddered.

Then, she stared at James. "How did you notice it?"

James gazed at Thea deeply. With his hands behind his back, he turned around.

"We have both experienced great storms and died many times. Didn't you notice that we seem to be pushed by some kind of power, as if everything had been arranged?

"From the ancient martial world to Celestial Abode, from the planes to the Dark World, and then to the Genesis Worlds and Zymurgy, as well as the Haleth Realm.

"Even though I've comprehended the Forty-Nine Daoisms and become the Lord of the Supreme Path of the Haleth Realm, I can still feel someone pushing me.

It's controlling me and everything around me."

Then, James narrowed his eyes. "It's as if it could summon and predict everything, including our feelings, disposition, temper, and thoughts."

Upon hearing that, Thea felt her hair stand on end. She looked at James.

"That's terrifying. There's no such power. Waitara can't do that. The Nine Caeloros Gods can't do that either. Unless it's your own Inner Demon."

"That's right." James nodded. "I thought it was my Inner Demon, so I abandoned my desires and hopes. I ever gave up on the Supreme Path that every divine being dreamed of."

en.swhovels.net Then, James looked at Thea. "But there's a desire that I can't give up." "What is it?" Thea asked nervously.

"You!" Enunciating each word, James said, "Only you can affect me."

When Thea faced James' sharp gaze, her eyes turned red.

In the next second, she cried and hugged James.

After hearing what James said, she felt as if she was being used as a weapon. It was hateful, annoying, and made her feel guilty.

She was also being manipulated by that terrifying power. It affected her husband: It was something that Would take her husband to who knew where.

James was upright and proud. He never cowered in front of any powerful enemies. Even in the face of fate, he dared to rebel and kill the divine beings.

Only Thea's actions seemed to have brought him to the point where he completely lost himself and made his happiness disappear little by little.

Alright!" James patted Thea on the back and comforted her, "At least we have the ability to make our own decisions now."

A while later, Thea looked up with teary eyes. "Do you already have an idea?"

James chuckled and nodded. "It's difficult to find the power, but it isn't impossible."
