

## Ancient 4221

Chapter 4221 Nine-Headed Monitor Lizard

"Who is it? So generous? The first auction item, and you start spending money like this? Directly increase it to one million!"

At this time, in the auction venue, there were many distinguished guests in the box, and they couldn't help but talk about it.

Obviously, they all didn't understand why Ye Feng suddenly became so generous, and it suddenly increased to one million.

After all, the price of these high-grade crystals had just been increased to more than 700,000 yuan.

Ye Feng's sudden increase to one million naturally made everyone afraid to take action again.

Because everyone knows that this must be a rich kid who ran away from who knows which big family. He simply doesn't regard money as money.

At this moment, after Ye Feng added up to one million, he saw everyone in the audience became quiet, and naturally there was a look of deep satisfaction in his eyes.

For Ye Feng, the wealth in his hands is already very strong, so a mere million is nothing.

Ye Feng now wants to auction off this nine-color crystal stone and send it to the box.

Sure enough, at this time Ye Feng bid one million, and everyone present fell silent.

Then the old man who was hosting the auction had a hint of surprise in his eyes, as if he didn't expect Ye Feng to bid so much at once.

At this time, the old man in charge looked at Ye Feng's box and saw the appearance of Ye Feng, a young man in white clothes. His eyes suddenly showed a look of astonishment.

Obviously he didn't expect that such a young man would be the one to spend so generously.

Moreover, this young man was not known to the old man in charge.

The old man in charge has been involved in the Golden Dragon Auction for many years, so he is very familiar with all the powerful families in the Shenshui Dynasty.

But he had never seen such a young man as Ye Feng, and he felt very strange.

However, the old man in charge would not think too much at this time. After all, it is very likely that this Ye Feng is from other powerful forces outside the Shenshui Dynasty or a young child from an ancient family. Otherwise,

It is impossible to have so much wealth.

At this time, the old man in charge looked at the whole audience, smiled and said aloud: "Since no one else continues to bid, then all the hundreds of thousands of nine-color crystal stones that this group of dwarves entrusted us to auction will be sold to this little man." My brother went to bid."

After finishing speaking, the old man in charge immediately looked at a guard beside him and said loudly: "Collect the money with one hand and deliver the goods with the other hand."

The guard beside him nodded immediately, and then led a group of maids and pushed the cart directly to the door of Ye Feng's box.

Ye Feng opened the door of the box, handed one million directly to the armored guard on the spot, then put ten carts of nine-color crystals into the box, and then closed the door again.

At this moment, watching the door close, the guard's eyes showed sigh.

He saw it at that moment. The one who took action was a young boy wearing white clothes and Sheng Xue.

Such a young boy actually spent so much money at once. This shows that this young boy's status is absolutely extraordinary.

"It's great to have money..."

The guard immediately couldn't help but sigh.

At this moment, the old host below smiled and said: "It seems that today's auction is very good. The bidding for the first auction item has already reached one million. It is really a good luck. Let's continue auction."

After finishing speaking, the old host clapped his hands.

Immediately behind, a group of guards came to the auction with a huge cage.

Inside this cage, there is actually a huge lizard with nine heads. Its whole body is covered with pitch black scales, and it looks very fierce.

But at this time, this huge lizard was already dying.

It was obvious that he had been beaten all over his body and he didn't dare to show off any more violence.

At this time, the old host looked at everyone in the audience and said with a smile: "This beast is called a nine-headed dragon. Its body contains the blood of the ancient dark nine-headed dragon. Therefore, this beast is very rare. If there is Guests who particularly like to keep this kind of ancient beast in captivity, or who have their own special cultivation methods for this kind of ancient beast, can take a look."

At this time, after the old host finished speaking, the guests in many boxes present who liked to practice beasts naturally focused their attention for a moment.

At this moment, in the box where Ye Feng and Su Jixue were, Su Jixue smiled and said: "It is estimated that the strong men or young geniuses in the Ten Thousand Beast Sect, one of the three top sects of the Shenshui Dynasty, will be better in Shenshui Dynasty." The Water Dynasty who participated in this auction will definitely be very interested in this nine-headed monitor lizard.

After all, this nine-headed monitor lizard contains the blood of the ancient dark nine-headed dragon, which is still very precious and rare. It can be encountered But cannot ask for it.”

At this time, hearing what Su Jixue said, Ye Feng also nodded slightly and said: "If the disciples of the Ten Thousand Beast Sect really come to such an auction, they will definitely take action, because the disciples of the Ten Thousand Beast Sect practice It is the inheritance of beasts. If a powerful beast can sign a contract with them and become their contracted beast, it can greatly enhance the overall strength of the disciples of the Ten Thousand Beasts Sect. "

Ye Feng had dealt with the strong men of the Ten Thousand Beast Sect before, and knew that this strong man of the Ten Thousand Beast Sect was not actually very powerful in his own right.

What is really powerful is the beast of the contract they signed.

But at this time, Ye Feng still didn't have much interest in this nine-headed monitor lizard.

After all, Ye Feng doesn't even practice beasts.

So at this time, Ye Feng no longer paid attention, but directly released the Devouring Domain, covering all the hundreds of thousands of nine-color crystals contained in the ten carts in front of him, and then absorbed these nine-color crystals. The energy in the crystal.

r\u003e

You know, these nine-color crystals are all extremely high-grade crystals, so the energy contained in them is still very powerful.

So after Ye Feng swallowed it at this time, he could immediately feel a powerful energy injected into his Dantian.

As all the energy in each nine-color crystal is extracted, it can be seen that all the nine-color crystals are dimmed.

Obviously, the energy in it has been plundered and swallowed by Ye Feng.

Su Jixue was always amazed every time she saw Ye Feng releasing his Devouring Domain.

Because this devouring ability is really terrifying.

Su Jixue stood beside him at this time, feeling a sense of fear.

If Ye Feng's Devouring Domain enveloped her, Su Jixue felt that she would also be sucked dry of all her skills by Ye Feng in an instant.

At this moment, as Ye Feng absorbed the energy of hundreds of thousands of high-grade crystals, his cultivation momentum immediately began to accumulate and grow rapidly.

Finally at some point.

Boom! !

Ye Feng's big bottleneck was completely broken through.

Directly from the half-step Yuanfu Realm, he broke through to the real first level of Yuanfu Realm!

This made Ye Feng's eyes suddenly reveal a deep look of joy.

Unexpectedly, after spending one million, his cultivation level suddenly reached a breakthrough. It seems that this transaction was worth it.

For Ye Feng, wealth is all external things.

The most important thing is to exchange it for cultivation resources and quickly improve your cultivation strength.

At this time, Emperor Chu suddenly spoke in his mind: "Ye Feng, the nine-headed giant lizard being auctioned, the dark nine-headed dragon bloodline contained in its blood should contain divine substances, which can help you temper yourself. I just sensed the Immortal Body of the God, let me remind you."

## Chapter 4222 Old Man of Beasts

"What? Divine substance?"

At this time, when Ye Feng heard what Emperor Chu said in his mind, Ye Feng suddenly showed a trace of surprise in his eyes.

Ye Feng never thought that the bloodline of that little nine-headed giant lizard actually contained divine substances.

He is worthy of being a descendant of the ancient dark nine-headed dragon.

At this time, Ye Feng felt that he was about to start bidding again.

"I'll bid 670,000 for this nine-headed monitor lizard."

At this moment, the bidding outside has gone from the starting price of 300,000 to 670,000.

At this moment, the person bidding 670,000 yuan was an old man wearing a black robe sitting in a certain box.

The black robe on his body was engraved with many patterns of ancient beasts. He was alone. He was probably not a practitioner in a large sect, but probably a master in casual cultivation.

At this moment, after the old man wearing a robe with various patterns of beasts finished bidding, the venue fell into a brief silence.

Because the cultivation level of this nine-headed giant lizard is actually not very strong, and most of the guests present rarely practice beasts.

So this nine-headed monitor lizard was auctioned for 670,000 yuan, which instantly caused a stir.

At this moment, the old man in charge smiled and said: "If no one continues to increase the price, then this nine-headed giant lizard will be obtained by the old man of beasts."

Apparently, the old man who was bidding 670,000 yuan and was wearing robes with many beast patterns on his body was called the Old Man of Beasts.

Even the old man who presided over him knew him. He seemed to be a well-known practitioner in the Shenshui Dynasty.

Otherwise, it is impossible for the old man in charge of this auction to know him, so he directly called him by name.

At this time, Old Man Beast also showed a hint of satisfaction in his eyes.

Although this nine-headed giant lizard may not have more than 670,000, the old man of all beasts is confident that if he can get this nine-headed giant lizard, under his training, this nine-headed giant lizard may awaken the ancient dark nine-headed dragon. Dragon's blood.

If this nine-headed giant lizard can really awaken the bloodline of the ancient dark nine-headed dragon and transform into a real dark nine-headed dragon, then the old man of all beasts knows that he will make a lot of money.

"I'll pay 800,000."

\u003e

Suddenly at this time, a rather discordant voice sounded.

The owner of the voice is Ye Feng.

At this time, Ye Feng didn't bother to bid ten thousand or ten thousand, so he directly increased the bid by hundreds of thousands, reaching 800,000, which made many people present couldn't help but gasp.

Everyone's eyes quickly looked in Ye Feng's direction.

"Who is this young man? He looks so strange, how can he be so rich?"

"Yeah, I just spent one million, but I didn't expect that now I'm offering 800,000 to buy such an ordinary beast. This young man doesn't look like a practitioner who practices beasts."

"Tell me, does this kid have too much money and no place to spend it, so he came here deliberately to have fun."

At this moment, many guests in the surrounding boxes couldn't help but talk about it.

They felt that Ye Feng was some immature rich kid who came here specifically to have fun.

At this moment, after hearing Ye Feng's direct bid of 800,000 yuan, Old Man Beast's face immediately became a little gloomy.

He couldn't help but said: "I bid 850,000."

After finishing speaking, Old Man Beasts suddenly looked in the direction of Ye Feng and said loudly: "Young man, this nine-headed giant lizard is of no use to you at all. I can sense that you are simply You are not a cultivator of beasts, so please give me some face and give up this nine-headed giant lizard to me. After all, I am also a well-known big shot in this Shenshui Dynasty. What will happen if you offend me, haha, But it's not good."

Hearing what Old Man of Beasts said, Ye Feng didn't bother to pay attention at all, and just made a bid: "I will pay 900,000."

"you....."

Old Man Beast's face suddenly became extremely stiff and livid.

hiss!

At this moment, the moment Ye Feng finished speaking, there was a burst of gasping sounds on the field.

No one would have thought that Ye Feng would actually

Continue bidding.

At this time, Ye Feng saw the gloomy expression of Old Man of Beasts and knew that the other person was a ruthless person.

But Ye Feng didn't bother to care at all.

After all, this nine-headed giant lizard is of great use to Ye Feng. The blood contains divine substances and has a huge tempering effect on his immortal body. Ye Feng naturally wants to find a way to get it.

Therefore, Ye Feng will naturally not hold back when bidding.

At this time, Ye Feng directly increased the price to 900,000.

At this moment, the face of the old man Wanshou in the other box immediately became very ugly, and there was even a trace of anger in his eyes.

The old man of all beasts wanted to increase the price, but he thought that there would be many auction items next. He spent most of the money on the nine-headed giant lizard, which was really a waste.

So at this time, Old Man Beast gritted his teeth and gave Ye Feng a hard look. There seemed to be some conspiracy brewing in his eyes, and he did not continue to raise the price.

At this moment, many people around were whispering: "Old Man of All Beasts is a ruthless guy. That young rich boy dares to snatch things from the hands of Old Man of All Beasts. I estimate that after the auction is over, he will definitely be beaten by all of them." If Mr. Beast is targeted, he might be killed directly."

At this time, Ye Feng naturally noticed the fierce gaze of Old Man Beast in another box.

In response, Ye Feng just smiled lightly, without any fear at all.

Although this old man of all beasts seems to be very difficult to mess with, his cultivation level must be very high, and he is a famous old man.

But if this old man of all beasts is really going to harm him next, Ye Feng will let this old man of all beasts know what regret is.

At this moment, the old man in charge was also very surprised, as if he did not expect Ye Feng to make another move on the second auction item.

This made the old man in charge very confused. Who is this young man who looks so strange?

Why are you so rich and so generous?

But Ye Feng had already bid so much, so the old man in charge would not say anything more, but said with a smile: "If no one continues to bid next time, it seems that this

This nine-headed giant lizard will belong to this young hero again. "

After that, no one continued to bid.

The old man in charge directly finalized the result of this auction, and asked people to send the nine-headed giant lizard to Ye Feng's box, paying with one hand and delivering the goods with the other.

Soon, the nine-headed monitor lizard was placed in a cage by a group of guards and sent to the box.

The guard delivering the goods this time was the same guard from last time.

He had been lamenting how good it was to have money.

Unexpectedly, this young man is really rich.

The second auction item was once again auctioned into the hands of this young man.

In a short time, nearly two million was spent, which was really too generous!

"Even if I work at auctions for several more decades, I probably won't be able to save two million..."

The guard couldn't help but smile bitterly.

At this time, a group of guards sent the cage to Ye Feng's box.

And at the next moment, what made their expressions change drastically was that Ye Feng actually opened the lock of the cage, allowing the nine-headed giant lizard to walk out of the cage.

"Dear guest, please be careful! This nine-headed monitor lizard is a very powerful and ferocious beast. Although it is seriously injured now, once it is released, it will hurt you in an instant."

boom!

But before the guards could finish speaking, they saw a horrifying scene.

Ye Feng casually stretched out a hand and pinched the nine-headed giant lizard in his palm, as if he was playing with an ant.

"What?"

"Isn't this kind of power too powerful?"

At this moment, many of the guards present widened their eyes.

At this time, the way they looked at Ye Feng was no longer the way they looked at ordinary rich kids, but with an unfathomable feeling.

They knew that this young man could easily suppress a top beast like the Nine-Headed Monitor Lizard with just a few movements. This was enough to show that this young man was definitely not

one of those second-generation wastes, but an extremely terrifying and unfathomable young top powerhouse. !

#### Chapter 4223 Nourishing the Soul

At this time, after witnessing Ye Feng's unfathomable strength, the group of guards with deep awe in their eyes exited Ye Feng's box.

At this time, Ye Feng looked at the nine-headed giant lizard in front of him, with a hint of surprise in his eyes.

Unexpectedly, the body of this small beast actually contains the blood of the ancient dark nine-headed dragon, which contains divine substances.

At this time, Su Jixue, who was standing aside, stared at Ye Feng with a hint of surprise in her eyes.

Then she glanced at the nine-headed giant lizard in Ye Feng's hand, and couldn't help but ask: "Ye Feng, you don't practice the inheritance of the Ten Thousand Beasts Sect, why do you spend so much money to go buying such an ordinary beast?"

For Su Jixue, this nine-headed giant lizard is actually of no use.

At this moment, Ye Feng smiled and said: "The bloodline of this nine-headed giant lizard hides the bloodline of the ancient dark nine-headed dragon, which is of great benefit to me. I practice a secret technique to absorb this kind of blood." The divine substance in my bloodline can temper the power of my body."

After saying that, Ye Feng immediately began to release the Devouring Domain, directly absorbing the blood power of the ball-headed giant lizard.

The nine-headed giant lizard's own cultivation level was not very strong, so after Ye Feng devoured the blood energy of the nine-headed giant lizard, he only increased his skill a little.

His own cultivation and level of strength have not been broken through.

However, the power of bloodline absorbed by Ye Feng allowed Ye Feng to obtain a lot of divine substances.

Buzz!

Ye Feng could immediately feel that his immortal body was being tempered by this divine substance.

Previously, Ye Feng's Immortal Body of the God had been tempered to the second level of the second stage "Eye of the God", and he had awakened the Eye of the God.

At this time, Ye Feng successfully broke through the second stage of his immortal body by absorbing the divine substance from the nine-headed giant lizard's bloodline.

From the second level of the second stage of the Immortal Body of the God, he directly transformed to the third level.

Although it was only a one-level breakthrough, it also made Ye Feng's Eye of God more powerful, and his physique became stronger and stronger.

At this time, Ye Feng still showed a hint of joy in his eyes.

You know, Ye Feng's Immortal Body of the God has not been improved for a long time.

But the nine-headed giant lizard he encountered this time was able to transform his immortal body, which made Ye Feng very happy.

Even if it is just one level of transformation, it is of great significance to Ye Feng.

Because Ye Feng knew that one of his strongest trump cards was the Immortal Bone and Immortal Body of the God.

Therefore, Ye Feng is happiest when his Immortal Body of God can be improved.

This means that Ye Feng's biggest trump card has been improved and strengthened.

At this moment, Su Jixue had a hint of sigh in her eyes.

It seems that his understanding of Ye Feng is still incomplete.

Ye Feng actually has the ability to absorb divine substances from the blood of ancient beasts.

It can be seen that Ye Feng's specialness and power are beyond the imagination of ordinary people.

At this time, Su Jixue seemed to have thought of something, and immediately couldn't help but said: "By the way, Ye Feng, the old man of beasts who competed with you just now is a very powerful casual cultivator in our Shenshui Dynasty. Although he is a casual cultivator and has not joined any major sects, but it is said that he has obtained all the wealth and inheritance from the cave of a super powerful man in ancient times. Therefore, even if he is a casual cultivator, he is very powerful. Many major sects and big families are not dare to provoke this Old Man of Ten Thousand Beasts? This Old Man of Ten Thousand Beasts is very cruel. Just now you bid for this nine-headed giant lizard from his hands. It is estimated that this Old Man of Ten Thousand Beasts has set his sights on you, and he may not let you go by then. But you are now our core disciple in Tianhan Valley. I guess Old Man Beasts wouldn't dare to do anything to you in person, but you have to be on guard against him sneaking up on you secretly."

Hearing what Su Jixue said, Ye Feng just smiled faintly and said, "If this old man of all beasts really dares to provoke me, I will let him know what regret means."

Hearing Ye Feng's confident words, Su Jixue was stunned for a moment, and then immediately endured it.

He couldn't help but nodded, and said loudly: "With Ye Feng's methods, and the big killer weapon you used before, the small black sword, you can indeed fight against this old man of all beasts, but this old man of all beasts In addition to his own strength, the old man also has many other strange methods. The cultivation knowledge he has learned is very complicated, and he may have some vicious tricks to deal with you secretly. Anyway, be careful. "

When Ye Feng heard Su Jixue's reminder, he immediately nodded and said, "Okay, I understand."

At this moment, in the auction room outside the box, the old man in charge once again conducted the third auction.

The object of this third auction turned out to be a coffin that exuded a very cold air.

There seems to be an ancient corpse frozen in this ice coffin.

At this time, when the distinguished guests in each box saw this scene, their eyes showed surprise.

Someone couldn't help but said: "It would be really unlucky to just put a coffin up for auction."

Below, the old man in charge of the auction house, when he heard what this distinguished guest said, he immediately smiled and said: "This is not an ordinary coffin, but the coffin of the royal family of the ancient Ice Dynasty. Among this ice coffin, There is an ancient strong man frozen. We are not sure of the identity of this ancient strong man because we have never opened this ice coffin, but this ancient strong man is very likely to be the emperor of a certain generation of the ancient Ice Dynasty. "

Wow!

Hearing what the old host said, many people present couldn't help but gasped.

Because they knew very well that the emperor of a powerful ancient dynasty must have left many things behind.

The emperor of this ancient dynasty frozen in this ice coffin might have a storage ring on his finger.

Inside the storage ring is likely to contain the inheritance and wealth left by the emperor of this ancient dynasty.

At this time, many people's interest was immediately attracted.

Because for some strong men in small families or small forces, if they can get the inheritance from the emperors of this ancient dynasty, it will definitely be a qualitative leap for the families and forces behind them.

However, there were many powerful people from some big forces present, but they didn't pay much attention.

Because their family and power already have a very top-level inheritance, there is no need to waste money on auctioning the inheritance of this ancient dynasty emperor.

At this time, the old man in charge looked at the audience with a smile and said loudly: "The starting price for this coffin containing the emperor of the ancient Ice Dynasty is 600,000."

"Ice Dynasty?"

At this time, in the box of Ye Feng and Su Jixue, Su Jixue suddenly became interested.

Because the inheritance that Su Jixue cultivated was originally of ice attribute.

So at this time, Su Jixue was naturally very interested in the inheritance left by the emperor of the ancient Ice Dynasty.

At this time, Su Jixue was the first to start bidding: "I bid 650,000!"

However, many people are still very interested in the corpse of the ancient Ice Dynasty emperor frozen in this ice coffin.

So at this time, after Su Jixue's first bid, another bidding voice came from a certain box: "I will offer 700,000!"

"I'll pay 750,000."

...

While everyone was bidding, Ye Feng showed a hint of coldness in his eyes.

Because Ye Feng saw that a demonic soul exuding a dark aura was penetrating from a certain box towards his own box.

Ordinary people cannot see this scene.

Because this is a method at the soul level.

Ye Feng saw that this demon-like soul exuding a dark aura was exactly the method used by the old man of all beasts.

This seemed to be an evil spirit kept captive by the Old Man of All Beasts. It actually flew towards the box where he and Su Jixue were staying, trying to kill him secretly.

Ye Feng knew that if he hadn't been a soul master, he might have been succeeded by the Old Man of Beasts.

Unexpectedly, this Old Man of Ten Thousand Beasts, in addition to cultivating beasts, could also raise souls. He had trapped such evil soul-like existences and could kill people without even knowing it!

Chapter 4224 This guy is too scary

At this time, Ye Feng saw the Old Man of Ten Thousand Beasts, and he directly used this vicious spell to summon a vicious soul and flew towards him, as if he wanted to hit him without anyone noticing. kill.

"If I hadn't been a soul master, maybe I would have been subtly killed by this old man of all beasts, and no one would know how I died."

Ye Feng was thinking in his heart at this moment, and a cold smile suddenly appeared in his eyes.

Then he saw with his own eyes that ferocious soul flying quickly in his direction.

At this time, the old man of Wanshou in the other box had a proud smile on his face, and couldn't help but murmured in his box: "Damn boy, how dare you compete with me for that nine-headed man?" Monitor, you are dead, and you will die inexplicably. No one knows who killed you. Others may think you died suddenly, hehe."

At this time, Old Man Beast looked at Ye Feng's box, as if he wanted to see the vicious soul he had summoned, and instantly killed Ye Feng.

But at the next moment, what horrified the old man of all beasts was that two terrifying soul lights suddenly appeared in Ye Feng's eyes, which instantly wiped out the vicious soul.

After the death of the vicious soul, Old Man Beasts was immediately implicated. He couldn't help but a trace of blood spilled from the corner of his eyes, and he felt the huge pain in his spirit.

He knew that this vicious soul that he had kept and fed for many years was wiped out in an instant by Ye Feng.

"This kid is too scary!"

Seeing this scene, the Wanshou old man couldn't help but show a hint of horror in his eyes, and said loudly: "How is this possible? How can this kid know the soul attack technique? Not only can he see me This evil spirit was released, and it was able to kill this evil spirit instantly? What level has this kid reached as a soul master?"

At this time, Old Man Beasts murmured to himself, and suddenly saw the terrifying look Ye Feng looked at him from the box in the distance.

When Old Man Beast saw the terrifying light of soul in Ye Feng's eyes, he couldn't help but tremble all over.

He could feel a terrifying sense of death crisis hanging over his heart.

"This kid is definitely an extremely advanced soul master! How is this possible??"

Old Man Beasts was immediately sure at this moment that Ye Feng's inheritance as a soul master was absolutely terrifying.

So at this moment, Old Man Beast didn't hesitate at all. He was so frightened that his face turned pale, and he wanted to escape from the box, leave this auction house, and fly away.

But at this moment, how could Ye Feng let this old man of all beasts leave like this.

At this moment, Ye Feng had a cold smile in his eyes, and then he couldn't help but

Unknowingly, he released the light of his own soul attack.

Boom!

At this moment, Ye Feng's soul suddenly burst out with terrifying soul light, and it suddenly bombarded in the direction of the Old Man of Beasts.

Ye Feng's soul light turned into an indestructible soul spear halfway, and instantly stabbed the soul in the head of the old man of beasts.

"ah!!"

At this moment, Old Man Beasts immediately felt that his soul had been pierced.

The endless pain caused the old man of all beasts to scream in horror immediately, and then his body fell to the ground, completely dead.

There were no wounds on his body, but his soul had been instantly killed by Ye Feng.

At this moment, Ye Feng saw this scene and just smiled coldly.

This evil spirit kept in captivity by the old man of all beasts is just a low-level spirit.

Maybe this kind of thing can kill some extremely powerful warriors.

But there was no way he could deal with Ye Feng, a fellow Hunwu practitioner.

Ye Feng's soul power level is very advanced and terrifying.

So at this moment, Ye Feng did not hesitate and took action directly, killing the old man of beasts without anyone noticing.

I have to say that this old man of all beasts is still very unlucky.

He thought Ye Feng was just an ordinary boy.

He probably never expected that Ye Feng turned out to be a soul master with a very powerful soul power level.

You know, Ye Feng's current soul power is a full 60 million levels, which is simply not something that ordinary soul cultivators can fight against.

Not to mention that this Old Man of Ten Thousand Beasts is not a soul master in the true sense at all, just a half-way spiritual cultivator.

So in front of Ye Feng, this old man of all beasts was naturally crushed by Ye Feng in a soul-level confrontation.

"What happened??"

At this moment, the sudden scream of the Old Man of Beasts suddenly attracted all the distinguished guests in the entire auction venue.

At this moment, the old man in charge of the auction couldn't help but change his face and said quickly: "Everyone, hurry up and take a look."

At this moment, the guards from the auction immediately flew to the box where the old man of all beasts was, and directly forced open the door of the box.

"died??"

Everyone saw it immediately,

Old Man Beasts lay on the ground with a pale face.

Uh-huh!

At this moment, the old man in charge also flew into this box.

Many other distinguished guests around here focused their attention here.

The old man in charge came to the old man of all beasts at this moment, then stretched out a hand to check, and couldn't help but said in horror: "There are no wounds on the whole body, how could he suddenly die suddenly?" ? Could it be an attack at the soul level? But what kind of existence can kill this long-famous old man at the soul level? "

At this time, the old man in charge suddenly showed deep horror in his eyes.

He felt that if the mysterious existence that killed Old Man of Beasts wanted to obliterate him, the presiding old man would not be able to resist it.

The old man in charge immediately felt chilled all over.

But the old man in charge felt that the mysterious man should not kill innocent people indiscriminately.

Maybe the old man of all beasts offended that mysterious man.

But who did this Wanshou old man offend?

"Could it be..."

At this time, the old man in charge suddenly thought of the boy in white who had bid for the nine-headed giant lizard with the old man of beasts before.

But the boy in white looks ordinary.

Maybe he's just the useless second generation of a big family.

How could he be an enigmatic soul master?

The old host took a look at Ye Feng's box at this time and found that Ye Feng's face was very normal and he was chatting happily with another female companion in the box.

"It shouldn't be him..."

The old man in charge couldn't help but shook his head immediately.

He didn't believe that such an ordinary-looking young man could do such a terrifying thing.

It is very likely that Old Man of Beasts offended a certain mysterious being, so that mysterious being followed the auction and killed Old Man of Beasts in a subtle way.

At this time, in order to cause unnecessary panic, the old man in charge immediately announced to the entire auction house with a smile: "Don't panic, everyone. The old man of beasts must have practiced some special inheritance and went crazy. Suddenly, He died suddenly and there were no wounds on his body."

Hearing what the old host said, many of the distinguished guests present couldn't help but look astonished in their eyes.

It seems that he did not expect that the long-famous super ruthless man, the Old Man of Beasts, would one day die suddenly due to being possessed. It was really unlucky.

However, there are also many customers with twinkling eyes, feeling that things are definitely not that simple.

How could such a powerful old man of all beasts die so suddenly while alive?

However, there were no wounds on the body of the Old Man of Ten Thousand Beasts, and no one broke into the box of the Old Man of Ten Thousand Beasts. This indeed made many of the distinguished guests present have deep doubts in their hearts. They felt that what the host teacher said The cause of death of the old man Wanshou was too simple and random, but he had to believe everything the old man said.

Because there should be no other reason other than his own practice that led him to go crazy and die suddenly.

After all, not every distinguished guest is as well-informed as the old host, who instantly suspects that a soul master is involved.

Because soul masters are so rare.

Many people would never think of this at all.

At this moment, in the private room of Ye Feng and Su Jixue, Su Jixue also showed a trace of surprise in her eyes. She looked at Ye Feng and couldn't help but said with a smile: "Just now I said that this old man of all beasts might. It is secretly against you Ye Feng. Now it seems that you are safe, Ye Feng. This old man of all beasts suddenly died suddenly. Ye Feng, you don't have to worry about anything... No, how could this old man of all beasts die suddenly? Woolen cloth?"

At this moment, Su Jixue seemed to have thought of something, and immediately couldn't help but look at Ye Feng beside her, and suddenly saw the rather playful smile on Ye Feng's face.

Su Jixue's beautiful face suddenly showed a trace of horror, and then she couldn't help but said in shock: "Ye Feng, could it be you..."

Ye Feng nodded slightly at this moment and said in a secret voice: "This old man of beasts secretly released a ferocious soul just now and wanted to kill me secretly, so I got rid of him conveniently. Your Don't look too shocked or horrified, so as not to arouse other people's suspicions and cause unnecessary trouble."

After hearing Ye Feng's secret transmission, Su Jixue immediately reacted, quickly restored her expression, and became calm again.

But the look of horror deep in her eyes could not dissipate for a long time.

At this time, Su Jixue stared at Ye Feng beside her, and suddenly felt that this young casual cultivator whom she accidentally met in Shiwang Mountain was what kind of monster he was?

The methods are really terrible!

However, Su Jixue was still very happy in her heart.

Because the stronger Ye Feng is, the greater the benefits will naturally be to Su Jixue.

After all, they are currently in the same boat and are close partners.

"Maybe Ye Feng will be able to get into the top ten in this Shenshui Dynasty's top genius competition, become one of the top ten young kings of the younger generation of Shenshui Dynasty, and become famous all over the world..."

At this time, Su Jixue suddenly had such an idea in her heart.

Chapter 4225 Huge rescue fee

While Su Jixue was thinking secretly, Ye Feng reminded with a smile: "The coffin of the Emperor of the Ice Dynasty that you want has been auctioned by others."

Su Jixue couldn't help but smile bitterly at this time, and said aloud: "The coffin of the Emperor of the Ice Dynasty was finally sold for a high price of two million. My current financial resources really cannot support me to continue bidding."

Hearing what Su Jixue said, Ye Feng just nodded slightly and said nothing more.

After all, this is Su Jixue's own decision, and it's not easy for him to interfere.

Moreover, Ye Feng would not spend his own money to take pictures of the Ice Dynasty coffin for Su Jixue.

After all, there will be a lot of auction items in the upcoming auction, and Ye Feng still needs to keep the money for himself to continue auctioning the things he wants.

Of course, if Ye Feng really took the initiative to use his own money to auction things for Su Jixue, Su Jixue probably wouldn't accept it.

After all, Su Jixue, as the top ten chief disciple of Tianhan Valley, one of the three top sects of the Shenshui Dynasty, has her own arrogance and will not easily accept unreasonable gifts from others.

At this time, Ye Feng paid special attention, and finally auctioned off the owner of the Ice Dynasty Emperor's coffin, who was in another box.

There were many people in that box, but most of them were guards wearing armor, surrounding the two people. .??.

The two people surrounded in the middle were the auctioneers of the coffin of the Emperor of the Ice Dynasty.

They are a beautiful woman wearing a purple robe. She looks very young, but she is born with an aura of nobility.

Standing next to this noble woman in purple robes was an old man who looked very unfathomable.

At this time, Ye Feng could immediately feel that the group of people in this box should have very extraordinary status.

Su Jixue also looked over at this time, and immediately couldn't help but said in surprise: "These should be people from the Shenshui Dynasty royal family. Those guards wearing armor are all special armors from the Shenshui Dynasty royal family. They should all be The royal armor of the Shenshui Dynasty can be protected by this group of royal guards of the Shenshui Dynasty. The beautiful woman and the old man standing next to her must be famous nobles in the Shenshui Dynasty, most likely someone The heirs of princes may also be the descendants of certain dignitaries."

\u003e Hearing Su Jixue next to him say this, Ye Feng immediately nodded slightly.

Before, Ye Feng could see that this beautiful woman and the old man standing next to her were both very extraordinary beings, and their status must be very noble.

Now it seems that these people are indeed nobles in the Shenshui Dynasty. No wonder they have huge wealth and can directly auction for a high price of two million.

It seems that the beautiful woman is very interested in the inheritance of the former emperor of the Ice Dynasty, and is most likely a practitioner who practices ice attributes.

After Ye Feng looked at it for a while, he withdrew his gaze. After all, it had nothing to do with him.

At this moment, the old man in charge of the auction venue was already preparing to host the next auction items.

But suddenly at this time.

"ah!!"

A scream suddenly sounded throughout the auction venue.

The next moment, everyone's eyes were drawn to the direction where the scream came from.

"That is....."

The next moment, everyone was shocked.

Because they saw at this moment that in a certain box, the beautiful woman who had just auctioned the coffin of the Emperor of the Ice Dynasty was making a very painful and miserable cry.

Her body exudes a very strange green light, giving people the feeling that she is possessed by an evil spirit.

At this time, the old man standing next to this beautiful woman suddenly burst out with an extremely terrifying cultivation aura.

With this terrifying cultivation momentum, even Ye Feng, who was a hundred meters away, felt a huge sense of oppression in an instant.

This kind of cultivation is definitely far beyond the first level of Yuanfu Realm where he is currently. He is definitely a powerful existence above Yuanfu Realm. It may even surpass the Hedan Realm above Yuanfu Realm. It is Hedan Realm. A super strong man at the Soul Realm level above the Dan Realm!

This kind of cultivation is unfathomable! Unparalleled majesty!

Everyone is shocked

.

I didn't expect that such a terrifying superpower would appear in this small auction.

But although this old man's cultivation was very terrifying, at this time his face also showed a deep look of panic.

Because he simply had no way to solve the changes in front of him.

This old man had extremely terrifying cultivation, but he was unable to save this beautiful young woman who was haunted by evil spirits.

The old man immediately couldn't help but yelled to the entire auction house: "The situation is urgent. I wonder if there are experts around who can solve the sudden accident that happened to my granddaughter. If anyone can save my granddaughter, I am willing to directly Give 10 million to the rescuer!"

"What??"

"Ten million??"

At this moment, all the distinguished guests present were extremely shocked.

It seems that he did not expect that this old man was so rich.

At this time, the old man looked at the beautiful woman in a purple dress who was screaming in pain in front of him, his eyes filled with deep panic.

Even though he was a super strong man, he was extremely panicked at this time and didn't know what to do.

"Let me give it a try."

At this time, a middle-aged man in a white robe suddenly came directly to the box of the woman and the old man, and said loudly: "Senior's granddaughter should have been attacked by a special spiritual attack method. Here I am, I have special research on another aspect of spirituality, let me take a look."

Uh-huh!

After saying that, the middle-aged man in white robe walked directly in front of the beautiful woman who was screaming in pain, wanting to take a closer look.

After all, the temptation of 10 million is too great, it is simply a huge sum of money.

If this beautiful woman can be saved, the rescuer will directly make a fortune.

At this time, everyone had vague speculations about the identity of this beautiful woman and the old man.

Being able to give out 10 million at once, what kind of existence is this beautiful woman and old man?

Moreover, after the box door opened, everyone saw many people wearing divine water.

The guards in the royal armor of the dynasty all had deep surprises in their eyes.

Could it be that these two people are extremely noble royal members from the Shenshui Dynasty?

"ah!!"

But just when everyone was guessing, the middle-aged man in white robe who was full of confidence and wanted to save this beautiful woman suddenly let out a painful scream.

Because before he could get close to this beautiful woman, his soul was instantly wiped out by the green evil spirit surrounding this beautiful woman, and he lay straight on the ground, completely dead.

"What??"

"This middle-aged man in white robes is a very famous mage in white robes in the imperial city of Shenshui Dynasty. He is proficient in spiritual power. Unexpectedly, he was wiped out like this?"

At this time, everyone was shocked to the extreme.

No one dared to approach that box anymore.

Because that beautiful woman has been haunted by the most terrifying evil spirit, and is probably destined to die.

At this time, the old man standing next to this beautiful woman, even a super strong man in martial arts, was helpless and panicked to the extreme.

He couldn't help but want to take this beautiful woman away. He hurriedly left here, as if he was looking for other people to help.

But at this moment, a very calm voice sounded: "If we take her away now, she will never survive for a quarter of an hour, and she will be completely snatched away and die. She was not attacked by a mental attack, but It was you who opened the Ice Dynasty's coffin without taking any protective measures, and the remains of the emperor's remains from the ancient Ice Dynasty's emperor's body were entangled."

The moment the words fell, countless people present were shocked. It turned out that this was what happened!

Everyone quickly looked in a certain direction.

The super strong old man who was about to take away the beautiful woman also suddenly looked in the direction of the voice.

They immediately saw a young man in white clothes walking slowly out of a box.

The young man is none other than Ye Feng!

Ye Feng naturally took a fancy to this huge rescue fee of 10 million.

Chapter 4226 Safe and safe

At this time, the moment Ye Feng finished speaking, everyone's eyes were focused on Ye Feng.

Everyone couldn't help but said in surprise: "It's actually the kid from a rich family who has been bidding before? Now he wants to show off again?"

Obviously, everyone present did not trust Ye Feng at all, and felt that Ye Feng was just trying to please others and making nonsense.

So at this time, someone immediately spoke to the old man and said: "Old senior, don't believe this young man. He is just trying to show off. If he delays the treatment of your granddaughter, senior, it will be in trouble."

At this time, the old man nodded and wanted to leave directly.

Ye Feng suddenly said: "In three seconds, this woman will completely faint."

The moment Ye Feng finished speaking, someone suddenly showed cynicism on his face and said loudly: "This kid is still pretending to be a ghost."

At this time, the old man and the beautiful young woman were already preparing to leave the auction.

But just at the moment they walked out of the box.

Three seconds are up.

The beautiful woman who was screaming in pain just now suddenly became quiet and fainted.

"What??"

Seeing this scene, the people who had just mocked Ye Feng immediately showed deep astonishment in their eyes.

Unexpectedly, Ye Feng actually got it right.

At this moment, the old man was shaken in his heart. He quickly looked around and Ye Feng said loudly: "Are you sure you are not lying to me?"

Ye Feng smiled faintly at this moment and said, "In two seconds, her face will turn purple."

Hearing what Ye Feng said, everyone's eyes immediately focused on the face of the beautiful woman in the box.

fruit

However, within two seconds of Ye Feng's words falling, the fair face of this beautiful woman suddenly turned deep purple.

hiss!

After seeing this scene, everyone couldn't help but gasped.

They never thought that this young man, who was just a kid from a rich family in everyone's eyes, actually had such a strange ability and could predict everything in advance.

At this time, the old man suddenly understood that Ye Feng, a seemingly ordinary young man, was definitely an extremely extraordinary being.

At this moment, the old man immediately spoke out and said: "I hope this young hero can take action and save my granddaughter."

Ye Feng nodded slightly at this time and said loudly: "Ten million, not a penny less."

When the old man heard what Ye Feng said, he immediately couldn't help but smile bitterly and said: "Young hero, you should save people quickly. Don't worry, I will never give you less money. No, I will give you the money now." for you."

After saying that, the old man took out a full ten million from his storage ring and gave it directly to Ye Feng's hands.

Seeing this scene, everyone couldn't help but gasped. This old man actually had such a huge wealth and was able to take out a full 10 million in cash from his storage ring. This is very rare. of.

Even the leaders of some super powerful forces may not be able to spend so much cash at once.

At this time, Ye Feng also had a look of surprise in his eyes.

But since he has collected the money, Ye Feng will naturally finish his affairs properly.

Ye Feng immediately smiled and said: "Don't worry, if you get 10 million, your granddaughter will definitely be safe."

After saying that, Ye Feng directly asked the old man to take the beautiful woman into the box, and then closed the door of the box.

At this time, Ye Feng also covered the box facing the transparent wall of the auction below.

After all, Ye Feng didn't want to use his soul master's methods in the eyes of everyone.

In this case, some people will definitely suspect that it was him who secretly killed Old Man of All Beasts, which would be quite troublesome at that time.

After all, the rules of the auction are that distinguished guests participating in the auction cannot kill each other, otherwise, they will be punished.

At this moment, seeing Ye Feng sealing the entire room, the old man couldn't help but show a trace of surprise in his eyes. He seemed not to have expected Ye Feng to be so cautious.

Uh-huh! ??

Then, without any hesitation, Ye Feng stretched out his hand and pressed it on the head of the unconscious and beautiful woman in front of him, and then instantly burst out with his extremely powerful soul power.

At this moment, even the old man standing next to him felt a trembling feeling in his soul.

At this moment, the old man couldn't help but show a trace of surprise in his eyes, and couldn't help but exclaimed: "The young hero is actually the legendary soul master??"

At this time, Ye Feng did not respond, but concentrated on attacking the Emperor of the Ice Dynasty, Can Nian, who was taking away this beautiful woman.

At this moment, Ye Feng immediately saw that in the mind of this beautiful woman, there was indeed a shadowy figure wearing imperial clothes, destroying the core of this beautiful woman's soul.

At this moment, Ye Feng's soul power directly condensed his own soul body, and quickly rushed towards the emperor's remnant.

When the emperor Cannian saw Ye Feng, he immediately couldn't help but said coldly: "Boy, I advise you not to meddle in other people's business. Your soul power may not be as strong as mine."

Ye Feng smiled slightly at this time and said: "Emperor Chu, when I encounter such a powerful soul body, I will leave it to you to deal with it."

The moment Ye Feng's words fell, in Ye Feng's mind, Emperor Chu suddenly transformed into a red giant of light, and immediately rushed towards the emperor's remnant in front of him, exuding extremely terrifying power.

Obviously, Emperor Chu's power was getting stronger and stronger now, which made the emperor Cannian feel a deep sense of oppression all of a sudden.

The emperor Cannian couldn't help but said in horror: "You are an ordinary human boy, how can you have such a terrifying existence in your mind? This is impossible!"

Boom!

However, the moment the emperor's words fell, he was completely shattered into countless soul fragments by Emperor Chu's transformation into a giant of red light.

Buzz!

At this moment, Ye Feng's eyes lit up, and he immediately released the Devouring Domain and began to devour these soul fragments.

You must know that the emperor of the Ice Dynasty was a strong man from the ancient times. Although he only had a residual memory left, he was still very powerful. The soul power contained in the soul fragments was very majestic.

After Ye Feng swallowed it, Ye Feng's soul power suddenly broke through from the previous level of 60 million to 63 million.

All of a sudden, Ye Feng's soul power surged by a full three million levels!

It can be said to be a huge improvement!

Chapter 4227 What Identity

At this time, Ye Feng was very satisfied as he directly took back his soul body from the mind of this beautiful young woman.

At this time, Ye Feng opened his eyes and immediately smiled and said to the old man beside him: "Your granddaughter is completely out of danger."

"What??"

"Is the rescue successful?"

At this moment, many of the guards around him couldn't help but have expressions of deep surprise in their eyes.

Because they just saw Ye Feng casually stretched out a hand and placed it on the top of the beautiful young woman's head.

After a few seconds passed, Ye Feng opened his eyes and solved the problem.

This is really too fast!

Why is it so hard to believe?

At this time, the super strong old man standing aside also showed a trace of surprise in his eyes, as if he did not expect Ye Feng to solve all the problems so quickly.

At this moment, the old man immediately said with some uncertainty: "Young hero, my granddaughter, is this safe?"

Ye Feng just smiled slightly at this moment and said, "You will know after you see it for yourself."

At this time, the old man and the many guards present immediately looked towards the young and beautiful woman.

"this....."

Sure enough, everyone immediately saw that the young and beautiful woman was originally surrounded by green light, but now all the green light disappeared.

"What's wrong....."

Suddenly at this time, this beautiful young woman suddenly woke up.

She opened her eyes, seemingly still confused as to what had just happened to her.

At this time, the old man suddenly came in front of this beautiful young woman and said loudly:  
"The body in the ice coffin just now

, a very powerful residual thought appeared, trying to take away your body. Fortunately, a young man in white came to help. "

At this moment, the old man said that this beautiful young woman immediately looked at Ye Feng, with a grateful look on her face.

She had indeed seen an extremely powerful figure in her soul just now, obliterating a very terrifying and evil existence in her soul.

So that's what happened.

This beautiful young woman stood up immediately, walked in front of Ye Feng, and said gratefully:  
"Thank you, young hero, for saving me."

Ye Feng just smiled slightly at this moment and said in a rather free and easy voice: "It's just a transaction to accept people's money and eliminate disasters for others. No need to be grateful."

After saying that, Ye Feng walked out of the box and returned to his own box.

When Ye Feng returned to his box, Su Jixue couldn't help but asked: "Is it solved?"

Ye Feng immediately smiled slightly and said: "Of course it's solved. I can solve the problem naturally if I take action, and the 10 million has already been put into my storage ring."

When Su Jixue heard what Ye Feng said, her eyes showed deep surprise, and she said loudly:  
"That's a whole ten million. If there are other good things in the next auction, Ye Feng, you It's all available for auction."

When talking about this, Su Jixue looked at the box where Ye Feng went before, and couldn't help but look very confused, and said aloud: "I don't know what the identity of that pair of grandfather and granddaughter is, and they actually have such It's so shocking to be able to sell out 10 million yuan of huge wealth in one go. Even some of the top elders in our Tianhan Valley probably can't do it all at once.

Come up with that much cash. "

Ye Feng just smiled faintly at this time and said loudly: "It doesn't matter what his identity is. Anyway, he takes people's money to help others to eliminate disasters. Their identity has nothing to do with me. Let's continue to pay attention to the next auction." "

Su Jixue immediately nodded at this time, then looked at the auction venue outside the box, and said loudly: "What is being auctioned now is a string of crystal necklaces. It seems that this crystal necklace is a top-notch crystal left by an ancient power. The forged necklace is a very special magic weapon, and it is very delicate and beautiful. I want to sell it and auction it. "

Ye Feng immediately smiled and nodded. As expected, girls all love beauty.

At this moment, the box where Ye Feng left suddenly became quiet.

The old man who just now said that the beautiful young woman was his granddaughter, suddenly all of the guards in the box knelt down in front of the beautiful young woman.

The old man couldn't help but said in a somewhat frightened voice: "Her Royal Highness Princess Ziyun atones for her sins! My subordinates did not protect me well, and my Royal Highness the Princess put herself in danger."

It turns out that this beautiful young woman is not the granddaughter of this old man at all. It was just to keep the true identity of this beautiful young woman secret.

The true identity of this beautiful young woman is actually an extremely noble princess in the Shenshui Dynasty!

The extremely beautiful young woman couldn't help but reveal a gentle smile at this moment, and said loudly: "Mr. Shen, you don't have to be like this. There is no way to avoid this. After all, no one thought that there was a corpse in the ice coffin. , actually contains a trace of the imperial remnant

of the ancient Ice Dynasty. This kind of power at the soul master level, Mr. Shen has the intention but is unable to do so. "

Hearing what Princess Ziyun said, the old man couldn't help but breathed a sigh of relief.

, quickly stood up and said aloud: "Fortunately, in this small auction today, there are such talented people, who turned out to be the legendary soul master, and rescued Her Royal Highness Princess Ziyun. This is unfortunate. It's a blessing, otherwise, even if I die, I won't be able to make up for my fault."

At this time, Mr. Shen spoke, his tone full of fear.

He knew very well that the Princess Ziyun in front of him was the most beloved daughter of the current emperor of the Shenshui Dynasty.

If Princess Ziyun encounters any danger to her life, even if Mr. Shen is a super strong man in the Shenshui Dynasty, he will probably be angered by the emperor of the Shenshui Dynasty and directly kill the nine tribes.

At this moment, Princess Ziyun's beautiful face showed a faint smile of interest, and she said aloud: "I wonder what the identity of the young hero who came to save me is? Which sect does he come from? He is such a talented person, I really want to get to know him."

When Mr. Shen heard what Princess Ziyun said, he immediately smiled and said: "With Her Royal Highness's noble status, it is not easy to get to know someone. When the auction is over, I will go and meet that person in person. Let's communicate with the young knight and let him meet Her Royal Highness in secret. In public, Her Royal Highness had better not reveal her identity, lest some rebellious officials and traitors assassinate the princess. Now the Black Demon Dynasty is next door to our Shenshui Dynasty. , is ready to move, and has sent many spies from the dark demon clan to lurk in the imperial city of our Shenshui Dynasty, trying to assassinate the royal members of our Shenshui Dynasty, so we must be careful. "

"Um."

Princess Ziyun immediately nodded and said loudly: "Then when the auction is over, I'll bother Mr. Shen to make a trip. I really want to thank the young man who saved my life in person. Xia, my life is worth more than ten million."

"Yes, Your Highness Princess."

Mr. Shen nodded immediately.

Chapter 4228 Talk alone

In the next auction, many good things were auctioned.

There are many things that Ye Feng really wants to get.

And now Ye Feng has gained 10 million yuan for saving people.

So anything that Ye Feng likes is basically auctioned off by Ye Feng.

For Ye Feng, these things are of great benefit to improving his cultivation strength, and it doesn't matter if he spends a little more money.

In the end, Ye Feng obtained three of the most precious items in the entire auction.

They are respectively a fruit stained with the blood of gods.

A top-grade energy crystal that emits light in more than a dozen colors.

There is also an extremely ancient inheritance book.

That fruit stained with the blood of the gods contained very rich divine substances. After being absorbed by Ye Feng, he successfully refined the second stage of his Immortal Body from the third level to the fifth level. layer, making Ye Feng very happy.

Not only has Ye Feng's physical strength been improved, but the power of his eyes in the second stage has also become more and more powerful.

And after Ye Feng swallowed the top-level energy crystal that emitted more than a dozen colors of light, his cultivation skills skyrocketed.

Directly from the first level of Yuanfu Realm, he crossed two levels and broke through to the third level of Yuanfu Realm.

As for the third ancient inheritance book that Ye Feng auctioned, it was not some kind of powerful martial arts inheritance, but a very special soul-level secret technique called the "Necromantic Manual".

This seems to be an extremely ancient dark soul master, and almost no one here wants what is left behind.

But Ye Feng was auctioned off.

When Ye Feng obtained the Necromancer Manual at the auction, he immediately opened the Necromancer Manual, and his eyes showed deep surprise.

This manual of the dead contains many secret techniques related to the soul.

Although they are all quite weird soul inheritance from the undead, there are many secret techniques that Ye Feng feels are still very useful.

For example, it can summon the dead souls of all the strong men buried underground within a radius of a kilometer to use them to deal with enemies.

This is of great help when exploring some ancient ruins.

.

Because many ancient powerful people died in many ancient ruins, Ye Feng can directly summon the dead souls of ancient powerful people within a radius of a kilometer to deal with enemies. At critical moments, it is still very powerful.

So Ye Feng felt that this time he got a lot of good things from this small auction, which greatly improved his overall strength, and he also got the inheritance of such a special undead clan.

At this time, the auction was finally over.

Ye Feng followed Su Jixue, left the box and walked outside towards the auction.

But just when they walked to the exit of the auction, a tall and burly old man was already standing in front of Ye Feng.

When Ye Feng saw this old man, his soul suddenly moved.

This old man was the grandfather who saved the beautiful young woman before.

Ye Feng immediately couldn't help but smile and said: "Senior, do you have anything to do with me?"

The old man glanced at Su Jixue next to Ye Feng, and then said slowly: "This young hero, my granddaughter felt it was necessary to thank the young hero personally, so she asked the young hero to go to the hotel not far away. In the VIP pavilion on the ninth floor of Jinlong Restaurant, I would like to thank you in person."

Hearing what the old man in front of him said, Ye Feng suddenly showed a look of surprise in his eyes. It seemed that he did not expect that the beautiful young woman would actually meet him alone to thank him.

In response, Ye Feng glanced at Su Jixue beside him.

Su Jixue just nodded slightly at this time and said aloud: "Since I am so kind and want to thank you in person, then you can go ahead, Ye Feng. I will go back to the inn where we live alone now, and I happened to be auctioning something from the auction." There is no good stuff, I want to go back and digest it."

Hearing what Su Jixue said, Ye Feng nodded slightly and let Su Jixue go alone.

Then Ye Feng looked at the old man in front of him, smiled and said, "Then let me lead the way, senior."

The old man immediately smiled and said: "Young hero, please come with me."

After saying that, the old man walked quickly in a certain direction ahead.

Ye Feng followed behind the old man.

At this moment, Ye Feng suddenly said: "Senior and that beautiful young woman, shouldn't they be related to each other as grandson and granddaughter?"

Hearing Ye Feng's question, the old man leading the way immediately couldn't help but have a look of astonishment in his eyes.

Then he glanced at Ye Feng behind him, and the old man smiled and asked: "Why did the young hero say this?"

Ye Feng smiled at this moment and said aloud: "Because if you are really the grandfather of that beautiful young woman, she can't let you, a highly respected elder, personally attend this auction. Waiting for me at the entrance, so the identity of that beautiful young woman must be very noble, and the identity cannot be easily exposed, so you and her are just pretending to be grandpa and granddaughter. "

Hearing what Ye Feng said, Mr. Shen immediately couldn't help but reveal a smile of admiration on his face, and said loudly: "The young hero seems to not only have mysterious methods, but also has such a smart mind. No, Do you know who the young hero is, and which big family or power he comes from?"

Hearing Mr. Shen's question, Ye Feng suddenly showed a smile in his eyes and said, "I wonder if senior can tell you who you are first?"

Hearing Ye Feng's question, Mr. Shen could only smile helplessly and said: "Well, I will meet Her Royal Highness sooner or later, so I will tell you in advance about the absolute beauty you saved at the auction venue before. The beautiful young woman is the most beloved little princess of our Shenshui Dynasty Emperor, Her Royal Highness Princess Ziyun, and I am the guardian next to Her Royal Highness Princess Ziyun, because recently the Black Demon Dynasty next door to our Shenshui Dynasty is very ambitious. , wanted to annex our Shenshui Dynasty, so they sent many extremely powerful dark monsters to lurk in our Shenshui Dynasty, so the entire royal family is now very vigilant. This time I specially brought Her Royal Highness Princess Ziyun with me. The main

reason I came here is for the coffin of the Ice Dynasty, so I have to hide my identity to avoid being plotted by someone with intentions."

Hearing what Mr. Shen said, Ye Feng suddenly became a little panicked and realized.

No wonder Princess Ziyun wants to see herself and has to find a place to see her alone.

It turned out to be because Princess Ziyun did not want to reveal her identity as a member of the Shenshui Dynasty royal family.

At this time Ye Feng also understood.

Why were there so many royal guards guarding that box before?

It turned out that it was all because of the identity of this beautiful young woman, Her Royal Highness Princess Ziyun.

At this moment, Ye Feng nodded immediately.

Mr. Shen stared at Ye Feng and couldn't help but said: "Now young hero, can you tell me which big family or power you are from?"

Ye Feng smiled slightly at this time and said: "I am currently under the command of Tianhan Valley, and I am the core disciple of Tianhan Valley."

"Tianhan Valley?"

Hearing what Ye Feng said, Mr. Shen suddenly had a look of surprise in his eyes and couldn't help but said: "It turns out that he is the core disciple of Tianhan Valley, one of the three top sects of our Shenshui Dynasty. No wonder he has such a powerful methods, but I think Ye Feng, you may not only be the core disciple of Tianhan Valley. Even the core disciples of Tianhan Valley cannot have such powerful soul master methods. You must be the secret of Tianhan Valley. One of the special disciples he cultivated."

When Ye Feng heard what Mr. Shen said, he just smiled helplessly and didn't say much.

Mr. Shen was also sure at this time that Ye Feng must be one of the special talents secretly cultivated by the top sect in Tianhan Valley.

So at this moment, Mr. Shen immediately gave up all his vigilance, because he was really afraid that Ye Feng was a person from the Black Demon Dynasty in disguise, and wanted to do harm to the entire Shenshui Dynasty royal family by getting close to Princess Ziyun. .

After knowing Ye Feng's true identity at this moment, Mr. Shen was naturally completely relieved and took Ye Feng directly to the Golden Dragon Restaurant without stopping.

At this time, Mr. Shen immediately smiled and said to Ye Feng: "Young Master Ye, our Royal Highness Princess Ziyun is waiting for you in the VIP Pavilion on the ninth floor of this restaurant. I will not go up, old man, and will wait downstairs. , you two can talk alone, this is also the order of our Highness the Princess."

"Um."

Ye Feng nodded and walked directly into the restaurant, heading towards the VIP Pavilion on the ninth floor.

Chapter 4229 Strong connections

Ye Feng was very fast and soon arrived at the VIP Pavilion on the ninth floor of the Jinlong Restaurant.

At this time, Ye Feng opened the door and saw a very familiar figure of a beautiful young woman standing in the VIP pavilion.

At this time, Ye Feng immediately smiled and said: "I wonder if Her Royal Highness Princess Ziyun asked me to come. Are there any other things to discuss?"

At this time, Ye Feng already knew that the beautiful young woman he had rescued at the auction was an extremely noble princess from the royal family of the Shenshui Dynasty.

At this moment, Princess Ziyun's eyes suddenly showed a trace of surprise, and then she said with a smile: "It seems that Mr. Shen has told you my identity in advance. Yes, I am the Shenshui

Dynasty." Princess among them, you don't have to be too reserved in front of me. After all, you are my savior. As for why I came to you, of course I want to thank you in person. "

When Ye Feng heard what Princess Ziyun said, there was a trace of surprise in his eyes, and he couldn't help but said: "I thought Princess Ziyun had something special to do with me, but I didn't expect it to happen." Just to thank me in person."

Princess Ziyun couldn't help but roll her eyes at Ye Feng and said loudly: "You saved my life. It is natural for me to thank you in person. Moreover, I have booked the most luxurious dinner in Jinlong Restaurant. Today Let's have dinner together in the evening."

Hearing what Princess Ziyun said, Ye Feng's eyes suddenly showed a look of surprise.

Ye Feng originally felt that the reason why Princess Ziyun asked him to come was because she took a fancy to her talents and abilities as a powerful soul master, and she probably wanted to let herself help him with other things.

Unexpectedly, the other party simply wanted to treat me to a meal and thank me in person.

Ye Feng admitted that he thought too much.

It seems that this Princess Ziyun is not the kind of royal princess who is very scheming, but a very simple princess.

At this time, Ye Feng also relaxed, and immediately said with a smile: "Okay, but let the old senior come up and eat together."

Princess Ziyun immediately smiled, shook her head, and said loudly: "This dinner is just for you and me."

When Ye Feng heard what Princess Ziyun said, he immediately nodded and said nothing more.

At this moment, Ye Feng suddenly thought of something, and immediately couldn't help but asked: "I wonder if Princess Ziyun got any cold body from the body in the Ice Dynasty coffin that you auctioned before? The inheritance and wealth left by the former emperor of the Ice Dynasty?"

Princess Ziyun immediately nodded and said: "I am very lucky. The ancient emperor of the Ice Dynasty who was frozen in the coffin has a storage ring on his finger, which contains the Ice Dynasty. The legacy of the emperor back then."

Uh-huh!

After finishing speaking, Princess Ziyun took out an ancient book from the storage ring, and then said aloud: "This is the inheritance left by the last emperor of the Ice Dynasty, Mr. Ye Feng, if you want. If you want to take a look, you can take it over and take a look at it at any time."

Ye Feng took it over at this time, flipped through it, and secretly imprinted all the secrets of inheritance in this inheritance book.

Ye Feng knows that Su Jixue still wants this inheritance very much, so now he just wants to do a favor and imprint all the secrets of the inheritance of the ancient emperors of the Ice Dynasty in this book into his mind, and then directly Pass it on to Su Jixue.

Moreover, the inheritance of the last emperor of the Ice Dynasty is called "Ice Emperor Dragon Art", which is of a very high level. If Ye Feng practices it himself, he can also strengthen his overall strength.

main

Su Jixue has a huge kindness to Ye Feng. Ye Feng will naturally do whatever he can do easily.

At this time, Ye Feng returned the book to Princess Ziyun, and then the two of them started the dinner together in this room.

During the conversation, the two got to know each other somewhat.

What surprised Princess Ziyun was that when she learned that Ye Feng came from a low-level interface to the high-level interface of Wanyao, and grew up to the present, Princess Ziyun immediately admired Ye Feng to the extreme.

Because Princess Ziyun knows very well that a young man without any background or power will definitely have to suffer a lot if he wants to work hard to this level.

At this time, Princess Ziyun looked at Ye Feng with a hint of pity.

After the dinner, Princess Ziyun and Ye Feng walked directly out of the restaurant.

When they arrived at the door of the restaurant, a group of guards wearing golden armor were already waiting there.

Mr. Shen was also standing at the door, waiting.

At this moment, before leaving, Princess Ziyun looked at Ye Feng and said with a smile: "I hope you will get a good ranking in the next top talent competition. I may also participate in this top talent competition." Competition, we royal family members also need to participate in this kind of top talent competition. Originally, I didn't want to participate in this kind of fighting and killing. But if you, Mr. Ye Feng, participate in this top talent competition, I also want to participate. When the time comes, Maybe the two of us will meet."

Obviously, Princess Ziyun has a very good impression of Ye Feng.

After all, Ye Feng saved her life, and Ye Feng seemed to be very considerate, so in Princess Ziyun's heart, although she didn't like Ye Feng, she was definitely very interested and thought about her very much. I want to continue my next encounter with Ye Feng.

At this time, Ye Feng heard what Princess Ziyun said and immediately

There was a look of expectation in Ma Zi's eyes, and he said loudly: "Okay, then I hope that I can meet the beautiful Princess Ziyun again in the Top Talent Competition."

Hearing Ye Feng's words, Princess Ziyun immediately beamed. After all, everyone likes others to praise their beauty.

Princess Ziyun nodded immediately and left with Mr. Shen and a group of royal guards.

At this time, Ye Feng looked at Princess Ziyun's leaving figure and couldn't help but shake his head.

Unexpectedly, I casually took action and saved someone, and it turned out to be the princess of the Shenshui Dynasty royal family.

It's really fate.

Ye Feng knew very well that being able to have a good relationship with a noble royal princess like Princess Ziyun would be of great benefit to Ye Feng's future cultivation in the Shenshui Dynasty.

After all, this is a very powerful network.

At this moment, Ye Feng thought for a moment, and then walked quickly towards his residence.

But just when Ye Feng was halfway there, he came to a deserted alley.

Buzz!

Suddenly there was a fluctuation in the void.

A terrifying aura of power lurked quickly in the direction of Ye Feng in the void, seeming to want to sneak attack Ye Feng.

This secretly attacking existence is so powerful that it can hide in the depths of the void, making it impossible for ordinary warriors to detect it.

But Ye Feng has long been practicing the power of the void, and Ye Feng is a soul master, and his perception is very powerful.

So at this moment, Ye Feng immediately felt something abnormal in the void.

"Someone wants to attack me? Who could it be? Could it be the strong man from the Ten Thousand Beast Sect that I have offended before?"

At this moment, Ye Feng immediately showed a cold look in his eyes.

Chapter 4230 Confess

At this time, he sensed that someone in the void behind him was about to attack him. Ye Feng's first thought was that he was from the Ten Thousand Beast Sect!

Because when Ye Feng was in the ancient ruins before, he had conflicts with the strong men of the Ten Thousand Beast Sect.

Ye Feng killed the old guardian of the Ten Thousand Beasts Sect and also killed a young master of the Ten Thousand Beasts Sect.

So for Ye Feng, he could imagine that the enemies in the Shenshui Dynasty were strong men from the Ten Thousand Beast Sect.

At this time, Ye Feng was thinking that if a strong man from the Ten Thousand Beast Sect discovered his appearance, then he would probably be in great danger in the imperial city of the Shenshui Dynasty.

Because this time the Ten Thousand Beasts Sect also came to the Shenshui Dynasty, it must have brought many super strong men and powerful top geniuses to participate in this top genius competition.

Uh-huh!

At this time, Ye Feng stopped and looked back.

Then almost at this moment, Ye Feng didn't hesitate at all and punched out hard in an instant.

"boom!"

With this punch, Ye Feng directly inspired the power of his extremely powerful immortal body.

Therefore, Ye Feng's fist instantly turned into the color of pure gold and struck hard into the void ahead.

Boom!

Almost at the next moment, Ye Feng could feel his golden fist hitting something very solid.

Then a figure was immediately bombarded from the void by Ye Feng and fell directly to the ground.

"This is....."

Almost at the next moment, Ye Feng's eyes suddenly froze.

Because Ye Feng discovered that what he blasted out of the void was not a strong man from the Ten Thousand Beasts Sect, but a pangolin covered in black scales.

This pangolin, covered in black scales, actually has the ability to travel through the void.

It seems to be a legend

The said pangolin with void attributes.

Ye Feng couldn't help but look at the deep surprise in his eyes immediately. He didn't expect that such a strange-looking demon clan would appear in the imperial city of Shenshui Dynasty.

At this time, Ye Feng immediately stared at the pangolin and said coldly: "Who are you? I don't know you, why are you hiding in the void and attacking me?"

This pangolin with the void attribute showed deep horror in his eyes at this moment, and said loudly: "How could you, an ordinary human boy, realize that I am hiding in the void? This is impossible! The hidden ability of the void attribute talent is impossible for anyone to detect. "

At this time, looking at the horrified pangolin on the ground, Ye Feng immediately frowned and said in a very cold tone: "Tell me quickly, who are you? Why did you attack me secretly? Are you Isn't it a contracted beast sent by a strong man from the Ten Thousand Beast Sect?"

Hearing Ye Feng's question, the pangolin immediately panicked and ran away into the distance without even wanting to say a word.

But the next moment, Ye Feng suddenly smiled coldly and said: "You are just better at sneak attacks, but your real strength is far behind me."

Boom!

Almost at this moment, Ye Feng immediately stretched out a hand forward.

Ye Feng's hand immediately expanded rapidly, directly expanding into an extremely heavy golden hand, filled with unparalleled suppressive power.

In one fell swoop, the pangolin that was about to escape was suppressed in place, and it was impossible to break free from the shackles of Ye Feng's big golden hand.

At this moment, Ye Feng crushed one of the pangolin's legs, causing the pangolin to scream in pain.

screams.

The pangolin immediately cried out in horror: "Ah! Sir, please spare my life, Sir, please spare your life!"

This pangolin never thought that Ye Feng, a seemingly ordinary young man, could have such powerful power and suppress it easily.

At this time, the pangolin knew that he had provoked someone he shouldn't have provoked.

At this moment, Ye Feng stared at the pangolin begging for mercy in front of him and said slowly: "If you want to save your life, tell me first, where are you from and why do you want to frame me? Where do I have it? Offended your power?"

At this moment, hearing what Ye Feng said, Pangolin immediately begged for mercy and explained: "It's not that I want to deal with you, sir. It's the strong men of the Black Demon Dynasty behind us who want to deal with the royal family of the Shenshui Dynasty, but we I dare not directly attack

the noble members of the Shenshui Dynasty royal family, because they are protected by very powerful people. Just now I saw the Lord and Princess Ziyun of the Shenshui Dynasty having a very happy conversation, so I feel that the Lord and Princess Ziyun should be a very good friend, but I saw that the Lord looks ordinary, so I came to sneak attack on the Lord, hoping to capture the Lord, and then dedicate him to our Black Demon Dynasty lurking in this Shenshui Dynasty. The person in charge of the city can then use this level of relationship to deal with the royal members of the Shenshui Dynasty."

When Ye Feng heard what the pangolin said, a look of surprise suddenly appeared in his eyes.

It turns out that this pangolin comes from the Black Demon Dynasty next door to the Shenshui Dynasty.

Before, Ye Feng also heard from Princess Ziyun that the Shenshui Dynasty and the Black Demon Dynasty were both powerful dynasties nearby.

Recently, the Black Demon Dynasty has become ambitious for some unknown reason and wants to annex the territory of the Shenshui Dynasty.

Therefore, the Black Demon Dynasty has recently sent many powerful men from the Dark Demon Clan to lurk in the imperial city of the Shenshui Dynasty in an attempt to hunt down the royal members of the Shenshui Dynasty and cut off the direct descendants of the Shenshui Dynasty.

.

Ye Feng understood everything immediately at this time.

It turns out that this pangolin wanted to catch him in order to use himself to deal with Princess Ziyun of the Shenshui Dynasty.

At this moment, Ye Feng was staring at the pangolin in front of him, wondering whether to kill it directly or keep it for Princess Ziyun's interrogation.

After all, this black demon dynasty is so menacing that it dares to secretly attack the friends of the royal family members of the Shenshui Dynasty in the Shenshui Dynasty's imperial city.

This shows how daring the person in charge of this Black Demon Dynasty is!

At this time, seeing Ye Feng thinking, the pangolin immediately nodded and said, "Sir, spare your life. As long as you spare my life, I can take the responsibility of the Black Demon Dynasty who is responsible for this operation." People provide it."

Hearing what the pangolin said, Ye Feng shook his head and said, "I am just an ordinary friend of Princess Ziyun, and I am not interested in the fight between your two dynasties."

Hearing what Ye Feng said, the pangolin immediately panicked and said, "Sir, you..."

Pangolin didn't know what to say at this moment.

Obviously, Ye Feng's words made him a little confused.

But the next moment, Ye Feng suddenly smiled and said aloud: "But Princess Ziyun and I have a pretty good relationship, and her attitude towards me is very good. Maybe I will be a good choice when I hand you over to Princess Ziyun." Choose, maybe the Shenshui Dynasty will give me something in return."

Hearing what Ye Feng said, the pangolin immediately spoke up and said: "My lord, you are right to think so. This villain is of great value to the royal family of the Shenshui Dynasty. Your lord can definitely contribute me."

The pangolin with the void attribute was speaking at this moment, obviously in order to survive, he didn't care about loyalty or anything else.
