

Ancient 1271

Chapter 1271 Inner Temple Area

Following the memory of the previous route, Ye Feng returned alone along the original route, and soon left the underground tomb of the Savage God Emperor and returned to the surface again.

Uh-huh!

At this time, Ye Feng walked out of the ruins of the Wild God Dynasty. He saw that the entrance to the surrounding ruins was already crowded with people. Many powerful men from big forces came here, wanting to get a share of the pie.

But Ye Feng was laughing secretly in his heart at this time. The most precious thing in the ancient ruins of this wild god dynasty had been obtained by him a long time ago.

Even if these people enter, they can only get a small profit.

Ye Feng didn't have any nostalgia. He took one more look at the ruins of the Wild God Dynasty behind him, then turned around and left.

He has wasted a lot of time here, and it is time to go to the Tianhun Palace to rescue Uncle Lin, the God of Fire.

Half a day later, Ye Feng returned to the Valley of Evil where he was rescued before.

However, under his soul scan, he could not find the original two sisters.

"It seems they have left and will not come back..." .??.

Ye Feng was standing at the gate of the Valley of the Evil at this time, holding several boxes of elixirs in his hands. They were all pseudo-god-level high-level elixirs obtained from the underground tombs of the Savage God Dynasty.

He originally planned to use it to thank the two sisters from the hunter group who saved him, but unfortunately, they had left the Valley of the Evil and never seemed to come back.

Ye Feng no longer hesitated, turned around and flew away in a certain direction in the distance.

...

Three days later.

Ye Feng held a map in his hand and looked at the rolling green mountains in front of him with doubts in his eyes.

"The location of the Heavenly Soul Palace indicated on the map is right here? Why is it a land of green mountains and green waters..."

Ye Feng murmured to himself, feeling a little helpless.

Could it be that Tianhun Palace has moved?

Ye Feng had this suspicion in his mind and was ready to go deep into the mountains to explore further.

"Who are you?"

"Why are you here? What are you doing sneakily?"

Suddenly at this moment, a man and a woman suddenly appeared from the surrounding dense forest.

This man and woman are both very young. They do not have the aura of martial arts cultivation, but exude a kind of tyrannical soul power fluctuation.

"Are these two disciples of Tianhun Palace?"

Ye Feng's eyes flashed.

He immediately smiled and said: "I am here to find the legendary location of the Heavenly Soul Palace."

When the man and woman heard what Ye Feng said, they immediately looked at Ye Feng carefully.

Then the young woman among the two spoke up: "We are the outer disciples of the Heavenly Soul Palace. Are you here to worship us in the Heavenly Soul Palace?"

Ye Feng immediately smiled and said: "Yes, I have heard the name of Tianhun Palace for a long time, and I am determined to become a powerful and advanced soul master, so this time I went through all kinds of hardships from the land of Nineteen States to this wild wilderness. The area is just for worshipping in the Heavenly Soul Palace."

The man among the two glanced sideways at Ye Feng and said: "But our Tianhun Palace has now announced that it will be closed and will not recruit additional disciples. I am afraid that this time I will disappoint my little brother, so please come back."

"etc."

Ye Feng suddenly spoke up and said with a smile: "I know a disciple in your Tianhun Palace called Duanmu Cangqiong. Can you take me to see him? He is my friend."

"Senior Brother Duanmu?"

The young female disciple among the two people immediately couldn't help but said in shock: "Senior Brother Duanmu is a distinguished disciple of the inner palace. You, an unknown person, actually know him? How do I know if you are lying?"

"Junior sister, please don't be rude."

At this time, the male disciple spoke up, looked at Ye Feng with a serious look, and said: "Since this little brother can correctly name Senior Brother Duanmu's full name, he must know Senior Brother Duanmu. Let's not be presumptuous."

At this point, the female disciple seemed to have done something wrong and immediately said to Ye Feng: "I'm sorry."

Seeing the change in the attitudes of the two, Ye Feng secretly smiled inwardly.

It seems that Duanmu Cangqiong is quite famous in Tianhun Palace.

It seems that it was very useful to control Duanmu Cangqiong, a disciple of the Heavenly Soul Hall, in the demon world selected by the Eighteen States at that time.

...

Soon, under the leadership of the two men, Ye Feng followed them through the rolling mountains. After walking through a very desolate canyon, the entire field of vision suddenly became clear.

Ye Feng immediately saw magnificent buildings, palaces, pavilions, fairy palaces, etc., all standing in the mountains.

Even thousands of feet high in the sky, there are still several halls emitting divine light suspended, just like the heavens in ancient times.

This shows how profound the foundation of Tianhun Palace, the only soul master force in the spiritual world, is.

Nowadays, Ye Feng's cultivation strength makes him think that there are not many opponents in the entire spiritual world.

But when he came to the Heavenly Soul Palace, Ye Feng felt a vague feeling.

crisis.

Although it has not reached the level of death crisis, there are indeed several terrifying qi in the depths of Tianhun Palace, which makes Ye Feng feel very afraid now.

"I'm really smart. I didn't get so arrogant that I just broke into the Heavenly Soul Palace because of my overwhelming strength. Instead, I sneaked into it in a low-key manner. As the most mysterious soul master force in the spiritual world, the Heavenly Soul Palace is said to be the same as the second largest soul master in the world. There is a connection between certain transcendent forces in the perfect world of the universe, which is really extraordinary."

At this time, Ye Feng secretly sensed a few breaths deep in the Soul Palace that day, and was secretly surprised in his heart.

Although Ye Feng is powerful in martial arts, he is not very powerful among soul masters.

"This time when I come to the Heavenly Soul Palace, in addition to rescuing Uncle Lin, I might also be able to find an opportunity to see if I can get some benefits from the Heavenly Soul Palace and increase my soul power level as much as possible."

Ye Feng was murmuring secretly in his heart at this time.

His current soul power level is seven hundred levels, and at this time, the soul power of the most powerful beings deep in the Tianhun Palace that Ye Feng sensed may have exceeded one thousand levels.

A powerful soul master with a thousand-level soul power is enough to fight against a martial arts expert at a high level of the God Realm without falling behind.

Ye Feng estimated that if he simply used his current level 700 soul power and the power of a soul master to fight against a warrior, he would probably be able to compete with a warrior at the tenth level of the Virtual God Realm.

Therefore, although Ye Feng's soul power level is not very weak among the super powers in the spiritual world such as Tianhun Palace, which specializes in soul power, it is not outstanding either.

At this time, Ye Feng followed the two outer disciples of Tianhun Palace and shuttled among the groups of magnificent buildings in Tianhun Palace.

Finally, they came to the inner hall area of Tianhun Palace. The palaces, pavilions, soul towers, etc. here were much taller and more majestic than the outer hall area.

At this time, the two outer hall disciples said: "Senior Brother Duanmu lives in the inner hall area. Little brother, if you walk about one thousand meters in the southeast direction, you should be able to see a hall called 'Cang Qiong Hall' Yu, that's where Senior Brother Duanmu Cangqiong lives, you can find him directly."

Ye Feng looked at the two of them, clasped his fists slightly and said, "Thank you both for your advice. By the way, don't you guys go together?"

The two men immediately shook their heads and said loudly: "This is the inner hall area. We outer hall disciples are not allowed to enter. Otherwise, if we are discovered, we will be severely punished."

After saying that, the two people left quickly. Obviously they did not dare to stay in the inner temple area for too long for fear of being punished by the law enforcement team.

Ye Feng did not hesitate at this time and walked into the inner hall area, following the directions of the two men.

The direction he took was towards the Cangqiong Hall of Duanmu Cangqiong.

"stop!"

But before Ye Feng could walk a few hundred meters, a group of Tianhun Palace disciples wearing golden armor suddenly came from not far away.

The leader was a young man with an arrogant face. He was wearing heavy gold armor and holding a big golden gun. He looked mighty and very proud.

He stared at Ye Feng and said coldly: "Who are you? You are not a disciple of the inner palace, are you? There seems to be no one like you in the outer palace. Are you a little thief who has sneaked into my Tianhun Palace?"

Ye Feng looked at this person and said: "My name is Ye Emperor, and I am a friend of Duanmu Cangqiong, a disciple of your Tianhun Palace. I am here to see him."

"Duanmu Cangqiong?"

The leader of the young man with gold armor revealed a hint of sarcasm in his eyes, and said: "Duanmu Cangqiong is just the most ordinary disciple in the inner palace. He is not qualified to let an outsider enter the core area of my Heavenly Soul Palace. Boy, I am Lin Xiao, captain of the law enforcement team, I am ordering you to get out of the Heavenly Soul Palace. Do you want to climb the dragon and become a phoenix? There is no place for you here. "

Ye Feng stared at this Lin Xiao, and his eyes turned cold for a moment.

In the eyes of Ye Feng today, this captain of the law enforcement team is weak and pitiful.

"Big brother? Why are you here?"

But just when Ye Feng wanted to say something, a girl's voice filled with deep surprise suddenly sounded not far away.

When Ye Feng heard this familiar voice, he couldn't help but look to the left. He immediately saw a beautiful girl with long purple hair, waving vigorously to him not far away, and the small silhouette was walking quickly towards this side. Come.

"Xiaoyu?"

Ye Feng's eyes were filled with joy. Unexpectedly, the girl from the Witch Clan whom he had rescued in the Divine Capital of Tongtian Dynasty had now entered the inner hall of the Heavenly Soul Palace.

Xiaoyu and her grandfather, the old beggar, were bullied by the son of Shenjianhou in the capital, and were rescued by Ye Feng.

Later, Ye Feng also helped Xiaoyu, a girl from the Witch Clan, to unlock the seal in her body, allowing her Witch Clan bloodline to be stimulated.

Because the witch clan is a natural soul master, Ye Feng suggested that the old beggar take Xiaoyu to worship in the Heavenly Soul Palace.

Unexpectedly, this young girl from the Witch Clan has entered the inner hall of the Heavenly Soul Palace in a short period of time.

Moreover, it seems that his identity is quite extraordinary.

Because Ye Feng saw it, when Xiaoyu appeared and greeted him happily, Lin Xiao, the captain of the law enforcement team who had just looked down on him, suddenly turned ugly.

Chapter 1272 Impossible Mission

Uh-huh!

Xiaoyu, a girl from the Witch Clan, with her small and graceful figure, suddenly jumped for joy and trotted up to Ye Feng.

She stretched out a pair of small white hands and took Ye Feng's palm. Her eyes were full of unstoppable joy, and her voice was soft and pleasant: "Big brother, it's really you! Great, Xiaoyu finally sees Big Brother again." Brother!"

At this time, Ye Feng stared at the purple-haired girl in front of him, sensing the fluctuations in soul power on her body, and couldn't help but look a little surprised, and said: "Xiaoyu, your soul power level has been raised to five hundred?" ??

In just a few short months, this girl from the Witch Clan has transformed from a helpless mortal into a powerful soul master with five hundred levels of soul power?

This is simply incredible.

Ye Feng himself felt a little weird.

You should know that although Ye Feng did not concentrate on cultivating soul power, he had accumulated it for so many years before he could reach the level of 700 soul power.

Therefore, even Ye Feng was deeply surprised by the Witch Clan girl in front of him.

The bloodline of the Witch Clan is really terrifying.

Xiaoyu seemed to notice Ye Feng's surprise, and couldn't help but put her pretty face close to Ye Feng's ear, looking very intimate.

The girl from the Witch Clan didn't care and just whispered: "Secretly tell me, big brother, that Xiaoyu has been spotted by a supreme elder in the Heavenly Soul Palace and has been accepted as a closed disciple. The master will help me capture a soul beast from a small world. I bought a lot of powerful soul beasts and then asked me to smelt the pure soul sources of those soul beasts. That's why I broke through so quickly. Big brother, when you are free, I will take you secretly to the small world of soul beasts to find all kinds of soul beasts. Rare and exotic beasts and the souls of devouring soul beasts can also help you, big brother, to increase your soul power. This time, big brother comes to the Heavenly Soul Palace and must stay for a while so that Xiaoyu can treat him well. "

Xiaoyu was talking at this time, her big watery eyes full of intimacy.

Because it was Ye Feng in front of him who rescued the Witch Clan girl and her grandfather from the hands of the bad guys at the most desperate moment, and also helped her unlock the ancient rune seal in her body.

Therefore, for Ye Feng, the eldest brother, Xiaoyu almost treats him as his own brother. Every word and deed is very close, very trusting, and full of gratitude.

At this time, Lin Xiao, the captain of the law enforcement team not far away, looked a little ugly. He stared at Ye Feng who made Xiaoyu so intimate, knowing that he had offended the wrong person.

Because he knew that Xiaoyu was now accepted as a direct disciple by the most powerful 'Lord Holy Soul' among the Supreme Elders, and his status in the Heavenly Soul Palace was extremely noble.

Even if Lin Xiao is the captain of the law enforcement team, he can't afford to offend Xiaoyu, a direct disciple of Lord Holy Soul.

"I was reckless and blind.

"

At this time, Lin Xiao hugged Ye Feng and said in a deep voice.

Obviously, he gave in.

Ye Feng didn't bother to pay attention to such an insignificant person. He just nodded slightly and then pulled Xiaoyu towards the direction where Duanmu Cangqiong lived.

On the spot, looking at the two people's retreating figures, Lin Xiao let out a sigh of relief.

Fortunately, this young man didn't argue with him, otherwise Lin Xiao, the captain of the law enforcement team, might be replaced immediately.

Because Xiaoyu, the personal disciple of Lord Holy Soul, has this right.

In the Heavenly Soul Palace, the Supreme Elder's personal disciple is the most noble existence second only to the goddess. He is the future seed disciple of the Heavenly Soul Palace, the hope of the future, and a mainstay existence.

...

When Ye Feng brought Xiaoyu to Cangqiong Palace.

Duanmu Cangqiong was immediately startled.

"Brother Ye! You actually came to our Heavenly Soul Palace?"

Duanmu Cangqiong had previously thought that Ye Feng was just joking and bragging when he said he wanted to rescue the legendary Vulcan.

But he never thought that this day would actually come.

Moreover, Ye Feng seems to be very familiar with the direct disciple of Lord Holy Soul, who has recently become famous in their Tianhun Palace.

At this time, Duanmu Cangqiong immediately saluted Xiaoyu and said, "See Senior Sister Xiaoyu."

Although the Witch Clan girl had just joined the Heavenly Soul Palace a few months ago, as the direct disciple of Lord Holy Soul, the most powerful Supreme Elder, with her status, even an old disciple like Duanmu Cangqiong had to be there. In front of Xiaoyu, he behaved respectfully.

"No need to be polite."

Xiaoyu said with a smile: "Senior Brother Duanmu is an old disciple, so you can just call me junior sister. What's more, Senior Brother Duanmu is still my elder brother's friend, so I can't be seen outside."

Duanmu Cangqiong immediately said with a solemn expression: "No! I have to call you Senior Sister Xiaoyu, because you are now Lord Holy Soul's direct disciple. If I disrespect you and the news gets out, I won't be able to survive in the inner hall area. , there will definitely be many people who will teach me a lesson."

Ye Feng spoke up at this time and said: "The purpose of my coming to Tianhun Palace this time is very simple. First, I want you two to have a chance to help me improve my soul power. Second, I need you to respond to my rescue. Vulcan."

"Rescue Vulcan?"

Xiaoyu's pretty little face suddenly showed a trace of doubt. She couldn't help but tilted her head and asked: "Brother, who is the senior Vulcan? He must be very powerful if he can call himself a 'god'.", still need big brother's rescue?"

Ye Feng looked at Xiaoyu, touched the little head of the Witch Clan girl, and said: "The God of Fire is my uncle, and now he only has the soul of the God of Fire left, and he was captured by the master of your Heavenly Soul Palace. In the Tianhun Palace, we still don't know whether we are dead or alive."

"oh oh."

Xiaoyu immediately nodded his head and said: "Then we must rescue him."

But at this time, Duanmu Cangqiong, who was standing beside him, suddenly felt a huge shock in his heart.

What Ye Feng said just now, "The God of Fire is my uncle," was unintentional on the part of the speaker and intentional on the listener.

Duanmu Cangqiong's heart was shocked to the extreme. He knew that the Lord of Fire, the God of Fire, was a powerful man three thousand years ago. He was brothers with the legendary great figure of the generation, the God Emperor of Creation, and was also the strongest man in the spiritual world today. Gu Tongtian fought for three hundred years, until his body was destroyed and his soul was broken, leaving only the soul of the God of Fire.

This is a ruthless man who knows everything about heaven and earth!

He is an eternally powerful man!

But now Ye Feng actually said that Vulcan was his uncle?

This made Duanmu Cangqiong, a disciple of the inner hall of Tianhun Hall, suddenly shocked in his heart for a long time and unable to dissipate.

Ye Feng suddenly looked at Duanmu Cangqiong and couldn't help but said in surprise: "Your face seems to be stiff, what's wrong?"

"No...nothing."

Duanmu Cangqiong quickly shook his head, and then said: "No matter what, I still have a poison-eating insect in my stomach. I will definitely not disobey your order, and I will try my best to help you. But Brother Ye, you have to know that no matter you are Failure or success, you cannot betray me, the person who helps you in Tianhun Palace."

Ye Feng laughed, patted Duanmu Cangqiong on the shoulder and said, "Don't worry, I never cheat anyone."

Xiaoyu stared at Ye Feng with her big eyes at this time and said: "Brother, I am now the direct disciple of Lord Holy Soul. I will go to the prison of Tianhun Palace to help you explore the situation and see your uncle. Then A senior Vulcan is in a prison in the Heavenly Soul Palace."

Ye Feng touched the little head of the Witch Clan girl and said with a pleased smile: "Thank you so much, Xiaoyu. I'll be staying at Brother Duanmu's house these days. If you have anything, please tell me anytime."

"good."

Xiaoyu nodded her head vigorously.

It seems that he can help Ye Feng, the big brother, which makes the girl from the Wu tribe very happy.

Heart.

The graceful little figure left the Cangqiong Palace and disappeared outside in a blink of an eye. Apparently she couldn't wait to help Ye Feng investigate the situation.

At this time, Duanmu Cangqiong stared at Ye Feng, his eyes were a little strange, and said: "Brother Ye, if you can make Senior Sister Xiaoyu listen to you like this, Brother Ye, did you... also give her a poison-eating insect?"

The corner of Ye Feng's mouth twitched slightly, he glanced at Duanmu Cangqiong and said, "Do I look like such a cruel person?"

Duanmu Cangqiong stared at Ye Feng carefully for a while, then nodded seriously and said: "Like."

Ye Feng: "..."

...

time flies.

In an instant the sky became dark.

The entire Tianhun Palace has been shrouded in darkness.

At this time, a small and graceful figure flashed outside the Cangqiong Palace.

It is Xiaoyu, a girl from the witch tribe!

"Squeak!"

She opened the door and walked into the Cangqiong Palace.

In the main hall, Ye Feng and Duanmu Cangqiong were drinking tea and chatting.

"Is there a situation?"

Seeing Xiaoyu's happy face, Ye Feng asked immediately.

"have."

Xiaoyu nodded immediately, walked to Ye Feng, and whispered: "Brother, your uncle, Senior Vulcan, is not dead. The soul of Vulcan is imprisoned in the deepest part of the prison of our Heavenly Soul Palace. , but even I can't enter the deepest area of the prison, I can only watch from a distance in the outer area of the prison."

Duanmu Cangqiong sighed, looked at Ye Feng and said: "Brother Ye, that's why I told you during the selection process in the Eighteen States that it is simply an impossible task for you to rescue a taboo figure like the Fire God. "

Ye Feng spoke firmly and said coldly: "Nothing is impossible with me."

At this time, Ye Feng stared at the two people in front of him and said: "You are all disciples of Tianhun Palace. Do you know how to enter the deepest part of the prison?"

Duanmu Cangqiong said: "It's definitely not possible to break in. There are many supreme elders sitting there, and the hall master's spiritual thoughts must have been staring there. Except for the hall master, we are the only ones who can enter the deepest part of the prison. Only the goddess Gu Yunxi of the temple is qualified to enter that deep area."

"goddess?"

Ye Feng's eyes moved, and then a smile appeared at the corner of his mouth, and he said: "The master of Tianhun Palace is the most powerful soul in the thousand-level soul power level. I dare not mess with him for the time being, but we can learn from what you said, brother Duanmu." You, the goddess of Heavenly Soul Palace, take action."

Chapter 1273 Goddess Gu Yunxi

"Start with the goddess Gu Yunxi?"

When Duanmu Cangqiong heard what Ye Feng said, he immediately showed a look of horror in his eyes and said, "Our goddess of Tianhun Temple is the most outstanding and peerless genius in the entire spiritual world. Her fighting power is terrifying and boundless. It will be very difficult for us to deal with the goddess."

Ye Feng stared at Duanmu Cangqiong in front of him, with an inexplicable smile on his face, and said, "Do you know that I am completely different from when I was selected in the Eighteen States?"

Duanmu Cangqiong's eyes condensed, stared at Ye Feng, and said, "Oh? What do you mean?"

Since Ye Feng came to Tianhun Temple, Duanmu Cangqiong has not paid much attention to Ye Feng's cultivation.

At this time, Duanmu Cangqiong observed himself, and suddenly his eyes were a little horrified, because he found that he could not see through the true cultivation breath of Ye Feng in front of him.

"Buzz!"

Suddenly at this moment, Ye Feng suddenly grinned and said, "Brother Duanmu, to tell you the truth, in the current spiritual world, let alone the younger generation, even if you count the older generation of strong men, there are not many people who are qualified to fight with me." ??

Almost at the moment when Ye Feng's voice fell, a violent and extremely powerful aura suddenly surged out of his body.

That kind of cultivation aura, like a vast ocean, burst out from Ye Feng's body, giving people a terrifying feeling.

"Hiss!"

"What is this?"

Duanmu Cangqiong's eyes were suddenly horrified to the extreme.

At this moment, he stood in front of Ye Feng, and felt that he was like a small boat in the ocean, which could capsize at any time in the violent momentum.

"This is... the cultivation aura of the realm of God!"

"Brother Ye... Brother Ye! You have achieved the level of the strongest!"

Duanmu Cangqiong suddenly widened his eyes, staring at Ye Feng who was grinning at him in front of him, his eyes full of deep disbelief.

Duanmu Cangqiong had participated in the selection of the Eighteen States with Ye Feng before, and had also entered the Holy Mountain of Gods and Demons in the Black Sky Demon Realm with Ye Feng.

He deeply understood how powerful Ye Feng's combat power was, and that he could fight against strong men with several times his cultivation.

At this time, as Ye Feng stepped into the realm of God, Duanmu Cangqiong suddenly felt a deep fear in his heart.

At that time, when Ye Feng was in the selection of the Eighteen States, his cultivation was only at the realm of immortals, but he had such a terrifying combat power.

And now, Ye Feng has stepped into the realm of God, so how terrifying should his combat power be?

It is simply unimaginable!

After being shocked for a while, Duanmu Cangqiong looked at Ye Feng and said seriously: "Brother Ye, I think you can go and fight with our Heavenly Soul Hall Master directly."

Ye Feng laughed and said: "If your Heavenly Soul Hall Master is a martial arts master, maybe I really want to fight him directly and snatch my uncle, the God of Fire, away directly, but the soul master is mysterious after all. Your Heavenly Soul Hall Master is a powerful soul master with soul power exceeding one thousand levels, and he may have various mysterious soul master methods. Although I am not afraid of him, I am not sure that I can defeat him 100%, so I hid in the Heavenly Soul Hall."

At this time, the witch girl Xiaoyu was full of excitement on her face, staring at Ye Feng with her beautiful big eyes, and couldn't help but said in surprise: "It turns out that my big brother has achieved the realm of martial arts, it's really It's too powerful!" Duanmu Cangqiong said at this time: "Brother Ye, since you have already entered the realm of God, no matter how powerful our Tianhun Temple goddess is, she is only powerful among the younger generation. Brother Ye, you have already beaten many of the older generation of the strongest, so dealing with a young goddess is no problem. " At this time, Ye Feng nodded and said: "Brother Duanmu, you find a chance to lead your Tianhun Temple goddess out of the Tianhun Temple, and I will deal with her. Directly attacking in the Tianhun Temple will definitely attract the attention of your Tianhun Temple Master. " Duanmu Cangqiong nodded and said: "Okay, I will definitely cooperate with you with all my strength, the goddess, hum, that arrogant and self-important woman, I just want to see her miserable appearance when she falls into the mortal world and is down and out. " Duanmu Cangqiong said at this time, Ye Feng looked at him in surprise. It seems that Duanmu Cangqiong seems to have some grudges with the goddess. At this time, Duanmu Cangqiong walked out of the hall, obviously preparing to lure out the goddess Gu Yunxi.

Xiaoyu walked to Ye Feng's side and whispered: "Brother, you really found the right person to find Duanmu Cangqiong to lure out the goddess. Although I have not been in Tianhun Hall for a long time, I heard that it is said that the high-ranking saint Gu Yunxi was once Duanmu Cangqiong's fiancée, but in the end, Gu Yunxi was chosen to become the goddess of Tianhun Hall. After becoming high-ranking, she no longer looked down on Duanmu Cangqiong. As a result, in the eyes of countless people in the Duanmu family, under the attention of all the people, she directly threw some cultivation resources to Duanmu Cangqiong, asking Duanmu Cangqiong to give up the engagement, because Duanmu Cangqiong was not worthy of her, which was a great insult to a man."

Ye Feng looked surprised and said, "Is there such a thing? No wonder Brother Duanmu's eyes were full of hatred when he mentioned the goddess just now."

Xiaoyu nodded and continued: "So this time Duanmu Cangqiong saw that you have such a strong strength guarantee, big brother, he immediately wanted to fully cooperate with you, and also to vent his bad breath. In fact, I also think that the saint Gu Yunxi has been unhappy for a long time. After I became Lord Holy Soul's personal disciple, Gu Yunxi always felt that I might threaten her status as a goddess, so she always targeted me. This woman is very snobbish and vicious. She's a bad woman."

Ye Feng laughed

, touched the little head of the Witch Clan girl, and said: "When I take care of Gu Yunxi, the position of the goddess of Tianhun Palace will be yours, Xiaoyu."

Xiaoyu's eyes immediately became bright and she couldn't help but said happily: "Thank you, big brother!"

...

At noon the next day.

At this time, the sun was shining brightly and the sky and earth were scorching hot.

But at this time, in the back mountain of Tianhun Palace, Duanmu Cangqiong was standing under a large waterfall against the scorching sun. His face was a bit complicated, including excitement, nervousness, and expectation, as if he was waiting for someone.

"Uh-huh!"

Suddenly, at this moment, a stunningly beautiful woman, dressed in a long cyan dress, with a perfectly graceful figure, and a faint aura of nobility, landed in the back mountain area.

Looking at Duanmu Cangqiong standing next to the waterfall, the beautiful woman in green had no waves in her eyes, and she just said indifferently: "Duanmu Cangqiong, you asked me out because you have already decided to give me the divorce letter, right? ? That's great, if you give it to me now, I will give you a generous amount of cultivation resources. From now on, our two families will not owe each other, and you should not rely on me for the friendship of the older generation. "

This beautiful woman in green is none other than Gu Yunxi, the goddess of Tianhun Palace!

"It's up to you?"

Duanmu Cangqiong suddenly smiled, with a hint of hatred in his eyes, and said: "Gu Yunxi, you think I'm relying on you by not giving you a divorce letter? You are totally wrong! I won't give you a divorce letter. , because you despised me as unworthy of you under the spotlight, and even forced me to write a letter of divorce on the spot and sever ties with you in front of our parents, which caused me and the family behind me to suffer deeply. What a shame! If you really wanted to break off the relationship with me, couldn't you have come to me secretly? I would have just settled it in private! I just wanted to embarrass myself and the whole family behind me, right? So I never wrote a letter of divorce to you, not to rely on you, but because one day I would be qualified to let you crawl in front of me. Then I divorce you again! What is the shame of letting you experience this?"

When Gu Yunxi heard Duanmu Cangqiong's excited words, she couldn't help but smile contemptuously and said: "Duanmu Cangqiong, you are a pathetic creature. You are so weak, and you are qualified to say such things in front of me? Do you want me to crawl on you? In front of me? I think you won't have this chance even if you practice for another hundred years."

At this time, Gu Yunxi stared at Duanmu Cangqiong, his eyes gradually became cold, and said: "It seems that this time you asked me out, you did not sincerely want to give me a letter of divorce, but just to entertain me? Okay, then I am too lazy to do it again What are you worried about? It happens to be in the back mountain area, and no strong person can detect it. I will kill you now and let you, a wretch, disappear from this world forever, so as not to upset me or even look at you. What kind of role do you think you are, trying to become a dragon and a phoenix through me? This is not possible. "

Speaking, Gu Yun

An extremely powerful soul force suddenly surged out of Xi's body.

That's the 800th level of soul power!

Almost comparable to a martial arts expert in the demigod realm!

Gu Yunxi, as a saint of the Heavenly Soul Palace, has such strength among the younger generation. She is indeed very talented and stunning. She is not weaker than other regions in the spiritual world, or even weaker than the young geniuses in the land of the nineteen states. .

"Hahaha!"

But suddenly at this moment, Duanmu Cangqiong burst out laughing: "Gu Yunxi, I admit that even if I practice for another hundred years, I can't let you crawl in front of me, nor can I wash away the troubles you have brought to me. It's a shame, but I have a friend who is very interested in you, so if you are dead, it will be a good experience for me to take advantage of my friend and watch you destroy with my own eyes. "

"What do you mean? Your friend?"

Gu Yunxi's beautiful eyes flashed, and she was about to say something.

"boom!"

Suddenly, high in the sky, the entire sky became dark.

Buzz!

It turned out to be a huge hand that could cover the sky and the sun. It struck down at once, as if it was going to shatter the entire earth.

"boom!!"

Even though Gu Yunxi is the goddess of Tianhun Palace, she is the top young talent in the spiritual world.

At this moment, there was no resistance, and he was directly blasted deep into the ground by the big hand that covered the sky. The ground instantly shattered, and a bottomless large handprint was opened. The scene was horrifying and shocking.

"Suppressed with one move?"

Duanmu Cangqiong, who was not far away, was shocked when he saw this scene.

Uh-huh!

At this time, a young man in white clothes descended from the sky.

It was Ye Feng.

At this time, he looked at Duanmu Cangqiong, whose eyes were dull not far away, and smiled and said: "Look, it's very simple."

Uh-huh!

Ye Feng grabbed the deep hole in the ground with his big hand and directly pinched the goddess Gu Yunxi in his hand.

At this time, Gu Yunxi, the goddess of Tianhun Palace, a top genius with unparalleled splendor, was as weak as a child in Ye Feng's hands.

At this time, Gu Yunxi's noble face was full of panic.

She stared at Ye Feng in front of her, her beautiful face stained with blood was full of fear, and said: "You...who are you?"

Ye Feng grinned and stared at the beautiful woman in front of him. His eyes did not waver. He just said: "I have no ill intentions towards you. I just want you to do something for me. But in order for you to help me wholeheartedly, Now, I'm going to start hypnotizing you, don't try to resist, or I will break your neck in an instant."

Chapter 1274 Discussion

The hypnosis process was very smooth.

Under Ye Feng's death threat, Gu Yunxi, the goddess of Tianhun Temple, quickly accepted Ye Feng's hypnosis.

Because Gu Yunxi knew very well that if he did not accept Ye Feng's hypnosis and did not recognize Ye Feng as his master, he would die.

For Gu Yunxi, a goddess who has always been very proud, death is something that scares her very much.

She paid so much and finally became the goddess of Tianhun Palace.

Therefore, even if Gu Yunxi becomes Ye Feng's lackey follower, she still wants to save her own life.

After Ye Feng was successfully hypnotized, Gu Yunxi, the goddess of Tianhun Palace, immediately knelt on one knee in front of him, her beautiful eyes full of respect, and said: "Master."

At this time, Duanmu Cangqiong saw this scene not far away, and his eyes suddenly showed deep horror.

Obviously he did not expect that Ye Feng actually succeeded in hypnotizing the goddess of their Tianhun Palace.

At this time, Duanmu Cangqiong was a little scared. Fortunately, when Ye Feng was selecting him in the Eighteen States, he only ate a poison-eating insect and did not directly hypnotize him. Otherwise, Duanmu Cangqiong would have known that he would have become a walking corpse.

At this time, Ye Feng looked at Duanmu Cangqiong, who was not far away, and said with a smile: "Thank you, Brother Duanmu, for helping me lure out this goddess this time."

Saying that, Ye Feng reached out and grabbed it.

"Uh-huh!"

Duanmu Cangqiong suddenly opened his mouth, and a poison-eating insect flew out of his stomach.

Duanmu Cangqiong's eyes immediately lit up and he said, "Brother Ye, have you let me go?"

Ye Feng smiled and said, "Yes, as long as you don't reveal your relationship with me, what I will do next will not affect you."

Duanmu Cangqiong nodded, and then said: "Brother Ye, what are you going to do now? Go directly to the prison to rescue the Vulcan?"

Ye Feng shook his head and said: "I will discuss with the Goddess Gu Yunxi first how to rescue the Vulcan in the safest way. There will be nothing more to do with Brother Duanmu. Brother Duanmu can now live his life with peace of mind."

After saying that, Ye Feng took the goddess Gu Yunxi and quickly left the back mountain area.

Duanmu Cangqiong, who was still there, stared blankly at Gu Yunxi's beautiful disappearing figure.

I don't know what I'm thinking.

...

Soon, Ye Feng, led by the goddess Gu Yunxi, went directly to the goddess palace where Gu Yunxi lived.

"See Her Majesty the Goddess!"

The moment the two of them arrived, several guards outside the Goddess Palace immediately clasped their fists and shouted.

They immediately noticed Ye Feng who was following Gu Yunxi.

All the guards of the Goddess Palace were very curious about this young man in white.

Because this was the first time that they saw the aloof goddess bring a strange man back to her palace.

Gu Yunxi glanced at the guards coldly and said, "This Mr. Ye is a very good friend of mine. When you see him in the future, you must be as respectful as you are when you see me. Do you understand?"

"Yes, Your Highness the Goddess!"

At this time, all the guards spoke out one after another, their tone full of respect.

Then the guards looked at Ye Feng again and couldn't help but clasped their fists and said respectfully: "See you, Mr. Ye!"

Ye Feng just nodded slightly, and then walked directly into the Goddess Palace with the Goddess Gu Yunxi.

The guards on the spot stared at the two people leaving, their eyes full of shock and curiosity.

...

In the next few days, Ye Feng spent time in the Goddess Palace having in-depth exchanges with Gu Yunxi, the goddess of the Heavenly Soul Palace.

They discussed the plan many times about how to enter the underground prison and rescue the Vulcan.

But in the end they all rejected it.

Because Gu Yunxi told Ye Feng that the deepest underground prison in Tianhun Palace was guarded by very powerful Supreme Elders on every floor.

In addition, the God of Fire was captured by the Master of the Heavenly Soul Hall himself. The Master of the Heavenly Soul Hall's spiritual thoughts are always shrouded in the place where the God of Fire is imprisoned.

It is simply impossible to rescue the Vulcan without anyone noticing.

When Ye Feng heard what Gu Yunxi said, he immediately

His eyes darkened.

Unexpectedly, hypnotizing the goddess still caused this rescue operation to reach a dead end.

At this time, Ye Feng's eyes showed a trace of ferocity and said: "If it really doesn't work, then we can only grab it forcefully."

At this time, Gu Yunxi advised: "Ye Feng, if Yun Tianhe, the master of our Heavenly Soul Palace, is a super soul master with 1,300 levels of soul power and is very powerful, even if Even the strong men in the Divine Fire Realm at the second level of the Divine Realm cannot defeat Yun Tianhe. Are you sure you want to break through?"

"One thousand three hundred levels of soul power?" .??.??

Ye Feng couldn't help but take a breath of air at this moment.

Ye Feng originally guessed that Yun Tianhe, the master of the Heavenly Soul Palace, would have just broken through the thousandth level of soul power at most, but he did not expect that it would be the thirteenth level of soul power. This was really too powerful.

Ye Feng stared at Gu Yunxi in front of him and said: "The only way now is to let my soul power grow rapidly. I have a very powerful soul inheritance. As long as I can let my soul power grow in a short time, The soul power level has increased from 700 to 1,000, and then combined with my martial arts strength, I can compete with the master of Tianhun Palace, Yun Tianhe."

"Seven hundred levels increased to a thousand levels?"

Gu Yunxi, the beautiful goddess of the Heavenly Soul Palace, suddenly showed a trace of horror in her eyes, saying: "This is simply impossible. I am the body of the Heavenly Soul. With the cultivation of countless resources, I can cultivate It has taken more than twenty years of cultivation to achieve the current achievements. It is very difficult to cultivate and increase soul power. I think you, Ye Feng, should be very clear about this. "

Ye Feng nodded slightly and said: "I know this, but the only thing I can do now is to improve my soul power, because my martial arts cultivation currently does not have a particularly big opportunity, and there is almost no room for growth. , only the soul path has hope, and I am now in a place like your Tianhun Palace that specializes in cultivating soul power, so Gu Yunxi, please think of a way. "

Gu Yunxi's eyes flickered, and then she suddenly seemed to have thought of something, and said suddenly: "Ye Feng, if you want to quickly increase your soul power, the fastest way is to devour the pure power of the soul source. Our Heavenly Soul Palace the heart of

, there is an ancient teleportation array that allows disciples to teleport to a very magical and special world of soul beasts. We hunt the soul beasts and devour the soul source, which may allow you to break through quickly. "

Ye Feng's eyes lit up and he said: "Xiaoyu has mentioned to me before that her soul power grew so fast because her master, the Holy Spirit, took her into the world of soul beasts to hunt soul beasts."

Gu Yunxi nodded, but then hesitantly said: "However, the strength of the soul beasts in the soul beast world is very terrifying. If there is a powerful soul beast who can lead us into hunting, it may be safer, and it will also Faster, your friend Xiaoyu, the master of this Witch Clan girl, the Holy Soul Lord is a powerful person in the Soul Dao, and she is one of the supreme elders of our Tianhun Palace, practicing in the Tianhun Palace. For countless years, I have a very good understanding of the soul beast world, and I also know where the soul beasts with the purest and most majestic soul sources live in the soul beast world. "

Ye Feng's eyes moved and he said: "You mean, let Xiaoyu's master take us into the soul beast world to hunt soul beasts and devour the soul source?"

Gu Yunxi nodded and said: "Lord Holy Soul attaches great importance to Xiaoyu, a girl from the Witch Clan, and Xiaoyu seems to be so attached to Ye Feng. By using Xiaoyu, we can get Lord Holy Soul to take action and take us in together. Soul Beast World."

Ye Feng said: "But, in what capacity should I appear?"

Gu Yunxi smiled and said: "This is very simple. Just say that you are Xiaoyu's biological brother and the descendant of the Wu clan's bloodline. The Wu clan are all born soul masters. I think Lord Holy Soul will definitely treat you. Very good attitude."

Ye Feng looked surprised, then nodded thoughtfully and said, "This method is indeed possible."

Gu Yunxi said: "But Lord Holy Soul may take action to find out whether you have the blood of the Witch Clan in your body, and the secret may be exposed by then."

Hearing this, Ye Feng immediately smiled confidently and said: "You don't have to worry about this goddess. The skills I practice can conquer the creation of heaven and earth, and have the miraculous ability to derive the origin of thousands of attributes, although I cannot directly derive a real witch clan. Bloodline, but it is very easy to use my inheritance to develop some of the original aura of the Witch Clan in my body, which is enough to hide it from the detection of that holy soul master. "

Chapter 1275 Sister Su Su

Next, Ye Feng left the Goddess Palace and went directly to the core area of Tianhun Palace to find Xiaoyu, a girl from the Witch Clan.

Xiaoyu heard about Ye Feng's plan to deceive his master, Lord Holy Soul.

There was some hesitation on her little face, but she finally nodded her head and said, "I am willing to reunite my eldest brother with my uncle!"

With that said, Xiaoyu pulled Ye Feng and directly came to a garden with a winding water basin.

In a palace made of white crystal not far away, stood a hazy figure of a beautiful woman. She looked fairy-like from a distance, as if she was a banished immortal who had descended to the mortal world and was about to ascend to the legendary place. The fairyland in the fairyland gives people a feeling of infinite reverie.

Xiaoyu stood next to Ye Feng at this time, looking at the hazy figure with immortal energy in the distance, and said loudly: "Brother, my master, Lord Holy Soul, is the most powerful elder in the Heavenly Soul Palace. The status in the Soul Palace is second only to the supreme Palace Master, so if the Master does not agree to take us to the Soul Beast World to hunt the Soul Beasts later, then brother must not be angry with the Master. I don't want to see the big brother. Brother and Master had a conflict."

Ye Feng smiled and touched the little head of the Witch Clan girl, and said: "Don't worry, Xiaoyu, letting your master take us to the soul beast world to hunt soul beasts this time is just one of my many plans. , if this Lord Holy Soul is really unwilling, then forget it, I won't be angry, at worst, I will continue to have in-depth exchanges with you, the goddess of the Heavenly Soul Palace, for a few more days to discuss other ways, so Xiaoyu You don't have to put too much pressure on me, your big brother is not so petty, haha."

Hearing what Ye Feng said and looking at Ye Feng's free and easy smile, Xiaoyu finally felt relieved.

At this time, Xiaoyu took Ye Feng and walked towards the deepest Crystal Palace.

As the two of them approached, Ye Feng stared at the hazy fairy-like figure, arranging words in his mind, thinking about what to say, so that this holy soul master would be interested in him and be willing to help him. .

Just as Ye Feng was thinking secretly in his heart, Xiaoyu spoke up: "Master, today I brought my brother here. My brother is also of the witch clan. This time I want to join you, Master. Master, can you take my brother to the soul beast world to hunt soul beasts?"

"He's not your brother, because I know him."

But suddenly at this moment, the Lord Holy Soul, who had his back to the two of them, suddenly spoke out.

"What? Know me?"

At this moment, both Ye Feng and Xiaoyu's eyes were suddenly startled.

At this moment, the Holy Spirit Lord turned around.

This is a stunningly beautiful woman dressed in white, with a purple veil covering her face. She looks stunning and exudes a fairy-like aura.

"Who are you?"

And the moment Lord Holy Soul turned around, Ye Feng saw that face, and his eyes suddenly showed a deep look of disbelief.

"What? Little guy, you cut me out of the strange stone in the ancient demon world. It's only been a few years, and you don't recognize me anymore?"

Lord Holy Soul spoke out, with a slight smile on his Qingguoqingcheng face.

At this moment, Ye Feng suddenly remembered that when he was training in the ancient demon world, he had bet with others.

Stone, from a large bluestone, a stunningly beautiful woman was cut out.

That alluring woman seemed to be the leader of the Yu Clan among the ancient immortal clans, named Bai Susu.

Ye Feng thought of this past that existed deep in his memory, and couldn't help but brighten his eyes, staring at the Holy Spirit Lord in front of him at this time, and said: "You are Bai Susu! The powerful immortal who was cut out of the strange stone by me. !"

Lord Holy Soul, Bai Susu, smiled slightly at this time and said: "You finally remembered that I might have been permanently sealed in that ancient stone, but you cut it out, allowing me to see the light of day again. , over the years, I have been looking for various resources to create, and my strength has been greatly restored. Although I have not been able to return to my own race in the perfect world, I can be regarded as a top existence in this new first small universe. , so I sent many strong men to look for you in the demon world, but I never found you. It turns out that you are not in the demon world, but in the spiritual world. It seems that there is a fate between us. In this case We met next time, which I couldn't even imagine."

Ye Feng listened to Bai Susu say all this, with a hint of emotion in his eyes, and said: "Indeed, I didn't expect to meet you again, senior, here."

"Just call me Sister Susu. I am only 400,000 years old from birth to now. Among our immortal clan, I am not considered an old guy, but a young person."

Suddenly, Bai Susu spoke up, as if Ye Feng called her senior and called her old.

"You're still not old at four hundred thousand years?"

Ye Feng felt a little confused in his heart, but he knew what to say at this time, and immediately said with a smile: "Sister Su Su."

"good."

Bai Susu's stunningly beautiful face showed a look of satisfaction, and then her graceful figure moved lightly and walked step by step in front of Ye Feng.

She is really tall, taller than Ye Feng, with a perfect body, unparalleled temperament, and graceful appearance.

Bai Su Su's pair of sky-blue eyes, unique to the immortal race, stared at Ye Feng and said, "In the demon world, when you cut me out of the stone, I said that I would definitely repay you in the future. Now you need to improve your soul power? Then I will take you to the soul beast world, help you hunt soul beasts, devour soul sources, and strengthen your soul power." Ye Feng immediately smiled and said, "Thank you, Sister Su Su." At this time, Xiao Yu was stunned. It seemed that she had never expected that her high and mighty master had known her elder brother for a long time, and it seemed that there was a strange past for a period of time. Until Bai Su Su led the two out of the crystal palace and walked towards the teleportation array in the Heavenly Soul Palace leading to the soul beast world, Xiao Yu was still in shock. Ye Feng looked at the tall woman leading the way in front of him, and he never thought that the Holy Soul Lord of the Heavenly Soul Palace was actually the immortal race's great power Bai Su Su who he cut out from the ancient demon world. But anyway, this is a good thing. "The opportunities and fortunes of the world are really wonderful..." Ye Feng couldn't help but murmured as he walked on the road. However, Ye Feng didn't tell Bai Susu the real purpose of coming to the Heavenly Soul Palace. Because the master of the Heavenly Soul Palace is more powerful than Bai Susu now. As for rescuing his uncle Lin, Ye Feng knew that he still needed to rely on himself. Then Ye Feng left the Goddess Palace and went directly to the core area of the Heavenly Soul Palace, where he found Xiaoyu, a witch girl. Xiaoyu heard Ye Feng's plan to deceive his master, the Holy Soul. There was some hesitation on her

little face, but she finally nodded her head and said, "For the reunion of my big brother and my uncle, I am willing!" As she said that, Xiaoyu took Ye Feng and came directly to a garden with a winding stream. In a palace made of white crystal not far away, there stood a hazy and beautiful female figure. From a distance, she looked like a fairy, as if she was a banished fairy who had descended to the mortal world and was about to ascend to the legendary fairyland, giving people a feeling of infinite reverie. Xiaoyu was standing beside Ye Feng at this time, looking at the hazy figure in the distance, and said: "Big brother, my master, Lord Shenghun, is the most powerful supreme elder in the Heavenly Soul Hall. His status in the Heavenly Soul Hall is second only to the supreme Lord Hall Master. So if Master does not agree to take us to the Soul Beast World to hunt soul beasts later, then Big brother must not be angry with Master. I don't want to see Big brother and Master conflict."

Ye Feng smiled and touched the little head of the witch girl, and said: "Don't worry, Xiaoyu, this time let your master take us to the Soul Beast World to hunt soul beasts, it is just one of my many plans. If this Lord Shenghun really doesn't want to, then forget it, I won't be angry, at most I will continue to communicate in depth with your Heavenly Soul Hall Goddess for a few days to discuss and think of other ways, so Xiaoyu, you don't have to be too stressed, your big brother is not so narrow-minded, haha."

Hearing what Ye Feng said, looking at Ye Feng's free and easy smile, Xiaoyu finally put her mind at ease.

At this time, Xiaoyu led Ye Feng towards the crystal palace in the deepest part.

As the two approached, Ye Feng stared at the hazy back that looked like a fairy, and in his heart he was organizing his words, thinking about how to say it at that time to make this Saint Soul interested in him and willing to help him.

Just as Ye Feng was thinking secretly in his heart, Xiaoyu spoke: "Master, I brought my brother here today. My brother is also of the witch clan blood. This time I want to worship you, Master. Can you take my brother to the soul beast world to hunt soul beasts?"

"He is not your brother, because I know him."

But suddenly at this moment, the Saint Soul, who had his back to the two of them, suddenly spoke.

"What? Know me?"

At this moment, both Ye Feng and Xiaoyu were shocked.

And at this moment, the Saint Soul turned around.

This is a beautiful woman in white clothes, with a purple veil on her face. She looks stunning and exudes a fairy-like aura.

"Who are you?"

The moment Lord Shenghun turned around, Ye Feng saw that face, and immediately his eyes showed a deep look of disbelief.

"What? Little guy, you cut me out of the strange stone in the ancient demon world, and it's only been a few years, and you don't recognize me?"

Lord Shenghun spoke, with a hint of smile on his beautiful face.

At this moment, Ye Feng suddenly remembered that when he was training in the ancient demon world, he had gambled with others

Stones, and cut out a beautiful and charming woman from a large bluestone.

That beautiful woman seemed to be the patriarch of the feather tribe in the ancient immortal tribe, named Bai Susu.

Ye Feng remembered this past that existed deep in his memory, and his eyes brightened. He stared at Lord Shenghun in front of him and said, "You are Bai Susu! The fairy tribe strongman who was cut out of the strange stone by me!"

Lord Holy Soul, Bai Susu, smiled slightly at this time and said: "You finally remembered that I might have been permanently sealed in that ancient stone, but you cut it out, allowing me to see the light of day again. , over the years, I have been looking for various resources to create, and my strength has been greatly restored. Although I have not been able to return to my own race in the perfect world, I can be regarded as a top existence in this new first small universe. , so I sent many strong men to look for you in the demon world, but I never found you. It turns out that you are not

in the demon world, but in the spiritual world. It seems that there is a fate between us. In this case We met next time, which I couldn't even imagine."

Ye Feng listened to Bai Susu say all this, with a hint of emotion in his eyes, and said: "Indeed, I didn't expect to meet you again, senior, here."

"Just call me Sister Susu. I am only 400,000 years old from birth to now. Among our immortal clan, I am not considered an old guy, but a young person."

Suddenly, Bai Susu spoke up, as if Ye Feng called her senior and called her old.

"You're still not old at four hundred thousand years?"

Ye Feng felt a little confused in his heart, but he knew what to say at this time, and immediately said with a smile: "Sister Su Su."

"good."

Bai Susu's stunningly beautiful face showed a look of satisfaction, and then her graceful figure moved lightly and walked step by step in front of Ye Feng.

She is really tall, taller than Ye Feng, with a perfect body, unparalleled temperament, and graceful appearance.

Bai Susu's pair of sky-blue eyes unique to the immortal race stared at Ye Feng and said: "In the demon world, when you cut me out of the stone, I said that I will definitely repay you in the future. Now Do you need to improve your soul power? Then I will take you to the soul beast world, help you hunt the soul beasts, devour the soul source, and strengthen your soul power."

Ye Feng immediately smiled and said, "Thank you so much, Sister Su Su."

At this time, Xiaoyu on the side was stunned, as if she never expected that her superior master had known her elder brother for a long time, and it seemed that there was a strange past.

Xiaoyu was still in shock until Bai Susu led the two of them out of the Crystal Palace and headed towards the teleportation array inside the Heavenly Soul Palace leading to the Soul Beast World.

When Ye Feng looked at the tall woman leading the way, he never expected that the Holy Soul Master of the Heavenly Soul Palace was actually the powerful Bai Susu of the Immortal Clan whom he had cut out from the ancient demon world.

But anyway, this is a good thing.

"The opportunities in this world are really wonderful..."

Ye Feng couldn't help but murmured as he walked on the road.

But in the end, Ye Feng did not tell Bai Susu his true purpose of coming to Tianhun Palace.

Because the master of Tianhun Palace is even more powerful than Bai Susu today.

Regarding Uncle Lin who rescued him, Ye Feng knew that he still had to rely on himself after all.

Chapter 1276 Thousand Level Soul Power

Half an hour later, Ye Feng, Xiaoyu and Bai Susu arrived at the deep area of Tianhun Palace.

Here, in an ancient hall, there is a huge teleportation array engraved on the ground.

Each side is guarded by a terrifying elder, and the guards are tight.

Because the world of soul beasts that this teleportation array leads to is almost the deepest foundation of Tianhun Palace.

Ye Feng also entered a small world of soul beasts with Shang back then, but that small world of soul beasts was too low-level. When Ye Feng broke through to the realm of gods, it was basically of no use to him.

As for the soul beast world of Tianhun Palace, according to Xiaoyu's story along the way, it is estimated that it is a very huge soul beast world. It is not a small world, but a real big world, which can rival the existence of medium and high-level large interfaces such as the spirit world. .

That's why Gu Yunxi, the goddess of Tianhun Temple, asked Ye Feng to find Xiaoyu's master, Lord Holy Soul.

Because in that huge world of soul beasts, there is no real soul master to lead him. With Ye Feng's current seven hundred-level soul power, it is estimated that he has not hunted any soul beasts to devour the soul source, and has already been killed by some powerful soul beasts. The beast chased him everywhere.

"See Lord Holy Soul."

At this time, the two old men guarding the teleportation array hall saw Bai Susu and his party approaching, and immediately spoke respectfully to Bai Susu.

Bai Susu nodded slightly and said: "To activate the teleportation array, I need to take two disciples into the great world of soul beasts to hunt the soul beasts."

"Yes, Lord Holy Soul!"

The two old men immediately spoke respectfully.

They each took out a stone that exuded hazy divine light from their own storage rings and threw it directly into the grooves on both sides of the teleportation array.

"Buzz!"

At this moment, the teleportation array immediately lit up with a divine light.

"Let's go."

The moment Bai Susu took Ye Feng and Xiaoyu into the teleportation array, they disappeared.

...

Buzz!

Accompanied by a violent dizziness, the figures of the three people appeared in a vast and boundless land.

In the world here, the sky is blue and cloudless. All around you are green forests, and the air is filled with the fresh feeling of vegetation.

Bai Susu smiled and said: "This is the world of soul beasts. We will hunt soul beasts here and devour the soul source. When Ye Feng's soul power rises to the level you want, we will go back."

Ye Feng looked at the entire vast land and couldn't help but ask: "How will we go back then?"

Xiaoyu immediately smiled and said: "Brother, you don't have to worry about this. Some special places in this world of soul beasts have teleportation arrays that can be sent back to the Heavenly Soul Palace. Master will take us back when the time comes."

Hearing this, Ye Feng nodded with relief. Looking at the vast world of soul beasts and feeling the very pure soul power flowing in the air, his eyes suddenly showed a hint of anticipation.

"Let's go to Soul Falls to have a look first."

At this time, Bai Susu thought for a while, identified a direction, and flew in that direction with Ye Feng and Xiaoyu.

Soon, they traveled through a large area

A piece of mountains and forests, came to the deepest part of this jungle.

At the deepest point, there is a lake on the earth, and the end of the lake is connected to a cliff.

Wow!

Wow!

At this time, a large waterfall flowed down from the towering cliff and hit the surface of the lake, making a violent sound.

"Roar!"

Almost at the moment Bai Susu and the others arrived here, a terrifying roar suddenly came from under the surface of the lake.

"Wow!"

Almost at the next moment, a huge dark green dragon-like soul beast emerged from the depths of the lake.

This dragon soul beast had a pair of dark golden pupils. Looking at the three of them, Ye Feng suddenly felt a terrible feeling that his soul was about to be broken.

"What a powerful soul beast! The soul power level is at least eight hundred! It actually gave me a terrible feeling of soul being shattered and dying!"

At this moment, Ye Feng's eyes were slightly startled.

Bai Susu's eyes were dull at this time, and she said: "A little soul dragon dares to roar at me? You must be impatient with life!"

boom!

Almost as soon as Bai Susu finished speaking, a soul sword condensed from her soul appeared in her hand.

"Thunder Sword!"

"cut!"

Bai Susu shouted coldly, and her graceful figure instantly jumped into the sky. The soul sword in her hand suddenly burst into light with thousands of thunders.

Boom! !

This kind of thunder light is not tangible thunder, but invisible thunder at the soul level, similar to the thunder power generated by Ye Feng's Great Thunder Emperor Seal.

"Roar!"

At this time, the soul dragon in the lake also roared and roared, its mouth opened wide, and a dark green soul light wave instantly burst out and bombarded Bai Susu.

"Boom!!"

The next moment, there was a huge roar in the sky.

But Bai Susu is a thousand-level soul power expert after all. The thunderous light released from the soul sword in his hand instantly shattered all the green light waves spat out from the soul dragon's mouth.

"Pfft!"

The soul sword that bloomed with thousands of thunders cut off the huge head of the soul dragon in one fell swoop.

"howl!"

The soul dragon immediately howled miserably, and its entire huge body collapsed to the ground.

Buzz!

At this moment, a dark green halo floated out from the soul dragon's body.

Bai Susu immediately looked at Ye Feng and said: "This soul ring contains the source of all the soul power of that soul dragon. It is pure and incomparable soul power. You should absorb it immediately."

Ye Feng nodded and stepped towards the line of ink.

The green halo stepped away.

"Uh-huh!"

Ye Feng turned the Soul Emperor Seal, and a dark soul giant appeared behind him.

This dark soul giant is the manifestation of Ye Feng's soul emperor seal.

Now Ye Feng's soul power level is level 700, so the dark soul giant at this time is 700 meters tall.

The more than 700-meter dark soul giant is extremely towering, like an ancient dark giant, full of terrifying momentum.

"boom!"

The moment the dark soul giant appeared behind Ye Feng, he stretched out a pair of big black soul hands, grabbed the soul ring floating out of the soul dragon's body, and then opened his mouth to swallow it in an instant.

"boom!"

Almost at this moment, Ye Feng felt that his soul power had surged tremendously.

Seven hundred steps!

Level 701!

Level 702!

...

Ye Feng's soul power only stopped after it skyrocketed to level 756.

At this time, Ye Feng had completely refined and absorbed the soul ring of the soul dragon that had been killed before.

"No wonder the foundation of the Heavenly Soul Palace is so powerful. It holds in its hands the teleportation array that leads to such a magical world of soul beasts, and has a large world of soul beasts and soul rings to absorb. No wonder the spiritual world is not very connected to the Heavenly God Dynasty. The only big force I dare to provoke."

Ye Feng was thinking secretly at this time, marveling at the unique treatment of the soul masters of Tianhun Palace to increase their soul power by absorbing soul rings.

For the next whole month, Bai Susu took Ye Feng and Xiaoyu through most of the soul beast world, hunting powerful soul beasts, allowing Ye Feng and Xiaoyu to absorb soul rings and strengthen their soul power.

This time, not only Ye Feng has been greatly improved, but Xiaoyu has also been greatly improved.

But in the end, when Xiaoyu's soul power level increased to six hundred, when she absorbed the soul ring again, she would feel a splitting headache and her whole body would be broken.

Bai Susu immediately stopped Xiaoyu from absorbing the soul ring, and said with a hint of solemnity in her eyes: "The power of the soul cannot be increased without limit, because the more powerful the soul power is, the more it needs a strong body to carry it. Xiaoyu's current body, It can only hold six hundred levels of soul power. If she continues to absorb it, she will definitely explode and die. It seems that after returning to the Heavenly Soul Palace this time, I need to find and buy some body tempering holy medicine to help Xiaoyu temper her body. Only when her body becomes more powerful can she continue to absorb soul rings and increase her soul power level."

"boom!"

At this moment, in an open space not far away, an extremely strong soul power storm broke out from Ye Feng's body.

"One thousand and one level soul power!"

"He actually surged to a thousand levels of soul power!"

At this moment, Bai Susu looked at Ye Feng, who was not far away, and her beautiful eyes suddenly showed a hint of shock.

Because during this period of time, Ye Feng had been absorbing all kinds of soul rings without restraint, and he didn't have any problems with his body. It was really crazy.

Bai Susu stared at Ye Feng's body glowing with purple divine light at this moment, and couldn't help but murmur, "It is definitely some kind of very powerful ancient human physique, it's so extraordinary."

Buzz!

Ye Feng opened his eyes, and his pupils were filled with bright and deep soul light.

"After a whole month, I finally entered the realm of a soul master at the thousand-level soul power level!"

Ye Feng stood up, his eyes extremely excited.

At this time, after he revealed his soul power, the height of the dark soul giant that appeared in the void behind him also increased to more than a thousand meters, towering and deep, giving people a terrifying and suffocating feeling.

Ye Feng suddenly looked at Bai Susu who was not far away and seemed to be staring at him in surprise. He immediately stepped forward, solemnly clasped his fists and said, "Thank you so much, Sister Susu this time!"

Bai Susu smiled carelessly and said: "You cut me out of the dusty stone of history, which is equivalent to giving me a new life. I have long said that I will repay you and hunt in this world of soul beasts." Soul beast, it's just a small thing to help you improve your soul power. With your qualifications, Ye Feng, I know that you will definitely break through this small universe in the future and enter the second universe, the real perfect big world. If you have difficulties then, remember Come to the Yu Clan in the Immortal Realm and look for me, I will help you."

Ye Feng's eyes moved, staring at Bai Susu, and couldn't help but ask: "Sister Susu is leaving the spirit world and going to the second universe?"

Bai Susu nodded and said: "The fairy world, the dragon world, the major high-level demon worlds, and even the god world, etc., these real high-level interfaces are all in the second universe. I am an immortal clan, and my hometown is in the fairy world. I'm in the second universe, so I've been thinking about going back. This time, with the help of the Heavenly Soul Palace, I should be able to go to the second universe."

When Ye Feng heard this, his eyes were suddenly startled and he said: "I heard others say before that the Heavenly Soul Palace is connected with the transcendent forces in the second universe. It seems to be true."

Bai Susu smiled and said: "Ye Feng, do you want to go to the second universe with me? I plan to return to the Tianhun Palace this time and start my journey to the second universe and return to my hometown of the fairy world."

Ye Feng shook his head and said: "I still have a lot of ties in the spiritual world, and there are still things I have to do that I haven't done yet, so I can't leave with you, Sister Su Su."

Bai Susu nodded and said: "In any case, your soul power level has now increased to a thousand levels, coupled with your powerful martial arts, on this spiritual world, even in this entire first universe, as long as you don't There is basically no danger in provoking that kind of ancient taboo, so I feel relieved."

After saying that, Bai Susu took Ye Feng and Xiaoyu and flew in a certain direction in the soul beast world.

On the way, Ye Feng asked: "Sister Su Su, why don't we keep hunting soul beasts in this soul beast world and let me absorb the soul rings. I feel that my body can carry more powerful soul power."

Bai Susu turned her head and looked at Ye Feng and explained: "Because I have felt that our continuous killing during this period has been targeted by some taboo ancient soul beasts in the world of soul beasts. If we don't leave, we may be Can't leave."

Ye Feng immediately looked shocked and said: "I see, let's leave quickly. This time I have broken through to the one thousand and first soul power level. I am already very satisfied."

Chapter 1277 God-Level Soul Technique

The three of them were very fast, and under the leadership of Bai Susu, they finally arrived at an ancient cave with no dangers along the way.

When they entered the cave, they immediately discovered a huge teleportation array carved on the ground inside.

The pattern of this teleportation array is exactly the same as the pattern of the teleportation array on the ground of the main hall from the depths of Tianhun Palace.

"Boom!"

Suddenly at this moment, a huge golden beast claw, carrying a terrifying soul pressure, tore through the sky and suddenly stretched out from a forbidden place in the soul beast world, grabbing The direction is exactly the cave where Ye Feng and the others are about to teleport away.

"Boom!!"

The huge golden claws pressed down at once, directly destroying the cave and the entire forest with a radius of thousands of miles.

But it was ultimately a step too late.

Because in the cave, Bai Susu, Ye Feng and Xiaoyu had disappeared in the light of the teleportation array.

...

At this moment, in the wild area of the spiritual world, somewhere in the mountains.

Deep in the Tianhun Palace, inside a large hall.

Buzz!

Along with a divine light and violent spatial fluctuations, three figures suddenly appeared.

It was Bai Susu, Ye Feng and Xiaoyu.

But at this time, the faces of the three people were all a little nervous, and even a little scared.

Because at the last moment they teleported back from the world of soul beasts, in the light of the teleportation array, they saw a huge golden soul beast claw, like an ancient mythical beast, grabbed it from high in the sky. Come down.

The terrifying coercion emanating from the golden beast's claws at that last moment simply made all three of them feel the shadow of death.

"That should be a forbidden ancient soul beast in the world of soul beasts, with a soul power level of ten thousand or more."

Send at this time

In the main hall, Bai Susu said aloud, her cold eyes full of solemnity.

It was obvious that even this powerful immortal was deeply afraid of the golden beast claw that he had captured last time.

At this time, Ye Feng looked a little scared.

If they hadn't disappeared from the teleportation array in the end, they would have been instantly wiped out by the golden beast's claws!

"There are too many taboos in countless interfaces in the heavens and the world. No wonder when I was in the Holy Mountain of Gods and Demons, Senior Space God Emperor asked me not to reveal the gems of the gods easily. Only by transcending the realm of gods can I achieve success. The Eternal Realm is the initial master level among all the worlds."

At this time, Ye Feng also began to realize that what the Space God Emperor said to him before was not an exaggeration.

The strong are more powerful, and each mountain is higher than the other.

In this world.

In the entire perfect world of the second universe that encompasses the first universe, there are countless powerful beings and super beings who are watching over the entire universe.

...

After walking out of the teleportation hall, Ye Feng said goodbye to Bai Susu and Xiaoyu, master and apprentice.

Before leaving, Bai Susu smiled and said to Ye Feng: "I am planning to leave the spirit world and go to the second universe. I will take my disciple Xiaoyu with me."

Xiaoyu looked at Ye Feng, her big eyes full of reluctance, and said: "Brother, Master and I have left, but I will always be in the fairy world of the second universe, waiting for my brother!"

At this time, the Witch Clan girl was talking, and the big crystal tears couldn't help but fall from her big eyes.

"Little girl, it won't look good if you cry."

Ye Feng smiled and helped Xiaoyu wipe it off her little face.

With tears in his eyes, he said: "I will eventually go to the perfect world of the second universe. There is a stronger inheritance, a higher cultivation civilization, and the people I need to find there."

When Xiaoyu heard what Ye Feng said, she immediately stopped crying, smiled and said, "Then Xiaoyu must be waiting for big brother to come find me."

"good."

Ye Feng finally touched the little head of the Witch Clan girl, turned around and walked away, disappearing at the end of the road.

Bai Susu stared at Ye Feng's leaving back, her eyes flashing with a hint of surprise, "Ye Feng, interesting little guy, I look forward to seeing you in the second universe..."

...

After Ye Feng said goodbye to Bai Susu and Xiaoyu, he walked towards the Goddess Palace alone.

On the road, Ye Feng's eyes were extremely cold.

It's time to rescue Uncle Lin, the god of fire.

When Ye Feng arrived at the Goddess Palace, he directly pulled Gu Yunxi, the goddess of Tianhun Palace, out of her palace.

When Gu Yunxi heard that Ye Feng was about to take action now, she couldn't help but be very surprised and said: "It has only been a month, and you can't bear it anymore?"

Ye Feng said: "My current soul power has increased tremendously."

Buzz!

At this time, Ye Feng said that an extremely powerful soul power emitted from his body in an instant.

"This is?"

Gu Yunxi's beautiful eyes suddenly showed a look of shock, and said: "This is the majestic momentum of a thousand-level soul power! In just one month, Ye Feng, you have already achieved a thousand-level soul power?"

Ye Feng nodded, stared at the beautiful woman in front of him, and said: "I need your help to enter the underground prison of Tianhun Palace immediately."

"good."

Gu Yunxi nodded immediately and said: "But before going to the underground prison to rescue the God of Fire, I taught you Ye Feng a set of soul skills that can be used to conceal the truth from the sky. With your current thousand-level soul power,

By using this set of soul-hiding techniques, I might be able to hide the soul power of my master, the master of our Heavenly Soul Hall. "

"Really?"

Ye Feng stared at the goddess in front of him, his eyes suddenly showing surprise.

Uh-huh!

At this time, Gu Yunxi had stretched out a finger that looked like a white jade carving, and pointed it at the center of Ye Feng's eyebrows.

Ye Feng did not resist at this moment, because the goddess of Tianhun Temple in front of him had been hypnotized by him for a long time, and it was impossible for him to do anything harmful to his master.

Buzz!

And at the next moment, Ye Feng immediately felt that an extremely obscure soul skill was transmitted to his mind from the fingers of Gu Yunxi between his eyebrows.

"The art of hiding the soul from the sky!"

"By exerting huge soul power, a vacuum soul field can be formed, hiding from all spiritual thoughts and soul power detection."

"This is definitely a god-level soul technique!"

At this time, Ye Feng was comprehending the profound meaning of soul magic in his mind, as if he had found a treasure.

At this time, the goddess Gu Yunxi stood aside and said with a smile: "This is the supreme inheritance of our Heavenly Soul Palace. It was taught to me by my master, the master of the Heavenly Soul Palace. I will teach it to you now. I hope it can be passed on to you." Help you."

It has to be said that hypnotizing Gu Yunxi into becoming his disciple really had a huge effect.

This goddess will not hide anything in front of Ye Feng, but will devote everything she can to Ye Feng, the "master".

Ye Feng looked at Gu Yunxi and said, "Give me three days. Once I have fully understood this soul-concealing technique, we will set off to the underground prison of the Heavenly Soul Palace."

Gu Yunxi nodded immediately, stretched out her little hand to hold Ye Feng, and said: "Let's go to my bedroom to understand. I can have in-depth communication with you at any time, Ye Feng, and help you understand this soul-concealing technique as soon as possible. "

Chapter 1278 Uncle Lin's shock

Three days later.

In the Goddess Palace, two figures stepped out.

It was Ye Feng and Gu Yunxi.

Ye Feng possesses powerful insights after the transformation of the soul gem, and his soul power now exceeds a thousand levels.

Even though the Heaven-Crossing Sea Soul Technique is a true god-level soul technique that surpasses the pseudo-god level, Ye Feng finally understood it in just three days.

"Today, no matter what, we must rescue Fire God Uncle Lin."

Ye Feng thought to himself, took firm steps, and followed the goddess Gu Yunxi towards the underground prison of Tianhun Palace.

The weather today is gloomy and the air is cold.

There was even a hazy light rain falling from high in the sky.

However, for experts like Ye Feng and Gu Yunxi, when the misty rain falls, a vacuum dry area is automatically formed within half a meter around their bodies, and the rain cannot wet their clothes.

The two of them were silent at the moment and walked all the way to the barren area in the west of Tianhun Palace.

This place is far away from the mountainous area and is a barren land, very desolate and dilapidated.

But on the ground in the distance, there is a huge fortress standing.

The fortress was very majestic, like an ancient city tower. It was poured with molten iron and exuded a cold and chilling air.

At this time, Gu Yunxi came over with Ye Feng, and there were two Tianhun Palace guards wearing silver armor in front of the fortress. They stepped in front of them in an instant, respectfully clasped their fists at Gu Yunxi and said: "See Her Majesty the Goddess."

"Um."

Gu Yunxi nodded and said: "I need to enter the underground prison. You guys open the fortress."

"yes!"

The two silver-armored guards immediately nodded and quickly walked to the front of the huge fortress. A token appeared in each hand, and they pressed it one after another.

In the two grooves on the gate in the middle of the fort.

"Rumble..."

The next moment, the metal gate of the fortress, which was completely made of steel, opened instantly.

Buzz!

An aura full of coldness and deathly silence instantly came out from the dim space of the underground prison behind the door.

"Ye Feng, let's go."

At this time, Gu Yunxi took Ye Feng and walked directly into the prison.

"Pap, tap..."

The underground prison of Tianhun Palace was very dark, with only the faint light of oil lamps flickering.

At this time, Gu Yunxi whispered: "Ye Feng, you can now use the Soul Concealment Technique."

Ye Feng nodded slightly, and then released the Soul Concealing Technique to conceal what really happened in the entire underground prison.

The two of them quickly walked towards the deepest area under the prison.

It wasn't until the twenty-ninth floor that Gu Yunxi said, "We're here."

At this time, Ye Feng looked towards the twenty-ninth layer of space, and immediately saw that the extremely weak Vulcan soul was being tied up by countless silver soul-state chains, and his entire body was imprisoned on one side. On the old wall.

The Vulcan Soul saw two figures walking not far away, namely the goddess Gu Yunxi, and another figure, wrapped in a black robe, unable to see his true appearance.

The Fire God Soul immediately laughed uninhibitedly and said: "Goddess of the Heavenly Soul Palace, don't even think about asking me to cooperate with you. Just give up. Even if I die, I will not succumb to someone like you, the master of the Heavenly Soul Palace. In front of the sinister villain!"

"Uncle Lin!"

But at the next moment, a young voice with a hint of excitement suddenly sounded in the dim space.

"Who is this sound? Feng'er!"

At this time, Vulcan Soul's eyes suddenly showed a look of horror. ??

Because he saw that the man in black standing next to Gu Yunxi, the goddess of Tianhun Palace, took off the hood that originally covered his face, revealing Ye Feng's face.

"Feng'er! It's really you!"

Although Vulcan only had one Vulcan soul left at this time, his soul-like pupils revealed a deeply shocked look.

He never thought that Ye Feng could actually enter such a hierarchical super soul power like Tianhun Palace.

Ye Feng quickly walked to the wall where the Vulcan was imprisoned. Seeing that the master of the infinite fire domain was now in such a desolate state, he suddenly felt a little sad in his heart.

Because he knew very well that Uncle Lin was all because of the Divine Dynasty of Creation, and he had been fighting with Gu Tongtian for three hundred years. In the end, only a remnant soul was left in the battle, and he was captured and imprisoned by the master of the Heavenly Soul Palace.

Although this was only the second meeting with Uncle Lin, the God of Fire, Ye Feng had already known that this was a loyal man who was like a brother to his father!

Ye Feng immediately stepped forward, stared at the silver chains that locked Uncle Lin's soul, and said: "Uncle Lin, I will save you now."

Uncle Lin immediately showed a trace of surprise in his eyes and said: "Feng'er, how did you sneak into the Heavenly Soul Palace, and how did you get to know the goddess of the Heavenly Soul Palace? She actually listened to your words and took you in." To the depths of this underground prison?"

Ye Feng immediately said: "Uncle Lin, don't worry about this for now. I will rescue you first, and then take you out of here. I will come to Tianhun Palace this time."

, specifically to save you, Uncle Lin. Fortunately, the people from Tianhun Palace have not done anything excessive to you, Uncle Lin, for the time being. They just imprisoned you in this underground prison. "

At this time, Ye Feng said, staring at the silver chains.

Uncle Lin's face immediately changed slightly and he said: "Feng'er, don't rush to destroy these silver chains on my body. These chains are called 'God-binding locks'. They are not physical chains, but soul-like chains. They only have souls." Only those who have entered the Supreme Elder level of the Heavenly Soul Palace can destroy them. Feng'er, don't act rashly. If you take action now, you won't be able to destroy these silver chains. Instead, it will attract the terrifying soul master, the master of the Heavenly Soul Palace. , you will die!"

When Ye Feng heard Uncle Lin's urgent words, he immediately smiled and said: "Uncle Lin, don't worry, since I'm here, I must be absolutely sure that I can rescue you. Now in this underground prison, I have used the Soul Concealment Technique to hide the secrets from the sky, and even the

Master of the Heavenly Soul Palace will not be able to detect the abnormality in the underground prison in a short period of time. "

After hearing what Ye Feng said and looking at the confident smile on Ye Feng's face, Uncle Lin looked at the goddess Gu Yunxi who was smiling at them not far away.

He found that he seemed to have really underestimated Ye Feng's methods.

But then Uncle Lin looked at the silver chains all over his body and said: "But these chains are the God-binding locks personally used by the master of the Heavenly Soul Palace. They require at least a thousand-level soul power level figure to be able to attack them." Broken, even if Feng'er brings the goddess Gu Yunxi, this little girl is far from entering the realm of thousand-level soul power."

Ye Feng suddenly smiled at this time: "Uncle Lin, I have a thousand-level soul power."

"What?"

Almost at the moment Ye Feng finished speaking, even Uncle Lin, the controller of the Infinite Fire Domain and a man of great splendor three thousand years ago, was shocked and his eyes widened.

Chapter 1279 Everyone takes a step back

Seeing Uncle Lin's shocked look, Ye Feng didn't explain anything.

Because time was pressing now, Ye Feng stretched out his hands, and the tyrannical soul power wrapped his hands, allowing him to directly hold the silver chain in the soul state.

"Crush it for me!"

boom!

Ye Feng now possesses an extremely powerful thousand-level soul power. His soul power is terrifying and can definitely rival the most powerful elder of the Heavenly Soul Palace.

"Click! Click..."

So almost at that moment, the extremely strong silver chain shattered inch by inch in Ye Feng's hands.

Uh-huh! .???.??

Uncle Lin's weak fire soul body almost fell down from the wall.

"Uncle Lin!"

Ye Feng's eyes were startled, and he quickly stepped forward to support Uncle Lin.

Next, Ye Feng took out a piece of gray wood directly from the storage spirit ring and said: "Uncle Lin, this is a piece of soul-nurturing wood. I got it from an ancient ruin before. You swallow it." After that, your fire soul body will definitely be greatly nourished."

"good."

Uncle Lin didn't show any pretense with Ye Feng and simply swallowed the soul-nurturing wood in Ye Feng's hand.

Visible to the naked eye, Uncle Lin's originally somewhat illusory body suddenly became much more solid. It no longer looked like a soul, but a real human body.

At this time, Ye Feng took out another ball of flame essence from the storage spirit ring and said: "Uncle Lin, this is also the flame essence of a flame giant that I accidentally obtained before. For a fire attribute warrior like you, Uncle Lin, it should be It's a huge help."

"The fire essence of the ancient fire giant?"

Uncle Lin's eyes moved, and then he laughed and said: "Okay, okay! Feng'er, you are finally a talent now! That's great!"

As he spoke, Uncle Lin directly swallowed the flame essence, and a powerful flame energy immediately emanated from his body.

After all, Uncle Lin was a magnificent figure from three thousand years ago. After all, it must be extremely extraordinary to be able to be brothers with the God of Creation, the most powerful figure in the spiritual world at that time.

At this time, after swallowing the essence of the ancient giant's flame, a frightening aura from Uncle Lin's body suddenly spread out in the deepest area of the entire underground prison.

Ye Feng's eyes were a little surprised. It seemed that Uncle Lin's cultivation during his peak period must have been

Very scary.

After all, this can be seen from the fact that Uncle Lin was able to fight Gu Tongtian, the Tongtian God Emperor, for more than three hundred years thousands of years ago.

Although that was three thousand years ago, and Gu Tongtian was not as powerful as he is now thousands of years ago, it was certainly not something that ordinary gods could challenge.

Ye Feng estimated that Uncle Lin's peak strength was at least the fifth level of the God Realm, or even the final sixth level, second only to the Eternal Realm above the God Realm.

But now that Uncle Lin has been severely injured and captured by the master of the Heavenly Soul Palace. After being suppressed in this prison for so many years, only the body of the remnant soul of the God of Fire is left. Uncle Lin's current state is probably not as good as that of Ye Ye now. The wind is strong.

However, Ye Feng's eyes were firm at this moment. With him here, Uncle Lin would not be left alone as a hero. He would find a way to help Uncle Lin regain his strength quickly.

"Let's get out of here quickly!"

Ye Feng looked at Uncle Lin and immediately walked out of the underground prison.

"Who is hiding the secret of the underground prison?"

Suddenly at this moment, an extremely old voice suddenly sounded.

"It's the voice of the Master of the Heavenly Soul Palace!"

Uncle Lin's eyes suddenly changed.

"Master of the Heavenly Soul Palace? Has he finally found out? We have been exposed!"

Ye Feng murmured at this time.

Then he looked directly at Uncle Lin beside him and said: "Since we have been discovered, let's rush out!"

"good."

Uncle Lin was a great figure from three thousand years ago and the leader of the Infinite Fire Domain. Naturally, he was not an indecisive person.

At this moment, he nodded instantly, and Ye Feng jumped up one after another, directly breaking through the obstacles of the underground prison and jumping directly to the height of the ground.

At this time, the goddess of Tianhun Palace left silently.

Because she knew that this situation was no longer something that she, a little goddess, could intervene in.

"Stop them from escaping!"

The voice of the Master of Tianhun Palace sounded.

Uh-huh! Uh-huh! Uh-huh...

And almost at this moment, strong men suddenly poured out from all directions in Tianhun Palace.

Their bodies exude an extremely strong aura, and each of their soul power fluctuations is very powerful. The weakest one has a soul power of six to seven hundred levels.

I have to say that the foundation of this Heavenly Soul Palace is truly terrifying to the extreme.

At this moment, Ye Feng and Uncle Lin were directly surrounded by more than a dozen soul powerhouses.

Buzz!

And at this time, a huge soul shadow appeared under the blue sky, looking down on them from the top of the sky like a giant. ??

This huge soul shadow is the master of the Heavenly Soul Palace.

A super soul master with more than 1,300 levels, unfathomable!

At this time, he manifested his huge soul shadow, and an unparalleled terrifying pressure suddenly covered the entire scene.

At this time, Uncle Lin stared at the huge and boundless soul shadow, his eyes filled with deep coldness, and said: "Master of the Heavenly Soul Palace, I have already said that even if you imprison me for another hundred years, I will not I may agree to your request."

The majestic voice of the Master of Tianhun Palace sounded: "If you don't promise me, then I will have to imprison you forever until you promise."

Ye Feng suddenly stepped forward, looked up at the huge soul shadow under the blue sky, and said coldly: "Master of the Heavenly Soul Palace, I will definitely take my Uncle Lin away today, if you dare to stop me , you will definitely regret it."

The huge soul state eyes of the Master of the Heavenly Soul Palace were manifested under the sky at this time, and his tone seemed to be with a hint of disdain: "You, this junior, are indeed powerful. Your martial arts has reached the realm of a god, and your soul path has also exceeded a thousand

levels." You are truly a rare genius, but I will definitely defeat you very easily. How can you make me regret it?"

Ye Feng suddenly laughed and said: "You said it yourself, you can defeat me, but you can't kill me."

The master of Tianhun Palace said: "I can't kill you? What do you mean?"

Ye Feng's eyes became serious and he said word by word: "You dare to stop Uncle Lin and I. Although I can't beat you, you can't kill me either. I will continue to attack your Tianhun Palace in the future and destroy your Tianhun Palace." Everyone was killed one by one in a sneak attack, until finally

In the end, you, the master of Tianhun Palace, are the only one left! "

"What?"

"you.....!"

The master of Tianhun Hall suddenly showed a look of deep shock and anger in his eyes.

Even though he was the overlord of one side, he was stunned by Ye Feng's words at this moment, and he didn't even know how to answer.

Because what Ye Feng said is right, even if the master of the Heavenly Soul Palace is the most powerful person in the Soul Dao, it is simply impossible for him to kill Ye Feng, who has a thousand-level soul power and is in the realm of the Martial Dao God. Repel Ye Feng.

But repelling Ye Feng is not a solution, because Ye Feng can continue to harass Tianhun Palace at any time.

Because in the entire Tianhun Hall, except for the master of the Tianhun Hall himself, there really is no one who can beat Ye Feng.

The expressions of a group of Heavenly Soul Palace masters surrounding Ye Feng and Uncle Lin also changed.

If there really is a terrifying powerhouse second only to the master of the Heavenly Soul Palace, lurking around the Heavenly Soul Palace at any time, and may attack and kill him at any time, it will really make the entire Heavenly Soul Palace restless.

At the end, the master of Tianhun Palace stuttered a little, saying: "Boy, you! You are acting rogue! You are shameless! You are not aboveboard!"

Ye Feng suddenly sneered and said: "Above and aboveboard? You want to kill me, Uncle Lin, and you still want me to be aboveboard with you? Master of Tianhun Hall, you are not a child, this is your first time in the world of cultivation? Why are you so naive? Are you talking about being aboveboard? My relatives are going to be killed by you, so why should I care about being the overlord?"

"you.....!"

The master of Tianhun Palace was so angry that he was speechless.

Ye Feng said with a smile at this time: "So let's each take a step back. I will take my Uncle Lin away. Don't stop me. I am too lazy to conflict with your Tianhun Palace."

At this moment, Ye Feng directly supported Uncle Lin beside him and stepped in the air towards the outside of Tianhun Palace.

At this time, no one in the entire field dared to stop him.

The master of Tianhun Hall did not take action in the end because he was really afraid that Ye Feng would massacre Tianhun Hall until only a single person was left.

...

Chapter 1280 The grudges of the past

Under the watchful eyes of all the powerful men in the Heavenly Soul Palace, Ye Feng took Uncle Lin and left the Heavenly Soul Palace safely and disappeared into the mountains and jungles outside.

"hateful!"

The master of Tianhun Palace suddenly made an extremely angry voice at this moment.

He suddenly looked in a certain direction of Tianhun Palace, and said with a hint of request in his tone: "Fairy Holy Soul! If you and I join forces, we will definitely be able to kill that arrogant boy!"

Bai Susu's voice came from the Holy Soul Palace in the distance: "Sorry, I don't have time. Tomorrow I will take my disciple Xiaoyu to ascend to the immortal world and enter the second universe. I advise you not to provoke that young man just now. , otherwise the Heavenly Soul Palace will be destroyed in the future, don't blame me for not warning you in advance."

After the words fell, the master of Tianhun Palace fell silent.

...

At this moment, Ye Feng and Uncle Lin had already traveled hundreds of thousands of miles in one breath, completely away from the Tianhun Palace.

At this time, they came to an inaccessible place in the wilderness.

Countless towering ancient trees grow on the ground here, and the ground is covered with dense green vines. There are all kinds of miasma, mire, water, etc., making it look like a primeval forest.

Ye Feng supported Uncle Lin, looked around, and said with a smile: "This is already a deep and wild area. Even if the master of the Soul Palace regrets that day, there is no way he can find us two in this vast primitive forest." personal."

Uncle Lin stared at Ye Feng at this time and smiled happily: "You said I was your relative before? Feng'er, thank you."

Ye Feng immediately said solemnly: "Although Uncle Lin and I have not met a few times, and we are not related by blood, Uncle Lin and my father are as close as brothers. Back then, we fought with the ancients for the sake of my father and the Divine Dynasty of Creation. The old man Tongtian fought for three hundred years, fought until the last drop of blood was shed, and only a

remnant of his soul was left. All these made me admire him very much. In my heart, Uncle Lin, you have long been my uncle. "

"well!"

When Uncle Lin heard Ye Feng's solemn words, the middle-aged man's eyes turned red. He patted Ye Feng's shoulder hard and said, "I think if Brother Ye saw how accomplished his son is now, he would definitely Will be extremely happy."

Ye Feng said: "Uncle Lin, I have now become anonymous and infiltrated into the divine capital of Tongtian Divine Dynasty. I also asked a trustworthy friend to find the specific location of Jiuyou Tianlao in the divine capital. This time we return to the divine capital. Du, go and rescue your father immediately!"

When Uncle Lin heard what Ye Feng said, his eyes were suddenly startled and he said: "Feng'er, you have actually lurked in the divine capital of Tongtian Divine Dynasty? Gu Tongtian is there, he will see through your cultivation of the God of Creation. The breath of the technique."

Ye Feng smiled and said: "Uncle Lin, don't worry, that old man Gu Tongtian is currently busy fighting the demons from the dark alien race outside the territory. His true body is not in the city of gods, but just a clone. You can't see through it." My breath of power."

When Uncle Lin heard this, he paused.

Shi breathed a sigh of relief and said, "That's good."

Ye Feng looked at the surrounding primeval forest and said, "For the next period of time, we will cultivate here first, and I will help you, Uncle Lin, to recover and recover."

Uncle Lin nodded and said: "I have been weak for too long. If I don't recover some cultivation, I will just be a drag on Feng'er. Besides, I can teach Feng'er the secrets of martial arts."

Ye Feng suddenly asked: "By the way, Uncle Lin, what kind of cultivation did you have when you were fighting with Gu Tongtian?"

Uncle Lin said: "When I was in my heyday, I was at the sixth level of the realm of gods, the 'true god realm', while your father was at the half-step eternal realm."

Ye Feng's eyes showed a trace of wonder, and then he said: "Now Gu Tongtian has entered the eternal realm, and he also controls the gate of eternal life, the king of artifacts, which is very powerful."

Uncle Lin nodded slightly and said: "Gu Tongtian is indeed a wizard. He comes from the powerful human kingdom of the second universe. His inheritance methods and treasure secrets are very powerful, surpassing the upper limit of our cultivation civilization in the first universe. , Even if we rescue your father, we should not confront Gu Tongtian for the time being. "

Ye Feng nodded and said: "I know this, but this time when I return to the capital of God, I will kill the ancestors of the eight super families one by one."

When Uncle Lin heard this, he saw the piercing cold murderous intent in Ye Feng's eyes and said nothing more.

For the next period of time, Ye Feng and Uncle Lin recuperated in this primitive forest deep in the wilderness.

This wild land is home to countless powerful evil beasts, as well as all kinds of rare natural materials and treasures. Ye Feng harvests a lot every day, which is not only enough for his own practice, but also for Uncle Lin's recovery needs.

In addition, although Uncle Lin has suffered heavy losses now, his cultivation has suffered a serious decline.

But after all, he was originally a super strong person in the final sixth level of the Realm of God, the True God Realm. In terms of martial arts practice, he definitely had extremely high vision and profound knowledge.

Ye Feng benefited a lot from the conversation with Uncle Lin.

Even the martial arts state of mind was improved, breaking through the first heaven and stepping into the seventh heaven of the divine energy realm.

On this night, the night in the wilderness was extremely silent. It seemed that the whole world was dark, and there was no sound of roaring evil beasts.

At this time in a small cave.

"Crackling..."

A bonfire was burning, illuminating the figures of two people in the cave.

At this time, Ye Feng and Uncle Lin were eating barbecue.

Today, Uncle Lin has recovered nearly one-tenth of his cultivation level, nourished by countless evil beasts and natural treasures in the wild forest.

At this time, Ye Feng suddenly looked at Uncle Lin and asked: "Uncle Lin, can you tell me about the collapse of the Divine Dynasty of Creation? Why did Gu Tongtian from the second universe become the prime minister of the Divine Dynasty of Creation? He was trusted by his father, but in the end, Gu Tongtian rebelled and took away the kingdom of the Creation God Dynasty. "

Uncle Lin's eyes showed a hint of surprise, he didn't expect Ye Feng to suddenly ask about this matter.

But then he sighed and said: "Feng'er, you are older now, and it's time to tell you everything about that year. Back then..."

At this time, with Uncle Lin's words, Ye Feng gradually understood everything about that year, and unveiled the history that had been covered in dust for countless years.

It turns out that his father, Emperor Ye Qing, was able to obtain the Divine Secret of Creation, and quickly rose to become the Divine Emperor of Creation in the spiritual world. He created the Divine Dynasty of Human Race in the Spirit Realm. Behind him was the overlord of the Divine Race from the Second Universe. country's help.

This overlord's divine kingdom is called "Gu's Divine Kingdom", and it is the human divine kingdom where Ye Feng's mother lives.

And Gu Tongtian also came from the Gu Kingdom, and was a descendant of the Gu family in the Gu Kingdom. At that time, Ye Feng's mother, the princess of the Gu Kingdom, Uncle Nan, and other powerful people from the Gu Kingdom came to the first universe to assist Emperor Ye Qing rose to power and established the unified Human Race Divine Dynasty, the Fortune Divine Dynasty.

And during this process, Ye Feng's father, Emperor Ye Qing, fell in love with the princess of the Gushi Kingdom, Ye Feng's mother. They came together and gave birth to Ye Feng.

Originally everything was peaceful and smooth. ??

But after Emperor Ye Qing conquered the Kingdom of Creation, the Gu Clan Divine Kingdom, which was originally assisting Emperor Ye Qing, suddenly passed down an order from the second universe, which was to let Emperor Ye Qing, the human god emperor, rule in the spiritual world. Among countless human races on the earth, the belief monument of the Gu's Divine Kingdom was established, allowing all races in the spiritual world to believe in the Gu's Divine Kingdom, and even forcing countless human races in the spiritual world to sacrifice their spirits and souls.

This is tantamount to the Gu clan's divine kingdom treating countless human races in the spiritual world as slaves.

At this time, the ambition of Gu's Kingdom was finally revealed.

Regarding this order, Emperor Ye Qing, who was a native human race in the spiritual world, was of course strongly opposed to this order and was unwilling to carry out the order of the Gu Clan Divine Kingdom that enslaved the human race in the spiritual world.

Therefore, it was this incident that angered the Gu's Kingdom of the Second Universe.

In the perfect world of the second universe, the Gu's Kingdom is an existence like the overlord of the starry sky. It is a behemoth. It is older and more powerful than the super sects such as the Galaxy Holy Land and the Sea Holy Land in the second universe.

Therefore, in a rage, the Gu Clan Divine Kingdom directly asked Gu Tongtian at that time to take action and bring powerful men with him in an attempt to rebel, destroy the royal family of the Creation Divine Dynasty, and replace the Creation Divine Dynasty.

In the end, Gu Tongtian waited for the opportunity, and when Emperor Ye Qing came from Cang

When he was seriously injured after searching for the golden elixir in the restricted area of life above the sky, he directly launched a rebellion, killed the crown prince Ye Feng, and seriously injured Emperor Ye Qing. He was originally going to kill Emperor Ye Qing, but under the influence of Ye Feng's mother, After pleading hard, Emperor Ye Qing was imprisoned forever.

The price is that Ye Feng's mother, the princess of the Gu's Kingdom, is willing to follow the masters of the Gu's Kingdom back to the second universe, and is placed under house arrest in the Kingdom of God, and is not allowed to come out again.

If Uncle Nan hadn't used up his divine power to help the crown prince Ye Feng change his destiny, I'm afraid Ye Feng would have died completely.

When Uncle Lin said this, his tone was filled with deep anger: "So Gu Tongtian stole the fruits of your father's labor and founded the current Tongtian Divine Dynasty, hoping to enslave the entire human race in the spiritual world."

After Ye Feng heard all this, he finally understood all the truth and various grievances of that year.

Ye Feng stared at Uncle Lin and said firmly: "I will definitely rescue my father and mother. When I enter the second universe to practice, I will make a group of big shots in the Gu Kingdom regret their decisions back then!"

Uncle Lin nodded sharply and said: "In the eyes of the behemoths of the second universe like the Gu's Kingdom, the creatures in our first universe, this new universe, including all the races on the spiritual world, are extremely humble."

Ye Feng was a little curious at this time and said: "Although that old man Gu Tongtian established the Tongtian Divine Dynasty, he is only slowly controlling the entire human race in the spiritual world. Why hasn't he forcibly enslaved all the human races in the spiritual world? Logically speaking, the Second Universe The Gu Clan's divine kingdom can send some super strong people to come, which is enough to sweep across the entire spiritual world."

Uncle Lin smiled mysteriously at this time and said: "Because our first universe also has its own guardian, that is the heart of the universe, or the will of the universe."

Ye Feng's eyes moved and he said: "The will of the universe?"

"That's right."

Uncle Lin nodded and said: "Although the small universe of the first universe we are in is just a new universe, it has also given birth to the will of the universe. The supreme existence of the will of the universe will not allow beings that are too powerful from the second universe to enter us. The first universe is destroying, but it is precisely because our will of the first universe has just been reborn, the will of the universe is incomplete, and the way of heaven is incomplete, so the native creatures of our first universe cannot break through eternity in this new universe, even you My father, who was such an amazing genius, even practiced the Divine Art of Creation back then, but in the end his cultivation was only at the half-step level of eternity."

When Ye Feng heard this, he suddenly realized that no wonder in the entire spiritual world, only Gu Tongtian existed in the eternal realm, because he came from the second universe.

"correct!"

Suddenly at this time, Ye Feng seemed to have thought of something. His eyes were full of expectation and he asked: "Uncle Lin, do you know where my father hid the treasury of the Fortune God Dynasty back then?"
