

The Amazing Son In Law Chapter 5691 -

When Isaac Cameron saw that Don Albert was playing tricks, he teased, "Okay, Don Albert, I don't know you yet? You must be free to play cymbals with me! I'm already running for four, and you are also running for five Zhang has gone, what kind of classmate do we two still be?"

"No, old isaac!" Don Albert said aggrievedly, "We two are close friends, do you think I can play cymbals with you casually?" ?"

As he spoke, he hurriedly said again, "Okay, old isaac, I won't play tricks on you anymore. To be honest, you must know that Master Wade has recently renovated the Champs Elysees hot spring. You know that Master Wade has renovated this place. What is it for?"

Isaac Cameron said, "I know, the young master wants to train a group of martial arts masters there? What does this have to do with the two of us?"

Don Albert chuckled, "I dared to talk to Master Wade today. , said that we both want to practice martial arts, and want to beg him to give us a chance..."

When Isaac Cameron heard this, he asked excitedly, "What did you say, Master?"

Don Albert smiled and said, "Look at you, I You said that we should be classmates together, don't you understand what I mean?"

Isaac Cameron blurted out excitedly, "Master, he agreed?!"

"That must be done!" Don Albert said cheerfully, "Master Wade Having said that, this training just happens to be a systematic teaching from the beginning, neither of us has entered martial arts, this time we just have the opportunity to learn from it!" "Great!" Isaac Cameron said in an ecstatic voice, "

Hong Five... oh no, fifth brother! My good fifth brother! You really helped my younger brother and I got my wish this time!"

Before today, although Isaac Cameron and Don Albert had a good relationship, there was still a certain gap in their actual status levels of.

Isaac Cameron was originally the spokesperson of the wade family in Aurous Hill, and Don Albertwu was just a grassroots gangster back then, so Isaac Cameron's circle was much higher than Don Albert's from the beginning.

In addition, Isaac Cameron is charlie's own subordinate, and Don Albert is the younger brother who was subdued by charlie halfway, but from this point of view, isaac is not. Kai also had a higher status than Don Albert.

Don Albert himself knew this well, so even though he was much older than Isaac Cameron, when he saw Isaac Cameron, he still had to respectfully call Mr. Isaac.

And Isaac Cameron's "Five Brothers" really touched Don Albert's heart, and made him feel comfortable all over, and his mood was much more relaxed.

However, he didn't just drift away because of Isaac Cameron's fifth brother, but he said with a smile, "Should I not say it? The two of us are close friends, why are you so polite to me? What are you doing these days? Hurry up and arrange things at Buckingham Palace, you may have to stay here for a long time when classes start here!" "

No problem!" Isaac Cameron said without thinking, "I'll make arrangements as soon as possible!"

The Amazing Son In Law Chapter 5692 -

After that, he He asked a little nervously, "Fifth brother, do you think we can enter martial arts with our conditions and age? I heard that it is not easy to get started in martial arts. It is not easy for anyone to sink the dantian. Most people can't find where the dantian is after practicing for a lifetime..."

"What are you afraid of..." Don Albert blurted out, "Do you think Master Wade will let the two of us here to make up for it? We are also Master Wade's confidants Well, if the two of us have been studying bullshit here for a long time and haven't learned it, then Master Wade won't be able to bear it!"

Isaac Cameron asked him, "You mean, since the young master let us go, he will definitely help us get started "

Don Albert said decisively, "That's for sure, don't you understand Master Wade's temper? As long as it is someone he wants to help, he will definitely help to the end!" Isaac Cameron was relieved and said

excitedly "Fifth brother, you are right! You say that, I feel more at ease!"

Don Albert said with a smile, "You prepare first, I will notify you as soon as there is any news!"

Isaac Cameron hurriedly said, "Fifth brother, Why don't I be the host tonight, brother, let's have a good drink!"

Don Albert said, "I'm afraid I won't be able to leave here for a while, and I have to be responsible for the logistics here. You have to be here 24 hours a day."

As he said that, Don Albert said again, "Why don't we do this? After the official class starts, we will find a chance to have a drink in the Champs Elysees. Then we will definitely have spare time." "Okay!" Isaac Cameron said with a smile, "That's

it It's settled!"

At

this moment, charlie was driving back to Aurous Hill City.

Letting Hong Changqing cultivate martial arts masters for himself in Aurous Hill this time is of far-reaching significance to charlie.

He has never practiced martial arts himself, and he wants to train martial arts masters. Apart from giving pills and mental methods, he has no way to truly improve the opponent's strength and understanding of martial arts from the essence of martial arts.

Ever since he got the "Nine Profound Heavenly Scriptures", until now, charlie has only taught little pepper Aurora one and a half moves, but since he himself has no experience, he only taught her a little superficial.

This time, charlie intends to learn from each other's strengths and let Hong Changqing be responsible for laying the most solid theoretical foundation for future students, and then give them a certain amount of elixir assistance, so as to improve their strength from the inside out.

Therefore, charlie is also very clear that this is definitely a once-in-a-lifetime opportunity for warriors.

Because of the rare opportunity, charlie not only wants to train a group of soldiers of the Wanlong Palace, but also wants the Elms family to benefit from it. Yi, especially Xion, who has broken through to an eight-star martial artist, her cultivation base has improved too fast, but her foundation is a little behind. If she can take this opportunity to make up for the missing basic disk, she will definitely be able to get twice the result with half the effort in the future .

The Amazing Son In Law Chapter 5693 -

In addition to the Elms family and Xion, charlie also wanted Aurora to join in. After all, she was obsessed with martial arts, but she had never really entered the martial arts school. For her, this was the best opportunity to re-enter.

Thinking of Aurora, charlie also naturally thought of Nanako Ito who was also in Aurous Hill.

I knew Nanako through the match between Aurora and her.

To be fair, Nanako's attainments in martial arts are actually far higher than Aurora's.

Moreover, Charlie knew very well that Nanako was actually a real martial idiot, unlike Aurora's mentality of aspiring to win the championship. It was just that after recovering from that injury, she promised herself that she would no longer participate in international competitions, so I also rarely have the opportunity to see her practice martial arts.

Taking advantage of Nanako's presence in Aurous Hill, Charlie also hoped that she could pick up her beloved martial arts again.

Moreover, she has also taken Rejuvenation Pill, her own strength already has a strong foundation, but what she has been practicing is not Chinese ancient martial arts, but Japanese martial arts, so she has not yet realized the practice of opening up the meridians method, once she masters the method of opening up the meridians, I believe she can also have the level of a three-star warrior.

Out of his special affection for Nanako, Charlie decided to stop by Ito Nanako's new home in Tomson Yipin on the way back, and tell her about it personally to see if she is interested.

The reason why he moved this idea was because Charlie had some selfishness in his heart.

He doesn't know how long Nanako will stay in Aurous Hill, if she is allowed to join, then she must stay in Aurous Hill for a while...

After making up his mind, Charlie first called Aurora.

Charlie hadn't seen Aurora for a few days, the last time he saw her, it seemed that she was the one who delivered medicine for her father.

Thinking that he had promised her that he would take time to supervise her training, but he couldn't take care of it at all when he was busy, Charlie couldn't help feeling a little ashamed.

He dialed Aurora's number, and it was connected quickly. Aurora asked in surprise, "Master Wade, why do you have time to call me?" Charlie smiled and said, "I called

you because I have something good to do." I want to tell you."

"What a good thing?" Aurora asked happily, "Master Wade, are you going to come to my house to guide me in training? You have promised me for a long time..." Charlie smiled and said, "It is similar to

this Yes, I recently invited a martial arts master to hold a martial arts training class in Aurous Hill, to do systematic training from scratch, this is a rare opportunity, if you are interested and have time, you can come and participate.” “Really

?! “Aurora asked excitedly, “Master Wade... Isn’t martial arts the secrets of those martial arts families and martial arts sects? Does Aoxue really have the opportunity to learn from it?” “Of course.

The Amazing Son In Law Chapter 5694 -

” I have the opportunity to learn, and I can learn, so far, the best and most comprehensive martial arts method I know.”

“Great!” Aurora said without thinking, “Master Wade, Aoxue is willing, ten thousand willing! No Do you know when and where to start registration?”

charlie said with a smile, “This is not an external recruitment, so there is no place for you to register, but don’t worry, as long as you are willing to participate, I will reserve a spot for you, and when the time is fixed, I’ll tell you the specific address, but don’t worry, the location is in Aurous Hill, and it won’t be too far from home.”

“No problem!” Aurora was so excited that she screamed on the phone, and she calmed down after a while, and said He said, “By the way, Master Wade, how long will this training take? If it takes a long time, I will prepare in advance and take a break in the next semester. It is already mid-August now, and the school will start in a short time. “

charlie thought for a while, and said, “The first stage of training will take at least half a year. During this half year, you may not be able to go home every day like you did when you went to school. Most of the time it should be It needs to be closed for training.”

Aurora said with a smile, “There is no problem with this. Although I am studying in Aurous Hill, I don’t go home every day. I live in the dormitory of the school most of the time. Generally speaking, I only go to school on weekends. I will go home, if my parents are busy at work on weekends, I will not go home on weekends.” “

Okay.” charlie said with a smile, “Then you can say hello to your father, as long as he has no objections, this matter That’s it.”

Aurora blurted out, “Why would my dad have any objections? That’s right, if my dad knows that you arranged it, he might wish that I would never go home.” charlie didn’t hear what Aurora said

. The voice-over just said with a smile, “Your dad dotes on you so much. I’m afraid he won’t let you go.” “

No!” Aurora said with a smile, “My dad must have 10,000 support! “

“That’s good.” charlie smiled and said, “Then let’s make an agreement, and I will contact you in advance.” “

Okay, Master Wade!” Aurora quickly agreed, and then asked, “By the way, Master Wade, Is there anything I need to prepare in advance?”

charlie said, “Someone will arrange basic necessities, food, housing and transportation, but if you have any personal items, you can also pack them up and bring them here in advance. The accommodation here is pretty good, standard The hotel room, and I have already assigned male and female dormitories, relatively speaking, it will be more convenient.”

Aurora said with a smile, “Then I will pack some of my personal clothes!”

“Yes.” charlie smiled and said, “ At that time, if you need anything, you can directly communicate with the person in charge at the scene, and they will find a way to meet your requirements.” “

Good Master Wade!”

...

Aurora’s call, charlie called Ito Nanako again .

The Amazing Son In Law Chapter 5695

At this time, Nanako was embroidering flowers at home. When she received a call from charlie, she happily said, “Mr. charlie, what are

you doing now ?” Are you home now?”

Nanako said happily, “Yes! Mr. charlie can come over anytime.”

“Okay.” charlie said, “I’ll be there in about twenty minutes.”

Nanako quickly put down the embroidery in her hand, and said with a smile, “ That Nanako is going to prepare now, first boil the tea, and we can drink tea together when charliejun comes.”

charlie hurriedly said, “Don’t bother, I just want to tell you something in person, and it’s time to leave after I’m done. “

Nanako smiled and said, “Then you can have a cup of tea and talk while drinking.”

After that, Nanako didn’t wait for charlie to express his opinion, and said, “Mr. charlie should drive carefully, I will pick you up in the garage in fifteen minutes.”

charlie said "I'll just ring the doorbell in the basement when I get there, so you don't have to bother to come down here." "

How can that be?" Nanako said seriously, "Welcoming Mr. charlie is not a hassle for me, my mother told me since I was a child, The happiest thing for a woman is to welcome the man she loves home every day..."

After finishing speaking, she realized that the situation seemed to be something was wrong, and he quickly said, "It doesn't seem appropriate to say that, please don't take offense, Mr. charlie, just treat it as my hobby, and let it be fulfilled..." charlie didn't say any more when he heard this

, He just asked, "Come down in twenty minutes, don't wait too long in the basement."

Nanako smiled and said, "You don't have to worry about me, Mr. charlie, let's concentrate on driving, I will make good time." After hanging

up the phone, charlie concentrated on driving, while Nanako first set an alarm clock for fifteen minutes, and then before putting down the phone, sent a voice message to Ito Yuhiko who was outside, "Odo-san, Mr. charlie will be visiting at home later, please Odo-san and Tanaka-san will stay outside for a while, and come back after charlie-jun leaves..."

After Ito Yuhiko came to Aurous Hill, his psychological burden was much lighter than when he was in Japan, so he often went out to exercise with Tanaka Koichi. Today it was the two who went to the suburbs of Aurous Hill to play golf together, and Ito Yuhiko's younger sister Ito Emi also followed them.

After sending the message to her father, Nanako Ito began to boil water to make tea without waiting for his reply. Taking advantage of the time of boiling water, she changed the Japanese-style furisode yukata she wore at home and put on an ordinary jumpsuit Long skirt, and then hurriedly faced the mirror, and simply dressed up.

Everything was ready, and the fifteen-minute timer rang.

She picked up the phone, turned off the timer, and immediately went out to go downstairs to the basement to wait for charlie.

It was also at this time that she clicked on the voice message sent by her father, and Yuhiko Ito complained deliberately in the message, "I thought Mr. charlie came to the door, and you wanted me to go back to treat you quickly, but I didn't expect that you wouldn't let me go back. Now, Tanaka and I just happened to play a few more shots, but if you don't want us to go back tonight, just let me know in advance, so we can reserve a room in the hotel in advance!"
