

The Almighty Dragon General Chapter 7647

The Almighty Dragon General Chapter 7647-Boom! Boom! Boom!

Amid the continuous thunderous roars, James and Wynton fought fiercely within the formation for what felt like billions of rounds. Their unmatched Supernatural Power and swift movements left them evenly matched.

The formation, inlaid with the Forty-Nine Daoism Cauldrons, trembled violently but held its ground. However, the River of Time was repeatedly shattered into countless segments by the relentless shockwaves.

Within the formation, the past forms of living beings were obliterated amid terrified wails, and countless energy tadpoles recording time were swiftly devoured by the shockwaves.

“Supreme Path Command!”

A sudden roar echoed as the Waltraud Power radiated from Wynton’s entire body, emitting countless purple ‘Path’ characters that rapidly encircled James and spun swiftly.

In the next moment, each character transformed into an illusory figure, launching a fierce attack on James from all directions.

Facing this onslaught, James spun around, unleashing a dense barrage of purple-gold sword lights that shattered many of the illusory figures before shooting straight into the void.

“Trying to escape? No way!”

Wynton let out a sinister laugh and charged forward.

Amid the chase, a thunderous explosion rang out as the entire River of Time finally collapsed.

In that critical moment, James raised his hand, sending a Holy Path Source toward the entrance of the River of Time, swiftly protecting the Formation of Perception there.

The roaring shockwaves crashed against the Formation of Perception shielded by James’ path source, erupting in deafening blasts.

Within the Formation of Perception, Wyot and the few surviving Doom Race warriors were thrown about by the waves of shockwaves. Those who couldn’t withstand it exploded on impact, their souls dispersed.

However, James' protective strike caused the rushing Wynton to be violently repelled.

"Haha, daring to split your focus in a life-or-death duel with me? You're utterly foolish."

He flipped his hands to summon the immense Supreme Path. With unstoppable force, he struck at the retreating James.

Barely steadying himself, James had no time to evade. He quickly spread his hands, and the massive xel.

formation from the collapsing River of Time suddenly appeared.

The terrifying palm strike fell, engulfing both the formation and James entirely.

et After a period of silence, a deathly stillness enveloped the void, as if time and space had frozen. Standing in the void, Wynton laughed heartily again. wnove "James, what a pity! A prodigy of the Path, yet bound by emotions, leading to your demise.

"However, your formation is intriguing. I'll take it and use it against those hypocritical Caeloros Gods."

As his words fell, a powerful and majestic voice suddenly echoed from the void.

"Is that so? Then taste the true power of the formation." Upon hearing this, Wynton shuddered, his smug expression freezing.

"Y-You're still... ah!"

Before he could finish, the massive formation in the void split into two, then four, completely surrounding Wynton.

"A formation within a formation? What sorcery is this?" Wynton felt an unprecedented fear. He cried out in shock.

In the next second, each segment the formation shot out a brilliant of beam of light, crisscrossing trapping him within. "Such a trivial trick, and you dare flaunt it before me?" Wynton roared.

He used his palm as a blade and slashed down swiftly.

The Almighty Dragon General Chapter 7648

The Almighty Dragon General Chapter 7648-With a thunderous bang, the strike he unleashed was rebounded by two light bands, causing him to stagger back several steps.

He sensed extreme danger behind him just as he was about to cast another Supernatural Power. In the instant he turned around, three sharp light bands pierced through his body.

His body trembled. Another three light bands pierced him from behind before he could react, emerging from his chest and quickly connecting with the formation in front.

“You... ah!”

Wynton started to struggle, but three more light bands shot out from his left, piercing through his shoulder and rushing toward the right side of the formation.

In an instant, nine light bands imprisoned Wynton within the formation, rendering him completely immobile.

The Waltraud Power and the Spiritual Providence rapidly leaked from Wynton’s body, and his strength visibly declined.

“No, impossible!” Wynton roared in fury. “Just a formation can’t trap me!”

As he struggled violently, the numerous formations surrounding him trembled, causing the vast Dark World below to quake and collapse. Despite his full effort, Wynton could not break free from the light bands. Instead, countless more light bands emerged and fully entwined him.

“What the hell is this?” Wynton howled, “James Caden, come out! What sorcery have you used this time?”

“With the Spiritual Providence and past form I’ve gathered, you can’t defeat me even with the Forty-Nine Daoisms. You...”

Before he could finish, James appeared on the light band in front of him. With his long hair fluttering, he walked forward with a cold, stern demeanor.

“Y-You...” Wynton’s eyes widened in terror as he looked at the transformed James.

“Originally, I should kill you and make you vanish forever,” James said coldly. “However, she has something to tell you.”

James waved his hand, and the beautiful figure of Zella appeared within the formation.

At the sight of Zella, Wynton’s face darkened. “You?”

Zella remained silent, slowly approaching him on the light band.

“Stay away!” Wynton roared. “You’ve already chosen him, so why do you care if I live or die?”

Zella continued her silent approach until she stood before him.

“Get away!” Wynton shouted angrily. “Don’t think I won’t devour you.”

Looking at his ferocity, Zella sighed softly, “You would have done it by now if you wanted to devour me.”

“You...” Wynton said.

“Whether you are the past form of Waitara reincarnated Soremsia or something else,” Zella said, looking into Wynton’s eyes, “in my heart, you are always my brother, my only family in this world.”

These words struck Wynton deeply, making him tremble and avert his gaze from Zella.

“He made you his past form, but are you really Zella choked up. “Have you forgotten? You are Wynton Yanes, the Clan Leader of the Yaneiri Clan. The past form of Waitara is just something he forced upon you.” “You’re talking nonsense, get lost!” Wynton snarled. “Though we share some history, I am still...”

“Where is the Yaneiri Clan?” Zella interrupted him. “You’ve gathered the past forms of all living beings from the myriad realms, yet the Yaneiri Clan is absent. Are you Wynton or Waitara? Don’t you know?” At these words, the previously furious Wynton fell silent.

The Almighty Dragon General Chapter 7649

The Almighty Dragon General Chapter 7649-At this moment, tears streamed down Zella’s face as she felt heartbroken. She had originally thought her brother was simply Waitara’s past form. However, she uncovered a significant secret after examining James’ space and Cultivation Heart.

In the past forms collected by James, Thea, and Quattro from the River of Time, there were beings from all races of the myriad realms—even the lowest ones—but the Yaneiri Clan was conspicuously absent. This realization struck Zella suddenly, prompting her to seek confirmation from James. Seeing Wynton’s reaction seemed to confirm their speculation.

At this moment, Frona’s voice echoed in James’ mind.

“Can she really persuade him?”

“I don’t know, but it’s a glimmer of hope,” James replied through voice transmission.

“Zella is the most perceptive and wise among living beings, second only to Xezal,” Frona sighed. “But Wynton is wiser than Xezal, playing on emotions...”

“No matter what, we have to try,” James interrupted. “Wynton is the only clue to the Leere Tribulation, and the key to finding Waitara’s current and future forms.”

Frona fell silent. Having acknowledged James as her master, she had no reason to doubt him.

At this moment, Zella slowly knelt in front of Wynton.

“Brother, you’ve already failed, no matter how you look at it. Do you still want to persist?”

“Does your strength truly match your ambition? Even as Waitara’s past form, you’ve hit a dead end.

“You can disregard everything and die to maintain your dignity, but I am your sister. I don’t want to lose you, my only family. The Yaneiri Clan doesn’t want to lose their Clan Leader.”

Her words pierced Wynton’s heart like steel knives, causing him to tremble violently, but he remained stubbornly silent.

“First life, first wisdom,” Zella took a deep breath. “In the myriad realms, how could there be first wisdom without the first life? You are wiser than Lady Wikolia. “If you want to die, fine. I will die with you immediately.”

Her last sentence was almost a roar. Wynton was startled and then struggled frantically towards Zella.

“No, you can’t. I am James’ enemy, but you are not. You have always helped him. He owes you too much. If he lets you die, he would be the most ungrateful person in the Haleth Realm.” Seeing Wynton’s anger and agitation, Zella slowly closed her eyes. In her brother’s heart, she still mattered to him. Even as Waitara’s past form, with most of his vel consciousness occupied, the remaining part still protected her and the Yaneiri Clan. After a long while, Wynton seemed to make a certain decision. He suddenly showed a pained expression, his body twisting rapidly.

Seeing this, Zella panicked. “Brother, what’s wrong?”

With a scream, Wynton struggled madly, like a trapped beast in its last desperate fight. As the Waltraud Power burst from his body, Zella was flung away.

James immediately stepped forward and caught Zella, observing the nine light bands restraining Wynton suddenly emit a dazzling glow.

In that instant, countless streams of Waltraud Power and Spiritual Providence were channeled into the surrounding rotating formation through the nine light bands.

Seeing this, Zella hurriedly grabbed James' arm. "James, what's happening? Will my brother die?"

"No," James shook his head solemnly. "This is his consciousness battling with Waitara's, causing the rampant leakage of Waltraud Power and Spiritual Providence."

The Almighty Dragon General Chapter 7650

The Almighty Dragon General Chapter 7650-"Your brother is wavering. Waitara's treachery is on the brink of collapse."

As the words left his lips, Wynton's howls on the other end of the light band grew louder, morphing into inhuman screams.

Zella clung to James' arm, her heart lodged in her throat.

Wynton's entire body became enveloped by the rampant leak of Waltraud Power and Spiritual Providence, rendering his face unrecognizable. "James, please help him. I beg you. My brother isn't inherently bad. He's just overly ambitious and competitive, so..."

James shook his head, looking helpless. Wynton had to save himself. All James could do was spare his life temporarily after defeating him.

After a long while, the rampant Waltraud Power and Spiritual Providence around Wynton subsided, revealing his body and face once more. He looked entirely different- his face pale, blood trickling from the corner of his mouth, and his once red hair now white. Though still bound by the nine light bands, he suddenly seemed to have aged countless years.

Slowly raising his head, Wynton panted heavily and called out, "James, I want to talk to you in private."

James glanced at Zella before releasing him.

As Zella followed James, taking just a few steps, Wynton shouted again. "Zella, go back to the formation, or I will immediately choose to self- destruct."

Zella's face turned pale with fright. "Brother..."

"Go back." James looked back at Zella. "Fennec and Hemera will accompany you. Don't wander around in the formation."

Zella opened her mouth to speak but ultimately chose to retreat to the formation.

Only then did James slowly approach Wynton.

"You've won. Feeling proud?" Wynton stared intently at James.

James shrugged. "Perhaps the real winner is you."

Wynton chuckled coldly. "It seems you understand everything."

"State your terms," James said, sitting down slowly on the light band.

Wynton took a deep breath and asked coldly, "Are you certain I will agree?"

"We know each other well," James said with great emotion. "In the myriad realms, you were theThis

only one who defeated me when we were in the same realm. "If I were in your position now, I would make the most sensible choice too."

Wynton was stunned for a moment, then laughed heartily.

"You despicable pretty boy, always so infuriating with that deceitful face."

James smiled faintly without rebutting.

Wynton "You've used my sister but never been willing to give her a rightful place. "Wynton glared at James fiercely. "Do you think I will let you get what you want?" James shrugged again, looking innocent. "If you want to punish me, you still need to state your terms."

"Fine, I have just one condition."

Wynton linted his eyes. "Marry quinted his eyes. "Marret properly, give her a place, or you get nothing. g." Hearing this, James' expression changed immediately.
