

The Amazing Son In Law Chapter 6115 -

The nun's words shocked both charlie and Lin Wan'er (Alani).

Neither of them expected that they would be targeted in front of a nunnery in Shiwanda Mountain without exposing themselves to Sara.

So, without waiting for Lin Wan'er (Alani) to speak, charlie asked the nun with a vigilant look, "Who are you? Pretending to be a nun, washing clothes here just to wait for us to show up?!" The nun clasped her hands together and bowed slightly to charlie

, He

said , "Donor, the poor nun is not pretending. The poor nun is a bhikshuni in Qingzhao nunnery. She became a monk and practiced in Qingzhao nunnery. It's just that the abbot knew that the two of them would pass by here today, so he specially asked the poor nun to wait here." After that, she looked at Lin Wan'er (Alani) again and said seriously, "Donor, my abbot said that you have a deep connection with Buddhism and would like to invite you to the nunnery for a while. It won't take you too long." Lin Wan'er (Alani) pondered for a moment, nodded slightly and

said "Okay, then Master Luo will lead the way."

charlie always felt that this matter was a bit weird and unsafe, so he said, "Then I will go too."

. Pointing to the road up the mountain behind him, he said, "This benefactor, from here all the way to the top of the mountain is the area of Qingzhao Temple. Qingzhao Temple is the place where novices and bhikkhunis practice Buddhism. No men are allowed to enter. I hope the donor will understand."

charlie said coldly, "What a joke, if you don't let me in, how can I ensure the safety of my friend?"

The nun said respectfully, "Monks are compassionate and will not do anything to harm others. , please don't worry, the donor."

charlie was about to refuse, Lin Wan'er (Alani) on the side pulled his arm and said softly, "Honey, wait for me here for a while, I will come as soon as I go."

charlie advised her, "Don't be so impulsive, be careful It's a scam!"

Lin Wan'er (Alani) smiled slightly and said softly, "It's okay, as long as you are here, no one dares to do anything to me, so just rest assured and wait for me here."

 Lin Wan'er (Alani) didn't know at this time the origin of the abbot who was waiting to meet her in the nunnery.

However, her instinct told her that there would be no danger here.

She knew very well that the only people in this world who wanted to catch her were Sara and her Po Qinghui. And when she came to southern Yunnan with charlie this time, Sara didn't notice anything. From this, it can be inferred that Qingzhao'an Middle School The person who sees him must not be Sara's person.

Since he is not Sara's person, the probability that the other party is malicious is much smaller.

What's more, charlie is waiting for him at the foot of the mountain. If the other party really knows the details between him and charlie, he will definitely not be able to attack him under charlie's nose.

What interests her the most is that she can't wait to find out the identity of the other party. Since the other party knows her, he must have a certain understanding of her situation. What's even more frightening is that the other party can actually calculate the whereabouts of her and charlie. This is even more remarkable.

After all, she and charlie had only decided on this route an hour or two ago, and there was no way the other party could know it in advance. The only possibility was that the other party had calculated everything and was just waiting here.

Thinking of this, Lin Wan'er (Alani) became even more eager to know the origins of the person behind this.

Seeing that Lin Wan'er (Alani) had made up her mind, charlie guessed that she would also want to go up and find out.

If he forcibly followed her, the other party's abbot might give up showing up, and in that case, he would not be able to explore the real reason.

In desperation, charlie had no choice but to nod his head and said to Lin Wan'er (Alani), "I'm here watching this

The Amazing Son In Law Chapter 6116 -

You go up, and the timer starts from the moment you disappear from my sight. I will wait for you for twenty minutes. If you don't come out in twenty minutes, I will go up and look for you!

Seeing charlie relent, Lin Wan'er (Alani) nodded quickly and said, "Okay! " Just twenty minutes! Seeing this

, the little nun bowed her hands to charlie again and said respectfully, "Donor, please wait a moment."

After that, he said to Lin Wan'er (Alani) respectfully, "Donor, please come with me. " Lin

Wan'er nodded, gave charlie a reassuring smile, and whispered in his ear, "Young master, please wait here for a while. I'll go back to my house." "

charlie nodded slightly and watched her go up the mountain with the little nun.

charlie watched the two of them go further and further, and watched them step by step up to the top of the mountain. , watching the little nun respectfully open the door of the nunnery for Lin Wan'er (Alani), and watching Lin Wan'er (Alani) turn around and wave her hand from a distance before stepping in. At

this time, charlie felt a little uneasy in his heart.

He felt that even if the other party He was not a bad person, and the other party's accurate prediction of himself and Lin Wan'er (Alani) also made his back shiver. Ever since he got the Nine Mysterious Scriptures, he had never felt such an uneasy feeling. And

now At that time, Lin Wan'er (Alani) had already stepped into the gate of Qingzhao Temple.

Qingzhao Temple is not a big temple, it covers a small area, and there are not many bhikkhunis practicing. Counting the novice nuns under twenty years old, there are only a few There were only more than ten people.

Moreover, the incense in Qingzhao Nunnery was not very prosperous. Lin Wan'er (Alani) came in and never saw any pilgrims burning incense and worshipping Buddha here.

She followed the little nun through the front yard, and all the bhikkhunis saw her Every now and then, everyone bowed to her, which made Lin Wan'er (Alani) even more curious.

> The little nun led her through the front yard to the main hall at the back.

The main hall is not grand, but it can be seen everywhere that it has been carefully maintained. Although the Buddha statues are old, they are brightly colored and not stained by dust. It can be seen that they are often repaired and cleaned.

In the main hall, an old nun with gray hair was standing in front of the Buddha, carefully adding oil to the several ever-burning lamps in front of the Buddha statue.

The old nun looked to be in her seventies or eighties. She was already old, but her body was very strong. She was holding an oil jug weighing several kilograms, and the lamp oil poured out did not move at all. It was obvious that her hands were particularly steady.

The little nun brought Lin Wan'er (Alani) in and said respectfully, "Master, I have invited the benefactor

here." The old nun turned around, looked at Lin Wan'er (Alani), clasped her hands together, and said very respectfully, "A poor nun dares to harass the benefactor. Please don't take offense to the donor."

Lin Wan'er (Alani) also clasped her hands in return and said loudly, "Master, there is no need to be so polite. It's just that the little girl went hiking with her boyfriend in the mountains, and he is still waiting at the bottom of the mountain, so I ask Master to get straight to the point."

The old nun waved her hand to the little nun, who immediately turned around and left, closing the door of the main hall at the same time.

After she went out, the old nun suddenly sighed and said, "There are all kinds of dangers and obstacles on the road ahead... I would like to boldly ask Miss Lin to persuade Mr. Wade and not let him go any further!" "

Suddenly being called out by the other party, Lin Wan'er (Alani) was horrified, but she looked at the other party with a calm expression on her face, and said lightly, "Master, Mr. Wade is obsessed with the way forward, I am just a little person who has no power to tie a chicken. Woman, how can you persuade him?"

As she spoke, Lin Wan'er (Alani) looked at the old nun, changed the subject, and said seriously, "Unless the master can tell the little girl, what are the dangers ahead?"
