

The Amazing Son In Law Chapter 5851 -

When Zhang Ermao (Cade) hurried to Isaac Cameron's office with hair like a bird's nest, he still smelled of wine and perfume, and there were even many bright red lip marks on his face.

As soon as he saw charlie, he hurriedly asked with an apologetic smile, "Master Charlie, are you looking for me?"

charlie nodded and asked him, "How did you drink last night?"

" Master Charlie, I had a good drink last night!"

charlie smiled slightly and said, "Since you drank well, let's start working in the afternoon."

Zhang Ermao (Cade) immediately stood up straight, and asked respectfully, "Master Charlie, what do you want me to do, just tell me!"

charlie hummed, and asked, "Zhang Ermao (Cade), let me ask you, is the other wrench coming back?"

Zhang Ermao (Cade) immediately said, "I'm coming back! It's in the safe in the room. I put it in myself last night while I was still awake!" "

Okay." charlie nodded and said, "Go back and wash up now." Just a moment, but remember, just wipe your face and brush your teeth. Don't take a bath. After you wash your hands, send me the wrench, and then go to the antique street. The old man who asked you to buy things yesterday is already waiting You've been busy all morning."

"Hey..." Zhang Ermao (Cade) regained his energy and asked, "Master Charlie, did that old man go to Antique Street again? Could it be that he asked me to return the goods?" "How is that possible

. "charlie smiled and said, "He still wants to buy more things from you. After you go to see him later, you will say that your family is not ready to take out all the things yet, but if he can express If you show sincerity, you can fight for him."

Zhang Ermao (Cade) hurriedly asked, "Master Charlie, how much sincerity is this?"

charlie thought for a while, and said, "At least two hundred thousand dollars must come over first, two hundred thousand After the US dollar arrives, you call Isaac's assistant, stop talking nonsense, and just say one sentence – please send some goods, and you don't have to worry about the rest, I will ask someone to pull another finger Send it to you."

As he said that, charlie said again, "For the second finger puller, you can ask him for a price of one hundred dollars."

Zhang Ermao (Cade) was stunned, "Master Charlie... I dare to ask, the old man bought a finger puller for 500,000 dollars." , It's already a hundred times the premium, this time it's one million, can he buy it?"

"Yes." charlie smiled confidently, "Just open your mouth and call the price, as long as you call out the price, he will definitely buy it." I will pay."

Although Zhang Ermao (Cade) was a little puzzled, he nodded very simply, and blurted out, "Okay, Master Charlie, I understand!"

...

It was past one o'clock in the afternoon.

The antique street under the scorching sun does not have a lot of traffic.

Willie was still pacing up and down the street, his eyes constantly scanning the vendors.

A man who set up a stall couldn't take it anymore, and asked, "I said, old man, you have been walking back and forth all morning, and my eyes are blurred. You can't find a place to sit for a while in such a hot day." Son? No, I'll give you a dollar, and you go to Dongtou to buy a popsicle to eat?"

Willie glared at him, and said coldly, "I can walk around as I want, what's the matter with you?! Be careful with the old man if you talk nonsense. Abandon you!"

The Amazing Son In Law Chapter 5852 -

"Grass!" The street vendor was so angry that his liver hurt, and he cursed, "You fucking old bastard really doesn't know what's good, you."

Uncle Willie clenched his fists in anger when he saw his swearing.

At this moment, there is only one thought in his mind, to use the piece of lightning strike wood in his pocket that can summon sky thunder, and kill this kid on the spot.

But he could only think about it this way, before he did anything to the An's family, he didn't dare to cause trouble casually.

So, he could only turn around resentfully, and continue pacing to the other side.

Zhang Ermao (Cade) was taken aback, and asked him, "What is Dao Xin? " What kind of benzene? "

Willie was stunned, "Which Taoist temple is Yiben Dao?" "

Zhang Ermao (Cade) said casually, " Japan, the female benefactors in their temples are always famous. As soon as Willie heard him talking about the Japanese female benefactor, he knew that he must be holding his fart, so he quickly reached out to interrupt, and said, "Ermao, it's alright, Ermao, let's stop talking about it!" I came to you today just to ask you, if you can get me some good stuff from your previous family? Zhang

Ermao(Cade) put away his smile, and said with a serious face, "Old man, I made a special phone call last night to report on your matter. "

Willie hurriedly asked, "Then what did your upper family say?" "

Zhang Ermao (Cade) said, "My family is very cautious. They usually only ship once a few weeks, but I told him that the old man is reliable and generous. Don't talk about buying things, just give The referral fees are all hundreds of thousands of dollars. It's hard for us to meet such a big customer, so I persuade him to give you a few more things.

Willie asked, "Did he agree? " "

Zhang Ermao (Cade) talked about him from left to right, and said with a smile, "I said you are generous, but he doesn't believe it. He insisted on asking me to ask you for an introduction fee of two to three hundred thousand yuan first, and asked me to give him half of it for each person. Do you think this person is too much? Unable to understand what Zhang Ermao (Cade) was thinking, Willie said quickly, "Ermao, the referral fee is very easy to talk about. As long

as you can let him ship to me, I will give you 200,000 referral fees."

Zhang Ermao (Cade) immediately said, "Master, what I'm talking about is US dollars! "

Willie knew that he was slaughtered, but he didn't care so much at this time, and immediately said firmly, "I'm talking about US dollars too!" "

The Amazing Son In Law Chapter 5853 -

This time, Willie is already familiar with the road.

He immediately turned on his phone, transferred \$200,000 to Zhang Ermao (Cade), and then couldn't wait to ask him, "Cade, can you ship it to me now?

” Call him to urge him!”

Willie hurriedly said, “I just need to come out of the same hole as those two things, so don’t fool me.”

Zhang Ermao (Cade) said with a serious face, “Don’t worry, old man, I, Zhang Ermao (Cade), travel all over the world. For so many years, I have relied on honesty and integrity, and we will never do things that fool people in this life!” After finishing speaking

, he pretended to be mysterious and said, “My family has already contacted you. I’m sorry, send me another item in a while, just wait a moment!”

“Really?!” Willie Burton was very excited, and blurted out, “That’s great!”

The two waited together for about twenty minutes. The rider of City Express ran in from outside the Antique Street.

Ever since this person entered the Antique Street, Willie and Yun Ruge have been following him together.

There was no other reason, both of them noticed the aura fluctuations on his body.

Willie even felt that this fluctuation was somewhat familiar.

At this moment, Uncle Willie was even more excited, and he couldn’t help sighing in his heart, “This is the third magic weapon! I’ve really broken the nest of magic weapons! If there is one, there will be two, if there is two, there will be three, and if there are three, there will be three.” It’s already there, and it’s not a dream to have another four, five, or six!”

At this time, the rider went straight to Zhang Ermao (Cade)’s booth and asked him, “Are you Zhang Ermao (Cade)?”

Zhang Ermao (Cade) nodded and asked him, “My What about the goods?”

The rider took out a jewelry box from his pocket and handed it to him.

After the other party left, Zhang Ermao (Cade) opened the jewelry box and took out the second jade wrench made by charlie from inside.

Willie’s eyes have not blinked even once since Zhang Ermao (Cade) opened the jewelry box.

And when he saw the things in the jewelry box clearly, he couldn’t help but feel a little disappointed, and murmured, “Why is it another finger?” Zhang Ermao (Cade) smiled, “Who knows about that

thing, ask the owner of the tomb. ...Maybe he was very fond of wearing thumbs when he was alive, and there are two big brothers, one on each side, doesn't that look grand."

Uncle Willie felt a little depressed.

He is actually not very interested in this kind of magic weapon of the passive formation.

In his opinion, compared with the one he got yesterday, which can summon the thunder, this kind of magic weapon is like heaven and earth.

The expectation in his heart is still looking forward to getting a magic weapon that can increase his attack power.

But now there is another finger, should I buy it or not?

You say buy it, I already have one, and I haven't figured out what the effect of one is;

don't buy it, it is also a magic weapon, you can't let it slip through your fingers, right?

The Amazing Son In Law Chapter 5854 -

Being depressed, Zhang Ermao (Cade) on the side said, "Old man, if you want me to tell you. You can buy this finger wrench too. At that time, the two thumbs will wear one on each side, and the main thing will be a row of noodles!" Willie secretly

thought Thinking, "Since I have already told the British Lord about the ring, it is a good thing to buy a second one now. One is for the British Lord, and the other can be kept by myself. If it is really a good thing, at least I will not buy it." Beating his chest and stamping his feet."

Thinking of this, he said to Zhang Ermao (Cade), "Okay, since I have a destiny with finger pulling, then I want this one too, and it's still worth half a million dollars?" Zhang Ermao (Cade) quickly said, "Old man, this time five hundred thousand is fine.

" It can't be done, the family has ordered that this finger is the last one, and there will be no more after it is sold, so it will not be sold if it is less than one million dollars." "One million..."

Willie said a little displeased. This is the starting price of sitting on the ground, double the price of flat land!"

Zhang Ermao (Cade) said helplessly, "Old man, I also work for others. I have to sell whatever price they set. It doesn't matter if you think the price is high. Anyway, you already have one of this thing, so it is not very necessary to buy it again." Buy the second one."

Willie immediately interrupted him with his hand, and said seriously, "I definitely want it, but I feel that the price of this store is not kind, and I am not short of the money, but I feel a little unhappy "

Zhang Ermao (Cade) nodded, as if I understood you, and said seriously, "To be honest, old man, I understand your mood, but let me tell you something from the bottom of my heart. Antiques are rare and precious. If you buy them all, it will definitely be a rare item to keep in your hand in the future. Maybe if you sell it in a few years, the price will double again." Willie sighed secretly in his heart, "

I Is there a saying that I bought a magic weapon and sold it away? It's impossible to sell it for 100 million!"

Thinking of this, he didn't want to continue to quarrel with Zhang Ermao (Cade) on the price, after all, he still expected Zhang Ermao (Cade) to help him match up and buy more The magic weapon is back!

So, he deftly transferred the money to Zhang Ermao (Cade) for payment, and after the money was paid, he asked him curiously, "By the way, Ermao, please help me to ask your family, when will the same batch of good goods be released? If it's convenient, why don't you give it to me at once, as long as the goods are good, I'll take them all!"

For Willie, he only had three days, and now it's already afternoon, which means another half day has passed, and only The next two and a half days.

Two and a half days later, in the middle of the night, I have to attack the An family. By then, Aurous Hill will be bloody and will inevitably fall into extreme panic. At that time, I probably won't have a chance to buy it.

Zhang Ermao (Cade) looked at Uncle , and said with charlie's good words, "Master, it may take about seven to ten days to ship the goods next time." "

What? Seven to ten days?!" Willie was anxious

Zhang Ermao (Cade) asked helplessly, "Why did you have to wait so long?!"He explained, "Look, this thing of ours has a wrong origin. These three pieces were sold to you for a total of more than two million US dollars. After we settled the foreign exchange, we have to find a way to find a group of personal banks. It will take time to distribute the cards, and then let people withdraw the cash little by little."

Willie frowned and asked, "What do you mean? Why is it so troublesome?"

Zhang Ermao (Cade) said helplessly, "Master, do you really understand? Ah! We can't just collect the money, we have to take some time to launder the money first! Otherwise, if the money stays in your own account, it will attract attention, and if something

happens, the money will be kept. In the account, wouldn't it just be seized by the police?"

Willie understood the operation mode of this group of people, the income from illegal excavation and reselling of antiques is black money in itself, and there are indeed risks in not laundering it.

But although he understood in his heart, he couldn't help being impatient, and blurted out, "Ermao, I can't wait seven to ten days!"

Zhang Ermao (Cade) spread his hands, "I can't help you if you can't wait. To be honest, it was true last time." A lot of things were freed from that tomb, and I really want to sell you a little more, but I'm just a little bitch in there, so I can't be the master of this matter." Unwilling to be reconciled, Uncle Willie

begged Said "Zhang Ermao (Cade), so, please help me, I can trade at any time in the next two or three days, you don't need to worry about the money, I have plenty! As long as you can persuade your upper family to sell the things to me as soon as possible, and then sell one, I'll give you an extra 10 as a benefit fee, but if it's too late, I might really have to leave."

Zhang Ermao (Cade) said with some embarrassment, "This... two or three days is a bit too hasty, at least five to seven days."

Willie became more irritable, and blurted out, "I have a lot of things to do, and I really don't have so much time to stay in Aurous Hill..." After that,

he gritted his teeth and said, "Zhang Ermao (Cade), I will wait until it gets dark after you arrive at the latest. If you can get the goods, come find me at the Holiday Hotel at the west gate of Antique Street!"
