

The Amazing Son In Law Chapter 5927 -

When charlie Wade and Lin Wan'er (Alani) flew towards the Champs Elysees together, Li Yalin, Isaac Cameron, Don Albert and others who were relieved also stopped searching and returned to the Champs Elysees first.

Li Yalin knew that An's family was worried about charlie Wade's safety, so he ran back to the villa as soon as he got off the plane.

At this time, the An family stood in the living room with sad faces, hoping that Li Yalin would bring back good news.

After all, to the An family, charlie Wade is of great significance, and it has affected the An family for twenty years. What's more, charlie Wade's other identity is the benefactor who once saved the An family. For the current An family, charlie has surpassed everything else.

Seeing Li Yalin walking in quickly, the An family stood up together in an instant, looking at him expectantly, the old lady had already subconsciously walked towards him, and murmured, "Yalin, did you find charlie?" Is your son's whereabouts?!"

Li Yalin said with a smile, "Auntie, I have found Mr. charlie's whereabouts. He is fine, and he said to let you rest assured that he will come to meet you when he finishes his work." The old

man The wife breathed a sigh of relief instantly, and couldn't help shedding two lines of tears because of the excitement.

The rest of the An family cheered excitedly at this moment, and even An Qishan, who was not very good at expressing emotions, couldn't help laughing and weeping.

charlie Wade's safety is their greatest wish at this moment.

At this time, the old lady couldn't help but asked again, "Why doesn't charlie come here now? Is he injured?"

Li Yalin shook his head and said, "I don't know exactly what happened. When we arrived at the scene of the incident, Mr. charlie didn't Not there, we searched for a long time but couldn't find Mr. charlie's whereabouts, and

finally Mr. charlie called Mr. Don, and we found out that his life is not in danger.” The old lady was

really relieved, “Since it is charlie If you make a phone call, it proves that his life is not in danger...”

As she spoke, she choked up and said, “We are the ones who are sorry for charlie and charlie’s parents. charlie clearly hates us and saved us twice. I can understand that he doesn’t want to see us for the time being.” Li Yalin hurriedly

said “Auntie, Mr. charlie is actually very concerned about you. He said he hated you just now, but he was just distracting the murderer.”

The old man An Qishan sighed, “charlie should hate us. What I did was wrong.”

Li Yalin said seriously, “Uncle An, Mr. charlie may indeed have a grudge against you, but when you were critically ill, it was Mr. charlie who asked Ms. sun to send you a life-saving elixir, which proves that he As a grandson, even if he complains about you in his heart, he still cares about you. Complaints belong to complaints, but not hatred. In his eyes, you are still his relatives.” The old man exclaimed, “What you said is true

! ?! The elixir that nannie gave me was given by charlie?!”

Li Yalin said seriously, “Let me tell you, Uncle An, as long as this kind of really effective elixir appears, it must be Mr. charlie No matter who sent this elixir to you, it must have come from Mr. charlie.”

Hearing this, the old man became excited, “You are right...you are right! It seems that in charlie’s heart, there should still be a grandfather like me...”

The rest of the An family couldn’t help showing relieved smiles.

Only Asher had a strange expression.

Tablita on the side saw the clue, and asked curiously, “Brother, what’s the matter with you?”

The Amazing Son In Law Chapter 5928 -

Asher laughed twice, "I just figured it out, it was charlie who co-authored and kicked me out at the Huichun Pill auction." ..."

The old man smiled and said, "You deserve to be kicked out. charlie has already said that pills can only be taken on the spot and can't be taken away. You want to challenge his rules. Isn't it justified to drive you out?"

Asher said depressedly, "Dad, who am I challenging charlie's rules for?"

Homula on the side patted Asher on the shoulder and said with a smile, "Okay brother, although you were kicked out of the auction by charlie, our family still has to thank you for being kicked out. If it weren't for you, I'm afraid our An family won't come into charlie's sight so early, it's a good thing, the whole family is in your favor!" Asher sighed, and said sincerely, "Hey, it doesn't matter if you are kicked out by the eldest nephew

. , I just didn't expect that my nephew is so capable and our savior, so I feel a little embarrassed when I think about my words and deeds at the auction." At this time, the roar of a helicopter came from outside the villa

.

The old lady suddenly became excited, and asked Li Yalin, "Is charlie here?"
Li Yalin

hurriedly said, "Auntie, Mr. Don just said that for our safety, martial law will be imposed here tonight, and he specifically told us not to go out casually tonight. Maybe it's patrol or something, you don't need to worry about it, just rest well tonight, maybe Mr. charlie will come to see you tomorrow." When everyone

heard this, they didn't have any doubts, after all, the helicopters took off and landed frequently tonight, it's already a little bit Get used to it.

At this moment, after about ten minutes of flying, charlie Wade and Lin Wan'er (Alani) had arrived directly above charlie Wade's half-mountain villa.

Holding the joystick in her hand, Lin Wan'er (Alani) deftly landed the helicopter in the courtyard of the villa. As soon as the helicopter came to a complete stop, she jumped off and ran to the other side to help charlie Wade, who was handicapped.

charlie Wade walked into the villa with her support, and took Lin Wan'er (Alani) directly to the basement of the villa.

In the airtight basement, charlie Wade checked the mobile phone he left here, and he was relieved when he found that no one was looking for him.

The time to do it tonight is in the middle of the night. Under normal circumstances, no one would look for me during this time.

What's more, before he left home, he also paved the way for Claire, who was far away in the United States, as well as the mother-in-law and old man at home, saying that the client asked him to go to another place to see Feng Shui temporarily, so that if something happened, he couldn't go back at night, Jacob and Elaine will not be suspicious.

What charlie Wade was most worried about was whether Elaine would sneak into his and Claire's room again to find valuables. If he found the letter he left for Claire, wouldn't it be a blast?

But now they are not looking for themselves, which proves that Elaine has indeed settled down a lot recently.

Afterwards, charlie Wade put down his mobile phone, and took out a remodeling pill and two Peiyuan pills from the box where he stored the pills.

He is still seriously injured, and the Rejuvenation Pill is not very effective for him. The best and fastest way to recover is to take the Reshaping Pill.

And the spiritual energy in his body has also been exhausted, and only the Peiyuan Pill can quickly replenish it.

Therefore, these three elixirs can basically restore his body to its original state.

However, he was not in a hurry to take the medicine immediately. Instead, he took out an enhanced version of the blood-scattering and heart-saving pill from his own pill, handed it to Lin Wan'er (Alani), and said, "Miss Lin, you keep this pill. If you are in danger or seriously injured, this pill can save your life;"

Lin Wan'er (Alani) hurriedly took a step back, waved her hand and said, "Master, I can't accept this great gift..."

charlie Wade asked her, "Didn't you just accept it when you were in the dormitory?" Is it?"

Lin Wan'er (Alani) subconsciously said, "That's different..."

charlie Wade asked back, "Why is it different? You can accept it when you call it Brother charlie Wade, but you can't accept it when you call it Young Master Charlie?"

The Amazing Son In Law Chapter 5929 -

Lin Waner said awkwardly, "Nujia...Nujia That's not what I mean... I just think that this elixir is too expensive... The reason why I accepted the remaining elixirs before was because I was afraid that if the young master was in danger one day, the elixir that I kept could still be used as a gift. Prepare for emergencies, now that the young master is safe and sound, it is not appropriate for the slave family to accept the medicinal pills from the young master..."

charlie Wade said without a doubt, "Then you'd better adjust the way you look at the problem as soon as possible, and tell me in your heart There's nothing wrong with that."

With that said, charlie Wade stuffed the pill directly into her hand, and then without waiting for her reaction, took out another Rejuvenation Pill, stuffed it into her hand again, and said, "This is the Rejuvenation Pill, for ordinary people If you eat it, it can cure all kinds of diseases. If people who are not sick eat it, they can prolong their life by 20 years. Its effect is stronger than Sanxue Jiuxin Pill. If you take it, although it does not have the effect of prolonging life, all injuries can be cured by medicine. If the Blood Scattering Heart Pill doesn't work anymore, just take it!"

Lin Wan'er (Alani) looked at the two pills in her hand, she didn't know what to do for a while, and said a little helplessly, "My lord... this... this is too precious..."

charlie Wade ignored her, and stuffed another reshaping pill into her hand, and said, "This pill is even more powerful. It is a remodeling pill. Even if a person's body is beaten into mud, as long as the brain is still alive If he is not dead, this elixir can reshape his body, I hope you will never need it, but you still have to accept it, because it is my heart." Lin Wan'er (Alani) did not expect that

charlie Wade even gave himself such a heaven-defying pill, and he didn't know what to do for a while.

At this moment,charlie Wade took out another Peiyuan Pill, hesitated for a moment, then stuffed it into her hand, and said very seriously, "This is Peiyuan Pill, which replenishes spiritual energy. I guess you don't need it, but to show my life-saving grace to you I'm so grateful, you'd better accept it together!"

Lin Wan'er (Alani) couldn't laugh or cry, "Young Master...you said that the servant's house is no longer available, so returning it to the slave's house would be a waste of time..."

charlie Wade said solemnly, "No! Don't waste it! You want I know, you saved my life, this is my whole heart!"

After a pause, charlie Wade said again, "You have lived for three or four hundred years, and you have eaten and seen everything, and you must not lack money and things. The only thing I can give you as a token of my affection is this elixir;" "

I accepted the ring you gave me when I was in Northern Europe, so today I give you these four elixirs, you must have them all." Take it, you can't refuse anything!"

Lin Wan'er (Alani) saw charlie Wade's sincerity, and when charlie Wade gave her the pill, she subconsciously held her hand, she couldn't help but feel a little moved despite being shy.

So, she subconsciously said, "The slave family will keep these medicines first, and keep them in case the young master will..."

When she said this, she suddenly felt that something was wrong, and quickly shook her head and said, "No, no, the slave family said something wrong. Don't mind, son."

charlie Wade suddenly realized, and quickly said, "No, no, I don't mind, but you reminded me."

Then, he turned around and took a copy of each of the four pills , put it into Lin Waner's other hand, and the two of them clasped tightly. Like a drunken man telling his good brother, charlie Wade told Lin Waner solemnly and earnestly,

“You take this one too, just take it.” Assuming that I temporarily stored it with you, after all, I still don’t know how to make your ring recognize me as the master. Before it recognizes me as the master, in case I have bad luck and encounter danger one day, maybe I was sent by this ring to bother you, these pills are with you, and I can prepare myself for a rainy day...”

When Lin Wan’er (Alani) thought of the process when charlie Wade was sent to the hot spring pool by the ring, her pretty face turned red to the back of her ears. Although she felt ashamed, she also knew that charlie Wade’s concerns were not groundless. If he is given a ring, once he is in danger again, he will definitely be sent to him by the ring.

Thinking of this, she nodded vigorously, and said, “Young master, don’t worry, I will definitely keep these pills well!” As she spoke,

she quickly said to charlie Wade, “Since you have so many panacea, you should take the medicine to heal your wounds first.” charlie Wade said , “

It’s too late to take the medicine here. During the ten minutes of the reshaping pill’s release, I might not be able to do anything. Uncle Nakul’s life and death are uncertain now. If we don’t find her quickly, I really can’t do anything.” Don’t worry.”

As he spoke, charlie Wade said, “In this way, I will take the elixir with me, and Miss Lin will help me get on the helicopter when I get tired. After I get on the helicopter, I will take the medicine. place, I should be able to recover almost.”

Lin Wan’er (Alani) said without thinking, “Okay, I will help you out!”
