

The Amazing Son In Law Chapter 6136 -

The false teacher was not surprised by Stephen Thompson's words and said, "Stephen, Madam has already guessed what you said, so she asked you to come to Yonghe Palace for an interview. Can you change the time?" "Can you change the time

? ." Stephen Thompson said hurriedly, "The young master is used to keeping a low profile and won't let me pick him up at the airport. I just need to wait for him at the old house. The old house is very close to Yonghe Temple and I have plenty of time." "That's good

. ." The false teacher said casually, "Then we'll meet you at Yonghe Palace in one hour."

Stephen Thompson said respectfully, "I obey!"

The false teacher hung up the phone and reported to the lady, "Madam, Butler Stephen said, The young master is going to the old house in the evening."

The middle-aged woman was slightly startled, and there was a slight mist in her beautiful eyes with fine lines at the corners of her eyes.

Immediately, she held back her tears and smiled happily, "charlie has been away from there for so many years, so it's time to go back and take a look. It's just that I, a mother, have been away from him for twenty years, but I still can't meet him." This

middle-aged woman is charlie's mother, the legendary Chinese businessman Lydia (Ava) (Charlie's mom).

In the past twenty years, no one except Lydia (Ava) (Charlie's mom)'s close confidants knew that she was still alive in this world.

Not even charlie, her closest relative, nor anyone in the An family knew that she was still alive.

Seeing that she was feeling a little sad, the false teacher quickly comforted her and said, "Madam, even though you have never met the young master for so many years, you have been thinking very hard for the young master. When the time comes in the future, and you meet the young master to explain everything, the young master will not blame you." Yours."

Lydia (Ava) (Charlie's mom) gave a wry smile and murmured, "After Bruce left, I have been looking forward to avenging him and looking forward to charlie meeting Fenghualong, but I never thought that everything Bruce and I had worked so hard for had almost destroyed charlie. My son was pushed into the abyss of eternal destruction. To this day, I don't know whether the efforts that Chang Ying and I made back then, and everything I did in the past twenty years, were right or wrong."

The fake master said with a firm expression, "Madam, please forgive me for talking too much. Although the young master has had a troubled life with many unsatisfactory experiences in the past twenty years, young master Bruce has been far-sighted and strategizing throughout his life. His decisions must have been carefully considered. Even if there were indeed some changes that were beyond his expectation, Master Bruce's decision back then must be the best way for you and the master!" Lydia (Ava) (Charlie's mom) nodded lightly and said firmly, "You are right

. Bruce sacrificed himself to protect charlie and me, and used himself to pave the way for charlie. charlie will definitely live up to his expectations." After saying that, Lydia (Ava) (Charlie's mom) looked out the window in a daze.

The Amazing Son In Law Chapter 6137 -

Twenty years ago, Everything flashed through her mind like a slideshow...

At this time, the plane had already taxied to the closed hangar next to the remote stand of Eastcliff Airport.

When the aircraft was only a hundred meters away from the hangar, the hangar door slowly opened to the left and right sides. At this time, there were three private jets of the same model parked in the hangar, as well as several inconspicuous Hongqi H9s. In the car, a group of staff wearing maintenance uniforms have been waiting here for a long time.

Originally, Lydia (Ava) (Charlie's mom) was going to complete the change of aircraft here, and then turn around and fly south to Aurous Hill.

But because charlie suddenly changed her flight schedule and came to Eastcliff, after she got off the plane, she got directly into one of the red flag cars. Then the motorcade immediately drove out of the hangar, left the airport through the VIP passage, and went straight to Yonghe Temple. And go.

Yonghe Temple has a long history and is the most popular temple in Eastcliff.

And Lydia (Ava) (Charlie's mom) has an exclusive courtyard here.

She asked Stephen Thompson to go to Yonghe Palace to meet her, and pointed outIt's this mansion.

The ancients said that a small person hides in the wild and a big person hides in the city. Who would have thought that Lydia (Ava) (Charlie's mom)'s residence in Eastcliff is actually in the temple with the largest number of visitors in the city center.

When Lydia (Ava) (Charlie's mom) arrived at the house, Stephen Thompson had already arrived early.

At this moment, he was waiting in the central hall of the courtyard.

Seeing Lydia (Ava) (Charlie's mom) and the false teacher come in together, he hurried to the door and said respectfully, "Madam, Sister Sun!"

Lydia (Ava) (Charlie's mom) nodded slightly, pointed to the chair in the hall, and said to him, "Sit down,."

Stephen Thompson bowed and said, "Thank you, Madam."

Lydia (Ava) (Charlie's mom) waved her hands and sat down in the middle hall, with the fake Master Taiji wearing a hat standing next to her.

Although the fake teacher was still wearing a hat, Stephen Thompson could still see that she had shaved her head and asked in horror, "Sister Sun, what are you..." The

fake teacher smiled slightly and took off the hat. , said, "I played a guest role as a master in Shiwanda Mountain today."

Stephen Thompson asked quickly, "Sister Sun, have you met the young master?! Does the young master still have an impression of you? Don't make the young master suspicious. !"

The fake master shook his head and said, "Don't worry, I didn't meet the young master directly."

“That’s good!” Stephen Thompson nodded, and respectfully asked Lydia (Ava) (Charlie’s mom), “By the way, madam, you haven’t returned to Eastcliff for a long time. In the past, you would never go to a place where the young master was. Why did you come to Eastcliff with the young master today?” Lydia (Ava) (Charlie’s mom) said

lightly, “I asked Sister Sun to stop charlie at Shiwandashan. I originally wanted to stop in Eastcliff and then stop. I went to Aurous Hill to do something, but I didn’t expect charlie to suddenly change his route and come to Eastcliff, so I changed my plan temporarily.”

Stephen Thompson asked with some surprise, “Madam, have you seen what the young master looks like now?” “

No. .” Lydia (Ava) (Charlie’s mom) shook his head and said, “When charlie and I were closest, we were only two miles apart, but now he is so powerful that I don’t even dare to look at him from a distance.”

Stephen Thompson hurriedly asked, “Madam, don’t you plan to meet the young master yet?”

Lydia (Ava) (Charlie’s mom) looked solemn and said firmly, “It’s not the time yet. Wu Feiyan tried to wipe out the An family twice some time ago. She must have suspected that I haven’t.” He wanted to use this to test whether I was still alive. If I was still alive, he wanted to use this to force me to show up. If charlie hadn’t coincidentally and secretly helped me both times, I probably wouldn’t have been able to hide anymore. , I survived both times, and I can’t be too impulsive now.”

Stephen Thompson asked, “Madam, the young master suddenly changed his mind and came to Eastcliff, and also went to the old house. Could it be that he has noticed something?”

Lydia (Ava) (Charlie’s mom) shook his head and said, “Probably not. I guess charlie is probably a little confused right now, so he wants to come to Eastcliff and go to his old house to find some guidance.” Stephen Thompson asked, “Madam, what do you want from your stay

in Eastcliff this time?” Plan?”

Lydia (Ava) (Charlie’s mom) said, “I don’t have any plans, I just have something for you. Before charlie arrives in Eastcliff, help me put it back in the

Ye family's old house. I will go to Aurous Hill early tomorrow morning." As he said that, Lydia (Ava) (Charlie's mom)

said The false teacher nodded slightly.

The fake teacher immediately took out an old-fashioned 16-page photo album from her handbag and handed the album to Stephen Thompson.

When Stephen Thompson got the photo album, he didn't dare to open it directly. Instead, he asked Lydia (Ava) (Charlie's mom), "Do you want me to put this photo album back in my old house?" "

Yes." Lydia (Ava) (Charlie's mom) nodded and sighed, "Twenty years, some It's time to gradually let charlie know about the dusty past!"
