

The Amazing Son In Law Chapter 6053 -

After Sara, who didn't notice anything unusual, left, charlie and Lin Wan'er finally breathed a sigh of relief.

Everyone who stayed up all night was already tired, and everyone was so sleepy that they couldn't keep their eyes open.

Several people rushed back to the tent to rest one after another, and Arlo Hu couldn't stand it any longer, and said to charlie and Lin Wan'er, "It's been a long time since I stayed up all night, my body really can't take it, you two must be tired, why don't you go back to the tent first Rest and catch up on sleep, let's go to Erdaogou fifteen kilometers away in the afternoon, do you want to go together?"

charlie shook his head, "We won't go, and plan to drive around."

Hallie was curious Asked "Where are you two going?"

charlie said casually, "We plan to go to Lijiang to have fun and stay for a few days."

In fact, the next stop planned by charlie and Lin Waner is the southwestern border of southern Yunnan. So if it is Lijiang, it is mainly to avoid risks.

Arlo Hu nodded, and said with a smile, "We've been to Lijiang, it's pretty good, you can go and have fun for a few days." After talking,

Arlo Hu thought of something, and quickly asked, "You two are going to leave now, right?"

charlie said, "That's right, let's go now."

"This..." Arlo Hu quickly said, "It's not safe to drive without sleeping all night. You should rest first and recharge your batteries It's not too late to leave when you're sharp enough."

"No." charlie said with a smile, "The upcoming schedule is relatively tight, so I won't rest here, and it's not too late to take a good rest when I get to Lijiang, after all, it's not too far away. The distance."

Arlo Hu nodded and said, "That's right, it's just over an hour's drive in total, and when we arrive, we can open the hotel and have a good rest."

Seeing that charlie and Lin Wan'er were really going to leave, Hallie said regretfully, "I thought I could spend a few more days with you, but I didn't expect you to leave so soon. I don't know if there will be a chance to see you again in the future."

For Hallie, she doesn't know when her life will come to an end in the future, but she knows that this day will definitely not too long.

Therefore, facing this kind of new friend who can be chatted with, she is still a little bit reluctant. She always feels that life is short, and I am afraid that this parting will be forever.

Arlo Hu knew what she was thinking, gently hugged her waist, and comforted her with a smile, "Stop thinking about it, God will take care of us."

Lin Wan'er looked sideways at charlie, she pursed her lips slightly, just looking at charlie Did not speak.

Although Lin Wan'er didn't speak, charlie also knew what she meant when she looked at him.

Seeing that other people didn't go back to the tent to rest, charlie said, "Old Hu, why don't you and Hallie send us off?" Arlo Hu was slightly taken aback, and then readily agreed, saying, "Okay,

we will see you off." You."

As he spoke, Arlo Hu asked again, "By the way, do you need me to pack the tent for you?" "

No." charlie waved his hand, "We won't take the tent with us, let's leave it for those who need it."

Lin Wan'er hesitated for a moment , plucked up the courage to ask charlie, "Honey, can I bring the tent? I'm afraid it will be useful in the future."

Hearing what she said, charlie said straightforwardly, "Okay, I'll take it and bring it."

Arlo Hu also hurriedly Said, "I'll help you."

The two put away the tent together, and Arlo Hu couldn't help teasing charlie, "This tent was set up for nothing yesterday, and I didn't use it to sleep for a while." "Yes."

charlie said with a smile, "I didn't expect everyone to play So high, I haven't slept all night."

Arlo Hu helped charlie pick up the floor mat and sleeping bag, and said, "I'll take these for you."

charlie didn't show politeness to him either, and the four of them walked towards the direction of the mountain together.

Walking down Guibei Mountain, there was no one else on the short mountain road except four people, so charlie spoke to Arlo Hu. This

and Hallie said, "By the way, Arlo Hu, Hallie, yesterday you were talking about Jiuxuan Pharmaceutical, and there was something that I couldn't say in front of everyone because it was more sensitive."

Arlo Hu Curiously asked, "What's so mysterious?"

charlie explained, "I have something to do with the Jiuxuan Pharmaceutical you mentioned. I know the person in charge very well. If you want to win the opportunity to experiment with Jiuxuan Rezao Pill , I can push it for you."

Both Arlo Hu and Hallie were extremely surprised, and Arlo Hu blurted out, "Kaiden(Charlie), are you kidding me? Do you really know the person in charge of Jiuxuan Pharmaceutical?!" charlie said seriously,

" How can I joke with you about life-threatening matters."

Arlo Hu quickly asked, "Which business person do you know?"

charlie said, "I know the person in charge of the entire Jiuxuan Pharmaceutical, called Liam. Liang, he is also fully responsible for the clinical trials of Jiuxuan Zaizao Pills, and with my friendship with him, it should be no problem to win two places for you." ☑

. His face was incredible.

Liam's name, they are naturally like thunder.

No one knows who the real boss of Jiuxuan Pharmaceutical is, but almost everyone who knows Jiuxuan Pharmaceutical has heard of Liam's name.

Everyone knows that Liam is the CEO of Jiuxuan Pharmaceutical, and he decides all the big and small matters of Jiuxuan Pharmaceutical, and he personally checks the test quota of Jiuxuan Zaizao Pill this time.

It is said that this person is selfless and selfless. Many people knelt and begged him for a quota with a huge amount of cash, but he was still unmoved, and could still follow the fair algorithm that charlie told him to advance through the points system review work.

Ordinary people want to see him is even more idiotic. Liam currently does not go out to meet anyone except dealers and suppliers. Most people just want to see him, and there is no chance at all, let alone ask him for help.

Therefore, Arlo Hul couldn't believe that charlie had a personal relationship with Liam.

He couldn't hide his excitement and subconsciously asked, "Kaiden(Charlie)... are you kidding me? Do you really know Mr. Liam?" "

Yes." charlie nodded and said, "You two are in special situations. Are you joking with such an important matter?"

Arlo Hu quickly waved his hands and said, "No, Kaiden(Charlie), I didn't mean that, I was just a little too shocked..."

charlie smiled and said, "It's okay to be shocked, don't delay the serious business That's fine, if you believe me, I suggest you use your mobile phone to look at the air ticket from Dali to Aurous Hill now. When you arrive in Aurous Hill, go to the gate of Jiuxuan Pharmaceutical Factory. After a while, you can write down my mobile phone number. When you arrive Just call me, and I will arrange the rest, you don't have to worry."

Arlo Hu and Hallie glanced at each other, and everyone could see the disbelief in each other's eyes. .

But Arlo Hu still decided to trust charlie, so he blurted out, "Okay! Let's look at the air ticket now! Kaiden(Charlie), no matter whether this matter is

successful or not, we thank you from the bottom of our hearts!” charlie smiled slightly and said, “

No It’s so polite, when you really get the quota, it’s not too late to thank me.”

He said, “Okay, you don’t have to send us off anymore, let’s go first, if you need to say goodbye to everyone, you can go back , and pack your things by the way.”

Arlo Hu nodded heavily, and said, “Let’s go back and say goodbye to everyone.”

charlie warned, “Don’t say what you are going to do, after all, this is also a back door, and it is not appropriate to make public.”

” Good!” Arlo Hu said without hesitation, “Don’t worry, we won’t tell anyone!”

charlie thought of something, and said with a smile, “By the way, if you can find that James Smith after you arrive in Aurous Hill, let him take him with him.” Go to his son, let’s go to Jiuxuan Pharmaceutical with you, Liam will make proper arrangements then!”
