

## The Amazing Son In Law Chapter 6820

Seeing that Jimmy Smith was a little nervous, Charlie Wade smiled and comforted him, "Don't worry, no one will do anything to you. The emergency number in China is 110. If you feel threatened, you can call the police at any time."

Seeing that Charlie Wade did not want to embarrass him, Jimmy breathed a sigh of relief, straightened his collar, and said, "I'm not here to cause trouble today. I'm naturally very happy that my sister-in-law can find true love again. If you can be more friendly, I can temporarily put aside the dispute and stay to attend the wedding. It can also be regarded as representing the Smith family for..." "Sister-in-law sends her wedding blessings."

As he said that, he looked at Hank with a sneer on his face and said, "In fact, I am also very curious about what kind of connections Professor He has that even Bill Gates is willing to admit defeat. I am looking forward to seeing it."

Charlie Wade nodded and smiled, "You will see it soon."

Jimmy naturally didn't believe it, and mocked, "I don't believe that a small Jinling can find someone who can make Bill Gates admit defeat."

As soon as Jimmy finished speaking, a figure hurriedly ran in. It was Steve Rothschild who received Charlie Wade's message.

Ever since he drank a glass of medicinal wine from Charlie Wade, Steve regarded Charlie Wade as a savior. Charlie Wade sent him a message asking him to come to Buckingham Palace, and he rushed over as fast as he could.

Fortunately, the hotel he stayed in was very close to here, and it didn't take long to walk.

Steve found Charlie Wade as soon as he entered the door, but according to the content in Charlie Wade's message, he went directly to Hank, who was wearing a suit and a groom's boutonniere on his chest, and then said excitedly: "Old Hank! Happy wedding, Old Hank!"

Everyone turned to look, and saw a middle-aged white man in his fifties walking quickly towards Hank, but most of the people here didn't know who he was, including Jimmy, Paul, Matilda and others who had lived in the United States for many years.
