

The Amazing Son In Law Chapter 5546 -

In the past, the Sanxue Jiuxin Pills had a black and shiny appearance, like chocolate beans that children love to eat, but this was the first time charlie saw a golden pill.

He took out the elixir from the medicine cauldron, looked carefully in front of him, and could clearly feel that the aura emanating from this elixir was much stronger than the previous Scattering Blood and Rescuing Heart Pill, just the elixir emitted The scent gives people a more mellow feeling.

charlie put the elixir into his mouth, and the pure and surging medicinal power quickly flowed all over his body. The blood-scattering and heart-rescuing pill does not contain aura, so it does not help his cultivation much, but charlie can still clearly feel that this The new Sanxue Jiuxin Pill is about twice as effective as the previous version!

What's even more rare is that the new Blood Sanxue Jiuxin Pill is not only more effective, but also seems to be more pure in efficacy, both horizontally and vertically.

The purer the effect of the medicine, the qualitative change will be achieved. Therefore, charlie speculates that if this new Sanxue Jiuxin Pill is given to ordinary martial arts practitioners, the stronger and more pure medicine will definitely make people feel better. Its dantian meridians and even the whole body have been greatly improved, and the actual comprehensive medicinal effect may be comparable to the previous three blood-scattering and heart-rescuing pills.

With the same quality and weight of medicinal materials, the number of elixirs refined has not changed, but it is because of the function of this medicine cauldron that the effect of elixirs has been greatly improved, which makes charlie very excited.

He couldn't help muttering to himself, "I don't know if Huichun Pill and Peiyuan Pill can have the same effect when refined with this medicine cauldron. If the efficacy of Huichun Pill is doubled, wouldn't it be able to prolong a person's life for forty years? The medicinal effect of Yuan Dan is doubled, which means that the aura contained in it will also be doubled, and for me, it is definitely the best choice to replenish aura." Thinking of

this, charlie couldn't help but sigh, "It's a pity that the last time I was born in Xuanfengnian The ten-thousand-year ambergris I got on me has been used up, if I want to refine a new Peiyuan pill, I have to find a new way to find a piece of ambergris of the same quality." Immediately, charlie gave Mr. Quinton, Isaac Cameron, and Wannian a piece of ambergris

. Abbas called separately and asked them to keep an eye out and see if there was any high-quality ambergris for sale in various markets. If so, they must take it down at any cost.

After informing the three of them, charlie called Xion.

When the phone was connected, Xion asked respectfully, “Mr. Wade, what do you want from me?”

charlie asked her, “Xion, where are you?”

Xion said, “Go back to Mr. Wade, I’m still in Shangri-La “

charlie asked again, “Do you have

any important things at hand?” Xion replied, “There is nothing important, basically just some small details of the wedding. If you have any orders, just say them, and I will get away!”

charlie said, “Okay, then you drive to the Champs Elysees Hot Spring Villa now, come alone, don’t tell anyone.” “

Champions Elysees Hot Spring Villa?” Xion asked subconsciously, “It’s your set in the suburbs. A hot spring villa in the middle of the mountain?”

“Yes.” charlie said, “Hurry up and come here now, I’ll wait for you here.”

Xion was surprised.

She didn’t understand why charlie suddenly asked herself to go to the Champs Elysees Hot Spring Hotel to meet him.

The Amazing Son In Law Chapter 5547 -

It sounds like something important is going on. So, she said without hesitation, “Okay, Mr. Wade

, come here if you leave!

“

, drove towards the suburbs.

Half an hour later, she drove the car to the door of charlie’s hot spring villa in Champs Elysees.

Just as Xion was about to get out of the car and ring the doorbell outside the yard, the door opened from the inside. charlie appeared at the door, beckoning to her with a somewhat anxious expression.

Xion knew that charlie asked him to drive in directly, so he drove into the yard.

As soon as Xion got out of the car, charlie pulled her into the car and walked quickly, saying, "I need your help with something important. I don't know how long it will take. Let's hurry up."

Being pulled by charlie, Xion suddenly felt shy and shy in a hurry, thinking to herself, "Mr. Wade probably wants to be with me... oh... Xion, what are you thinking..." She didn't

know What exactly did charlie want him to do, but he couldn't help thinking wildly in his heart, thinking that no matter what charlie asked him to do, he would not hesitate at all, even if there were some excessive demands, he would not hesitate at all.

And what charlie was thinking at this time was all about the golden blood-scattering heart-saving pill that he had just refined half an hour ago.

He couldn't wait to pull Xion all the time, and the two walked quickly to the basement of the villa. This journey made Xion beat faster and felt extremely ashamed.

However, when Xion entered the basement where charlie made medicine, she immediately smelled a very unique medicinal fragrance. This medicinal fragrance is much more

mellow than any medicinal fragrance she has ever smelled before. , gave her the feeling that the scent of medicine she had smelled before was like blended liquor with a price of less than 100 yuan, but the smell she smelled now was a high-end wine brewed from real pure grains and stored and aged for many years. white wine, tasteIn comparison, it's almost every day.

Smelling this medicinal fragrance seems to make people get rid of all diseases and feel happy physically and mentally.

At this time, charlie suddenly handed a golden elixir to her hand, and said, "Xion, help me try this elixir."

Xion looked at the elixir in front of her. , slightly startled, and subconsciously asked, "Mr. Wade, what is this pill for? Is it a new medicine?"

charlie pursed his lips, and said hesitantly, "Yes, no, I just took one, but it didn't feel right. It's so accurate, so I want you to try it for me."

Xion said hastily, "Mr. Wade, Ruoli has already taken a lot of your priceless pills, and just became a five-star warrior a while ago, how can you do it now? Wasting your elixir..."

charlie said seriously, "The elixir is made to be eaten by others, as long as it is eaten, there is no waste or waste, not to mention, this is not something you owe me , I am asking for your help. To me, this kind of elixir seems to have developed a drug resistance. I can't taste its real effect after taking it now. I want to know whether it has any effect and how much effect it has. , I still have to let the warriors come to test the efficacy of the medicine. In terms of warriors, the warrior I trust the most is you, so I can only ask you to come over and try it out." charlie knew that Xion didn't know that he had a new one

. I don't know that the medicine's effect is much stronger than the previous Sanxue Jiuxin Pill, so I deliberately said, "What's more, whether this medicine is effective or not, in case there are any side effects, It might even hurt you, but you don't have to worry, I will be by your side to protect you." When

Xion heard this, she said without hesitation, "Mr. Wade, with you here, I will not be afraid of you!"

The Amazing Son In Law Chapter 5548

The reason why charlie turned to comfort Xion not to worry was nothing more than retreating and using aggressive methods to make Xion no longer refuse his invitation to let her try the medicine.

He still knows Xion very well. When this girl worked for the Banks family before, although her methods were somewhat cruel, she was a very affectionate and righteous person. To herself, she would definitely be loyal and unreserved .

It is precisely because of this that charlie thought of asking her to help test the medicine as soon as he refined the new medicine.

He knew very well in his heart that the efficacy of this elixir would definitely be stronger than the previous Sanxue Jiuxin elixir, and it would not have any bad side effects, so it must be a good thing for Xion.

And charlie's provocative method has indeed worked. Xion no longer thinks about whether she owes charlie too much favor at this moment. She only thinks that she must not let charlie doubt her loyalty and courage.

So, she took the pill from charlie, and asked firmly, "Mr. Wade, if you take the pill now?"

charlie nodded, "Take it, I will watch by your side, There shouldn't be any problem."

"Okay!" Xion nodded slightly, then sat cross-legged on the ground, and put the elixir into her mouth very simply.

Xion had used the Sanxue Jiuxin Pill before, and knew that this kind of pill would turn into pure medicinal power and go straight to the dantian, so she also made preparations in advance and waited for the surging medicinal power in the pill.

However, she did not expect that the potency of this elixir far surpassed the Sanxue Jiuxin elixir she had taken before.

The medicinal power was already surging, and it quickly poured into her eight meridians, and frantically flowed into her dantian.

Before Xion could react, the sixth meridian was instantly opened up by the medicine, and she also became a six-star warrior in an instant!

Six-star fighters are rare even in the Wanlong Palace, and it is even more difficult to find a second person in the whole country!

However, Xion didn't even have time to be happy for herself as a six-star warrior, the seventh meridian in her body was also washed away by the medicine in an instant!

In the blink of an eye, Xion jumped another level, from a six-star warrior to a seven-star warrior!

Xion himself did not expect that the total time for him to become a six-star martial artist was only a short two or three seconds!

Charlie didn't expect that Xion would be able to upgrade two levels in a row. After all, the later the cultivation level, the harder it is to upgrade. A single pill can be upgraded from five stars to seven stars, which is indeed better than the general blood-scattering and heart-rescuing pills. Not a lot!

Seven-star warriors in their twenties, even in the Wanlong Palace, are rare. The Elms family has practiced martial arts for hundreds of years, and it is impossible to produce a seven-star warrior in their twenties. I dare not even think about it.

But now, this young girl, who is only in her early twenties, has officially entered the ranks of seven-star warriors, creating a new record for the Elms family and even the domestic martial arts family.

However, right now, Xion still has a lot of medicinal power in his body, which is constantly rushing towards the eight extraordinary meridians!

And Xion's seven meridians that have been opened up are obviously still unable to bear the powerful medicinal power, and this medicinal power is also rushing towards Xion's eighth meridian.

So, charlie was surprised to find that Xion's eighth meridian showed signs of loosening under the impact of the huge medicine!

charlie wondered in his heart, "Could it be that this elixir can raise Xion from five stars to eight stars?!"

Although Xion couldn't speak at this time, his heart was already turned upside down!

The Amazing Son In Law Chapter 5549 -

While trying her best to transform her inner energy, she couldn't help exclaiming secretly, "What kind of medicine did Mr. Wade give me...why does it have such a powerful effect...I am now...a seven-star warrior...this... ..Is this too fast?!"

Immediately afterwards, she also felt the change of the eighth meridian, and she was even more secretly shocked, "This...is the eighth meridian also to be broken?!" At this time,

that The surging medicinal power is like a volcanic magma that is about to erupt, continuously accumulating energy in the crater, ready to go.

And the crater obviously couldn't suppress the surging energy, it kept trembling and cracking, and it seemed that it would be completely washed away anytime, anywhere.

charlie was also a little excited, he was always observing Xion's situation, waiting for her eighth meridian to open up.

At this moment, the surging medicinal power suddenly spewed out from her blocked eighth meridian!

At this moment, Xion's entire state and aura even underwent an earth-shaking change!

It was also at this moment that she officially entered the rank of eight-star warrior! The eight meridians in the body have all been opened up!

At this point, the powerful medicinal power finally showed signs of weakening, and was gradually digested by Xion's body, slowly returning to calm.

Xion opened his eyes, feeling that he had just undergone a reborn change. The eight-star martial artist's senses had obviously improved a few floors. Xion couldn't believe it was real because of the sudden enlightenment.

charlie knew that Xion would definitely not be able to accept it immediately, so he didn't rush to rush.Wait for Xion to get used to it.

Xion was a little sober at this time. Seeing charlie looking at her with a smile, she couldn't wait to ask him, "Mr. Wade, what kind of medicine is this? It has such a powerful effect. The eight meridians in my body seem to be all Got it through!"

charlie smiled slightly, "It doesn't seem like it's true, it's all done, congratulations, you've become an eight-star warrior now." Surprised and

delighted, Xion couldn't help saying, "This is too amazing... a Many months ago, I was only a three-star warrior, and I broke through to five-star and even eight-star one after another... Xion never dared to imagine that one day I would become an eight-star warrior..." After finishing speaking, she turned

back Come on, he knelt on the ground, looked at charlie, and said respectfully, "Xion is able to have today, everything is because of Mr. Wade's support! Your great kindness, Xion, I am grateful! In this life, as long as Xion is still alive in this world, and Xion will definitely go through fire and water for Mr. Wade, in order to repay Mr. Wade's kindness!"

charlie stretched out his hand to help her up, and said, "Xion, wait until your parents' wedding is over. , in the next period of time, you need to consolidate your cultivation. You have improved too fast recently. Although your hard power has reached the level of an eight-star warrior, your mentality, actual combat experience, and control of the true energy in your body, etc. These soft powers are far from reaching the height of an eight-star warrior."

Xion suppressed her excitement, and said respectfully, "Mr. Wade, don't worry! When my parents' wedding is over, I will definitely practice in seclusion. For a while!"

"Okay!" charlie nodded in satisfaction, and said, "At that time, you will concentrate on retreat in the Elms family's villa, and after you have solidified the foundation of the eight-star warrior, I will help you break through the Great Consummation of the Ming Realm , until you become a master of the dark realm!"
