

The Amazing Son In Law Chapter 5770 -

Seeing charlie standing at the door in a daze, Mia (Liu Manqiong) couldn't help asking, "Mr. wade, what's the

matter with you?"

He came over and said, "Please, please."

charlie nodded, and when he followed the waiter into the door, he took a special look at the small bell hanging on the sliding door, and he was inspired.

If the Qing Dynasty really sent the earl to Aurous Hill in the future, then he had to make a "bell" that could warn him.

After taking a seat with Mia (Liu Manqiong), he took out his mobile phone and sent a message to Zhang Ermao, who was originally selling antiques on Antique Street, asking him to meet him at the mid-level villa in Champs Elysees Hot Spring at noon tomorrow.

Some time ago, Zhang Ermao began to follow Don Albert as a dog-headed military adviser, and he did it very well. He reorganized Don Albert's industries and personnel, and his income and management improved a lot.

Right now, Don Albert spends most of his time in the Champs Elysees, and most of the affairs have been handed over to Zhang Ermao.

charlie needed Zhang Ermao to complete charlie's idea just now.

At this time, Mia (Liu Manqiong) was still a little embarrassed and cautious in front of charlie.

After ordering some casual meals, she took the initiative to say to charlie, "Mr. wade, I'm really sorry... I should have told you about my coming to Aurous Hill in advance..." charlie could see the embarrassment in her

expression Feeling at a loss, she smiled and said, "Isn't it possible to have such a pleasant surprise?"

Hearing this, Mia (Liu Manqiong) couldn't hide her joy and asked, "Really? Do you really think so?"

"Of course." Although what charlie said was against his will, he also knew very well in his heart that Mia (Liu Manqiong) had come so far, and he couldn't be lukewarm. It must be a huge blow to her, and it would even make her in the future. Every day in Aurous Hill feels like a year.

And I only need to show a little bit of surprise, it is enough to soothe the embarrassment and bewilderment in Mia (Liu Manqiong)'s heart.

Mia (Liu Manqiong) was indeed as Charlie expected. After hearing Charlie's affirmative answer, he immediately pushed through the clouds and mist to see the moonlight. Not only did he feel much more relaxed, but a happy smile appeared on his face instantly.

She looked at Charlie, and whispered a little bit shyly, "I'm afraid that if I come to Aurous Hill without saying hello, it will cause you trouble..." "No."

Charlie waved his hand without thinking, "We are My friend, and when I went to Hong Kong Island, you took good care of me, and now you can come to Aurous Hill to develop, of course I am very happy, if there is any need for my help in Aurous Hill in the future, please don't be polite to me." Mia (Liu Manqiong) was

delighted Nodding his head endlessly, "Okay! I got it!"

Charlie smiled slightly, and then deliberately pretended to suddenly think of something, and asked, "By the way, what is the relationship between you and Lin Wan'er (Alani) who I saw in the dormitory at noon? How did you know each other?"

Mia (Liu Manqiong) said truthfully, "Alani is the granddaughter of a good friend of my grandfather, she is an overseas Chinese from Malaysia, and she will study at Aurous Hill University this year." Then,

Mia (Liu Manqiong) asked again, "By the way, I heard from Alani that you Do you know her new roommate?"

"Yes." Charlie nodded and said, "One of my younger sisters happened to be studying at Aurous Hill University this year, and I didn't expect them to be in the same dormitory and the same major." "That's such a

coincidence Already!" Mia (Liu Manqiong) exclaimed, "I originally wanted to wait for a while to stabilize in Aurous Hill University, and then find a chance to tell you that I have come to Aurous Hill, but I didn't expect to go to Alani's dormitory to look for her today, and I met you. It's so...so predestined..."

"Really..." Charlie smiled, and asked her pretendingly curiously, "By the way, why did you go after I left at noon?"

The Amazing Son In Law Chapter 5771 -

Mia (Liu Manqiong) said, "I originally wanted to call Alani went to eat together, but she seemed a little uncomfortable, she kept saying that she had a headache, and she didn't get better after resting in the dormitory for a long time, so I asked sister to take her back." Then, Mia (Liu Manqiong) explained, "That's right

. , Sister is Grandpa Qiu's housekeeper in Aurous Hill, Alani lives in Grandpa Qiu's Zijin Villa, and Sister Xian is taking care of her in daily life."

charlie was slightly taken aback when he heard this, and then he suddenly realized that the reason why Lin Wan'er (Alani) had a headache was probably because he had injected too much spiritual energy into her brain at noon, and he had done too much psychological hinting.

The reason why he took the medicine was because charlie felt really weird when he saw her, and he was afraid that there was something weird about her.

Now think about it, for an eighteen-year-old girl, too much aura has been injected into her brain, which must have caused great damage to her body, and the headache and discomfort will last for a period of time.

charlie was also a little ashamed for a moment, feeling that when he saw Lin Wan'er (Alani), he seemed to have overreacted a little, and he acted a little harshly for a while.

Fortunately, this situation will not cause any irreversible damage to her. If the headache is severe, it will be fine to rest for a while.

...

at the same time.

In Zijin Villa.

Lin Wan'er (Alani), who was pale, just opened her eyes.

Sister Xian, who was watching by the side, hurriedly asked with concern, "Miss Alani, how are you feeling?"

Lin Wan'er (Alani) felt her head spinning, and a strong feeling of vomiting urged her stomach to churn.

Sister Xian saw that she was about to vomit, so she quickly picked up the trash can and put it in front of her. Lin Wan'er (Alani) spat out acidic water with a wow.

After she ate at six o'clock in the morning, it has been twelve hours since she didn't drink a drop of water and spit it out. It was almost all acid from the stomach, and the burning of the entire throat and esophagus was very painful.

Sister Xian wiped her mouth for her, quickly brought a cup of warm water, rinsed her mouth, and then helped her drink a little, Lin Wan'er (Alani), this is a bit more comfortable.

Lin Wan'er (Alani) struggled to sit up, her whole brain felt as if it was going to explode in severe pain.

She suppressed the pain and asked Sister Xian, "What time is it?"

Sister Xian hurriedly said, "Go back to Miss Alani, it's already six forty in the afternoon."

Lin Wan'er (Alani) nodded slightly, and asked her, "What's wrong with me?" Didn't you tell anyone else?"

Sister Xian quickly said, "You told me not to tell, so I didn't tell anyone. After I helped you back to the room, you fell into a coma, so I helped you to the bed and kept on staying with you, my husband and Mr. Zhang have both come to ask, I followed your wishes and didn't tell them, I just said that you want to take a rest." "Okay..."

Lin Wan'er (Alani) nodded weakly, and said, "At noon After getting in the car, I almost lost consciousness, thank you, Miss Xian."

Sister Xian said respectfully, "Miss Alani, you are too polite..."

Then, she asked Lin Wan'er (Alani), "Miss Alani, you haven't eaten all day, do you want to eat?" May I help you prepare something to eat?"

"Okay..." Lin Wan'er (Alani) really felt that her stomach was completely empty, and besides a headache, she also had heart palpitations and weakness caused by hunger, so she said, "Sister Xie Xian, help me The hot spring pool in the yard is full of water. After eating, I want to soak for a while." "

Alright, Miss Alani." Sister Xian respectfully said, "Then Miss Alani, take a short break, and I'll prepare dinner and hot spring water for you. After Sister

Xian finished speaking, she bowed and left, leaving Lin Wan'er (Alani) leaning on the head of the bed in a daze, recalling the experience of being repeatedly tempted by charlie at noon, Lin Wan'er (Alani) couldn't help but smiled bitterly, and muttered to herself, "charlie, I don't know what I am today, Did you pass your temptation?"

the next day.

At noon, charlie arrived at the mid-level villa in Champs Elysees Hot Spring.

Zhang Ermao arrived here an hour early to wait.

Seeing charlie, Zhang Ermao said respectfully, "Master Charlie, what can you tell me?"

charlie smiled slightly and asked him, "Zhang Ermao, did you bring the things I asked you to bring?"

Zhang Ermao Nodding repeatedly, he took out a handbag from the car and said to charlie, "Go back to Master Charlie, I have brought everything you want!" " Okay."

Charlie greeted him, "Go in and talk."

When Zhang Ermao came to the living room of the villa, Zhang Ermao couldn't wait to open the suitcase, and took out several pieces of wood of different sizes and thicknesses, but they were all as black as charcoal.

While taking these logs out, he introduced to charlie, "At that time, you said you wanted lightning wood. This is all the reliable lightning wood that I can find from yesterday to now. The lightning wood sold in our market Nine out of ten and a half are artificially made fakes. If you really don't understand where the lightning strikes the trees, the local people will snatch them all when the buyers come to your door, so don't worry. Looking at the lightning strike wood I was looking for, it seems that the quality is not very good, and the age is not very old, but the small ones can take their heads to assure you that they are all real lightning strike wood, and there is absolutely no problem!" charlie

clicked Nodding, he took a rough look at the wood he took out, nodded and said, "These are indeed lightning strike wood. Although the quality is a bit poor, it is just what I want."

Zhang Ermao was confused, and subconsciously asked, " Master, why is the quality almost in line with your liking? I'm afraid that these little things won't catch your eyes..."

charlie said with a smile, "I can't explain this to you."

With that said, charlie asked him again, "I asked you to find the old finger puller, did you find it?"

"Found it!" Zhang Ermao quickly took out two jade wrench fingers that looked very old from his pocket, handed them to charlie, and said, "Master Charlie, look, these two jade wrench fingers are all clean." The ones from the early generation are real, but the material is not very good, ordinary Hetian jade, the quality is average."

charlie nodded, took the two jade ring fingers, roughly looked at them, and said, "Look at this thing. It looks like something from Shukeng, and it has been unearthed for at least decades, right?"

Zhang Ermao gave a thumbs up and praised, "Master Charlie, you really have sharp eyesight, and these two fingers are indeed from Shukeng. I guess, At least it has been out for thirty or forty years."

charlie said, "I want something that is buried, the more raw the better, it is best to look like it was just unearthed a month ago, can I get it?" "

This... .." Zhang Ermao said awkwardly, "Master Charlie, it's a matter of fighting against the law... In recent years, there are not many people in Aurous Hill doing this business, and most of the fighting that can be reversed now are broken things Son, the jade ring finger is really good enough to meet."

As he said, Zhang Ermao asked charlie, "Master Charlie, you are so talkative, I dare to ask you, why do you have to ask for something that was born out of the pit?"

charlie Said, "Zhang Ermao, you are now Hong Wu's person, in other words, you are also my person, so I will not hide it from you. I want to pull the finger to deceive people. If you are familiar with the pit, it may be difficult." You can deceive people."
