

The Amazing Son In Law Chapter 5996 -

Twenty years later, it was the first time I ate with my grandpa and grandma's family, but I hadn't eaten yet, and charlie felt that his brain was not enough.

He did not tell his grandparents and Li Yalin that he had obtained the "Nine Profound Heavenly Scriptures". So far, he has only told Lin Wan'er about it. This is not only because Lin Wan'er also shared with him that she has lived for nearly four hundred years. More importantly, he felt deep down in his heart that he and Lin Wan'er (Alani) were extremely similar to a certain extent, and it could even be said that there was a bit of sympathy for each other, and it would not be an exaggeration to say that they were confidants.

At this moment, charlie only wanted to see Lin Wan'er (Alani) as soon as possible.

Because, subconsciously, he felt that he could only tell Lin Wan'er (Alani) about the ascending dragon's fate, "Preface to the Nine Mysterious Scriptures" and "Nine Mysterious Heavenly Scriptures". .

Even if Lin Wan'er (Alani) didn't know the secret, charlie felt that she was an excellent person to confide in, and he could tell her about the doubts in his heart.

Although charlie never showed it, ever since he shared the deepest secret of his heart with Lin Wan'er (Alani) in her other courtyard, he felt an unprecedented sense of relaxation in his heart.

Although he and Lin Wan'er (Alani) have only met each other a few times, they already regard each other as the most trustworthy person.

At this time, the old man An Qishan also seemed to see that charlie was a bit unspeakable, so he hurriedly changed the topic and said, "charlie, I just introduced you to your uncle, Let me introduce you to your remaining two uncles and aunts."

Then, he pointed to Homula and said, "charlie, this is your second uncle, Homula. Your second uncle is in charge."

charlie looked at Homula, smiled and said, "Second uncle is good."

Homula stepped forward and hugged charlie, and said, "charlie, from now on, the An family will be your own home. If you need money and people from the An family, just ask!"

charlie nodded slightly, and then the old man introduced Olin again, saying, "charlie, this is your third uncle, Olin."

charlie looked at the third uncle, and said, "Hello, third uncle."

Olin also stepped forward Hugging charlie gently, he couldn't help sighing, "charlie, the third uncle was always grateful to you in New York. If it wasn't for you, the third uncle would have gone blind and killed all An's family..." charlie

patted On the outside of his upper arm, he said seriously, "Third Uncle, don't worry about it. You are the biggest victim of this."

Hearing this, Olin couldn't help but let out a long sigh.

My wife, who has been sleeping with me for more than ten years, has always been the killer move of the enemy hiding beside me, and even almost killed me, my parents, brothers and sisters, so the person who was most hurt by this incident must be Olin himself.

In Anqi Mountain, Olin looked lonely, so he comforted him, "Olin, charlie is right, you are the biggest victim of Liqin's incident, so don't always blame yourself in your heart.

" Nan nodded slightly, and said in a low voice, "I know, Dad..."

An Qishan didn't say any more, and introduced charlie's aunt instead, "charlie, this is your aunt Tablita, the last time you When I went to America with your mother to visit relatives, she was still a half-grown girl, and she was the one your mother loved the most."

charlie said politely, "Hello, auntie."

Tablitau's eyes were red, and she came forward to hug charlie while crying. He stopped, choked up and said, "Auntie has been looking forward to it for so many years, and finally our charlie has come back. Our charlie has grown up and has great abilities. Your parents will be very proud..."

” Tablitau is in

Anjia The youngest, naturally the most favored.

Her own sister brought her up since she was a child, she can be regarded as a half mother, and needless to say, the three elder brothers doted on her in various ways.

Although the old couple valued and loved the eldest Lydia (Ava) (Charlie’s mom) the most in their hearts, Lydia (Ava) (Charlie’s mom) was independent early on and had a strong personality, so that her parents respected her as an adult in all aspects and even listened to her opinions. He suggested that, in this way, it would be inconvenient to pamper her, so the old couple concentrated the pampering of their two daughters on Tablitau.

However, Tablitau didn’t take pride in being favored. Instead, she was the most caring little daughter and younger sister in this family. She was deeply influenced by her sister since she was a child, and she was the closest to her sister in her heart. Even though her sister had passed away for twenty years, And she is already older than her sister when she was alive, but when she thinks of Lydia (Ava) (Charlie’s mom), it will still arouse the image of that little girl in her heart.

So much so that when she saw charlie now, she unconsciously recalled all the things that she was doted on by her sister back then, and her heart suddenly became very sad.

An Qishan looked at Li Yalin again at this moment, and said angrily, “charlie, I won’t introduce you to that bastard Yalin. He knew your current identity earlier than us.”

How much did Li Yalin know about An Qishan ? Some complained that they hadn’t confessed charlie’s identity, so they said helplessly, “Uncle An, Mr. Wade is my savior. Without him, I would either be buried in the ground or still frozen in a liquid nitrogen tank. Mr.wade clearly asked me not to reveal his identity, you said I can’t go back and forth with my savior, right?”

An Qishan gave him a blank look, and said, “I don’t really blame you, boy, I know you did the right thing, but I’m just a little Unhappy, you still won’t allow me to be unhappy?”

“Yes, yes...” Li Yalin nodded again and again, and said, “Uncle An, actually I didn’t say anything. What do you mean, there is a great possibility of finding charlie in Aurous Hill, and I also analyzed the orphanage for you, the suspicion is very high...” “

Yes...” An Qishan said angrily, “You are for us I have analyzed it, but you analyzed it too late, if you say it half an hour later, charlie himself will come in!” Li Yalin smiled in

embarrassment, scratched his head and said, “Oh, I didn’t expect this... ..”

An Qishan waved his hand, “Okay, I won’t talk to you about it anymore, you know your uncle doesn’t blame you.” After finishing speaking, he cleared his throat

immediately before Li Yalin could speak, and said loudly, “ Since charlie is back, and everyone in the An family is here today, I will announce a decision in front of everyone.”

Upon hearing this, everyone looked at the old man, waiting for his next words.

An Qishan said, “From today onwards, 60% of Anjia’s assets in various fields will be divested and given to charlie.” After

speaking, An Qishan said again, “Don’t express your opinions, let me say what I say. There are three reasons for the decision. First, at least half of An’s current assets are earned by charlie’s mother; second, charlie has been away from home for so many years, and our An family owes him; third, charlie has saved An’s family twice, and is kind to An’s family. What do you mean?”

charlie’s three uncles and aunts said in unison, “Dad, we have no objection!”

charlie said at this time, “Grandpa, An’s family The property belongs to An’s family, not mine, and I can’t accept it.”

An Qishan waved his hand and said, “charlie, grandpa is not being polite to you. Money is not important to An’s family. Even if it is 60 for you, the rest You can’t spend a few lifetimes, it’s just a number, but you have to fight against the Poqing Society now, and you need to improve your strength in all aspects. What’s more, this Poqing Society is not your enemy alone, it is our family’s

common enemy. Enemy, the An family's money is in your hands, and it can exert the greatest effect."

charlie said with a smile, "Grandpa, I have accepted your wish, but I really don't lack money. Money isn't much use."

After all, charlie took out two rejuvenation pills from his pocket, and said calmly, "Look at these two rejuvenation pills, the price of one can be sold for one to two hundred billion, or even two to three hundred billion, and they are still in US dollars. If I am short of money, I can find a few rich people to trade in private, and I can quickly collect a large amount of wealth."

Asher looked at Huichun Pill, and said with some embarrassment, "Oh, this is what I asked for more than three thousand at the beginning. The Rejuvenation Pill that I didn't even buy for a billion dollars..."

charlie smiled and said, "Exactly."

After that, he handed the two pills to his grandpa and grandma, and said, "Grandpa and grandma, these two pills are Please accept a little kindness from your grandson, you are getting old and have many diseases in your body, if you take it, you can prolong your life by at least twenty years." charlie's grandparents all subconsciously moved

backwards ,

Grandma said repeatedly, "charlie, this thing is very expensive. You can exchange a huge amount of money for the two of us. It's too wasteful." I have already asked my nannie to give my grandfather a pill once, which saved my grandfather's life. How could my grandfather still want your pill? What's more, since my grandfather came to Aurous Hill, his health has obviously improved a lot. Even Arz Haimer's disease has been greatly relieved, and your grandma is also in good health, this time Chundan must not be wasted on the two of us." charlie smiled slightly and said, "You said that after coming to Aurous Hill, the body has improved

. It has improved a lot, and it was improved during the few days I lived in Wanliu Villa, right?"

"Yes." An Qishan nodded and said, "It was only after living in Wanliu Villa that my body improved obviously, not just me, you Grandma has also improved significantly, and so have your uncles, it is said that your grandma asked a

Hong Tianshi to show the villa Fengshui, I didn't believe this before, but this time I was really convinced." charlie said

indifferently "Wanliu Villa can significantly improve the health of you, grandma, and other people. Actually, it has nothing to do with Fengshui. Fengshui can change a person's fortune and aura in the body, but there is no such immediate effect." An

Qishan Surprised, "What's going on?"

charlie shrugged his shoulders and said with a smile, "When Hong Tianshi went there to see Fengshui, I also went there. Knowing that you are not in good health and grandma is getting old, I left a formation and a rejuvenation pill there. , the basic logic is that the formation controls the medicinal power of the Rejuvenation Pill, allowing it to be slowly released in the villa, and then absorbed by the people in the villa." The An family was stunned, and the old man exclaimed, "

charlie...you...you A rejuvenation pill worth 300 billion U.S. dollars was left in that house?!"
