

The Amazing Son In Law Chapter 6010 -

charlie doesn't do much research on fate.

The "Nine Profound Heavenly Scriptures" contains a lot of miscellaneous knowledge, but the only thing missing is the explanation of fate.

He used to think that things like fate might be like the caste system in India. High fate means high caste. A person of a high caste just has a high social status, but he is not inherently powerful.

But from what Lin Wan'er said, fate seems to be far more than that simple. He recalled that Lin Wan'er said that Shenglongge was not born, and he was even more puzzled. If this top-level fate was not born, how can it be achieved the day after tomorrow? charlie only felt that he was at a loss and couldn't figure out any clues at all.

At this time, Lin Wan'er smiled and said, "Don't worry too much, my master. I am still comprehending the Book of Changes. Maybe when I have another breakthrough, I will be able to figure out what is going on with Shenglongge.

"

After thinking up to this point, charlie felt a little relieved.

This kind of thing can't be figured out all at once, so I don't have to rush it.

So, he temporarily put the question of Shenglongge on hold, and said to Lin Wan'er, "Miss Lin, I don't have any other questions. Last time I promised those three old gentlemen that I would give them a chance, so please ask Miss Lin to call them over." Qiu Yingshan(Curtis), Sun Zhidong (Meir) from Eastcliff, and Lao Zhang, who had followed Lin Waner (Alani) all his life, helped each other up the stone steps and came to Lin Waner (Alani)

's

courtyard

.

The three came to the door out of breath, and Lao Zhang said alone, "Miss, we are all here."

Lin Wan'er said loudly, "Come in."

The three responded quickly, pushed the door open and walked in.

After the three of them entered the door, they saw Charlie sitting opposite Lin Wan'er, making tea around the stove, so they stepped forward one after another, and said respectfully, "Miss, Mr. Wade..." Lin Wan'er nodded, and said with a smile, "Mr. Wade promised to give you a chance, and today I came here to fulfill the promise. Why don't you hurry up and thank you!" When the three of them heard this, they looked at each other excitedly, and then immediately knelt down on the

ground

The three of them said in unison, "I would like to thank Mr. Wade for your kindness!" Charlie had no choice but to say, "Please hurry up, three old gentlemen." Lin Wan'er

Like a parent, he said in a stern tone, "Don't get up before the son blesses you!"

The three of them knelt motionless after hearing this.

It was the first time for Charlie to see Lin Wan'er's majestic side. Such a delicate and well-behaved little girl gave orders to the three old men kneeling on the ground with her face, which subverted her perception.

Seeing this, Charlie didn't want to delay any longer, thinking about giving the elixir quickly and telling them to get up quickly.

So, he took out three elixirs and said, "This is the Rejuvenation Pill. Taking it can cure all diseases, prolong life, and prolong life by 20 years. The three of you take it quickly, so you can spend more time with Miss Lin in the future." Lin Wan'er's heart suddenly twitched when she heard Charlie's last words

.

Lin Wan'er knew better than anyone the value of a pill of this level of Rejuvenation Pill. Her three adopted sons were not friends with charlie, let alone benevolent, but charlie was willing to give them three Rejuvenation Pills. This was beyond Lin Waner (Alani)'s psychological expectations.

And after she heard charlie finish speaking, she realized that the reason why charlie was so generous to them was probably for her, so that she would not be so lonely in the future.

And the three old people were also very pleasantly surprised at this time. Not only were they surprised that they were about to extend their life by 20 years, but they also saw charlie's special concern for Lin Wan'er.

From their point of view, in this world, there will be no second person and Lin Waner (Alani) who are a match made in heaven, so when they saw charlie caring so much for Lin Waner (Alani), they seemed to have seen the scene of Lin Waner (Alani) wearing a wedding dress and marrying charlie.

At this time, Lin Wan'er was grateful in her heart, but said to the three of them with some reproach, "What are you all doing blankly? Why don't you thank Mr. Wade for your blessing?!" The three people who were so excited came back to their senses in an instant, and said loudly, "Thank you Mr. Wade for your blessing!"
