

The Amazing Son In Law Chapter 5911 -

The same is true for fortune-telling.

Orion Exeor is only a hundred years old, and Lin Wan'er (Alani) is more than three hundred years old. The difference between them is self-evident.

At the same time, charlie Wade also found that the temperament of Lin Wan'er (Alani) in front of her had changed.

For some reason, charlie Wade suddenly had a feeling of "beautiful beauty hides the present and the past, and the lotus flower shames the beauty" with her gestures now.

And her phrase "Nujia" that ancient Chinese women used to call themselves made charlie Wade feel that Lin Wan'er (Alani) was like a kitten lying on the ground with its soft belly exposed, exposing her greatest secrets and weaknesses to her at once. in front of myself.

Lin Wan'er (Alani) saw that charlie Wade hadn't recovered from the extreme shock at this time, so she said apologetically, "Please forgive me, my master, I didn't mean to scare you, but I just asked you about it, and I dare not lie, so I just Can tell the truth..."

He calmed down slightly, looked at Lin Wan'er (Alani), and asked word by word, "Did you travel from more than 300 years ago, or have you lived from more than 300 years ago to today?"

Lin Wan'er (Alani) replied, "Young master, my family has lived until today."

charlie Wade was shocked, and murmured, "Three hundred years ago, you watched that tea tree cross the catastrophe in southern Yunnan...then...then how old are you this year? "

Lin Wan'er (Alani) said seriously, "Master wade, the slave family was born in the second year of Longwu in the Southern Ming Dynasty, which was also the third year of the Shunzhi period of the Tartar Qing court, and 1646 in the Gregorian calendar."

charlie Wade felt dizzy for a while.

Judging by this age, Lin Wan'er (Alani) can be regarded as his ancestor, and the time recorded in the Wade family tree may not be earlier than her! So Charlie Wade exclaimed,

"In 1646...then you... oh no...then you are nearly four hundred years old now?!"

Bowing, he said respectfully, "My lord, you don't have to call me 'you', just call me Wan'er." "

No..." Charlie Wade said very seriously, "You are almost four hundred years old... I just call you old." The ancestors are not too much..."

Lin Wan'er (Alani) smiled, and said seriously, "In the eyes of the slave family, the slave family is just a girl who can't grow up, not an old witch. Although the slave family has indeed lived for nearly four hundred years, but I'm still seventeen..."

"Uh..." Charlie Wade suddenly fell into embarrassment, and the two voices in his heart were arguing fiercely at this moment.

One voice said, "She is right. Although she has lived for nearly four hundred years, she has always been a girl of seventeen or eighteen years old..." Another voice said, "But she is almost

four hundred years old after all. What is the concept of four hundred years old! You, Master Charlie, haven't turned thirty this year!"

Charlie Wade was afraid of such entanglements, so he quickly shook his head, throwing away all these thoughts, and then asked Lin Wan'er (Alani), "You..." As soon as the

word "You" came out of his mouth, he could clearly see a flicker of light between Lin Wan'er (Alani)'s beautiful brows. Sullen, so she quickly changed her words and said, "No, I want to say you..."

Lin Wan'er (Alani)'s sullenness disappeared immediately, she smiled sweetly, and asked shyly, "What do you want to say, my lord? I'm listening."

The Amazing Son In Law Chapter 5912 -

charlie Wade asked in surprise, "What are you doing?" Can you live so young for 400 years?! You don't even... you don't even look like you're eighteen years old... Even if you keep taking Rejuvenation Pill, it's impossible for you to rejuvenate, right?" Lin Wan'er (Alani) quickly explained,

"My son misunderstood, the slave family is not rejuvenating, but the appearance and body of the slave family have been what they are now since they were seventeen years old, and they have not aged for more than three hundred years." charlie Wade was even more shocked, he blurted

out Asked, "This... How is this possible... You are not proficient in spiritual energy, even if you are proficient in spiritual energy, you will not be able to keep your face forever..."

Lin Wan'er (Alani) replied, "Since my son is proficient in cultivation, I wonder if you have heard of the eternal green pill?"

charlie Wade shook his head, "I've never heard of it... What's the effect of this pill?"

Lin Wan'er (Alani) said seriously, "After taking the Evergreen Pill, the life expectancy can reach five hundred years. After taking it, I have lived to this day."

charlie Wade's eyes widened, "Is there really such a miraculous pill?!"

"Of course." Lin Wan'er (Alani) said, looking at her father's spirit tablet not far away, she said earnestly, "My family is in front of you!" My late father swears that there will be no concealment or deceit in every word spoken between the slave family and the son today. The concealment before is really a last resort, and I hope you will forgive me." charlie Wade followed her gaze and saw

that On the spiritual tablet is written the spiritual tablet of my late father Aasif in eight big characters.

At this time, charlie Wade no longer doubted Lin Wan'er (Alani)'s words. He suppressed the horror in his heart and asked, "Did your father give you the Everlasting Green Pill you took?"

Lin Wan'er (Alani) turned around and glanced at my father's spirit tablet again, and said, "Yes, the Evergreen Pill was given to my family by my father before he died." charlie Wade was even more surprised, "Since

your father has the Evergreen Pill, why didn't he take it himself before he died? Take it? Don't you have to die if you take it?"

Then, charlie Wade said again, "Oh, by the way, please try to use 'I' to refer to yourself, I am always from a slave family, I am a modern person born under the red People, I'm really not used to it."

"Okay, I'll try my best..." Lin Wan'er (Alani) nodded lightly, and said with a sad face, "Back to the question just now, my lord, more than three hundred years ago, when I was really seventeen years old, I was still young. When I was practicing embroidery in the boudoir in southern Yunnan, my father who was thousands of miles away suddenly appeared in front of me

. An unknown elixir was given to me, and I was told to take it obediently without asking any questions;" "

I don't know what the effect of this elixir is, but my father's order must not be violated, so I took the elixir. After taking it, my father Only then did you tell me what pill it is and what its effects are..."

She said with red eyes, and said softly, "As for why my father didn't take it himself, but gave me the Everlasting Green Pill, he said it was because he didn't want one day, he would do this. Father, I want to watch me die of old age in front of his own eyes..." "

My father also said that if there is a medicine that will allow a father to live forever and watch his daughter grow old and die slowly, then This kind of medicine is not a fairy medicine, but a poison..."

The Amazing Son In Law Chapter 5913 -

"My father said that he must die in front of me before he can rest in peace, and I am still young, unmarried, and have no worries about the future, so after I take the Everlasting Green Pill, I will be fine." Live well, live for five hundred years..."

charlie Wade suddenly thought of something, and blurted out, "You said you are over three hundred years old, so your child..."

Lin Wan'er (Alani) gave charlie Wade a faint look, and said angrily, "My lord, although my family has lived for more than three hundred years, I am still a pure and innocent girl, and I have never married... Besides, my family has

been hunted down for so many years. After a period of time, I have to change places and live in different identities, how can I have children...”

“Oh...” charlie Wade hastily apologized”I’m sorry, I’m sorry

, it’s my fault.” Lin Wan’er (Alani) said quietly, “My father specially told the slave family that if you don’t want to have too many ties, you must be celibate for the first four hundred years...”

charlie Wade asked curiously: ” Why?”

Lin Wan’er (Alani) said, “Because the Everlasting Green Pill will not make the slave’s family grow old in the first four hundred years, and only in the last hundred years will it make the slave’s family start to grow old at a certain point in time;” “

Before If you are married for four hundred years, you will have to bear the pain of watching your children grow old and die. After that time, the slave family will be able to live from seventeen to eighteen, and then twenty-eight years old. , Thirty-eight years old, and then gradually grow old”

“So, when that time comes, I can experience real life.”

charlie Wade nodded understandingly, letting a parent watch their child grow old with their own eyes , but I remain young forever, this feeling must be very painful.

Therefore, it was a very wise decision for Lin Wan’er (Alani)’s father to give her the Everlasting Green Pill and explain that she could not marry for the first four hundred years.

So, charlie Wade asked her again, “Then what happened to your father?”

Lin Wan’er (Alani) sighed, “My father was seriously injured at the time, and there was no other panacea for healing, so he had to stay in bed for recuperation, but fortunately, his life was not in danger. If there is enough time, it is not impossible to recover...”

After a pause, Lin Wan’er (Alani) said sadly, “It’s just that my father said at the time that the person who hurt him would be able to reach southern Yunnan in half a month at the earliest, so he kept urging me to take that The ring left

home quickly to prevent the other party from finding him, but I still refused to abandon him...”

Speaking of this, Lin Wan’er (Alani) said with red eyes, “On the seventh day when my father was sent back to the south of Yunnan by the ring, he took advantage of it. I went out to buy medicine, left a letter and cut off my meridians and died...”

Two lines of hot tears rolled down, Lin Wan’er (Alani) hurriedly wiped them away with her sleeve, choked up and said, “After I buried my father, I left home and started a continuous Three hundred years of fleeing...”

charlie Wade exclaimed, “You have been hunted down for more than 300 years?! By whom? Po Qinghui (Benn)?”

Lin Wan’er (Alani) said with a complicated expression, “Actually, Po Qinghui (Benn) was my father’s entry into the Qing army. That year, he co-founded it with Aamir

, his sworn brother and classmate friend. The two brothers founded the Poqing Society for the purpose of expelling the Tartars, fighting against the Qing Dynasty and restoring the Ming Dynasty. However, the Poqing Society completely changed after my father died. No, it has nothing to do with its name, the one who chased me was the later Poqinghui, and the later hero of the Poqinghui.”

charlie Wade blurted out, “The later hero of the Poqinghui, could it be that Aamir? ?!”

“No.” Lin Wan’er (Alani) shook her head and said, “The hero who broke the Qing Dynasty later is Aamir

‘s younger sister, Sara!”
