

The amazing son in law - The Amazing Son In Law

Chapter 7113

When Wu Shuhang said that the mysterious man wanted the Lord to kneel before Aasif, Jadiel realized that something was wrong.

He had been with the Lord for nearly a hundred years and knew the most about him. He knew that the Lord had been looking for Lin Wan'er (Alani) for more than three hundred years. He also knew that Lin Wan'er (Alani) had no cultivation at all. Apart from having a life span of five hundred years, her only advantage was probably her intelligence.

However, what Wu Shuhang said today overturned his understanding of Lin Wan'er (Alani) over the years.

He couldn't help but sigh to Jadiel: "It seems that we have underestimated Lin Wan'er (Alani) for so many years. This woman may have cracked what the Lord of England has been dreaming of. The matter is urgent. I will report to the Lord of England immediately. You wait for my news."

Wu Shuhang hurriedly pleaded: "Grandpa, please say a few good words for your grandson in front of the Lord of England, and don't punish your grandson again!"

"Don't worry." Jadiel sighed and said, "I will do my best to help you in this matter."

After that, he said, "Take a video of your hands and send it to me, and I will present it to the Lord of England."

Wu Shuhang hurriedly said, "Okay, Grandpa, I will take a video and send it to you!"

After hanging up the phone, Wu Shuhang used his left hand to take a picture of the bloody scene of his right hand, and then forced himself to go to the bathroom and took a picture of his left hand that looked like a newborn in the mirror.

After receiving the video, Jadiel immediately went to see Sara.

When Sara heard that the mysterious man had given Wu Shuhang a Reshaping Pill, the hairs on her body stood up at that moment, and she blurted out to question Jadiel: "Is what you said true?! That man really gave Wu Shuhang a Reshaping Pill?! A Reshaping Pill that can reshape a person's golden body?!"

"Absolutely true!" Jadiel hurriedly opened the video sent by Wu Shuhang, handed it to Sara, and said: "Lord Ying, this is the video I asked Wu Shuhang to send. A few days ago, the three elders showed mercy when they stood on his left hand. They treated his wound very neatly, and there was almost no bleeding. But that mysterious man was ruthless and directly chopped off his right

wrist with his hand. The wound was already bloody. Look at his left hand, you can't see any scars at all, and it even looks a little more delicate than the skin on his wrist."

Sara watched the entire video without blinking, and her whole body began to tremble violently and uncontrollably.

She gritted her teeth and growled like a wild beast and said in a cold voice: "To refine the Reshaping Pill and the Eternal Green Pill, a very precious medicinal ingredient is needed, which is the Phoenix Bone Vine. I am even 80% sure that the recipe of the Hundred Turns and Thousands of Returns Pill will also contain the medicinal ingredient Phoenix Bone Vine. I have been looking for it for hundreds of years, and asked the people from the Poqing Society to look for it for me for hundreds of years, but I have never found any trace of it. Where did this person get it from?"

Jadiel hurriedly said: "Oh, my lord, I haven't finished yet. Before the mysterious man left, he asked Wu Shuhang to bring you a message, and he mentioned Aasif in the message!"

Jadiel didn't dare to say the original words that Charlie Wade asked Wu Shuhang to convey in front of Sara, so he could only tell her in this obscure way that this matter was related to Aasif. When

Sara heard the three words "Aasif", she was struck by lightning. She was so flustered that she was a little dazed.
