

## Army 99

Chapter 99 Unlocking the level 2 troop class

” let’s not care about the other things first. we’ll talk about it after we clear out the medicinal herbs.  
”

Jiang Li thought to himself.

Soon after.

I’m sorry. Jiang Li found a lot of agile monsters from more than 100000 monsters and asked them to sort the herbs according to their grades.

Under the threat of Jiang Li’s force, these monsters had to work for him no matter how unwilling they were.

Furthermore ...

There were also meches around. If anyone dared to do anything, they would shoot.

he would show no mercy.

“All the medicinal herbs in the green scale city are here.”

Jiang Li looked at the mountain of herbs and the busy monsters in front of him. He was in a good mood. He had gained a lot this time, even more than he had expected.

On the other side.

In the great Xia city.

At the county office.

Shua!

Like a sharp arrow, the carrier pigeon streaked through the night sky, fast as lightning. It entered the county government's residence, stopped at Han Liqi's residence, and landed in front of the window.

"There's news from the Imperial court,"

Han Liqi heard the commotion and his tone was slightly excited. He immediately opened the window, took the letter from the pigeon's feet, and began to read it.

"This is an ..."

However ...

When Han Liqi finished reading the contents of the letter, his expression changed. His expression stiffened, and he didn't even know that the letter had fallen from his hands to the ground.

The letter fell to the ground.

There were four words on it—give up on Jiang Li.

"How can this be?"

Han Liqi couldn't help but ask.

Long Snake City.

The City Lord's mansion.

"It's already the second night. Why hasn't the snake-biting man returned yet? There's no news at all."

The long red snake walked back and forth in the hall. He had a snake head and a human body. His body was slender and covered in red scales. His pupils were vertical like red gems.

Vaguely.

He felt that something was wrong.

Because ...

According to the snake-biting man's personality, no matter what happened or how the battle situation was, he would have sent a Yao to inform him long ago.

However, this time.

there was no news at all.

report!!!

The monster soldiers outside the hall ran in hurriedly.

"Come in."

The red snake shouted.

"City Lord,"

The demi-human soldier entered the hall and knelt on the ground.

"did the snake-biting general send us some news?"

the red snake asked.

“No, I’m not.”

The monster soldier shook his head and quickly said, ” the dog-headed people village was completely massacred. there was also a huge commotion in the green scale city, but i don’t know what exactly happened. ”

“that’s why we’re sending the demon soldiers to investigate.”

“The village was massacred.”

Red snake frowned, ” the dog-headed man village is a village in the green scale city. If it’s not a human, then it must be a barbarian that has entered our Red Dragon County.

How dare you! Investigate this immediately!

“Yes!”

The demon quickly nodded.

At the same time.

Other than the long snake City.

The other three demon cities in the red Dragon County, Fox city, night market City, and beast city, had also received the news. They immediately sent out their demon soldiers to green scale city to gather information.

...

it was already late at night.

all of the medicinal ingredients had already been sorted.

Among them.

There were 32877 ordinary spiritual herbs, 7329 inferior-grade Tier 1 spiritual herbs, 5400 medium-grade Tier 1 spiritual herbs, 3000 superior-grade Tier 1 spiritual herbs, and 1020 superior-grade Tier 1 spiritual herbs.

100 low-grade second-grade herbs, 31 medium-grade second-grade herbs, and 10 high-grade second-grade herbs.

There weren't any tier two superior-grade spirit herbs.

transform all the ordinary herbs.

I'm here. Jiang Li drove away the monsters around him. There were only Jiang Li and the meches around. Then he confirmed.

Buzzzzzz!

With a flash of white light, the mountain-like pile of ordinary medicinal herbs disappeared into thin air and were converted into a large number of energy points, leaving a large empty space.

“conversion successful. 87540 energy points obtained!”

...

a notification appeared.

shua!

Jiang Li opened the Dominator panel.

The number of energy points in the energy point column had reached 210730 points.

Among them.

in the previous battle, jiang li replenished the ammunition of the firearm mech twice and used 1480 energy points. it took him 500 energy points to repair the mech.

my energy points have reached more than 200000.

Jiang Li murmured.

After the siege, Jiang Li only got 23 level-one soul Tinders because he didn't kill many level-one monsters.

He didn't manage to capture a single stage-two soul Tinder.

unlocking the stage two mechanical Army type!

Jiang Li used nine level-two soul Tinders and 10000 energy points to unlock the interface of the level-two mechanical Army.

[ nine stage-two soul Tinders have been achieved, 10000 energy points have been achieved, and the unlocking conditions have been met. The interface of the mechanical Army's stage-two military types is being unlocked. Please wait patiently. Countdown: 10?9?8.....?]

the countdown has ended. The interface for the stage two military type of mechanical Army has been successfully unlocked.

[ can be expanded. ]

Ten seconds passed.

Unlocking complete.

Shua!

[ master panel ]

[ master: Jiang Li ]

[game: super mechanical Army]

[interface: Army type]

mechanical army type (can be expanded), mechanical navy type (can not be expanded), mechanical air force type (can not be expanded), mechanical interstellar type (can not be expanded), special mechanical army type (can not be expanded)

Energy points: 2007

soul Tinder: 24 level-one soul Tinders, 2 level-two soul Tinders.

open the mech Army's military type interface.

jiang li had an idea.

The interface changed.

A window popped up.

[ interface: mechanical Army type ]

level one mech types: combat mech (unlocked), cold weapon mech (unlocked), firearm mech (unlocked), Intel mech (unlocked), biochemical mech (unlocked).

Level 2 troops: electric mech (unlocked), transport mech (2/4 locked), cannon (locked), tank mech (locked), mechanical Ranger (locked).

?.....?

Five types of Stage 2 mechanical army units.

“Level two troop class, I’ve finally unlocked.”

Jiang Li looked at the virtual interface and smiled. after unlocking the level two mech class, I can use energy points to build level two meches.

One had to know.

Before unlocking the level-two meches, Jiang Li would need to consume energy points and a level-two soul Tinder if he wanted to get a level-two mech.

“fuse with the soul fire seed.”

let’s go. Jiang Li fused the twenty level-one soul Tinders.

[ fusion successful! ]

[ fusion successful! ]

In front of him.

Two notifications flashed.

“This luck.”

fusion? ” Jiang Li was stunned too. He couldn’t believe it. I’ve succeeded twice. Does this mean I’ve left Africa and entered Europe? ”

“Not bad, not bad.”

Jiang Li was all smiles.

this way ...

Jiang Li now had four level-two soul Tinders, so he could unlock the transportation meches.

“Chief sovereign.”

At this moment.

Xx01 walked to Jiang Li and said, ” ” intel mech xx02 has something important to report. do you want to accept the call? ”

“Answer.”

Jiang Li said.

“Yes.”

Buzzzzzz!

Xx01 raised his wrist and formed a communication projection.

“Chief sovereign.”

within the communication screen.

Xx02 saluted Jiang Li.

“What’s the situation?”

Jiang Li asked.

“There are traces of suspicious monster race outside the green scale city.”

it’s very likely that they are spies from other demon cities, ” xx02 reported. I think we’ve been exposed.

“He came so quickly.”

Jiang Li muttered.
