After he finished speaking, he suddenly realized that something was wrong, and his peripheral vision involuntarily glanced at Charlie Wade, who also looked at him with a puzzled look, with a slightly surprised and teasing expression.

Steve quickly coughed and changed his words: "There are people who dare to shout at me, but they are all people I respect and admire very much. You are just a small lawyer and you dare to shout at me, who do you think you are?"

As he was speaking, Steve's cell phone rang. It was the housekeeper calling.

He answered the phone immediately, and the person on the other end of the phone said respectfully: "Master, I have already talked to Ellis' boss. He said that Jimmy Smith will be fired immediately and will be completely banned from the American legal profession, so that he will never be able to be a lawyer in the future."

Steve asked: "Anything else?"

The butler said: "Ellis' boss just sent me some documents. These are all evidence of Jimmy Smith's suspected economic crimes. If necessary, the materials can be transferred to the FBI at any time. He said that Jimmy Smith can at least stay in prison until he is seventy-five years old!"

"Okay!" Steve said with satisfaction: "Let's do it this way. Hand all the information to the head of the FBI. Tell her, just say what I said and ask him to personally supervise this matter for me. I will not let this guy go back to the United States." The butler

immediately said: "Okay, Master, I'll arrange it right away."

Steve hung up the phone and looked at Jimmy with a sarcastic face and said, "After today, you will be wanted by the FBI. If you go back to the United States, you will be arrested as soon as you get off the plane. You will be sentenced to at least 20 to 30 years in prison. So I advise you not to go back and find a job in Nanjing. After all, there is no extradition agreement between China and the United States. As long as you have not been deported, you don't have to go back to jail."

Jimmy was so scared that he burst into tears. His legs went soft and he knelt on the ground and begged, "Mr. Rothschild, please let me go. You can hit me or scold me, but please don't give the information to the FBI. If I do, my life will be over!"

Facing Jimmy's pleading, Matilda was a little at a loss for a moment. Paul next to her felt a little sorry, so he said to Charlie Wade: "Mr. Wade, although my uncle is a bit mean, he is my father's younger brother after all. Please give him a chance to reform because he sincerely repents."

When Paul opened his mouth to plead with Charlie Wade, Jimmy hadn't figured it out yet, and thought to himself: "Paul, Paul, my good nephew, if you really want to plead for me, go and beg your stepfather. After all, he is a friend of the eldest son of Rothschild. What's the point of leaving him alone and begging this young man next to you?"

Charlie Wade said at this time. Curiously, I asked Paul, "He wants to steal the property left to you by your father and your mother, and you still want to plead for him?"

Paul smiled awkwardly and said, "I know very well what kind of person my uncle is. The reason why he came all the way from the United States to act like a rogue is because he has no reasonable and legal way to steal the shares of Smith Law Firm from my mother and me. Otherwise, with his character, he would have sued us in the United States long ago. Although what he did today was indeed a bit despicable, in essence he was just trying his best. Even if he returns to the United States safely, he has no other way to ask for the shares. "

Jimmy didn't expect that his nephew had seen through his cards clearly, and he said with shame: "Paul, you are right... I am just mentally unbalanced, and I want to take advantage of this happy day to make trouble. As long as you can forgive me this time, I will never harass you again!"

As he said, he wiped his tears and said with great grievance: "And now I have paid the price for my stupid behavior. I never dreamed that my boss would deliberately set a trap to get hold of my handle. If he bans me, I will be completely unemployed when I go back, and I may not be able to work as a lawyer in this life. It's just for the sake of being praised. "Don't kill me, I still have a wife and children..."

Matilda saw that he did admit his mistake and paid a great price, so she said to Charlie Wade: "Charlie Wade... why don't you just forget it, you have to talk to Mr. Rothschild and leave a way out for Jimmy."

Steve was afraid that Charlie Wade would really save face for Jimmy, so he quickly said: "Mr. Wade, we have to kill this despicable villain quickly, otherwise he will go back and sleep, forget the pain after the scar heals, and come to cause trouble tomorrow. If it's you, don't worry about anything, I will make the arrangements, and I guarantee that you will never see him again in this life!"

Steve had been wronged in Jinling for so many days, and finally found a punching bag. If he could only vent half of his anger, he would definitely feel more depressed.

Jimmy was so scared that his face turned pale. He didn't dare to plead with Steve, but when he thought about how Paul and Matilda had just pleaded with this ordinary-looking young man in front of them, and even Steve Rothschild was respectful to him, he suddenly realized that Charlie Wade was the real key behind this.

After that, he gave Charlie Wade a thumbs up and praised him, "Mr. Wade, it has to be you! This is more exciting than sending him to jail!"

When Jimmy heard that he was going to be sent to a dog farm, although he didn't know what it looked like, combined with the name and seeing Steve Rothschild was so excited about this place, he knew it must not be a good place.

He looked at Charlie Wade uneasily and asked him crying, "Mr. Wade... May I ask what your dog farm is... What does it do..."

Before Charlie Wade could speak, Steve sneered, "Of course, a dog farm raises dogs, but there are real dogs and fake dogs. You are a fake dog, and you are the one who looks like a dog."

Then, Steve said, "Mr. Albert's dog farm has a good environment. You can get your own cage, and there is a Japanese male servant to provide you with meals. When you get there, you don't have to work hard. You can just eat and wait to die every day."

Jimmy was scared to death. Locking himself in a dog cage? This is more than a hundred times more cruel than prison! Is there still justice? Is there still humanity?

Thinking of this, Jimmy cried and said, "Mr. Wade, I beg you, I really beg you, you see I'm old, you put me in the kennel, it's useless except wasting your space and food, if I die I'll have to waste your energy to deal with the body, just treat me as an old dog that's about to die, have mercy on me and let me go!" Before

Charlie Wade could say anything, Steve said, "It's okay, Mr. Wade, I'll be responsible for all his expenses at the kennel, I'll pay double, and if he dies, you don't have to bother dealing with his body, just chop it up and feed it to the dogs, right? Then I'll sponsor a batch of the best fighting dog breeds in the world."

At this point, Steve waved his hand and said, "Forget it, forget it. I might as well sponsor Mr. Albert 10 million dollars and upgrade his dog farm!"

Jimmy had collapsed. He never expected that Steve would bite him to death and not let go. The situation he was facing was getting worse and worse. He could have gone back to the United States to go to jail, but now even this road was blocked. He had to stay in

a dog cage in China for the rest of his life. If he had known this, he would have just gone back to the United States to go to jail!

But then Steve suddenly clapped his hands and said excitedly: "Yes, yes, yes! We should bring his wife and children here as well, so that the family can be reunited!"

After that, he quickly changed his words: "No! They can't be reunited. Put each of his five members in a cage, and there should be an empty cage between each cage. Let them meet and talk through the cages every day, but no one can touch each other. I let him pretend to be cool with me, and I must punish him severely this time!"

Jimmy was so scared that he collapsed to the ground. Seeing this, Matilda quickly asked Paul to help him up, and then said angrily: "Mr. Rothschild, you... Even if you don't accept his confession, you shouldn't involve his wife and children. We Chinese have an old saying that misfortune will not extend to his wife and children. If you do this, it will bring shame to the Rothschild family if it gets out!"

Steve said without hesitation: "The Chinese What does the old saying have to do with me, an American? I just want to make things difficult for him. Not to mention his wife and children, I'll even get his dog here!"

Seeing Steve gritting his teeth, charlie Wade was afraid that he would really do it if he didn't wake him up, so he said, "Okay, Steve, you are here to attend the wedding, don't make it so bloody."

Steve was stunned, then looked at charlie Wade, and said aggrievedly, "Mr. Wade, he bared his teeth at me first, but I didn't recruit him!"

charlie Wade nodded, "I know, I know, you see, he is old, and there is no point in keeping him in the dog farm. Instead of letting him eat and wait for death at Don Albert's place, it is better to find something for him to do and squeeze out his surplus value. "

Steve hurriedly said, "Then let him feed the dogs and clean up the dog poop at the dog farm every day."

charlie Wade waved his hand and said, "He is an experienced lawyer after all. It's a bit of a waste of talent to clean up dog shit. I just want to start a company. Aunt Matilda is the only one in the legal department. Why don't we let him come to my new company to do voluntary work for ten years. If he performs well at the end of the ten years, he will be sent back. If he doesn't perform well in the meantime, it won't be too late to send him to the kennel."

Steve suddenly realized, "Mr. Wade, this is what you mean."

Jimmy's ability to become a senior partner of the Ellis Law Firm is enough to show that he is definitely excellent in terms of professional ability. Moreover, he has been behind the scenes for several years. He must be a little rusty in practice. Jimmy has always been in the front line, so his practical ability is absolutely no problem.

Moreover, this is indeed a good thing for Jimmy. In any case, it is much better than going to a kennel and prison.

charlie Wade specifically asked Jimmy at this moment: "You said you are interested, are you sincere?"

Jimmy blurted out without thinking: "Yes, yes! Absolutely sincere!"

charlie Wade asked again: "Ten years, you won't regret it, right?"

"No, no, absolutely not!"

charlie Wade asked again: "If others ask you about it, you know what to say, right?"

"I know, I voluntarily chose to come to China to develop! Absolutely voluntary! Even if my wife and children ask me, I will say so!"

charlie Wade nodded gently: "Ruzi is teachable. In this case, I will let you go back to arrange your family first, and come to Jinling to report to Aunt Matilda in half a month."

"No problem!" Jimmy didn't expect charlie Wade to let him go back home to make arrangements. He was extremely grateful and nodded heavily, saying, "Thank you, Mr. Wade, for your magnanimity! Don't worry, Mr. Wade, I'll come right away after I arrange things at home!"

charlie Wade looked at Steve and said, "If he doesn't come in half a month or runs away, then you have someone catch him and send him directly to Don Albert's dog farm."

Steve didn't expect that he couldn't even abuse a loser like Jimmy. He felt a little depressed, but when he thought that it didn't matter if he suffered a little grievance, the most important thing was to please charlie Wade, so he immediately patted his chest and promised, "Don't worry, Mr. Wade, I'll have someone keep an eye on him. His. "

charlie Wade looked at Jimmy and said with a smile: "You are Paul's uncle. The blood relationship in your bones will not disappear because of the death of your eldest brother. Aunt Matilda is your eldest sister-in-law for decades. People say that the eldest sister-in-law is like a mother. Although your eldest brother is no longer here, she is also

half of your relative. You are also very loyal and righteous. Not only did you come to China to attend Aunt Matilda's wedding, but you were also willing to come to China to help Aunt Matilda at the beginning of her new career. This feeling is really touching. In my opinion, when the wedding starts later, you must go on stage to say a few words of blessing, so that the guests can see the brilliance of your humanity. "

Jimmy heard this and felt bitter in his heart.

He knew what Charlie Wade meant. On the one hand, it was a step for him to step down. On the other hand, he also needed to come forward to give these guests a reasonable explanation, otherwise everyone would not understand what happened here.

Although this kind of thing is quite embarrassing, he can't care about it at the moment. It is the greatest blessing to escape from the clutches of Steve Rothschild. In front of this matter, what does it matter if he loses some face? I can take off my pants and run naked from here to Jinling Airport. I can do that!
