

The Amazing Son In Law Chapter 5745 -

Seeing that the old lady was in a low mood, Deana comforted her apologetically, "Auntie, I have just lived here not long ago. I don't know if charlie has been here for so many years before I moved in, so you don't have to go too far." Pessimistic."

The old lady nodded lightly, and sighed, "I don't doubt that charlie is still alive, but the clues I can find about charlie are too few, and if one of these clues is broken, one will be missing..."

Deana smiled and said, "Auntie, maybe it's just not the time for you to meet him yet. When the time is right, even if he is far away, he will come to meet you.

" Believe me, I'm just afraid that I won't be able to wait for that day when I'm old."

Deana couldn't help feeling distressed when she saw the old lady was extremely melancholy.

Aurous Hill, for the old lady, is definitely a sad place that she can't bear to look back on.

The daughter and son-in-law died here, and the grandson disappeared here for 20 years.

If it were her, she might not even have the courage to come here.

However, at such an advanced age, the old lady came here without hesitation. Just for this alone, I am afraid that it will take a long time for psychological construction.

Thinking of this, Deana couldn't help but mutter to himself, "charlie, your grandma came to Aurous Hill at such an old age, no matter how big of a problem you have, you should at least give her a thought, right?" However, Deana also knew that

Charlie The difficulties and obstacles he faced were far beyond what he could estimate. With charlie's character, he must have had reasons for making such a cruel decision.

So, she quickly said to the old lady, "Auntie, since you have come to Aurous Hill not far away, you might as well settle here temporarily and live for a while, even if you can't find charlie in the elf, it doesn't matter, maybe charlie I will come back someday, and you can meet him here."

The reason why Deana suggested that the old lady stay in Aurous Hill for a longer period of time was because she knew charlie's ability. She is in Aurous Hill, charlie will definitely be able to protect her in various ways.

Deana's words also corresponded to what the old lady was thinking. She nodded slightly and said seriously, "I have no plans to go back after coming to Aurous Hill this

time. In other words, if I don't wait for charlie to come back, I will stay." I won't leave in Aurous Hill."

Hearing this, Deana felt relieved, and said with a smile, "Auntie, you should stay in Aurous Hill for a long time. You can come here anytime and anywhere. If you need my help in Aurous Hill, I will definitely do my best."

The old lady said gratefully, "Thank you so much, Deana!"

...

When the old lady was a guest at Deana's home, charlie was still at the Champs Elysees Hot Spring Hotel, paying attention to him silently. Follow Hong Changqing's teaching progress.

The oral liquid that was canned in the villa in the middle of the mountain before is still stored in the villa. charlie plans to wait a few more days, and wait for Nanako, Aurora, Isaac Cameron, and Don Albert to successfully enter the gate of martial arts before taking the oral liquid. Distribute it to everyone, so that everyone can experience the feeling of rapid growth in cultivation.

After staying in the Champs Elysees all morning, Hong Changqing didn't stop the morning lecture until 11:30 noon, and said loudly to everyone, "Everyone, this morning's lecture is over, everyone is free to eat and rest, we will start on time at 1:30 Afternoon class."

Everyone stood up from the futon, bowed to Hong Changqing and thanked Hong Changqing, and then walked out while relaxing their muscles and bones.

Nanako Ito didn't leave in a hurry, but asked Aurora excitedly, "Aurora, have you mastered the mystery of endoscopic examination?"

Aurora scratched her head, "It seems that there is... and it seems that there is no... It feels like an endoscopic view is a very deep I dive to the bottom of the pond, and every time I get to the bottom, I can't go any further. It's really annoying..."

After that, she asked Nanako, "Nanako, your expression is so excited, do you have mastered it?!"

The Amazing Son In Law Chapter 5746 -

Nanako nodded heavily, and exclaimed in a low voice, "I seem to have found the mystery of introspection, just like the diving you said just now, I couldn't dive at the beginning. I feel that the closer to the bottom, the more repulsive the water Bigger, and everywhere pushing me to the surface..."

“Yes, yes, yes!” Aurora said quickly, “It’s the feeling that I can’t live or die! I was tortured like crazy, how did you survive?” Nanako said very seriously, “I also worked hard at the beginning

. I tried my best to dive down forcibly, but I didn’t succeed even once. Later, I calmed down and assumed in my mind that my spiritual consciousness had come out of the body. place!”

Aurora exclaimed, “Go to the highest place?!”

“Yes!” Nanako said decisively and excitedly, “Go to the highest place! It’s like climbing all the way to the Baizhang cliff above the lake, and then stepping on the steep cliff with your heels. On the edge of the cliff, let the divine sense open its arms and jump off the cliff without distraction!”

As she spoke, Nanako continued with a trembling voice, “Let me fall faster and faster, let the wind in my ears I completely disregarded the feeling of roaring and roaring, I just wanted to complete this leap! That feeling was like a needle falling from the sky and piercing into the water, without the previous feeling of all resistance !In a flash, it suddenly becomes clear!”

“Ah?” Aurora was dumbfounded, and blurted out, “Nanako...you...you can really get out of your body?”

In fact, not only Aurora was horrified, but even charlie was also shocked endlessly.

Even after mastering the “Nine Profound Heavenly Scriptures”, he has never heard of this method of practicing martial arts. It sounds incomparably mysterious and at the same time extremelyShocking!

“No...” Nanako explained, “It’s not really that the consciousness is out of the body, it’s just to calm down, let your mind, let go of your body as much as possible, and pretend that you have the consciousness.”

Aurora asked puzzled “” Can this be imagined?”

“Yes!” Nanako said firmly, “It’s like peeping inside. I didn’t understand it at first. The word peeping means seeing. People only have one pair of eyes and can only see. In the world outside the body, how can we peep inside and see the meridians and dantian in the body? However, this morning, I suddenly understood a truth. The so-called internal peeping is to separate the consciousness from the previous five sense organs Come out, calm down, assuming that the consciousness has left the brain, eyes, ears, mouth and nose, and dived into my body like diving into the bottom of the water. When I really found that method, the whole person’s feeling will be completely different! “

Aurora was stunned, clenched his fists after a while, and said excitedly, "I'll try your way too!" At

this time, Hong Changqing walked up to the two of them and said to Nanako, "Hong just observed , Ms. Ito seems to have really realized the inner peep, and also mastered the complete operation of the true energy. Such a fast speed is the only one Hong has ever seen in his life. Congratulations!" Nanako said respectfully, "It's all taught by Hong Tianshi

. Fang!"

Hong Changqing waved his hand, and said seriously, "Ms. Ito is indeed extremely talented! Not only has she mastered the way of internal observation in such a short period of time, even the three meridians in your body are almost in a state of complete opening, but You didn't know how to circulate your true qi before, and opening up your meridians was like a highway without vehicles, which failed to play a real role. But since you have been able to circulate your true qi now, I believe that in a few days, Miss Ito will be able to Make use of these three meridians, and become a three-star martial artist! Such a fast speed is truly amazing, and in time, Ms. Ito will definitely become a top martial artist!"
