

Ancient 3071

Chapter 3071 What is the charm?

Ye Feng's eyes were full of surprise at this time.

He never thought that this frosty young man was actually the elder brother of the eldest lady Murong Mingyue.

Ye Feng knew something about Murong Mingyue's brother.

After all, Ye Feng has been coming to Yiyuan Daozong for a long time.

Moreover, when the eldest lady Murong Mingyue was in the underground city's black market, she briefly mentioned his mysterious brother.

The eldest lady of the Yiyuan Dao Sect and Murong Mingyue's brother, named Murong Zhentian, is the recognized young master of the Yiyuan Dao Sect and the future heir of the Yiyuan Dao Sect.

However, Murong Zhentian rarely appeared in the eyes of the world on his own initiative. Most of the time, it was Murong Mingyue, the eldest lady, who represented the Yiyuan Dao Sect, visiting various major forces, or completing some official cooperation matters.

As the young master of the Yiyuan Dao Sect, Murong Zhentian is rarely seen in the eyes of the world.

Perhaps this was to protect Murong Zhentian, the young sect leader, from being too public.

But Ye Feng knew that Murong Zhentian was definitely not a simple young sect leader.

Murong Zhentian possesses extremely terrifying strength, and he has also secretly formed a secret force of the One Yuan Dao Sect to hunt down those super geniuses who are hostile to the One Yuan Dao Sect.

Therefore, Murong Zhentian and Murong Mingyue each have their own tasks.

Murong Mingyue is in the bright light, while Murong Zhentian is in the dark.

However, Ye Feng never thought that he would be targeted by Murong Zhentian, a terrifying guy who specializes in hunting down geniuses from hostile forces.

It seems that living in the royal garden with the eldest lady has indeed attracted a lot of people's attention.

And these bad influences indeed made Murong Zhentian have to step in to take care of it.

But Ye Feng felt

There is nothing to be afraid of. After all, the relationship between himself and the eldest lady is still very pure.

I am just temporarily living in the royal garden and enjoying the cultivation environment there. I have no so-called bad intentions towards the eldest lady.

But at this time, Murong Zhentian didn't think so.

He stared at Ye Feng with some suspicion and said loudly: "You should not be a spy from other forces. You came here to get close to my sister purposefully in an attempt to harm the entire Yiyuan Dao Sect. I have been observing you for a long time. I still know this."

When Ye Feng heard what Murong Zhentian said, he couldn't help but said: "Since the young sect master knows that I don't have any bad thoughts towards the eldest lady, why do you come to me specifically? And he seems to be very worried about me. Young Sect Leader, haven't you been observing me for so long? I'm not a bad person."

Ye Feng was still quite surprised at this time. He didn't expect that this young sect leader had been secretly observing him for so long, but he didn't notice anything at all, not even Emperor Chu.

It has to be said that Murong Zhentian, as the young master of the Yiyuan Dao Sect, is indeed very capable.

But it's normal to think about it.

If Murong Zhentian, as the young sect leader, was not strong, he probably would not be able to fulfill his duty of hunting down super geniuses from other hostile forces.

At this moment, after hearing what Ye Feng said, Murong Zhentian's cold expression became even colder, and he said loudly: "Even though there is no problem with your identity, you and my sister both live in The impact on the Royal Garden is really bad, so I came here today to tell you not to live in the Royal Garden anymore. This will be very harmful to my sister and to you.

You are all bad. "

When Ye Feng heard what Murong Zhentian said, his eyes showed a hint of displeasure.

Although the other party is the eldest lady's biological brother and a distinguished young sect leader, Ye Feng is not a soft persimmon.

Ye Feng said aloud: "It won't be of much use if the young sect master tells me about this matter. You have to tell the eldest lady in person. It was the eldest lady who invited me to live in the royal garden, and I often have to accompany her." The eldest lady goes to find Master Yi to make alchemy together. If the young sect master can persuade the eldest lady to let me move out, then I will move out immediately. "

After Ye Feng finished speaking, he turned around and left the scene, walking in a certain direction in the distance.

But seeing Ye Feng just leave like that, and even said such unreasonable words.

Murong Zhentian, the young sect leader, immediately widened his eyes.

It seems that he didn't expect that the other boy would be so courageous.

You must know that his status is extremely noble. He is the young master of the Yiyuan Dao Sect and the future successor of the Yiyuan Dao Sect.

Moreover, Murong Zhentian's own strength and cultivation is still very strong, and he controls a very mysterious hunting organization of Yiyuan Dao Sect.

Therefore, no matter who Murong Zhentian meets, he will be very respectful to him.

Even the elders in the Yiyuan Dao Sect were very fearful and respectful of the young sect leader Murong Zhentian.

No one had ever dared to say such wild and uninhibited words in front of him.

But Ye Feng said so and turned around and left.

boom!

Murong Zhentian suddenly burst out with a huge and cold air, as if he wanted to force Ye Feng to teach this boy a lesson.

But at this time, Murong Zhentian

Suddenly he discovered that Ye Feng had disappeared from his sight.

It turned out that when Murong Zhentian was stunned just now, Ye Feng had disappeared where he was, and he didn't know where he went.

Murong Zhentian immediately couldn't help but murmur to himself: "This boy has a good way of escaping."

After saying that, Murong Zhentian snorted coldly and walked in a certain direction: "Then I will follow your wish and go find my sister. I don't believe that my sister won't listen to me as a brother."

Half an hour later, inside the central hall of Yiyuan Dao Sect.

"There's something wrong with your brain!"

Murong Mingyue scolded Murong Zhentian directly: "Ye Feng is the core figure of our Yiyuan Dao Sect. I have been talking nicely these days and want to tie him to the chariot of our Yiyuan Dao Sect. If you make Ye Feng angry because of Murong Zhentian, then I will break your legs, Murong Zhentian!"

Obviously, Murong Mingyue was very angry at what Murong Zhentian did.

Originally, Ye Feng was the favorite of all the major forces outside. Even the Holy Lord of the Water Holy Land personally wanted to make Ye Feng his Holy Son.

Murong Mingyue has been trying to retain Ye Feng these past few days, and finally made Ye Feng's sense of belonging to the Yiyuan Dao Sect stronger and stronger.

But now, Murong Zhentian actually made such a stupid move, which made Murong Mingyue, the eldest lady, so angry that she went berserk on the spot in the central hall.

Obviously, Murong Mingyue is also a powerful figure and is not afraid of her brother at all, and even calls him by his first name.

Murong Zhentian looked at Murong Mingyue, who was making a fuss, with a cold expression that could no longer be cold.

Instead, he became very shocked and couldn't help but said: "What is the charm of that boy Ye Feng? How did he seduce your soul, sister! Impossible, impossible!"

Chapter 3072 Confrontation with the Master of Dzogchen

What Ye Feng didn't know was that the eldest lady Murong Mingyue had already taught Murong Zhentian, the young sect leader, a lesson on his behalf.

At this time, Ye Feng had already left the Yiyuan Dao Sect and walked in a certain direction outside the Yiyuan Dao Sect.

Ye Feng was going to go out into the vast forest outside and find a ferocious monster with good strength to practice with, to see if the Ancient Holy Body's great creation magic skill that he had just successfully cultivated was powerful.

But just when Ye Feng walked out of Yiyuan Dao Sect, he suddenly sensed several very obscure auras, following him behind him.

These obscure auras all come from the Yiyuan Dao Sect, and they are obviously masters of the Yiyuan Dao Sect.

The first thing Ye Feng thought of was the Prince Alliance.

Because the only person Ye Feng offended among the Yiyuan Dao Sect was the extremely powerful disciple faction of the Prince Alliance.

At this time, Ye Feng calmly continued walking towards the outside.

When Ye Feng came to a rather desolate jungle, he suddenly turned around, facing a certain direction behind him, and said faintly: "You have been following me for so long, and it's probably not interesting to hide it all the time. You can come out directly now, there is no one around here, this is a good opportunity for you to take action. "

The moment Ye Feng finished speaking, there was a sudden "swish" sound in a certain direction not far away, and several figures appeared.

There were seven people in total, all wearing the clothes of the core disciples of Yiyuan Dao Sect.

Their cultivation was much stronger than that of Jin Lieri of the Prince Alliance whom Ye Feng met at that time, and they were all masters at the Aspirational Realm level.

At this moment, these people suddenly said with a sneer: "I didn't expect you, a kid, to have discovered that we were following you. But you discovered that we were following you. Not only did you not run away, but you turned around and let us out. I have to say, you are very brave."

When Ye Feng heard what these prince alliance masters said, he immediately smiled and said, "Your cultivation level is not enough for me to escape."

Hearing what Ye Feng said, the masters of the Prince Alliance immediately laughed out loud: "The cultivation aura on your body is only the first level of the Aspiring Realm, but we are all the tenth level of the Aspiring Realm. Level super masters, we have a total of seven Dzogchen masters,

besieging you, a boy who has just entered the realm of aspiration, killing you is not enough. The reason why we have not taken action is naturally to do it in a deserted place. In this case, Yiyuan Dao The elders of the sect can't find any traces, and they don't know that you were killed by the masters of our Prince Alliance. If you offend our Prince Alliance, you will only die!"

boom!

boom!

boom!

Almost at the moment when these people finished speaking, all seven masters from the Prince Alliance took action in an instant.

It has to be said that these members of the Prince Alliance are still very cautious.

The seven masters of the tenth level of the Dingding Realm, who were in the Great Perfection, took action together and unleashed their most powerful power.

Obviously it was to give Ye Feng no chance to escape, and to completely obliterate Ye Feng!

"Wow!"

At this time, Ye Feng not only did not fall back, but his eyes were bright, and he suddenly leaped to the sky, and then shouted loudly: "I came out today to test my latest magical skill.

The power, since you are so bold, then I will be the first to operate on you! "

Although these people are all disciples of the same sect, if they want to murder Ye Feng, Ye Feng will naturally kill them decisively without any mercy.

At this moment, Ye Feng's body suddenly erupted with a terrifying divine light, and then Ye Feng directly punched it hard.

At this moment, the ancient holy body's great creation power was instantly activated.

With Ye Feng's punch, his fist suddenly transformed into the powerful body of the ancient holy body.

Buzz!

Ye Feng's fist directly turned into the color of pure gold, filled with the mighty golden masculine power, and suddenly collided with the seven masters of the Prince Alliance who aspired to the tenth level of the Heavenly Perfection.

Boom!

The entire sky suddenly erupted with terrifying roars and chaotic sounds.

Then almost at the next moment, Ye Feng's fist burst out with endless destructive light.

The ancient holy body has suppressed an era. At this moment, Ye Feng's fist, although it is only the fist of the ancient holy body, is able to suppress all enemies. It directly sends the masters of the seven prince alliances flying backward. .

"ah!"

"ah!"

"ah!"

The seven masters of the Prince Alliance screamed at this moment, and even spit out a mouthful of blood.

The masters of the seven prince alliances suffered heavy losses at this moment. They couldn't help but said in horror: "How is it possible! How can you, a boy with such a weak cultivation, fight against seven of us at the Great Perfection level by yourself?" Master? This is impossible! It is impossible for such terrifying power to burst out from your body!"

The seven masters of the Prince Alliance had incredible looks in their eyes at this moment.

Originally, they thought that the seven masters of Dzogchen would definitely be able to kill Ye Feng instantly if they joined forces.

Unexpectedly, he was defeated by Ye Feng with just one punch.

But at this time, Ye Feng's eyes were extremely cold, and he did not respond to the seven masters of the Prince Alliance at all. Instead, he continued to fully stimulate the power of the Ancient Holy Body Great Fortune Palace.

Behind Ye Feng, the terrifying shadow of the Ancient Emperor suddenly appeared.

As Ye Feng stretched out his palm, Emperor Huangu's terrifying slap also slammed down, crushing all seven Prince Alliance masters with fearful eyes into pieces.

The seven masters who had reached the tenth level of the Dingjing Realm were wiped out by Ye Feng with a slap.

When Ye Feng saw this scene, his eyes suddenly showed deep excitement.

"Sure enough, the great creation power of the ancient holy body is extremely terrifying, and its destructive power is really amazing! Of course, it may also be because of the blessing of the power of the Supreme Bone in my body that I have such terrifying strength."

Ye Feng couldn't help but murmur at this time.

Buzz!

The next moment, Ye Feng did not hesitate and directly released the Devouring Domain, covering all the seven Prince Alliance masters who were killed by him in the Dark Devouring Domain, quickly absorbing their skills. Build your own strength.

Ye Feng's skill is rapidly transforming and growing at this moment! What Ye Feng didn't know was that the eldest lady Murong Mingyue had already taught Murong Zhentian, the young sect leader, a lesson on his behalf.

At this time, Ye Feng had already left the Yiyuan Dao Sect and walked in a certain direction outside the Yiyuan Dao Sect.

Ye Feng was going to go out into the vast forest outside and find a ferocious monster with good strength to practice with, to see if the Ancient Holy Body's great creation magic skill that he had just successfully cultivated was powerful.

But just when Ye Feng walked out of Yiyuan Dao Sect, he suddenly sensed several very obscure auras, following him behind him.

These obscure auras all come from the Yiyuan Dao Sect, and they are obviously masters of the Yiyuan Dao Sect.

The first thing Ye Feng thought of was the Prince Alliance.

Because the only person Ye Feng offended among the Yiyuan Dao Sect was the extremely powerful disciple faction of the Prince Alliance.

At this time, Ye Feng calmly continued walking towards the outside.

When Ye Feng came to a rather desolate jungle, he suddenly turned around, facing a certain direction behind him, and said faintly: "You have been following me for so long, and it's probably not interesting to hide it all the time. Ye Feng couldn't help but murmur at this time.

Buzz!

The next moment, Ye Feng did not hesitate and directly released the Devouring Domain, covering all the seven Prince Alliance masters who were killed by him in the Dark Devouring Domain, quickly absorbing their skills. Build your own strength.

Ye Feng's skill is rapidly transforming and growing at this moment!

Chapter 3073 The Beast Overlord

"Rumble..."

Huge energy surged rapidly in Ye Feng's body.

It has to be said that the power and energy provided by the seven superpowers who have reached the tenth level of the Dzogchen Realm is still very terrifying.

At this moment, Ye Feng's skill suddenly began to rapidly improve and grow.

"boom!"

Aspiring to the second level of the realm!

"boom!"

Aspiring to the third level of the realm!

"boom!"

The fourth level of the Aspiration Realm!

At this time, Ye Feng's cultivation aura broke through the third level and finally stopped.

Ye Feng's face suddenly showed a look of joy.

These masters from the Prince Alliance have very deep cultivation skills, allowing Ye Feng to break through very quickly.

At this time, Ye Feng searched for the storage rings on these Prince Alliance masters, and then walked quickly in a certain direction in the distance.

Ye Feng came out this time just to have some experience.

Therefore, after Ye Feng killed these Prince Alliance masters who were looking for trouble in this wilderness, he did not return to Yiyuan Dao Sect, but continued to walk quickly towards the wilderness area.

At this time, Ye Feng finally tested it out. The ancient holy body's great creation magic skill was still very terrifying and very powerful.

As Ye Feng walked further and further, he suddenly saw a huge ancient city in the wild forest not far away.

Ye Feng felt very surprised and immediately flew towards this ancient city quickly.

When Ye Feng arrived at the ancient city, he saw that the entire city was crowded with people.

Walking everywhere are warriors and practitioners of all kinds.

At this time, Ye Feng's eyes showed deep surprise.

Because in this

There is such a popular ancient city in the wild forest that is inaccessible to people.

It's really incredible.

But when Ye Feng walked into the city, he discovered it.

There is no city lord or law enforcer in this city.

All are wandering warriors of various kinds, and practitioners of all kinds can be seen everywhere.

At this time, Ye Feng immediately understood that this ancient city should be the kind of city for wanderers.

It is a place specially designed for the practitioners who are practicing in this vast wilderness to rest temporarily.

Ye Feng's eyes showed joy at this time.

It seems that during this period of time, I have been practicing in the wilderness and have a place to stay.

Moreover, Ye Feng also saw that in this ancient city, there were various trading markets, etc., all of which were very popular.

At this time, after Ye Feng watched for a while, he walked out of the city directly, wanting to go to the wild forest to have a good experience.

After all, if Ye Feng wants to quickly improve his cultivation skills, the best way is to swallow all kinds of blood energy.

And this boundless wilderness area is a natural treasure land, home to countless ferocious beasts, as well as natural and earthly treasures.

At this time, Ye Feng walked out of the ancient city and went deep into the wild forest.

Soon, Ye Feng met his first opponent.

It was a huge bear covered with black scales, as tall as a mountain, and full of powerful and terrifying evil aura.

This huge bear covered with black scales was obviously the dominant beast in this area.

at this moment leaf

The moment Feng walked here, he didn't even notice the bear.

This huge bear immediately attacked Ye Feng.

It was as big as a bear's paw, full of unparalleled power.

The black bear claws seemed to be made of steel and could crush anything.

"Boom!!"

At this moment, Ye Feng subconsciously punched the back, and his fist directly collided with the black bear claw, causing a huge roar of metal collision.

Kick, kick, kick!

At this moment, Ye Feng couldn't help but take a dozen steps back. ??

The black bear stood there and did not retreat.

At this moment, Ye Feng immediately showed a hint of surprise in his eyes.

This black bear is so powerful that it can actually challenge his own Chaos Body.

"Roar!!"

At this moment, the black bear couldn't help but roar, obviously not expecting that his incomparable power could kill the seemingly insignificant little human race in front of him.

Uh-huh!

The next moment, Ye Feng rushed forward and directly activated the ancient holy body's great creation power!

"boom!"

Ye Feng's most powerful method now is this ancient holy body's great creation power.

As long as it is in operation, Ye Feng's power can be blessed by the power of the ancient holy body.

Moreover, the master bone fused in Ye Feng's body will also release part of the master's power.

"boom!!"

At this moment, the moment Ye Feng punched out, his fist immediately turned into the pure gold color of the ancient holy body, blooming with a vast and masculine power.

God's light!

"Roar!"

The black bear was also furious at this moment. It seemed that he did not expect that this insignificant human race would dare to take action against him, the overlord of the beast. He was simply extremely bold.

boom!

The black bear's body was filled with turbulent and dark light, and it suddenly bombarded Ye Feng fiercely. It was mighty and powerful, dominating the world, like a black demon god.

At this time, Ye Feng's golden fist, which contained the power of the ancient holy body, suddenly collided with the black bear's paw filled with black light.

"Boom!"

A terrifying roar suddenly erupted across the entire field, and the aftermath of the collision spread toward the surroundings, causing many surrounding trees to collapse and the earth to be shattered inch by inch.

At this time, the black bear's originally ferocious eyes suddenly changed completely.

Because it felt a very terrifying power, bursting out from Ye Feng's golden fist, making his mountain-like body unable to withstand it.

How can this be?

At this time, the black bear, the evil beast overlord, suddenly widened his eyes, as if he couldn't believe that such a small human being could burst out with such giant-like energy from such a weak body.

"Pfft!"

The next moment, Ye Feng's golden fist was simply devastating, containing the ancient power of the ancient times. It penetrated the huge black bear's paw at once.

"howl!!"

The black bear immediately screamed, his eyes finally filled with deep fear, and he quickly ran away in a certain direction in the distance.

"Don't even think about leaving!"

Ye Feng laughed loudly, his body covered with golden light, and he quickly chased in the direction where the black bear was escaping!

Chapter 3074 The strange Great Leiyin Temple

Swish, swish, swish!

Ye Feng was very fast, and in a blink of an eye he caught up with the big black bear in front of him who was running away like crazy.

But just when Ye Feng was about to kill the big black bear with one blow, the big black bear suddenly jumped under the cliff in front and disappeared.

Uh-huh!

Ye Feng's eyes moved and he immediately rushed forward and looked under the cliff.

"This is.....".

He was immediately slightly shocked by the scene under the cliff.

I saw that under this cliff, there was a large ancient building made of gold.

There are no living creatures in this ancient building. It is deserted and mostly dilapidated. It seems to be an ancient ruin.

Ye Feng immediately jumped down and saw a huge plaque at the front of this golden ancient ruins.

The plaque has the four characters "Da Leiyin Temple" written on it, which looks very vigorous and ancient!

Ye Feng's eyes suddenly froze. It seemed that this place should have been an important place of Buddhism back then.

It's just that I don't know what happened and was abandoned.

But Ye Feng also felt very strange.

Why is there such a glorious ancient ruins of the Great Leiyin Temple in the depths of this inaccessible mountain and old forest?

This is obviously unreasonable.

Although as the saying goes, there are treasures hidden deep in the mountains.

However, this is a vast wilderness with countless ferocious beasts. Deep in the forest, ordinary people would never think of building any buildings here.

Ye Feng had curiosity in his eyes and walked directly in.

The next moment, Ye Feng saw the injured black bear hiding in a ruined temple.

Ye Feng immediately rushed over, wanting to kill the big black bear directly.

But just when Ye Feng rushed to the door of this dilapidated temple.

"Boom"!

\u003c

br\u003e The entire dilapidated temple suddenly emitted a bright golden light, and a golden mask appeared, directly blocking Ye Feng.

Ye Feng's eyes revealed a look of surprise.

This big black bear was actually able to enter this dilapidated temple, but he couldn't.

It seems that this ancient ruins are much more mysterious than I imagined.

But Ye Feng had no intention of letting this vicious black bear go.

After all, it was this black bear that provoked him and wanted to kill him.

Moreover, the blood energy in this black bear's body is extremely abundant and majestic, which is of great help to Ye Feng.

At this moment, Ye Feng immediately started to use powerful skills, and then bombarded the building in an instant.

Boom!

Accompanied by a huge roar, Ye Feng's ancient holy body was still full of unparalleled destructive power, and it even directly shattered the surrounding golden light shield at once.

Then the entire dilapidated temple was beaten and collapsed!

The next moment, Ye Feng rushed directly in front of the black bear. He stretched out his palm and pressed it on the head of the black bear. He directly released the Devouring Domain and quickly and continuously absorbed the body of the big black bear. Skill and blood energy.

"Boom!"

Along with the devouring, the black bear's majestic mountain-like body quickly shriveled up.

Huge streams of blood energy were immediately swallowed up by Ye Feng and injected into Ye Feng's body, causing Ye Feng's skill to be greatly improved.

Boom!

Ye Feng's cultivation aura immediately exploded.

He once again broke through to the next level and stepped into

The realm of the fifth heaven of the Aspiration Realm!

Ye Feng's eyes were filled with joy at this moment.

Unexpectedly, just swallowing a black bear would make his cultivation reach a new level.

I have to say that this vast wilderness is really my own paradise, allowing me to improve quickly and continuously. .??.

However, Ye Feng also knew that this vast wilderness was known as the largest primitive jungle in the Eastern Region. It was boundless and contained very terrifying dangers.

It's better not to go too far into this vast wilderness for the time being.

Otherwise, if you really encounter some taboo evil beasts, you will definitely not be able to escape, and you might be killed instantly.

At this time, Ye Feng devoured the black bear and did not leave the golden palace ruins that he suddenly discovered.

This ancient ruins made of pure gold seems to be a very mysterious sacred place for Buddhist and Taoist practitioners in ancient times. It is the legendary Great Leiyin Temple.

If it weren't for the injured black bear that attracted Ye Feng to come here, Ye Feng would never have thought that there would be such a strange place under a cliff.

Ye Feng really found it strange that the sacred Great Thunder Sound Temple was built in the depths of such an uninhabited wilderness. It was really strange.

Ye Feng was ready to investigate.

Uh-huh!

Ye Feng walked out of the collapsed temple at this time, and then walked quickly towards the depths of the golden palace ruins.

When Ye Feng arrived at the most central area, he immediately saw a complete and majestic steel hall, standing on the ground.

On the surface of this steel hall, there are actually golden thunder lights flashing.

Obviously, this steel palace was the most glorious and central palace of the Great Leiyin Temple back then.

Although endless years have passed, the ancient thunder still remains

The energy aura of Otoji.

Ye Feng sensed the terrifying and ancient aura at this moment, and was sure that this was the aura of the extremely innocent Great Leiyin Temple.

Ye Feng's eyes looked expectant at this time. Maybe he could find the powerful inheritance of the Great Leiyin Temple among the ancient ruins of the Great Leiyin Temple.

That is the power that controls the lightning in the sky combined with Buddhism. It is very ancient and powerful.

Ye Feng was now a very brave man and walked directly into the steel hall in front of him without any hesitation.

But after Ye Feng walked into the steel hall, there was a hint of disappointment in his eyes.

Because there is nothing left in this core hall, there are broken utensils everywhere, as well as some collapsed soil, sand and gravel, etc.

Apparently there had been a terrible disaster here, and all the treasures had been plundered.

Ye Feng exuded his powerful soul power at this time, and after a little sensing, he found several devices that still had some lightning energy left.

For example, a broken ancient clock, a string of golden Buddhist beads, and in the end Ye Feng directly took down the plaque emitting golden light of thunder and lightning from the top of the steel hall. Anyway, he must not suffer a loss, and he can take everything away. take away.

Ye Feng felt that these broken utensils might allow him to understand the inheritance of the Great Leiyin Temple and master the golden mysterious power of Buddhist thunder and lightning.

"Buzz!"

But just when Ye Feng took down the huge plaque emitting golden light of thunder and lightning, suddenly a terrifying and ancient evil energy burst out from under the entire Great Leiyin Temple. .

It was as if there was a sealed peerless evil demon under the Great Thunder Sound Temple, and it was about to escape!

Ye Feng felt this aura, and his expression suddenly changed. He quickly put the plaque in his hand into his storage ring, and then quickly ran outside!

Chapter 3075 Priceless Promise

"It turns out that there is a peerless evil demon suppressed under the Great Thunder Sound Temple!"

Ye Feng escaped outside at this time and immediately understood something, with a hint of ugliness in his eyes.

It seems that when I came to the Great Leiyin Temple, I unintentionally unlocked the ancient seal, so that the peerless evil demon was about to escape from the underground seal.

At this time, Ye Feng's first thought was to escape from here.

After all, Ye Feng felt that ferocious aura, which was very terrifying and majestic. It was not something he could resist temporarily.

"Can't leave."

But at the next moment, Ye Feng suddenly felt that the surrounding space had become very viscous, as if the entire air had turned into mercury.

At this time, Ye Feng's whole body could not move even a little bit, which made Ye Feng's eyes suddenly change suddenly and became a little ugly.

"Boom!"

And while Ye Feng was thinking, the steel palace behind him, the Great Thunder Sound Temple, suddenly erupted with a terrifying roar.

The entire Great Lei Yin Temple collapsed suddenly, and then the ground collapsed rapidly.

A giant black dragon with nine heads flew out from the deepest part of the ground. Its body was as majestic and boundless as a hundred thousand mountains. It looked full of monstrous aura, giving people a very terrifying visual impact. feel.

This is a dark nine-headed dragon from ancient legends!

Full of terrifying dark power!

The nine huge dragon heads are extremely ferocious, and a total of eighteen pairs of terrifying eyes are emitting red light.

At this moment, Ye Feng immediately felt a deep sense of suffocation. He felt that this dark nine-headed dragon seemed to have traveled from mythical time and space, giving people an infinitely shocking sense of antiquity and vicissitudes. At once

It's like seeing a myth and legend with your own eyes!

"Space Gem!"

At this time, Ye Feng immediately activated the power of the space gem on his body, trying to break through the space and escape quickly towards the distance.

But at the next moment, the dark nine-headed dragon suddenly made an ancient and majestic voice: "You saved me accidentally and you are my savior. Why do you run away when you see me? Do I look so scary??"

Hearing the voice of this dark nine-headed dragon, Ye Feng's eyes suddenly froze, as if he didn't expect that the other party would actually say such words.

At this time, Ye Feng found that it was difficult to escape from the power of the space gem, so he simply stopped escaping for the time being. Instead, he turned around, looked at the dark nine-headed dragon that covered the sky, and said loudly: "You are The peerless evil demon that Da Lei Yin Temple suppressed back then, of course I will run away when I see you."

Hearing what Ye Feng said, the Nine-Headed Dragon of Darkness immediately spoke up and said: "I was indeed a peerless and vicious existence back then. However, the fact that I was suppressed by the Great Thunder Sound Temple was not because I had committed any heinous sins. It was purely because of that. The old bald men were unhappy with me. I was entrenched in the dark depths of the wilderness and did not go out to cause harm to the world. Those old bald men sensed my dark aura and immediately took action to suppress me. In fact, I am not evil, but I am indeed a dark creature, the dark overlord in the depths of the wild forest."

After the dark nine-headed dragon finished speaking, the light all over his body flashed, and the majestic body that covered the sky suddenly disappeared, and turned into a young man wearing a black robe, with a very strange appearance.

Obviously, this is his transformed form.

This young man in black robe, also known as Hei

The dark nine-headed dragon walked towards Ye Feng at this time and waved his hand, and the space constraints around Ye Feng disappeared immediately.

Ye Feng immediately understood at this time that the Dark Nine-Headed Dragon did not have any hostility towards him, and was even somewhat grateful for his saving grace.

Otherwise, I don't know when this dark nine-headed dragon will be able to escape.

Moreover, if this dark nine-headed dragon was really hostile to him, he would have killed him long ago and would not have been so patient in talking to him for so long.

Ye Feng clasped his fists slightly at this time and said loudly: "Junior Ye Feng, comes from the Eastern Territory."

The cultivation level of this dark nine-headed dragon is unfathomable. In the previous era, it was a dark overlord level existence. Ye Feng naturally had to keep his posture lower.

When the Dark Nine-Headed Dragon saw Ye Feng introducing himself, he immediately smiled and said: "In any case, you took off the plaque of the Great Lei Yin Temple and allowed me to escape, and you can be regarded as my savior. Although you did it unintentionally, but the fact that you saved me is real, so I will remember you, a young man from the human race. If you are in any danger in the future, you can always come to the depths of the wilderness. Come to me in the darkness and I will keep you safe."

When Ye Feng heard what the Dark Nine-Headed Dragon said, he immediately felt happy. It seemed that he had another big backer, and this backer was extremely big.

It is estimated that the dark overlord like the Dark Nine-Headed Dragon in the depths of the wild forest is comparable to the level of the Supreme Headmaster of the Yiyuan Dao Sect, or even surpasses the Supreme Headmaster of the Yiyuan Dao Sect.

However, Ye Feng couldn't help but asked curiously: "I wonder what the true strength of Senior Dark Nine-Headed Dragon is?"

When the Dark Nine-Headed Dragon heard Ye Feng's question, he immediately smiled and said

Said: "If you can't dominate, who can compete with you?"

Buzz!

After saying that, the dark nine-headed dragon jumped up and disappeared in place. The last voice sounded throughout the world: "Young man from the human race, my savior, I look forward to our next meeting."

After the voice fell, the voice of the dark nine-headed dragon also disappeared.

Ye Feng stood there at this time, slightly shocked.

If you can't dominate, who can compete with you?

In other words, the true strength of this dark nine-headed dragon has definitely surpassed the supreme leader of the Yiyuan Dao Sect.

This dark nine-headed dragon is definitely the strongest group of transcendent beings under the Lord!

"This time I really have a huge backer."

Ye Feng couldn't help but murmur.

I didn't expect that one of my unintentional actions would bring me such huge benefits.

Although it is just a promise from the Dark Nine-Headed Dragon, this promise from a transcendent existence is priceless and cannot be bought with any amount of money.

At this time, Ye Feng was in a good mood. He continued to hum a little tune and exude his soul power to see if there were any treasures or resources left behind in the ancient ruins of the Great Leiyin Temple.

"Ye Feng, go take a look under the collapsed ground just now. There seems to be some good things there."

Suddenly at this moment, Emperor Chu's voice sounded in Ye Feng's mind.

"Under the collapsed ground? Is it under the ground where the Dark Nine-Headed Dragon was sealed before?"

Ye Feng's eyes moved, he nodded immediately, jumped into the collapsed ground of the Great Leiyin Temple, and fell quickly.

Chapter 3076 What a courage

Swish, swish, swish!

Ye Feng's entire body was falling rapidly.

As he fell, Ye Feng felt that the air underground was getting colder and colder.

Boom!

The next moment, Ye Feng fell to the ground.

The entire underground was filled with darkness.

However, the light projected from high in the sky allowed Ye Feng to see slightly.

At this time, Ye Feng saw that there were many black flowers growing under the ground and on the surrounding soil and rock walls.

These black flowers exude a dark light and have a very strong medicinal fragrance, which looks very extraordinary.

"This is the dragon blood orchid. The life energy of the dark nine-headed dragon caused a qualitative change in the surrounding land environment, so such precious medicinal materials grew." Emperor Chu said aloud in his mind.

Ye Feng nodded slightly, his eyes looking quite happy. This kind of dragon blood orchid is very rare and an extremely precious medicinal material.

Although there is no special energy contained in the dragon blood orchid, it is a necessary material for many alchemies. It can greatly improve the original quality of an elixir and can definitely be auctioned for sky-high prices in the alchemy world.

Swish, swish, swish!

At this time, Ye Feng didn't hesitate at all. He stretched out his hand and quickly picked up the dragon's blood orchids growing around him.

It has to be said that the Dark Nine-Headed Dragon is indeed the strongest group of beings under the Lord.

It has stayed here for so many years and produced countless dragon blood orchids.

Ye Feng almost filled his storage ring with dragon blood orchids.

Next, Ye Feng noticed that there were many broken iron cables in this underground abyss.

These iron ropes are all golden, surging with golden light of thunder and lightning.

"This should be the iron rope that locks the Dark Nine-Headed Dragon."

Ye Feng immediately guessed these special features.

The role of special iron rope.

Ye Feng thought for a while and put these broken iron ropes into his storage ring.

Because these iron ropes, since they can restrain the Dark Nine-Headed Dragon, must be made of very high-grade materials.

Moreover, there is golden light of thunder and lightning surging on these iron ropes, which is the inheritance power of Great Leiyin Temple.

Like the plaque Ye Feng got before, it contains the secret of the inheritance of the Great Leiyin Temple. If you take it back, you should be able to understand the inheritance power of the Great Leiyin Temple.

At this time, Ye Feng collected the broken golden iron ropes, then continued to look around, and sensed it with his soul power, but there was nothing.

Uh-huh!

Ye Feng no longer hesitated the next moment and rushed out of the abyss and returned to the ground again.

"boom!"

But just when Ye Feng came to the ground, suddenly a huge iron seal, the size of a mountain, pressed down from high in the sky, directly pressing on Ye Feng's spine.

Buzz!

This mountain-like iron seal is definitely a very terrifying magic weapon. It is full of huge weight. It is so heavy that Ye Feng can't help but sink at this moment, and he is unable to move for a moment. .

However, it only made Ye Feng unable to move and did not harm Ye Feng's body at all.

At this time, Ye Feng looked around and suddenly discovered that there were many masters wearing wandering warriors standing around.

There are a dozen of them in total, and their cultivation levels are all at the level of Dzogchen, the tenth level of the Aspiration Realm.

This kind of cultivation is already very powerful.

At this time, Ye Feng suddenly understood something.

It seemed that he was being targeted by a group of ruthless wandering warriors.

The huge commotion caused by the collapse of the Great Thunder Sound Temple here attracted the attention of the wandering warriors around, so they rushed over and tried to imprison themselves instantly.

"How can it be?"

At this time, seeing that Ye Feng's body was only slightly bent by the pressure of the huge iron seal, it seemed that no damage was caused at all. This made many wandering warriors around the scene suddenly have deep expressions in their eyes. The color of shock.

You know, their original plan was to use this extremely powerful and huge iron seal magic weapon to instantly crush Ye Feng who had just rushed out of the abyss into pieces, and then rob Ye Feng of his wealth.

Unexpectedly, Ye Feng's body could withstand the pressure of the huge iron seal without any harm at all. It was really terrible. This was a powerful body that could rival wild ferocious beasts!

Buzz!

At this moment, Ye Feng was carrying the huge and heavy iron mark on his back, his eyes became extremely cold, he stared at the dozen wandering warriors not far away, and said slowly: "You are so brave. , you dare to set a trap here to kill me, none of you need to leave today, you will all die in my hands! "

Boom!

After Ye Feng finished speaking, terrifying power suddenly erupted from his body.

boom!

At this moment, Ye Feng activated the power of the ancient holy body's great creation power. His whole body was covered with golden light, and the boundless and terrifying brute force of the ancient holy body surged out from every inch of his body. The huge iron seal that was pressing down like a mountain was sent flying backwards by the impact.

Uh-huh!

Then, like a real dragon lurking out of the abyss, Ye Feng rushed towards the dozen wandering warriors in front of him.

, punched out hard.

"boom!!"

A huge golden beam of light struck out from Ye Feng's fist, instantly smashing the two stunned wandering warriors into pieces.

"retreat!"

"Quickly retreat!"

"This kid is too scary!"

When the remaining wandering warriors saw Ye Feng's ferocity, they screamed and ran away frantically around them.

They originally thought that Ye Feng was just a lucky boy hunting for treasure here.

Unexpectedly, Ye Feng turned out to be an extremely powerful and terrifying existence.

Not only is his physical strength terrifying, but he also possesses a powerful inheritance with astonishing destructive power, which is simply not something they can fight against.

"This must be a peerless genius from a certain super power, otherwise it would be impossible to have such terrifying combat power!"

Many wandering warriors around could not help but scream.

"Ten Thousand Heavy Waves Technique!"

Seeing so many wandering warriors fleeing around him, Ye Feng instantly burst out the Neptune inheritance of the ancient marine civilization that he had practiced before, Ten Thousand Waves Technique!

This is a group inheritance attack technique!

"Rumble..."

The moment Ye Feng was released, with his body as the center, he quickly surged towards the surroundings.

The endless blue waves rushed quickly, covering all the dozen or so wandering warriors who were escaping around them.

Just like a realm of wild waves, the boundless sea enveloped all the wandering warriors.

Even if all the wandering warriors are highly skilled, at this moment their footsteps feel like lead, extremely heavy, and they can no longer escape.

Chapter 3077 Silver Giant Wolf

"This power is so powerful that there is no way to escape!"

At this moment, a group of wandering warriors were all trapped in the blue ocean released by Ye Feng, their eyes full of horror.

Because their cultivation at this moment simply cannot be released to resist Ye Feng.

Ye Feng's source of power is so strong that it is like a vast ocean.

At this time, Ye Feng once again exploded with his powerful skills.

boom! ??

Not far away, a wandering warrior who was bound in the ocean exploded in an instant.

"hiss!"

Seeing this terrifying scene, a group of other bound wandering warriors around them couldn't help but have deep horror in their eyes.

They immediately couldn't help shouting: "Boy, we are members of the Qingyuan Wandering Alliance. If you really kill all of us, our Qingyuan Wandering Warrior Alliance will never let you go." !”

Hearing what these wandering warriors said, Ye Feng immediately smiled coldly and said: "You ambushed me outside, trying to kill me and plunder my wealth, and now you actually want to use what you have behind your back. The so-called forces are threatening me? This doesn't exist at all. Threats are what I fear the most in my life!"

Boom! !

Almost at the moment Ye Feng finished speaking, Ye Feng exploded with his most powerful power.

Suddenly, the vast sea released around him surged rapidly, and all the wandering warriors bound in it were exploded by the impact.

Ye Feng looked at this cruel scene on the field without any fluctuation in his eyes.

From the moment they tried to murder him, these people were already dead in Ye Feng's eyes.

"boom!"

this

At this moment, Ye Feng directly released his huge devouring domain, instantly swallowing up all the blood energy skills of these wandering warriors.

Then Ye Feng felt that his skill had been greatly improved in an instant.

You know, the strength of these wandering warriors is still very good.

So at this moment, Ye Feng suddenly burst out with a breakthrough momentum.

He directly broke through the first level of heaven again and broke through to the level of the sixth level of Aspiration Realm.

And at this time, Ye Feng took away the storage rings from these wandering warriors and discovered that they contained a lot of resources and wealth.

Ye Feng's eyes lit up slightly, he had made a small fortune.

Of course, what Ye Feng was most looking forward to was the big steel seal that oppressed him before.

You know, that steel seal is definitely a very powerful magic weapon.

It actually made Ye Feng almost unable to withstand the chaotic body just now!

Absolutely a treasure!

So at this time, Ye Feng flew directly to a certain direction not far away and found the big steel seal just now among the ruins.

This steel seal, without the input of mana at this moment, has become only the size of a palm.

Ye Feng held this palm-sized steel seal in his hand and could feel the terrifying weight and solidity contained in it.

Ye Feng tried to input his own magic power and entered this steel seal.

Boom!

The palm-sized steel seal in his hand immediately changed rapidly.

It became as big as a mountain.

And with Ye Feng's mana input, the size of this steel seal is getting bigger and bigger, becoming more and more majestic, as if it will never end.

It seems that as more mana is input, it becomes more majestic and heavier.

When Ye Feng saw this scene, there was a trace of surprise in his eyes.

It seems that the material used for casting this steel seal is a very special growth material, not an ordinary steel material.

At this moment, Ye Feng quickly refined the steel seal and then left the scene.

However, not long after Ye Feng left this ancient ruins, in a forest, suddenly from a certain direction in the distance, an extremely angry roar suddenly sounded: "You dare to kill us, Qingyuan Wanderers" No matter who the core member of the alliance is, you will definitely die!" ??

boom!

Almost at the next moment, Ye Feng immediately discovered that a golden beam of light suddenly projected down from high in the sky, shining right on himself.

At this time, Ye Feng immediately released a powerful force, trying to smash the golden beam of light.

But the next moment, Ye Feng was stunned because he discovered that this golden beam of light had no power at all and had no harmful effect.

Emperor Chu's voice rang in his mind: "This is a tracking method. Now that your body has been marked by something invisible, it is estimated that a strong person will come to hunt you down later."

When Ye Feng heard what Emperor Chu said, he was stunned for a moment, then nodded, with a cold look in his eyes, and said loudly: "Whoever dares to chase me, I will let him know what cruelty is. "

After saying that, Ye

Feng jumped up, left the spot, and continued to rush towards the depths of the wild forest.

Ye Feng is not ready to leave this wild forest for the time being, because Ye Feng still needs to continue to hunt the ferocious beasts in the wild forest and devour breakthroughs. Currently, Ye Feng is still not satisfied with his own cultivation.

Three days later.

Full moon night.

"howl!"

A giant wolf covered with silver-white hair screamed at this moment, and was blasted by Ye Feng with a large steel seal, causing cracks all over its body and blood seeping out.

This silver giant wolf is a very terrifying beast of the wilderness, the king among evil beasts, with a very noble bloodline.

But at this moment, this evil beast of the emperor was unable to withstand the attack of Ye Feng's extremely heavy steel seal.

At this time, the giant silver wolf roared, seeming to activate some noble blood energy, and the entire body suddenly emitted a rich red blood light.

The energy momentum of the entire silver giant wolf suddenly began to rise steadily, breaking through the existing realm and breaking through to the Heavenly Master realm above the Aspiration realm!

"boom!!"

The giant silver wolf roared loudly, opened its mouth and spit out a huge crimson light ball, exuding a destructive aura, which suddenly hit the direction where Ye Feng was standing at this moment.

"Boom!!"

Suddenly, the place where Ye Feng was standing exploded, the earth shattered, and a huge mushroom cloud exploded on the spot, which was extremely terrifying.

The giant silver wolf made a cold voice: "Fortunately, at the last moment, I broke through the shackles of my bloodline and was hit by my blood-light explosion. A radius of several hundred meters would be blown into a vacuum in an instant. This human race is absolutely dead." "

Chapter 3078 What on earth are you going to do?

Boom!

The terrifying roar lasted for a long time.

The ground not far away was all broken.

The silver giant wolf's eyes were extremely cold, but he was panting.

Because the attack just now, although the destructive power was very terrifying, it consumed a huge amount of energy from the silver giant wolf.

At this time, the silver giant wolf couldn't help but walk not far away, ready to take a good rest.

"Do you really think your attack just now can kill me?"

Suddenly at the next moment, a cold voice suddenly sounded.

"What?!"

Hearing this voice, the silver giant wolf's red eyes suddenly widened. ??

Uh-huh!

It turned around instantly, trying to see clearly what was happening not far away.

But at the moment when the silver giant wolf turned around.

Its vision was already pitch black.

"Pfft!"

Ye Feng came in and smashed the giant silver wolf's head into pieces with one palm.

Silver giant wolf, die!

"Swallow!"

The next moment, Ye Feng directly released his Devouring Domain, which suddenly enveloped the entire body of the silver giant wolf in front of him.

Wow!

Suddenly, streams of very majestic and pure energy were directly absorbed by Ye Feng and injected into his body.

The powerful cultivation skill that this silver giant wolf has just broken through has become Ye Feng's best nourishment.

At this moment, Ye Feng's cultivation aura suddenly began to continuously break through.

"boom!"

Aspiring to the seventh level of the realm!

"boom!"

Aspiring to the eighth level of the realm!

At this moment,

Ye Feng's cultivation level directly broke through two levels of heaven!

It has to be said that the skill of this giant silver wolf is still very profound, which has greatly increased Ye Feng's skill.

At this time, Ye Feng's eyes showed a trace of brightness.

It seems that constantly hunting various ferocious beasts in this vast wilderness is the best way to improve yourself.

"call out!"

But just when Ye Feng was secretly happy, suddenly from a certain direction not far away, in the dark night, an extremely fast arrow roared towards him!

This arrow was very fast and flew in front of Ye Feng in a blink of an eye, trying to pierce Ye Feng's head.

"when!"

But the next moment, the arrow hit Ye Feng's head, making a clanging sound like the collision of steel.

This arrow could not pierce Ye Feng's head at all, because the bones of Ye Feng's body were so strong, as if they were made of divine iron.

At this moment, Ye Feng quickly looked in a certain direction behind him.

Although it is dark night.

But Ye Feng used the Divine Eye of Creation at this time, and immediately saw in the dark night, in a certain direction not far away, a figure wearing black clothes, lying in the dark jungle, holding a huge crossbow in his hand.

This is a lightweight war repeating crossbow that is full of terrifying impact and can kill an ancient bull in an instant.

But this crossbow arrow could not break Ye Feng's head.

"How can it be?"

At this moment, the man in black who was secretly lurking to assassinate Ye Feng suddenly widened his eyes when he was exposed. It seemed that he did not expect Ye Feng to be so...

Hard to kill.

"He must be a master of the Qingyuan Wandering Alliance!"

Ye Feng said aloud at this time, and then quickly rushed in that direction.

Seeing Ye Feng rushing over, the man in black immediately released a series of crossbow arrows.

Moreover, each type of crossbow arrows are of different colors and contain various powers with different attributes. .??.

Some crossbow arrows seemed to be made of ice, and they shot into Ye Feng's body, freezing half of Ye Feng's body.

Some crossbow arrows were pitch black, and when they hit Ye Feng's body, Ye Feng's entire body was immediately enveloped in a black air, which seemed to contain violent toxins.

There are also flaming crossbows, etc., all of which have different destructive powers.

This man in black obviously has the talent for secret assassination. Each crossbow arrow is very fast, like lightning, directly bombarding Ye Feng's body, and Ye Feng has no time to avoid it.

But what made the man in black more and more shocked was that no matter what kind of crossbow arrows he released, they could not cause substantial damage to Ye Feng.

Ye Feng's entire body turned into the color of pure gold, like a war machine made of gold. A terrifying divine light and power flowed through his entire body, making Ye Feng invincible.

"This is impossible!"

The man in black was completely desperate.

Although he succeeded every time he attacked, he was unable to cause any damage to Ye Feng, which really made the man in black feel a deep sense of powerlessness.

At this time, Ye Feng laughed loudly: "These assassination methods of yours are of no use to me at all, just come out to me!"

Boom! !

leaf

After Feng finished speaking, his whole body suddenly burst into golden light.

It released the power of the ancient holy body, and the whole person was filled with infinite brute force.

Ye Feng stretched out a hand at the next moment.

Buzz!

The hand immediately transformed into a majestic golden hand, full of vigorous power, and instantly captured the man in black who was fleeing secretly not far away into the golden hand.

"ah!"

The man in black shouted, and his whole body was directly grabbed by Ye Feng's big golden hand. He couldn't help shouting in an instant: "Let me go! I am the biological brother of the Great Protector of the Qingyuan Wandering Alliance. , if you kill me, there will be very serious consequences!"

"The great protector's biological brother?"

When Ye Feng heard what the man in black said, a cold smile suddenly appeared at the corner of his mouth, and he said loudly: "It seems that you people in the Qingyuan Wandering Alliance only know how to threaten others. The ten people I killed before Several wandering warriors also threatened me like this, but I killed them all!"

Hearing what Ye Feng said, the man in black immediately felt extremely cold all over his body.

He understood at this time that threats alone would definitely not save his life.

At this time, just when Ye Feng wanted to kill the man in black, the man in black suddenly said: "Aren't you curious that all the masters of our entire Qingyuan Wandering Alliance have come to such a desolate place?" What on earth are you going to do in the wild forest?"

Hearing what the man in black said, Ye Feng immediately showed a trace of surprise in his eyes, and asked aloud: "You said you are the brother of the great protector? It seems that you are in the Qingyuan Wandering Alliance. He is a person of high status, so I will trust you for once. Please tell me quickly, what are all the masters in your alliance doing in this wild forest? "

Chapter 3079 War Emperor

When the man in black heard what Ye Feng said, he immediately breathed a sigh of relief.

His life was finally saved.

At this time, seeing Ye Feng staring at him, the man in black took a quick breath, and then said aloud: "This time our Qingyuan Wandering Alliance came to such a remote place as the Wild Forest, mainly to find an ancient human emperor. The place of rest."

When Ye Feng heard this, a look of deep surprise suddenly appeared in his eyes, and he couldn't help but said: "Ancient Human Emperor? Someone who can be called a Human Emperor must be an extremely terrifying existence."

The man in black immediately nodded and said loudly: "Yes, that ancient human emperor is very powerful in the history books. He once challenged all the evil beast overlords in the entire wild forest. The purpose is to To put down the turmoil of evil beasts in the vast wilderness, that is a human emperor with extremely strong combat power, who is called the Emperor of War! "

At this moment, the man in black was speaking with deep awe in his tone.

Obviously, even though this group of Qingyuan Wandering Alliance wants to plot the treasures and resources left by the War Emperor, they are still in awe of the powerful existence of the War Emperor.

It can be seen from this that the fighting power of this War Emperor and the records in the history books are so deeply rooted in the hearts of the people that this group of ferocious Rangers Alliance who only know how to plunder is in awe of him.

At this time, Ye Feng asked aloud: "So where are your entire Qingyuan Wandering Alliance teams now?"

The man in black said aloud: "Now the entire team is in a valley not far from here. That valley seems to be connected to the place where the War Emperor died."

When Ye Feng heard what the man in black said, he couldn't help but said: "Then take me to that place immediately. I want to see it myself."

"this....."

Hearing that Ye Feng was leaving so soon, the man in black immediately came

Some hesitation.

"Um?"

When Ye Feng saw the man in black hesitate, his eyes suddenly showed a hint of coldness.

Obviously, Ye Feng knew that the man in black wanted to delay time.

However, Ye Feng's cold eyes made the man in black couldn't help but tremble.

The man in black immediately said, "Okay, I'll take you there now."

Uh-huh! Uh-huh!

After finishing speaking, Ye Feng nodded, grabbed the man in black, and then said loudly: "If you dare to do anything abnormal, then I will kill you in an instant. If you want to save your life, , you'd better listen to me, otherwise I will let you know what cruelty is."

After finishing speaking, the man in black nodded quickly, apparently becoming more honest than before, and flew quickly towards a certain direction not far away with Ye Feng.

The two of them moved very fast, and in a blink of an eye they passed through a large jungle and arrived at a continuous mountainous area.

At this time, Ye Feng led the man in black to the top of a mountain, and then looked into the distance.

Standing on the top of the mountain, the field of vision is very broad. Ye Feng's eyesight is very good. In an instant, he saw figures in homeless clothes standing in a huge valley among the mountains not far away. .

There were one or two hundred people in total, and it seemed that there was strength in numbers, and the aura of cultivation on each of them was extremely powerful.

Most of their cultivations have surpassed the Aspiration Realm, and they are powerful beings at the Heavenly Master Realm level.

Ye Feng even sensed that there were still some Qi among this group of people.

The breath is very unfathomable.

It is estimated that it has surpassed the Tianshi Realm and is as powerful as the Divine Mansion Realm above the Tianshi Realm.

The Divine Mansion Realm, Ye Feng once heard the eldest lady Murong Mingyue say, is a very terrifying realm.

Once you step into the realm of the God's Palace, it means that the monks can connect with the legendary Palace of Gods, draw a steady stream of majestic power from heaven and earth, and be able to explode with overwhelming super power in every move they make. strength.

So at this time, Ye Feng's eyes were full of surprise. He didn't expect that there was such a powerful existence in the Qingyuan Wandering Alliance.

At this moment, Ye Feng immediately looked at the man in black beside him and said, "I didn't expect that your Rangers Alliance would have so many masters."

Hearing Ye Feng say such words, the man in black immediately moved his eyes, as if he felt that Ye Feng was afraid.

The man in black immediately became proud again, and couldn't help but said: "If you let me go now, I can consider concealing the news of your attack on me. You can get out of here now, I won't let anyone Come to arrest you. You must know that my brother is the great protector of the Qingyuan Wandering Alliance. He is a powerful being at the tenth level of the Heavenly Master Realm. He is one of the best masters in our Qingyuan Wandering Alliance, second only to To the leader and several deputy leaders of our Qingyuan Wandering Alliance."

When the man in black said these words, Ye Feng immediately showed a smile in his eyes.

It seemed that the other party felt that he was afraid.

Ye Feng immediately stared at the man in black in front of him and said slowly: "You think I'm afraid? Then your feeling is wrong! I'm not afraid at all, I even feel a little excited. If I can find a way to swallow If I get rid of this group of powerful masters, my skills will be improved and strengthened hundreds of times!"

\u003c

br\u003e Hearing what Ye Feng said, the man in black immediately showed a look of deep horror in his eyes.

He stared at the evil-looking smile on Ye Feng's face in front of him, and immediately exclaimed: "Swallow?! You! Are you the legendary evil practitioner! No! I want to inform them!"

boom!

At this moment, a huge cultivation aura suddenly burst out from the man in black, trying to break through Ye Feng's confinement.

"Pfft!"

But the next moment, Ye Feng stretched out his five fingers and pierced the head of the man in black, killing him instantly.

Then Ye Feng directly released the power of devouring, swallowing up the man in black's skills and the memory fragments in his soul.

At this moment, Ye Feng activated the special ability of the Chaos Body, disguised and transformed his whole person, and turned into the appearance of the man in black and the cultivation aura of the man in black.

Then Ye Feng read some of the memory fragments of the man in black, and after understanding some basic information, he flew directly towards the valley not far away.

In order to avoid exposing his secret, Ye Feng did not go directly into the core area of the valley to meet the so-called great protector.

Ye Feng just covered his face and stood among the members of the Qingyuan Wandering Alliance on the outside, waiting silently.

At this moment, the group of strong men from the Qingyuan Wandering Alliance in the core area seemed to be discussing how to open the passage to the depths of the valley.

Because there is a huge bronze portal across the sky blocking the way to the deep area of the valley.

The legendary War Emperor died in the depths of this valley.

No one knows how that powerful war emperor fell.

Chapter 3080 Bronze Giant Sword

At this time, Ye Feng was standing in the crowd. Although he was standing in the outer area, he was slightly exuding his soul power and exploring the core area of the valley not far away.

Buzz!

The moment Ye Feng's soul power touched the bronze door that towered into the sky, he suddenly felt a terrifying iron-blooded killing aura, which instantly hit his mind.

"boom!"

At this moment, Ye Feng's eyes were startled, and he quickly mobilized his huge soul power to form a soul barrier to resist this iron-blooded murderous energy.

"Click, click..."

But the next moment, Ye Feng was shocked to find that his soul barrier only resisted the iron-blooded killing energy for a short moment, and then it shattered inch by inch.

"Soul Gem!"

At this moment, Emperor Chu released the power of the soul gem, forming a red light shield in Ye Feng's mind, and finally resisted this iron-blooded murderous energy.

It has to be said that this murderous aura was so terrifying that Ye Feng couldn't help but feel deep curiosity in his heart.

How could this huge bronze door have such a terrifying murderous aura?

"That's not a door, but a sword, an ancient war sword." Suddenly, Emperor Chu spoke in his mind.

"A sword?"

Hearing what Emperor Chu said, Ye Feng's eyes suddenly froze.

Is this a sword?

Looking at the huge bronze door towering into the sky in front of him, Ye Feng felt a little incredible.

Buzz!

At this moment, Ye Feng turned his Divine Eye of Creation and looked directly into the distance, towards the highest altitude.

His gaze followed the majestic giant bronze door and looked upwards, rising higher and higher...

Finally, Ye Feng's eyes traveled through the clouds and reached above the clouds.

His eyes suddenly trembled.

As expected, a huge sword hilt appeared at the top of the giant bronze door that spread above the clouds!

In other words, the huge bronze door that everyone can see below

, just the sword body part of this giant sword.

The tip of the sword is inserted into the earth.

The body of the sword is revealed to the world.

The hilt at the top is hidden above the clouds.

Shocking!

Very shocking!

Ye Feng never expected that this was actually a huge sword that penetrated the clouds and entered the sky. It was inserted here, towering into the sky, majestic and vast.

"No wonder there is such an extremely terrifying iron-blooded killing aura that my soul was almost shattered by the impact."

At this time, Ye Feng couldn't help but murmur in wonder.

At this moment, Ye Feng asked in his mind: "Emperor Chu, what is the level of this giant bronze sword?"

Emperor Chu smiled slightly and said aloud: "I don't know the specific level. Anyway, it must be very high-level. And I guess that this bronze giant sword should be the battle sword of the fallen ancient war emperor."

Hearing what Emperor Chu said, Ye Feng's eyes suddenly lit up.

If I can get this giant bronze sword, then this trip will be worthwhile.

At this time, Ye Feng was very grateful to the man in black who assassinated him before.

If it weren't for him, he wouldn't have been able to find this place.

And just when Ye Feng was secretly thinking about how to get this giant bronze sword.

In the core area not far ahead, a group of core powerhouses from the Qingyuan Wandering Alliance were shocked to find that no matter what attacks they used, they could not destroy the bronze gate towering into the sky in front of them.

Even the powerful attack released by the leader of the Qingyuan Wandering Alliance, the only one among the people present who has surpassed the Aspiration Realm and the Heavenly Master Realm to be in the Divine Mansion Realm, cannot cause any damage to this bronze gate. harm.

This put everyone in trouble.

At this time, the Qingyuan Alliance leader fixed his eyes and said loudly: "Since there is no way to break through this Qingyuan fan,

The huge copper door, then dig in from the bottom. "

Hearing what Leader Qingyuan said, many of the wandering warriors present couldn't help showing surprise in their eyes.

But then they nodded, and now there was only one way left.

"Crash!"

"Crash!"

Next, all the wandering warriors in the alliance were mobilized and began to dig quickly in the direction behind the bronze door.

But just when everyone started digging, they immediately saw a lot of white bones buried in the soil underground.

This made the group of wandering warriors present couldn't help but be a little shocked. It seemed that they did not expect that there was a mass grave in the soil under their feet.

"It's a dangerous place."

An old wandering warrior couldn't help but speak out, with a hint of heaviness in his tone.

Many masters of the Qingyuan Alliance felt a little chilly in their bodies.

"What are you afraid of?"

But at this time, the leader of the Qingyuan Alliance suddenly spoke up: "According to the information previously secretly given by the Wanhao Chamber of Commerce, as long as we can find the place where the ancient war emperor fell, we can find endless wealth and treasures! By that time, everyone present Everyone has a share, and the endless wealth left by the ancient war emperor may allow you to soar into the sky and become a master from now on!"

At this moment, the words of the leader of the Qingyuan Alliance completely made everyone present's eyes change from fear to fiery eyes.

Because what Leader Qingyuan said was really too tempting.

The ancient war emperor was an earth-shattering figure in ancient times.

The resources and wealth left by such a big man in the end are absolutely endless, enough to make a mortal become an immortal, a peerless strongman, and soar to the sky.

After all, everyone has a soaring heart.

These wandering warriors, who lived through life and death in this vast wilderness, were originally meant to accumulate enough wealth, become stronger, and thus win money and wealth.

Now is their chance to soar into the sky.

In front of them, even if there are endless corpses in front of them, they must move forward without any scruples, and keep moving forward!

"dig!"

At this moment, more than a hundred wandering warriors all began to use their own soldiers to dig frantically, trying to dig out a passage from the ground.

In order not to attract attention at this time, Ye Feng also took out the golden trident he had obtained before and was digging quickly.

It has to be said that the enthusiasm of the people is still very strong.

In less than half a day, everyone had dug into the land under the tip of the bronze giant sword, and successfully dug out the area behind the bronze giant sword from beneath the ground.

Ye Feng immediately felt it at this moment. An extremely terrifying aura came from the other side of the underground passage.

Uh-huh!

At this moment, Ye Feng didn't hesitate at all, just remained silent and calmly, and retreated to the back of the crowd.

Because, he felt something was wrong with his breath.

This huge bronze sword was definitely inserted here for no reason. It was probably suppressing something very terrifying.

"boom!"

Sure enough, the next moment, before everyone could rejoice because the underground passage was dug.

Wow!

Suddenly, a black tide surged out from the other side of the passage.

As long as the wandering warrior is touched by this black tide, no matter how high his cultivation level is, the flesh and blood of his entire body will be corroded in an instant, turning into a white skeleton.

"ah!"

"ah!"

"..."

Almost at this moment, screams suddenly sounded.

Ye Feng, on the other hand, survived because he was very cautious and stood at the back of the crowd.

"Back away! This is a very scary and ancient corrosive water! You must not be touched by this corrosive water!"

At this time, the leader of the Qingyuan Alliance also changed his expression and quickly gave orders to the audience.
