

The Amazing Son In Law Chapter 6138 -

When charlie and Lin Wan'er (Alani) drove from Eastcliff Airport to the wade family's old house, Stephen Thompson was already waiting at the old house with the old man Lord Wade.

Lord Wade was taken over by Stephen Thompson. After he left Yonghe Palace, he went to the wade family manor to take Lord Wade back to his old home.

Lord Wade always wants to find more opportunities to build relationships and enhance feelings with his grandson charlie. However, although charlie has become the helmsman of the wade family, he has never come to Eastcliff. As a grandfather, he Yeah, I couldn't see charlie a few times throughout the year.

Lord Wade was naturally very happy when he heard that charlie was coming to Eastcliff this time. Before he arrived at the old house, he had already arranged for the chef to prepare a family dinner for charlie at the old house.

When charlie arrived at the old house, Lord Wade and Stephen Thompson even went to the yard to greet him .

As soon as he saw charlie get out of the car, he said excitedly, "charlie, why did you suddenly come to Eastcliff today?"

charlie said truthfully, "Grandpa, I came back to the old house to take a look, and I wanted to sort out the things my parents left behind. The things you left behind."

Lord Wade nodded repeatedly and said without thinking, "No one has touched your parents' room, it is still the same as before." At this time, the

passenger door opened, and a "classic beautiful girl" who looked no more than seventeen or eighteen years old appeared. Lin Waner got off the car, looked at Lord Wade, and said respectfully, "Hello, grandpa, my name is Lin Wan'er (Alani)."

Looking at Lin Waner, Lord Wade looked surprised.

He really didn't expect that charlie would bring a girl to his home this time.

Moreover, this girl is neither Claire, charlie's wife, nor Stefanie sun, who is engaged to charlie.

What made him even more unexpected was that this girl was so young...

After all, charlie was twenty-eight or nine years old, about to be thirty. This girl looked about sixteen or seventeen years old. The age difference was indeed a bit big. .

What puzzled him even more was the identity of this girl.

After all, as charlie's grandfather, he knew very well that charlie had many female confidantes around him, but Lin Waner was the first one brought to the old house by charlie.

This made him guess about Lin Waner's identity and the relationship between charlie and Lin Waner.

charlie also saw that Lord Wade was very curious, so he explained, "Grandpa, Xiaowan is a sister I met in Aurous Hill. She happened to have nothing to do recently, so she came with me to have a look." "Oh..." Although Lord Wade was

still She didn't think about it, but she still smiled and said to Lin Waner, "Miss Lin, just treat this place as your home. Don't be polite."

Lin Waner nodded obediently and said, "Thank you, grandpa."

Lord Wade looked at Lin Waner tentatively. He asked, "Miss Lin, you look young. Are you twenty this year?"

Lin Wan'er (Alani) said, "I just turned eighteen this year."

Lord Wade breathed a sigh of relief.

He knows very well that society has two age thresholds for women, one is fourteen years old, which is the legal threshold, and the other is eighteen years old, which is the moral threshold.

For ordinary people, as long as the legal threshold is crossed, the matter is legal. As for the moral threshold, it depends on everyone's moral standards.

But for respectable people, it is not enough to just cross the legal hurdle. They must cross the moral hurdle. Otherwise, they will definitely be criticized and criticized.

Those well-known rich second generations who are extremely arrogant and change their girlfriends faster than their socks do not dare to wander in the middle ground between these two barriers, because if they do, they will definitely be criticized by the public.

Lord Wade was also worried that Lin Waner was under eighteen years old, and if it was exposed, it would have an impact on Charlie and the Wade family. However, he relaxed a lot when Lin Waner said that she was already eighteen years old.

Stephen Thompson, who had been silent until now, took a step forward and said respectfully, "Master, the master has already prepared a family banquet. Please go in and have something to eat with Miss Lin first!" Lord Wade also came to his senses

, He quickly said, "Yes, Charlie, you always don't come to Eastcliff.

The Amazing Son In Law Chapter 6139 -

I heard that you suddenly came over tonight, so I quickly asked someone to prepare some wine and food. You can have a few drinks with grandpa later. "

Okay. " Charlie nodded slightly and said, "Then let's go in and eat and chat." "

Returning to this old house where he lived for several years as a child, Charlie felt both familiar and strange.

Although the house was still the same as before, there were no major changes, but when Charlie lived here, the house It has always been lively and crowded.

Back then, Charlie's father Bruce was very popular in the Wade family.

Although Lord Wade had not officially passed the title of head of the family to him, at that time He has become the actual helmsman of the entire Wade family.

Under his leadership, the Wade family has been making great progress, and the entire Wade family has been unprecedentedly united because of his leadership.

At that time, both Corran and Cynthia Wade were willing to work together. Be a foil beside Bruce, because they know that being a supporting role beside Bruce will reap far more benefits than playing the protagonist themselves. Therefore,

everyone is happy and relaxed, just following Bruce. Just wait for him to allocate resources.

However, since Bruce's death, the Wade family has lost the key to twisting the entire Wade family into one. Everyone has begun to have their own thoughts. Corran hopes to inherit the position of head of the family as soon as possible. , and Cynthia Wade and several others are looking forward to splitting up the family as soon as possible and locking in their own interests as soon as possible.

Since then, the Wade family has never had the unity and prosperity that it once had.

In recent years, With the completion of the Wade family manor, the Wade family has basically moved away from the old house, leaving only some servants to take care of the maintenance here, so it seems a bit lonely now. Several people came to the restaurant, and the dinner table was already set

. Full of sumptuous food and wine.

Lord Wade invited Charlie and Lin Wan'er (Alani) to take a seat. Stephen Thompson at the side took the initiative to open a bottle of liquor, poured a bottle for each of his grandfather and grandson, and then stood respectfully behind Lord Wade.

Charlie looked at him and said, "Stephen Thompsonn, please sit down and have something to eat once."

Stephen Thompson said hurriedly, "Thank you, young master. You and I haven't seen each other for many days, so we just took this opportunity to have a few more drinks and have a good chat. I won't bother you anymore! Besides, I am a servant, and it is against the rules to eat with you and the master at the table."

charlie waved his hand, "Butler Stephen , you don't have to be so reserved. I remember when I was a child, my father would often invite Let's drink together. You saved my life. Thanks to your secret care for the past twenty years, I have always wanted to find an opportunity to toast you. Today, you must not be too public." Stephen Thompson said with sincerity and fear, "Young Master, you are so beautiful

. Don't say that. The reason why my subordinates were able to bring you out twenty years ago and hide you in the Aurous Hill Orphanage to grow up was all arranged by your father, Young Master bruce. My subordinates were only the executioners of Young Master bruce's arrangement. Mission..."

As he spoke, he sighed with red eyes, "To this day, my subordinates only dare to say that they are lucky enough to have fulfilled their mission, that's all..."

charlie's heart moved and he asked him, "Stephen Thompsonn, you said that you were Was it my father's arrangement to take me away and keep me in the orphanage?"

"Yes!" Stephen Thompson blurted out, "Including the entire team of the orphanage, they were all hand-picked and trained by your father, including the director. Lao Zhang was also one of your father's capable generals back then."

charlie sighed endlessly, "It seems that my father had expected that one day Po Qing would come to his door..."

As he spoke, charlie pointed to the empty seat next to him, He said to Stephen Thompson, "Stephen Thompsonn, let's sit down and have something together. I'll have a drink with you." Stephen Thompson was

still about to refuse, but Lord Wade on the side said, "Sihai, there are no outsiders here, so you don't have to be so reserved, charlie." My son grew up as your secret guardian, and you deserve this toast from him."

Seeing that the old man and the young man all asked him to take a seat, Stephen Thompson stopped refusing and sat down next to charlie respectfully.

charlie smelled a faint smell of incense, so he looked at Stephen Thompson and asked casually, "Butler Stephen went to the temple today?"
