

The Amazing Son In Law Chapter 6012 -

charlie looked at the three gray-haired octogenarians in front of him, and couldn't help but look at Lin Wan'er (Alani), who seemed to be still childish beside him, feeling confused for a moment.

The three old men are really old, and it can be seen from limited contact that these three are very experienced and wise old men.

However, in front of Lin Wan'er (Alani), the three of them were like children being taught by their parents, obedient to every instruction she gave.

And although Lin Wan'er (Alani) looked like a child herself, her attitude towards these three old men was still as strict as that of a child, which made him feel particularly out of harmony.

However, he quickly put this disobedience behind him, and politely said to the three of them, "Please get up, you three.

"

Lin Wan'er (Alani) didn't seem to feel sorry for the three old men kneeling on the ground at all, she nodded unhurriedly, and then said, "Since Mr. Wade said it, let's all get up." The three of them supported each other to stand up. charlie wanted to help, but Lin Wan'er (Alani) beside him said, "Young master, they can do it themselves." charlie nodded awkwardly, and didn't extend his hand

again

.

After the three got up, charlie hurriedly said, "The three old gentlemen should take the Rejuvenation Pill as soon as possible. After taking it, your health will be greatly improved." The three still didn't speak, and looked at

Lin Wan'er (Alani) together again.

Lin Wan'er (Alani) nodded slightly, and said, "Master Wade told you to take it, so you can take it."

Then, she took out three Jianzhan from under the tea table, and said to the three of them, "Master Wade gave you the Rejuvenation Pill, and I will give you a cup of tea."

After saying that, she poured three cups of golden-red tea soup for the three of them from the tea pot, and said, "This tea is made from the tea cakes of the mother of Pucha. Since you were children, I have never been stingy with whatever you want, but this tea, I am really reluctant to give up. Today's lunch is just for the three of you." Hearing this, the three were shocked and speechless

.

No one expected that the tea cakes from the mother of Pucha were boiled in Lin Wan'er (Alani)'s pot.

They grew up beside Lin Wan'er (Alani) since they were young, and they knew that Lin Wan'er (Alani) loved drinking tea, and they also knew that Lin Wan'er (Alani)'s most important treasure was not priceless antiques, nor inexhaustible wealth, but the mother of Pucha, which was lost every sip.

For Lin Wan'er (Alani), this tea cake is of extraordinary significance, which cannot be replaced by anything else in this world.

Therefore, she has never shared the mother of pucha with anyone, charlie is the only exception.

Lin Wan'er (Alani) nodded, "You will advance and retreat together for the rest of your life, you really can't just care about yourself."

After finishing speaking, she handed the tea knife to Qiu Yingshan(Curtis).

Qiu Yingshan(Curtis) took the tea knife, thanked him quickly, and wanted to separate the elixir on the spot.

charlie said at this moment, "Old Mr. Qiu, don't bother."

Qiu Yingshan(Curtis) was slightly startled, and subconsciously looked at charlie.

The Amazing Son In Law Chapter 6013 -

charlie had already taken out another Rejuvenation Pill at this time, handed it to Qiu Yingshan(Curtis), and said, "I will give this one to your wife, please pass it on for me." When he said this, not only Qiu Yingshan(Curtis) was dumbfounded, but even Lin Wan'er (Alani) was stunned

.

She never expected that charlie would be able to take out another priceless Rejuvenation Pill and give it to Qiu Yingshan(Curtis)'s wife whom she had never met before.

charlie came to Zijin Villa several times, Qiu Yingshan(Curtis)'s wife took the initiative to avoid suspicion with others, and had never met charlie.

And this is also the first time charlie gave the Rejuvenation Pill to a stranger he had never met.

The reason why he did this was entirely because he was grateful to Lin Wan'er (Alani) for saving his life.

The three old men in front of him are all orphans brought up by Lin Waner. As for Qiu Yingshan(Curtis)'s wife, she should be someone Lin Waner trusts more. charlie always feels that Lin Waner gave him a magic ring and saved his life. This kindness is so great that he doesn't even know how to repay it. Therefore, he is a little more generous to the people around Lin Waner.

From charlie's point of view, the kindness of dripping water is reciprocated by the spring. Judging from Lin Wan'er (Alani)'s kindness for saving his life, let alone a few rejuvenation pills, it doesn't matter if he makes a batch of rejuvenation pills for them.

At this time, Qiu Yingshan(Curtis), although shocked and excited, did not dare to take the pill without authorization, so he could only look at Lin Wan'er (Alani), waiting for her approval.

Although Qiu Yingshan(Curtis) didn't know why charlie was so nice to the three of them, and even his own wife, he knew in his heart that all of this was definitely not because of them, it must be because of them.It's because of my own lady.

In other words, the reason why charlie is so generous is because of his own lady's face.

And they were brought up by Lin Wan'er (Alani), and they were extremely grateful to Lin Wan'er (Alani), so how dare they waste Lin Wan'er (Alani)'s face at this moment to benefit themselves.

Therefore, whether this Rejuvenation Pill can be accepted depends on the permission of my young lady.

Lin Wan'er (Alani) took a deep look at charlie, and was inevitably moved in her heart. She immediately said to Qiu Yingshan(Curtis), "Young Master Wade is so kind, so don't hesitate to shirk it. Kneel on your wife's behalf to thank Young Master Wade for his blessing!" Let's go!" Qiu Yingshan(Curtis) got up slowly, looked at the two old men beside him, and the three of them put a Rejuvenation Pill into their mouths at the

same time

. The magic of the Rejuvenation Pill was once again vividly reflected. The bodies of these three people are undergoing drastic changes going back in time at an extremely fast speed. Lin Wan'er (Alani) watched the three of them gradually change from old to much younger, and her eyes could not help but filled with tears. As she said, after the end of World War II, it became more and more difficult for her to avoid the chasing and killing of Po Qing, so she did not continue to adopt orphans. Speaking of which, Qiu Yingshan(Curtis) and the others should be the only few fruits left among the orphans she adopted. If the three of them die, Lin Wan'er (Alani) will enter a true state of loneliness, and this may be a loneliness that lasts for a hundred years and cannot be reversed until death. Therefore, although she has always been very calm towards the three of them, she already has a sense of dependence in her heart. If these three people can live for another twenty years, it means that their loneliness will be reduced by twenty years...
