

The Amazing Son In Law Chapter 5760 -

With just one glance, charlie recognized Lin Wan'er (Alani)!

Even though charlie only met her once, even though Lin Wan'er (Alani) had changed her dress and style, charlie still recognized her at a glance.

This is because, for such a long time, the shadow of Lin Wan'er (Alani) has been lingering in his mind.

charlie had never had such a strong memory of a woman he had only met once, and Lin Wan'er (Alani) was the first.

Although Lin Wan'er (Alani)'s appearance was so amazing that people doubted its authenticity, charlie could remember her because of this.

The reason why charlie can remember her is because charlie once regretted it very much. He regretted that when he was in Northern Europe, he didn't ask Lin Wan'er (Alani) about all the origins between her and the Po Qinghui (Benn), and what she knew about the Po Qinghui (Benn). all information.

In addition, there is another reason why charlie can't forget Lin Wan'er (Alani) all the time, and that is the ring that is dancing wildly in his pocket!

Whenever he was sucked a lot of spiritual energy by that ring routine, charlie would think of Lin Wan'er (Alani) uncontrollably in his heart.

And whenever that cheating ring danced around in his pocket, he would subconsciously think of Lin Wan'er (Alani).

However, he never thought that he could see Lin Wan'er (Alani) again!

Moreover, he never dreamed that Lin Wan'er (Alani), who was supposed to flee for her life, would come to Aurous Hill! It would suddenly appear at the door of Claudia's bedroom!

It was also at this moment that apart from being astonished and bewildered, charlie suddenly became vigilant!

He couldn't help wondering if the reason why Lin Wan'er (Alani) appeared here was because she came here for herself!

If this is the case, it means that when I used spiritual energy to give her psychological hints that day, it didn't have any effect!

Otherwise, a girl whose memory was erased by him before parting from him in Northern Europe could suddenly appear in Aurous Hill, thousands of miles away, and in front of him at the same time without remembering him at all. Such a coincidence?

Although Lin Wan'er (Alani) didn't see any disturbance on the surface at this time, she was extremely nervous in her heart.

She knew that as long as she appeared in front of charlie, charlie would definitely doubt herself. In order not to show any flaws, she used the acting skills she had practiced countless times, and asked with a smile again, "Excuse me, is this room 301?"

"Speaking, Lisa on the side already said very enthusiastically, "That's right, this is bedroom 301, there is a sign at the door, do you live in this bedroom too?" Lin Wan'er (Alani) didn't look at

charlie anymore, but looked at Lisa, smiling shyly Said, "I saw the house number of the dormitory, but there are more people inside, so I want to confirm it again."

Lisa asked her quickly, "Then you should be a classmate in bed 02, right?"

Lin Wan'er (Alani) nodded and asked her "Then are you a roommate in bed 01?"

"I'm not." Lisa waved her hand, pointed at Claudia who was with Mrs. Lewis (Aunt Angie), and said, "This is a classmate in bed 01." After finishing speaking,

she looked at Claudia, smiled and said, "Claudia, your new roommate is here!"

Seeing Claudia, Lin Wan'er (Alani) nodded friendly to her, and said with a smile, "Hello, my name is Suman, from the Department of Archeology. We will be roommates from now on!"

charlie narrowed his eyes slightly when he heard this, he knew that Lin Wan'er (Alani) was lying at this time, so he looked at Lin Wan'er (Alani) fiercely, trying to see something in her from her expression. some minor changes.

Lin Wan'er (Alani) had long expected that whether she met charlie directly today, or met Claudia first today, and then met charlie through Claudia in the future, as long as she introduced herself in front of charlie, she would be happy. This will definitely happen, so from the moment she decided to study at Aurous Hill University, she has been practicing in front of the mirror, practicing her determination to have a flawless expression when lying.

Therefore, even though she was stared at by charlie, she was still calm and composed, with a polite and reserved smile on her face all the time.

Claudia asked in surprise at this time, "Are you also from the Department of Archeology?"

"Yes!" Lin Wan'er (Alani) nodded and asked curiously, "You too?"

Claudia nodded and said, "I am..."

Lin Wan'er (Alani) smiled and said, "What a coincidence! Both of us are international students and both speak Chinese, and they are all from the Department of Archeology!"

Claudia also felt very incredible, and said seriously, "They said that no one in the Department of Archeology signed up, especially not many girls signed up. I am prepared to be the only girl among the freshmen this year I didn't expect to meet a female classmate of the same major!"

Lisa on the side smiled and said, "What's more important is that the two of you are assigned to the same dormitory, which is really destined!" "

Yes!" Lisa said with a smile. The aunt also smiled and said, "So, you two are really destined!"

At this moment, Claudia remembered to introduce herself to Lin Wan'er (Alani) and said, "Hi, my name is Claudia, Claudia Dinosio, a Canadian of Chinese and Italian mixed race."

Lin Wan'er nodded, reached out to shake hands with her, and said with a smile, "I am Malaysian Chinese, and we will all be classmates in the same dormitory in the future. Just call me Suman." Always

enthusiastic Seeing Lin Wan'er (Alani) coming alone, Lisa couldn't help asking, "Suman, did you come to Aurous Hill from Malaysia to sign up alone?"

Lin Wan'er (Alani) shook her head and said, "My grandfather also came to Aurous Hill with me, but after all, he is old, so I didn't let him Come with me."

Lisa said, "We just plan to go to the cafeteria to have lunch at noon, and taste the food cooked in the cafeteria, do you want to come together?"

Lin Wan'er (Alani) politely declined, "Thank you, but I have to go home at noon, grandparents are all Wait for me at my home in Aurous Hill, let's eat together when I have a chance, after all, I'm still in Aurous HillUniversity for four years.

Lisa nodded and said with a smile, "Okay, I can come to my house with Claudia for dinner if I have a chance in the future." "

” Good! Lin Wan’er (Alani) nodded, and said with a smile, “I will definitely visit you when I have a chance in the future!” “

charlie stood aside, silent from the beginning to the end, his eyes kept looking at Lin Wan’er (Alani), but the strange thing was, he couldn’t see anything unnatural about Lin Wan’er (Alani), and he never looked at himself, it seemed that I really don’t know myself.

The ring in his pocket is still beating, and it seems to be very excited about Lin Waner’s appearance, which makes charlie suddenly think to himself, “The ring should have sensed Lin Waner, so there is such a beating performance... Previously at Aurous Hill University, and at Tang Chen Yipin, the rings also danced twice. Could it be that those two times were because Lin Wan’er (Alani) was nearby? Could it be that she has been watching me? “

Thinking of this, charlie became even more vigilant. He felt that he must find a chance to find out what was going on with Lin Waner. At

this moment, Claudia, Lisa and Mrs. Lewis (Aunt Angie) were saying goodbye to Lin Waner. Ready to leave the dormitory and go to the cafeteria.

charlie suppressed the doubts in his heart temporarily, and left the dormitory with the three of them.

Walking downstairs, the ring in charlie’s pocket gradually returned to calm, and Lisa couldn’t help but sigh Said, “That Suman is too pretty, right? I have never seen such a beautiful Asian woman...”

“Yeah...” Claudia also agreed very much, “Such a beautiful girl is indeed very rare.

Lisa asked charlie, “Brother charlie, what do you think? ”

Charlie kept thinking about how to verify whether Lin Wan’er (Alani) approached him on purpose.

So, he pretended to suddenly think of something, and blurted out, “It’s broken, I really want to leave the car keys in Claudia’s bedroom.” Okay, you go to the cafeteria first, I’ll go back and look for it! “
