

The Amazing Son In Law Chapter 5684 -

Hong Changqing knew her personal disciple very well. Seeing that she had made up her mind, Hong Changqing didn't try to persuade her too much, but asked, "Maxton, when are you going to return to the United States?" Maxton said without thinking, "The more The sooner the better."

Immediately, she took out her mobile phone to swipe the ticket, and muttered, "Tomorrow Aurous Hill has no flight back to the United States, so it seems that I can only transfer to other cities." After finishing speaking,

she couldn't help complaining, "I knew it would be so. In this case, I asked my dad to arrange a private jet for me."

Hong Changqing asked her, "Where do you plan to transfer?"

"Hong Kong Island!" Maxton said, "Currently, Hong Kong Island has the most flights. Go to Hong Kong Island early tomorrow."

Hong Changqing nodded and said, "Since that's the case, I won't keep you anymore as a teacher, and I will wait for you in Aurous Hill." "

Okay!" Maxton said, "I will get the matter over as soon as possible. Everything will be resolved."

Just when Maxton made the decision to return to the United States and move the entire Taizhen Taoism to Aurous Hill, charlie did not really leave Shangri-La.

He was in Isaac Cameron's office, and asked him to arrange his subordinates to help him keep an eye on this Chinese American named Maxton.

The reason why he has to keep an eye on her is because charlie intends to find an opportunity to erase all her memories of herself before she leaves Aurous Hill. After this woman returns to the United States, she will definitely devote herself to Taizhen Dao with the strongest enthusiasm. In addition to future development, he will lose any threat to himself.

It's just that he didn't expect that Hong Changqing would soon call him respectfully, and report graciously, "Master Wade, this subordinate has passed the position of head to Maxton. From now on, this subordinate and Taizhen Dao There is nothing to do with it anymore, Master Wade is your leader! If you have anything that needs to be done by your subordinates, please do not hesitate to order! If your subordinates have second thoughts about you, the sky will be struck by thunder!" charlie's tone was

flat "Where's your personal disciple?"

Hong Changqing hurriedly said, "Go back to Master Wade, Maxton has already returned to her room."

charlie asked curiously, "I think your apprentice doesn't seem to have a good temper, and he's the kind of character who breaks the casserole and asks the bottom line. How did you explain the matter of the medicine cauldron to her? Didn't get the medicine cauldron. How could she agree to leave Aurous Hill?"

Hong Changqing hesitated for a moment, and said without hesitation, "Master Wade, to tell you the truth, Maxton has been completely convinced by your strength, and she intends to move the entire Taizhen Dao to Aurous Hill when she goes back this time. Come, and then bring Taizhen to worship under your sect..."

Hong Changqing didn't dare to hide anything from charlie.

He knew charlie's methods.

Once he angered charlie again, his cultivation might fall back to the rank of a four-star warrior.

Therefore, he could only choose to tell charlie the whole story.

Although this would make Maxton feel ashamed, he has no other choice right now, but to leak the secret in advance.

After all, when charlie punished him last time, he clearly expressed his dislike for the grassroots and the two family slaves.

When charlie heard that Maxton was going to bring the whole Taizhen Taoism into his sect, he couldn't help but asked in doubt, "This woman has a very strong personality, why did she make such a decision? Could it be that you told her something?" Hong Changqing didn't agree

. Dare to hide it, and hurriedly said, "Return to Master Wade, this subordinate did mention a few words to her..."

At this point, he asked and explained with trepidation, "However, the original intention of this subordinate is also to recruit troops for you. There are hundreds of members in Taizhen Dao , Among them, people with three-star warriors and above accounted for nearly half. If you can submit to Master Wade in the future, it will be even more powerful for you, Master Wade." charlie smiled slightly and asked him, "If I didn't

guess If you are wrong, then Ms. Maxton should have explained it to you, and San must not disclose this matter casually, right?"

Hong Changqing was taken aback for a moment, and then said awkwardly, "Master Wade, you really have sharp eyes... Maxton explained it Subordinate, don't tell you about this matter for the time being... But, this subordinate is your subordinate now, and everything must be considered for your benefit, so I will call you as soon as possible to tell you the news. "

charlie was quite satisfied with Hong Changqing's attitude, and said with a smile, "Okay, Hong Tianshi, I have done a lot this time."

Then he said, "I just pretend I haven't heard of this matter. "

Hong Changqing quickly asked him, "Master Wade, I dare to ask, are you willing to take Taizhendao under his command?

" I order, the other is that Taizhen Tao treats me as a winner, and cheats money and resources from me under the guise of taking refuge, which kind do you think Maxton is?" Hong Changqing said subconsciously, "That must be the first

kind "

"Really?" charlie sneered, "I can see that before I left, Maxton was still hostile to me, she was even rude to you, why are you so sure, she must Can you be sincere to me?"

Hong Changqing hurriedly said, "Master Wade will tell you, I have roughly disclosed your situation to Maxton, and you have already revealed your situation before you raised your hand.Open up her three-second meridian, she also admires you very much, and can't wait to saddle up for you. "

Speaking of peace, Hong Changqing said to Master Wade again, "To be fair, Maxton wants to lead Taizhen Dao to Aurous Hill to join you. Part of the reason is because I told her that Taizhen Dao has been passed down for thousands of years. "Yuan Dao" is not complete, and here you have mastered the follow-up content to a certain extent. If you can get some martial arts mental methods later, it will also be of great help to Taizhen Dao. "

Hearing that Maxton is for the mind and the elixir, charlie smiled slightly and said, "Don't worry, Hong Tianshi, if Taizhen Dao is really willing to worship me, in the future, whether it is the follow-up content of "Taizhen Hunyuan Dao" or Those pills that can occasionally improve their cultivation quickly, I can give them one after another.

Hong Changqing couldn't help asking him nervously, "Mr. Wade, what about the subordinates? " "

"You..." charlie smiled slightly, and said, "I have other arrangements for you, but I don't know if you can do it." Without further ado ,

Hong Changqing immediately said with great confidence, "Don't worry, Mr. Wade, your subordinates will definitely go all out!" "

charlie said, "I am going to invest in building a training base in Aurous Hill. At that time, there will be dozens of hundreds of warriors studying and practicing in the base at the same time. Generally speaking, the cultivation base of these people will not exceed eight-star warriors. I need you What you do is to teach them the first chapter of "Taizhen Hunyuan Dao" without reservation. The more they learn and the better they are, the greater your contribution as a teacher will be! "

Speaking of this, charlie said again, "As long as you can do this duty well without reservation, then when the time comes in the future, I will definitely pass on the rest of "Taizhen Hunyuan Dao" to you in stages. In this way, you can also help the members of the training base continue to improve rapidly while improving your own strength! "
