Chapter 183: The Secret Lin Yuan and Jian Bing Have to Tell

After Jian Bing transformed into a white tiger, his speed was incredibly fast.

The fusion between the Great Black Heaven's Deceitful Demon and the Real World was insufficient, making his control over Tang City very weak.

In a moment of carelessness, they actually lost track of them.

Watching Lin Yuan and the white tiger completely disappear, the Great Black Heaven and the three attendants looked at each other in dismay.

"Ah!"

"Damn it! They actually got away with it!" the Great Black Heaven roared through gritted teeth, his face contorted with rage.

It was rare for the attendants to see the Great Black Heaven so furious.

The three attendants quickly chimed in, "Master, don't worry, we'll go find them immediately. We will definitely locate them."

Even though the Great Black Heaven's Deceitful Demon and the Real World weren't deeply fused, making his control over Tang City weak,

Lin Yuan and the others couldn't leave here either.

As long as they were determined to search, they would definitely find them.

However, after a brief hesitation, the Great Black Heaven waved his hand and said in a deep voice, "No, don't chase after them!"

"Check the arrays in all places, activate the arrays, and perform a blood ritual on Tang City."

The recent battle has proven one point.

That is, his attendants are no match for Lin Yuan and Jian Bing, and even Zhi Ming and Ling Guang can hold their ground one-on-one.

If they were to split up and search for Lin Yuan and Jian Bing now, it would be easy for them to be defeated individually.

After all, only the Great Black Heaven could defeat Lin Yuan and Jian Bing; if they separated, he could only handle one.

If the Great Black Heaven and the three attendants searched together, not only would the efficiency be low, but Lin Yuan could also play hide-and-seek with them.

The Great Black Heaven was quite smart, and after a brief hesitation, he made a decision.

First, perform a blood ritual on the survivors of Tang City. This would deepen the fusion between his Deceitful Demon and the Real World,

and simultaneously increase his power by a corresponding degree.

As the fusion between the Deceitful Demon and the Real World deepens, the Great Black Heaven's control over Tang City will also increase.

By then, he would easily be able to sense Lin Yuan and the others' whereabouts.

The three attendants dared not argue against the Great Black Heaven's orders.

As they turned to leave, they all glanced at the Great Black Heaven's behind.

At that moment, the Great Black Heaven's butt was dripping blood, "drip drip."

The Great Black Heaven's blood was black, and the black blood kept dripping to the ground, staining his robe with large patches.

"Mas..."

"Master, you're injured!" the three attendants simultaneously pointed to the Great Black Heaven's behind as a reminder.

The Great Black Heaven: "?????"

Upon hearing this, the Great Black Heaven's face instantly darkened.

Actually, a small injury like this wasn't a big deal, but it was extremely embarrassing.

Could he tell his attendants that his behind was injured?

This strike by Lin Yuan, how to put it, wasn't very harmful, but it was extremely insulting.

Especially after his attendants discovered the wounded area, the Great Black Heaven felt utterly embarrassed.

Explain?

How could he explain this? Any explanation would only make it worse.

"Hmph!" The Great Black Heaven snorted coldly, seemingly blaming the three for meddling in his affairs, and the next moment, he vanished from the spot.

The remaining three attendants stood there, bewildered, at a loss as to why their master was angry.

After seeing their master injured, they showed concern, so why was he angry?

...

...

On the other side, the white tiger was racing through Tang City with Lin Yuan on its back.

By now, it was unclear how far they had run.

At first, because the Great Black Heaven was pursuing them with the three attendants, the white tiger kept to the city's edge as it ran.

They tried hard to avoid the direction of the shelters to prevent leading the Great Black Heaven and them there.

After all, facing Evil Spirits of the Great Black Heaven's caliber, regular survivors had no means of resistance.

The white tiger carried Lin Yuan and kept fleeing, eventually arriving at the other side of Tang City, which was a wildlife park before the invasion.

Once they got here, Jian Bing couldn't hold on any longer.

She was already badly injured, and by now, her energy was insufficient to maintain the white tiger form.

"Can you get off now?" the white tiger stopped by an artificial lake, speaking in human tongue.

Clearly, there was anger in the white tiger's voice.

Who wouldn't be angry after being ridden for so long?

He was still in the white tiger form, so having Lin Yuan on his back was tolerable!

But she was close to losing her form, and if she turned back to human with Lin Yuan still on her,

wow...

that would be a real problem.

So, she had to hurry and get Lin Yuan off.

Actually, Lin Yuan had long since noticed the Great Black Heaven wasn't chasing anymore.

But since the white tiger hadn't stopped, Lin Yuan hadn't mentioned it either.

After all, there were often chances to ride around in a luxury car circle.

But riding circles on a white tiger? That's something you don't come across!

Originally, when the white tiger stopped, Lin Yuan was getting ready to get off on his own.

However, Jian Bing's tone wasn't very likeable!

Get off?

Well! Today, this guy just won't get off!

"Get off?"

"Sorry, I can't do it!"

"Why don't you show me?" Lin Yuan not only rode on the white tiger's back but also stroked the fur on its neck, looking like he was petting a cat.

As Lin Yuan stroked, the white tiger's eyes narrowed slightly, looking quite content.

Jian Bing felt deeply embarrassed, but he was in the form of a white tiger now!

The feline nature of the white tiger, he couldn't resist it!

"Take your stinky hand off!" the white tiger still spoke with a human voice.

Lin Yuan thought, you have a tough mouth! Fine! I'll just wait it out with you!

Lin Yuan simply lay down on the wide back of the white tiger, lying on the fluffy back, he murmured, "With such thick fur, it surely won't be cold sleeping at night."

Jian Bing: "????"

Jian Bing was speechless, thinking, are you planning to stay overnight now?

Scoundrel!

What a scoundrel!

However, Jian Bing really couldn't take it anymore.

She gritted her teeth and said, "Can you please get off my back?"

The fire's at your back, and now you're worried.

You wet the bed, and you're saying you shouldn't have slept.

Now you're being polite to me, but it's too late!

Lin Yuan's hand continued to stroke the white tiger's mane, slowly saying, "You have to beg me!"

"Beg me to get off your back."

Jian Bing: "??????"

Jian Bing's tiger eyes opened wide; she wished she could throw Lin Yuan off and bite him.

But, she wasn't even sure she could beat Lin Yuan without being injured, not to mention now being severely injured.

"I..."

"I beg you, please get off my back!" the white tiger spoke, but her voice was very weak.

"Look at your voice, you call yourself a white tiger?"

"Even a cat in heat sounds louder than you!" Lin Yuan said irritably.

Upon hearing this, Jian Bing flared up, roaring, "Don't push your luck."

"Sigh!" Lin Yuan sighed heavily and continued, "Then I'll just keep sleeping, I'm not in a hurry anyway."

Lin Yuan wasn't in a hurry, but Jian Bing was really anxious now.

"I'm begging you!"

"Please, get off my back!" Jian Bing had no choice but to raise her voice.

Lin Yuan also felt he couldn't bully her any longer.

If he bullied her any more, once she returned to human form, she might go on social media and complain about him.

"Smack!" Lin Yuan slapped the white tiger's butt, scolding, "That's right, you should be like this!"

"When talking to others, you should maintain respect."

After saying this, Lin Yuan jumped off the white tiger's back.

"Close your eyes!" the white tiger spoke again.

Lin Yuan: "?????"

Lin Yuan paused for a moment of hesitation before understanding what it meant.

After transforming into a tiger, the clothes tore apart, and now, she wanted him to close his eyes so she could change back to human form and get dressed.

Hearing this, Lin Yuan thought, if you're saying that, I must check out the interior details, especially see how big the headlights are.

However, Lin Yuan knew she couldn't change clothes unless he closed his eyes.

So, he had to close his eyes first, then peek a little bit through squinted eyes.

With this in mind, Lin Yuan immediately replied righteously, "I, Lin Yuan, am a gentleman; where did you get that idea from?"

"I'll close my eyes right now, and as long as you don't tell me to open them, I won't."

After saying this, Lin Yuan promptly closed his eyes.

Though he said he closed his eyes, in reality, Lin Yuan didn't completely close them; he left a small gap.

Through the gap of his eyelashes, Lin Yuan saw Jian Bing transform from tiger form to human form.

To use one word to describe it, white.

To use two words, very white.

As they say, "white hides a hundred flaws," all in all, this lady was really something!

"You can open your eyes now!" Jian Bing's voice rang out. By this time, Jian Bing had finished dressing and was washing her feet by the artificial lake.

Seeing Jian Bing's little feet rippling in the artificial lake, Lin Yuan couldn't help but blurt out, "Wow, jade feet."

At this moment, a cheerful voice came from the treetops in the distance.

"Don't jade everything; jading everything will only harm you!" This voice was none other than Ling Guang, the little princess of the nightclubs.

After Zhi Ming and Ling Guang disengaged first, they hadn't seen Jian Bing return.

Worried that something might have happened to Jian Bing, they sent Ling Guang, who was faster and had the ability to fly, for backup.

Upon seeing Ling Guang, Jian Bing blushed and asked unpleasantly, "Ling Guang, what did you see?"

Ling Guang: "???????"

Ling Guang wasn't stupid; after her eyes darted around a bit, she immediately replied, "I just got here, didn't see anything!"

"Couldn't it be that you guys..."

To avoid getting hit, Ling Guang stopped her sentence there.

Hearing that Ling Guang had just arrived, Jian Bing couldn't help but breathe a sigh of relief, thankful she hadn't seen Lin Yuan bullying her.

Otherwise, her image as a cool goddess would have completely collapsed.

"Hmph!" Jian Bing snorted coldly, reminding, "Since you saw nothing, keep quiet when you go back."

Ling Guang was quite the chatterbox; if not warned in advance, soon enough, rumors would spread everywhere.
