

The Amazing Son In Law Chapter 5556

After Lao Zhang checked them one by one and confirmed that there was no problem, he let these people leave. After leaving, she said to Lin Wan'er (Alani), "Miss, the old slave brought a total of eighty-three items from Northern Europe that day, and they are all here." Lin Wan'er (Alani) nodded, and said impatiently, "Hurry up and send

my Chenghua blue and white sea water to match the dragon pattern." Give me the pot."

"Miss, wait a moment!"

Lao Zhang responded, and quickly found a blue and white porcelain pot about the size of a basketball from among the eighty-three things, and then handed the porcelain pot to Lin Wan'er (Alani).

Lin Wan'er (Alani) opened the lid, and the rich tea aroma gushed out from it.

Lin Wan'er (Alani) took out a piece of Pu'er tea cake from it, and couldn't help sighing, "I've been looking forward to it for so many days, and it's finally here." After that,

she picked up the teapot on the charcoal fire, poured out all the tea in it, and then took out a Pu'er tea cake. Tea knife, ready to separate the piece of Pu-erh tea cake in your hand.

But as soon as the tip of the knife touched the tea cake, she withdrew it and murmured, "This is the last piece..."

Seeing this, Lao Zhang quickly said, "Miss, didn't you say that you should drink the last piece earlier?" Tea cake, don't you need to worry about it in the future?"

Lin Wan'er (Alani) sighed softly, looked at this piece of tea cake, and murmured, "Let's keep this last piece, I want to cook it myself on the day when I can be honest with him. Give him a taste."

The expressions of the three old men were all terrified, and after exchanging glances, Lao Zhang bowed and said, "Miss, this old servant has the guts to ask, are you really planning to be frank with that gentleman?" "Yes

. "Lin Wan'er (Alani) said seriously, "He saved my life and has a common enemy with me. If the opportunity is right, I should tell the whole story about myself. Only in this way can I have the opportunity to truly cooperate with him.

" He said excitedly, "By the way, Lao Qiu, you asked sister Xian to buy me a wooden table measuring one foot and eight feet, another piece of rice paper measuring one foot and eight feet, and two pieces of the best Hui ink. I want to draw A painting."

Qiu Yingshan said in amazement, "Miss, you want to draw a painting that is one foot eight feet long? Isn't this too laborious?"

In the size of traditional Chinese painting, 1 zhang 8 chi means about 6 meters long and 2.5 meters wide, which is basically the largest size in traditional Chinese painting. Painting with such a large size requires a huge amount of work. Two words can describe it.

At this time, Lin Wan'er (Alani) said with a firm expression, "It's okay, I want to draw too many scenes, and one foot and eight feet is barely enough, besides, I still have at least twenty days to draw slowly, don't worry Hearing this ,

Qiu Yingshan said respectfully, "Good miss, I will arrange for xian to do it later!"

The Amazing Son In Law Chapter 5557 -

Seven o'clock in the morning.

Zayne's wedding team set off on time to pick up the bride at Elms's villa.

Today is a big day, there are hundreds of wedding couples in Aurous Hill City, like long steel dragons, shuttling through the streets and alleys of Aurous Hill.

When Zayne's convoy arrived outside the gate of Elms family on time, the younger generation of the Elms family and the female relatives welcomed the Banks family headed by Zayne into the door, and Zayne went straight to Kairi's wedding room holding flowers.

Since both Zayne and Kairi are over 50 years old, their marriage reception scene was not as lively as those young people. The Elms family did not block the door, and the Banks family did not make a fuss. Everyone looked at Zayne with blessed smiles. He walked up to Kairi step by step.

Kairi on the wedding bed was wearing a red Xiuhe wedding gown. Although there were some traces of time on her face, she was still glamorous.

In contrast, Zayne had a lot of misfortune and ups and downs during this period, and his face already had more wrinkles from the vicissitudes of life.

Xion, who was wearing a bridesmaid dress, saw her father come in holding flowers, and hurriedly said, "Dad, I hid mother's shoes behind the door!" Kairi couldn't help teasing her, "Xion, you are really looking after your father

. Forget about the door, why don't you let him look for the shoes?"

Xion said with a smile, "Mom, I wish I could just put the shoes in Dad's hands, so that you can pray to the world!"

For Xion, she Knowing that it is not easy for her parents to get together, she has experienced too many hardships in the past 20 years. Under such circumstances, all she wants is to let the two get married as soon as possible, and the sooner the better.

Kairi naturally knew her daughter's intentions, and couldn't help but gently embraced Xion, and gently pressed her forehead to hers, tears fell into her eye sockets, and she forcibly endured it back.

Xion closed her eyes slightly, but felt her eye sockets were very hot, feeling her mother's love with her heart, and remained motionless.

Although no one spoke between the two, the deep love between mother and daughter made even outsiders feel deeply moved when they saw it.

Seeing this scene, Zayne was also filled with emotion.

He finally understood what it was like to marry a woman who loved him.

The Amazing Son In Law Chapter 5558 -

Moreover, unlike Deana, who doesn't love her ex-wife at all, in her heart, she already has love for Kairi.

It was also at this moment that he began to look forward to life after marriage even more. He only wanted to live an ordinary life with his new wife. Money and status were no longer important. He thought so deeply that his face unconsciously showed Filled with a look of happiness.

Fitz on the side was also very moved. Although he also knew that Kairi had been involved in the marriage of his parents, he also knew that the marriage of his parents was not so healthy. It is not a good thing for them to be together. It is the best result to separate and complement each other.

For the past two days after he came back, he lived in the old yard where charlie lived with his parents when he was young. Seeing his mother taking care of the small yard with satisfaction and tirelessness every day, he realized that his mother's love for bruce was in her heart. Just how powerful love is, so strong that even if she just guards the small courtyard where bruce lived, she can feel unprecedented satisfaction and happiness.

But today, he saw his father's rare happy appearance again with his own eyes, which made him realize a truth. Sometimes, what seems complete may not be the real completeness. Instead, it is a better result.

Thinking of this, he couldn't help but feel grateful to charlie. Without charlie, with his father's status, it would be impossible for his mother to divorce him, and his father's character would never let him go. Without charlie, parents are still trapped in that unhappy marriage, and I am afraid they will never get out of it for the rest of their lives.

Seeing his father still standing there in a daze, Fitz turned around and found the red shoe from behind the door, picked it up carefully, and quietly handed it to his father.

Zayne was taken aback for a moment, and when he saw the red shoes, he came back to his senses.

Seeing that the person handing him the shoes was actually his son Fitz, the emotions in his heart suddenly became overwhelmed, and tears burst out of his eyes instantly.

Fitz didn't expect her father to burst into tears, so he quickly hugged him, bent her legs slightly, and used her shoulders to help him absorb the tears.

Zayne never expected that his son would act so considerately, and thinking that Zara was still waiting in the hotel to attend his wedding, at this moment, he felt that death was enough.

It was also at this moment that he realized that he had lived for fifty years, and today he truly understood.

Nothing compares to the happiness and harmony of a family.

Although he and Deana may never get in touch with each other in the future, but he has gained true love and the support of his three children, which is enough for him.

The Amazing Son In Law Chapter 5559 -

Fitz patted his father lightly on the back, Zayne controlled his tears, raised his head again, and saw his son pointing to the flowers in his hand. He came back to his senses, quickly knelt down on one knee, held flowers in front of Kairi

with both hands, and said loudly, "My wife, marry me!"

They all echoed loudly and kept shouting to marry him.

Kairi couldn't bear the tears, so she nodded with a smile while shedding tears, and also said loudly, "Okay!"

Afterwards, he reached out and took the bouquet of flowers.

Although it was just a formality, Zayne still grinned happily. Xion who was

on the side quickly reminded, "Dad, quickly put on shoes for mom, and also for grandpa. Tea!

Zayne nodded quickly, lifted the red quilt, and put the red shoes on Kairi's feet. There was

cheering and cheering at the scene, and the young juniors of the Elms family even took out the fireworks shells they held in their hands, and blew them one after another.

Immediately, the couple came to the living room of the villa. Mr. Elms was already sitting on the sofa, waiting for his new son-in-law to offer tea and change his mind. Mr. Elms, who is about to marry his daughter, is in a particularly

happy mood today. Before his wife leaves, the most worrying thing is to lose a piece of Kairi with her arm, she felt that since her daughter became disabled and gave birth to an illegitimate daughter, it might be difficult to find a man who can accept her in the future. Even if there is a man who can accept her, it may be difficult to accept Xion.

Before she left, she told the old man that if Kairi gets married in the future and the man treats Xion badly, the Elms family must take Xion back, but don't let Kairi divorce casually, because of her situation, she can find a man. Marrying her is not easy.

However, how could she have imagined that her daughter still achieved the best result today. She regained the arm that had been lost for more than 20 years, and came together with the man she had loved for 30 years. Xion There is no need to recognize a strange man as a stepfather, because her biological parents have finally come together.

Thinking of this, the old man, who was originally elated, suddenly felt extremely sad.

When people surrounded Zayne and Kairi, a couple who were over half a century old, When the wedding room came out and was about to offer tea to the old man, he suddenly found that the old man was sitting on the sofa alone, like a child, crying so much that he couldn't help himself...

The Amazing Son In Law Chapter 5560 -

No one understood why the always tough old man would cry like a child. While crying, he took turns wiping away the rolling tears with his sleeves on both sides.

Xion ran up to him quickly, and asked him nervously, "Grandpa, why are you crying on such a good day today..."

The old man realized that he was losing his composure, and hurriedly covered his face to control his emotions, but the more so, the more he couldn't control it, the tears flowed through his fingers and the old folds of his hands, and his body was trembling because of crying, which made people feel distressed.

At this time, only Kairi understood his father's heart.

She knew that her father must be sad that her mother could not see this scene with her own eyes.

Sometimes, those who are still alive feel that after waiting for the best result for many years, they go to the grave to share with the deceased relatives, and they will be very pleased to know that they have learned from the spring.

Thinking of it this way, I will feel a lot more relieved.

However, some people are not so open-minded when looking at the direction of the problem.

He would feel that this was the result that his relatives were most looking forward to, but why did the other party fail to live to see all this, and then fell into it deeply, unable to extricate themselves.

Mr. elms is obviously the latter.

In fact, Kairi is also the latter.

Martial arts people believe in strength and pursue changing fate against the sky.

And if you want to change your fate against the sky, the most important thing is to live!

Therefore, they do not believe that there is another world after death.

They know that death is like a lamp going out.

To die is to die.

If their loved ones die with regret, it will be the greatest regret of the living.

Therefore, Kairi didn't try to persuade her father. She knew that if her father didn't let him cry, it would be very difficult for him to get out.

Fortunately, Mr. elms is not a fragile person. After crying for a while, he released the depressed depression in his heart into tears, and he felt a little relieved.

Knowing that today is a day of great joy, he quickly wiped away his tears, and said with a smile, "I'm sorry, let everyone see a joke, shouldn't it be time to offer tea to this old man?"

"Zayne also wanted to get the old man to turn the page quickly, so he quickly asked the people around him, "Where's the tea? Why hasn't it been brought yet? I have to offer tea to my old father-in-law!" "Here we come!" A young

man hurriedly came to him with two cups of tea.

Zayne pulled Kairi, and the two knelt down in front of the old man, one on the left and the other on the right.

Afterwards, Zayne picked up one of the two cups of tea, handed it to Mr. Elms respectfully with both hands, and said loudly, "Dad! Please drink tea!" Mr. Elms smiled and nodded, and took the tea that

Zayne handed over. He held the tea in his hand, opened the gaiwan with the other, and drank the tea in the cup.

Afterwards, Mr. Elms put the teacup aside, took the teacup handed by his daughter, and drank it down. He looked at Zayne and said seriously, "Zayne, you and Kairi are married. I only have one request for you."

Zayne said respectfully, "Dad, please tell me!"

Mr. Elms held Kairi's hand, looked at Zayne, and said with a serious expression, "You love Kairi, where are you two going to live, and what kind of life will I live?" It doesn't matter, you don't have to come to see me for one year, three or five years, or even ten or eight years. If you don't love her anymore, don't dislike her, let alone bully her, as long as I'm still alive, I, He Hongsheng, won't blame you if you let her return to He's house safely; if I'm not here, you let Xion accompany her. If she comes back and lets her take care of the Elms family, the Elms family will not blame you, can you do it?"

The Amazing Son In Law Chapter 5561 -

When the old man said this, Kairi and Xion were crying.

Zayne on the side was also ashamed.

He knew that the Banks family's reputation had always been bad.

My old man even did not hesitate to kill his ex-wife Deana for the sake of Elms family's reputation. Fortunately, Charlie rescued their mother and daughter.

It was also this matter that made the whole country, even the whole world, cast aside the men of the Banks family.

It is probably because of this matter that the old man of the Elms family said these words, so he has some concerns.

Zayne, who was extremely ashamed, immediately raised his right hand and swore, "Dad, don't worry, I have made a decision. After I get married with Kairi, I will stay and settle in Aurous Hill. Not only can I spend more time with Xion, but Kairi and I can also spend more time together." Come back to see you, and I will definitely treat Kairi wholeheartedly, live with her wholeheartedly and do my best to protect her, if I can't do it, you and the Elms family can kill me at any time!" Mr. Elms is

satisfied. Nodding his head, he handed Kairi's hand to Zayne's, and said gratifiedly, "In this case, I don't have any other requests. You can take Kairi away!" Zayne was very grateful, and said respectfully, "Thank

you Dad! Don't worry, Dad, I will never let Kairi be wronged!"

"Okay, okay!" Mr. Elms said three good times in a row, waved his hand with a smile, and signaled the two to leave.

The two looked at each other, got up and walked out of the house.

Accompanied by Zayne, Kairi boarded the first wedding car.

Xion and other female members of the Banks family also drove to the hotel together.

According to the customs of Chinese weddings, Zayne originally planned to take Kairi to his home to worship, and then went to the hotel with Kairi to hold the wedding.

However, the Banks family was not from Aurous Hill, and Charlie deliberately didn't want people to know that today was the wedding of Bank's eldest son, so he prepared a presidential suite for Zayne at the Shangri-La Hotel, and used it as Zayne's home.

This is also quite common in wedding customs, but in the past, the woman came from other places to the city where the man lived, and opened a room in the hotel as a wedding room for the wedding.

Therefore, according to common sense, it should be that Kairi's family went to a certain hotel in Eastcliff to stay, and then Zayne went to the hotel to take her home to pay homage to her.

But Charlie designated a location for Zayne, and it must be in Shangri-La. There was no other choice, so Zayne could only go against the rules.

At this time, most of the people in the Banks family, including the old man and Zara Banks, were waiting in the presidential suite of the hotel.

And the invited guests of the Ito family were already waiting here at this time.

In addition, there is also a well-known male host from Eastcliff, 46-year-old Feng Zidong.

Feng Zidong is a household name in China, and he can be called a top host. He came here today because he was invited by Xion to be the emcee of the wedding.

The reason why he was invited over was because his parents were also martial artists and had a close personal relationship with the Elms family, and he grew up in the Elms family when he was young.

Xion is not worried that outsiders will know the news of his father's marriage, nor that outsiders will see that his mother's arms are healthy. After all, only the Banks family and the Elms family know about his mother's disability.

What she was worried about was Charlie, who was about to be the witness of the marriage, and worried that Charlie's identity would be revealed.

Feng Zidong himself grew up in Elms's family, and he is a descendant of martial arts masters. He was watched by Mr. Elms when he grew up. His character is completely trustworthy, so he will definitely keep his mouth shut about today's affairs.
