

Ancient 4411

Chapter 4411 Dozens

At this moment, Ye Feng did not hesitate, and directly released his huge soul power and spread it around to find the ancient puppets hidden in the collapsed ruins of the underground mausoleum.

If Ye Feng didn't have the soul power to search, he could only wander around in this underground tomb, and then draw out those ancient puppets to attack him, and then he could draw out these ancient puppets and kill them.

But now Ye Feng has extremely powerful soul power and can directly conduct searches.

Soon Ye Feng sensed that there were three ancient puppets buried in some collapsed ruins nearby.

"found it!"

Ye Feng looked directly at Gu Qingqing, the woman in green shirt next to him, and said with a smile: "Qingqing, there is a collapsed palace about three hundred meters away from us, in the basement of the collapsed palace, has three ancient puppets, and they are probably about the same strength as the tall lizard man we encountered before."

Gu Qingqing immediately smiled and said: "Okay, then we will go directly."

Obviously, now that their relationship with Ye Feng has taken a step further, the conversations and interactions between Gu Qingqing and Ye Feng have become more casual.

At this time, Gu Qingqing was directly leading the way.

Because Gu Qingqing's current cultivation strength is after all much higher than that of Ye Feng, so he leads the way to prevent sudden and terrible dangers.

What is most powerful about Ye Feng is that the god ring in his hand turns into a golden sword, which is very sharp and can break through the defense of these ancient puppets.

Uh-huh! Uh-huh!

The two of them moved very quickly, and in a blink of an eye they arrived around the collapsed hall that Ye Feng sensed.

At this time, when they had just approached the main hall.

really.

"boom!"

"boom!"

"boom!"

Along with three huge roars, three huge puppets suddenly appeared in Ye Feng and Gu Qingqing's field of vision.

These three puppets, like the tall lizard man, are all humanoid puppets, but their heads are the heads of various ferocious beasts, and they look very ferocious.

They still don't have any life breath on their bodies. They are all puppets refined here by the Dark Demon Saint.

At this moment, three extremely powerful puppets charged directly towards the two of them.

They have no way to use any powerful inheritance or secret techniques, and can only rely on their extremely strong puppet bodies to fight against the enemy.

In fact, the defense power of these ancient puppets is still very terrifying. Even Gu Qingqing's high-strength cultivation is unable to break through the defense of these puppets.

Therefore, the Dark Demon Saint is still very well prepared for the defense of the place where he sleeps.

But he probably never thought that an ordinary young man like Ye Feng would hold the legendary magic weapon of the Celestial Clan, the Celestial Ring. The golden sword turned into it was so sharp that it could kill the Dark Demon Saint in an instant. The terrifying and strong puppets that were carefully crafted were cut and destroyed at will.

At this time, Gu Qingqing looked at the three ancient puppets rushing forward, and immediately shouted coldly: "Water element method, ocean guardian!"

At this moment, Gu Qingqing was still displaying that very powerful and powerful inheritance.

Buzz! Buzz! Buzz...

Huge ocean vortices suddenly appeared around her, trapping all three ancient puppets that rushed towards her in the ocean vortex she released.

Gu Qingqing did not blow away these ancient puppets, but just entangled them here to make Ye Feng

When he had the chance, he used the golden sword to destroy these puppets.

Gu Qingqing is still very smart. She knows that there is no need to confront these ancient puppets head-on. As long as she can trap these puppets, Ye Feng can easily cut these puppets into pieces with a golden sword.

Uh-huh!

At this moment, seeing the three ancient puppets being trapped by Gu Qingqing's ocean vortex, Ye Feng naturally did not hesitate at all. His eyes immediately lit up with joy, and the golden ring in his hand once again changed form and became a golden sword.

The next moment, Ye Feng charged directly towards the three trapped puppets in front of him. The golden long sword in his hand was extremely sharp. He did not need Ye Feng to activate the power of the golden long sword. He directly relied on the sharpness of the golden long sword. The speed was enough to cut these three ancient puppets in half instantly.

Click! Click! Click!

At this time, Ye Feng held the golden sword in his hand and quickly cut the three trapped puppets in front of him into several pieces.

Then three energy crystals fell from it.

Ye Feng's eyes lit up, and he stretched out his hand and grabbed the three energy crystals in his hands.

At this moment, Ye Feng didn't hesitate and swallowed three energy crystals that fell from the puppet.

"boom!!"

Almost at this moment, three very majestic energies rushed into Ye Feng's dantian.

Ye Feng's skill immediately increased tremendously.

However, the accumulation is still not enough to break through the big bottleneck of half-step Yuanhai realm.

At this time, Ye Feng did not feel discouraged, but continued to exude his soul power and said to Gu Qingqing beside him: "It seems that it will take some time. We continue to search for the ancient puppet and must break through this big bottleneck.

"

Gu Qingqing also nodded at this time and said loudly: "Okay, I will definitely support you anyway."

For the next few hours, Ye Feng used his soul power to find the ancient puppets in the surrounding buildings.

Originally, these ancient puppets were very scary, very difficult to deal with, and very difficult to deal with. After all, their defense was almost invincible. Even super masters like Gu Qingqing were unable to destroy the defense of these puppets.

But these ancient puppets were very unlucky and met Ye Feng, who held the ring of the god.

The God's Ring in Ye Feng's hand turned into a God's Sword, which was so terrifyingly sharp that it instantly cut and shattered the super defense that these ancient puppets were proud of.

So next, Ye Feng and Gu Qingqing teamed up to find almost all the dozens of ancient puppets buried in the ruins of the underground mausoleum, and hollowed out their energy crystals.

Time passes quickly, like running water without leaving a trace.

A few hours passed in the blink of an eye.

Ye Feng also swallowed dozens of energy crystals.

Finally at this moment.

"Boom!!"

Ye Feng's body suddenly erupted with an extremely terrifying and powerful cultivation aura.

At this moment, Ye Feng opened his eyes, and there was a look of deep surprise in his eyes.

Finally, through the accumulation of huge energy, his cultivation completely broke through the bottleneck of the half-step Yuanhai realm, and broke through to the real Yuanhai realm first level!

Entering a new level of power!

Ye Feng could feel the vast ocean-like energy surging through his limbs at this time. His combat effectiveness had simply improved dramatically after entering a new realm!

Chapter 4412 Nie Qianqian

Now, after Ye Feng broke through to the first level of the real Yuanhai Realm, he could feel that his combat power had undergone earth-shaking changes.

Buzz!

The aura emanating from him was as majestic and terrifying as a wild beast.

Even Gu Qingqing, who was standing next to him, had a look of deep surprise in his eyes at this time.

Because Gu Qingqing could feel that Ye Feng had broken through to the Yuanhai realm, which felt like he had broken through to the Tiangong realm above the Yuanhai realm.

That kind of momentum was too terrifying and majestic, far beyond the first level of Yuanhai Realm where Ye Feng was currently.

Gu Qingqing immediately understood that Ye Feng's martial arts foundation and cultivation base were too deep.

Only a very strong martial arts foundation can produce such an effect. At a very low level, one can release a powerful momentum comparable to a high level.

At this time, Gu Qingqing immediately smiled and said: "Ye Feng, congratulations, you have finally broken through to the true Yuanhai realm."

At this moment, Ye Feng just smiled slightly and said: "It's quite early to reach Qingqing's level of cultivation."

Gu Qingqing immediately couldn't help but shook her head and smiled, and said aloud: "With your overbearing devouring ability, I estimate that I will be able to catch up with my current cultivation level soon, and now I am seriously injured, so The strength you have exerted is less than one-fifth of what you were at your peak. Now that you have broken through to the first level of the true Yuanhai Realm, your combat effectiveness is almost the same as mine in my current severely injured state. We can help each other from now on."

Ye Feng immediately nodded and said: "The reason why I have delayed so long to find various ancient puppets and obtain the energy crystals in them to break through the current cultivation level is naturally the main purpose. Being able to break through to the real Yuanhai realm will help you, Qingqing. After all, what we are going to find next is the very terrifying and ancient sleeping place of the Dark Demon Saint. If the Dark Demon Saint is completely dead, it will be better. Well, if the Dark Demon Saint doesn't die completely, for example, he turns into a terrifying zombie, then it will be troublesome."

Hearing what Ye Feng said, Gu Qingqing immediately nodded, then took out the two-in-one map from the storage ring, identified the direction, and said aloud: "We are almost reaching this underground place. The deepest area of the mausoleum, it should be the sleeping place that the Dark Demon Saint built for himself. "

Ye Feng immediately nodded, and then said aloud: "Let's just go over and take a look to see if the Dark Demon Saint finally left behind his precious Dark Curse cultivation method, as well as its natal weapon judgment. Is the scepter here?"

Gu Qingqing immediately nodded, and then flew quickly towards the deepest part of the underground mausoleum with Ye Feng.

But just when they reached the deepest part of the underground mausoleum, they suddenly saw two figures engaged in a fierce battle.

One of the figures was an ancient zombie that was more than ten meters tall and majestic. Its body was covered with pitch-black scales, it had a green face and fangs, and its eyes glowed with blood-red light. It looked very scary.

Not far away, there was a black coffin more than ten meters long. At this moment, the lid of the black coffin had been opened, and it was empty inside.

Obviously, this ancient black zombie, which is more than ten meters tall, is

The body of the Dark Demon Saint.

But now the corpse has changed.

And the figure who was fighting the corpse of the Dark Demon Saint at this moment turned out to be a beautiful girl figure who looked quite graceful and delicate.

This girl doesn't look very old, maybe eighteen or nineteen years old at most, but her face is extremely cold and charming, giving people a very mature feeling.

She wore a set of thin black armor that looked very magical, exuding blood-red light. This set of thin armor seemed to have inexplicable power, allowing this cold and charming girl to fight against the extremely powerful Dark Demon Saint Zombie. The fight was evenly matched, which is enough to show that his strength is also very strong.

"is her!"

At this moment, Gu Qingqing, who was standing with Ye Feng not far away, immediately showed a look of surprise in his eyes, and couldn't help but said: "That girl seems to be one of the top ten strongest in the younger generation of the Demonic Sect. One of the core disciples, Nie Qianqian."

"A core disciple of the Demonic Sect?"

Hearing Gu Qingqing next to him say this, Ye Feng suddenly showed a look of surprise in his eyes. He did not expect that a young disciple of the Demonic Sect would appear here, and he was also one of the ten strongest core disciples of the younger generation. His strength is estimated to be even stronger than when Gu Qingqing was at his peak.

At this time, Gu Qingqing immediately looked at Ye Feng beside him, with a rather cold look in his eyes and said loudly: "Let's not take action for the time being. Let's just watch around and let Nie Qianqian of the Demon Sect and the Dark Demon Saint turn into zombies." Both sides suffer."

You must know that among the three top overlord forces in the northern land of the Ten Thousand Monsters interface, the Ten Thousand Dragons Divine Sect is a relatively neutral force.

As for the other two, the Blood Demon Dynasty and the Demonic Sect have always had a bad relationship.

Even now, the Demonic Sect has cultivated many masters of the Demonic Way and powerful forces, who are doing evil in the borderlands of the Blood Demon Dynasty.

Therefore, when practitioners from the Blood Demon Dynasty and the Demonic Sect met, they naturally regarded each other as enemies.

At this moment, Gu Qingqing, as a royal member of the Blood Demon Dynasty, was not in a good mood when he saw the core disciples of the Demonic Sect. Naturally, he would not help this Nie Qianqian, and even wanted to see Nie Qianqian and this The Dark Demon Saint turned into a zombie, hurting both sides.

Hearing what Gu Qingqing said next to him, Ye Feng also nodded without objection.

After all, Ye Feng is now a member of the Blood Demon Dynasty, so naturally he will not help the practitioners of the Demonic Sect.

And even if this Nie Qianqian is not a practitioner of the Demonic Sect, Ye Feng will not rush to help.

After all, neither of them are friends, just strangers, with nothing to help.

Ye Feng would not cause trouble for himself for no reason.

Because Ye Feng has always been alone.

Although Ye Feng asked himself that he was not a bad person, he was not a bad person either.

In the extremely cruel world of cultivation, Ye Feng felt that it was not easy for him to be alone and do his own thing well.

So at this time, when Ye Feng heard what Gu Qingqing said, he did not refuse. Instead, he and Gu Qingqing lurked around, watching Nie Qianqian, the top ten core disciples of the Demonic Sect not far away, fighting dangerously with the zombies of the Dark Demonic Saint. battle.

The two of them planned to see the situation first before talking. Now, after Ye Feng broke through to the real first level of Yuanhai Realm, he could feel that his combat power had undergone earth-shaking changes.

The two of them planned to see the situation first before talking.

Chapter 4413 Initial use

Boom!

It has to be said that although Nie Qianqian, one of the ten core disciples of the Mosha Sect, is a woman who looks quite weak, her attack power is still very terrifying.

The armor on her body burst out with terrifying power, able to condense into a handful of different types of weapons around Nie Qianqian, and attack crazily on the zombies turned into the Dark Demon Sanctuary.

The Dark Demon Saint turned into a zombie. Although he was defeated steadily, the situation was not optimistic.

Because Nie Qianqian discovered that her various attacks and methods seemed very fierce and powerful, but there was no way to break the defense of the zombie turned into by the Dark Demon Sanctuary.

Until now, Nie Qianqian had consumed a lot of mana, but she was shocked to find that there were not even a single crack on the black scales growing on the surface of the tall zombie transformed by the Dark Demon Sanctuary.

In other words, she had worked so hard to fight until now, consuming nearly half of her mana, but she had not caused any harm to the zombie that the Dark Demon Saint had turned into.

This made Nie Qianqian's heart suddenly sink.

Because Nie Qianqian discovered that her magic power was limited and would always be slowly consumed until it was exhausted.

But the power of the zombie turned into by this Dark Demon Saint is endless.

In other words, if Nie Qianqian could not find a way to break through the defense of the zombie turned by the Dark Demon Saint, she would definitely be the one who died in the end.

Finally, at a certain moment, Nie Qianqian felt that her power was about to be exhausted, and she flew back quickly, and actually chose to leave here directly.

The Dark Demon Saint turned into a tall zombie and rushed quickly in the direction where Nie Qianqian escaped. It seemed that he would not give up until he killed Nie Qianqian, the intruder.

In the blink of an eye, the entire field was suddenly empty.

Seeing this scene, Ye Feng and Gu Qingqing, who were lurking in the distance, suddenly showed deep astonishment in their eyes.

They never expected that Nie Qianqian could not defeat the zombie that the Dark Demon Saint had turned into, but actually escaped, and instead caused trouble.

Opened the terrifying zombie that the Dark Demon Saint turned into.

At this time, Gu Qingqing stood up immediately, smiled and said: "Ye Feng, we really got a big deal."

After saying that, Ye Feng nodded in astonishment, not expecting that the situation would develop to this point.

At this moment, Gu Qingqing and Ye Feng walked directly to the coffin where the Dark Demon Saint turned into a zombie and slept not far away.

At this time, the lid of the coffin has been opened.

At this moment, the two of them saw an ancient book inside the coffin.

The words written on this book are exactly the methods of cultivating the Dark Curse.

Seeing this scene, Gu Qingqing and Ye Feng's eyes showed deep surprise.

Gu Qingqing immediately took the dark curse cultivation method into his hands, and said with surprise in his eyes: "That's right, it's this book. All of it contains the dark curse cultivation method that the Dark Demon Saint practiced back then. By inheriting the secret information, if we practice it, we will be able to master this spiritual soul attack method, which is very powerful."

Although Gu Qingqing currently has a seal in her soul mind and cannot improve her soul power, she can practice inheritance at the soul level.

At this time, Ye Feng also nodded, and then said loudly: "Just let me take a look."

At this moment, Ye Feng got this dark curse secret book of cultivation methods from Gu Qingqing's hands, flipped through all the pages, and imprinted it into his mind with his soul power.

Then Ye Feng handed this cultivation method back to Gu Qingqing, smiled and said: "All the secret information of the dark curse inheritance has been imprinted in my mind. I can pass the imprint in my mind, Slowly comprehend, this set of inheritance, this book, Qingqing, you can just hold it, I don't need it anymore

."

When Gu Qingqing heard what Ye Feng said, her beautiful eyes suddenly revealed a look of envy, and she said loudly: "A powerful soul master is indeed gifted, and his ability is very miraculous. He can kill him in an instant. This complex secret of inheritance is all imprinted in my mind, and my ability to comprehend it is also very strong, and my comprehension speed is very fast. "

Obviously, Gu Qingqing is still very familiar with the methods at the soul master level. After all, she is also half a soul master.

At this time, Ye Feng immediately smiled and said: "When my soul power becomes stronger and stronger in the future, and I unlock the seal in Qingqing's mind, you can also be like me, with the power of a soul master." Various means."

When Gu Qingqing heard what Ye Feng said, she immediately nodded solemnly and said, "Ye Feng, I will really rely on you from now on!"

Gu Qingqing obviously has great expectations for the training of a soul master, even more than her expectations for martial arts practice.

At this time, Gu Qingqing took the inheritance secret book from Ye Feng's hand and put it directly in his storage ring, waiting to practice next.

At this time, Ye Feng had imprinted the dark curse's cultivation method, all the inheritance secrets and information into his mind, and had begun to automatically comprehend it in his mind.

At this time, Ye Feng could already begin to initially use part of the power of the dark curse.

At this moment, if Gu Qingqing knew that Ye Feng could now initially use the power of the dark curse, he would probably be horrified.

Because this kind of talent is so monstrous, it has surpassed the monstrous talent of ordinary soul masters.

She didn't know that Ye Feng's comprehension ability was much stronger than that of ordinary soul masters.

Because Ye Feng's understanding back then was transformed from the very beginning by the golden elixir found by his father, Emperor Ye Qing, from the sky, he had already become a monster.

In other words, even if Ye Feng is not a soul master, he can understand this kind of inherited secret.

Yi is also very fast.

Not to mention that Ye Feng now has a strong alliance. Not only was his comprehension ability modified by the golden elixir in the early stages of his training, but he also became a soul master in the final training.

Therefore, the speed at which Ye Feng comprehended various inheritances was naturally extremely fast, reaching an incredible level.

At this moment, Gu Qingqing searched around the coffin, but did not find the magic weapon left in the Dark Demon Sanctuary, the Judgment Scepter.

She immediately showed a rather disappointed look in her eyes, and couldn't help but say:
"Although I have found the method of cultivating the dark curse, the scepter of judgment that I want most is not in this coffin. Could it be that the scepter from before was Nie Qianqian, the core disciple of Mosha Cult, was taken away in advance? "

Gu Qingqing is in great need of the Judgment Scepter, because her soul power cannot grow in a short time, and her mind is sealed, so she has practiced the cultivation method at the soul level and

needs a special Horcrux like the Judgment Scepter. Increase the power of the soul cultivation method.

At this moment, hearing what Gu Qingqing said, Ye Feng shook his head and said loudly: "It shouldn't have been taken away by that Nie Qianqian in advance. I haven't seen that Nie Qianqian use the Judgment Scepter to deal with the dark demon before. Zombies turned into saints, because if Nie Qianqian had really obtained the Judgment Scepter in advance, she would have used the Judgment Scepter to deal with the zombies turned by the Dark Demon Saint. After all, the Judgment Scepter is an extremely advanced magic weapon with amazing power. , but she never used it."

Hearing what Ye Feng said, Gu Qingqing couldn't help but shook her head and smiled bitterly, and said: "Ye Feng, do you think everyone is like you? What kind of weapons and inheritance did you get? You can use it in an instant?" and cast."

"Forehead?"

Hearing Gu Qingqing's words of deep envy, Ye Feng couldn't help but scratch his head, smiled and said, "It seems you are right."

Gu Qingqing looked in a certain direction in the distance and immediately said aloud: "Let's catch up and see if the zombie that the Dark Demon Saint turned into killed Nie Qianqian."

Chapter 4414 What a bad luck

At this time, Ye Feng and Gu Qingqing flew directly towards the direction where the zombies turned into by the Dark Demon Sanctuary were chasing Nie Qianqian.

Although they have obtained the inherited skills left by the Dark Demon Sanctuary, the Dark Curse Cultivation Method.

But the Dark Demon Saint's natal weapon, the Judgment Scepter, is also a very powerful treasure, and it is a very special soul-level weapon.

For Ye Feng, it may not have much effect.

After all, Ye Feng's own soul power is very powerful. If he uses his own soul power to activate the Dark Curse cultivation method, he can already exert the power of the Dark Curse to a great extent.

But the Judgment Scepter has great significance to Gu Qingqing.

Because in Gu Qingqing's mind, there is a seal from the Black Soul World.

Therefore, although she can practice the cultivation method at the soul level, she has no way to release the true power of this cultivation method, and can only use a little power.

But once Gu Qingqing can obtain the powerful weapon Judgment Scepter left behind by the Dark Demon Sanctuary, then Gu Qingqing will be able to release the strongest power of the Dark Curse through this Judgment Scepter.

So at this moment, in fact, the one who cares most about the Dark Scepter is Gu Qingqing.

Ye Feng also received huge benefits this time and would naturally help Gu Qingqing.

Time passes quickly, like running water without leaving a trace.

Half an hour passed in the blink of an eye.

Ye Feng and Gu Qingqing have been tracking for a long time, but they still haven't found the zombie that the Dark Demon Saint turned into, nor have they found Nie Qianqian's figure or trace.

Seeing this scene, Gu Qingqing's face suddenly showed a trace of gloominess.

It seems that they have no way to find the trace of the Judgment Scepter.

At this time, Ye Feng said aloud: "I guess Nie Qianqian has escaped. After all, she is one of the ten core disciples of the Demonic Sect, and her cultivation strength is very powerful, no less than you, Qingqing."

Gu Qingqing immediately nodded, sighed, and said aloud: "Then we won't chase, it's a waste of time. In any case, this time we can get the dark curse cultivation method of the Dark Demon Saint.

It's very good. It's already a huge gain. After all, people should be content and content with what they have. "

Hearing what Gu Qingqing said, Ye Feng immediately smiled and nodded, and then the two of them walked out of the underground tomb space of the Dark Demon Saint.

At this moment, the two of them stood among the ruins and looked around.

Gu Qingqing suddenly looked at Ye Feng and asked: "Ye Feng, do you want to leave this borderland now? Come back to the Blood Demon Dynasty with me."

Ye Feng shook his head and said loudly: "This time I came here mainly to kill more demon masters and demon forces supported by various demon cults in the border areas, and I also want to find us The head of the scavenger department is Murong Changming, so I won't be leaving for the time being, and I will probably stay in the borderland for a while longer."

When Gu Qingqing heard what Ye Feng said, she immediately nodded, smiled, stretched out her white hand, patted Ye Feng's shoulder, and said loudly: "Come on, come on, make contributions to the Blood Demon Dynasty, the royal family will definitely You will be rewarded with huge contribution points, and being promoted will definitely not be a dream."

After finishing speaking, Gu Qingqing looked in a certain direction and said loudly: "I have been delayed for a long time when I came out this time. It's time to return to the dynasty."

Ye Feng immediately nodded, smiled and said, "Okay, I wish Qingqing a safe journey."

Gu Qingqing immediately nodded, looked at Ye Feng with her beautiful eyes, and said with a hint of smile: "The next time we meet in the royal family, I will tell you my true identity. "

At this moment, Gu Qingqing seemed to be deliberately keeping such a suspense, to whet Ye Feng's appetite, as if she was afraid that Ye Feng would forget her.

When Ye Feng heard what Gu Qingqing said at this moment, he just smiled dumbly, shook his head, and said: "Okay, you must tell me your true identity when we meet next time."

At this moment, Gu Qingqing immediately nodded, then flew quickly in a certain direction in the distance, and disappeared in the blink of an eye.

trace.

Ye Feng watched Gu Qingqing's beautiful and graceful figure disappear into the distant horizon.

At this time, Ye Feng turned around and flew in a certain direction, preparing to leave this ruined land.

After all, this ruined land is still in the dark forest.

The Dark Forest is a very dangerous place at the border between the Blood Demon Dynasty and the Demonic Sect.

So Ye Feng wanted to leave this dark forest as soon as possible.

After all, Ye Feng's current cultivation strength is not enough to safely act wantonly in the dark forest.

At this time, Ye Feng quickly flew towards the outside of the dark forest, wanting to leave this very dangerous place.

But just when Ye Feng had not been flying for long, Ye Feng suddenly saw a beautiful figure lying on the ground in the dim jungle in front.

This beautiful figure looked familiar to Ye Feng.

"Isn't this who..."

When Ye Feng stepped forward, his eyes immediately froze.

This beautiful figure lying on the ground and passed out turned out to be one of the top ten core disciples of the Demonic Sect, Nie Qianqian, who had fought against the zombies transformed into the Dark Demonic Sanctuary!

This is a very powerful and peerless female prodigy with a very cold appearance. She is a witch in the magic world.

"Why is Nie Qianqian lying here? Could it be that she was seriously injured by the Dark Demon Saint? Did she faint and die here?"

At this moment, Ye Feng's eyes suddenly showed a hint of surprise.

However, Ye Feng didn't want to meddle in other people's business and was just preparing to leave this place of right and wrong.

But just when Ye Feng was about to leave.

Boom!

Suddenly there was a huge roar high in the sky.

That was the sound of breaking through the air.

It's a sonic boom produced at extremely fast speeds!

I saw a huge zombie with wings flying high in the sky. Its scarlet eyes were staring at the dark forest below, seeming to be looking for something.

What.

"It's the zombie that the Dark Demon Saint turned into! He actually transformed again. Zombie wings grew out of his back, and he turned into a high-level existence among zombies, Fei Zong!"

At this moment, Ye Feng immediately showed a look of surprise in his eyes.

No wonder Nie Qianqian is lying here. She was probably seriously injured by the Dark Demon Saint Zombie that transformed again and fell here.

However, Ye Feng was also very nervous at this time, because he had also broken into the sleeping place of the Dark Demon Saint.

If this Dark Demon Saint zombie is discovered, he will probably be hunted down crazily.

At this moment, Ye Feng looked at the flying zombie who was searching everywhere above the dark forest. Ye Feng immediately lay down on the ground, and then covered himself up with the surrounding weeds, trying to avoid this dark demon. The search for holy zombies.

But just when Ye Feng lay down, he suddenly saw Nie Qianqian lying in the jungle not far away. He suddenly opened a pair of cold and beautiful eyes and stared at him.

"Oops... this witch didn't faint, she was just lurking here!"

Ye Feng's expression immediately tightened at this moment.

This Nie Qianqian wouldn't take action against herself, right?

After all, I was lurking around before, wanting to see both her and the Dark Demon Saint Zombie suffer harm.

But Ye Feng suddenly thought about it. When Nie Qianqian was fighting the zombie turned into by the Dark Demon Saint, he didn't realize that he and Gu Qingqing were lurking around.

So this Nie Qianqian should not know herself.

This made Ye Feng feel slightly relaxed again.

But this Nie Qianqian is a core disciple from the Demonic Sect after all, and is a super master in the Demonic Way. When she meets a member of the Blood Demon Dynasty like herself, she will probably have murderous intent instantly.

But I can't leave now.

The Dark Demon Saint zombie above the dark forest has transformed into a flying zombie, but it is hunting!

I dare not move at all!

Ye Feng lay on the ground, feeling helpless. He was really unlucky!

Chapter 4415 Common Enemy

At this time, Ye Feng was thinking a lot.

If Nie Qianqian, one of the top ten core disciples of the Demonic Sect, really dared to take action against herself, then she would completely expose all traces here and let the flying Dark Demonic Saint zombie in the sky directly discover them.

In this case, Ye Feng can take advantage of the chaos and escape.

Even if he can't escape, Ye Feng will die with the other party, otherwise he won't be reconciled.

But suddenly at this moment, Nie Qianqian, who opened her eyes in front, suddenly transmitted a message to Ye Feng and said: "It seems that you have also discovered that the zombie flying in the sky is very scary, otherwise you won't suddenly lie down on the ground to hide yourself. Looking at the clothes on your body, you seem to be a member of the Blood Demon Dynasty. Although I am a core disciple of the Demonic Sect, we have no grievances and there is no need to become enemies. Our biggest enemy now is the flying zombie flying high in the sky. And to tell you the truth, I am not afraid of scaring you. This zombie is an ancient and powerful figure from our Demonic Sect, a zombie transformed from the Dark Demonic Sanctuary, and now it has evolved into a high-level zombie like Feizheng, which is very terrifying. Even I am no match for it, let alone you, an ordinary warrior of the small Blood Demon Dynasty, so now we can only unite together. , can you escape the pursuit of this dark demon saint zombie. Even if you have not offended this zombie, as long as you are discovered by him, you will be hunted by him as a living creature, eat your flesh and blood, and strengthen his zombie power. body."

At this moment, Ye Feng breathed a sigh of relief when he heard Nie Qianqian's voice transmission to him.

Although Nie Qianqian saw that she was a member of the Blood Demon Dynasty, she did not know that she and Gu Qingqing were lurking around, watching the show in secret.

This naturally made Ye Feng breathe a sigh of relief.

At this moment, Ye Feng immediately sent a message and said: "Your Excellency is right, we have no hatred or grudges. As for whether the Blood Demon Dynasty and the Demonic Sect behind us are in a state of confrontation, with The two of us don't have much of a relationship now. It's an opposition between camps, which doesn't necessarily mean that we members will be in opposition. What's more, we now have a common enemy. The most important thing for us now is to avoid this

Hunting and chasing of scary flying zombies. "

What Ye Feng said at this time naturally came from his heart.

In this world, there are no eternal enemies, only eternal interests.

Because the Dark Demon Saint turned into a zombie, Ye Feng also knew how terrifying it was.

Not to mention that it has now evolved into a high-level existence among zombies, flying zombies.

At this time, Nie Qianqian couldn't help but nodded, then looked at Ye Feng and said loudly: "My cultivation strength is at its peak, enough to fight the zombie turned into by the Dark Demon Saint, but now I am seriously injured. There is no way to exert your true power. Although you, a young boy, have low cultivation level, you are not injured. Now take me away from here quickly and leave this hunting area of flying zombies. Wait until I regain my true strength and strength. With peak strength, and by refining a powerful weapon I obtained before, the Judgment Scepter, I can fight against this flying zombie."

At this moment, Nie Qianqian seemed to tell Ye Feng that she was holding the Judgment Scepter in order to convince Ye Feng, but she probably felt that Ye Feng did not know what the Judgment Scepter was.

But what Nie Qianqian didn't know was that Ye Feng actually knew what the Judgment Scepter actually was.

At this moment, Ye Feng suddenly had a look of surprise in his eyes.

Sure enough, the Scepter of Judgment was indeed obtained by this Nie Qianqian.

It is estimated that Nie Qianqian was one step ahead of Ye Feng and Gu Qingqing and entered the underground tomb space of the Dark Demon Saint.

Then he came to the coffin where the Dark Demon Saint was sleeping, opened the lid of the coffin, and first got the Judgment Scepter.

Immediately afterwards, the Dark Demon Saint directly transformed into a corpse, so Nie Qianqian did not have time to obtain the cultivation method of the Dark Curse.

Thought of this,

Ye Feng felt that he must not be able to use the dark curse cultivation method in the future, otherwise if this Nie Qianqian knew about it, she would definitely guess everything.

So at this time, Ye Feng slowly climbed up to Nie Qianqian, and then asked aloud: "Then what should we do now?"

Nie Qianqian's cold eyes looked around and said aloud: "We will definitely not be able to avoid this flying zombie's constant exploration, so we will definitely have to fight it hard in the end, but I need time to recover my strength and refine it. That extremely powerful magic weapon, the Scepter of Judgment, so my safety issues will be left to you. At such a low level of cultivation, you can sense the terror of the flying zombie flying high in the sky. In an instant Just lying on the ground and hiding yourself shows that your perception is very powerful, so you don't need to fight to the death. You just need to take care of everything about me while I recover my strength. Avoid the detection of flying zombies."

Hearing what Nie Qianqian said, Ye Feng's eyes suddenly showed a look of surprise.

This Nie Qianqian is worthy of being one of the ten core disciples of the Demonic Sect. Her eyesight is indeed very extraordinary. From some clues, she can infer that her perception is powerful.

Ye Feng immediately nodded at this time and said loudly: "Your Excellency is right, my perception is indeed quite powerful."

At this time, Ye Feng had no other choice but to temporarily unite with Nie Qianqian to finally deal with the flying zombie.

Because Ye Feng knew that the flying zombie had been hovering in the surrounding dark forest area, and he would definitely not give up until he found the two of them.

So it would be difficult to sneak away secretly.

At this moment, Ye Feng saw a medium-sized mountain not far away, and immediately said: "Let's hide inside that mountain first, and let your cultivation level recover first."

Nie Qianqian immediately nodded, then stretched out a plain white arm and looked

Xiang Ye Feng said aloud: "Hold me over, it's hard for me to walk now, but don't think about killing me and plundering my wealth, because if you kill me, you won't be able to escape at all. A hunting area for flying zombies."

Hearing what Nie Qianqian said, Ye Feng couldn't help but shook his head and said loudly: "You and I have no grievances. Of course I will not have the intention to kill you. After all, we are now united."

Nie Qianqian glanced at Ye Feng and nodded.

At this time, Ye Feng stepped forward, hugged Nie Qianqian, supported her, and walked towards a mountain not far away.

On the way out, Nie Qianqian glanced at Ye Feng, who was acting quite close to her at this time, and said loudly: "I have never been so intimate with anyone of the opposite sex. This matter is related to my reputation. I hope Don't spread it in the future."

Ye Feng immediately nodded and said, "Don't worry, I'm not that kind of person."

At this moment, Ye Feng supported Nie Qianqian and continued walking towards the mountains not far away.

Nie Qianqian suddenly asked again: "If you and I hadn't saved each other's lives and had to work together, if there hadn't been the threat of that flying zombie and you met me, would it be because I'm a demon? The core disciple of the sect, just kill me and take away my wealth? After all, we are members of different camps."

Hearing Nie Qianqian's sudden question, Ye Feng was silent for a moment and was about to say something.

But Nie Qianqian suddenly said: "You don't need to answer, I will just ask casually."

After speaking, Nie Qianqian turned her head and said nothing more.

Ye Feng didn't explain anything at this moment. He just continued to support the seriously injured Nie Qianqian and walked towards the small mountain not far away.

Although that small mountain is not big, it has many mountains and the terrain is very complex. It should be able to avoid the hunting and exploration of flying zombies in a short time.

Chapter 4416 The final goal

Ye Feng helped Nie Qianqian, one of the ten core disciples of the Demonic Sect, into the mountain not far away.

Just as Ye Feng expected, although this mountain is not very big, it has many mountains and the terrain is very complex.

Even the flying zombie that keeps flying and circling in the sky will not be able to find the two of them for a while.

Moreover, Ye Feng has super perception and soul detection ability, so whenever the flying zombies are about to approach a certain area, Ye Feng can smoothly move Nie Qianqian to a safe area.

This surprised Nie Qianqian, one of the top ten core disciples of the Demonic Sect, as she did not seem to have thought that Ye Feng was much more extraordinary than she had imagined.

At this time, Nie Qianqian couldn't help but said: "You have such a powerful talent. You are definitely not an unknown person in the Blood Demon Dynasty. But I seem to have never heard of you, and I don't know anyone in the Blood Demon Dynasty." You are such a unique person. "

When Ye Feng heard what Nie Qianqian said, he immediately shook his head, smiled, and said: "I am a new member who has just joined the Blood Demon Dynasty, so it is normal that you have not heard of it."

"Are you a new member?"

When Nie Qianqian heard what Ye Feng said, an inexplicable look suddenly appeared in her beautiful and cold eyes, and then she suddenly said: "Since you have just joined the Blood Demon Dynasty, you should not have much interest in the Blood Demon Dynasty." I have a great sense of belonging. Do you want to join our Demonic Sect? Your powerful talent does not seem to be taken seriously in the Blood Demon Dynasty. It is better to join our Demonic Sect. I am one of the top ten core disciples of the Demonic Sect. One, there is great power in Mosha Cult. If you follow me into Mosha Cult, I will definitely train you well and value you very much. You can stay by my side every day, even if you rely on me in the future. With your powerful talent, you will become stronger and stronger, and we can even become martial arts partners, and you can do whatever you want me to do."

At this moment, Nie Qianqian was speaking with a hint of bewitching in her tone, and her beautiful and cold eyes did not seem to be joking, but she was very serious.

Hearing this, Ye Feng looked at the perfect and charming woman's face close at hand, and a look of astonishment suddenly appeared in his eyes.

It seems that she did not expect that Nie Qianqian, a witch from the Demonic Sect, could speak so simply and directly.

It seems that the behavior style of these demonic characters is very simple and crude.

However, Ye Feng just shook his head and smiled at this moment, and said aloud

Said: "I am currently in good condition in the Blood Demon Dynasty, so I just want to join the Demonic Sect."

Naturally, Ye Feng would not leave the Blood Demon Dynasty so easily.

After all, Ye Feng still wants to control the entire Blood Demon Dynasty.

My goal has not been achieved yet.

Hearing Ye Feng say this at this moment, Nie Qianqian could only nodded slightly.

In fact, she just said it casually and didn't really think that Ye Feng would join the Demonic Sect.

At this time, Ye Feng still had a lot on his mind.

After all, Ye Feng's ultimate goal is to control the entire Blood Demon Dynasty.

It even used the Blood Demon Dynasty as its foundation to control the entire Northern Territory, providing itself with a steady stream of huge cultivation resources, helping itself to quickly improve its cultivation strength.

At this moment, Ye Feng immediately said jokingly: "If one person appears in the future and can unite all the three major overlord forces in the entire Northern Territory, then there will not be so many disputes. The domains will be unified, and the other domains in the Ten Thousand Demons Interface probably won't dare to bully our Northern Territory."

Only after Ye Feng joined the Blood Demon Dynasty did he know that the Northern Territory of the Ten Thousand Demons Interface was actually the weakest sector among the major sections of the entire Ten Thousand Demons Interface.

The main reason is because the Northern Territory is not unified, but three overlord juniors compete with each other.

The other regions, the Eastern Region, the Southern Region, the Western Region, and the Central Region, are basically in a unified state, and they are all controlled by a transcendent force at the level of a domain lord.

At this moment, hearing Ye Feng say this, Nie Qianqian's cold eyes suddenly flashed slightly.

She glanced at Ye Feng and seemed to hear the implication of Ye Feng's words. Then she couldn't help but reveal a beautiful and charming smile on her face, and said loudly: "It seems that you want to accomplish this, but Let me tell you the truth, it is as difficult as climbing to the sky. It is too difficult to unify the three major overlord forces in the entire Northern Territory. It is not that no one has thought about this matter, but since ancient times, there have been many amazing talents in our Northern Territory. The stunning big shots tried to unify the entire Northern Territory, but failed because there have been too many grievances and grievances between the three dominant forces in the Northern Territory since ancient times, and it was difficult for them to negotiate.

agree. "

"It doesn't have to be negotiation, that would be too inefficient."

Ye Feng heard what Nie Qianqian said, and suddenly an inexplicable smile appeared on his face, and he said loudly: "If there is a person of unparalleled magnificence with monstrous strength, and one person is enough to suppress the three major overlord forces, then it can be achieved The Northern Territory is unified."

"this....."

Hearing what Ye Feng said, even Nie Qianqian, one of the top ten core disciples of the Demonic Sect, was slightly shocked.

It seems that she did not expect that such ambitious and ambitious words would come out of the mouth of a young man like Ye Feng who was much weaker than her in cultivation.

How much courage and ambition does this require?

Nie Qianqian's cold eyes were full of surprise. She looked at Ye Feng carefully and couldn't help but said, "May I ask, sir, who is this person?"

Ye Feng smiled slightly and said: "I'm down here, Ye Feng."

Nie Qianqian suddenly felt that the seemingly ordinary young man she met accidentally seemed to be a very mysterious and unpredictable existence. ??

At this time, Nie Qianqian did not dare to underestimate Ye Feng. Although Ye Feng's cultivation strength was several levels lower than her current level, the city and ambition in Ye Feng's heart were simply astonishing.

At this moment, Ye Feng said aloud: "Nie Qianqian, you can rest assured to restore your strength and try to refine the Judgment Scepter as soon as possible. Then we can deal with that flying zombie together. I know you can't break through the defensive scales of that flying zombie, but as long as you can hold that flying zombie back when the time comes, I have a special weapon in my hand that can break through the scales on the surface of this zombie made of divine iron."

"good."

Nie Qianqian immediately nodded, and did not doubt whether Ye Feng had this special weapon, because she knew that it was absolutely impossible for a person like Ye Feng to lie about such things.

At this moment, Nie Qianqian immediately took out black pills from her storage ring and swallowed them.

This should be a special elixir in the Demonic Sect, which can quickly restore Nie Qianqian's injuries.

Ye Feng, on the other hand, stood not far from Nie Qianqian, observing the surroundings, always alert to the flying zombies circling high in the forest.

As long as the flying zombies are coming, Ye Feng can sense it in advance

, then take Nie Qianqian to another safe location.

In fact, if Ye Feng really wants to escape completely, there is still a chance to escape. After all, Ye Feng has strong perception and can predict danger in advance.

But Ye Feng wanted to use Nie Qianqian, a master of magic, to completely kill the flying zombie that the Dark Demon Saint had turned into.

Because Ye Feng really wants the zombie core bred by this flying zombie.

You must know that this zombie was transformed into the corpse of the Dark Demon Sanctuary, an ancient figure in the Demonic Sect, and now it has directly transformed and evolved into a high-level existence among zombies, a flying zombie.

Therefore, the zombie core bred in the body of this flying zombie is definitely very advanced and contains majestic zombie energy.

If Ye Feng gets the advanced zombie core of this flying zombie and devours it, Ye Feng feels that his power will increase unparalleled.

Mainly because of this reason, Ye Feng truly sincerely joined forces with Nie Qianqian to help Nie Qianqian regain her cultivation strength and deal with the flying zombie.

Ye Feng knew very well that the zombies transformed by the ancient power of magic were still flying zombies, and the zombie core bred from them was definitely a priceless good!

...

Time passes quickly, like running water without leaving a trace.

Half a month passed in the blink of an eye.

Relying on Ye Feng's super perception, the two of them avoided dozens of inspections by flying zombies.

Finally this night.

The moon is dark and the wind is high.

Nie Qianqian, who was sitting cross-legged in a cave, suddenly opened her eyes.

There is a bright magic light shining in those beautiful and cold eyes.

Like two black suns, sinking and floating in her eyes.

Buzz!

At this moment, Nie Qianqian's body was surrounded by terrifying and powerful demonic energy, boundless and boundless.

There was also a black-gold scepter suspended in front of her, exuding ancient and terrifying evil energy.

Uh-huh!

Nie Qianqian suddenly stood up, stretched out her small white hands, and grabbed the black gold scepter suspended in front of her. She looked at Ye Feng, who was protecting the law outside the cave, and said in a cold tone: "I have fully recovered, and the judgment scepter has also been refined. The transformation is successful, let's go and kill Feizheng!"

Chapter 4417 Only one chance

At this time, looking at Nie Qianqian who was full of energy, Ye Feng's eyes suddenly lit up.

Unexpectedly, Nie Qianqian had completely recovered so quickly.

At this moment, Ye Feng naturally did not hesitate and said quickly: "Okay, let's deal with the flying zombie together."

Regarding this flying zombie, Ye Feng had long wanted to kill it.

Because as long as he kills this flying zombie and obtains the advanced zombie core bred by the flying zombie, Ye Feng will be able to greatly improve his cultivation skills. .??.

So Ye Feng was naturally very interested in killing this flying zombie.

At this moment, Nie Qianqian seemed to have thought of something, and suddenly looked at Ye Feng and asked: "Ye Feng, you said before that you have a defense that can break through the zombie scales grown on the surface of this advanced zombie's body. , I don't know what the weapon in your hand looks like, let me know first, then I can cooperate with you. "

Hearing what Nie Qianqian said, Ye Feng nodded slightly, then stretched out his hand, instantly activating a golden ring on his finger.

Buzz!

At this moment, along with a burst of form changes, the golden ring in Ye Feng's hand directly turned into a golden sword.

This golden long sword is extremely sharp and feels very scary.

When Nie Qianqian saw that the golden ring in Ye Feng's hand could actually change its shape, a look of surprise appeared in her eyes and she said, "This weapon of yours is quite magical. You can use it as an ornament and wear it on your finger. Once a battle breaks out, it will instantly turn into a golden sword, which can catch the enemy off guard. However, I need to test the sharpness of this golden sword. After all, we will face the terrifying Dark Demon Saint head-on later. Flying zombies, you have to be careful."

Hearing what Nie Qianqian said, Ye Feng expressed his understanding and immediately smiled and said: "Okay, then how do you want to test the sharpness of my golden sword?"

Uh-huh!

At this moment, Nie Qianqian immediately took out a small black shield from her storage ring, and then input some mana.

This black shield quickly turned into a huge shield.

Nie Qianqian smiled confidently and said: "This shield is the most powerful defensive treasure on my body. It was created by the Supreme Elder of our Demonic Sect with the help of a super powerful defensive magic weapon. Made of a very special dark vibranium material, it is

indestructible and can withstand the attacks of several powerful men who are higher than me. Now I will use this shield to try the golden sword in your hand. The golden sword in your hand If the long sword can leave a mark on my dark vibranium shield, it means that the golden long sword in your hand is enough to break through the scales on the surface of the flying zombie."

When Ye Feng heard what Nie Qianqian said, he immediately nodded slightly.

In fact, Ye Feng didn't know how sharp the long sword turned into by his golden ring could be.

At this time, seeing Nie Qianqian say something serious, Ye Feng did not hesitate at all. He directly held the golden sword in his hand and slashed towards the dark vibranium shield in Nie Qianqian's hand.

Click!

Almost at the next moment, what made Ye Feng and Nie Qianqian look shocked was that the golden sword in Ye Feng's hand, even when facing the shield made of this special dark vibranium material, It's like cutting tofu with a knife, splitting in half in an instant.

"this....."

Seeing this scene, Ye Feng's eyes suddenly showed a look of astonishment, and he couldn't help but said: "I didn't mean to split your strongest defensive shield in half."

Nie Qianqian didn't have any anger at all at this time. Instead, she stared at the golden sword in Ye Feng's hand with excitement and said: "This is simply an artifact! Ye Feng, where did you get this magical golden ring?" It turned into a golden sword. The sharpness was so terrifying that even the dark vibranium material was split in half. "

Ye Feng heard Nie Qianqian say this at this moment, and his eyes showed deep surprise.

It seems that he did not expect that the tokens left by the Celestial Clan would be so terrifying.

However, Ye Feng also heard from the last generation chief of the Celestial Clan before that their Celestial Clan was not a race among the heavens and worlds in the lower cultivation dimension where the big world originated. It seemed that they came from the outside world.

Therefore, Ye Feng feels that all the things of the Celestial Clan are very extraordinary, and they may have a dimensionality-reducing impact on everything in the universe where the great world of origin is located.

Therefore, the golden sword transformed from the god ring in Ye Feng's hand can naturally cut through all things.

At this time, Nie Qianqian stared at Ye Feng and continued to say: "Since you don't want to tell where you got this magical ring, then I won't ask you. After all, everyone is different. The secret, but now I have seen the terror of your weapon. As long as I find the right opportunity, I can definitely cut the flying zombie in half instantly. "

At this moment, Nie Qianqian said, completely believing in the golden sword in Ye Feng's hand.

At this time, Ye Feng smiled and said: "In that case, let's go straight away. After hiding for so many days, it's time to settle the score with the flying zombie."

"Um."

Nie Qianqian immediately nodded, then looked at Ye Feng beside her, and said loudly: "You will stand behind me later and get closer to me. When the time comes, I will take action first and entangle the flying zombies, and then You look for another opportunity to use your golden sword to assassinate the flying zombie. This flying zombie has already given birth to its own intelligence, so you only have one chance to assassinate it. If you let him know that the golden sword in your hand can break through it. With zombie scale defense, the flying zombie will probably be very wary of you and won't let you get close, so you only have one chance."

Ye Feng nodded and said very solemnly: "I will definitely seize the only opportunity."

"Um."

Nie Qianqian nodded, then stretched out her small white hand, grabbed Ye Feng's shoulder, and said loudly: "Let's go to heaven together."

Uh-huh!

At this moment, Nie Qianqian took Ye Feng and flew high into the sky, flying quickly in a certain direction.

In that direction, a zombie more than ten meters tall, with a green face and fangs, and two wings on its back, was hovering there.

It is the flying zombie that the Dark Demon Sanctuary has turned into! At this time, looking at Nie Qianqian who was full of energy, Ye Feng's eyes suddenly lit up.

Unexpectedly, Nie Qianqian had completely recovered so quickly.

It is the flying zombie that the Dark Demon Sanctuary turned into!

Chapter 4418 Look down on

Uh-huh!

At this time, when Nie Qianqian and Ye Feng flew high into the sky, the flying zombie that was turning into the Dark Demon Sanctuary that was hovering not far away immediately sensed the aura of the two creatures.

Uh-huh!

He turned around in an instant, his scarlet eyes staring at Nie Qianqian and Ye Feng not far away.

For this flying zombie, he had been looking for Nie Qianqian for a long time, which made him a little impatient.

At this time, seeing Ye Qianqian and Ye Feng appear directly, this flying zombie naturally couldn't bear the bloodthirsty desire anymore, and suddenly turned into a demonic wind, instantly attacking in the direction of Ye Feng and Nie Qianqian Come.

For Ye Feng, the young man in white behind Nie Qianqian, this flying zombie didn't pay any attention at all, and he didn't even bother to take a look.

Because the aura of cultivation in Ye Feng's body was weak and pitiful, far beyond what his current level could appreciate.

So at this time, the flying zombies first attacked Nie Qianqian, who was standing in front of Ye Feng.

Nie Qianqian, one of the ten core disciples of the Demonic Sect, still poses a certain threat to the flying zombies.

Because he was injured in the fight with Nie Qianqian just now, he severely injured Nie Qianqian.

But in the end, by chance, the zombie transformed by the Dark Demon Saint directly transformed and evolved into a flying zombie among advanced zombies, and became even more powerful.

"boom!"

At this time, Nie Qianqian did not hesitate at all, and immediately burst out with her extremely powerful cultivation momentum.

Nie Qianqian's body suddenly emitted a black light, and then around Nie Qianqian, weapons of different forms condensed, including swords, guns, swords and halberds, axes, axes, hooks and forks, etc., pointing directly towards not far away. Attack the flying zombies that rush towards you.

Boom!

At this moment, the different forms of weapons condensed by black light all exploded.

Hit the flying zombie.

The terrifying impact made the flying zombies suddenly start to shake and vibrate, and they seemed to be a little unsteady at high altitudes.

It can be seen that Nie Qianqian's current strength has indeed returned to its peak state.

But her attack was unable to break through the flying zombie's defense.

At this time, a hint of cynicism suddenly appeared in the flying zombie's eyes that glowed red, and he said loudly: "All your efforts are in vain, you can't break through my defense at all, so fight until the end, You will still be killed by me."

Almost at this moment, the flying zombie didn't have to do anything at all and just charged forward.

Because the flying zombie's own zombie body and immortal body constitution are enough to make the flying zombie invincible.

Nie Qianqian immediately snorted coldly and said, "I don't believe I can't break through your defense!"

At this moment, Nie Qianqian launched an extremely powerful attack technique: Demonic Domain!

This is one of the peerless inheritances in the Demonic Sect, and it is a very rare field-type inheritance.

By hunting down the soul-state demons that exist in nature, one by one the demons are refined into their own domain, forming an exclusive domain of demons with extremely terrifying destructive power.

However, the greatest power in this demon realm is not the power of destruction, but the power of control.

In other words, it will be impossible for the creatures shrouded in the Demon Realm to escape for a while.

At this moment, Nie Qianqian naturally covered Ye Feng.

She released this demonic realm just to trap the flying zombies in a small

In the space, Ye Feng was able to seize the only opportunity to assassinate the flying zombies.

Because now the flying zombies are paying most attention to Nie Qianqian.

And Ye Feng, a young human race with low cultivation level, was nothing in the eyes of the flying zombies. He didn't pay attention at all, and he didn't even know where Ye Feng was now.

He is now fully committed to attacking Nie Qianqian, his old opponent.

After all, although he severely injured Nie Qianqian last time, he did not completely kill Nie Qianqian.

So this time, this flying zombie naturally wanted to kill Nie Qianqian completely.

At this moment, the flying zombies were directly enveloped by the demon realm released by Nie Qianqian. The illusory demons were spinning around the flying zombies crazily and rapidly, interfering with the flying zombies' sight and various perceptions. , leaving him trapped in place, unable to move at all.

But the flying zombie did not panic at all. Instead, he laughed loudly and said: "Releasing this demon realm will definitely consume a lot of money on you. Nie Qianqian, although you are one of

the top ten core disciples of the Demon Sect. , but there is absolutely no way you can kill me, an old senior. Back then, I was able to steal the cultivation method of the dark curse from the dark ancestral land of the Demonic Religion. Even the leader of the Demonic Religion at that time could not do anything about it. However, you are now a small core disciple, and I have evolved into an extremely advanced flying zombie. The strength of my body is extremely strong, invulnerable to thunder and lightning, and invulnerable to water and fire. "

At this moment, the flying zombie was not afraid of Nie Qianqian trapping it with the Demonic Domain. ??

Because this demon field cannot cause any harm to him at all, it can only trap it here temporarily.

The flying zombie's scarlet eyes stared at Nie Qianqian who was outside the Demonic Domain. There was endless ridicule and sneer in his eyes, and he said loudly: "Haha, when your power is exhausted, I will crush your head. of!"

Poof!

But the moment the flying zombie finished speaking, a sound of broken flesh and blood suddenly sounded.

The next moment, the sneer on the flying zombie's face suddenly stiffened.

He lowered his head slightly, and suddenly found a golden sword body piercing his back from his front.

Moreover, the golden sword tip actually pierced the zombie core contained in his body and brought it out.

So at this moment, the flying zombie immediately felt that his energy core was destroyed.

All the strength in his body dissipated quickly.

At this time, the flying zombie's face was full of disbelief.

He never thought that there would be a power that could destroy its body here.

After all, even Nie Qianqian, a top core disciple of the Demonic Sect, could not break through his defense.

At this time, the flying zombie turned his head with difficulty and saw a familiar face.

That turned out to be the young man in white who was standing behind Nie Qianqian before!

That low-level practitioner he looked down upon at all.

The flying zombie never expected that he would hold such a sharp golden sword in his hand, which would break through his defense in an instant.

"you....."

At this moment, the flying zombie stared at Ye Feng's face, with a look of unwillingness on his face. He wanted to say something, but could no longer say anything.

Because his energy core, the zombie core, had been pierced by Ye Feng at this moment, completely destroyed!

Without the source of power, the flying zombie has a solid zombie physique, but it is of no use because it has no power.

Just like a powerful puppet, it is also a dead thing without the stimulation of the energy crystal.

Chapter 4419 Ridiculously strong

At this time, I saw that the flying zombie had completely lost its power, and its entire body fell directly to the ground.

Ye Feng immediately breathed a sigh of relief.

Because there is only one chance to assassinate this time.

If it fails, the flying zombie realizes that the golden sword in his hand can break through its defense, and it will definitely not let Ye Feng get close.

Therefore, the flying zombie eventually dies due to his own arrogance and arrogance.

Uh-huh!

At this time, Ye Feng did not hesitate and directly took the zombie core he had pierced into his hands.

At this moment, Ye Feng could sense that there was very majestic power in the core of this zombie.

Uh-huh!

At this moment, Nie Qianqian also flew over quickly from not far away.

She stared at the flying zombie lying on the ground, completely dead, and her beautiful and cold eyes suddenly revealed a deep brilliance.

Nie Qianqian couldn't help but said: "Ye Feng, the golden sword in your hand is indeed extremely sharp. It can pierce the body of this flying zombie in an instant, but your latent ability is also very powerful. Even I couldn't do it just now." Know exactly where you are."

Ye Feng smiled slightly at this moment and said aloud: "I practiced a special void inheritance back then, and my spatial attribute power was also very good, so I lurked very deep in the void, even if it was several people higher than me. A strong person in the great realm couldn't detect my aura or traces, so I was able to emerge from the void behind this flying zombie in an instant, without attracting any of his attention, and directly pierced his body."

When Nie Qianqian heard what Ye Feng said, she immediately nodded, staring at Ye Feng with her beautiful eyes, with deep admiration, and said loudly: "You can do more than just this, you can also You can accurately determine where the zombie core bred in the flying zombie's body is, so you can kill him with one blow. If you just cut off his limbs or pierce his head, you won't be able to kill this advanced zombie.

The instant death of a zombie will only drive him crazy. Only an instant of piercing his energy core, which is the zombie core bred in his body, can make him lose all power in an instant and fall directly to the ground dead. "

Ye Feng nodded, and then without any hesitation, he instantly released the Devouring Domain and began to devour the advanced zombie core bred by this flying zombie.

Seeing this scene, Nie Qianqian asked with some uncertainty: "Ye Feng, are you sure you can directly absorb the energy in the core of this zombie attribute? This may allow the Yin Qi of heaven and earth to invade your physique, making you Becoming half human and half zombie."

When Ye Feng heard what Nie Qianqian said, a confident smile suddenly appeared in his eyes, and he said: "Don't worry, my body can contain any power in the world, even this kind of very cold and weird one." I can also absorb the power of zombies. As long as it is the energy that exists in the world, I can contain it and turn it into my own power to improve my skills and cultivation. "

At this time, Ye Feng said that he had already begun to completely devour the core of the zombie.

Rumble...

Suddenly, waves of extremely surging energy surged directly through Ye Feng's limbs.

At this moment, Ye Feng's cultivation level received the huge energy of the zombie core bred by this flying zombie, and it immediately began to increase rapidly and continuously.

"boom!"

Yuan Hai Realm Second Heaven!

"boom!"

The third heaven of Yuanhai Realm!

"boom!"

The fourth level of Yuanhai Realm!

"boom!"

The fifth level of Yuanhai Realm!

"boom!"

Yuanhaijing6

Chongtian! !

At this time, Ye Feng's cultivation finally stopped completely.

It has to be said that this flying zombie is indeed a zombie transformed by the Dark Demon Sanctuary, and it has also transformed into an extremely advanced flying zombie. Therefore, the zombie core bred in it is very advanced, and the energy contained is very powerful. Ye Feng's cultivation level directly broke through the fifth level of heaven at this moment, from the first level of Yuanhai realm to the sixth level of Yuanhai realm.

It can be said to be a huge improvement.

Ye Feng's eyes suddenly revealed a look of deep joy.

Next to her, Nie Qianqian, one of the top ten core disciples of the Demonic Sect, was also amazed by Ye Feng's talent at this time. She couldn't help but said aloud: "Your overbearing devouring ability, and your ability to hold the world's... The special physique with various attributes and powers is really too evil. No, evil is not enough to describe you. I can only use the word magical to describe you. "

Obviously, even though Nie Qianqian is one of the top ten core disciples from the Mosha Sect and is a top disciple in the Mosha Sect and is very amazing and talented, she felt a little ashamed after seeing Ye Feng's various talents. .

When Ye Feng heard Nie Qianqian's praise, he couldn't help but shake his head and smile, and said: "Unfortunately, my cultivation base is still a little bit behind, and I need to improve my cultivation level quickly. I am now better than Nie Qianqian. The level is still far behind."

Nie Qianqian immediately shook her head and said loudly: "With your magical devouring ability, you will be able to catch up with me soon."

At this moment, Nie Qianqian suddenly looked at the flying zombie on the ground and said loudly: "This zombie has transformed into an extremely advanced flying zombie. Although his zombie core was destroyed by you, Ye Feng, if you find a way, you can refine this flying zombie and become a helper for you. Although you have that magic weapon in your hand, you can easily break through the defense of this flying zombie, but

Others don't have unique weapons like yours. Even I can't break through the zombie scales and defenses of this flying zombie. So if you can refine this flying zombie into your own puppet, you've got it for yourself. A huge helper. "

Hearing what Nie Qianqian said, Ye Feng's eyes suddenly flashed slightly.

It seems that although this Nie Qianqian comes from the Demonic Sect, she is still very good to her friends, unlike other cruel and ruthless people in the Demonic Sect.

This Nie Qianqian is one of those people in the Demonic Way who values love and justice.

Ye Feng knew very well at this time that Nie Qianqian could take the flying zombie as her own.

After all, this kind of flying zombie is very advanced and very rare. Even among the Demonic Sect, it is probably a treasure-like existence.

But Nie Qianqian directly said that she would give it to herself.

Obviously, Nie Qianqian feels that Ye Feng's current cultivation strength is not enough. If there is such a flying zombie as a helper and bodyguard, Ye Feng's safety will definitely be improved.

At this moment, Ye Feng did not show any pretense and immediately said: "Okay, let me give it a try and see if I can directly refine this flying zombie."

Ye Feng is also very interested in the flying zombies that this dark demon sanctuary has evolved into.

If you can really refine it and become your right arm, then when you deal with powerful enemies in the future, even if you face enemies that are several realms higher than yourself, let this flying zombie confront the enemy head-on, and then Ye With Feng assisting with his attacks, he can definitely kill enemies that are several realms higher than him.

Ye Feng's comprehensive strength will be greatly improved.

After all, the flying zombie's head-on confrontation ability and defensive power are indeed ridiculously strong. Only Ye Feng, who holds the God Ring left by the Celestial Clan in his hand, can break through its defense.

Chapter 4420: Bear with it first

Buzz!

At this moment, Ye Feng did not hesitate, and directly released his power, inputting it into the flying zombie that had fallen to the ground in front of him, hoping to directly refine the flying zombie.

Seeing this scene, Nie Qianqian, one of the top ten core disciples of the Demonic Sect, stood aside with a look of deep amazement in her eyes, and said loudly: "Ye Feng, your power attributes are really amazing. It's amazing. Not only can it absorb energy of various attributes, but your power can also be transformed into the power of any other attribute. It's really amazing."

Hearing what Nie Qianqian said, Ye Feng just grinned and said, "I am born with it, there is nothing I can do about it."

After finishing speaking, Ye Feng concentrated on refining the flying zombie in front of him.

When Nie Qianqian heard Ye Feng's words, her beautiful and cold eyes couldn't help but give Ye Feng a roll of her eyes.

Ye Feng's words are really helpless and enviable.

At this time, as Ye Feng input his power, it turned into waves of zombie energy and injected it into the body of the flying zombie.

Uh-huh!

The flying zombie became energetic again and stood up directly in front of Ye Feng.

However, the flying zombie has no consciousness now, because its energy core, the zombie core, was pierced and devoured by Ye Feng.

Therefore, it is definitely not as powerful as the body of the Dark Demon Saint himself who controls this flying zombie.

But Ye Feng feels that as long as this flying zombie can do some simple attacks, it is already very strong.

After all, the body of this flying zombie is indestructible, and the zombie's claws are also extremely sharp and can tear solid objects into pieces in an instant.

At this time, Nie Qianqian, who was standing aside, looked at Ye Feng and said, "When you return to the Blood Demon Dynasty, you can find some rare materials from the Blood Demon Dynasty's research institute.

Use the materials to fill the gap where the flying zombie was pierced by the golden sword in your hand. In this case, the flying zombie will be completely perfect. "

Hearing what Nie Qianqian said, Ye Feng immediately nodded, smiled and said: "If I have time, I will do it."

At this time, Nie Qianqian looked into the distance and said loudly: "It's time for me to leave. Although you and I are in two different camps now, I hope we won't become enemies in the future."

Hearing Nie Qianqian's words, Ye Feng immediately smiled and said, "Don't worry, the two of us will not become enemies."

Boom!

And almost at the moment Ye Feng finished speaking, a terrifying force suddenly burst out from high in the sky.

It turned out to be a black giant sword!

It was several kilometers long and bombarded from high altitude. It was like an ancient giant sword that cut through time and space, attacking Ye Feng directly.

This kind of attack was very terrifying. Even though Ye Feng's current cultivation level had improved a lot, he felt that he was in a life crisis in an instant.

This is enough to show that the person who draws the sword is definitely an extremely powerful being.

At this moment, Nie Qianqian reacted immediately. She quickly held the Judgment Scepter in her hand, flew in front of Ye Feng, and blocked the black giant sword with the Judgment Scepter.

Then Nie Qianqian seemed to recognize the identity of this black long sword, and her cold and beautiful eyes suddenly showed deep anger. She stared at a certain direction in the sky and said coldly. : "Young Master Evil Sword, why do you want to

My friend Ye Feng takes action? "

"Master Evil Sword?"

Hearing Nie Qianqian say this at this moment, Ye Feng's eyes suddenly flashed.

The owner of the black giant sword that was about to kill him just now turned out to be Mr. Evil Sword.

Ye Feng has never met Mr. Evil Sword, nor does he know him.

But he had already heard of this name when he came to the city on the border of the Blood Demon Dynasty.

Murong Changming, the head of Ye Feng's scavenger department, led a group of strong men from the Demon Slayer Headquarters deep into the dark forest in order to hunt down this man supported by the Demon Sect. Mr. Evil Sword.

This Young Master Evil Sword is not a disciple of the Demonic Sect, but a very powerful non-traditional cultivator. His identity is somewhat similar to that of Old Man Yun. They are both well-known non-common cultivators of the Demonic Way in the border areas. Now they are secretly supported by the Demonic Sect. This was used to disrupt the frontier lands of the Blood Demon Dynasty.

At this moment, Ye Feng never expected that he and Nie Qianqian would encounter Mr. Evil Sword here.

And this Evil Sword Master, without even saying a word, just released his weapon, the black giant sword, to kill him.

If Nie Qianqian, the core disciple of the Demonic Sect, were not here, she would have died under that black giant sword without even having time for the flying zombies to resist.

At this time, Ye Feng immediately put the flying zombies into his storage ring to prevent Mr. Evil Sword from knowing that his trump card might be of great use in the future.

However, Ye Feng has long listed this Evil Sword Master as a must-kill target in his heart, but he is still too weak at the moment, so he can only endure it for the time being.

At this moment, when Nie Qianqian blocked the black giant sword,

While staying.

Sure enough, at the top of the hilt of the black giant sword, stood a young man in black robes wearing dark gold stripes.

This young man in a black robe with dark gold stripes looks very handsome, but his eyes are in the shape of an inverted triangle, giving people a very cunning and evil feeling.

This person is the legendary Evil Sword Master. As expected, his cultivation is very powerful, which makes Ye Feng feel very unfathomable.

At this time, Mr. Evil Sword stared down at Ye Feng, as if looking at an ant, and then sneered and said: "Nie Qianqian, such a weak ant, just kill him, what's the pity? You say he is your friend, is he worthy? Even if you have a friend, he is a top magic master like me, and we are the real ones. What do you think, Nie Qianqian, are you interested in becoming my training partner?"

"roll!"

Nie Qianqian immediately uttered one word coldly, causing the smile on Mr. Evil Sword's face to stiffen slightly.

Then Nie Qianqian didn't hesitate, walked directly in front of Ye Feng, stretched out her small white hand to hold Ye Feng, and said loudly: "Let's go, don't talk nonsense with this kind of person."

After saying that, Nie Qianqian directly pulled Ye Feng and quickly disappeared into the distance.

When Mr. Evil Sword saw this scene, his eyes suddenly became extremely gloomy, and he couldn't help but murmured, "Nie Qianqian, although I am not a formal member of the Demonic Sect, but now I have also received the true influence of the Demonic Sect. Attention, when I make a great contribution to Mosha Sect this time, I will be able to become the new generation of God Son of Mosha Sect. This is what your leader of Mosha Sect promised me. As for Nie Qianqian, you Mosha Sect The most beautiful woman in the world, who cannot escape my grasp, is destined to be controlled by me! Anyone who dares to come close to you will be killed by me!"
