

The Amazing Son In Law Chapter 6833

Since hank and Matilda's wedding omitted many traditional procedures, they had much more time. Even though Jimmy had caused such a scene, it did not affect the normal progress of the wedding.

The guests present had previously witnessed the whole process of Jimmy coming to find fault, and knew that this was a matter of the bride's ex-husband's family, so it was difficult for everyone to intervene.

As for what Jimmy was talking about with charlie Wade, Steve and others later, the guests were not very clear. They just saw that Jimmy was very arrogant at first, and suddenly he knelt on the ground and cried, which made everyone confused.

Now, charlie Wade has solved Jimmy's troubles, and it is almost time to hold the ceremony, so charlie Wade stepped onto the stage to open the wedding.

He first welcomed and thanked the guests, and then expressed his honor as a junior to be invited to be the host and witness.

After an opening statement, he continued: "Just as our guests were entering, an American friend was quite emotional at the scene. I believe everyone has seen it. This American friend is named Jimmy Smith. He is the uncle of the son of today's bride, Ms. Matilda. Now I would like to invite Mr. Smith to the stage to explain to everyone what happened just now and to send wedding blessings to today's bride and groom."

When everyone heard that the guy who had caused trouble just now was going to take the stage to give a speech, their gossiping souls were aroused. After a round of applause, they looked forward to Jimmy's waiting.

Jimmy had already lost all face at this time. He took the microphone and walked onto the stage, came to charlie Wade's side, then bowed deeply to the audience, and said very ashamedly: "Dear guests, I am really sorry that my previous behavior was offensive. Please don't mind. The reason why I made trouble at the wedding was because I was greedy and wanted to snatch the shares of Smith Law Firm from my sister-in-law and nephew..."

Then Jimmy said: "In fact, Smith Law Firm was founded by my sister-in-law and my late eldest brother after decades of hard work. There is actually no equity relationship with the Smith family. The reason why I coveted the shares of Smith Law Firm is because there are larger law firms in the United States that want to merge all of Smith Law Firm's business in the United States. Now think about it, I really deserve to die! For the sake of money, I actually disregarded family affection and the law. I am really ashamed!"

At this point, Jimmy sighed and continued, "In order to make up for my own greed and mistakes, I have decided to stay in Aurous Hill and contribute to their future careers. I also hope that I can express my own repentance and support for them with practical actions."

The two were indeed a perfect match, not only were the guests very optimistic about them, but even Paul and Ziva Hank thought they were a match made in heaven, and they were all happy for their fathers or mothers.

charlie Wade could also see that the couple truly loved each other, and the deep love was in their eyes and could not be hidden at all.

After the wedding, the couple and their children sent the guests out together. Steve was about to leave, so he said to charlie Wade, "Mr. Wade, it's okay. I'll go back to the hotel first. I'll make arrangements for Jimmy. You can contact me anytime if you have any questions."

charlie Wade nodded and said, "Thank you for making a special trip."

Steve said hurriedly, "Why are you being polite to me?"

After that, he said to hank and Matilda, "I wish you a happy wedding again. My private jet happens to be parked in Aurous Hill, and I won't leave recently. You can use it for your honeymoon. It doesn't matter where you go." He

hank thanked him, "Thank you for your kindness, Mr. Rothschild. We have already booked the tickets, so we won't trouble you."

"No trouble." Steve said, "Just cancel the tickets. My private plane is a modified A350. It is absolutely unmatched in terms of comfort, even Air Force One cannot compare."

charlie Wade smiled and said, "That's great, Uncle Hank, Aunt Matilda, this is also a small gift from Steve. You two are welcome to be polite. With the support of the Rothschild family, it will be much more convenient to go anywhere. Not only will the journey be more comfortable, but it will also save a lot of time."

hank didn't want to cause trouble at first, but since charlie Wade said so, he couldn't refuse, so he said to Steve: "Thank you, Mr. Rothschild."

Steve on the side remembered and said, "I'll have someone call their boss now."

Then he said, "Oh no, I'll call him myself!"

Then Steve asked the butler for the other party's phone number and asked the butler to greet the other party in advance, informing the other party that Steve Rothschild took the initiative to talk to him.

Ellis' boss, Knight Ellis, was so excited when he heard the butler of the Rothschild family say that the heir of the family Steve was going to call him.

He thought that his handling of Jimmy's affairs had been recognized by him, and he was going to call him personally to praise him, so he excitedly waited in front of the phone, waiting for Steve's call.

When Steve dialed his number, he picked up the phone instantly and said politely, "Hello! I'm Nate Ellis!"

Steve hummed and said lightly, "I'm Steve Rothschild."

Nate Ellis said respectfully, "Hello, Mr. Rothschild! It's my honor to receive a call from you! What do you want to talk to me about?"

Steve said lightly, "I called to tell you that from now on, you must never embarrass Jimmy Smith again."

"Ah?" Nate Ellis asked in astonishment: "Mr. Rothschild, it was your butler who called and said that you wanted to teach him a lesson, so I fired him... I didn't intend to embarrass him..."

Steve said coldly: "I know, but the situation has changed a bit. The reason why I met Jimmy was because I was attending the wedding of a close friend of mine in China. I didn't expect that he was a distant relative of my close friend, and we have already cleared up all the misunderstandings, so you must not embarrass him again, otherwise I will not be able to explain to my close friend. If you make me lose face in front of my close friend, then I will definitely not forgive you! In addition, I tell you, I have already answered Ying is my best friend, so you must take good care of Jimmy. If you dare to do anything to him, I will definitely not forgive you, do you understand?"

Nate Ellis wanted to slap himself in the face, cursing in his heart: "Damn it, there are such things in this world? You wanted me to teach him a lesson, and after I taught him a lesson, you said such things again, isn't this being a hooligan? You have to know that I have offended Jimmy Smith so much, letting him know that I deliberately designed to leave him with a handle, letting him know that I wanted to send him to jail to please you, aren't you cheating me?"

Seeing that Nate Ellis was speechless for a while, Steve said, "I'll let Jimmy talk to you."

After that, he handed the phone to Jimmy.

Jimmy gritted his teeth and took the phone. He opened his mouth and said sarcastically, "Oh, boss, I'm

so sorry to disappoint you!" When Knight Ellis heard this, he immediately smiled and said, "Jimmy, don't say that. It was all misunderstandings before. It's okay to have misunderstandings. It's good that they can be resolved! I will hold a board meeting as soon as possible to vote on your joining the board of directors. When you come back, you will be a member of the board of directors!"

After that, he quickly asked, "By the way, Jimmy, when are you coming back? I will pick you up at the airport in person!"
