

The Amazing Son In Law Chapter 6133 -

In charlie's heart, opening Niwan Palace has become his top priority.

Not to mention what kind of savage beast was hiding in the Hundred Thousand Mountains, Sara alone already made him feel powerless.

Now, although Sara has temporarily retreated, it does not mean that he will not make a comeback in the future.

What's more, she is his sworn enemy. Even if she never comes to China again, he will seek revenge from her. Therefore, he must find an opportunity as soon as possible and open Niwan Palace.

So, he said to Lin Wan'er (Alani) beside him, "After I settle things in Aurous Hill, I will find an opportunity to go out and take a look."

Lin Wan'er (Alani) asked, "Do you have a general direction, sir?"

"I shook his head, "Since we are looking for opportunities, it stands to reason that we should be casual and go wherever we want." As he said

this, charlie couldn't help but sigh, "But the more this happens, the less I know where to start. After all, I have a family and a career." , Aurous Hill also has many tribesmen following it. It is impossible to just let go and disappear from the world. The only reasonable and feasible plan is to only go to one place at a time, then return to Aurous Hill and prepare for the next trip." Lin Wan'er (Alani) couldn't help but sigh

. "It's just that the master's destiny is too high, and the slave family can't do divination for the master. Everything can only be decided by the master himself."

charlie touched the bracelet in his hand, suddenly his eyes lit up, and he said, "I want to go to Eastcliff first. !"

Lin Wan'er (Alani) asked him, "Master, are you going to Eastcliff to look for opportunities?"

"Not really." charlie explained, "My parents took me to leave Eastcliff in a hurry, and I didn't have time to take many of my personal belongings with me. I want to go there." I'll sort out my parents' belongings in the Wade family's old

house and see where they've been. If there's anything I haven't been to, I'll go take a look."

As he spoke, charlie couldn't help but sigh, "I was confused when he suddenly mentioned looking for opportunities. But after I met my grandfather's family, I realized that my parents had long been involved in the "Nine Mysterious Heavenly Scriptures". If I could follow the The path my parents have walked, maybe their spirits in heaven can also give me some hints."

Lin Wan'er (Alani) nodded in agreement, "The young master's parents must have had some experiences back then.A very legendary experience. If you follow their footsteps, you will definitely gain something. "

charlie said, "Since my parents' accident, I haven't been back to the Wade family's old house for nearly twenty years. Later, although I went back to the Wade family during the Wade family's ancestor worship ceremony, the time was rushed that time, and the Wanlong Palace massacre... I have never had the opportunity to go to the old house to sort out my parents' belongings. At that time, I never thought about how my parents would be related to cultivation and the "Nine Mysterious Heavenly Scriptures". Now it seems that all this Maybe it all started with them. I'll go back and take a look, maybe I can gain something. "

The Wade family has been living in an old house near the imperial city decades ago.

It was a large courtyard house. Although it was hidden in a busy city, it also had a different kind of tranquility.

family, a family friend of the Wade family , , the old house is also not far from the imperial city. When charlie was young, the two families often communicated with each other because they lived close to each other. When

Lin Wan'er (Alani) heard this, she also felt that charlie's decision made sense. Now he didn't know where to go. The spirits of his parents in heaven may be able to guide him.

Thinking back to the old house where he lived in his childhood, charlie felt nostalgic in his heart. He couldn't help but said to Lin Wan'er (Alani) with some excitement, "I will inform the captain that after I send you to Aurous Hill, I will fly directly to Yanling." Beijing! Lin

Wan'er said quickly, "If you are anxious, Master, you can directly ask the captain to change the route and fly directly to Eastcliff." "

After that, she quickly added, "If the master feels that it is inconvenient for the slave family to go with the master, the slave family can arrive at Eastcliff and then return to Aurous Hill by themselves. The master has important business, so there is no need to go to Aurous Hill to delay. "

charlie asked her, "Is Miss Lin anxious to return to Aurous Hill? Lin

Wan'er shook her head and said, "The slave family is not in a hurry. The main thing that binds the slave family to Aurous Hill is the mother of Pucha. However, the slave family watered it before going out, and it rained in Aurous Hill yesterday, so I don't think it needs any extra care." "

charlie said without thinking, "Then this

Miss Lin, please accompany me to Eastcliff. Lin

Wan'er felt happy when she saw charlie inviting her to go with him, and she quickly said, "Everything in the slave family will obey the master's orders!" "

Ten minutes later, the plane that charlie and Lin Wan'er (Alani) were on received permission to change its route. The

plane shifted thirty degrees north in the air and flew towards Eastcliff.

charlie also used the satellite phone on the plane to call charlie Stephen Thompson, the housekeeper of the house, called.

The call was connected and Stephen Thompson's voice came, "Hello, who is this?"

charlie said, "Butler Stephen , it's me. " Stephen

said respectfully, "Master, I think this phone is the satellite phone on the Wade family's plane. Are you on the plane?" "

Yes.” charlie said, “I’m on my way to Eastcliff. I’ll land in about two hours. Could you please arrange a vehicle to pick me up at the airport?” ”

Stephen Thompson hurriedly said, “Okay, young master, I will arrange a convoy and pick you up at the airport in person. I will also inform the master and others.

charlie said, “There is no need to mobilize troops. You are the big housekeeper of the Wade family. It would be too ostentatious for you to come to pick me up. There is no need to come here in person. Just arrange a car to park at the airport for my transportation. I want to go to the Wade family. ” Zhai, just inform the old man, there is no need to inform others.

Stephen said without hesitation, “Okay, young master, let me inform you, will you stay at the old house at night?” Or go back to live in the manor?
