The Almighty Dragon General Chapter 7501-“Who gave you permission to enter, Chaos Warriors?”

Standing behind Yadira, the commander raised his head and replied indifferently, “We only follow the orders of the Doom Martial Token.”

Wyt's eyes widened in shock. “The Chancellor has the Doom Martial Token. You...”

Before he could finish speaking, Yadira held up a glowing token. “Haha. You didn't expect this, did you, Wyt? The Chancellor has entrusted me with command over the two hundred thousand Chaos Warriors. These are our strongest fighters and will be able to hold their ground against Jacopo's Xerion Dragon Army.”

Yadira asked coldly, “Now, do you see who truly holds power in the Doods?”

Wyt clenched his fists. “You...”

Yadira cut him off. “Wyt! As our leader, you should be looking out for our interests. Instead, you constantly side with outsiders. You're unworthy of your title. Out of respect, we still acknowledge you as our leader. However, everyone knows the real leader is our chancellor, not a coward like you.”

Pointing at Wyt, she said angrily, “For the mere destruction of the New Shahrzad Dynasty, you sounded the Chaos Bell eighty-one times and made it seem like we were facing annihilation. On top of that, you killed our last senior elder.

“Do you have a special relationship with this woman?” Yadira's eyes darted to Thora, who was being supported by Thea.

“With her looks and figure, she can't even compare to Yemima.

be blind to have betrayed You must and four entire race for this woman.” Wyt's body trembled with rage. “You...”

Yadira sneered, “You want the truth? Sure. I ordered the destruction of the New Shahrzad Dynasty.”

The hall erupted with shocked murmurs. Meanwhile, Wyt pointed at her with a pale face. “You... you actually...”

Yadira's cold laughter echoed. “You want to foolshw why? This woman ne thinks I want their treasures V and that Amethyst-Gold Heart Armor.“Haha! I've been with the chancellor long enough to have whatever treasure I want. I have no interest in their trinkets.” Wyt asked furiously, “Then why did you do it?”

“Why?” Yadira’s voice turned icy. “Ask Xzavion about it.”

The name sent ripples through the hall. Even James, who had been watching quietly, showed a look of surprise.

‘Xzavion? Yes, it seemed that ever since returning to the Greater Realms, there had been no word about Xzavion’s status or whereabouts. Could there be something bigger at play here?
